- 2.02 Persons whose jobs are not in the bargaining unit shall not work on any jobs which are included in the bargaining unit except for the purpose of instruction, experimenting or emergencies when regular Nurses are not available. This does not include work presently being performed by Registered Practical Nurses.
- 2.03 The Employer shall not propose and/or enter into any agreement with a Nurse that pertains to any terms or conditions of employment that contravene the collective agreement. Any such agreement shall be null and void.

**ARTICLE 3 – ASSOCIATION SECURITY AND ACCESS TO FILES AND DISCIPLINE**

- 3.02 A Nurse, upon written request to the Director of Human Resources may, in the presence of his/her Manager or designate, review the contents of her/his Personnel File at a mutually agreeable time.
- 3.03 The Employer shall notify the Nurse of concern(s) which may reflect on her/his employment with the Employer within twenty (20) working days of the incident becoming known by the Employer.
- Any letter of reprimand or other sanction shall be removed from the record of a Nurse twenty-four (24) consecutive months following the receipt of such letter, suspension or other sanction provided that there has been no further discipline during that time.
- 3.04 The Union shall be notified of the name and address of each new Nurse within one (1) week of employment date.
- 3.05 The Employer agrees to deduct dues from the earnings of each Nurse in the amounts certified by the Association, to be currently in effect.

- 3.06 The Employer agrees to deduct the amount of dues each month and remit the amount of dues so deducted to the Ontario Nurses' Association Business Office together with a list showing names, employee numbers and social insurance numbers and, once a year, a list of addresses of all Nurses who have been employed at the time of the deduction including a specific list of Nurses. A copy of this list will go the Bargaining Unit President. The Association shall indemnify and save the Employer harmless from any and all claims with respect to all dues so deducted and remitted under the terms of this Article.
- 3.07 The Employer agrees that an officer of the Association or Union representative shall be allowed a reasonable period (maximum thirty (30) minutes) during regular working hours to interview newly hired Nurses who are represented by ONA. During such interview, membership forms may be provided to the Nurse. These interviews shall be scheduled in advance and may be arranged collectively or individually by the Employer. 7.04 Management Grievances

It is understood that the Employer may submit to the Union a grievance that a contractual obligation undertaken by the Union in this Agreement has been violated or that conduct of any Union official has violated the terms of this Agreement. Such grievance, if not resolved by verbal discussion, shall be reduced to writing and delivered or forwarded to the Bargaining Unit President,

The written notification of the decision to submit the grievance to arbitration must be provided to the other party within twenty-one (21) days of the issuance of the Step 3 grievance reply. The matter shall be determined by a sole arbitrator, unless the parties agree otherwise.
- 8.02 A Board of Arbitration/Sole Arbitrator shall not alter, modify or amend any part of this Agreement or make any decision inconsistent with its provisions.

Newly hired bargaining unit Nurses shall be considered on probation for the first nine hundred and ten (910) hours worked. All probationary Nurses will participate in a formal evaluation with their Manager on or about the third month of probation. The dismissal of a Nurse during the probationary period shall be at the discretion of the Employer, provided that the Employer does not act in a manner that is arbitrary, discriminatory or in bad faith. In any case where the Employer intends to discipline or dismiss a probationary Nurse, the Employer agrees that a Union representative will be present at the time the probationary Nurse is notified of the discipline or discharge. Nurses who have completed the probationary period will be placed on the seniority list and credited with seniority from the date they last commenced work.

#### 10.04 Seniority List

- (a) A seniority list shall be posted annually. The seniority list shall be available on the intranet and/or the Employer's document management system. This list will include the date of hire as well as the seniority date. Complaints concerning the accuracy of such lists will be considered within thirty (30) days of posting and if no complaint is received within that time, such lists shall be presumed to be accurate. A copy of such lists will be sent to the Bargaining Unit President at the time of posting.
- (b) Written errors or omissions in a list posted in accordance with Article 10.04 shall be corrected on application of the Union or the Nurses concerned, provided:
  - i) Such error or omission relates to the period subsequent to the date of the previous list, and
  - ii) the error or omission is brought to the attention of the Manager or designate within thirty (30) days of the Nurse's first reasonable opportunity to see the list.

