- 8.01 For purposes of this Agreement, a grievance is defined as a difference arising between the parties relating to the interpretation, application, administration or alleged violation of the Agreement, including any question as to whether a matter is arbitrable.
- 8.02 At the time formal discipline is imposed or at any stage of the grievance procedure, including the complaint stage, a nurse is entitled to be represented by a member of the grievance committee.
- 8.03 It is the mutual desire of the parties hereto that complaints of nurses shall be adjusted as quickly as possible, and it is understood that a nurse has no grievance until she has first given her Director of Care or designate the opportunity of adjusting her complaint. Such complaint shall be discussed with the Director of Care or designate within ten (10) days after the circumstances giving rise to it have occurred or ought reasonably to have come to the attention of the nurse and failing settlement, then within ten (10) days of the Director of Care's decision, it shall be taken up as a grievance as follows:

Step Number One:

The nurse with the assistance of a member of the Grievance Committee shall submit a written grievance signed by the nurse to the Director of Care or designate.

The grievance shall identify the nature of the grievance and the remedy sought. The Director of Care or designate will deliver her/his decision in writing within ten (10) days following the day on which the grievance was presented to him/her. Failing settlement, then;

Step Number Two:

Within ten (10) days, following the decision in Step Number One, the grievance may be submitted in writing to the Home's Administrator or her/his designate. A meeting will then be held between the Home's Administrator or her/his designate, and the Grievance Committee within ten (10) days of the submission of the grievance at Step Number Two unless extended by agreement of the parties.

It is understood and agreed that a representative of the Ontario Nurses' Association and the grievor may be present at the meeting. It is further understood that the Home's Administrator or her/his designate may have such counsel and assistance as she/he may desire at such a meeting. The decision of the Home shall be delivered in writing within ten (10) days following the date of such meeting. If the decision is unsatisfactory to the nurse, it may be referred to arbitration.

- 8.04 A complaint or grievance arising directly between the Home and the Union concerning the interpretation, application or alleged violation of the Agreement shall be originated at Step Number Two within fourteen (14) days following the circumstances giving rise to the complaint or grievance. It is expressly understood, however, that the provisions of this Article may not be used with respect to a grievance directly affecting a nurse which such nurse could himself/herself institute and the regular grievance procedure shall not be thereby bypassed.
- 8.05 Where a number of nurses have identical grievances and each nurse would be entitled to grieve separately, they may present a group grievance in writing identifying each nurse who is grieving to the Director of Care or her/his designate within fourteen (14) days after the circumstances giving rise to the grievance have come to the attention of the nurse(s). The grievance shall then be treated as being initiated at Step Number One and the applicable provisions of this Article shall then apply with respect to the processing of such grievance.
- 8.06 (a) Failing settlement under the foregoing procedure of any grievance between the parties arising from the interpretation, application, administration or alleged violation of this Agreement, including any question as to whether a matter is arbitrable, such grievance may be submitted to arbitration as hereinafter provided. The parties may mutually agree, in writing, to substitute a sole arbitrator for the Arbitration Board. All references in Article 8 to an Arbitration Board shall be taken to include a sole arbitrator. If no written request for arbitration is received within fourteen (14) days after the decision under Step Number Two is given, it will be deemed to be settled.
- (b) The parties agree that it is their intent to resolve grievances without recourse to arbitration, wherever possible. Therefore, notwithstanding (a) above, the parties may, upon mutual agreement, engage the services of a mediator in an effort to resolve the grievance and may extend the time limits for the request for arbitration. The parties will share equally the fees and expenses,

if any, of the mediator.

