7.08 All reference to union representatives, committee members and officers in this Agreement shall be deemed to mean employee representatives, committee members or officers of the Union.

The Union will advise the Employer in writing of the name of the contact person(s) for the Union for all purposes under the collective agreement.

7.09 The Employer agrees to give representatives of the Ontario Nurses’ Association access to the premises of the Employer for the purpose of attending grievance meetings or otherwise assisting in the administration of this Agreement, provided prior arrangements are made with the Administrator. Such representatives shall have access to the premises only with the approval of the Administrator which will not be unreasonably withheld except where the Bargaining Unit President position is vacant or in the event that the Bargaining Unit President is subject to discipline, in which case only prior notice is required.

7.10 Where an employee makes prior arrangements for time off from a tour of duty, the employee shall not be scheduled to work another tour that day.

**ARTICLE 8 - GRIEVANCE PROCEDURE**

8.01 The parties to this agreement believe it is important to adjust complaints and grievances as quickly as possible as provided for herein. The employee or Union shall first discuss any individual complaint informally with the Director of Care or designate at the first opportunity.

8.02 In all steps of this grievance procedure an aggrieved employee, if she so desires may be accompanied by or represented by her union representative. At Step 1 of the grievance procedure a representative of the Ontario Nurses’ Association may be present at the request of either party.

8.03 Should any dispute arise between the Employer and an employee, or between the Employer and the Union, as to the interpretation, application, administration or alleged violation of any of the provisions of this Agreement, the employee or union representative will bring it to the attention of the immediate supervisor to settle such differences within ten (10) calendar days of the occurrence.

**Step No. 1**

If further action is to be taken, then within ten (10) calendar days of the discussion, the employee, who may request the assistance of her employee representative and/or Labour Relations Officer, shall submit the written grievance to the Administrator or designate. A meeting will be held between the parties within ten (10) calendar days. The Administrator shall give a written decision within ten (10) calendar days of the meeting to the Bargaining Unit President or her designate with a copy to the Labour Relations Officer.

**Step No. 2**
Should the Administrator fail to render his decision or failing settlement of any grievance under the foregoing procedure, including any questions as to whether a matter is arbitrable, the grievance may be referred to arbitration by either party. If no written notice of intent to submit the matter for arbitration is received within ten (10) calendar days after the decision under Step No. 1 is received, the grievance shall be deemed to have been settled or abandoned.

8.04 A written grievance will indicate the nature of the grievance and the remedy sought by the grievor. Union grievances shall be set out on the union grievance form. Alternately, the parties may agree to an electronic version of this form and a process for signing.

8.05 Time limits fixed in the grievance and arbitration procedures may be extended only by written, mutual consent of the parties. Should the Employer not respond within the time limit(s) fixed, such failure to respond shall be deemed to be a denial of the grievance. Should a grievance not be submitted within the various time limits specified in this Agreement, unless mutually extended, it shall be considered to have been settled or abandoned.

8.06 Saturday, Sunday and designated paid holidays shall not be counted in determining the time within which any action is to be taken or completed under the grievance procedure.

8.07 Group Grievance

Where a number of employees have identical grievances and each employee would be entitled to grieve separately they may present a group grievance in writing signed by each employee who is grieving to the Administrator or her designate within ten (10) calendar days after the circumstances giving rise to the grievance have occurred or ought reasonably to have come to the attention of the employee(s). The grievance shall then be treated as being initiated at Step No. 1 and the applicable provisions of this Article shall then apply with respect to the processing of such grievance.

8.08 Discharge Grievance

(a) An employee shall only be discharged from the employment for just cause, except that an employee who has not completed the probationary period may be released based on a fair and proper assessment against reasonable standards of performance and suitability. An allegation of action contrary to this clause may be taken up as a grievance. The Home agrees to provide written reasons within seven (7) calendar days to the affected employee in the case of discharge or suspension.

(b) Such grievance shall proceed directly to Step No. 1 of the grievance procedure and must be presented in writing, dated and signed within ten (10) calendar days following the discharge.

8.09 (a) If an employee is to be reprimanded or disciplined, she may have an employee representative present if she so requests.

(b) If an employee is to be suspended or discharged, the Employer shall notify her of this right prior to the outset of the meeting.
(c) The employee representatives undertake to be reasonably available in person or by telephone for such meeting. In extraordinary circumstances when an employee representative is unavailable, the employee representative will endeavour to provide an alternate representative.

8.10 Policy Grievance – Union Grievance

The Union may institute a grievance alleging a general misinterpretation or violation of this Agreement by the Employer by submitting a written grievance at Step No. 1 within twenty (20) calendar days after the circumstances have occurred. This section shall not apply to disciplinary grievances or application of competitive clauses under this Agreement.

