It is understood that reassignment of duties normally performed by RPN’s to RN’s and vice versa (when staff within the bargaining unit are not available to work) shall not constitute a violation of this provision.

(c) When it is decided to not fill a position following an employee’s resignation, the Home will provide the rationale in writing for this decision to the Union. The Union may request a meeting to make representations on this matter.

2.05 Minimum Staffing

This includes the right to introduce new and improved methods, facilities, equipment and to control the amount of supervision necessary, work schedules, the combining or splitting up of departments, and the increases or reduction of personnel in a particular area or on the whole.

3.02 The Employer will exercise these rights in a manner consistent with the Collective Agreement and apply the provisions of the Collective Agreement in a reasonable manner.

ARTICLE 4 – RELATIONSHIP

The Employer and the Union are committed to providing a positive environment for staff. All individuals have the right to be treated with respect and dignity. Each individual has the right to work in an atmosphere which promotes respectful interactions and is free from discrimination, harassment and aggression.

4.01 The Employer and the Union agree that there will be no discrimination, interference, intimidation, restriction or coercion exercised or practised by any of their representatives with respect to any employee because of her membership or non-membership in the Union or activity or lack of activity on behalf of the Union or by reason of exercising her rights under the collective agreement.

4.02 There shall be no discrimination on the part of the Employer, the Union or any employees covered by this Agreement by reason of race, creed, colour, ethnic origin, marital status, family status, sex, citizenship, ancestry, sexual orientation, disability, place of origin, residence, age, political or religious affiliation or other factors not pertinent to performance with respect to employment, placement, promotion, salary determination or other terms of employment.

The employee rights set out above shall be interpreted within the context of the Ontario Human Rights Code.

The employee shall be encouraged by both parties to exhaust these processes prior to filing a complaint with the Ontario Human Rights Commission.

Return to Work

(a) The parties recognize the duty of reasonable accommodation for individuals under the Human Rights Code of Ontario and agree that this Collective Agreement will be interpreted in such a way as to permit the Employer and the Union to discharge that duty. To that end, the Home and the Union agree to cooperate in complying with the Ontario Human Rights Code.

(b) The Home and the Union agree to ongoing and timely communication by all participants. For the purposes of expediting communication the Home and the Union agree that participants will use electronic communication where available.
(c) If an employee becomes disabled, including WSIB, with the result that she is unable to perform the regular functions of her position, the Employer may determine a special classification and salary, with the hope of providing an opportunity for continued employment.

Positions established under this article will not constitute new classifications and shall lapse upon the termination, resignation, or retirement of the employee in question.

(d) Prior to any disabled employee returning to work from a disability including WSIB to a modified/light/alternate work program, the Employer will notify and meet with members of the bargaining unit executive to consult on a back to work program for the worker. Any agreement resulting from these discussions which conflicts with the collective agreement shall, subject to agreement by the Union, prevail over any provision of this agreement in the event of a conflict.

Nothing in this language obligates the Employer to establish a modified/light/alternative work program, except as required by law.

Meetings of this Committee shall be held at the request of either party, but no more than once quarterly, unless required pursuant to Article 19.01, or more frequently as otherwise mutually agreed. The purpose of this Committee
shall be to discuss matters relating to workload, scheduling matters, job content, education opportunities, government initiatives that will impact the bargaining unit, and other matters of mutual concern. Minutes of these meetings shall be maintained and signed by both parties. The role of Chairperson shall rotate between the parties.

6.04 (a) The Employer shall pay representatives and Committee members their respective salaries for all time lost from regularly scheduled hours investigating and/or processing grievances, negotiating the Collective Agreement and renewals thereof, up to and including conciliation, and while attending meetings with the Employer. Employees on the evening and night shift shall receive paid time off for the actual day of the negotiating meeting.

(b) It is agreed that members of the Grievance Committee may require a reasonably brief period of time during the day to fulfill their duties as Committee members as set out in a) above. However, it is further agreed that members of the Grievance Committee have their regular duties and responsibilities to perform for the Employer and shall not leave their regular duties without first obtaining permission from their immediate supervisor or designate. Such permission shall not be unreasonably withheld. Where possible, all union activities shall be conducted on the employees own time.
6.05 The Employer agrees that a Union representative shall be given the opportunity of interviewing each newly hired employee, for a period not to exceed fifteen (15) minutes, and as early as practical during the probation period, for the purposes of advising such employees of their rights and obligations under the terms of this Agreement, and the Union may provide membership forms at this meeting.

6.06 Health & Safety

(a) The Employer and the Union agree that they mutually desire to maintain standards of safety and health in the Home, in order to prevent injury and illness and abide by the Occupational Health and Safety Act as amended from time to time.

(b) A joint management and employee health and safety committee shall be constituted in accordance with the Act, which shall identify potential dangers, recommend means of improving the health and safety programs and obtaining information from the Employer or other persons respecting the identification of hazards and standards. The committee shall meet at least every three months or more frequently if the committee decides.

The Employer agrees to accept as a member of its Joint health and Safety Committee at least one (1) ONA representative selected or appointed by the union from the Employer.

Scheduled time spent in such meetings is to be considered time worked for which representative(s) shall be paid by the Employer at his or her regular rate.

Minutes shall be taken of all meetings and copies shall be sent to the Committee members. Minutes of the meetings shall be posted on the workplace health & safety bulletin board.

(c) The Employer shall provide the time from work with pay and all related tuition costs and expenses necessary to certify the worker representative.