#### 10.05 Layoff

A "layoff" is defined as a reduction in the workforce of the bargaining unit. It is understood that a layoff may result from a shortage of work in a specific program, or at a particular geographic location.

#### 10.06 In all cases of layoff:

- (a) Nurses in the specific program or at the geographic location where the work shortage exists will be selected for layoff in reverse order of seniority providing that the Nurses remaining have the ability to perform the

available work. Subject to the foregoing, temporary and probationary Nurses shall be first laid off.

- (b) A Nurse initially selected for layoff as aforesaid shall have the following layoff entitlement options:
  - i) Accepting the layoff; or
  - ii) Opt to retire if eligible, under the terms of the Employer's pension plan or
  - iii) elect to transfer to a vacant position; or

- (c) No reduction in the hours of work shall take place to prevent or reduce the impact of a layoff without the consent of the Union.
- (d) All part-time and full-time Nurses represented by the Union who are on layoff will be given a job opportunity in the part-time and full-time categories before any new Nurse is hired into either category.
- (e) No new Nurses shall be hired until all those Nurses who retain the right to be recalled have been given an opportunity to return to work.

#### 10.07

In the event of a proposed layoff of a permanent or long term nature, the Employer will provide the Union with ninety (90) days notice or more of any layoff unless the Employer is not given sufficient notice of a funding cut to comply with this notice provision. The individual Nurse will be provided with notice of layoff in accordance with the *Employment Standards Act*.

During such ninety (90) day period, the Employer agrees to meet with the Union to provide reasons for the layoff, and will provide the Union with an up to date seniority list. The Union and the Employer may agree that only a partial list is required.

Note 1: For purposes of this Article, the four (4) geographic locations will be considered to be the offices in Sault Ste. Marie, Wawa, Blind River and Elliot Lake.

Note 2: A "vacant position" shall mean a position for which the posting process has been completed and no successful applicant has been appointed.

#### 10.08

##### Recall

- (b) All part-time and full-time Nurses represented by the Union who are on layoff will be given a job opportunity in the part-time and full-time categories before any new Nurse is hired into either category.
- (c) No new Nurse shall be hired until all those Nurses who retain the right to be recalled have been given an opportunity to return to work.

### **ARTICLE 11 - JOB VACANCY**

11.01 Where the Employer determines that a vacancy or new position exists within the bargaining unit, or where a temporary vacancy arises as a result of the necessity to replace a Nurse on a leave of absence expected to be for twelve (12) weeks or longer, the Employer shall post a notice of vacancy or new position for a period of five (5) working days.

11.02 The parties agree that in all cases of promotion to a higher classification and job vacancies the following factors will be considered:

- (a) ability, experience and qualifications;
- (b) seniority.

Where the factors in (a) above are considered to be relatively equal seniority will be the determining factor.

11.03 (a) The Employer will notify all bargaining unit Nurses of all bargaining unit vacancies via email, in addition to posting such vacancies as required by Article 11.01 hereof.

The Employer agrees to post all vacancies and new positions on the Health Unit website.

- (b) Any Nurse wishing to make application shall do so in writing within the required time limit.
- (c) Nurses who express an interest, in writing, for assignment to a different program will be considered when a job vacancy or new position arises and such request shall remain in effect only until the end of the calendar year in which it is submitted.
- (d) The Employer will forward a copy of all postings related to job vacancies or new positions to the Union.
- (e) All applications will be acknowledged in writing within fourteen (14) days of receipt.
- (f) The Employer reserves the right to interview only those Nurses who meet the minimum qualifications and experience requirements on the job posting.

- (g) The Union shall receive notification of the successful applicant(s) within seven (7) calendar days of the decision of the Employer via email.

The Employer will provide the Union with a list of unfilled vacancies in advance of each Liaison Committee meeting. The Union will also be advised of any posted positions that have been rescinded by the Employer at that time.