8.11 Policy Grievance – Employer Grievance

The Employer may institute a grievance alleging a general misinterpretation or violation by the Union or any employee by filing a written grievance with the Bargaining Unit President, with a copy to the Labour Relations Officer within twenty (20) calendar days after the circumstances have occurred. A meeting will be held between the parties within ten (10) calendar days. The Union shall reply within ten (10) calendar days after the meeting, and failing settlement, the matter may be referred to arbitration.

8.12 (a) Where a difference arises between the parties relating to the interpretation, application or administration of this Agreement, including any questions as to whether a matter is arbitrable, or where an allegation is made that this Agreement has been violated, either of the parties may, after exhausting the grievance procedure established by this Agreement, notify the other party in writing of its decision to submit the difference or allegation to arbitration. Such notice will contain the names of three (3) arbitrators for consideration. If none of the suggestions are agreed, the other party shall provide the names of 3 arbitrators and so forth until there is an agreement. If after 10 calendar days from the notice to arbitrate the Parties fail to agree upon a Chairperson, the appointment shall be made by the Minister of Labour for Ontario upon the request of either party.

Once appointed the sole arbitrator shall have the power to mediate/arbitrate the grievance, including the power to impose a settlement in accordance with Article 8.17.

(b) Notwithstanding (a), the Parties may agree to a Board of Arbitration rather than a sole arbitrator. In such case, the notice to arbitrate shall contain the name of the first party's appointee to an Arbitration Board and the recipient of the notice, within ten (10) calendar days, inform the other party of the name of its appointee to the Arbitration Board. The two appointees so selected shall within ten (10) calendar days of the appointment of the second of them, appoint a third person who shall be the Chairperson. If the recipient of the notice fails to appoint a nominee, or if the two nominees fail to agree upon a Chairperson within the time limit, the appointment shall be made by the Minister of Labour for Ontario upon the request of either party.
All references in Article 8 to a sole arbitrator shall be taken to include an Arbitration Board.

8.13 The sole Arbitrator shall hear and determine the difference or allegation and shall issue a decision and the decision is final and binding upon the parties and upon any employee affected by it.

8.14 The decision of a majority is the decision of the Arbitration Board, but if there is no majority the decision of the Chairperson shall govern.

8.15 No person may be appointed as an arbitrator who has been involved in an attempt to negotiate or settle the particular grievance concerned.

8.16 The sole Arbitrator shall have authority only to settle disputes under the terms of this Agreement and only to interpret and apply this Agreement. The sole Arbitrator may make such decision as it may, in the circumstances, deem just and equitable and may vary or set aside any penalty or discipline imposed by the Employer relating to the grievance in question.

8.17 The sole Arbitrator shall have no power to alter, add to, subtract from, modify or amend this Agreement in order to give any decision inconsistent with it.

8.18 Each of the parties shall pay its own expenses including pay for witnesses and the expense of its own nominee and one-half of the expenses and fees of the Chairperson.

8.19 The parties may agree that there are circumstances where the services of a grievance mediator may allow for an objective, independent review of the issue(s) in dispute and assist the parties in resolving grievances.

By mutual agreement the parties may extend the time limits and utilize the services of a Mediator.

The cost of the Mediator will be shared between the parties.

8.20 The parties may, by written agreement, substitute a Board of Arbitration for the sole arbitrator and the Board of Arbitration shall possess the same powers and be subject to the same limitations as a sole Arbitrator.

8.21 It is understood and agreed that the Union (and not any individual or group of individuals) has carriage of all grievances throughout the grievance and arbitration procedure (save and except the complaint stage prior to Step 1). All agreements reached under the grievance procedure, (save and except those reached at the complaint stage prior to Step 1) between the representatives of the Employer and the representatives of the Union, will be final and binding upon the Employer, Union and employee(s).

ARTICLE 9 – PROFESSIONAL RESPONSIBILITY

9.01 The parties agree that resident care is enhanced if concerns relating to professional practice and workload are resolved in a timely and effective manner, as set out below;
In the event that the Home assigns a number of residents or a workload to an individual employee or group of employees, such that she/he or they have cause to believe that she/he or they are being asked to perform more work than is consistent with proper resident care, she/he or they shall:

(a) i) At the time the workload issue occurs, discuss the issue within the unit and within the Home to develop strategies to meet resident care needs using current resources.