Where an inspector makes an inspection of a workplace under the powers conferred upon him or her under the Occupational Health and Safety Act, the employer shall afford a certified committee member representing workers the opportunity to accompany the inspector during his or her physical inspection of a workplace, or any part or parts thereof. Where a worker certified member is not on-site and available, the Employer shall afford a worker health and safety representative if any, or a worker selected by a Union, because of knowledge, experience and training, to represent it, the opportunity to accompany the inspector during his or her physical inspection of a workplace, or any part or parts thereof.

(d) Two (2) representatives of the Joint Health and Safety Committee, one (1) from management and one (1) from the employees, shall make monthly inspections of the work place and shall report to the health and safety committee the results of their inspection. The members of the Committee who represent the workers shall designate a member representing workers to inspect the workplace. Where possible that member shall be a certified member. The employer shall provide the member with such information and assistance as the member may require for the purpose of carrying out an inspection of the workplace. Scheduled time spent in all such activities shall be considered as time worked.
(e) The Joint Health and Safety Committee and the representatives thereof shall have access to Incident/Accident Report Form required in S.51, S.52 and S.53 of the Act and the annual summary of data from the WSIB relating to the number of work accident fatalities, the number of lost workday cases, the number of lost workdays, the number of non-fatal cases that required medical aid without lost workdays, the incidence of occupational injuries, and such other data as the WSIB may decide to disclose. It is understood and agreed that no information will be provided to the Committee which is confidential. This information shall be a standing item recorded in the minutes of each meeting.

(f) The Union will use its best efforts to obtain the full co-operation of its membership in the compliance of all safety rules and practices.

(g) The Employer will use its best efforts to make all affected direct care employees aware of residents who have serious infectious diseases. The nature of the disease need not be disclosed. Employees will be made aware of special procedures required of them to deal with these circumstances. The parties agree that all employees are aware of the requirement to practice universal precautions in all circumstances.

(h) The parties further agree that suitable subjects for discussion at the joint Labour Management Committee will include aggressive residents.

The Employer will review with the Joint Health and Safety Committee written policies to address the management of violent behaviour. Such policies will include but not be limited to:

i) Designing safe procedures for employees.
ii) Providing training appropriate to these policies
iii) Reporting all incidents of workplace violence.

(i) The Employer shall:

i) inform employees of any situation relating to their work which may endanger their health and safety, as soon as it learns of the said situation;

ii) inform employees regarding the risks relating to their work and provide training and supervision so that employees have the skills and knowledge necessary to safely perform the work assigned to them;

When faced with occupational health and safety decisions, the Home will not await full scientific or absolute certainty before taking reasonable action(s) that reduces risk and protects employees.

iii) ensure that the applicable measures and procedures prescribed in the Occupational Health and Safety Act are carried out in the workplace.

(j) A worker shall,

i) work in compliance with the provisions of the Occupational Health and Safety Act and the regulations;
ii) use or wear the equipment, protective devices or clothing that the worker's employer requires to be used or worn;

iii) report to his or her employer or supervisor the absence of or defect in any equipment or protective device of which the worker is aware and which may endanger himself, herself or another worker; and

iv) report to his or her employer or supervisor any contravention of the Occupational Health and Safety Act or the regulations or the existence of any hazard of which he or she knows.

(k) Injured Workers Provisions

At the time an injury occurs, the injured worker's employer shall provide transportation for the worker (if the worker needs it) to a hospital or a physician located within a reasonable distance or to the worker's home. The employer shall pay for the transportation.

(l) Infectious Diseases

The Employer and the Union desire to arrest the spread of infectious diseases in the nursing home.

To achieve this objective, the Joint Health and Safety Committee may review and offer input into infection control programs and protocols including surveillance, outbreak control, isolation, precautions, worker education and training, and personal protective equipment.

The Employer will provide training and ongoing education in communicable disease recognition, use of personal protective equipment, decontamination of equipment, and disposal of hazardous waste.

(m) The Joint Health and Safety Committee will discuss and may recommend appropriate measures to promote health and safety in workplaces, including, but not limited to:

- Musculoskeletal Injury Prevention
- Needle Stick Injury Prevention
- Personal Protective Equipment
- Training designed to ensure competency under the Act for those persons with supervisory responsibilities.
- Employees who regularly work alone or who are isolated in the workplace

6.07 Violence in the Workplace

(a) The parties agree that violence shall be defined as any incident in which an employee is abused, threatened or assaulted while performing his or her work. The parties agree it includes the application of force, threats with or without weapons and severe verbal abuse. The parties agree that such incidents will not be condoned. Any employee who believes he/she has been subjected to such incident shall report this to a supervisor who will make every reasonable effort to rectify the situation. For purposes of sub-article (a) only, employees as referred to herein shall mean all employees of the Employer notwithstanding Article 2.11.
(b) The Employer shall maintain formalized policies and procedures to deal with workplace violence. The policies will address the prevention of violence and the management of violent situations and support to employees who have faced workplace violence. These policies and procedures shall be communicated to all employees.

The local parties will consider appropriate measures to address violence in the workplace, which may include, among other remedies:

i) Alert employees about a person with a known history of aggressive behaviours and their known triggers by means of:
   a) electronic and/or other appropriate flagging systems
   b) direct verbal communication/alerts (i.e. shift reports)

ii) Communicate and provide appropriate training and education; and,

iii) Reporting all incidents of workplace violence

(c) The Employer will report all incidents of violence as defined herein to the Joint Health and Safety Committee for review.

(d) The Employer agrees to provide training and information on the prevention of violence to all employees who come into contact with potentially aggressive persons. This training will be done during a new employee’s orientation and updated as required.

(e) Subject to appropriate legislation, and with the employee’s consent, the Employer will inform the Union within three (3) days of any employee who has been subjected to violence while performing his/her work. Such information shall be submitted in writing to the Union.

