ARTICLE 9 – GRIEVANCE AND ARBITRATION PROCEDURES

- 9.01 (a) The parties to this Agreement agree that it is of the utmost importance to adjust complaints and grievances as quickly as possible.

(b) Adjustment of Complaints

It is the mutual desire of the parties that complaints of the Nurses shall be adjusted as quickly as possible, and it is understood that an Employee has no grievance until the Nurse has first given the Director of Nursing and Personal Care or his/her Designate, an opportunity of adjusting the complaint. No incident or document shall be used against the Nurse unless she was informed of it in a timely manner.

If a Nurse has a complaint, she may, with the assistance of an Employee Representative, discuss it with the Director of Nursing and Personal Care, or his/her Designate, within ten (10) working days of the time the circumstances arose or of the time the Nurse ought reasonably to have become aware of the circumstances giving rise to the complaint. The Director of Nursing and Personal Care, or his/her Designate, will give a decision to the Nurse within ten (10) working days following such discussion and, failing settlement, it may be taken up as a grievance in writing within ten (10) working days following receipt of the Director of Nursing and Personal Care's, or his/her Designate's, decision.

NOTE: "Working days" will exclude Saturdays, Sundays and designated holidays, but not vacations or other absences.

- 9.02 Grievances properly arising under this Agreement shall be adjusted and settled as follows:

Step No. 3

The grievance to be referred by either the Employee concerned or the Bargaining Unit President to the Corporate Manager of Human Resources who shall meet with the Association's Grievance Committee within ten (10) working days of such referral. The decision of the Corporate Manager of the Human Resources shall be delivered in writing to the Labour Relations Officer and the Bargaining Unit President within 10 working days of the date of the meeting. If final settlement has not been reached within ten (10) working days of receipt of such response, the grievance may then be referred to Arbitration by either party.

9.03

9.05 Suspension or Discharge

- (a) Should the Employer discharge or suspend any Nurse(s), notification by the Employer to such Nurse(s) shall be made in the presence of a representative from the Grievance Committee. The Nurse(s) and the Association shall be provided with written reasons (within seven (7) days) for the discharge or suspension, except as provided in Article 10.01(a). The recipient of the notice shall within five (5) days inform the other party of the name of its appointee to the Arbitration Board. The two (2) appointees shall within seven (7) working days appoint a third person to act as Chairman. If the two (2) appointees fail to agree upon a Chairman within five (5) days, the appointment shall be made by the Minister of Labour of Ontario upon the request of either party. The Arbitration Board shall hear and determine the difference or allegation and shall issue a decision and the decision shall be final and binding upon the parties and upon any Nurse affected by it. The decision of a majority is the decision of the Arbitration Board, but if there is no majority the decision of the Chairman governs.
- (b) Both parties of this Agreement agree that unsettled grievances concerning:
 - i) job postings;
 - ii) entitlements to leaves;
 - iii) premiums and overtime;

- iv) scheduling issues;
- v) recent related experience claims and
- vi) any other grievance issues the parties agree to refer,

shall be referred to a Sole Arbitrator, at the request of either party, following the time frames defined in 9.07 (a) above. The parties shall agree to designate an Arbitrator within fourteen (14) working days of the receipt of the final grievance response.

- 9.08 No person may be appointed as an Arbitrator who has been involved in an attempt to negotiate or settle the grievance.
- 9.09 Each of the parties hereto will jointly bear the expense and fees of the Chairman of the Arbitration Board.
- 9.10 The Board of Arbitration will not have the authority to alter, modify or amend any part of this Agreement.

ARTICLE 10 – JOB SECURITY

- 10.01 (a) Newly hired full and part time employees shall be considered on a probationary basis for a period of four hundred and fifty (450) hours worked, from the date of hiring. The probationary period may be extended by mutual consent. During the probationary period, Employees shall be entitled to all rights and privileges of this Agreement, except with respect to discharge.