If necessary, using established lines of communication, seek immediate assistance from an individual(s) identified by the Home who has responsibility for timely resolution of workload issues.

ii) Failing resolution at the time of occurrence of the workload issue, complain in writing to the Union-Management Committee within twenty (20) calendar days of the alleged improper assignment. The chairperson of the Union-Management Committee shall convene a meeting of the Union-Management Committee within twenty (20) calendar days of the filing of the complaint. The Union-Management Committee shall hear and attempt to resolve the complaint to the satisfaction of both parties.

The Employer will provide a written response to the Union, with a copy to the ONA representation within the ten (10) calendar days.

iii) Prior to the complaint being forwarded to the Independent Assessment Committee, the Union may forward a written report outlining the complaint and recommendations to the Director of Resident Care and/or the Administrator.

iv) At any time during this process, the parties may agree to the use of a mediator to assist in the resolution of the Professional Practice issues.

v) Any settlement arrived at under 9.01 (a) i) – iii) shall be signed by the parties and be subject to the grievance/arbitration process.

vi) Failing resolution of the complaint within twenty (20) calendar days of the meeting of the Union-Management Committee, the complaint shall be forwarded to an Independent Assessment Committee composed of three (3) registered nurses; one chosen by the Ontario Nurses' Association, one chosen by the Home and one chosen from a panel of independent registered nurses who are well respected within the profession. The member of the Committee chosen from the panel of independent registered nurses shall act as Chairperson.

vii) The Independent Assessment Committee shall set a date to conduct a hearing into the complaint, within twenty (20) calendar days of its appointment, and shall be empowered to investigate as is necessary to properly assess the merits of the complaint. The Independent Assessment Committee shall report its findings, in
writing, to the parties within twenty (20) calendar days following completion of its hearing.

(b) i) The list of Independent Assessment Committee Chairpersons is attached as Appendix “2”.

The members of the panel shall sit in rotation as agreed by the parties. If a panel member is unable to sit within the time limit stipulated, the panel member next scheduled to sit will be appointed by the parties.

ii) Each party will bear the cost of its own nominee, and will share equally the fee of the Chairperson, and whatever other expenses are incurred by the Independent Assessment Committee in the performance of its responsibilities as set out herein.

(c) i) Time limits fixed in this process may be extended only by written, mutual consent of the parties.

ii) In all steps of this process, either party may be accompanied by or represented by their Union or Employer representative.

9.02 Electronic Professional Responsibility Workload Report Forms

(a) The parties agree to use the electronic version of the Professional Responsibility Workload Report Form (PRWRF) at Appendix 3.

(b) The parties agree that hard copies of the electronic PRWRF are valid for purposes of Article 9 of the Agreement.

(c) Electronic PRWRFs may be sent, via email, to the applicable manager or designate.

(d) The electronic signature of the Union Executive representative or Labour Relations Officer will be accepted as the original signature.

(e) The union undertakes to get a copy of the electronic version signed by the employee(s).

(f) The parties agree to not use or rely upon any preliminary arguments related to the use of the electronic version should a PRWRF proceed to an Independent Assessment Committee as per Article 9.01.

9.03 (a) Employees are expected, as part of their regular duties, to provide leadership, supervision, guidance and advice to members of the health care team. Nothing in this clause amends, modifies or clarifies any interpretation under Article 2.01, nor does it prejudice the employees’ continued membership in the bargaining unit or the employee’s entitlement to qualify and receive benefits under Article 20.03. For clarity, supervision does not include the completing performance evaluations.

9.04 CMI/RAI MDS Report
Recognizing the mutual objective of quality resident care, the Employer agrees to meet through the Union Management Committee with the Union as soon as practicable after the receipt of the annual CMI/RAI MDS report. The Employer agrees to provide the Union with staffing levels, and staffing mix information; the impact of related payroll costs on staffing levels and a written notice of the CMI/RAI MDS report for the facility.

The purpose of this meeting is to discuss the impact of the CMI/RAI MDS report on the staffing levels in the Home, quality resident care, and provide the Union with an opportunity to make representation in that regard.

The parties shall meet as necessary to discuss other changes or workload issues.

The parties may invite additional participants to attend the meeting to support constructive review and discussion.

**ARTICLE 10 – PROFESSIONAL DEVELOPMENT**

10.01 An orientation and in service program will be provided to all employees. These programs shall be reviewed and discussed from time to time by members of the Union-Management Committee.

10.02 A newly employed employee shall not be placed in charge, until she/he has been fully oriented to the home.

10.03 The following minimums shall be observed in the orientation/familiarization of a newly hired employee:

(a) She/he is to be familiarized with the physical aspects of the building, the applicable policies and procedures of the employer, and the daily routine of employees in the Home.

(b) The period of orientation/familiarization shall be for a minimum of five (5) days or such greater period that the Employer deems necessary.