- (h) Any job vacancy not filled within three (3) months of the expiry date of such posting shall be considered cancelled and prior to filling such job vacancy it will be posted in accordance with 11.01.
- (i) A Nurse awarded a temporary vacancy shall be entitled to apply for another temporary vacancy but is expected to remain in the initial temporary vacancy until its completion prior to transferring into another temporary vacancy.

This does not apply to Nurses applying for vacancies or requesting a transfer to permanent full-time or permanent part-time positions posted in accordance with Article 11.01, or Nurses who posted or transferred as a result of a layoff.

- (j) Absent exceptional circumstances, the Employer will endeavour to move Nurses who have been selected for positions in accordance with Article 11.01 into their positions within seventy-five (75) days of their selection to the positions.

#### 11.04 Transfers Out of the Bargaining Unit

The Union will be notified in writing of all transfers out of the bargaining unit and returns of Nurses to the bargaining unit. Such notice will include the current seniority for the Nurses for purposes of placement on the seniority list.

- (a) A Nurse who is transferred to a position outside of the bargaining unit for a period of not more than three (3) months, shall not suffer any loss of seniority, service or benefits.

A Nurse who is transferred to a position outside of the bargaining unit for a period of more than three (3) months, but not more than eighteen (18) months shall retain, but not accumulate, her or his seniority held at the time of the transfer. In the event the Nurse is returned to a position in the bargaining unit, she or he shall be credited with seniority held at the time of transfer and resume accumulation from the date of her or his return to the bargaining unit.

A Nurse must remain in the bargaining unit for a period of at least three (3) months before transferring out of the bargaining unit again or she or he will lose all seniority held at the time of the subsequent transfer.

- (b) In the event that a Nurse is transferred to a position outside of the bargaining unit for a period in excess of eighteen (18) months, she/he will

lose all seniority held at the time of transfer. In the event the Nurse is returned to a position in the bargaining unit, the Nurse's seniority will accrue from the date of her/his return to the bargaining unit.

- (c) In the event a Nurse attains another position in another bargaining unit of Algoma Public Health, such Nurse will retain her/his service credits for the purpose of vacations and other benefits, except her/his position on the grid.

11.05 Where the applicant has been selected in accordance with this Article and it is subsequently determined that she or he cannot satisfactorily perform the job which she or he was promoted or transferred or the Nurse is not satisfied with the new position, the employer shall, during the first thirty (30) days worked from the date on which the Nurse was first assigned to the vacancy, return the Nurse to her or his former position, and the filling of the subsequent vacancies will likewise be reversed.

11.06 Reassignment

A reassignment of a public health Nurse from her or his primary program(s) will not last longer than six (6) months in duration. Temporary reassignments will be considered when vacancies caused due to illness, accident or leaves of absence, or a temporary surge in program workload (i.e. Outbreak) occur and the Employer is unable to replace staff in accordance with Article 11.03. Reassignment is not meant to replace the temporary job posting competition.

The parties agree that the manner in which reassignments are made will be as follows:

The reassignment will be from the Nurse's primary program(s) to any other program as required by the Employer for a period of time up to and including a six (6) month period. A Nurse will be reassigned no more than once within a twelve (12) month period without the agreement of the Nurse and the Union.

- (a) Reassignment will occur bearing in mind the following principles:
- i) Client care and safety requirements are first priority.
  - ii) The Employer will not reassign probationary Nurses unless they have completed the mandatory orientation checklist.
  - iii) Where possible reassignment will occur on a rotating basis of staff working within the same geographic office where the vacancy exists.
  - iv) The Employer will reassign, where possible, Nurses who volunteer and are qualified to perform the available work.

Re: Flextime Program – Flextime work hours arrangements

Algoma Public Health strives to provide a healthy workplace that supports a work life balance. Participating in a Flextime program as provided herein is voluntary.

The purpose of this Letter of Understanding is to provide a healthy work experience by helping employees attain this balance while ensuring the operational needs of APH are being met.

Permanent full-time and part-time employees who have completed their probation period and have worked at Algoma Public Health for a minimum of one (1) year are eligible for the Flextime program.