6.08 The parties agree that if incidents involving aggressive client action occur, such action will be reviewed at the Resident Care Conference and reported at the Joint Health and Safety Committee.

Reasonable steps within the control of the Employer will follow to address the legitimate concerns raised regarding the aggressive client action.

6.09 It is recognized that the Labour Relations Officer is the signing authority for any documents which would form part of or amend the Collective Agreement.

6.10 The Union may hold meetings on the Employer’s premises providing permission has been first obtained from the Employer.

ARTICLE 7 – UNION SECURITY

7.01 The Employer shall deduct monthly from the pay due to each employee who is covered by this Agreement a sum equal to the monthly Union dues of each such
employee. Where an employee has no earnings during the first payroll period, the deduction shall be made in the next payroll period where the employee has earnings, within that month. The Union shall notify the employer in writing of the amount of such dues from time to time. The Employer will send to the Union its cheque for the dues so deducted in the month following the month in which the dues are deducted. When arrears or adjustments are submitted retroactively, the dues month and an explanation will accompany any such dues.

7.02 The Employer shall provide the Union with a list showing the first and last names and Social Insurance Numbers of all employees from whom deductions have been made. The report will identify the name of the facility and the month from which the dues are remitted. The Employer will also identify job classification (where the bargaining unit includes classifications, employees paid less than RNs) and status (i.e. full-time, part-time) of the employees, all terminations, newly hired employees (including start date, where the existing system allows for the information without cost), and employees on Leaves of Absence. At least once per calendar year, the Employer will provide the Union with a list which includes the addresses, shown on the Employer's personnel records, of all current members of the bargaining unit. The Employer will endeavour to provide information in electronic format if the Employer has the technology.

The Union may forward any questions with respect to individual employees in writing (or e-mail) to the Administrator (or designate). The employer will respond to such requests with any information it has which is readily available, within two weeks.

7.03 The Employer shall provide each employee with a T4 Supplementary slip showing the dues deducted in the previous year for income tax purposes where such information is or becomes readily available through the employer’s payroll system.

7.04 The Union shall indemnify and save the Employer harmless with respect to dues so deducted and remitted.

ARTICLE 8 – GRIEVANCE AND ARBITRATION PROCEDURE

8.01 The parties to this agreement believe it is important to adjust complaints and grievances as quickly as possible as provided for herein. The employee or Union shall first discuss any individual complaint informally with the Director of Care or designate at the first opportunity.

8.02 In all steps of this grievance procedure an aggrieved employee, if she so desires may be accompanied by or represented by her Local Union Representative. At Step 1 of the grievance procedure a representative of the Ontario Nurses' Association may be present at the request of either party.

8.03 Should any dispute arise between the Employer and an employee, or between the Employer and the Union, as to the interpretation, application, administration or alleged violation of any of the provisions of this Agreement, the employee or Local Union Representative will bring it to the attention of the immediate supervisor to settle such differences within ten (10) days of the occurrence.
Step No. 1

If further action is to be taken, then within ten (10) days of the discussion, the employee, who may request the assistance of her Local Union Representative and/or Labour Relations Officer, shall submit the written grievance to the Administrator or designate. A meeting will be held between the parties within ten (10) days. The Administrator shall give a written decision within ten (10) days of the meeting to the Bargaining Unit President or her designate with a copy to the Labour Relations Officer.

Step No. 2

Should the Administrator fail to render his decision or failing settlement of any grievance under the foregoing procedure, including any questions as to whether a matter is arbitrable, the grievance may be referred to arbitration by either party. If no written notice of intent to submit the matter for arbitration is received within ten (10) days after the decision under Step No. 1 is received, the grievance shall be deemed to have been settled or abandoned.

8.04 A written grievance will indicate the nature of the grievance and the remedy sought by the grievor. Union grievances shall be set out on the union grievance form. Alternately, the parties may agree to an electronic version of this form and a process for signing.

8.05 Time limits fixed in the grievance and arbitration procedures may be extended only by written, mutual consent of the parties. Should the Employer not respond within the time limit(s) fixed, such failure to respond shall be deemed to be a denial of the grievance. Should a grievance not be submitted within the various time limits specified in this Agreement, unless mutually extended, it shall be considered to have been settled or abandoned.

8.06 Saturday, Sunday and designated paid holidays shall not be counted in determining the time within which any action is to be taken or completed under the grievance procedure.

8.07 Group Grievance

Where a number of employees have identical grievances and each employee would be entitled to grieve separately they may present a group grievance in writing signed by each employee who is grieving to the Administrator or her designate within ten (10) days after the circumstances giving rise to the grievance have occurred or ought reasonably to have come to the attention of the employee(s). The grievance shall then be treated as being initiated at Step No. 1 and the applicable provisions of this Article shall then apply with respect to the processing of such grievance.

8.08 Discharge Grievance

(a) An employee shall only be discharged from the employment for just cause, except that an employee who has not completed the probationary period may be released based on a fair and proper assessment against reasonable standards of performance and suitability. An allegation of action contrary to this clause may be taken up as a grievance. The Home
agrees to provide written reasons within seven (7) calendar days to the affected employee in the case of discharge or suspension.

(b) Such grievance shall proceed directly to Step No. 1 of the grievance procedure and must be presented in writing, dated and signed within ten (10) days following the discharge.

8.09

(a) If a Local Union Representative is to be reprimanded or disciplined, she may have an employee representative present if she so requests.

(b) If an employee is to be suspended or discharged, the Employer shall notify her of this right prior to the outset of the meeting.