The employment of such employees may be terminated at any time during the probationary period without recourse to the Grievance procedure except as otherwise provided in this clause. Employees employed under the probationary period may be discharged for any reason, including unsuitability, provided such discharge is not discriminatory or in bad faith. In such circumstance, an allegation of action contrary to this clause may be taken up as a grievance.

After completion of the probationary period, seniority for full-time Employees shall be effective from the last date of employment at the Home where the Employee works, and for part-time Employees according to the length of time worked at the Home where the Employee works as calculated in paragraph (b) of this section.

The parties' mutual understanding of the pre-existing Article is that it does not encroach upon hours of work of specially posted positions, but that incumbents of those positions are not hereby disentitled from access to additional shifts to achieve equity.

- (b) Seniority for part-time Employees shall be determined on the basis of actual hours worked by converting such hours into years. For the purpose of conversion, fifteen hundred (1500) hours worked shall be considered as one (1) seniority year.

Part-time Employees assigned temporarily to full-time positions will not normally be scheduled to work more than seventy-five (75) hours in any biweekly pay period. If such part-time Employees are scheduled to work more than seventy-five (75) hours in any biweekly pay period or authorized to

work overtime while temporarily assigned to such full-time positions then such Employee shall accumulate seniority on a pro rata basis based on seventy-five (75) hours worked.

- (c) Seniority shall be retained by a Nurse when she transfers from full-time to part-time and vice-versa as a result of the application of clause 10.04. Where it is necessary to convert seniority as a result of such transfer, the equivalent of one (1) full-time year of seniority shall be fifteen hundred (1500) part-time hours worked.

10.02 Seniority lists of Nurses covered by this Collective Agreement shall be as follows:

The Corporation shall maintain separate seniority lists for full-time Employees and for part-time Employees in each Home. Such lists shall show seniority up to and including December 31st of the previous year shall be posted by February 28th of each year and shall be forwarded to the Bargaining Unit President and the site representative. The part-time seniority list shall be expressed in terms of total hours paid.

10.03 Any short-term vacancy created through an illness or leave of absence shall be deemed to be a temporary vacancy.

The Corporation shall have the right to fill a temporary vacancy, without posting such vacancy, for a maximum period of six (6) months. However, the Corporation will offer such vacancy to part-time Employees on a rotating seniority basis, in the Home prior to hiring from outside.

The Corporation will outline to the Employee selected to fill a temporary vacancy, the circumstances giving rise to the vacancy, the conditions and anticipated duration of such vacancy. In any event, such temporary assignment shall not exceed the time required to complete the specific circumstances that gave rise to the temporary vacancy.

When it appears that such a vacancy will exceed six (6) months, the Employer will post and fill the vacancy in accordance with Articles 10.04 and 10.05. The vacancy will be posted as a temporary vacancy and the Employer will provide the successful candidate with a letter setting out the circumstances giving rise to the vacancy, the conditions and anticipated duration of such vacancy.

10.04 Job Posting

Subject to Article 10.03 where a permanent RN vacancy occurs which the Employer wishes to fill, the posting will be made available via the applicant tracking system, for seven (7) days in order that all staff will know that the position is open and they are able to make written application via the applicant tracking system. Interested Employees will be notified of job postings via email from the applicant tracking system, upon request.

Subject to Article 10.05, preference based on seniority will be given to presently employed members of the bargaining unit in filling such a vacancy or new position before any new Nurse is hired.

ONA vacancies will be posted on the Employers NJOYN Job Board and can be reviewed by the Bargaining Unit President. (This includes hirings under Article 11.03).

Notwithstanding the level of entry to practice (baccalaureate degree in nursing which will become effective in 2005), Nurses employed by the County of Lambton as at date of transition who are diploma R.N. prepared will not be disadvantaged under this provision where job postings require a B.Sc.N.

10.05 In all cases of transfer, promotion, or demotion in the bargaining unit, the following factors shall be considered:

- (a) ability, experience and performance, and
- (b) seniority.

Where the qualifications of factor (a) are relatively equal, factor (b) shall govern. However, if senior applicants are passed over, they will be given upon request the reason for such refusal.

