D-5 Local Coordinator Leave

The Hospital agrees to grant leaves of absence, without pay, to nurses elected to the position of Local Co-ordinator. Subject to reasonable notice, it is understood and agreed that a Local Co-ordinator shall be granted such leave(s) as she or he may require fulfilling the duties of the position. Such leave will not be unreasonably denied.

HOURS OF WORK – SCHEDULING REGULATIONS**ARTICLE E – GUIDELINES FOR ALL TOURS**Full-time and Part-time

E-1 Where the term “units” is used in Appendix 5 (other than bargaining unit), “units” are defined as:

Intensive Care Unit	Emergency
Mental Health	Perioperative Services
Nursing Resource Team	Medical Day Clinic
Diabetic Education	Paediatrics
Medicine	Rehab
Inpatient Surgery	Obstetrics

At the request of either party, the parties will meet to discuss potential amendments of these units to be appropriate as the changes/training occurs.

E-2 (i) The schedule will be posted three (3) weeks in advance to cover an eight (8) week period. Requests for time off shall be submitted as per the Program protocol (i.e. in writing or e-mail) two (2) weeks prior to the posting of the schedule. Requests not submitted within this time frame shall be granted providing availability of relief staff with appropriate skill mix. Nurses shall not allocate unwanted shifts to other nurses. Requests will not be unreasonably denied. The Hospital will endeavour to respond to the request within seventy-two (72) hours of submission of the request unless such request is for an emergency situation in which case the response will be as soon as possible.

(ii) Any requests outside the vacation book requests and approvals of the posted schedule, the Employer shall respond to the nurse within ten (10) business days.

E-3 Full-Time and Part-Time

The scheduling of meal periods and relief periods for each nurse shall be determined by the care requirements of the Unit.

In the absence of the Manager the overtime form will be signed by the team leader or charge nurse to confirm missed breaks. In cases of overtime for the team leader or charge nurse another nurse must witness and sign to confirm missed breaks.

Final approval of overtime payment will be authorized by the Manager.

E-4 Full-Time and Part-Time

Requests for changes in posted time schedules must be submitted in the manner prescribed by the Hospital and co-signed by a nurse willing to exchange days off or tours. It is understood that such change in tour initiated by the nurse shall not result in any overtime or other premium payment. The Manager or Manager designate must approve all schedule changes prior to the occurrence of the tour. Requests for such exchange will maintain the appropriate skill mix for the unit. Such requests will not be unreasonably denied.

The Manager or designate will endeavour to respond to the request within seventy-two (72) hours of submission of the request unless such request is for an emergency situation in which case the response will be as soon as possible.

The Hospital will not schedule split shifts.

Nurses may exchange part shifts with another nurse of similar skill level provided there is no impact on the schedule and it is not subject to premium payment.

An exchange may include any hours of work provided the exchange of hours is equal within an eight (8) week period. If not equal then the nurse may take banked lieu time.

Where a unit has a master rotation and a full time line becomes vacant, requests may be submitted in writing for consideration of transferring to the vacant line. Consideration will be given on the basis of the needs of the department and the skill, ability, experience and qualifications. Where these factors are relatively equal amongst the nurses who have submitted their request, seniority shall govern.

E-5 Full-Time and Regular Part-Time

A nurse requesting permanent evening or night tours may be scheduled to such, by mutual agreement between the nurse and the Hospital. A nurse requesting to terminate such an arrangement must make this request six (6) weeks in advance and such request will only be accepted by mutual agreement between the nurse and the Hospital, and will not be unreasonably denied.

The Hospital will give the nurse six (6) weeks notice of a change to, or termination of, a permanent tour arrangement.