- 8.07 All agreements reached under the grievance procedure between the representatives of the Home and the representatives of the Union will be final and binding upon the Home and the Union and the Nurses.
- 8.08 Any time limits referred to in the Grievance and Arbitration Procedures shall be exclusive of Saturdays, Sundays and holidays observed by the Employer.
- 8.09 When either party requests that any matter be submitted to arbitration as provided in the foregoing Article, it shall make such a request in writing addressed to the other party to this Agreement, and at the same time name a nominee. Within fourteen (14) days thereafter, the other party shall name a nominee, provided, however, that if such party fails to name a nominee as herein required, the Minister of Labour for the Province of Ontario shall have power to effect such appointment upon application thereto by the party invoking arbitration procedure. The two nominees shall attempt to select by agreement a chairman of the Arbitration Board. If they are unable to agree upon such a chairman within a period of fourteen (14) days, they shall then request the Minister of Labour for the Province of Ontario to appoint a chairman.
- 8.10 No person may be appointed as an arbitrator who has been involved in an attempt to negotiate or settle the grievance.
- 8.11 No matter may be submitted to arbitration which has not been properly carried through all requisite steps of the grievance procedure.
- 8.12 The arbitration board shall not be authorized to make any decision inconsistent with the provisions of this Agreement, nor to alter, modify, add to or amend any part of this Agreement.
- 8.13 The proceedings of the arbitration board will be expedited by the parties hereto and the decision of the majority, or where there is no majority, the decision of the chairman will be final and binding upon the parties hereto and the nurse or nurses concerned.
- 8.14 Each of the parties hereto will bear the expenses of the nominee appointed by it and the parties will share equally the fees and expenses, if any, of the chairman of the Arbitration Board.
- 8.15 Where no answer is given within the time limits specified in the grievance procedure, the grieving party shall be entitled to submit the grievance to the next step.
- 8.16 The parties may agree to waive or extend any of the time limits established in this procedure by agreement in writing.
- 8.17 A nurse is entitled prior to the imposition of suspension or discharge, to be given written reason for such action and the Employer must notify the nurse of her/his right to have a Union representative present at any meeting to be held with the Employer to discuss discipline, suspension or discharge. If a nurse declines her/his right to have a Union representative present, the Employer agrees to notify the Union within three (3) days of any such discharge, discipline or suspension. Should the nurse(s) or the

Union wish to file a grievance against any such discharge, suspension or discipline, it shall be reduced to writing and filed within ten (10) days of the discharge, suspension or discipline. Copies of disciplinary notations to nurses` personnel files shall be given to the nurses.

- 8.18 A grievance claiming unjust discipline, suspension or discharge may be settled by confirming the Employer's action or by reinstating the nurse and making him/her whole in all respects, or by any other arrangement which is just and equitable in the opinion of the conferring parties or an Arbitration Board.

ARTICLE 9 – SENIORITY

- 9.01 (a) Seniority for full-time nurses shall be credited as of the date of last hire into the service of the Employer.
- (b) Seniority for part-time and casual nurses shall be based on the total number of full or part-time tours worked since the date of last hire. Fifteen hundred (1500) hours shall be the equivalent to one (1) year of full-time seniority.
- 9.02 (a) All newly employed full-time, part-time and casual nurses shall be considered to be on probation for a period of seventy (70) tours (525 hours) worked or eight (8) months, whichever comes first.

Where the Employer requests an extension of the probationary period it will provide notice to the Union at least fourteen (14) calendar days prior to the expected date of expiration of the initial probationary period. It is understood and agreed that any extension to the probationary period will not exceed an additional sixty (60) tours worked and, where requested, the Employer will advise the nurse and the Union of the basis of such extension.

 - v) when on illness absence not paid by the Employer for a period in excess of thirty (30) months

This clause shall be interpreted in a manner consistent with the Ontario Human Rights Code and the Employment Standards Act.

9.05

Job Posting

Where the Employer determines that a vacancy exists in the bargaining unit, or if the Employer establishes a new position within the bargaining unit, the Employer will post the position on an employee accessible website with a copy to the Human Resources Bulletin Board and the local union representative. Such notice shall remain posted for a period of seven (7) calendar days.

Employees who wish to apply for any posted vacancy shall do so electronically, to the Human Resources department, on an electronic application form within the posting period.