10.06 (a) Except as outlined in paragraph (b) below, an Employee shall not lose seniority rights if absent from work because of sickness, accident, layoff, or leave of absence approved by the Corporation.

(b) An Employee shall only lose her seniority in the event that:

- i) She is discharged for just cause and is not reinstated.
- ii) She resigns or retires.
- iii) She is absent from work in excess of three (3) working days without sufficient cause or without notifying the Corporation, unless such notice was not reasonably possible.
- iv) Fails upon being notified of a recall to signify her intention to return within five (5) calendar days after she has received the notice of recall mailed by registered mail to her last known address according to the records of the Home and fails to report to work within seven (7) calendar days after she has received the notice of recall or such further period of time as may be agreed upon by the parties.
- v) She is laid off for a period longer than eighteen (18) months.
- vi) Any Employee using an authorized leave of absence for a purpose other than the one for which it was granted shall be subject to immediate dismissal.

NOTE: This clause shall be interpreted in a manner consistent with the *Human Rights Code*.

10.07 Transfer out of the Bargaining Unit

A Nurse who is transferred to a temporary position outside of the bargaining unit for a period of not more than six (6) months shall not suffer any loss of seniority, service or benefits.

A Nurse who is transferred to a position outside of the bargaining unit for a period of more than six (6) months shall lose all seniority held at the time of the transfer. Six (6) month period may be extended upon mutual written agreement by the parties.

A Nurse must remain in the bargaining unit for a period of at least five (5) months before transferring out of the bargaining unit again or she or he will lose all seniority held at the time of the subsequent transfer.

10.08

Notice of Layoff

- (a) In the event of a proposed layoff at the Home of a long-term nature affecting full-time and/or part-time Nurses, the Home shall:
 - i) Provide the Union with no less than two (2) months written notice of such layoff, and
 - ii) Meet with the Union to review the following:
 - A) the reasons causing the layoff;
 - B) the service which the Home will undertake after the layoff;
 - C) the method of implementation, including areas of cutback and the Nurses to be laid off.
 - iii) A long-term layoff shall be defined as a layoff of eight (8) or more weeks.
 - iv) Layoff shall be defined as it is defined in the ESA (*Employment Standards Act*), except that a reduction in overall part-time RN hours due to the return of a former part-time Nurse to part-time work shall not constitute a layoff. A layoff of full-time and/or part-time Nurses shall be made on the basis of seniority, provided that the Nurses who remain are qualified to perform the available work. Subject to the foregoing, probationary Nurses shall be first laid off.
 - v) A Nurse who has been notified of an impending layoff may:
 - A) accept the layoff; or
 - B) exercise the right to bump or displace another Nurse who has lesser bargaining unit seniority.
 - vi) Full-time and/or part-time Nurses shall be recalled in the order of seniority, unless otherwise agreed between the County and the Association, provided that the Nurse is qualified to perform the available work. Where a Nurse declines the opportunity for recall, the Nurse shall maintain her/his position on the recall list until she accepts another recall or loses seniority under Article 10.06 (b) (5).
 - vii) No new Nurses shall be hired until all those Nurses laid off have been given an opportunity to return to work.
 - viii) A Nurse who returns from a layoff of between three (3) and six (6) months will be entitled to one (1) day orientation. A Nurse returning

from a layoff of greater than six (6) months duration will be entitled to two (2) days orientation.

- ix) Full-time and Part-time layoff and recall rights shall be separate.
- (b) In the event of a proposed temporary layoff at the Home, a bed cutback, or a cutback in service, the Home shall provide the Union with two (2) months notice. If requested, the Home shall meet with the Association to review the effect on Nurses in the bargaining unit.

- Where scheduling permits some Nurses to be off both Christmas and New Year's, the scheduling of both holidays off shall be done by rotating seniority among all full-time and part-time Nurses in the Home.
- Where the Nurse requests to have five (5) days off at either Christmas or New year's, in order to facilitate such request, the provisions of Article 15 shall be waived during the period from December 15th to January 15th.

