- 1.02 The Employer will not propose and/or enter into any agreement with a Nurse Practitioner that pertains to any terms or conditions of employment that contravene the Collective Agreement. Any such agreement shall be null and void.
- 1.03 It is recognized that Employees wish to work together with the Employer to secure the best possible health care and health protection for clients.

ARTICLE 3 - MANAGEMENT RIGHTS

- 3.01 The Union recognizes that the management of the workplace and the direction of the workforce are fixed exclusively with the Employer and shall remain solely with the Employer except as limited by the provisions of this Agreement, and without restricting the generality of the foregoing, the Union acknowledges that it is the exclusive function of the Employer to:
- (a) Maintain order, discipline and efficiency;
 - (b) Hire, assign, discharge, direct, promote, demote, classify, transfer, layoff, recall and suspend or otherwise discharge Employees, provided that a claim of discharge or discipline without just cause may be the subject of a grievance and dealt with as hereinafter provided;
 - (c) Determine the schedule, work assignments and the methods of doing the work;

- (d) Put into effect, enforce and alter reasonable rules and regulations governing the conduct of the Employees; and

3.02 Without restricting or limiting the generality of the preceding sub-article, the Employer shall retain all its rights of management not inconsistent with the provisions of this Agreement.

3.03 These rights shall not be exercised in a manner inconsistent with the provisions of the Collective Agreement.

ARTICLE 4 - DEFINITIONS

4.01 The following definitions shall be applied to this Agreement:

- (a) A Nurse Practitioner is a Registered Nurse who is required to hold an Extended Class Certificate of Registration with the College of Nurses of Ontario in accordance with the Regulated Health Professions Act and the Nursing Act, which must be renewed on or before February 15th of each year.

The Employer will obtain evidence that the Nurse Practitioner's Certificate of Registration is in good standing and currently in effect. Such time will be extended for reasons where the College of Nurses of Ontario permits the Nurse Practitioner's Certificate of Registration to remain in effect. If the Nurse Practitioner's Certificate of Registration is suspended by the College of Nurses of Ontario for non-payment of the annual fee, she will be placed on non-disciplinary suspension without pay. If the Nurse Practitioner presents evidence that her Certificate of Registration has been reinstated, she shall be reinstated to her position effective upon presenting such evidence. Failure to provide evidence within ninety (90) calendar days of the Nurse Practitioner being placed on non-disciplinary suspension by the Employer will result in the Nurse Practitioner being deemed to be no longer qualified and the Nurse Practitioner shall be terminated from the employ of the Employer. Termination shall not be the subject of a grievance or arbitration.

- (b) A "full-time NP" shall mean an NP who is employed on a permanent basis and who is scheduled to work 35 hours per week.
- (c) A "regular part-time NP" is an NP who regularly works less than the normal full-time hours and will be available to work on a predetermined basis. All other part-time NPs shall be considered casual NPs.
- (d) "Casual NP" means an NP who is not regularly scheduled to work and who is employed under an arrangement whereby the person may elect to work or not when requested to do so.

4.02 Whenever the feminine pronoun is used in this Agreement, it includes the masculine and gender neutral pronouns, where the content so requires. Where the singular is used, it may also be deemed to mean the plural where the context so requires.

ARTICLE 5 - NO DISCRIMINATION

- 5.01 The Employer and the Union agree that there will be no discrimination, interference, intimidation, restriction or coercion exercised or practised by any of their representatives with respect to any NP because of her membership or non-membership in the Union, activity or lack of activity on behalf of the Union or by reason of exercising her rights under the Collective Agreement.
- 5.02 The Union agrees that there will be no Union activity, solicitation for membership, or collection of Union dues on Employer premises or during working hours except with the written permission of the Employer or as specifically provided for in this Agreement.

Where a NP has no dues deducted during the payroll period from which dues are normally deducted, that deduction shall be made in the next payroll period provided the NP has earnings in the next payroll period.

If the failure to deduct dues results from an error by the Employer, then, as soon as the error is called to its attention by the Union, the Employer shall make the deduction in the manner agreed to by the parties. If there is no agreement, the Employer shall make the deduction in the manner prescribed by the Union.