E-6 Holiday Season

These scheduling regulations may be waived between December 15th and January 10th. All Holiday Schedules will be brought to an ad-hoc scheduling committee meeting for review. All nurses will receive no less than four (4) days off and the Employer will endeavour to provide five (5) or more consecutive days off at either Christmas or New Year's except for the following:

- (a) Provided that no nurse is required to work more than two (2) consecutive weekends without a weekend off;

- (b) Provided that at least forty-eight (48) consecutive hours off are scheduled following scheduled night tours.
- (c) Time off at Christmas shall include Christmas Eve, Christmas Day and Boxing Day and time off at New Year's shall include New Year's Eve and New Year's Day. It is understood that time off at Christmas shall begin at 0730 hours on Christmas Eve and time off at New Year's shall begin at 0730 hours on New Year's Eve. The Hospital will endeavour to schedule the night tour of December 24th and 31st off.
- (d) The Hospital shall post a request list by September 1st of each year.
- (e) Nurses may be required to work either the Christmas or New Year's period on alternate years, as required by the Hospital unless otherwise requested by the nurse.

If it is possible to schedule nurses to have both Christmas and New Year's periods off, then nurses will be scheduled to be off by rotation and seniority.

- (f) The Hospital will post the finalized holiday season schedule no later than November 15th of each year.
- (g) Article E-6 shall not apply to any area where nurses normally work Monday to Friday and are not normally scheduled to work on paid holidays.
- (h) Nurses may be granted Christmas Day, Boxing Day and New Year's Day lieu days identified in T-3 and may request their four (4) consecutive days off referred to in E-6 (c) to be scheduled to coincide with their religious holiday.
- (i) In the event that a nurse receives less than four (4) consecutive days off, as above, she will be paid premium payment in accordance with Article 14.03 for the first tour so worked. Premium payment will not apply if fewer consecutive days off are a result of an exchange of shifts with another nurse.
- (j) Holiday Season

If a nurse wishes to be scheduled less than the traditional 11.25 hour shifts over the Christmas rotation, this request and proposed schedule change will be brought forth to the manager for approval. Approval of such request will not be arbitrary or unreasonable. It is understood that such requests cannot affect the Christmas schedule of other nurses unless such nurses have agreed. Such proposed schedules will maintain the work commitment hours of the nurses. Such changes will not be subject to premium payment.

E-7 In accordance with Article 14.09 of the Central Agreement, where a nurse has accumulated hours for overtime worked, the entitlement to lieu time off shall be scheduled at a mutually agreeable time within one hundred and twenty (120) days.

E-8 Full-time and Part-time

- (a) For the purpose of Article 14.10:

- i) the evening shift is defined as 1500 hours to 2300 hours;
 - ii) the night shift is defined as 2300 hours to 0700 hours.
- (b) For the purpose of Article 14.15 of the Central Agreement, it is agreed that definition for the hours of the weekend shall be from 2300 hours Friday to 2300 hours Sunday.

E-9 Professional Development

In order to promote professional development and facilitate attendance at educational opportunities, courses or programs, the Hospital will facilitate schedule changes, when possible, in advance of the posting of schedules. Opportunities not organized by the Nursing Education group must be submitted in writing to their Manager as per Article E-4.

E-10 Full-Time

For nurses that regularly rotate tours, the Hospital will schedule so that at least fifty percent (50%) of a nurse's shifts are day tours over the eight (8) week scheduling period.

For full time nurses who are scheduled for seven point five (7.5) hour tours the Hospital will endeavour to schedule nurses for either days and evenings or days and nights.

Regular Part-Time

For nurses that regularly rotate tours, the Hospital will schedule so that all available day tours are equitably distributed among the regular part-time nurse over an eight (8) week period of time subject to program needs. Where there are not an equal number available, the additional day tours will be scheduled by seniority.

E-11 Regular Part-time Commitment

- (a) A nurse who makes a commitment to be available on a regular pre-determined basis shall be classified as a Regular Part-time nurse.
- i) available to work four (4) weekends out of eight (8)
 - ii) available to work days/evenings or days/nights or a combination if not possible to schedule days/evenings or days/nights.
 - iii) available to work at least four (4) 7.5 hour tours or three (3) extended tours or a combination of tours up to a total of 30 hours, every two (2) weeks (unless otherwise stated in the most recent employment offer letter)
 - iv) available to work as scheduled over either Christmas or New Year's period subject to Article E-6.

