It is understood that Employees accrue seniority and service for all purposes while on these leaves. This clause is subject to any "effect of absence" clause, it being understood that the Union would make any prepayment of premiums under this provision, rather than the Employee. It is further understood that should EHT be switched to a premium based financing method, there will be no obligation to reimburse the Employer for that cost.

Re: Four On, Two Off Schedule

In an effort to maximize full-time employment opportunities, the local parties may agree to a "four on, two off" innovative schedule, subject to the following principles:

- (a) The introduction of such schedules and trial periods, if any, shall be determined by the local parties;
- (b) The implementation of such schedules shall be established only by mutual agreement of the Employer and the Union;
- (c) Notwithstanding the definition for Full-time Employee under Article 2.02, Employees who participate in this schedule will normally be scheduled for thirty-five (35) hours per week on average and will be considered a Full-time Employee for all purposes of the Collective Agreement'.
- (d)
 - i) Notwithstanding Article 16.01, for the purposes of bi-weekly overtime, the normal weekly full-time hours shall remain at seventy-five (75) hours per bi-weekly average over a six (6) week period. In each bi-weekly pay period the Employee will be paid for all hours worked. At the end of the six (6) week period, entitlement for bi-weekly overtime will be calculated and paid.
 - ii) Notwithstanding Article 16.01, for the purposes of daily overtime, the normal daily hours shall remain at seven and one-half (7.5) hours per day. In each bi-weekly pay period the Employee will be paid for all hours worked, including daily overtime, if any.

- f) Each facility/unit must have eighty percent (80%) agreement of the Full-time and Part-time Employees who work in the facility/unit.
- g) The Four on, Two off schedule, may be discontinued by either party upon receipt of twelve (12) weeks' notice to the other in writing of its desire to terminate. A meeting shall be held within two (2) weeks of receipt of such notice to discuss the reasons for the discontinuation.

RE: Job Sharing / Time Sharing

- (a) Job sharing shall be interpreted to mean two (2) Nurses sharing one (1) full-time position (ten (10) shifts bi-weekly).
- (b) Time sharing shall be interpreted to mean two (2) Nurses sharing one (1) full line (fourteen (14) shifts bi-weekly).

Clarifying note: One (1) full-time and regular part-time 'shadow' does not constitute a time sharing arrangement.

- (c) The introduction of job/time sharing arrangements in the Home will be subject to mutual agreement between the Union and the Employer.

Job/time sharing requests shall be considered on an individual basis. Such approval will not be unreasonably withheld.

- (d) The Nurses involved in job share/time sharing are entitled to all the Regular Part-time provisions except those which are modified as follows:
 - (i) Schedules and scheduling language shall be established by the mutual agreement of the Union and the Home. This will include the division of hours between the job/time sharers.
 - (ii) Each job/time sharer may exchange shifts with her or his partner as well as other Nurses as provide by the Collective Agreement.

Nurses who are currently in a job/time sharing arrangement and are full-time will retain that status and be covered by the full-time provisions of the Collective Agreement. For clarity, this grandparents Nurses in time sharing arrangements, not positions. When individuals leave these positions, the vacant position will be posted under (f) and (g) below.

- (e) Absences and Leaves

In the event that one (1) member of the job/time sharing arrangement is off due to illness or injury or goes on any other leave of absence, the remaining partner will endeavour to cover all of the absent partner's shifts for the duration of the absence. If the Nurse is

unable to cover the absences, she or he must inform the Director or Resident Care or designate.

(f) Implementation

- (i) Where the job/time sharing arrangement arises out of the filling of a vacation full-time position, the full-time position will be posted first and in the event that there are no successful applicants, then both job/time sharing positions will be posted and selection will be based on the criteria set out in the Collective Agreement.
- (ii) An incumbent Full-time Nurse wishing to share her or his position may do so without having her or his half of the position posted. The other half of the job/time sharing position will be posted and selection will be made on the criteria set out in the Collective Agreement.
- (iii) It is understood and agreed that the arrangement is for a trial period of six (6) months for the Full-time Nurse originating the request. Once the trial period is over, the Nurse cannot revert to her former position except under (v) below.
- (iv) Where two (2) Full-time Nurses wish to job/time share one (1) position, neither half will be posted providing this would create one (1) full-time position to be posted and filled according to the Collective Agreement.
- (v) If one (1) of the job/time sharers leaves the arrangement, her or his position will be posted. If there is no successful applicant to the position, the remaining Nurse will revert to her or his former status. If the remaining Nurse was previously full-time, the shared position will become her/his position. If the remaining Nurse was previously part-time and there is no part-time position available, she or he shall exercise her or his layoff bumping rights to obtain a part-time position. The shared position would then revert to a full-time position and be posted according to the Collective Agreement.

(g) Discontinuation

Either party may discontinue the job/time sharing arrangement with ninety (90) days' notice. Upon receipt of such notice a meeting shall be held between the parties within fifteen (15) days to discuss the discontinuation. It is understood and agreed that such discontinuation shall not be unreasonable or arbitrary.

The shared position would then revert to a full-time position and be posted according to the Collective Agreement. Should the Employer or the Union discontinue job/time sharing, the Nurses currently working those arrangements will revert to their former status.

Where a Nurse does not have a former position to return to, the layoff and recall provisions of the Collective Agreement will apply. Where there remains a vacancy after Nurses revert to their former position, the vacancy will be posted in accordance with the Collective Agreement.