(c) She/he shall be an additional employee to the usual staffing pattern.

(d) The employee or employees involved in the orientation/familiarization will confirm that it has been completed, and this will be noted on the newly hired employee’s personnel file, which will be reviewed with such employee, and the employee shall also be able to comment.

(e) The employee may request up to three (3) additional days of paid orientation. When making her request, the employee will specify her/his learning needs and discuss with the Director of Care the development of the orientation learning plan. This request will not be unreasonably denied.

(f) Notwithstanding the above, orientation/familiarization when an employee is transferred to a new unit/shift will be provided as required.

(g) The Employer may, at its discretion, provide orientation in other circumstances.
Both the Employer and the Union recognize the joint responsibility and commitment to provide, and participate in, in-service education. The Union supports the principle of its members’ responsibility for their own professional development and the Employer will endeavour to provide programmes related to the requirements of the Home.

Programmes will be publicized and related material will be made readily accessible to staff in a timely manner. Any problems in accessing this information will be reported to the Union-Management Committee for resolution.

(a) When an employee is required by the Employer to prepare for in service or to attend meetings, in service and other work related functions outside her regularly scheduled working hours, and the employee does attend same, she shall be paid for all time spent on such attendance or at the employee's option, she/he shall receive equivalent time off.

(b) When an employee is required by the Employer to attend any in-service program or e-learning within the Home during her or his regularly scheduled working hours the employee shall suffer no loss of regular pay.

When a full-time or part-time employee is required by the Employer to complete an e-learning programme outside her regularly scheduled working hours, she/he shall be paid for all time spent completing such learning at the employee's option, she/he shall receive equivalent time off.

Part-time employees will be credited with seniority and service for all such hours paid as provided above while in attendance at in-services, meetings, and completing e-learning.

When required by the College of Nurses of Ontario to update an employee’s qualifications, except where this matter is covered by another provision of the collective agreement, the Employer shall grant leave of absence without pay which shall include the time required to write any examinations.

The Employer undertakes to notify the Union in advance, so far as practicable, of any technological changes which the Employer has decided to introduce which will significantly change the employment status of the employee(s) within the bargaining unit.

The Employer agrees to discuss with the Union the effect of such technological changes on the employment status of the employee(s) and to consider practical ways and means of minimizing the adverse effect, if any, on the employee(s) concerned.

Employees who are subject to layoff due to technological change will then be given notice of such layoff at the earliest reasonable time and in keeping with the requirements of the applicable legislation and the provisions of Article 11.12 to 11.17 will apply.

Where computers and/or new computer technology (e.g. computer charting) are introduced into the workplace that employees are required to utilize in the course
of their duties, the Employer agrees that necessary training will be provided at no cost to the employees involved.

10.09 Provided that an employee provides thirty (30) calendar days’ notice in writing, an employee shall be entitled to leave of absence without pay from her or his regularly scheduled working hours for the purpose of writing exams arising out of the Quality Assurance Program required by the College of Nurses of Ontario. In the event the employee is scheduled to work the night shift immediately before the exams the Employer shall schedule the employee off.

10.10 The Employer will meet with the Union to discuss any remediation or continuing education required by the College of Nurses’ of Ontario (CNO) to re-establish eligibility for clinical practice following an employee’s return from an approved absence.

10.11 (a) Student Supervision

Nurses may be required, as part of their regular duties, to supervise activities of students in accordance with the current College of Nurses of Ontario Practice Guidelines – Supporting Learners. Nurses will be informed in writing of their responsibilities in relation to these students and will be provided with what the Employer determines to be appropriate training. Any information that is provided to the Employer by the educational institution with respect to the skill level of the students will be made available to the nurse recruited to supervise the students. Upon request, the Employer will review the nurse’s workload with the nurse and the student to facilitate successful completion of the assignment.

Where a nurse is assigned nursing student supervision duties, the Employer will pay the nurse a premium of sixty cents ($0.60) per hour for all hours spent supervising nursing students. This article will not apply to job classifications that are paid above the Registered Nurse Classification rates set out in Article 20.01 where the higher rate of pay is, in part, based on nursing student supervision duties.

(b) Nurses are expected, as part of their regular duties, to provide guidance and advice to members of the health care team.

(c) Mentorship

Nurses may, from time to time, be assigned a formal mentorship role for a designated nurse. Mentorship is a formal supportive relationship between two (2) nurses, which results in the professional growth and development of an individual practitioner to maximize her or his clinical practice. The relationship is time limited and focused on goal achievement. Orientation to the organization or general functioning of the unit does not constitute mentorship.