The commitment that a regular part-time nurse must make as specified herein is no guarantee that the nurse will be scheduled to work according

to this commitment nor is it a restriction on the nurse as to the maximum time worked. Further, the simple making of a commitment does not automatically transform a casual nurse into a regular part-time nurse.

- (b) A Casual Part-time nurse is one who is called into work on an ad hoc basis.

Casual part-time may be pre-booked up to two weeks in advance if all regular part-time and job-share have been offered the shift first.

- (c) i) All regular part-time nurses on the unit shall be scheduled up to their committed hours before any casual part-time nurses on the unit are utilized.
- ii) Where extra tours become available (subject to Article 10.09), the Hospital will first offer them on the basis of seniority to regular part-time nurses on the unit providing no regular part-time nurse on the unit will exceed her commitment as a result of being offered such extra tours where there are other regular part-time nurses on the unit who have not been offered their commitment of shifts.
- iii) Where all regular part-time nurses on the unit have been given the opportunity to work up to their committed hours, the Hospital will then offer extra tours (subject to Article 10.09) to regular part-time nurses on the unit on the basis of seniority and, where no regular part-time nurse on the unit is willing to perform the available work, to casual part-time nurses on the unit on the basis of seniority.
- iv) When regular part-time nurses are cancelled and the same hours of work or the majority of the same hours of work become available during the same shift, the cancelled regular part-time nurses shall be offered the hours of work according to seniority. If these nurses are no longer available or unable to accept these hours, such hours shall be offered to regular part-time nurses as above paragraphs.
- v) Where part time nurses have worked seventy-five (75) hours in a pay period and where the offer of additional work will thus result in premium pay, then the Employer will offer the premium paid shift (hours) to Full time nurses in accordance with seniority prior to offering the premium paid hours to part time nurses. In offering the work to part time nurses it will be offered in accordance with seniority.
- vi) Work required in excess or extension of the nurse's normal daily tour that results in overtime premium will be offered first to full time in accordance with Article E-11 prior to offering those hours to part time.

ARTICLE F – 7.5 HOUR TOURS

F-1 Full-Time and Part-Time

There will be at least sixteen (16) hours off between shift changes. A shorter period

of time off, not subject to premium payment, may be arranged upon by mutual agreement. A day tour shall include only those shifts commencing prior to 11:00 a.m.

F-2 Full-Time

There will be at least forty-eight (48) hours off when changing from night tour to any other tour, unless by request of, or agreed to, not subject to premium payment, by the nurse. If a nurse is required to work with less than forty-eight (48) hours off when changing from night tour to any other tour, premium payment as per Article 14 shall apply.

Part-Time

There will be at least forty-eight (48) hours off when changing from night tour to any other tour, unless by request of, or agreed to, not subject to premium payment, by the nurse unless requested by the nurse. If a nurse is required to work with less than forty-eight (48) hours off when changing from night tour to any other tour, premium payment as per Article 14 shall apply.

F-3 1. Full-Time

A nurse shall be entitled to receive at least four (4) weekends off in eight (8).

A weekend shall be defined as fifty-five (55) consecutive hours off work during the period following the completion of the Friday shift until the commencement of the Monday shift.

A nurse will receive premium pay as provided for in Article 14.03 for all hours worked on a third (3rd) and subsequent consecutive weekend, save and except:

- (a) such weekend has been worked by the nurse to satisfy specific days off requested by such nurse; or
- (b) such nurse has requested weekend work only; or
- (c) such weekend is worked as result of an exchange of shifts with another nurse.

2. Part-Time

A nurse shall be entitled to receive at least four (4) weekends off in eight (8). A part time nurse may request to be scheduled for every other weekend off. Such request shall not be unreasonably denied.