- 7.02 Such dues shall be deducted monthly and, in the case of newly employed NPs, such deductions shall commence in the month following their date of hire.

 - (c) In case of the negotiating committee, this will include meetings up to and including conciliation.
 - (d) The Employer will not be required to pay the Union Representative or the grievor for time spent at arbitration hearings.

ARTICLE 10 - GRIEVANCE PROCEDURE

- 10.01 For the purpose of this Agreement, a grievance is defined as a difference arising between the parties relating to the interpretation, application, administration or alleged violation of the Agreement including any question as to whether a matter is arbitrable.

At the time formal discipline is imposed or at any stage of the grievance procedure, including the complaint stage, a NP is entitled to be represented

by her Union Representative. In the discipline, the Employer shall notify the NP of this right in advance. The Employer also agrees, as a good labour relations practice, in most circumstances it will also notify the local Union.

The Employer agrees that where a NP is required to attend a meeting with the Employer that may lead to disciplinary action, as a good labour relations practice, it will inform the NP of the general purpose of the meeting.

10.02

It is the mutual desire of the parties hereto that complaints of the NPs shall be adjusted as quickly as possible, and it is understood that a NP has no grievance until she has first given the Employer the opportunity of adjusting her complaint. Such complaint shall be discussed with the Employer within nine (9) calendar days after the circumstances giving rise to it have occurred. If the complaint is not settled, it shall be taken up as a grievance within nine (9) calendar days of the discussion in the following manner and sequence:

STEP NO. 1

The NP may submit a written grievance, signed by the NP, to the Manager or designate. The grievance shall be on a prescribed Union form and shall identify the nature of the grievance, the provisions of this Agreement which are alleged to have been violated and the remedy which is sought. The Manager or designate will deliver the decision in writing within nine (9) calendar days following the day on which the grievance was presented to the Manager or designate. The parties may, if they so desire, meet to discuss the grievance at a time and place suitable to both parties. Failing settlement, then:

STEP NO. 2

Within nine (9) calendar days following the decision in Step No. 1, the grievance may be submitted in writing to the Chief Executive Officer or designate. A meeting with them will be held between the Chief Executive Officer or designate and the Union Representative within nine (9) calendar days of the submission of the grievance at Step No. 2 unless extended by agreement of the parties. It is understood and agreed that a representative of the Ontario Nurses' Association and the grievor may be present at the meeting. It is further understood that the Chief Executive Officer or designate may have such counsel and assistance as may be desired at such meeting. The decision of the Chief Executive Officer or designate shall be delivered in writing within nine (9) calendar days following the date of such meeting. A copy of the Step No. 2 grievance reply will be provided to the Labour Relations Officer.

10.03 Policy Grievance

A complaint or grievance arising directly between the Employer and the Union concerning the interpretation, application or alleged violation of the Agreement shall be originated at Step No. 2 within fourteen (14) calendar days following the circumstances giving rise to the complaint or grievance. It is expressly understood, however, that the provisions of this Article may not be used with respect to a grievance directly affecting a NP which such NP could have herself instituted and the regular grievance procedure shall not be thereby bypassed. A grievance by the Employer shall be filed with the Union Representative.

10.04 Group Grievance

Where a number of NPs have identical grievances and each NP would be entitled to grieve separately, they may present a group grievance in writing signed by each employee who is grieving to the Chief Executive Officer or designate within fourteen (14) calendar days after the circumstances giving rise to the grievance have occurred or ought reasonably to have come to the attention of the employee(s). The grievance shall then be treated as being initiated at Step No. 2 and the applicable provisions of this Article shall then apply with respect to the processing of such grievance.

10.05 Discharge Grievance

The release of a probationary staff for reasons based on performance and ability to do the job, including skills, suitability and availability shall not be subject to the grievance procedure unless the probationary employee is released for:

- (a) Reasons which are discriminatory;
- (b) Reasons which are in bad faith, namely for exercising a right under this Agreement.

The Employer agrees to meet with the Union Representative to advise of the reasons for the release of a probationary NP within seven (7) days of such release.