(c) The Local Union Representative undertakes to be reasonably available in person or by telephone for such meeting. In extraordinary circumstances when a Local Union Representative is unavailable, the Local Union Representative will endeavour to provide an alternate representative.

8.10 Policy Grievance – Union Grievance

The Union may institute a grievance alleging a general misinterpretation or violation of this Agreement by the Employer by submitting a written grievance at Step No. 1 within twenty (20) days after the circumstances have occurred. This section shall not apply to disciplinary grievances or application of competitive clauses under this Agreement.

8.11 Policy Grievance – Employer Grievance

The Employer may institute a grievance alleging a general misinterpretation or violation by the Union or any employee by filing a written grievance with the Bargaining Unit President, with a copy to the Labour Relations Officer within twenty (20) days after the circumstances have occurred. A meeting will be held between the parties within ten (10) days. The Union shall reply within ten (10) days after the meeting, and failing settlement, the matter may be referred to arbitration.

8.12 (a) Where a difference arises between the parties relating to the interpretation, application or administration of this Agreement, including any questions as to whether a matter is arbitrable, or where an allegation is made that this Agreement has been violated, either of the parties may, after exhausting the grievance procedure established by this Agreement, notify the other party in writing of its decision to submit the difference or allegation to arbitration, and the notice shall contain the name of the first party’s appointee to an Arbitration Board. The recipient of the notice shall, within ten (10) days, inform the other party of the name of its appointee to the Arbitration Board. The two appointees so selected shall within ten (10) days of the appointment of the second of them, appoint a third person who shall be the Chairperson. If the recipient of the notice fails to appoint a nominee, or if the two nominees fail to agree upon a Chairperson within the time limit, the appointment shall be made by the Minister of Labour for Ontario upon the request of either party.
Within thirty (30) calendar days of the receipt of notice referred to in Article 8.12(a) above, either party may require a process for a sole arbitrator where the grievance concerns:

i) a job posting
ii) a short term layoff
iii) responsibility pay, premiums, overtime and call-in pay
iv) entitlement to leave
v) scheduling issues
vi) any other grievance as mutually agreed.

All references in Article 8 to an Arbitration Board shall be taken to include a sole arbitrator.

Once appointed the sole arbitrator shall have the power to mediate/arbitrate the grievance, including the power to impose a settlement in accordance with Article 8.17.

The parties agree that, where an informal process is initiated, presentations proceeding under this dispute resolution mechanism shall include a comprehensive opening statement and thereafter, shall be as short and concise as possible. The parties agree to make limited reference to authorities during such submissions.

Article 8.20 will apply to this Article, except where specifically modified by this Article.

8.13 The Arbitration Board shall hear and determine the difference or allegation and shall issue a decision and the decision is final and binding upon the parties and upon any employee affected by it.

8.14 The decision of a majority is the decision of the Arbitration Board, but if there is no majority the decision of the Chairperson shall govern.

8.15 No person may be appointed as an arbitrator who has been involved in an attempt to negotiate or settle the particular grievance concerned.

8.16 The Board of Arbitration shall have authority only to settle disputes under the terms of this Agreement and only to interpret and apply this Agreement. The Board of Arbitration may make such decision as it may, in the circumstances, deem just and equitable and may vary or set aside any penalty or discipline imposed by the Employer relating to the grievance in question.

8.17 The Board of Arbitration shall have no power to alter, add to, subtract from, modify or amend this Agreement in order to give any decision inconsistent with it.

8.18 Each of the parties shall pay its own expenses including pay for witnesses and the expense of its own nominee and one-half of the expenses and fees of the Chairperson.

8.19 The parties may agree that there are circumstances where the services of a grievance mediator may allow for an objective, independent review of the issue(s) in dispute and assist the parties in resolving grievances.
By mutual agreement the parties may extend the time limits and utilize the services of a Mediator.

The cost of the Mediator will be shared between the parties.

8.20 The parties may, by written agreement, substitute a sole Arbitrator for the Board of Arbitration and the Arbitrator shall possess the same powers and be subject to the same limitations as a Board of Arbitration.

8.21 It is understood and agreed that the Union (and not any individual or group of individuals) has carriage of all grievances throughout the grievance and arbitration procedure (save and except the complaint stage prior to Step 1). All agreements reached under the grievance procedure, (save and except those reached at the complaint stage prior to Step 1) between the representatives of the Employer and the representatives of the Union, will be final and binding upon the Employer, Union and employee(s).

(c) If no internal applicant is qualified to perform the required work, the Employer may fill the vacancy from outside the bargaining unit.

The Dental plan shall provide for Fluoride treatments only for persons under the age of 18 years and dental recall on a nine (9) month basis for persons 18 years and older.

It is also understood that coverage will include dependent children up to and including age 21.

17.02 Notwithstanding Articles 14 and 17, full-time employees who continue to be employed past age 65 shall be eligible for the following benefits under the same cost sharing basis as active employees:

- 14.01 (a)
- 17.01 (b) EHC
- 17.01 (c) Reduce life insurance by 50%
- 17.01 (d) Dental

In any event, once an employee reaches age 70 and she continues to be employed she shall automatically be placed on the percentage-in-lieu as per Schedule “A” for all items now included in the payment.

17.03 The Employer shall provide to each person a copy of the current information booklets for those benefits provided under this Article. The Union shall be provided with a current copy of the Master Policy. It is clearly understood that the Employer’s obligation pursuant to this Collective Agreement is to provide the insurance coverage bargained for. Any problem with respect to the insurer acknowledging or honouring any claims is a matter as between the employee and the insurer. The Employer will notify the Union if it intends to change the Insurance Carrier.
Any grievance arising from the interpretation, application and/or administration of the health and welfare benefits shall be resolved as follows:

(a) the Union or Employer shall file a written grievance within ten (10) days of its learning that an alleged problem exists. For insured benefits, a copy of the grievance shall be forwarded to the insurers.

