1.01 The general purpose of this Agreement is to establish and maintain collective bargaining relations between the Employer and the Nurses covered by this Agreement, and to provide for an on-going means of communication between the Union and the Employer, and to promote the prompt disposition of grievances, the efficient operation of the Employer's business, and to establish and maintain mutually satisfactory salaries, hours of work, and working conditions for all nurses who are subject to the provisions of this Agreement.

ARTICLE 2 - DEFINITIONS

2.01 A registered nurse is defined as a person who holds certification with the College of Nurses of Ontario and in accordance with the Regulated Health Professionals Act (R.H.P.A.) 1991 and as amended.

2.02 A regular full-time nurse is one who is employed for an indefinite duration of time to work the full prescribed hours as specified in Article 18 of this Collective Agreement.

2.03 (a) A regular part-time nurse is one who is employed for an indefinite period of time but whose scheduled hours of work are normally less per week than those prescribed in Article 2.02.

(b) A casual nurse is one who is hired to work occasionally or intermittently.

(c) A temporary nurse is one who is hired for a definite period of time to work either regular full-time or regular part-time hours when no other bargaining unit member is qualified or willing to do the available work.

2.04 Where the singular is used, it may be deemed to mean the plural.

2.05 Regular part-time, temporary and casual employees shall be covered by all the provisions of this agreement unless otherwise stated, amended or where specific reference is made in Articles as to that article's applicability to certain employee group or groups.

ARTICLE 3 - RECOGNITION

3.01 The Employer recognizes the Ontario Nurses' Association as the bargaining agent for all registered nurses employed in a nursing capacity by The Canadian Blood Services at its Sudbury Plasma Operations Centre, save and except Assistant Nursing Managers and persons above the rank of Assistant Nursing Manager.

3.02 All references to officers, representatives and Committee members in this Agreement shall be deemed to mean officers, representatives and committee members of the duly chartered local.

3.03 Bargaining Unit Protection

In order to protect the standard of nursing care the Employer agrees that nurses
shall be subject to the *Regulated Health Professions Act* and to any and all regulations applicable to Canadian Blood Services as established by Health Canada.

**ARTICLE 4 - NO DISCRIMINATION RELATIONSHIP**

4.01 The Employer and the Union agree that there shall be no discrimination, harassment, interference, intimidation, restriction or coercion exercised or practised by any of their representatives with respect to any nurse because of their membership in, or non-membership in, the Union, or activity, or lack of activity, on behalf of the Union, or by reason of exercising their rights under the Collective Agreement.

4.02 It is agreed that there will be no discrimination by either party, or by any of the nurses covered by this Agreement, on the basis of race, creed, colour, national origin, sex, sexual orientation, marital status, age, handicap, religious affiliation, or any other factor which is not pertinent to the employment relationship.

4.03 (a) Every person who is an employee has the right to freedom from harassment in the workplace.

(b) A nurse who believes that they have been harassed may file a complaint under the Harassment Policy of the Employer.

4.04 The Centre and the Union recognize their joint duty to accommodate handicapped employees in accordance with the provisions of the *Ontario Human Rights Code*.

**ARTICLE 5 - NO STRIKES - NO LOCK-OUTS**

5.01 The Union agrees there shall be no strikes and the Employer agrees there shall be no lock-outs during the term of this Agreement. The term “strike” and “lock-out” shall bear the meaning given them in the *Ontario Labour Relations Act* as and when amended.

**ARTICLE 6 - MANAGEMENT RIGHTS**

6.01 The parties further acknowledge that it is the exclusive function of the Employer to manage and control the Employer’s operations, and without limiting the generality of the foregoing to:

(a) maintain order, discipline, and efficiency;

(b) hire, discharge, transfer, promote, classify, demote, discipline, suspend, layoff, and assign work to nurses, and to introduce new and improved methods, or facilities, provided that a claim that a nurse has been discharged, suspended, or disciplined without just cause may be the subject of a grievance and dealt with as hereinafter provided;

(c) manage, control, continue, discontinue in whole or in part the Employer’s operations, and without restricting the generality of the foregoing, to
determine the number of nurses, schedules of activities, kinds and locations of machines and processes to be used, and the scheduling and the conducting of clinics and deliveries and determination of their locations, in accordance with the function of the Employer as a biologics manufacturer;

(d) make, enforce, and alter from time to time, reasonable rules and regulations to be observed by nurses.