A claim by a probationary staff that she has been unjustly released shall be treated as a grievance, provided the NP is entitled to grieve, if a written statement of such grievance is lodged by the NP with the Chief Executive Officer or designate at Step No. 2 within seven (7) calendar days after the date the release is effected and proceed through the grievance procedure as set out in Article 10.02.

- 10.06 (a) Failing settlement under the foregoing procedure of any grievance between the parties arising from the interpretation, application, administration or alleged violation of this Agreement, including any question as to whether a matter is arbitrable, such grievance may be submitted to arbitration as hereinafter provided. If no written request for arbitration is received within twenty (20) working days after the decision under Step No. 2 is given, the grievance shall be deemed to have been abandoned.
- (b) The parties agree that it is their intent to resolve grievances without recourse to arbitration, wherever possible. Therefore, notwithstanding (a) above, the parties may, upon mutual agreement, engage the services of a mediator in an effort to resolve the grievance and may extend the time limits for the request for arbitration. The parties will share equally the fees and expenses, if any, of the mediator.
- 10.07 It is understood and agreed that the Union has carriage of all grievances throughout the grievance and arbitration procedure and not any individual or group of individuals. All agreements reached under the grievance procedure between the representatives of the Employer and the representatives of the Union will be final and binding upon the Employer and the Union and the NPs.
- 10.08 Union grievances shall be on the form set out in Appendix 1. Alternately, the local parties may agree to an electronic version of this form and a process for signing.
- 10.09 (a) If the Employer or the Union requests that a grievance be submitted to Arbitration using a sole arbitrator, it shall make such request in writing to the other party to this agreement, and at the same time, it shall propose the name of the sole arbitrator. Within seven (7) calendar days thereafter, the other party shall agree in writing or propose an alternate name(s). If there is no agreement within fourteen (14) calendar days, the Minister of Labour for the Province of Ontario shall have the power to effect such appointment upon application thereto by the party invoking the arbitration procedure.
- Once appointed, the sole arbitrator shall have all power as set out in Section 50 of the *Labour Relations Act*, including the power to mediate/arbitrate the grievance, to impose a settlement and to limit evidence and submissions.
- (b) If the Employer or the Union requests that a grievance be submitted to Arbitration using a tripartite Board, it shall make such request in writing addressed to the other party to this Agreement, and at the same time, name a Nominee. Within ten (10) working days

thereafter, the other party shall name a Nominee and notify the other party. The two (2) Nominees so named shall, within ten (10) working days of the naming of the latter of them, attempt to settle by agreement the selection of an Arbitrator to act as Chairperson of the Arbitration Board. If they are unable to agree on such an Arbitrator, they may then request the Minister of Labour for the Province of Ontario to appoint an Arbitrator.

Once appointed, the Arbitrator shall have all power as set out in Section 50 of the *Labour Relations Act*, including the power to mediate/arbitrate the grievance, to impose a settlement and to limit evidence and submissions.

- 10.10 No matter may be submitted to arbitration, which has not been properly carried through all requisite steps of the Grievance Procedure.
- 10.11 The Arbitration Board shall not have jurisdiction to amend, alter, modify, or add to, any of the provisions of this Agreement, or to substitute any new provisions in lieu thereof, nor to give any decision inconsistent with the terms and provisions of this Agreement. This provision does not affect the Board's statutory authority to modify or set aside any disciplinary penalties.
- 10.12 All agreements reached under the grievance procedure between the Employer and the Association will be final and binding upon the Employer and the Association and the employees.
- 10.13 Each of the parties hereto will bear the fee and expenses of the Nominee appointed by it and the parties will equally share the fees and expenses of the sole arbitrator or Chairperson of the Arbitration Board.
- 10.14 (a) The time limits fixed in both the Grievance and Arbitration Procedures may be extended by written mutual consent of the parties to this Agreement.
- (b) Any step of the Grievance Procedure may be waived by written mutual consent of the parties to this Agreement.

ARTICLE 11 – PROFESSIONAL RESPONSIBILITY

- 11.01 In the event the work assigned to a NP is such that she has cause to believe that she is being asked to perform work in a manner that is inconsistent with the standards established by the College of Nurses, she shall communicate the concern(s) to her Director of Primary Care as soon as possible or at the latest within ten (10) work days.

