- 2.02 All reference to officers, representatives and committee members in this Agreement shall be deemed to mean officers, representatives and committee members of the Ontario Nurses' Association who are employees of the Corporation of the County of Huron Health Unit.
- 2.03 The parties hereto agree that any employee of the Employer covered by this Agreement may become a member of the Union if she wishes to do so and may refrain from becoming a member of the Union if she so desires.
- 2.04 The Employer and the Union agree that no employee shall in any manner be discriminated against or coerced, restrained or influenced on account of membership or non-membership in the Union. It is further agreed between the parties that there will be no discrimination by either party covered by this Agreement on the basis of race, creed, colour, national origin, disability, sex, sexual orientation, gender identity, gender expression, marital status, family status, age, religious affiliation, political affiliation, or any other factor which is not pertinent to the employment relationship.
- 2.05 The Employer shall deduct each month from the pay of each employee covered under this Agreement, a sum equal to the regular monthly Union dues of a member. The Union shall notify the Employer in writing of the amount of such dues from time to time. The Employer will send to the Union once each month its cheque for the dues deducted under this clause, together with a list of the names and social insurance numbers of the employees from whom such deduction have been made. The Union shall indemnify and save the Employer harmless with respect to all dues so deducted and remitted.
- 2.06 The Union will not engage in Union activities during working hours or hold meetings at any time on the premises of the Employer without the permission of the Employer.

ARTICLE 3 - COMMITTEES

- 3.01 The Employer shall recognize the following representatives of the Union:

For this latter purpose, meetings may be called at the request of either party. It is understood the members of the team will be from different service teams if possible.

Failing a satisfactory settlement within ten (10) days after the filing of such grievance, the Employer may refer it to arbitration in accordance with the provisions of Article 6.07.

ARTICLE 6 - GRIEVANCE PROCEDURE

- 6.01 It is the mutual desire of the parties hereto that complaints of the nurses shall be adjusted as quickly as possible and it is understood that any nurse may present an oral complaint at any time, without recourse, to the grievance procedure herein.
- 6.02 At the time formal discipline is imposed or at any stage of the grievance procedure, including the investigation or complaint stages, a nurse is entitled to be represented by her union representative. In the case of suspension or discharge, the Employer shall notify the nurse of this right in advance. The Employer also agrees, as a good labour relations practice, in most circumstances it will also notify the Bargaining Unit president or her designate.

The Employer agrees that where a nurse is required to attend a meeting with the Employer that may lead to disciplinary action, as a good labour relations practice, it will inform the nurse of the meeting.

6.03 A grievance shall be defined as a complaint regarding the interpretation or alleged violation of this Agreement, or in the case of an employee who has acquired seniority under this Agreement, a complaint that she has been discharged or disciplined without just cause.

6.04 It is understood that a nurse has no grievance until they have first given their immediate supervisor the opportunity of adjusting the complaint. Such complaint shall be brought forward within ten (10) working days of the circumstances giving rise to it, prior to submitting the grievance in writing. The supervisor must respond within five (5) working days. Failing satisfactory resolution of the grievance the employee shall proceed to Step 1 within five (5) working days after the date the supervisor responded or should have responded. An employee is entitled to the assistance of a union representative at any step in the grievance procedure.

Step No. 1

The recipient of the notice shall within five (5) days inform the other party of the name of its appointee to the arbitration board. The two (2) appointees so selected shall, within five (5) days of the appointment of the second of them, appoint a third person who shall be the Chair. If the recipient of the notice fails to appoint an arbitrator, or if the two (2) appointees fail to agree upon a Chair with the time limited, the appointment shall be made by the Minister of Labour for Ontario upon the request of either party. Alternatively, the parties may agree on the appointment of a sole arbitrator. The arbitration board or sole arbitrator shall hear and determine the difference or allegation and shall issue a decision and the decision is final and binding upon the parties and upon any nurse affected by it. The decision of the majority is the decision of the arbitration board, but if there is no majority, the decision of the Chair governs.

Each of the parties to this Agreement will pay the fees and disbursements of its appointee to the arbitration board and will share equally the fees and disbursements of the Chair or sole arbitrator.

6.10 The time limits fixed in both the grievance and arbitration procedure may be extended by consent of the Parties to the Agreement.

APPENDIX “A”**SICK LEAVE BY-LAW**
OFFICE CONSOLIDATION**SICK LEAVE AND LONG TERM SALARY CONTINUANCE PLAN****Purpose:**

To define the ONA Local 021 and County of Huron’s policy relating to employee absence from work due to non-work related short term injury or illness.