6.02 It is agreed that these rights shall not be exercised in a manner inconsistent with the express provisions of this Collective Agreement.

ARTICLE 7 - UNION SECURITY

7.01 During the first month of employment, an officer of the local Union, or a local nurse representative, shall be allowed fifteen (15) minutes within regular working hours, to interview new nurses. Such interview shall be arranged by the Employer during the orientation period, and the Union will be notified a minimum of one (1) week in advance of the time and place.

7.02 Dues Deduction

The Employer shall deduct monthly from the pay due to each employee who is covered by this Agreement a sum equal to the monthly Union dues of each such employee. Where an employee has no earnings during the first payroll period, the deduction shall be made in the next payroll period where the employee has earnings, within that month. The Union shall notify the employer in writing of the amount of such dues from time to time. The Employer will send to the Union its cheque for the dues so deducted in the month following the month in which the dues are deducted. When arrears or adjustments are submitted retroactively, the dues month and an explanation will accompany any such dues.

7.03 The Employer shall provide the Union with a list showing the first and last names and Social Insurance Numbers of all employees from whom deductions have been made. The report will identify the name of the facility and the month from which the dues are remitted. The Employer will also identify job classification (where the bargaining unit includes classifications, employees paid less than RNS) and status (i.e. full-time, part-time) of the employees, all terminations, newly hired employees (including start date, where the existing system allows for the information without cost), and employees on Leaves of Absence. On a quarterly basis, the Employer will also provide the members’ current addresses and phone numbers, shown on the Employer’s personnel records. The Employer will endeavour to provide information in electronic format if the Employer has the technology.

The Union may forward any questions with respect to individual employees in writing (or e-mail) to the Administrator (or designate). The employer will respond to such requests with any information it has which is readily available, within two weeks.

7.04 The Employer shall provide each employee with a T4 Supplementary slip showing the dues deducted in the previous year for income tax purposes where
such information is or becomes readily available through the employer’s payroll system.

7.05 The Union shall indemnify and save the Employer harmless with respect to dues so deducted and remitted.

Regular Part-time, Temporary Part-time and Casual Nurses

The deduction period for a part-time nurse may be extended where the nurse does not receive any pay in a particular month.

Where a nurse has no dues deducted during the payroll period from which dues are normally deducted, that deduction shall be made in the next payroll period provided the nurse has earnings in the next payroll period.

7.06 The Union agrees that there will be no Union activity, solicitation for membership, or collection of Union dues on the Employer’s premises, or during working hours, except with the written permission of the Employer, or as specifically provided for in this Agreement, or the Ontario Labour Relations Act.

ARTICLE 8 - NURSE REPRESENTATIVES AND UNION COMMITTEES

8.01 The Employer recognizes nurse representatives appointed or elected by the Local Union to represent the nurses in their employment relations with the Employer. The Local Union shall advise the Employer of the name(s) of such representatives, and any revisions as and when required. The Employer shall not be required to recognize or correspond with any representative until the Employer has been so notified in writing.

8.02 (a) There shall be a Union-Management Committee. The purpose of the Union-Management Committee is to promote and provide effective and meaningful communication of information and ideas, and to make recommendations on matters of mutual concern. Matters may be referred to the Committee by the Local Union or the Employer.

(b) The Union-Management Committee shall be composed of two (2) representatives of the Union and two (2) representatives of the Employer, one of whom shall be the Manager, Clinic Services.

(c) The Union-Management Committee shall meet at least every three (3) months. Either party will provide to the other, at least five (5) working days in advance of such meetings, a list of items it wishes to discuss. Notwithstanding the foregoing, a representative of either party may notify a representative of the other in writing of its desire to meet outside of the bi-annual meetings and such notice will include a list of the items it wishes to discuss. Within three (3) working days after receipt of such notice, the parties will establish a meeting date and time. It is understood that there shall be no discussion of grievances at these meetings.