Such vacancy or new job created shall be filled from the applications received in accordance with Article 9.07. It is understood that qualified employees within the bargaining unit will be considered before external candidates.

Successful applicants will be notified by the Employer within a reasonable time frame and have 24 hours to decline after which time consent is considered final and irrevocable. An announcement will be posted with the successful applicant's name by way of a summary page on the Human Resources Bulletin Board with copy to the local union representative.

This article does not apply to positions that are filled in accordance with the provisions of Article 9.08 Layoff and Recall.

9.06 Vacancies which are not expected to exceed three (3) months may be filled by the Employer with regular part-time nurses without posting. If the temporary vacancy is expected to exceed three (3) months, the position will be posted in accordance with Articles 9.05 and 9.06. A nurse who is absent due to illness or leave of absence, and whose position is being filled as a temporary vacancy, shall have the right to return to her former position on expiry of the illness or leave of absence. Any vacancy which is not created through an illness or leave of absence and which is expected to exceed three (3) months shall be deemed to be a permanent vacancy.

9.07 In all cases of transfer or promotion the following factors shall be considered:

- (a) skill, ability and experience;
- (b) seniority.

Where the qualifications of factor (a) are relatively equal, factor (b) shall govern. However, if senior applicants are refused a position, they will be given the reason for such refusal in writing.

9.08 Layoff and Recall

- (a) Where there is a reduction in the workload resulting from a surplus of nurses, the Employer shall layoff nurses on the basis of seniority. Probationary nurses shall be laid off first and the most junior nurses shall be laid off thereafter provided that the remaining nurses are qualified to perform the available work.
- (b) Nurses shall be recalled in reverse order of layoff, subject to their right to require orientation for any job for which they do not feel immediately qualified.
- (c) All nurses who are on layoff will be given job opportunity before any new nurse is hired.

- (d) No nurse may be laid off until she has received sixty (60) calendar days' notice of layoff or pay in lieu thereof.

9.09

Transfer Outside of the Bargaining Unit

- (a) A nurse who has been requested to substitute temporarily in a classification that is excluded from the bargaining unit may refuse to do so. If she/he consents she/he shall be deemed to be covered by the Collective Agreement, but shall be compensated in accordance with the excluded classification.

In the event that a nurse is transferred out of the bargaining unit, as above, for a period of three (3) months and is returned to a position in the bargaining unit, she/he will not suffer any loss of seniority, service or benefits.

A nurse who is transferred temporarily to a position outside of the bargaining unit for a period of more than three (3) months but not more than one (1) year, with the option to extend if mutually agreed upon by both parties, shall retain but not accumulate, her or his seniority held at the time of the transfer. In the event the employee is returned to the bargaining unit, she/he shall be credited with seniority held at the time of the transfer and resume accumulation from the date of her or his return to the bargaining unit.

Where the nurse is transferred temporarily for an employee who is off on pregnancy and/or parental leave, this temporary position can be extended to a maximum of eighteen (18) months.

The Union will be provided notice prior to the commencement of the transfer mentioned above.

An employee must remain in the bargaining unit for a period of at least five (5) months before transferring out of the bargaining unit again or she/he will lose all seniority held at the time of the subsequent transfer.

- (b) The Employer agrees to provide adequate orientation to a nurse to fill the role of these positions.
- (c) Any nurse presently in or who has been in what is now the bargaining unit, who elects or is appointed to any permanent position connected with the Employer outside of the bargaining unit, may be returned to the bargaining unit provided the Employer has first complied with the job opportunity provisions of the Collective Agreement.

In such event, the nurse, on returning to the bargaining unit, shall retain the seniority accumulated up to the date of her/his election or appointment to a position out of the bargaining unit, but will not accumulate any seniority while outside the bargaining unit for the purposes of job opportunity and layoff or other non-monetary benefits and privileges.

Her previous date of hire into the bargaining unit with the Employer, however, shall continue to be recognized for the purposes of calculation of

the amount of the monetary benefits to which she/he is now entitled.