Scope:

All employees contribute to the obligations and goals of the County of Huron by maintaining their health and ensuring regular, punctual attendance. Regular attendance is an expectation of employment and an essential duty of every employee. In those cases of legitimate and substantiated illness or injury, the County of Huron is committed to provide eligible employees with a salary continuance plan to protect our employees and their families from financial hardship until they can safely return to work.

Definitions:

“Eligible Employee” ~ Permanent full-time employees who have completed 6 months of continuous service.

“Appropriate Medical” ~ In order to be eligible to collect short term disability benefits the ‘treating’ physician or ‘treating’ nurse practitioner must complete the required form (see Appendix A) within the required time frame (see “Procedure”).

“Eligible Grandfathered Employee” ~ Employees who meet the definition above and were employed by the County of Huron on December 31, 2012. Permanent part time employees who were employed by the County of Huron on December 31, 2012, and become full-time at a later date will be able to convert their hours of ‘continuous service,’ which pre-dated December 31, 2012, to the equivalent in full-time hours so to be eligible to collect under the ‘grandfathered benefits’ section of this policy.

Note: Any hours served, in either a full-time or part time role will not contribute to the calculation of an employee’s grandfathered status on or after January 1, 2013. Your ‘grandfathered entitlement’ based on your continuous service with the County of Huron as of December 31, 2012 is frozen.

“Work Day” ~ The length of a day an employee is regularly scheduled either per year or per defined season. For example, a work day for an employee who is regularly ‘scheduled’ for a 35 hour week is 7 hours; a work week for an employee is regularly ‘scheduled’ for a 40 hour week is 8 hours.

“Day” ~ Work day.

“Acceptable Attendance” ~ As defined in the County of Huron’s Attendance Management program, not by the entitlement allotted in this policy.

“Sick Day” ~ Any day or part of a day where an employee is absent or leaves work due to an injury or illness, in which a ‘sick credit’ must be used. A day absent from work to attend a physician or another medical professional appointment is not a ‘sick day,’ and a sick credit cannot be used, unless the appointment was ‘on the day’ that the employee was absent or left work due to the same injury/illness that caused them to be absent or leave work. If employee goes home sick after having worked at least one-half (1/2) of their shift, it would be counted as one-half (1/2) sick day instead of one (1) full sick day.

“Active Regular Work Day” ~ (*regular attendance*) ~ A day where the employee is at work, performing their regular and scheduled duties. A *scheduled/pre-approved* leave or day away from work (i.e. vacation day, lieu/toil day, bereavement leave, jury duty, etc.) is the same as an active regular work day. Those days where an employee is performing modified work or performing work with any restrictions (either duties or hours) are not active regular work days.

“Continuous Regular Work” ~ As defined above (Active Regular Work Day), however the active regular work days must be continuous or without interruption. A sick day, a vacation day that was not scheduled/pre-approved, a day where any modified duties or work with restrictions (either duties or hours) is performed constitutes an interruption of continuous regular work.

Policy:

Entitlement

- 3.20.1 Eligible employees will receive, for every calendar month of *regular attendance*, sick credits at the rate of 1.25 work days. Sick credits are cumulative.
- 3.20.2 For an employee to earn sick credits in a calendar month, seventy-five percent (75%) of the Working days in a calendar month must be “active regular work days,” which constitutes *regular attendance* for the purpose of earning sick credits in a given month under this policy.
- 3.20.3 Sick leave credits are cumulative to a maximum of 15 days. Employees with sick credit balance in excess of 15 days shall retain that balance but not accrue further credits until their balance falls below 15 days.
- 3.20.4.1 Sick leave credits are to be used when an employee is absent from work due to their own illness or injury only. Should an employee not have enough sick credits to bridge their wage until they are eligible to collect short term disability benefits, they will have the option of using toil, vacation or no-pay days.
- 3.20.4.2 Short term disability (STD) benefits for eligible employees begin on the sixth (6th) consecutive day of absence from work for an injury or illness to one’s self. To be eligible to receive entitlement under the STD plan the employee must provide the employer with the ‘appropriate medical’ on or before the 6th day of consecutive absenteeism.