It being understood that at the change of shifts there will normally be additional time required for reporting which shall be considered to be part of the normal daily shift. If the reporting time is in excess of fifteen (15) minutes, overtime premium shall be paid for the total period in excess of the normal daily shift.
 - (e) A Nurse may be granted permanent evening or night shifts upon request if a vacancy occurs. A Nurse scheduled on a permanent night shift shall receive her weekend on a Friday and a Saturday, unless she requests a Saturday and a Sunday as her weekend off. Nurses who are employed on specific shifts on a permanent basis on the date this Agreement came into effect, will not be changed without the consent of the parties to this Agreement.
- 14.02 There will be two (2) fifteen (15) minute paid rest periods in each shift.

14.03 Scheduling Regulations

- (a) Normally two (2) consecutive days off will be scheduled during each work week, however, schedules may be arranged to provide for more than five (5) consecutive days of work, but not more than seven (7) consecutive days of work without days off as long as four (4) days off are scheduled each biweekly pay period. In any biweekly pay period, at least two (2) consecutive days off must be scheduled. The remaining two (2) days off may be split.

- (c) Requests for time off after the schedule is posted must be submitted via the scheduling program and employees are responsible for securing coverage.

Requests for change in the posted time schedules must be submitted via the scheduling program. Such requests will be approved or denied via the scheduling program. It is the responsibility of the employee to verify in the system whether or not the shift change has been approved. In any event, it is understood that such shift of duty, initiated by the employee and approved by the Corporation, shall not result in overtime compensation or payment for either of the employees involved in the exchange.

Part-time Employees may, therefore, frequently work in excess of their scheduled hours. However, such Employees will not become "full-time" Employees merely by virtue of the requirement to perform sixty-five (65) or more hours of work in any biweekly pay period.

- 14.05
- (a) All available scheduled part-time nursing shifts are to be divided in an equitable manner among all of the regular part-time Nurses.  - (b) Where shifts remain available to be scheduled after 14.05 (a) above, those shifts will be offered by seniority to regular part-time Nurses, including job sharers, who have not reached seventy-five (75) hours in a pay period using the scheduling program. - (c) Casual part-time Nurses shall not be utilized until the available work has been offered to all regular part-time Nurses in compliance with the scheduling provisions of the Collective Agreement. Casual part-time Nurses shall not be utilized while full time or regular part-time Nurses remain on layoff.

The parties' mutual understanding of the pre-existing Article (14.05 [a] and [b]) is that it does not encroach upon hours of work of specially posted positions, but that incumbents of those positions are not thereby disentitled from access to additional shifts to achieve equity.

- (d) When available work results in premium pay, it will be offered by seniority using the seniority-based call-in sheet as follows:

- i) To full-time nurses unless they have indicated in writing to the Director of Nursing and Personal Care they do not wish to be called for additional shifts. It is understood that full-time nurses will be offered the option of premium pay for the shift or an alternate day off at the nurse's choosing.
 - ii) To regular part-time nurses, including job-sharers, who are in a premium position based on the schedule.
 - iii) To casual part-time nurses on the basis of seniority.
- (e) Where a nurse has had a shift cancelled, the next available shift will be offered to the nurse who had the shift cancelled.

14.06 Innovative Unit Scheduling

Schedules, other than those included in Article 14 of the Collective Agreement, and including but not limited to Extended Shifts scheduling may be developed in order to improve quality of working life, support continuity of patient care to ensure adequate staffing resources, and support cost-efficiency. The parties agree that such innovative schedules may be determined by the Home and the Association subject to the following principles:

- (a) Such schedules shall be established by mutual agreement of the Home and the Association.
- (b) These schedules may pertain to full-time and/or part-time Nurses.
- (c) The introduction of such schedules and trial periods, if any, shall be determined by the parties and recorded in the Collective Agreement. Such schedules may be discontinued by either party with 30 days notice.