After consultation with the nurse being mentored and the mentor, the Employer will identify the experiences required to meet her or his learning needs, will determine the duration of the mentorship assignment and expectations of the mentor, and appropriate training. During the consultation process, the Employer will review the mentor’s workload with
the mentor and the nurse being mentored to facilitate successful completion of the mentoring assignment.

The Employer will provide, on a regular basis, all nurses with an opportunity to indicate their interest in assuming a mentorship role, through a mechanism determined by the local parties. The Employer selects and assigns the mentor for a given mentoring relationship. At the request of any nurse, the Employer will discuss with any unsuccessful applicant ways in which she or he may be successful for future opportunities.

The Employer will pay the nurse for this assigned additional responsibility a premium of sixty cents ($0.60) per hour, in addition to her or his regular salary and applicable premium allowance.

NOTE: See Appendix 4, Letter of Understanding re: Mentorship Guidelines.

10.12 A copy of any completed evaluation which is to be placed in an employee’s file shall be first reviewed with the employee. The employee shall initial such evaluation as having been read and shall have the opportunity to add her or his views to such evaluation prior to it being placed in her or his file. It is understood that such evaluations do not constitute disciplinary action by the Employer against the employee.

Each employee shall have reasonable access to all her or his files for the purpose of reviewing their contents in the presence of her or his supervisor. A copy of the evaluation will be provided to the employee at her or his request. A request by an employee for a copy of other documents in her or his file will not be unreasonably denied.

Notwithstanding Article 10.13, upon review of the file, should the employee believe that any counselling letter is no longer applicable, she or he may request that such documentation be removed. Such request shall not be unreasonably denied.

No document shall be used against an employee where it has not been brought to her or his attention in a timely manner.

10.13 Any letter of reprimand, suspension or other sanction will be removed from the record of an employee eighteen (18) months following the receipt of such letter, suspension or other sanction provided that such employee’s record has been discipline free for the eighteen (18) months. Leave of absence in excess of thirty (30) continuous calendar days will not count towards either period referenced above.

10.15 Within fourteen (14) days of receipt of a written request from the employee, the Employer will provide the employee with a letter detailing her or his employment dates, length of service and experience at the Employer.

ARTICLE 11 - SENIORITY

11.01 (a) Seniority and service for full-time employees shall be defined as the length of continuous service since the date of last hire, subject to Article 11.03, 11.05, and any other related provision of the Collective Agreement.
(b) Part-time employees shall accumulate seniority and service on the basis of fifteen hundred (1500) hours paid since the date of last hire, equals one year of seniority and service subject to Article 11.03, 11.06, and any other related provision of the Collective Agreement.

(c) Subject to the above, seniority is limited to continuous service within the bargaining unit since date of last hire.

(d) The probationary period shall be:

i) four hundred fifty (450) hours worked for full-time employees;

ii) four hundred fifty (450) hours worked or six (6) calendar months, whichever occurs first, for regular part-time employees; and,

iii) three hundred sixty (360) hours worked or twelve (12) calendar months, whichever comes first, for casual part-time employees.

iv) With the written consent of the Home, the probationary employee and the Bargaining Unit President of the Union or designate, such probationary period may be extended. Where the Home requests an extension of the probationary period, it will provide notice to the Union at least seven (7) calendar days prior to the expected date of expiration of the initial probationary period. It is understood and agreed that any extension to the probationary period will not exceed an additional sixty (60) hours (450 hours) worked and, where requested, the Home will advise the employee and the Union of the basis of such extensions with recommendations for the employee’s professional development.

v) The parties recognize that ongoing feedback about the employee’s progress is important to the probationary employee.

11.02 Seniority list

A seniority list of employees covered by this collective agreement shall be posted on the ONA bulletin board in January and July of each year. Two (2) copies of such list shall be provided to the Bargaining Unit President. For full-time employees, seniority on such lists will be expressed in terms of a date. For part-time employees, seniority on such lists will be expressed in terms of total hours paid.

The first seniority list shall be established within 30 days of ratification or award. Employees will have 30 days to confirm the accuracy of the list. If necessary, disputes shall be resolved using the grievance procedure.

11.03 Seniority shall be retained and accumulated when an employee is absent from work under the following conditions.

(a) when on approved leave of absence with pay;

(b) when on an approved leave of absence without pay, not exceeding thirty (30) consecutive calendar days;
(c) for a period of up to thirty-six (36) months when absent due to disability, whether such disability is occupational or non-occupational;

(d) in accordance with the Employment Standards Act when on pregnancy/parental leave, family medical leave or emergency leave.

The Union and the Employer agree to abide by the Human Rights Code.

