Ontario Regulation 67/93....Health Care and Residential Facilities

1. Section 9 (1)

The employer shall reduce the measures and procedures for the health and safety of workers performing patient lifts and transfers to writing. A written Safe Transfer program is not in place in this facility.

2. Section 9 (4)

The employer, in consultation with and in consideration of the recommendation of the joint health and safety committee shall develop, establish and provide training and educational programs in health and safety measures and procedures for workers performing lifts and transfers. Training in patient lifts and transfers is not occurring on a regular basis.

Occupational Health and Safety Act

1. Section 57 (4)

A provision of this Act or the regulations is being contravened, the employer shall submit to the Ministry a compliance plan prepared in the manner and including such items as required by the order. The compliance plan shall specify what the employer plans to do to comply with order #2 and when the employer intends to achieve compliance.