- (e) For Employees working shifts of duty compromising of less than 7.5 hours, shall not be scheduled no more than six (6) consecutive shifts in a row. If a Nurse is required to work on a seventh (7th) consecutive and subsequent shift, then she will receive premium payment for each shift so worked until a day off is scheduled.

14.08 Shifts affected by Daylight Saving Time

For shifts affected by the change from daylight saving time to standard time and vice-versa, the Nurse shall be paid for hours: the night shift shall be paid in the Spring; seven and one half (7 ½) hours and in the Fall; eight and one half (8 ½) hours.

LONG-TERM CARE (LTC)
PROFESSIONAL RESPONSIBILITY REPORT FORM
GUIDELINES AND TIPS ON ITS USE**

The parties have agreed that resident care is enhanced if concerns relating to professional practice, resident acuity, fluctuating workloads and fluctuating staffing are resolved in a timely and effective manner. The collective agreement provides a problem solving process for nurses to address concerns relative to resident care. This report form provides a tool for documentation to facilitate discussion and to promote a problem-solving approach.

PRIOR TO SUBMITTING THE WORKLOAD REPORT FORM PLEASE FOLLOW THE PROBLEM SOLVING PROCESS BELOW and AS OUTLINED IN THE COLLECTIVE AGREEMENT ARTICLE 19 FOR NURSING HOMES OR AS IDENTIFIED IN YOUR COLLECTIVE AGREEMENT.

PROBLEM SOLVING PROCESS

- 1) At the time the workload issue occurs, discuss the matter within the Unit/Floor to develop strategies to meet resident care needs using current resources. using established lines of communication, seek immediate assistance from an individual identified by the Employer (e.g. Charge Nurse/Assistant Director of Care/ Director of Care/Administrator) who has responsibility for timely resolution of workload issues.
- 2) Failing resolution of the workload at the time of the occurrence, **complete** the form. **Some** Collective Agreements require the nurse to discuss the issue with the Manager (or designate) on the next day that both the Employee and Manager (or designate) are working or within the time frame stated in the Collective Agreement, **however** in the absence of this language, it is recommended and a good practice to discuss the concern with your Manager.
- 3) When meeting with the manager, you may request the assistance of a Union representative to support/assist you in the meeting. Every effort will be made to resolve the workload issues at the unit level. The Bargaining Unit Representative shall be involved in any resolution discussions at the unit level. All discussions and action will be documented.
- 4) The Nursing Home Professional Responsibility Clause assumes the Nursing Leader consulted in Steps 1 & 2 would be the same person consulted in the above Step 3; therefore, the Nursing Home Step 2 is: Failing resolution, **submit** the Professional Responsibility Workload Report Form to the Union-Management Committee within 20 calendar days from the alleged improper assignment. The Union-Management Committee will meet within 20 days of the filing of the complaint to attempt to resolve the complaint to the satisfaction of both parties. This is Step 3 in most of the other Collective Agreements. Please check your own Collective Agreement for accurate timelines. (SEE BLANK REPORT FORM ATTACHED TO THESE GUIDELINES.)
- 5) Prior to the complaint being forwarded to the Independent Assessment Committee (IAC), the Union may forward a written report outlining the complaint and recommendations to the Director of Resident Care and/or the Administrator.
- 6) If the issue remains unresolved it shall be forwarded to an IAC as outlined in the Collective Agreement within the requisite number of days of the meeting in 3) above.
- 7) The Union and the Employer may mutually agree to extend the time limits for referral of the complaint at any stage of the complaint procedure.
- 8) Any settlement arrived at under the Professional Responsibility Clause of the Collective Agreement shall be signed by the parties.

TIPS FOR COMPLETING THE FORM

- 1) Review the form before completing it so you have an idea of what kind of information is required.
- 2) Print legibly and firmly as you are making multiple copies.
- 3) Use complete words as much as possible. Avoid abbreviations.
- 4) As much as possible, you should report only facts about which you have first-hand knowledge. If you use second-hand or hearsay information, identify the source if permission is granted.
- 5) Identify the College of Nurses of Ontario (CNO) Standards/Practice Guidelines/Long-Term Care policies and procedures you believe to be at risk. The CNO Standards can be found at www.cno.org.
- 6) Do not, under any circumstances, identify residents.