(b) within ten (10) days of filing a grievance, the parties shall meet with a view to resolving the grievance.

(c) if the grievance is not resolved, as aforesaid, or if the parties fail to meet within the time limited, then the grievance shall be referred to a single arbitrator to be selected alternately from the list of arbitrators hereinafter provided.

(d) the arbitrator shall, in his/her discretion, determine the most expeditious manner of resolving the dispute consistent with affording each party a reasonable opportunity to present its case. The arbitrator may dispense with an oral hearing; receive only written submissions; hear evidence or submissions by conference call; receive evidence by affidavit and/or take such other steps as may be in his/her opinion appropriate.

(e) the arbitrator may in his/her discretion attempt to assist the parties in settling the dispute.

(f) The arbitrators for this process shall be Randi Abramsky and George Surdykowski.

If additional arbitrators are necessary, Norm Jesin shall remain seized to appoint these, if the parties are unable to agree.

(g) the arbitrator shall render a decision with ten (10) days of completion of the hearing. Written reasons are not required. Oral decisions confirmed in writing may be given.

(h) the fees and expenses of the arbitrator shall be shared equally by the Employer and the Union in cases where the benefit is self-insured and by the insurers and the Union where the benefit is insured.

(i) this process shall commence immediately for all self insured benefits. Upon the expiry of any contracts of insurance for benefits, this process shall then apply to insured benefits. It is the responsibility of the Employer to obtain insurance which includes an agreement by the insurer to be bound by the process. If the Employer fails to obtain the agreement of an insurer, the grievance shall proceed as though it is a self-insured benefit.

(j) the parties agree that the decision of an arbitrator hereunder shall be final and binding and shall not be appealed or judicially reviewed by either party. The purpose of waiving any appeal rights or rights of judicial review is to avoid the cost and expense associated with the exercise of these rights.

(k) the decision of the arbitrator shall not have any value as a precedent in a subsequent case.
if in the opinion of any party a grievance raises an issue which should be decided by the form of grievance arbitration provided by the Collective Agreement for all other grievances, upon the consent of all parties or if such consent is not forthcoming, with the approval of Martin Teplitsky, such approval to be obtained by a conference call, the grievance shall be transferred to the ordinary grievance/arbitration process.

17.04 The Employer may substitute another carrier for any of the foregoing plans (other than O.H.I.P.) provided that the level of benefits conferred thereby are not decreased. The Employer will advise the Union of any change in carrier or underwriter at least sixty (60) days prior to implementing a change in carrier.

17.05 The employer agrees, during the term of the collective agreement, to make required contributions for participating eligible full-time employees who have completed probation and are in the active employ of the employer.

17.06 In the event of a layoff, provided the employee deposits with the Home her share of insured benefits for the succeeding month (save for weekly indemnity for which laid off employee are not eligible) the Employer shall pay its share of the insured benefits premium for a period of up to three (3) months from the end of the month in which the layoff occurs, or until the laid off employee is employed elsewhere, whichever comes first.

ARTICLE 18 – RETIREMENT INCOME PLAN

18.01 The Nursing Homes and Related Industries Pension Plan

In this Article, the terms used shall have the meanings as described:

"Plan" means the Nursing Homes and Related Industries Pension Plan, being a multi-employer plan.

"Applicable Wages" means the basic straight time wages for all hours worked, including:

(a) The straight time component of hours worked on a holiday;
(b) Holiday pay, for the hours not worked;
(c) Vacation pay;
(d) Paid union leaves.

All other payments, premiums, allowances, etc. are excluded.

"Eligible Employee" means full-time and part-time employees in the bargaining unit who have completed four hundred and fifty (450) hours of service and who are not prohibited from contributing to the Plan by legislation or the Plan rules because of their age or because they are in receipt of a pension from the Plan.
18.02 Each Eligible Employee covered by this Collective Agreement shall contribute from each pay period an amount equal to four percent (4%) of the applicable wages to the Plan. The Employer shall match such contributions, the amount being four percent (4%) of applicable wages.

Notwithstanding the foregoing, where an error has been made in deduction, the Employer shall, upon request, make full payment on any outstanding Employer contributions, irrespective of whether the employee pays the matching amount.

The parties agree that this Article in no way prejudices the position of either party as it relates to the retroactivity application if an error is discovered.

18.03 The employee and Employer contributions shall be remitted to the Plan within thirty (30) days after the end of the calendar month in which the pay period ends for which the contributions are attributable.

18.04 The Union acknowledges and agrees that other than making its contributions to the Plan as set out in this article, the Employer shall not be obligated to contribute towards the cost of benefits provided by the Plan, or be responsible for providing any such benefits.

The Union and Employer acknowledge and agree that under current pension legislation, and/or regulations, the Employer has no requirement to fund any deficit in the Plan, but is required to contribute only that amount as required by the Collective Agreement in force between the parties.

It is understood and agreed by the Employer and the Union that should the current pension legislation or regulations be changed so that the Employer's obligation to contribute to the Plan exceeds the amount specified in the Collective Agreement then in force, the parties will meet directly to finalize methods to relieve the Employer of this increased obligation to the extent that such obligation exceeds that which the Employer would have if the Plan were defined contribution plan.

18.05 The Employer agrees to provide to the Administrator of the Plan, on a timely basis all information required pursuant to the Pension Benefits Act, R.S.O. 1990, Ch. P-8, as amended, which the Administrator may reasonably require in order to properly record and process pension contributions and pension benefits.