- 9.10 All seniority, illness, vacation and other credits obtained under this Agreement shall be retained and transferred with the nurse if she/he changes her/his status from full-time to part-time and vice versa. A part-time nurse who changes her/his status to full-time will be given seniority credit on the basis of fifteen hundred (1500) hours part-time being equivalent to one (1) year of full-time service and vice versa.

ARTICLE 10 - EMPLOYEE FILES

- 10.01 A copy of any completed evaluation which is to be placed in a nurse's file shall be first reviewed with the nurse. The nurse shall sign such evaluation as having been read and shall have the opportunity to add her/his views to such evaluation prior to it being placed in her/his file. Each nurse shall have reasonable access to her/his file for the purposes of reviewing any evaluations or formal disciplinary notations contained therein in the presence of her/his supervisor. A copy of the evaluation will be provided to the nurse at her/his request.
- 10.02 Any letter of reprimand, suspension or other sanction will be removed from the record of a nurse eighteen (18) months following the receipt of such letter, suspension or other sanction, provided that the nurse's record has been discipline free for such eighteen (18) month period.

ARTICLE 11 - LEAVE OF ABSENCE

- 11.01 The Employer may grant leave of absence without pay if any nurse requests it in writing and if the leave is for good reason and does not unreasonably interfere with the efficient operation of the Home. A reply will be given in writing. Permission for leave of absence shall not be unreasonably withheld. Where possible, requests shall be made thirty (30) days in advance.
- 11.02 Nurses may be allowed leave of absence to attend workshops which are employment related and professional meetings. Selection of the nurses shall be made on an equitable basis from those who apply to attend such programmes.
- 11.03 If possible, leave of absence will be granted with or without pay, at the discretion of the Employer, to any nurse who wishes to enroll in a post graduate course, certificate or degree course from a university or community college or other institution offering employment related courses. Such leave of absence shall be without loss of seniority.
- 11.04 **Bereavement Leave**
- For the purpose of mourning at the time of death, a nurse shall be granted up to five (5) consecutive days without loss of pay for her/his regularly scheduled hours, in the case of death of a spouse, mother, father or child.

For the purpose of mourning at the time of death, a nurse shall be granted up to three (3) consecutive days without loss of pay for her/his regularly scheduled hours, in

the case of the death of a grandchild, grandparents, sister, brother, mother-in-law, father-in-law, sister-in-law, brother-in-law.

In the event of a common-law relationship, which has existed for a period of at least one (1) year, and is publicly represented by the employee, as the employee's family in the community in which she/he resides, the previously noted common-law relatives would be considered for compassionate leave.

Pay shall be at the nurse's regular rate and shall only be for the time she/he was scheduled to work during the bereavement period. Additional leave of absence without pay may be granted by the Employer.

11.05

Pregnancy and Parental Leave

- (a) Pregnancy/Parenting leave will be granted in accordance with the provisions of the Employment Standards Act, except where amended in this provision.
- (b) If possible the employee shall give written notification at least one (1) month in advance of the date of commencement of such leave and the expected date of return. This notice shall be waived in the event of pregnancy complications or premature birth.
- (c) The employee shall reconfirm her intention to return to work on the date originally approved in subsection (b) above by written notification received by the Employer at least four (4) weeks in advance thereof. The employee shall be reinstated to her former position, unless the position has been discontinued in which case she shall be given a comparable job.
- (d) An employee who is on pregnancy leave as provided under this Agreement, who has completed five (5) months of continuous service and has applied for and is in receipt of Employment Insurance pregnancy benefits pursuant to Section 22 and 23 of the *Employment Insurance Act* shall be paid a supplemental employment benefit. That benefit will be equivalent to the difference between eighty-four percent (84%) of her regular weekly earnings and the sum of her weekly Employment Insurance benefits and any other earnings. Biweekly payment shall commence following completion of the one (1) week Employment Insurance waiting period, and receipt by the Home of the nurse's Employment Insurance cheque stub as proof that she is in receipt of Employment Insurance pregnancy benefits, and shall continue for a maximum period of fifteen (15) weeks. The nurse's regular weekly earnings shall be determined by multiplying her regular hourly rate on her last day worked prior to the commencement of the leave times her normal weekly hours. The normal weekly hours for a part-time employee shall be calculated by using the same time period used for calculation of the Employment Insurance benefit.