Re: Job Sharing

The introduction of job-sharing arrangements will be subject to mutual agreement between the Union and the Employer. The Employer shall not arbitrarily or unreasonably refuse to implement job-sharing.

Job-sharing requests, with regard to full-time positions, shall be considered on an individual basis. Such approval will not be unreasonably withheld.

1. The Employees involved in job-sharing are entitled to all the terms of the part-time Addendum, except those which are modified as follows:
 - (a) Schedules will conform with Article 14 of the Collective Agreement which sets out scheduling.
 - (b) Total hours worked by the job-sharers shall equal one (1) full-time position. Job-sharers will have the option of determining between themselves which partner will work on scheduled shifts and will advise her/his Manager, however, all scheduled shifts must be covered. Such schedules will not be unilaterally imposed or changed by the Employer, but once the schedules are posted, they will not be changed without the permission of the Supervisor in the area concerned. Such permission will not be unreasonably withheld.
 - (c) Paid Holidays
 Job-sharers will not be required to work, in total, more paid holidays than would one (1) full-time Employee, unless mutually agreed otherwise.
 - (d) Each job-sharer may exchange shifts with her or his partner as well as other Employees, as provided by the Collective Agreement.

(e) Coverage

- i) It is expected that both job-sharers will cover each other's incidental illnesses and vacation. If, because of unavoidable circumstances, one cannot cover the other, the Unit Supervisor must be notified to book coverage. Job-sharers are not required to cover for their partner in the case of prolonged or extended absences. Job-sharers shall be offered additional unscheduled shifts in compliance with Article 14.05(b) & (c).

- ii) Vacation, Maternity Leave and other Leaves pursuant to Article 11 of the Collective Agreement

In the event that one member of the job-sharing arrangement goes on any of the above leaves of absence exceeding thirty (30) days, the remaining partner has the option of covering all of the absent partner's shifts for the duration of the absence. If the Employee is able to cover the entire leave of absence, or if able to cover only part, she or he shall notify the Manager of her or his intentions at least two (2) weeks prior to the posting of each schedule. If the Employee cannot cover for her or his partner, the vacancy will be offered to the most senior part-time Employee.

(f) Implementation

Where the job-sharing arrangement arises out of the filling of a vacant full-time position, the full-time position will be posted first and in the event that there are no successful applicants, then both job-sharing positions will be posted and selection will be based on the criteria set out in the Collective Agreement.

- (g)
 - i) An incumbent full-time Employee wishing to share her or his position may do so without having her or his half of the position posted. The other half of the job-sharing position will be posted and selection will be made on the criteria set out in the Collective Agreement.
 - ii) It is understood and agreed that the arrangement is for a trial period of three (3) months for the full-time Employee originating the request. Once the trial period is over, the Employee cannot revert to her former position except under (i) below.
 - iii) Where two (2) full-time Nurses wish to job-share one (1) position, neither half will be posted providing this would create one (1) full-time position to be posted and filled according to the Collective Agreement.
- (h) If one of the job-sharers leaves the arrangement, her or his position will be posted. If there is no successful applicant to the position, the remaining partner will revert to her or his former status. If the remaining Employee was previously full-time, the shared position will become her or his position. If the remaining Employee was previously part-time and there is no part-time position available, she or he shall exercise her or his layoff bumping rights to obtain a part-time position. The shared position would then revert to a full-time position and be posted according to the Collective Agreement.

(i) Discontinuation

Either party may discontinue the job-sharing arrangement with ninety (90) days' notice. Upon receipt of such notice, a meeting shall be held between the parties

within fifteen (15) days to discuss the discontinuation. It is understood and agreed that such discontinuation shall not be unreasonable or arbitrary.

Should the Employer discontinue job-sharing, the Employees currently working those arrangements will have the option of reverting to their former status or remain part-time.