11.04 Deemed Termination

An employee shall lose all seniority and shall be deemed terminated if she:

(a) resigns;

(b) is discharged and not reinstated;

(c) is absent for three (3) consecutive working days without notifying the Employer unless a satisfactory reason is given;

(d) is laid off for more than thirty-six (36) calendar months;

(e) retires;

(f) when absent due to disability, whether occupational or non-occupational, for a period in excess of thirty-six (36) months and there is no reasonable likelihood the employee will return to work within the foreseeable future;

(g) fails upon being notified of a recall to a position of the same employment status held prior to the layoff (other than a temporary or casual part-time position) to signify her intention to return within seven (7) calendar days after she has received the notice of recall mailed by registered mail to the last known address according to the records of the Employer and fails to report to work within fourteen (14) calendar days after she has received the notice of recall or such further period of time as may be agreed by the parties.

The Union and the Employer agree to abide by the Human Rights Code.

11.05 Effect of Absence (Full-time)

If an employee’s absence without pay from the Home including absences under Article 12, Leaves of Absence, exceeds thirty (30) continuous calendar days the employee will not accumulate seniority or service for any purposes under the Collective Agreement for the period of the absence in excess of thirty (30) continuous calendar days unless otherwise provided and the employee will become responsible for full payment of any subsidized employee benefits in which she or he is entitled to participate during the period of absence. In the case of unpaid approved leaves of absence in excess of thirty (30) continuous calendar days an employee may arrange with the Employer to prepay the full premium of any applicable subsidized benefits during the period of leave in excess of thirty (30) continuous calendar days to ensure continuing coverage.
Notwithstanding this provision, seniority shall accrue if an employee's absence is due to disability, whether such disability is occupational or non-occupational.

Notwithstanding this provision, seniority and service will accrue and the Employer will continue to pay the premiums for benefit plans for employees for a period of up to seventeen (17) weeks while an employee is on pregnancy leave under Article 12.07 and for a period of up to sixty-one (61) weeks while an employee is on parental leave under Article 12.08. Seniority and service will accrue and the Employer will continue to pay the premiums for benefit plans for a parent who did not take pregnancy leave for a period of up to sixty-three (63) weeks while such employee is on a parental leave under Article 12.08.

NOTE: The accrual of seniority and service for employees on pregnancy and parental leave applies to both full-time and part-time employees.

NOTE: This clause shall be interpreted in a manner consistent with the *Ontario Human Rights Code* and the *Employment Standards Act*.

### 11.06 Effect of Absence (Part-time)

Seniority for part-time employees shall accrue for absences due to a disability resulting in WSIB benefits, or illness or injury in excess of thirty (30) consecutive calendar days. The rate of accumulation will be based on the employee's normal weekly hours paid over the preceding qualifying twenty-six (26) weeks. A qualifying week is a week where the employee is not absent due to vacation, pregnancy-parental leave, WSIB, or illness or injury that exceeds thirty (30) consecutive calendar days.

### 11.07 Job Posting

(a) Where a vacancy which is not covered by Article 11.08 (a) occurs in the bargaining unit, which the Employer intends to fill, or a new position within the bargaining unit is established by the Employer, such vacancy shall be posted in the workplace for a period of seven (7) calendar days. Employees may make written application to their Director of Care or designate for such vacancy within the posting period. Applicants will be considered in accordance with Article 11.09. The name of the successful applicant shall be posted by the Employer. A copy of the job posting shall be given to the Bargaining Unit President at time of posting, it being understood that this administrative exercise in no way inhibits the process or completion of the job posting process.

(b) Where an employee will be absent no vacation, she/he may indicate in writing to her/his Director of Care or designate her/his interest in any posting that may occur during her/his absence. This written indication will be treated as an application for the posting.

(c) The Employer may temporarily fill any such vacancy or position while observing the procedure herein set forth until such time as a successful candidate has been chosen.
The job posting requirements apply, prior to the exercise of recall rights by laid off employees and notwithstanding the existence of layoff notices.

11.08

(a) Vacancies which are not expected to exceed sixty (60) calendar days may be filled at the discretion of the Employer. In filling such vacancies, consideration shall be given to part-time employees in the bargaining unit on the basis of seniority who are qualified to perform the work in question prior to hiring new employees from outside the Home. It is understood, however, that where such vacancies occur on short notice, failure to offer part-time employees such work shall not result in any claim for pay for time not worked while proper arrangements are made to fill the vacancy.

(b) A part-time employee who is awarded a temporary full-time position shall be deemed to retain her/his part-time status.

(c) If no internal applicant is qualified to perform the required work, the Employer may fill the vacancy from outside the bargaining unit.

(d) The employee shall have the right to return to her former position upon return of the employee whose position she/he is filling.