The SUB benefit is equivalent to the difference between 84% of the gross regular weekly earnings at Dufferin Oaks and the sum of the gross weekly EI benefits less any other earnings. The SUB plan provision is for a maximum of (fifteen) 15 weeks.

The SUB calculation is based on the EI rate of 55%, less any other earnings. If the length of the leave changes, therefore reducing the EI rate, the total payable by Dufferin Oaks would remain the same amount (based on the 55% rate) and the provisions for the (fifteen) 15-week maximum for the SUB plan payment would continue to apply.

The employee does not have any vested right except to receive payments for the covered unemployment period. The plan provides that payments in respect of guaranteed annual remuneration or in respect of deferred remuneration or severance pay benefits are not reduced or increased by payments received under the plan.

- (e) An employee who becomes a parent, and who has been employed for at least thirteen (13) weeks immediately preceding the date the leave begins, shall be entitled to parental leave.
- (f) Parental leave must begin no later than fifty-two (52) weeks after the day the child is born or comes into the custody, care and control of the parent for the first time. For employees on pregnancy leave, parental leave will begin immediately after pregnancy leave expires. Parental leave shall be granted per the Employment Standard Leave
- (g) The employee shall give the Employer two (2) weeks' written notice of the date the leave is to begin unless exempt under the Employment Standards Act. The duration and notification period of the Parental leave is as per the Employment Standards Act.
- (h) An employee who is on parental leave as provided under this Agreement, who has completed five (5) months of continuous service and has applied for and is in receipt of Employment Insurance parental benefits pursuant to Section 23 of the *Employment Insurance Act* shall be paid a supplemental employment benefit. That benefit will be equivalent to the difference between eighty-four (84%) percent of the nurse's regular weekly earnings and the sum of her or his weekly Employment Insurance benefits and any other earnings. Biweekly payment shall commence following completion of the one (1) week Employment Insurance waiting period, and receipt by the Home of the employee's Employment Insurance cheque stub as proof that she or he is in receipt of Employment Insurance parental benefits and shall continue while the nurse is in receipt of such benefits for a maximum period of twelve (12) weeks. The nurse's regular weekly earnings shall be determined by multiplying her or his regular hourly rate on her or his last day worked prior to the commencement of the leave times her or his normal weekly hours. The normal weekly hours for a part-time employee shall be calculated by using the same time period used for calculation of the Employment Insurance benefit.

The SUB benefit is equivalent to the difference between 84% of the gross regular weekly earnings at the County of Dufferin and the sum of the gross weekly EI benefits less any other earnings. The SUB plan provision is for a maximum of (twelve) 12 weeks.

The SUB calculation is based on the EI rate of 55%, less any other earnings. If the length of the leave changes, therefore reducing the EI rate, the total payable by Dufferin Oaks would remain the (twelve) 12-week maximum for the SUB plan payment would continue to apply.

The employee does not have any vested right except to receive payments for the covered unemployment period. The plan provides that payments in respect of guaranteed annual remuneration or in respect of deferred remuneration or severance pay benefits are not reduced or increased by payments received under the plan.

- (i) For the purposes of parental leave, the provisions under (a) and (c) shall also apply.
- (j) The Employer shall continue to pay its' share of the premiums to the various employee benefit plans for nurses who are on pregnancy and parental Leave, provided that the nurse arranges to pay the employee's share of the premiums, if any.
- (k) Seniority and service continues to accrue while a nurse is off on pregnancy and parental leave.

