H-4 For the purposes of payment as referred to in Article 13.01 (d), the unpaid meal period on the night tour shall be scheduled between 2300 – 0400 hours.

H-5 Time off at Christmas and New Year's shall be deemed to commence at 0700 hours December 24th to 0700 hours on December 27th and 1500 hours on December 30th to 0700 hours on January 2nd. Should a nurse request to work the evening or night tour on December 30th, Article G-11 (c) shall not apply for December 30th.

Should the Hospital fail to adhere to this provision, the nurse(s) will be paid in accordance with Article 14.03 for all hours worked.

Re: Four Hour Tours

The parties agree that the Appendix 5 Local provisions Article K-1 states the commitment of availability as follows:

K.1 (a) (ii) available for three (3) tours of duty per week for tours of 7.5 hours
available for two (2) tours of duty per week for tours of 11.25 hours or 9.375 hours.

It is further agreed that a commitment of availability for four (4) hour tours is not applicable to part-time nurses, however where the Hospital wishes to implement 4 hour tours the Hospital agrees to meet with the Union for discussion prior to implementation.

The parties agree to consider alternate solutions in scheduling and assignment of work prior to discussion and consideration of 4 hour tours on a specific unit.

Where alternate solutions do not resolve the patient care needs or staffing concerns on a specific unit, then four hour tours may be considered based on the following principles, where the Hospital and the Union agree to the implementation and scheduling of 4 hour tours.

1. As far as reasonable practicable, any needs for 4 hour tours shall be over and above the base staffing needs on the unit (new additional hours).
2. A notice shall be posted on the unit requesting part-time nurses to indicate their interest to work 4 hour tours.
3. Only those nurses who have expressed interest in working 4 hour tours as in (2) above shall be scheduled to work 4 hour tours.
4. The hours to be scheduled for 4 hour tours shall be agreed between the parties prior to scheduling 4 hour tours.
5. The number of tours comprised of 4 hours will be kept to a minimum.
6. No nurse will be scheduled to work solely on 4 hour tours unless mutually agreed between the Union and the Hospital.

- 7. A Registered Nurse will not work more than one 4 hour tour on any unit in any 24 hour period.
- 8. Nurses shall be granted a paid rest period of 15 minutes on each 4 hour tour.
- 9. Where a nurse is called in to work for a 4 hour tour with less than 24 hours' notice, then the provisions of the Collective Agreement shall apply and the nurse shall be paid time and one-half for all hours worked.
- 10. Where it is agreed between the parties that a nurse may work solely 4 hour tours (as in #6 above) then the commitment of availability will be determined between the Hospital and the Union.

Re: ONA Local 75 President Leave

The Hospital agrees the current President of ONA, Local 075 (hereinafter referred to as "the President") shall be scheduled on the day shift only.

Should Local 75 elect a different President of the Local, the Hospital agrees to meet with the Union to determine whether the arrangement to schedule the President on the day shift only may continue.

The Hospital agrees to pay the President an average of 60 hours of salary per month. This payment is compensation for time spent by the President on Union business involving the Hospital.

In the event the President serves on the Ontario Nurses' Association's Central Bargaining Team, the time spent attending negotiating meetings with the Hospitals' Central Negotiating Committee, as provided for in Article 6.04(b), will be in addition to the average of 60 hours of salary per month referred to above.

Upon request, the Hospital will provide the President with leave of absence without pay for the remaining working days each month to attend to Union business, subject to the Union reimbursing the Hospital as provided for in Article 11.02. Such requests shall be made in writing as far in advance as possible so as to keep scheduling changes on the President's unit to a minimum.