- 3.20.5 Upon entrance into the STD plan, employees will receive seventy-five percent (75%) of their regular wage until they return to work.
- 3.20.6 The STD plan begins on the 6th consecutive day of absenteeism and continues until the employee has been absent from work for seventeen (17) consecutive weeks in total (1 week sick credits, 16 weeks on STD) provided satisfactory and appropriate medical documentation is provided. At the end of 17 weeks the employee will be able to submit for entrance into the long term disability plan (provided by third party carrier). *Note: The acceptance or denial of a long term disability claim is at the sole discretion of the third party carrier. The County of Huron reserves the right to submit an appeal against or on behalf of the employee given the information available.*

Grandfathered Entitlement

- 3.20.7 'Eligible grandfathered employees' will be allotted 15 sick day credits on January 1, 2013. Thereafter, Articles 3.20.1, 3.20.2, 3.20.3 are in effect as it relates to the accumulation and use of sick time credits.
- 3.20.8 Short term disability (STD) benefits for eligible grandfathered employees begin on the sixth (6th) consecutive day of absence from work. To be eligible to receive entitlement under the STD plan the employee must provide the employer with the 'appropriate medical' on or before the 6th day of consecutive absenteeism.
- 3.20.9 Short Term Disability Benefits for grandfathered employees, as per the schedule below, will commence on the 6th consecutive day of absence from work. Benefits will be payable for a period of up to 16 weeks provided satisfactory medical documentation is supplied to the Human Resource department.

- 3.20.10 An eligible grandfathered employee's entitlement will be frozen as of December 31, 2012.

- 3.20.11 Should a grandfathered employee cease to work continuously full time after January 1, 2013, they will no longer be considered an 'eligible' grandfathered employee and will not be entitled to benefit under the section "Grandfathered Entitlement."

Emergency Leave Provisions

- 3.20.12 Employees are entitled to a total of 10 days of unpaid Personal Emergency Leave per calendar year for any of the reasons listed in the Employment Standards Act.
- 3.20.13 Employees may be required, at the employer's sole discretion, to provide appropriate documentation or other evidence to show entitlement to any emergency leave. An emergency leave which lasts any part of a day will be counted as one full day's emergency leave.

General Provisions

- 3.20.14 An Attending Physician Assessment form completed by the treating physician or treating nurse practitioner is required for all absences due to illness or injury of five (5) or more consecutive days. Thereafter, the Human Resource department will request medical certification as deemed necessary.
- 3.20.15 The County of Huron reserves the right to require appropriate and satisfactory proof of illness before any Short Term Disability benefits are granted. If the required medical information is not provided within the time specified, Short Term Disability benefits may be withheld until appropriate medical information is obtained. For an absence of less than five (5) days, the County of Huron reserves the right to request medical information.
- 3.20.16 It is the employee's responsibility to provide appropriate and satisfactory medical documentation. An Attending Physician Assessment form or a similar form which provides the employer with an assessment of the employee's capabilities and limitations (relevant to the injury/illness), as well as a prognosis is considered satisfactory and acceptable. Retroactive notes will not be accepted except in exceptional circumstances, as deemed by the employer. Failure to provide satisfactory and acceptable medical may result in denial or loss of entitlement for benefits.
- 3.20.17 To be eligible and remain eligible for Short Term Disability benefits the employee must be under the continuing appropriate care of a physician and not engaged in any occupation or employment for wages, for the County of Huron or others, except for the purpose of rehabilitative employment as approved in writing by the County of Huron.
- 3.20.18 Illnesses forecasted to last over 30 days are expected to be under the treatment of a medical professional specializing in the related discipline.
- 3.20.19 The County of Huron reserves the right to require Independent Medical Examinations and/or Functional Abilities Evaluations to clarify an employee's diagnosis, treatment or residual capacities.

3.20.20 Medical Certification will be required for absences of your scheduled shift immediately prior to or following a paid holiday.

3.20.21 If an employee who has been on Short Term Disability benefits returns to *active regular work*, and subsequently returns to a Short Term Disability absence, the absence will be deemed a recurrence and the employee will continue to be paid under the Short Term Disability plan for the remainder of the 16 week period if:

- The employee has previously received Short Term Disability benefits;
- The subsequent period of Short Term Disability is due or related to the previous illness or injury;
- The subsequent period of Short Term Disability is not separated from the preceding period by more than 2 weeks or less of *continuous regular work*.

An approved return to work program, light duties or work performed with any restrictions (either duties or hours) is not considered a continuous regular work for the purpose of this clause.

The employee must be at work, performing '*continuous active regular work*' for more than 2 weeks for the injury/illness (absence) not to be considered a recurrence.

3.20.22 An employee returning to work on a modified work schedule will receive regular wages for hours worked and Short Term Disability benefits for the remaining hours in the schedule of daily hours.

3.20.23 The employee can be returned to his/her position provided it meets the medical needs and limitations of the employee's functional abilities. The County of Huron has a duty to accommodate the functional abilities within reason and without undue hardship. An employee who refuses to return to work and does not have satisfactory medical evidence to be absent will have his/her benefits terminated and the County of Huron reserves the right to review the employee's employment.