Approval of written requests to participate in the Flextime program will be at the discretion of the Employer and granted on a case-by-case basis. Factors that will be considered in the decision include:

- Operational requirements of the program and of Algoma Public Health
- Program team schedules and time commitments
- Overall job performance as documented in performance appraisals
- Ability to work independently in an unsupervised environment

Where all the factors above are considered to be relatively equal, seniority will be the determining factor.

Participation in the Flextime program must have no negative impact on:

- The employee, or another employee's performance
- Client services
- Inter-program collaboration and communication

Flexible work time arrangement:

Hours of work shall not exceed 70 hours within a bi-weekly pay period.

- Hours of work will be between 7:30am to 8:30pm, from Monday-Thursday and 7:30am to 5:00pm Friday. Notwithstanding the foregoing, requests to work before and after the foregoing start and stop times will be considered on a case-by-case basis by the

Employer. Provided there is no negative impact on the Employer's operational requirements, such request will not be unreasonably denied.

- Flextime off will be at a maximum of seven (7) hours in a day (prorated for part time). Other absences such as sick or vacation will be on the basis of a seven (7) hour day.
- At the end of a flex time period, the employee is expected to have accounted for seventy (70) hours pro-rated for part-time. In the event of a deficit, the time not accounted for will be deducted from vacation or lieu time balance. Any hours in excess of seventy (70) will be added to the lieu time bank.
- Flextime arrangements will not take precedence over vacation requests made in accordance with article 15.02.

Employees participating in the flextime program are required to take responsibility for their relationships with team members and clients. If employees are working flexible hours, this must also be conveyed in their voice mail, office hours, client contacts, and shared Outlook calendars.

The employee's compensation, benefits, work status, and work responsibilities will not change as a result of participation in the flextime program. A flextime work schedule cannot create instances of overtime.

Employees who apply for flextime arrangements will respect the criteria listed within this Letter of Understanding and recognize that flexibility in the implementation of the arrangement may be required (e.g. temporary re-scheduling for unanticipated work demand).

Factors that will be considered in the decision include:

- Operational requirements of the program and of Algoma Public Health
- Program team schedules and time commitments
- Overall job performance as documented in performance appraisals
- Ability to work independently in an unsupervised environment

When all the factors above are considered to be relatively equal, seniority will be the determining factor.

Algoma Public Health reserves the right to discontinue any flextime arrangement and will do so by providing on e month notice to the employee or group of employees, unless the reason for discontinuation is due to employee misuse/conduct. IN such instances, APH may discontinue without notice. Discontinuation of flextime arrangements will be based on operational requirements, and the Employee's discretion in this regard will not be exercised in a manner that is arbitrary or discriminatory, or in bad faith.

Employees will submit requests for Flextime arrangements in writing to their manager as outlined below:

- By November 1<sup>st</sup> of the previous year for requests for flextime between January 1<sup>st</sup> and June 30<sup>th</sup> of the following year. The manager will approve or reject the written request by December 1<sup>st</sup> of the previous year.

- By May 1<sup>st</sup> of the current year for request for flextime between July 1<sup>st</sup> and December 31<sup>st</sup> of the current year. The manager will approve or reject the written request by May 31<sup>st</sup> of the current year.

Notwithstanding the foregoing, in instances where an employee wishes to submit a written request for a Flextime arrangement for up to a single day off only, such a request must be submitted at least two (2) weeks in advance of the requested Flextime day off.

Flextime arrangements that are requested cannot exceed six (6) months in duration.

The parties agree to meet to evaluate the flextime program Letter of Understanding during the term of the Collective Agreement.

It is understood and agreed that the application of this Letter of Understanding is independent of Article 13 of the Collective Agreement and in no way impacts the interpretation and application of Article 13. Without limiting the generality of the foregoing, it is agreed that this Letter of Understanding does not restrict or otherwise interfere with the Employer’s rights to alter regular hours of work of any or all bargaining unit employees, provided Article 13.03 of the Collective Agreement is complied with.

4. During the period as defined above in paragraphs 2 and 3 hereof that these special terms and conditions apply, such special terms and conditions will provide as follows:
  - (a) Any bargaining unit employee scheduled for standby will receive three (3) hours pay at her or his regular wage rate or three (3) hours of lieu time, at the employee's election, for each standby shift.