11.09 In all cases of job postings under Article 11.07 and 11.08 (b) above, the following factors shall be considered:

(a) skill and ability;

(b) seniority.

Where the factors in (a) are relatively equal, seniority shall govern. Seniority will be determined as of the most recently posted seniority list.

11.10 Notwithstanding the level of entry to practice, the employer will not establish qualifications, or identify them in job postings, in an arbitrary or unreasonable manner.

11.11 So long as a full-time position exists there will be no splitting of that position into two or more part-time positions without the agreement of the Union, such agreement not to be unreasonably withheld.

11.12 Layoff and Recall

(a) A layoff of employees shall be made on the basis of seniority, based on an integrated seniority list. An up to date seniority list shall be created when the layoff notice is served. It is understood and agreed that through the bumping procedure the first to be laid off are probationary employees followed by those who work casual part-time shifts. No agency or new hires will be used when there is an employee on layoff provided that the employees on layoff will meet the staffing requirements of the Home and are available to work.

An employee will not be laid off out of seniority order if her/his lack of qualification for a junior employee’s shift can be remedied by a three (3) day orientation to that shift. An employee will not be denied recall to a shift
If her/his lack of qualification for the recall opportunity can be remedied by a three (3) day orientation to that shift.

(b) Recall to a regular part-time or full-time position shall be in order of seniority. An employee will respond to a registered notice of recall within seven calendar days of receipt of same and shall be available for work within an additional fourteen (14) days unless otherwise agreed.

(c) The Employer and Union will meet and discuss the layoffs at the earliest opportunity. This discussion will include the service which the Home will undertake after the layoff.

11.13 Notice to Union of Long Term Layoff

In the event of a pending layoff of a permanent or long-term nature, the Home will:

(a) Provide the Union with ninety (90) days’ notice;

(b) Meet with the Union to review the following:
   i) the reasons causing the layoff;
   ii) the service which the Home will undertake after the layoff;

An employee may still use banked lieu time or vacation credits in order to keep her or his pay whole.

It is further understood and agreed that Article 19.03 applies in these circumstances. It is further agreed that any such reassignment will not adversely impact the scheduled hours of other employees.

(f) If an employee gets sick as a result of the vaccination, and applies for WSIB, the Employer will not oppose the claim.

(g) Notwithstanding the above, the Employer may offer the vaccine on a voluntary basis to employees free of charge.

(h) This clause shall be interpreted in a manor consistent with the *Ontario Human Rights Code.*
19.06 Criminal reference checks for employees, that may be required by the employer pursuant to provincial legislation, will be paid by the Employer. It is understood that this provision does not apply to pre-employment criminal reference checks, and that any employee subsequently hired would not be eligible for reimbursement for any related costs.

19.07 **Errors on Paycheques**

In the event of an error on an employee’s pay, the correction will be made in the pay period following the data on which the underpayment comes to the Employer’s attention. If the error results in an employee being underpaid by one (1) day’s pay or more, the Employer will provide payment for the shortfall within three (3) business days from the date it is notified of the error.

RE: Mentorship Guidelines

“Mentorship” is addressed in Article 10.11 (c). These guidelines are intended to assist the parties in implementing mentorship arrangements in accordance with the requirements of the collective agreement.

Definition

- Mentorship is a formal supportive relationship between two nurses, which enhances the professional growth and development of a nurse to maximize her or his clinical practice.

- Mentorship involves a three-way arrangement between the home, the nurse being mentored and the nurse doing the mentoring. The mentoring relationship is:
  - time limited,
  - focused on goal achievement, and
  - unique to each mentorship experience.

- The home, the nurse being mentored and the nurse doing the mentoring are expected to clearly understand the goals/expectations of the mentorship relationship. Goals are individually determined based on the learning needs of the nurse being mentored, and, as such, may not be consistent for all nurses. The length of each mentorship arrangement will be individually defined dependent upon the goals for each nurse being mentored. Mentoring assignments will normally consist of full tours, however, it is also possible that mentorship assignments can be for less than a full tour and/or scheduled on an intermittent or one-time basis. It is also possible that more than one mentor may be assigned to a mentee during the course of a mentorship arrangement.

Mentorship does not include:

- Supervising the activities of students. Supervision of the activities of students is covered in Article 10.11 (a).

- Providing guidance and advice to members of the multi-disciplinary health care team. This is addressed in Article 10.11 (b). Interaction with other nurses and other multi-disciplinary colleagues is an expected role responsibility for nurses.