8.03 Concerns about workload assignments shall not be the subject of a grievance. Such issues will be submitted to the Manager, Clinic Services in writing by the Local President of the Bargaining Unit within fourteen (14) calendar days of the occurrence. A discussion by the Union-Management Committee shall take place.
within twenty (20) calendar days of the Manager, Clinic Services' receipt of the Union letter. Every reasonable effort will be made to resolve the issue satisfactorily. The Manager, Human Resources shall render their decision in writing to the Local President or delegate within fourteen (14) calendar days of the meeting.

8.04 (a) The Employer recognizes a Grievance Committee. This Committee shall be composed of two (2) nurses, one of whom shall be the Chairperson. The Committee and the grievor shall operate and conduct itself/themselves in accordance with the provisions of this Collective Agreement regarding grievances.

(b) Grievance representatives shall not discuss grievances with nurses during actual working hours, excluding rest periods and meal breaks.

(c) Nurse representatives and Grievance Committee representatives shall not leave their work station or duties to attend grievances or Union business without first obtaining permission from the Manager of Plasma Operations or delegate. Such permission will not be unreasonably requested or denied.

8.05 (a) Nurses shall be paid for actual hours spent at meetings with the Employer on matters arising from the functioning of the above mentioned committees.

(b) The payment for actual hours referred to in a) above, shall not result in overtime pay and nurses will not be entitled to travel time, meal allowance or transportation allowance.

8.06 The Employer shall recognize a Negotiating Committee of two (2) nurses, for the purpose of negotiating renewal Agreements with the Employer. The Employer agrees to pay members of the Negotiating Committee for time spent during regular working hours (up to 7.5 hours) in negotiations with the Employer for a renewal agreement up to, but not including, conciliation and/or mediation services.

8.07 The Employer agrees to give representatives of the Ontario Nurses' Association access to the premises of the Employer for the purposes of attending meetings, provided prior arrangements are made with and approved by the Manager, Human Resources or delegate. Such requests will not be unreasonably requested or denied.

8.08 (a) The Employer and the Union agree that they mutually desire to maintain standards of health and safety in the Centre, in order to prevent accidents, injury or illness.

(b) Recognizing its responsibilities under the applicable legislation, the Employer agrees to accept as a member of its Joint Occupational Health and Safety Committee one (1) representative selected or appointed by the local from its bargaining unit. The Employer agrees that the representative from the Union will be trained as a certified member of the Committee in accordance with Section 12 of the Occupational Health and Safety Act. The Employer will assume the cost for the training and such
representative will be paid for all hours required for training at their regular rate of pay.

(c) All time spent by a member of the Joint Occupational Health and Safety Committee attending meetings of this Committee shall be deemed to be work time for which they shall be paid by the Employer at their regular rate and they shall be entitled to such time from work to attend scheduled meetings.

(d) The Employer and employees agree to comply with their respective responsibilities and duties as provided for in the Occupational Health and Safety Act and Regulations. The Employer encourages participation and contributions by all employees and their representatives in achieving the highest level of health and safety standards at this workplace.

ARTICLE 9 - GRIEVANCE PROCEDURE AND ARBITRATION

9.01 (a) Where a difference arises between the parties related to the interpretation, application or administration of this Agreement, or where an allegation is made that the Agreement has been violated, the following procedures will be adhered to.

(b) It is the mutual desire of the parties hereto that complaints of nurses shall be adjusted as quickly as possible, and it is understood that a nurse has no grievance until they have first given the Manager, Clinic Services or delegate the opportunity of adjusting the complaint. Such complaint shall be discussed with the Manager, Clinic Services or delegate within ten (10) calendar days after the circumstances giving rise to it have occurred or ought reasonably to have come to the knowledge of the nurse. Failing settlement within ten (10) calendar days following the discussion with the Manager, Clinic Services or delegate, it shall then be taken up as a formal grievance in the following manner and sequence:

STEP 1

A nurse(s) shall present a grievance in writing to the Manager, Clinic Services or delegate. The written grievance shall contain reference to the article and/or clauses in the Contract which are alleged to have been violated and the redress sought.