Any additional information requests beyond that noted above ay be provided, if possible, by the Employer at the expense of the Plan, unless the Employer is obligated by law to provide the information.

18.06 If there is an allegation of non-payment of pension contributions, the Union will file a grievance, along with a copy of the grievance to Louisa Davie. Louisa Davie will contact the Employer, who will respond within seven (7) days. If no resolve, Louisa Davie will convene a hearing to determine the matter within thirty (30) days.

18.07 Employees may make additional voluntary contributions to their RRSP based on whole number percentages, (example 1%, 2%, etc.), up to the legal maximum. It is understood that such voluntary contributions will not be matched by the Employer.
Where legislation or the Plan prohibits an employee from contributing to a pension plan because of age, an amount equivalent to the deductions in Article 18.02 will be paid to the employee on their regular pay.

**ARTICLE 19 - PROFESSIONAL RESPONSIBILITY APPLIES TO RPNS ONLY**

19.01 In the event that the Home assigns a number of residents or a workload to an individual employee or group of employees, such that she or they have cause to believe that she or they are being asked to perform more work than is consistent with proper resident care, she or they shall:

Complain in writing to the Union-Management Committee within twenty (20) calendar days of the alleged improper assignment. The chairperson of the Union-Management Committee shall convene a meeting of the Union-Management Committee within twenty (20) calendar days of the filing of the complaint. The Union-Management Committee shall hear and attempt to resolve the complaint to the satisfaction of both parties. The complaint is subject to the grievance or arbitration procedure.

19.02 (a) Employees are expected, as part of their regular duties to provide leadership, supervision, guidance and advice to members of the health care team. Nothing in this clause amends, modifies or clarifies any interpretation under Article 2.01, nor does prejudice the employees' continued membership in the bargaining unit or the employee's entitlement to qualify and receive benefits under Article 22.05.

(b) Nurses may be required, as part of their regular duties, to supervise activities of nurses working with a temporary certificate of registration, the Director of Care or designate shall provide every nurse who is responsible to work with the temporary registrant with the College of Nurses limitations/restrictions on her practice.

19.03 **CMI/RAI MDS Report**

Recognizing the mutual objective of quality resident care, the Employer agrees to meet through the Union Management Committee with the Union as soon as practicable after the receipt of the annual CMI/RAI MDS report. The Employer agrees to provide the Union with staffing levels, and staffing mix information; the impact of related payroll costs on staffing levels, and a written notice of the CMI/RAI MDS report for the facility.

The purpose of this meeting is to discuss the impact of the CMI/RAI MDS report on the staffing levels in the Home, quality resident care, and provide the Union with an opportunity to make representation in that regard.

The parties shall meet as necessary to discuss other changes or workload issues.

The parties may invite additional participants to attend the meeting to support constructive review and discussion.
ARTICLE 20 – ORIENTATION AND IN SERVICE

20.01 An orientation and in service program will be provided to all employees. These programs shall be reviewed and discussed from time to time by members of the Education Committee.

20.02 Normally, a newly employed employee shall not be placed in charge, until she has been fully oriented to the home.

20.03 The following minimums shall be observed in the orientation/familiarization of a newly hired employee:

(a) She is to be familiarized with the physical aspects of the building, the applicable policies and procedures of the employer, and the daily routine of employees in the Home.

(b) The period of orientation/familiarization shall be for a minimum of five (5) days or such greater period that the Employer deems necessary.

(c) She shall be an additional employee to the usual staffing pattern.

(d) The employee or employees involved in the orientation/familiarization will confirm that it has been completed, and this will be noted on the newly hired employee’s personnel file, which will be reviewed with such employee, and the employee shall also be able to comment.

(e) The employee may request up to three (3) additional days of paid orientation. When making her request, the employee will specify her learning needs and discuss with the Director of Care the development of the additional orientation learning plan. This request will not be unreasonably denied.

20.04 Both the Employer and the Union recognize the joint responsibility and commitment to provide, and participate in, in-service education. The Union supports the principle of its members’ responsibility for their own professional development and the Employer will endeavour to provide programmes related to the requirements of the Home.

Programmes will be publicized and related material will be made readily accessible to staff in a timely manner.

Any problems in accessing this information will be reported to the Director of Care or her designate.

20.05 When required by a certifying body to update an employee’s qualifications, except where this matter is covered by another provision of the collective agreement, the Employer shall grant leave of absence without pay which shall include the time required to write any examinations.

20.06 The Employer will endeavour where practical to schedule in-services at times which will facilitate the attendance of employees working outside the day shift.

20.07 The Employer undertakes to notify the Union in advance, so far as practicable, of any technological changes which the Employer has decided to introduce which
will significantly change the employment status of the employee(s) within the bargaining unit.

The Employer agrees to discuss with the Union the effect of such technological changes on the employment status of the employee(s) and to consider practical ways and means of minimizing the adverse effect, if any, on the employee(s) concerned.

Employees who are subject to layoff due to technological change will then be given notice of such layoff at the earliest reasonable time and in keeping with the requirements of the applicable legislation and the provisions of the Collective Agreement.

20.08 Provided that an employee provides thirty (30) calendar days notice in writing, an employee shall be entitled to leave of absence without pay from her or his regularly scheduled working hours for the purpose of writing exams arising out of the Quality Assurance Program required by the College of Nurses of Ontario. In the event the employee is scheduled to work the night shift immediately before the exams the Employer shall schedule the employee off.

20.09 (a) When an employee is required by the Employer to attend any in-service program or e-learning within the Home during her or his regularly scheduled working hours the employee shall suffer no loss of regular pay.