A weekend shall be defined as fifty-five consecutive hours off work during the period following the completion of the Friday shift until the commencement of the Monday shift.

A nurse will receive premium pay as provided for in Article 14.03 for all hours worked on a fourth (4th) and subsequent consecutive weekend, save

If only a part of a shift can be filled and is still required, then the nurse available for the partial shift will be offered the premium shift and will be entitled to consecutive week-end premium. It is understood that such offering of week-end premium work will be done in accordance with Article E-11 (c).

F-4 Tours of less than 7.5 Hours

Where a part-time nurse(s) is required to work less than a normal tour (7.5 hours), Article E in its entirety applies except as amended by the following:

- (a) The Hospital will endeavour to keep the number of tours comprised of less than 7.5 hours to a minimum.
- (b) Nurses working shifts comprised of less than 7.5 hours shall be granted the appropriate paid rest period.
- (c) No part-time nurse will be scheduled solely on tours which are comprised of less than 7.5 hours in any pay period, except where such arrangements are requested by the nurse.
- (d) Nurses working tours comprised of less than 7.5 hours shall not be scheduled to work more than five (5) consecutive tours.

ARTICLE G – EXTENDED TOURS

G-1 It is recognized that extended tours of 11.25 hours are worked within the Hospital.

A day tour shall include only those shifts commencing prior to 10:00 a.m.

Such tours shall continue when seventy-five percent (75%) of the nurses voting so indicate.
- (c) Extended tours may be discontinued on any unit when:
- i) fifty percent (50%) of the nurses voting so indicate by secret ballot; or

- i) the parties shall meet within two (2) weeks of the giving of notice to review the request for discontinuation; and
 - ii) where it is determined that the extended tour will be discontinued, affected nurses shall be given six (6) weeks' notice before the schedules are so amended.

G-2 The formulation of work schedules will follow Article E, except as follows:

- (a) Nurses will not be scheduled to work more than three (3) consecutive tours. Where this provision is not met, the nurse shall receive premium pay as provided for in Article 14.03 for all hours worked on a fourth (4th) consecutive and subsequent shift. This provision is applicable to full- time nurses.
- (b) The employer shall schedule at least forty-eight (48) hours off following a night tour. Where this provision is not met, the nurse will be paid in accordance with Article 14.03 for all time worked within the forty-eight (48) hour period.

If only a part of a shift can be filled and is still required, then the nurse available for the partial shift will be offered the premium shift and will be entitled to consecutive week-end premium. It is understood that such offering of week-end premium work will be done in accordance with Article E-11 (c).

G-3 Lieu days as provided for in Article 15 (Full-Time) shall be scheduled within ninety (90) days following such holiday at a mutually agreeable time.

G-4 Local Article S-4 (a) and (b) shall not apply.

ARTICLE H – SCHEDULING GUIDELINES – HYBRID SCHEDULE

- H-1 (a) For purposes of this article, Hybrid Schedule is defined as one that results in nurses working extended tours (11.25 hour tours) and/or normal tours (7.5 hour tours) within the scheduling period. For purposes of Hybrid

Scheduling, full-time will work extended tours or normal hours and part-time will work extended tours, normal hours or a combination thereof.

- (b) The Hybrid Schedule may be introduced into any unit when:
 - i) Seventy-five percent (75%) of the full-time and regular part-time nurses specifically assigned to such units so indicate by secret ballot; and,
 - ii) The Hospital agrees to implement the schedule shift in the unit. It is understood that such agreement by the Hospital shall not be withheld in an unreasonable or arbitrary manner.
- (c) The Hybrid Schedule may be discontinued in any unit when:
 - i) Seventy-five percent (75%) of the full-time and regular part-time nurses specifically assigned to such unit so indicate by secret ballot; or
 - ii) The Hospital determines that the schedule
 - (a) Causes adverse effects on patient care; or
 - (b) Results in the inability to provide a workable staffing schedule; or
 - (c) Results in other undesirable outcomes that are neither unreasonable nor arbitrary.
- (d) The secret ballot referred to above shall not take place unless six (6) months has elapsed from the date of any such previous secret ballot within such unit.
- (e) If the Hybrid Schedule in a unit is discontinued in accordance with H (c) above, it is agreed that:
 - i) The parties shall meet within two (2) weeks of the decision to discontinue the extended shift in such unit to review the decision, and
 - ii) The affected unit shall be given six (6) week's notice before the schedules are so amended.