3.20.24 When determining the employee's ability to return to work, either full time or on modified duties (including modified hours), the Human Resource department will utilize the recommendations made by the treating medical practitioner via the Attending Physicians Assessment form. Ultimately it is the responsibility and sole purview of the employer to determine the suitability and availability of modified duties, in consultation and/or in consideration of the relevant medical on hand.

3.20.25 If after being paid under the Short Term Disability plan the employee receives payment from any other source of compensation for the lost time, including any compensation from the Workplace Safety & Insurance Board (WSIB) the employee must notify the County of Huron immediately. Based on eligibility, the amount received in excess of his/her regular Short- Term Disability provision may have to be reimbursed to the County of Huron.

3.20.26 An employee must not collect benefit from both the WSIB or from a benefit defined/governed in this policy. Should an employee injure themselves at work, or suspect they were injured at work, they must immediately report the injury and details to their supervisor and the Human Resources department (as per Human Resource

policy 5.4, *Accident Reporting Procedure/WSIB Reporting Procedure*). Failure to report a work related injury or purposely collecting benefits under this policy for a injury sustained at work may result in loss of entitlement under either/both plans and discipline, up to and including termination.

- 3.20.27 Where in an employee's scheduled vacation is interrupted due to illness, which commenced prior to and continues into the scheduled vacation period, the period of such illness shall be considered sick leave, with appropriate medical documentation. In a case where an employee's scheduled vacation is interrupted due to a serious illness requiring the employee to be an in-patient in a hospital, the period of such hospitalization shall be considered sick leave, with appropriate medical documentation. The portion of the employee's vacation which is deemed to be sick leave under the above provisions will not be counted against the employee's vacation credits, but rather against their sick time. This article applies to 'eligible' employees only (as defined in this policy).
- 3.20.28 In a case where an employee may be entitled to sick benefits from an alternative provider (first payer), the employee is obligated to notify the employer and pursue entitlement to said benefits to the best of their ability (for example, seeking loss of income insurance from an automobile insurance policy should the employee be in an accident). The County of Huron will pay the difference (if any) between the benefit the employee would be entitled to, as per the terms of this policy, and that which is received from the alternative provider. In such case, the employee may collect from the employer under the condition that all monies received by the employee from the alternative benefit provider is reimbursed to the County of Huron up to the amount that they are entitled by this policy.
- 3.20.29 Paid vacation entitlement is waived during the disability period but service continues to accrue.
- 3.20.30 We encourage all employees to minimize carried-over vacation days, upon returning from short or long term disability leaves, so they may avoid being directed to use vacation at the end of the vacation year.

Exclusions and Limitations

- 3.20.31 No benefit is payable for the following:
- Self-inflicted injuries;
 - Committing or attempting to commit an assault or criminal offence or while serving a prison sentence;
 - Surgery of a cosmetic nature (not covered under the provincial health plan). Neither the date of surgery nor the recovery period is covered under this plan;
 - Failure to provide satisfactory proof of disability (appropriate and satisfactory medical) to the County of Huron;
 - Failure to comply with proposed treatment;
 - Any period of disability that commenced while any employee was not insured under this plan;
 - Work related accident or sickness;

- Any injury or illness where the WSIB should rightfully take precedent in adjudication of entitlement;

A specified period meaning either by mutual agreement between the employee and employer or any period that the employee is eligible, or would have been eligible upon proper application, to collect Employment Insurance benefits.
- Any period of disability that commenced while the employee was on leave of absence. When a disability begins while an employee is on a leave of absence, Short Term Disability benefits will not commence until the completion of the employee's scheduled leave. An employee may not shorten a previously scheduled leave in order to qualify for Short Term Disability benefits at an earlier date. In such cases the provisions of the Short Term Disability Plan are applied as if the employee became disabled on the day scheduled to return to work.
- Injuries acquired through acts of war (whether war has been declared or not), participation in a riot or disorderly conduct;
- While not receiving continuous treatment for the use of drugs or alcohol when the illness results from the employee's use of these substances;

3.20.32 Disability Benefits will cease when the employee:

- Returns to full time work;
- Fails to participate in modified duties offered by the employer;
- Fails to provide the required appropriate medical documentation (satisfactory and appropriate medical);
- Fails to follow an appropriate medical treatment and rehabilitation program as specified by the treating practitioner;
- Accepts an offer of employment with any other employer or becomes self-employed;
- Is terminated or retires.

Point of Contact/Call-In Procedure:

3.20.33 When an employee is unable to report for work because of injury or illness, he/she shall notify his/her immediate supervisor or designate (refer to as 'designated person' going forward) as soon as possible to allow for shift replacements as required.