(b) When an employee is required by the Employer to prepare for in-service or to attend meetings, in-service and other work related functions outside her regularly scheduled working hours, and the employee does attend same, she shall be paid for all time spent on such attendance at her regular straight time hourly rate of pay or at the employee's option, she shall receive equivalent time off.

When an employee is required by the Employer to complete an e-learning programme outside her regularly scheduled working hours, she shall be paid for all time spent completing such learning at her regular straight time hourly rate of pay or at the employee's option, she shall receive equivalent time off.

Part-time employees will be credited with seniority and service for all such hours paid as provided above while in attendance at in-services, meetings, and completing e-learning.

(c) The Employer will endeavour where practical to schedule in-services at times which will facilitate the attendance of employees working outside the day shift.

ARTICLE 21 – MISCELLANEOUS

21.01 A copy of this agreement in a mutually agreed form will be issued to each employee now employed and as employed. The cost of printing this agreement shall be equally shared between the Union and the Employer.
21.02 Each employee shall keep the Employer informed of changes to relevant employment information.

21.03 The Employer shall upon entry into the Service Agreement or the Service Accountability Agreement with the Ministry of Health and Long Term Care or the Local Health Integration Network (LHIN) in respect of residents cared for by members of this bargaining unit and provide copies of such agreements to the Union.

21.04 Influenza Vaccine

Upon recommendation of the Medical Officer of Health, all employees shall be required, on an annual basis to be vaccinated and or to take antiviral medication for influenza. If the costs of such vaccination are not covered by some other sources, the Employer will pay the cost for such vaccination.

If the employee fails to take the required medication, she may be placed on an unpaid leave of absence during any influenza outbreak in the home until such time as the employee has been cleared by the public health or the employer to return to the work environment. The only exception to this would be employees for whom taking the medication will result in the employee being physically ill to the extent that she cannot attend work. Upon written direction from the employee’s physician of such medical condition in consultation with the Employer’s physician, (if requested), the employee will be permitted to access their sick bank, if any, during any outbreak period. If there is a dispute between the physicians, the employee will be placed on unpaid leave.

If the employee gets sick as a reaction to the drug and applies for WSIB the Employer will not oppose the application.

If an employee is pregnant and her physician believes the pregnancy could be in jeopardy as a result of the influenza inoculation and/or the antiviral medication she shall be eligible for sick leave in circumstances where she is not allowed to attend at work as a result of an outbreak.

21.05 Prior to effecting any changes in rules or policies which affect employees covered by this Agreement, the Employer will endeavour to discuss the changes with the Union.

21.06 Criminal reference checks for employees that may be required by the employer pursuant to provincial legislation will be paid by the Employer. It is understood that this provision does not apply to pre-employment criminal reference checks, and that any employee subsequently hired would not be eligible for reimbursement for any related costs.

21.07 The Employer will provide to each employee, upon request, upon termination of employment a letter detailing her or his employment dates, length of service and experience.

21.08 Errors on Paycheques

In the event of an error on an employee's pay, the correction will be made in the pay period following the date on which the underpayment comes to the Employer's attention. If the error results in an employee being underpaid by one (1) day's pay
or more, the Employer will provide payment for the shortfall within three (3) business days from the date it is notified of the error. Unless otherwise agreed between the employer and employee.

If the Employer makes an overpayment of a day’s pay or less for an employee, the overpayment will be deducted on the pay period following the date that the error is discovered. If the error is in excess of a normal day’s pay, the Employer will be reimbursed based on a mutually satisfactory arrangement between the employee and the Employer.

21.09 The Employer shall provide to the Union individual bulletin board space in such place so as to inform all employees in the Bargaining Unit of the activities of the Union. Such board may be combined with the other ONA bargaining unit.

ARTICLE 22 – COMPENSATION

22.01 The salary rates shall be those set forth in schedule(s) A during the course of negotiations and shall be attached to and forming part of this agreement.

22.02 Retroactivity

Except as expressly noted, all the terms and conditions shall be effective from the date of receipt of written notice of ratification or release of award. Provisions which are expressly made retroactive shall apply to all employees in the bargaining unit on or after the date specified.

Retroactivity will be paid within four full periods (approximately 8 weeks) of the date of ratification or arbitration award. Retroactivity will be on the basis of hours paid. Retroactive pay will be paid on a separate cheque where the existing payroll system allows.

The Home will contact former employees at their last known address on record with the home, with a copy to the bargaining unit, within 30 days of the date of ratification or arbitration award to advise them of their entitlement to retroactivity.

Such employees will have a period of sixty (60) days from the date of the notice to claim such retroactivity and, if they fail to make a claim within the sixty (60) day period, their claim will be deemed to be abandoned.

Note: For the purposes of this award, retroactivity will be paid to all current employees who have an employment relationship on the date of ratification or award. Retroactivity will be paid on a separate cheque on wages within 4 pay periods following ratification.

22.03 Recognition of Previous Experience

(a) The Employer will recognize recent related RPN experience on the basis of one (1) annual increment for each one (1) year of service up to the maximum of the grid. Part-time service shall be recognized on the basis of fifteen hundred (1500) hours paid in previous employment equals one (1) year of service. It shall be the responsibility of a newly hired employee to make a claim of recent and related experience within the probationary period in order to be considered for a salary increment. If
she/he fails to make a claim in the specified time period or fails to provide reasonable proof of recent related experience, she/he shall not be entitled to recognition.

NOTE: For greater clarity, recent related experience includes recent related RPN experience out of province and out of country.

22.04 All increases in salary shall become effective on the pay roll immediately following the date the increase was due, including annual increases; for full time employees it shall be their anniversary date, for part time and casual employees it shall be after each fifteen hundred (1500) hours paid.