Every full-time employee will have six (6) paid days for each year for incidental illness or as a bridge to Short Term Disability benefits. New full-time employees will have these days prorated based on their start date. Advances from the following year's Incidental Illness allotment to cover off an absence in the current year will not be permitted.

14.02 Bonus Day Payout

Should a full-time employee be absent less than six (6) days per calendar year, then the employee will be credited with the difference between six (6) days and the number of days actually used, and the value of these credits shall be paid out to the employee at the end of each calendar year at the rate of pay of that calendar year. If the employee chooses, the credits owing may be converted to vacation. If service is less than twelve (12) full months in the year, pay out of the Bonus Days will be pro-rated.

14.03 Medical Eligibility Requirements

Each employee, whether full-time, part-time or casual, who is absent for a period of more than three (3) consecutive working days, shall have the forms required by the Home completed by a physician or nurse practitioner. The employee shall submit the completed forms to the Employer's third party ability provider who will manage the employee's absence and return to work. The Employer's third party ability provider determines eligibility for Short Term Disability benefits for full-time employees as described in Article 14.04. If at any time there is insufficient medical

information to support disability or an employee is non-compliant with the treatment program, benefits may be suspended.

Each employee is fully responsible for providing all medically required documentation directly to the Home's third party ability management provider as requested. All costs incurred in obtaining this documentation will be the responsibility of the employee.

Employees have the right to appeal any denial of benefits made by the third party provider.

Should it appear that an employee is making too frequent application for this leave, the matter shall be referred to the Administrator for investigation.

Full-time employees shall receive compensation for Short Term Disability benefits of up to seventeen (17) weeks, as follows:

If a full-time employee is approved for and is off on Short Term Disability, the employee shall be paid for all statutory holidays during the time of illness, according to the formula established under the Short Term Disability Plan. The seventeen (17) weeks of short term disability benefits is not extended as a result of the paid statutory holidays. No statutory holidays are accumulated when on Short Term Disability.

In the event an employee drops to seventy percent (70%) earnings, she may, upon her written request, use accumulated vacations or lieu time (overtime/paid holidays) to supplement her seventy percent (70%) earnings to one hundred percent (100%).

In the event a full-time employee is on Short Term Disability at the end of a calendar year, Short Term Disability will be carried over into the following year at their current rate of pay until a total of seventeen (17) weeks of continuous absence has occurred.

If any full-time employee is on Short Term Disability at December 31st of any year, that employee would not revert to full pay as of January 1st, but would continue on at their current rate of pay until a total of seventeen (17) weeks of continuous absence has occurred, at which point application for Long Term Disability benefits should be made.

Should a full-time employee anticipate still being disabled at the expiration of seventeen (17) continuous weeks of Short Term Disability benefits, then an application for Long Term Disability benefits should be initiated six (6) to eight (8) weeks prior to the Long Term Disability eligibility date.

ARTICLE 15 - HOURS OF WORK

- 15.01 The normal daily tour shall be composed of seven and one-half (7½) consecutive hours, exclusive of a one-half hour unpaid meal period. The normal work week shall be composed of thirty-seven and one-half (37½) hours per week.

It is understood that at the change of tour there will normally be additional time required for reporting which shall be considered to be part of the normal daily tour, for a period of up to fifteen (15) minutes duration. Should the reporting time extend beyond fifteen (15) minutes, however, the entire period shall be considered overtime for the purposes of payment under Clause 15.06.

- 15.02 (a) There will be two (2) fifteen (15) minute paid rest periods, and one (1) thirty (30) minute unpaid lunch period in each tour. If a nurse is recalled to duty during the mealtime or a rest period, equal additional time shall be provided

These tours and/or days off may be changed by the Employer at any time with consent of the nurse(s) provided, however, if consent is not granted, the Employer may change the schedule on forty-eight (48) hours' notice. When a tour schedule is changed without forty-eight (48) hours' notice, the nurse shall be paid at the premium rate of time and one-half (1/2) for the first tour of the new schedule. Provided this clause shall not apply to part-time nurses requested to work time in addition to that set out in the posted schedule.
- (d) Requests for special days off are to be submitted in writing at least two (2) weeks in advance of posting. Request for change in posted time schedules must be submitted in writing and co-signed by the nurse willing to exchange days off or tour of duty. In any event, it is understood that such a tour of duty or exchange initiated by the nurse and approved by the Director of Care shall not result in overtime compensation or payment.