If the concerns are not addressed to the satisfaction of both parties, the

matter will be referred to the Senior Operations Officer, who shall discuss and attempt to resolve the complaint to the satisfaction of both parties. If the concerns are not resolved the issues may proceed through the grievance procedure.

ARTICLE 12 - ORIENTATION AND IN-SERVICE PROGRAM

- 12.01 The Employer provides a comprehensive orientation of such duration, as it may deem appropriate, taking into consideration the needs of the Employer and the NPs involved.
- 12.02 Both the Employer and the Union recognize their joint responsibility and commitment to provide, and to participate in, in-service education. The Union supports the principle of its members' responsibility for their own professional development and the Employer will endeavour to provide employees with opportunities to attend related programs.
- 12.03 The delegation of Controlled Acts shall be in accordance with the Regulated Health Professions Act, Medical Directives, and related statutes and regulations and in accordance with guidelines established by the College of Nurses of Ontario from time to time, and any Employer policy related thereto, provided that if the Union is of the opinion that such delegation would be inimical to proper patient care, the Union may refer the issue to the Union Management Committee.
- 12.04 (a) The Employer shall endeavour to provide NPs with an opportunity to attend in-service programs during their regularly scheduled working hours.
- When a NP is on duty and authorized to attend an in-service program at the Employer or required by the Employer to attend courses outside of her regularly scheduled working hours she shall be paid for all time spent in attendance on such courses at her regular straight time hourly rate of pay.
- (b) The Employer will provide for regular staff meetings. NPs will be paid at their regular straight time hourly rate for attendance at such meetings.
- 12.05 NP's may be required, as part of their regular duties, to supervise the activities of students. The Employer and Bargaining Unit Members will collaborate to develop the Guidelines for use of the preceptor stipends. Where a NP is pre-authorized by her Manager to perform nursing NP student supervision duties, the Employer will pay the NP a premium of one dollar (\$1.00) per hour for all hours spent supervising nursing NP students. The Employer reserves the right to limit the number of nursing students to

be supervised.

After consultation with the NPs regarding any education opportunities, any remaining dollars from the stipend will be used to purchase program resources (i.e. medical equipment or client/staff education materials) as agreed to by the parties.

Any information that is provided to the Employer by the educational institution with respect to the skill level of the students will be made available to the employees recruited to supervise students.

- 12.06 The Employer shall provide up to four (4) paid days per year to each full-time and part-time NP for the purposes of attending courses or training for professional development subject to prior approval from the NP's Director.

ARTICLE 13 - ACCESS TO FILES

- 13.01 A copy of any completed performance appraisal which is to be placed in a NP's file shall be first reviewed with the NP. The NP shall initial such performance appraisal as having been read and shall have the opportunity to add her views to such performance appraisal prior to it being placed in her file. It is understood that such performance appraisal do not constitute disciplinary action by the Employer against the NP.
- 13.02 Each NP shall have reasonable access to her personal file for the purpose of reviewing the contents in the presence of the Employer. A copy of the performance appraisal will be provided to the NP at her request.
- 13.03 The Employer agrees not to introduce as evidence in a hearing related to disciplinary action any document from the file of a NP, the existence of which the employee was not aware at the time of filing.
- 13.04 Any letter or reprimand, suspension or other sanction will be removed from the record of a NP eighteen (18) months following the receipt of such letter, suspension or other sanction provided the NP's record has been discipline free for one year during which she has worked.
- 13.05 The Peer Feedback Process of the Quality Assurance Program required by the College of Nurses of Ontario

The above referenced Peer Feedback is confidential information which the employee is expected to obtain, by requesting feedback from peer(s) of her or his choice, for the sole purpose of meeting the requirements of the Quality Assurance Program required by the College of Nurses of Ontario. The parties recognize the importance of supporting the confidential nature of the Peer Feedback component of the Quality Assurance Program. For

further clarity, the above referenced Peer Feedback will not be used as a performance evaluation under Article 13.01.

