

Over 80,000 Group Members and their spouses have chosen the MEDOC Plan for travel insurance protection and peace of mind when travelling. MEDOC is a travel insurance plan for Canadians covering medical emergencies that arise while travelling outside their province/territory of residence or outside of Canada. Its unique features and service offerings make it an excellent choice for travel insurance. Johnson Inc. are always looking for new ways to serve you better, and with MEDOC, you can now travel with more peace of mind than ever before.

Here is what Gloria Lynn had to say about her experience with MEDOC...

I sit here today and think how lucky I am to have my Insurances with Johnson Inc. specifically MEDOC Travel Insurance. I travelled to Florida this past winter for the first of what I hoped would be many southern winters.

Before I left on my southern adventure I looked into purchasing MEDOC Travel Insurance, I thought to myself do I really need this? I determined it was better to be prepared than not, so I completed the forms and applied for the Insurance. Looking back now I am so glad I made the decision to go ahead with the purchase of the Insurance.

Shortly after arriving in Florida I had an unfortunate fall and shattered the facial bones on the left side of my face. This resulted in a trip to the emergency dept at a local hospital, a hospital stay and plastic surgery.

MEDOC was contacted the evening of the accident and a case number assigned to my case. From that first call until my file was closed I received excellent advice via phone and the internet. The staff at MEDOC was helpful, pleasant and respectful. I never had a fear that my expenses would not be paid.

Now six months after the accident, my medical bills have all been paid by MEDOC!

Will I be continuing my yearly MEDOC Travel Insurance? You can count on it. I will not leave home without it.

I am confident that if I require the services of MEDOC again I will receive the same professional service I received earlier this year.

Thank you and the wonderful staff for all the help I received.

Yours sincerely,

Gloria Lynn, R.N.
ONA Director (Retired)