Note: The head of each department may designate a manager, supervisor or an administrative person who is directly responsible for tracking absenteeism/finding shift replacement.

3.20.34 Notification of illness must be made to the designated person (no other person) via phone. E-mail notification is not acceptable.

3.20.35 Upon receiving a call from an employee who would be absent from work, the designated person will fill out a 'County of Huron Absence from work Report' (See Appendix B). an 'Accident/Incident Reporting form,' and inform the employee that the Human Resource department will contact them ASAP. The designated person will contact the Human resource department immediately so they may begin the process.

- 3.20.37 Should the employee indicate that they expect or estimate their absence to be five (5) days or longer, the designated person must notify the Human Resource department immediately who will coordinate with the employee to acquire the appropriate medical.

- Attend work for all scheduled shifts when not either ill or injured;
- Communicate, via phone, as early as possible to his/her supervisor or designate on his/her absence on the first day of illness/injury with an explanation about the expected duration of the absence. Re: Job Sharing

To recognize that some employees desire a more flexible working arrangement than is currently provided for in the Collective Agreement between the Corporation of the County of Huron Health Unit and the Ontario Nurses' Association and to recognize the Employer's desire to accommodate the same, the parties agree to continue job sharing.

This Agreement will continue from year to year in accordance with the signed Agreement and terms and provisions of the Collective Agreement unless terminated by either party.

There will be no more than three (3) job sharing arrangements at any one time.

Where management decides to fill a vacant full-time position on a job sharing basis, both job sharing positions must be posted and selection based on the criteria set out in the Collective Agreement. An incumbent full-time employee wishing to share her position, may make a request in writing to her Director to do so without having her half of the position posted. However, the other half of the job shared position must be posted and the selection based on the criteria set out in the Collective Agreement.

If one of the job sharers leaves the arrangement, when the position is filled, the remaining employee may elect to assume the position on a full time basis. If the remaining employee does not elect to do so, the vacant portion of the job shared position will be posted in accordance with the Collective Agreement.

The Employer may terminate job sharing with sixty (60) days written notice to the employees involved and the Union. Upon receipt of such notice a meeting shall be held between the parties to discuss the termination. Both parties will make every effort to resolve any problem(s) before terminating job sharing. Such discontinuation shall not be unreasonable or arbitrary. The employees involved in job sharing will be entitled to all provisions of the Collective Agreement as provided for a Regular Full-time employee except as detailed below.

ARTICLE 2 - RECOGNITION AND SECURITY

Clause 2.05 - Each employee will pay Union dues equal to those levied to Part-time employees.

ARTICLE 6 - DISCHARGE CASES

Clause 6.07 - Each employee will be treated individually for matters such as discipline. If one employee is discharged or leaves the employ of the Employer for any reason the employee remaining may work full time for a maximum of thirty (30) days or until a new partner is recruited. After thirty (30) days the employee must decide either to return to her former position or continue as a regular full-time employee.

ARTICLE 8 - SENIORITY AND JOB POSTING

Clause 8.01 - Each employee involved in job sharing will accumulate seniority on the same basis of 1,820 paid hours equals one (1) year of full-time service.

The Employer will pay to the employees involved in job sharing two dollars and thirty cents (\$2.30) per hour in lieu of all benefits provided for full-time employees in Article 10.01, 10.02, 10.03 save and except those benefits covered by the Employment Standards Act and those full time employees presently in OMERS will continue to participate in OMERS. No employee will have pay deducted for the first five (5) days of any illness.

ARTICLE 11 - VACATIONS

Clause 11.01 - Each employee will receive vacation with pay based on one-half (1/2) their entitlement as a full-time employee.

ARTICLE 12 - PAID HOLIDAYS

Clause 12.01 - Each employee will receive one-half (1/2) the Paid Holiday entitlement of a regular full time employee but in any event they will be covered by the Employment Standards Act.

ARTICLE -14 - TRANSPORTATION ALLOWANCE

Clause 14.01 – Each employee shall have the option of entitlement as per 14.01, in pro-rated amounts.

ARTICLE 15 - HOURS OF WORK AND OVERTIME

Clause 15.01 - Each employee involved in the job sharing project will work one-half (1/2) the hours of a regular full-time employee. The manner and/or method of sharing and/or distributing the hours involved will be decided upon by the employees themselves in consultation with the Employer.

ARTICLE 16 - WAGE RATES AND JOB CLASSIFICATIONS

Clause 16.01 - Each employee will be paid one-half (1/2) the annual salary rate at which level she is presently being paid. Each employee in the programme will be advanced from her present level to the next level set out in the Salary Schedule after obtaining one (1) year's service credit of 1,820 paid hours.