After the time sheet has been posted, extra shifts that become available shall always be offered to the available regular part-time nurses on the basis of seniority.

1. Job Sharing requests shall be considered on an individual basis.
2. Total hours worked by the job sharing partnership shall equal one (1) full-time position, and will meet the full-time scheduling provisions. The division of these hours or the schedule shall be determined by mutual agreement between the two (2) job sharers and the Director of Care or designate. Job Sharers shall not be scheduled to work any regular shifts in additions to the regular shifts of the full-time position.
3. The above schedules shall conform with the scheduling provisions of the collective agreement.
4. Each job sharer may exchange shifts with her partner, as well as with other employees as provided by the collective agreement.

6. When extra shifts are available in the Home, they should first be offered to part timers, then job sharers, then casuals.
7. For incidental illnesses, the job share partners will first make every effort to replace each other. If, because of unavoidable circumstances, one cannot cover the other, the Director of Care or designate must be notified to arrange for coverage. Job sharers are not required to cover for their partner in the case of prolonged sick leave, extended absences, and vacation.
8. The nurse involved in a job sharing arrangement will be classified as regular part-time and will be covered by the provisions of this agreement applicable to part-time nurses.

- 10. If one of the job sharers leaves the arrangement, her position will be posted. If there is no successful applicant to the position, the shared position must revert to a full-time position. The remaining employee will have the option of continuing the full-time position or reverting to her former position. If she does not continue full-time, the position must be posted according to the Collective Agreement.

Discontinuation

- 11. Either party may discontinue the job sharing arrangement with ninety (90) days notice. WHEREAS the parties agree on a without prejudice and precedent basis to the following:

1. Time Sharing requests shall be considered on an individual basis.
2. The time sharing shall be interpreted to mean a Full Time and a Part Time employee sharing their two (2) lines. The two (2) lines will be combined to create the new time share line that will not incur overtime premiums. The expectation is that the time sharers will endeavour to cover all shifts of the new time share line inclusive of item 6.
3. The scheduled hours worked by the time sharers shall be in accordance with the Collective Agreement.
4. The time share position will commence on a date mutually agreeable between the parties taking into consideration the posting of the schedule.
5. The time share parties will be classified as part-time in accordance with Article 2.02, and Article 15 of the Collective Agreement.
6. In the event that one member of the time sharing arrangement is off due to illness or injury or goes on any other leave of absence, the remaining partner will endeavour to cover all of the absent partner's shifts for the duration of the absence. If the employee is unable to cover the absences, she or he must inform the Director of Resident Care or designate.
7. In the event one of the time sharers chooses on their own accord to leave the arrangement, the time share between the parties would be discontinued within 30 days in order to provide sufficient notice to the other party. Upon discontinuation the time sharers would return to their originally held position. If the time share was discontinued due to one of the time sharers either accepting a new position within the home or leaving the organization, the remaining time sharer would still return to his/her original position and the departing FT or PT employees originally held position would be posted as per Article 10.07.
8. Either party may discontinue the time sharing arrangement with thirty (30) days' notice. Upon receipt of such notice a meeting shall be held between the parties within fifteen (15) days to discuss the discontinuation. It is understood and agreed that such discontinuation shall not be made unreasonably or arbitrarily.

9. All other provisions in the Collective Agreement will be adhered to.

The parties agree that any dispute involving the interpretation or application of the terms of this Letter of Understanding are enforceable through the grievance-arbitration process set out in the Collective Agreement.