- Orientation to the organization or general functioning of the unit. This may include activities such as:
WHIMIS training, the fire lecture, equipment location, home policies, introduction to staff, documentation processes, training on Ministry reporting, EMR documentation, introduction to residents, assessments and how/when to do them, joint review of resident’s care plans for the purposes of orientating the employee to the residents, processes related to physicians rounding, completion of the tasks identified on the orientation checklist, and the general layout of the unit etc.

The employer’s historical use of titles or terms does not define a mentor for the purposes of Article 10.11 (c). We acknowledge, however, that while mentorship is new to the collective agreement, mentorship arrangements are not new to nursing or long term care workplaces. Accordingly, existing titles or terms may, or may not, meet the conditions of Article 10.11 (c).

Key Elements

A mentorship relationship includes the nurse doing the mentoring to:

- plan the mentorship experience based on the learning needs of the nurse being mentored, including the identification and co-ordination of learning opportunities with other health care providers;
- assess the ongoing competence/development of competencies of the nurse being mentored, including assessments of competence gaps, risk management in relation to patient care, and co-ordination of learning experiences;
- assist the nurse being mentored to effectively meet patient care needs;
- be responsible for the management of learning for the nurse being mentored;
- participate in direct skill transfer where there is responsibility for the management of learning for the nurse being mentored;
- evaluate the learning experience of the nurse being mentored throughout the duration of the mentorship relationship, including the provision of written and/or verbal reports to management regarding progress towards goal achievement.

It is recognized that the mentor and the nurse being mentored may not be together at all times during the mentorship period.

The Home will pay the nurse for doing this assigned responsibility [mentoring] a premium of sixty (60) cents per hour, in addition to her or his regular salary and applicable premium allowance.

The Home will review the workload of the mentor and the nurse being mentored to facilitate successful completion of the mentorship assignment.

Implementation

A Home may implement a mentorship relationship at any time during a nurse’s employment when:

- the nurse is experiencing difficulty in meeting standards of practice;
- the nurse has a competency gap;
- one-on-one management of the learning experience from an expert/ experienced nurse will be of assistance.

The decision to implement a mentorship experience as a mechanism to assist a nurse to meet standards of practice is the responsibility of the employer.
The Home will provide, on a regular basis, all nurses with an opportunity to indicate their interest in assuming a mentorship role, through a mechanism determined by the parties. The Home selects and assigns the mentor for a given mentoring relationship.

At the request of any nurse, the Home will discuss with any unsuccessful applicant ways in which she or he may be successful for future opportunities.

The mentorship plan/arrangement for each mentoring relationship should be documented.

**Evaluation**

In addition to the evaluation of the effectiveness of specific mentorship arrangements in relation to pre-established goals and expectations:

- The Committee responsible for addressing professional development issues for nurses will be responsible for reviewing and making recommendations regarding the application of, and effectiveness of, mentorship relationships within the home.

- The employer also has a responsibility for evaluating the effectiveness of mentorship arrangements and, therefore, review and evaluation of arrangements should be conducted on a regular basis.

**NOTE:** it is mutually understood that these guidelines are “without prejudice” to either parties’ position with respect to the role of a nurse whose job duties normally include responsibility for teaching and/or educating other nurses.

RE: ESA Agreement for Excess Hours

ONA agrees that the employer may exceed the hours of work limitations set out in Section 17(1)(b) of the Employment Standards Act, 2000, but only for the following purpose and to the following extent:

(a) The Union agrees to average such scheduled hours to allow for a workable master rotation or schedule over a standard 6 week period.

(b) The Union agrees to average such scheduled hours over the same 6 week period for the purpose of determining the employee’s entitlement, if any, to overtime pay under Section 22 of the Act.

(c) The Union agrees that employees may be asked to work more than their regular scheduled hours in a work day despite the limits set out in Section 18(1), (2), (3) and (4) of the Act. Each employee has the right to refuse the request to work beyond the limits in Section 18(1)(2) and (3) and (4) subject to the emergency provisions of Section 19 of the Act.

(d) The Union agrees that employees may be asked to work hours which provide less than eight hours free from the performance of work between shifts even if the total time worked on successive shifts exceeds 13 hours. Each employee has the right to refuse the request, subject to the emergency provisions of Section 19 of the Act.

(e) The Union agrees that employees may be asked to work additional hours to those on their master rotations or schedules, such that they may work more than 48 hours in a week, up to a limit of 60 hours in a week. Each employee has the right to refuse the request, subject to the emergency provisions of Section 19 of the Act.

(f) With the exception of allowing the averaging of weekly hours for the purpose of determining the employee’s entitlement, if any, to overtime pay under Section 22 of the Act this agreement shall not be interpreted to disentitle an employee to any other premium payment under any other provision of the collective agreement.