A meeting shall be held among the Manager, Clinic Services or delegate the grievor and the Grievance Committee within ten (10) calendar days following the day on which the grievance was received. The decision of the Manager, Clinic Services or delegate shall be delivered within ten (10) calendar days of the meeting and if the decision is unsatisfactory, it may be referred to Step 2.

STEP 2

The written grievance shall be referred to the supervisor of the Manager of Plasma Operations, or delegate. A meeting will be held among the supervisor of the Manager of Plasma Operations, or delegate, the grievor(s) and the Grievance Committee, within ten (10) calendar days
following submission of the grievance to the supervisor of the Manager of Plasma Operations. A representative of the Ontario Nurses’ Association and other Employer representatives may be present at such meeting. The decision of the supervisor of the Manager of Plasma Operations shall be delivered within ten (10) calendar days of the meeting and if the decision is unsatisfactory, it may be referred to arbitration.

9.02 If a difference relative to the terms of the agreement arises between the Union and the Employer, it may be presented in writing in the form of a policy grievance at Step 2 of the grievance procedure within ten (10) calendar days following the circumstances giving rise to it. However, it is expressly understood that the provisions of this Article shall not be used to institute a grievance directly affecting a nurse (group of nurses) where such nurse could themselves institute a grievance and the regular grievance procedure shall not be thereby by-passed.

9.03 Notwithstanding any other provision in this Article, should the Employer discharge, suspend or discipline a nurse, it will so notify them in writing, indicating the reason(s) for the discharge, suspension or discipline with a copy to the President of the local. In any meeting where a nurse is to be informed by the Employer’s representative that a discharge, suspension or any other form of disciplinary action shall be imposed on them, they shall be given advice at least prior to the discussion itself that they may have a local representative present during such meeting. Should the nurse wish to file a grievance against a discharge or suspension or discipline it shall be reduced to writing and filed within ten (10) calendar days under Step 2 of the grievance procedure.

9.04 Where a number of nurses have identical grievances and each nurse would be entitled to grieve separately, they may present a group grievance in writing, signed by each nurse who is grieving, to the Manager, Clinic Services or delegate within ten (10) calendar days following the circumstances giving rise to it. The grievance shall be initiated at Step No. 1.

9.05 (a) After exhausting the Grievance Procedure established by this Agreement, either party may, within thirty (30) calendar days, notify the other party in writing of its desire to submit the grievance to arbitration, and the notice shall contain the name of the first party’s nominee to the Arbitration Board.

(b) The parties may mutually agree in writing, at the time a grievance is to be forwarded to Arbitration, to substitute a single Arbitrator for the Arbitration Board referred to in this article. All other provisions referring to an Arbitration Board shall appropriately apply.

9.06 The recipient of the notice shall, within ten (10) calendar days, inform the other party of the name of its nominee to the Arbitration Board. The two nominees so selected shall, within five (5) calendar days of the appointment of the second of them, appoint a third person who shall be the Chairperson. If the recipient of the notice fails to appoint an arbitrator, or if the two nominees fail to agree upon a Chairperson within the time limit, the appointment shall be made by the Minister of Labour for Ontario upon the request of either party. The Arbitration Board shall hear and determine the grievance and shall issue a decision and the decision is final and binding upon the parties and upon any nurse affected by it. The Arbitration Board cannot however change the contents of this Collective Agreement.
Agreement. The decision of the majority is the decision of the Arbitration Board, but if there is no majority, the decision of the Chairperson shall govern.

9.07 Each party shall pay the costs and expenses of its nominees and the costs and expenses of the Chairperson shall be borne equally by the parties.

9.08 The time limits set out in the grievance and arbitration procedures shall be adhered to, but may be extended or shortened by mutual agreement in writing between the parties.

ARTICLE 10 - SENIORITY

10.01 Seniority List and Accrual of Seniority

(a) The Employer will keep a combined up-to-date seniority list of all regular full-time, regular part-time, temporary and casual nurses and this list shall be posted and maintained by the Employer on January 1st, May 1st and September 1st of every year. A copy of the seniority list shall be posted on the Union bulletin board no later than January 15th, May 15th and September 15th of each year. Upon request of the local Union a copy shall be provided.