ARTICLE 14 - SENIORITY

14.01 Newly hired full-time NPs shall be considered to be on probation for a period of six (6) months from date of hire.

Newly hired part-time NPs shall be considered to be on probation for a period of 525 hours worked from date of hire.

The NP shall be given an initial performance assessment at the end of 3 months of employment and then a formal appraisal at 5.5 months. Where the Employer requests an extension of the probationary period, it will provide notice to the Union at least seven (7) calendar days prior to the expected date of expiration of the initial probationary period. It is understood and agreed that any extension to the probationary period will not exceed an additional thirty (30) days worked and, where requested, the Employer will advise the NP and the Union of the basis of such extension with recommendations for the Nurse Practitioner's professional development. If retained after the probationary period, the NP shall be credited with seniority in the amount of the number of hours worked since date of hire. The Employer shall advise the NPs in writing of the completion of their probationary period.

14.02 Seniority lists shall be maintained for all NPs covered by this Agreement who have completed their probationary period. A copy of the Seniority List shall be posted on March 31st and September 30th of each year.

Part-time and casual seniority will be based on the number of hours worked.

14.03 A NP's full seniority and service shall be retained by the NP in the event that she is transferred from full-time to part-time or casual. A NP whose status is changed from full-time to part-time or casual shall receive credit for her full seniority and service on the basis of 1820 hours worked for each year of full-time seniority. A NP whose status is changed from casual or part-time to full-time shall receive credit for her full seniority and service on the basis of one year of seniority for each 1820 hours worked. Seniority shall not supercede date of hire.

14.04 If a NP's absence without pay from the Employer under Leaves of Absence, exceeds thirty (30) continuous calendar days she will not accumulate seniority or service for any purposes under the Collective Agreement for the period of the absence in excess of thirty (30) continuous calendar days

unless otherwise provided and the NP will become responsible for full payment of any subsidized NP benefits in which she is entitled to participate during the period of absence. In the case of unpaid approved leaves of absence in excess of thirty (30) continuous calendar days a NP may arrange with the Employer to pay the full premium of any applicable subsidized benefits during the period of leave in excess of thirty (30) continuous calendar days to ensure her continuing coverage.

The rate of accumulation will be based on the NP's normal weekly hours paid over the preceding qualifying twenty-six (26) weeks. A qualifying week is a week where the NP is not absent due to vacation, pregnancy-parental leave, WSIB, or illness that exceeds thirty (30) consecutive calendar days.

Notwithstanding this provision, seniority and service will accrue and the Employer will continue to pay the premiums for benefit plans for NPs for a period of up to seventeen (17) weeks while a NP is on pregnancy leave under Article 15.07 and for a period of up to sixty-one (61) weeks or sixty-three weeks (63) while a NP is on parental leave under Article 15.08. Seniority and service will accrue for an adoptive parent or a natural father for a period of up to sixty-three (63) weeks while such NP is on parental leave under Article 15.08.

Note 1: The accrual of seniority and service for NPs on pregnancy and parental leave applies to both full-time and part-time NPs.

Note 2: This clause shall be interpreted in a manner consistent with the Ontario Human Rights Code.

14.05 Seniority shall be retained and accumulate when a NP is absent from work under the following conditions:

- (b) For a period of twenty-four (24) months after layoff;
- (c) On unpaid sick leave;
- (d) In receipt of WSIB Benefits under circumstances other than those mentioned in Article 14.05 (d).

14.07 A NP shall lose all service and seniority and shall be deemed to have quit if she:

- (a) Voluntarily leaves the employ of the Employer, or retires;
- (b) Is discharged and not reinstated through the grievance or arbitration procedure;

bargaining unit to make application. At the time of posting, the Employer may seek both internal and external applicants. However, the Employer will not consider any external candidates unless it has determined that there are no internal applicants that can perform the duties of the position.

14.17 No work customarily performed by the NPs as set out in this Agreement, shall be performed by another NP not in the Bargaining Unit or contracted out if such contracting out causes NPs in the bargaining unit to work fewer than their normal number of hours, to be laid off, or if such contracting out results in the termination of bargaining unit staff. In the event that a NP leaves the employ of the Employer, the Employer will not unduly delay the search for a satisfactory replacement.