22.05 When a new classification in the bargaining unit is established by the Employer or the Employer makes a substantial change in the job content of an existing classification which in reality causes such classification to become a new classification, the Employer shall advise the Union of such new or changed classification and the rate of pay established. If requested, the Employer agrees to meet with the Union to permit it to make representations with respect to the appropriate rate of pay providing any such meeting shall not delay the implementation of the new classification. Where the Union challenges the rate established by the Employer and the matter is not resolved following any meeting with the Union, a grievance may be filed at Step No. 1 of the Grievance Procedure within seven (7) calendar days following any meeting. If the matter is not resolved in the Grievance Procedure, it may be referred to Arbitration, it being understood that an Arbitration Board shall be limited to establishing an appropriate rate based on the relationship existing amongst other nursing classifications within the Home and duties and responsibilities involved.

22.06 Responsibility Pay

(a) Subject to (c) below, where an RN is absent from her normal shift, and the Employer temporarily assigns an RPN to carry out some additional responsibilities of the RN for a period in excess of one-half (½) shift, the RPN shall receive an allowance of $1.25 per hour in addition to her regular rate of pay.

(b) Subject to (c) below, the Employer shall, when no supervisor or Registered Nurse(s) employed within the classification of Registered Nurse are on duty, designate one (1) Registered Practical Nurse when Registered Practical Nurse(s) employed within the said classification are on duty, to be in charge on those evening, nights and weekend shifts. Such Registered Practical Nurse shall receive an allowance of $9.00 per shift in addition to her regular rate of pay.

(c) It is understood and agreed that only one of the above-noted allowances will apply at any one time. An RPN shall not be entitled to receive an allowance under (a) and (b) for the same shift.

22.07 An employee who is promoted to a higher rated classification within the bargaining unit will be placed on the level of the salary schedule of the higher rated classification which represents an increase above her current salary. She shall retain her service review date for purposes of wage progression.
22.08 **Temporary Certificate of Registration Rate**

An employee holding a temporary certificate of registration upon presenting proof of current certificate of competence by the college of nurses of Ontario shall be given the salary of the registered practical nurse as provided in this article retroactive to the date of sitting the certification examination or the date of last hire, whichever is later.

**ARTICLE 23 – DURATION**

Re: Supernumerary Positions

The Home may introduce supernumerary positions to be offered to newly graduated nurses. Where such positions are introduced, the following will apply:

1. The Employer may hire full-time supernumerary nurses, up to the maximum funding available as per the Ministry guidelines. The duration of such supernumerary appointments will be defined by the Nursing Graduate Guarantee rules and regulations.

2. Newly graduated nurses are defined by the Nursing Graduate Guarantee rules and regulations, currently defined as nurses who have graduated from a nursing program within the last year.

3. Supernumerary positions are defined as those positions offered to newly graduated nurses that are over and above the minimum staffing complement. Furthermore, supernumerary nurses will not be utilized to fill/backfill permanent and temporary vacancies.

4. No appointment will be made to a supernumerary position without prior discussion with the Union as to where the supernumerary nurse will be assigned, what will be expected of them, and what mentoring arrangement will apply. The parties agree to discuss this matter without undue delay following the employer’s initial request to meet.

5. All nurses hired under the new graduate initiative will be full-time and covered by all terms and conditions of the collective agreement. Such positions will not be subject to internal postings or request for transfer processes outlined in Article 9.06.

Such supernumerary nurses can apply for and transfer to positions after the initial twelve (12) week supernumerary period in the manner defined by the Nursing Graduate Guarantee Guidelines.

6. Where supernumerary nurses successfully post into positions (pursuant to # 6 above) there is the potential that Ministry funding pursuant to the Nursing Graduate Guarantee Program will not have been fully utilized. The employer and the Union will meet to determine the distribution of the reinvestment initiative funding.

7. Notwithstanding paragraph 5 above, in the event of a layoff, the parties may require that the supernumerary nurse be laid off first.
8. Notwithstanding paragraph 5 above, if the nurse has not successfully posted into a permanent position by the end of the supernumerary appointment, she/he will be reclassified as casual part-time and this will not be considered a lay-off.

9. Any issues related to the new graduate initiatives may be discussed at the Union-Management Committee Meetings.

10. The Home bears the onus of demonstrating that such positions are supernumerary.

11. Where there is a dispute or timeliness issue, either party may raise the concern with the spokespersons for the central teams.

Re: RAI Co-ordinator

This letter confirms that the Employer shall, effective as soon as practical transfer 15 hours per week of non-managerial RAI 'co-ordinator' duties from the ADOC position to a qualified member in the bargaining unit. This is not to be construed as a guarantee of available hours, or hours to be worked, or hours to be paid. Such hours of work are subject to the applicable hours of work provisions in the collective agreement and the available funding.

This is not recognition that these job duties are exclusively bargaining unit work, nor is it an acknowledgement on the part of the Employer that these duties are appropriately placed within the bargaining unit.

This letter does not preclude the Nursing Leadership from performing duties or functions that are related to the MDS/RAI functions.

Re: Dental Co-pay Premium Cost

Effective within the first month following ratification and for the term of this Collective Agreement the Employer agrees to equalize the 50% co-pay premium for dental benefits for the RPN's to match the dollar amount paid by the RN's for single and family.

Should the renewal of the benefit plans during the term of this agreement result in a higher co-pay amount for the RN bargaining unit the RPN's will pay the lesser amount.

As a potential cost savings for both Employer and employee, the Employer agrees to explore moving the RPN bargaining unit into the same plan as the RN's when renewing both the dental and extended health plans.