(b) For the purpose of the preparation of the seniority list, the date of most recent hire as a regular full-time nurse shall be used.

(c) For the purpose of the preparation of the seniority list, regular part-time, temporary and casual nurses shall accrue seniority from their most recent date of hire based on all actual hours worked, including overtime and call back hours (actual hours worked at straight time). One year of seniority shall have been accumulated for each 1500 hours.

(d) Seniority shall be subject to adjustments as outlined in Articles 10.04, 10.05 and as herein otherwise provided under specific Articles.

10.02 Application of Seniority

(a) Seniority for the purpose of this Collective Agreement shall be used in determining priorities for preference of vacation periods, lay-off and recall, transfers and promotions in accordance with Article 12.01.

(b) Temporary and casual nurses who are hired into regular part-time or regular full-time positions will be credited with seniority accumulated in their temporary or casual positions.

10.03 When a regular full-time nurse transfers to a part-time position or vice versa, they shall retain their accumulated seniority based on the following formula, with the understanding that full-time or part-time seniority, once converted to a date, shall not precede the nurses’ date of hire:

(a) In the case of a regular full-time nurse:

\[
\text{No. of years worked} \times 1500 = \text{pt seniority hours}
\]
(b) In the case of a regular part-time nurses:

\[
\text{No. of seniority hours} = \text{ft seniority years} \times \frac{1500}{1}
\]

(Use regular full-time seniority years to calculate seniority date to the nearest calendar day.)

10.04 Seniority shall be retained and accumulated when a nurse is absent from work under the following conditions:

(a) when on leave with pay;

(b) when a regular full-time nurse is on an approved leave of absence, without pay, not exceeding thirty (30) continuous calendar days;

(c) when a regular full-time nurse is in receipt of paid sick leave;

(d) when a regular full-time or regular part-time nurse in receipt of WSIB compensation, subject to Article 16.05, or is in receipt of LTD benefits (until declared unfit to perform the essential duties of their regular job or is certified to return to work but fails to do so);

(e) when on pregnancy or parental leave, to a maximum of seventy-eight (78) weeks subject to Articles 14.08 and 14.09.

10.05 Seniority shall be retained but not accumulated when a nurse is absent from work under the following conditions:

(a) when on an approved leave of absence without pay, exceeding thirty (30) continuous calendar days;

(b) when absent on account of accident or illness and not in receipt of sick leave credits.

(c) when on layoff up to twenty-four (24) months.

10.06 A nurse shall lose their seniority and their employment shall be deemed to have been terminated if they:

(a) quit for any reason;

(b) are discharged for just cause and are not reinstated through the grievance or arbitration procedure;

(c) have been on layoff for more than twenty-four (24) months;

(d) fail to contact the Manager, Clinic Services or delegate, upon being notified of a recall to signify their intention to return within seven (7) calendar days after they have received the notice of recall mailed by registered mail to the last known address according to the records of the Employer or fails to report to work within seven (7) calendar days after they have received the notice of recall or such further period of time as may be agreed upon by the parties;
(e) are absent from scheduled work for a period of three (3) or more consecutive working days without notifying the Employer of such absence and providing a satisfactory reason(s) to the Employer;

10.07 (a) Regular full-time and temporary full-time nurses shall be entitled to a salary increment under Schedule “A”, following each completed year of service, up to the maximum step level of the salary grid.

(b) Regular part-time, temporary part-time and casual nurses, shall be entitled to a salary increment following completion of each 1500 regular hours worked, but no sooner than one (1) year from the date of hire or the date of last progression, up to the maximum step level of the salary grid. Hours worked in excess of 1500 hours in that year shall be credited towards the following year’s salary increment.

10.08 Seniority for regular part-time nurses on maternity or parental leave shall be calculated using hours worked in the immediately preceding twenty (20) week period to determine a weekly average for the accrual of seniority during such leave.

ARTICLE 11 - PROBATIONARY PERIOD

11.01 (a) All newly hired nurses shall serve a probationary period of four hundred and fifty (450) regular hours worked.

(b) If, at the end of the probation period, the Employer recommends extension of the probation period for further appraisal of performance, an extension of up to four hundred and fifty (450) regular hours worked may be made, provided that the nurse is so notified in writing with a copy to the Local President.