Should the Hospital or the nurses wish to implement ten-hour tours on a particular unit, they shall do so according to the following criteria, initially on a test basis through the Scheduling Committee. The parties have agreed to the following terms for implementation of ten (10) hour tours.

The Employer will agree to implement rotation of ten (10) hour tours in a unit when:

1. Seventy-five percent (75%) of the Nurses in the unit so indicate by secret ballot; and
2. The Employer and the Union agree to implement the ten (10) hour rotation; such agreement shall not be withheld in an unreasonable or arbitrary manner.

The ten (10) hour tours may be discontinued in the units when seventy-five percent (75%) of the Nurses in the unit so indicate by secret ballot.

When notice of discontinuation is given by either party in accordance with the above, then;

- i) the parties shall meet within two (2) weeks of the giving of notice to review the request for the discontinuation; and
- ii) where it is determined that the ten (10) hour tours will be discontinued, affected Nurses shall be given six (6) weeks' notice before the schedules are so amended.

1. Nurses shall not be scheduled to work more than four (4) consecutive 9.375 hour tours. Should a Nurse work more than four (4) consecutive tours, she shall be paid in accordance with Article 14.03 for all hours worked on the fifth (5th) and subsequent tours until time off is scheduled.
2. At least 12 hours time off will be scheduled between tours.

- I-5 (a) Every second (2nd) weekend will be scheduled off unless otherwise agreed

upon between the Hospital and the individual Nurse, or fifty percent (50%) of weekends (i.e., over a month, two [2] out of every four [4] will be scheduled off if agreed upon by the Hospital and a group of Nurses.)

- (b) A Nurse will receive premium pay in accordance with Article 14.03 for all hours worked on a second (2nd) consecutive and subsequent weekend save and except where:

The following applies to both Full and Part-time:

The Employer may offer the full shift to the nurse who is available for the full shift offered, and bypass any nurse who is only available for a part of the shift that is being offered.

If only a part of a shift can be filled and is still required, then the nurse available for the partial shift will be offered the premium shift and will be entitled to consecutive week-end premium. It is understood that such offering of week-end premium work will be done in accordance with Article E-11 (c).

ARTICLE J – “4 ON 5 OFF” SCHEDULING MODEL

J-1 The Union and the Hospital agree in principle to the concept of the 4 on 5 Off Scheduling Model. Should the Hospital or the nurses wish to implement the 4 on 5 off scheduling model on a particular unit, they shall do so according to the following criteria, initially on a test basis through the Scheduling Committee.

- (a) A nurse working the '4 on 5 off' eleven point two five (11.25) hours extended tour schedule shall receive three (3) weekends off in a nine (9) week schedule. Premium will be paid, (as per Article 14.03) for all hours worked on weekends in excess of six (6) in a nine (9) week schedule, save and except where:
 - i) The weekend has been worked by the nurse to satisfy specific days off requested by such nurse; or

For the purpose of this section, a weekend shall be defined as any period of fifty-six (56) consecutive hours off work that includes Saturday and Sunday.

- i) The fifth (5th) extended tour is worked to satisfy specific requested days off requested by the nurse; or,
 - ii) The fifth (5th) extended tour is the result of an exchange with another nurse.
- (c) For part-time nurses, the four (4) consecutive extended tours must be followed by five (5) consecutive days off prior to returning to work a second (2nd) set of four (4) consecutive extended tours.
- (d) Full-time nurses working the '4 on 5 off' extended tour schedule shall be scheduled for an additional three (3) eleven and one-quarter (11.25) hour tours. These additional shifts will be scheduled by the Hospital, during a nurse's five (5) days off, in each calendar year and will be paid at the nurse's regular straight time hourly rate of pay, regardless of any local or central provision that would provide for premium pay. Nurses working the "4 on 5 off" schedule with the additional tours set out in this paragraph, are considered to be full-time, as defined in the central provisions. Nurses who wish to utilize over time hours already in their lieu bank for these additional tours shall be allowed to draw 11.25 hours and apply this to the additional shift but must notify the Employer prior to scheduling requests due as per Local Article E-2.

Nurses are required to bring to the manager's attention no later than August of each year if they have not been scheduled these additional tours.

3. If a weekend worker transfers to a regular full time position any vacation/holiday bank shall remain intact to be used for scheduled vacation or lieu time. Any balance remaining in the given year will be paid out to the nurse. If a weekend worker transfers to a part-time position or terminates employment all

vacation/holiday credits will be paid out.

4. Should the parties decide to discontinue the unit weekend schedule; either party will provide a minimum of eight (8) weeks notice.

ARTICLE L – DUAL FULL TIME SHARED POSITIONS WITHIN PROGRAMS

- (a) The Hospital, at its discretion, will create and post a full-time shared position with the hours worked between two departments;

Any employees who transferred as a result of the original vacancy will similarly be returned to their former positions.
- (g) The parties agree to review any ongoing issues that arise out of the development of this position.

- (h) For purposes of call-in the nurse in a Dual Full-time Shared Position will be called in accordance with her/his seniority for their “home unit” and for the secondary unit they shall be placed at the end of the call-in list. This process will also apply for purposes under Article E-11 (c).
- (i) The dual unit positions may be discontinued in any unit when the hospital determines the following:

The above arrangements are made by mutual agreement between the nurse and the Hospital.

ARTICLE N – SELF-SCHEDULING

The Union and the Hospital agree in principle to the concept of self-scheduling. Should the Hospital or the nurses wish to implement self-scheduling on a particular unit, they shall do so according to the following criteria, initially on a test basis through the Scheduling Committee:

- (a) Seventy-five percent (75%) of the nursing staff must indicate by secret ballot their willingness to participate in self-scheduling prior to the commencement of the test. It is understood that there will be a separate vote conducted for full-time and part-time nurses. Where it is mathematically impossible for 75%, the parties agree to meet to discuss an appropriate number.
- (b) The test period shall be for six (6) months, after which the full-time and part-time nurses will again indicate by a seventy-five percent (75%) vote by secret ballot their desire to continue or discontinue self-scheduling.

- O-2

- (f) If one of the job sharers terminates their position or transfers to a different position, the posting of such vacancy will be as per the Central Collective Agreement Article 10.07.
- (g) If a full-time position which is job shared reverts to a non-shared full-time position, then the job sharing nurse, if she wishes the full-time position, must make application for that full-time position as per the Central Collective Agreement, unless she was the incumbent of that original full-time position in which case she will receive the position and it shall not be posted.

In the event that one member of the job sharing arrangement goes on any of the above leaves of absence exceeding thirty (30) days, the remaining partner has the option of covering all of the absent partner's shifts for the duration of the absence. If the employee is able to cover the entire leave of absence she or he must inform the Manager or designate of her or his intentions to cover all of the absent partner's shifts at least two (2) weeks

prior to the posting of each schedule. If the employee cannot cover for her or his partner, the temporary vacancy will be filled as per the Collective Agreement.

- (d) The Hospital will endeavour to provide five (5) consecutive days off over either Christmas or New Year's. When one or both job sharers work over Christmas, neither can be required to work over New Year's and vice versa, unless mutually agreed otherwise. Should nurses be assigned to work either Christmas or New Year's, they will be expected to return to work on at least five (5) consecutive days, if required for normal tours, and at least three (3) consecutive days for extended tours, if required.