(c) It is understood that a nurse has to serve only one probationary period with the Employer whether or not their service is regular full-time, regular part-time or a combination of both full-time and part-time.

11.02 (a) The new nurse's work performance shall be periodically assessed during their probationary period and the results shall be discussed with them by their immediate supervisor; this gives the nurse the opportunity to improve their work performance if the same has been assessed to be below the standard set for the position, during the remainder of their probationary period.

(b) It is understood that probationary employees may be discharged, provided the discharge was not done in a manner that was arbitrary, discriminatory, or in bad faith.
ARTICLE 12 – TRANSFERS AND PROMOTIONS

12.01 In all cases of definite and indefinite transfers, or promotion to a bargaining unit nursing position, the following criteria for selection shall be considered:

(a) skills, ability, experience and qualifications

(b) seniority

Where the qualifications of factor a) are relatively equal, factor b) shall govern.

12.02 All promotions, assignments, and transfers within the bargaining unit shall be on a trial basis. The nurse will serve a trial period of four hundred and fifty (450) regular hours worked in which to demonstrate their ability to perform the duties and responsibilities of the position to the satisfaction of the Employer. Should a nurse fail to succeed during the above mentioned trial period, the Employer will reinstate the nurse in their former position without loss of seniority, and the filling of subsequent vacancies will likewise be reversed.

12.03 Assignments to Positions Outside the Bargaining Unit

(a) The assignment of nurses for any position not covered by this Agreement, shall be subject to a trial period of sixty (60) days, extendable to one hundred and twenty (120) days upon written notice to the nurse prior to the expiry of the original sixty (60) days, during which time the nurse shall have the right to return to their former position without loss of seniority.

(b) A nurse who is temporarily assigned to a position outside of the bargaining unit, for a period of not more than two (2) years shall continue to accumulate seniority during such period. The nurse will also continue to accrue sick leave, vacation and insured benefits applicable to them under this Agreement however, Articles 18, 19 and 20 of the Collective Agreement shall not be applicable. The Employer will advise the nurse of the expected duration of the temporary assignment and such assignment may be extended by agreement between the nurse, the Union and the Employer.

(c) In the event that a nurse is assigned to a position outside of the bargaining unit for a period in excess of two (2) years, they will lose all seniority held at the time of assignment, unless there has been mutual agreement to extend such assignment.

(d) It is understood and agreed that a nurse may decline such offer of assignment.

12.04 Vacancies, Posting Requirements

(a) When the Employer determines that a vacancy is to be filled, in the case of all vacancies, including new positions, within the bargaining unit, the Employer will post notices of such vacancies on the Employer’s internet and intranet sites and Centre bulletin board, stating the location of the vacancies, for ten (10) working days prior to making an appointment to any such position, in order that any interested nurse may apply. A copy
of such posting shall be sent to the Local President. If no qualified nurse applies, the Employer may then hire from outside the bargaining unit.

(b) Should the Employer's online posting and application system fail or otherwise become unavailable, Nurses will be permitted to submit their application in paper form.

(c) Temporary vacancies shall be posted if their projected duration is in excess of six (6) calendar months, if the Employer determines that the vacancy is to be filled.

(d) The release of nurses hired to fill temporary positions shall not be subject to the grievance and/or arbitration provisions of this Collective Agreement.

12.05 Compensation

(a) A nurse who is temporarily assigned to a classification higher than their own within the bargaining unit or to a higher classification outside the bargaining unit, shall be paid a premium of 6% of their regular rate of pay during such temporary assignment in addition to their regular rate of pay.

(b) A nurse who is temporarily assigned to a classification within the bargaining unit or to a classification outside the bargaining unit with the same or lower pay rate, shall continue to be paid at their current rate of pay.

ARTICLE 13 - LAYOFF AND RECALL

13.01 The layoff of regular full-time and regular part-time nurses shall remain separate. The Employer reserves the right to layoff either regular full-time or regular part-time in accordance with the provisions of this Article. This Article shall not apply to casual or temporary nurses except where herein specifically stated.

13.02 (a) In the event of a proposed layoff the Employer shall:
