## **ARTICLE 1 - PURPOSE**

- 1.01 The general purpose of this Agreement is to establish and maintain effective bargaining relations between the Employer and the nurses covered by this Agreement; to provide for ongoing means of communication between the Union and the Employer and the prompt disposition of grievances and the final settlement of disputes; and to establish and maintain mutually satisfactory salaries, hours of work and other conditions of employment in accordance with the provisions of this Agreement.
- 1.02 It is recognized that the parties wish to work together to secure the best possible nursing care and health protection for residents.
- 1.03 The Employer undertakes that it will not enter into any other agreement or contract with those nurses for whom the Union has bargaining rights either individually or collectively which will conflict with any of the provisions of this agreement.

## **ARTICLE 2 – RECOGNITION AND DEFINITIONS**

- 2.01 The Employer recognizes the Ontario Nurses' Union as the bargaining agent for all registered and graduate nurses employed in a nursing capacity by the F. J. Davey Home in Sault Ste. Marie, save and except the Executive Director of Resident Nursing Services and Director of Nursing, and persons above the rank of Executive Director of Resident Nursing Services and Director of Nursing. The Resident Social Services Coordinator is also excluded.
- 2.02 (a) Nurses excluded from the bargaining unit shall not perform duties normally performed by nurses in the bargaining unit which shall directly cause or result in the layoff, loss of seniority or service or reduction in benefits to nurses in the bargaining unit.
- (b) Should the Employer enter into any service agreement with the Ministry of Health in respect of residents cared for by members of this bargaining unit, the Employer will provide to the Union copies of any documents or material which it is required to post in the Home.
- 2.03 Minimum Staffing
- The Employer agrees to employ sufficient registered staff and health care aides / Personal Support Workers to meet the staffing needs that may be set from time to time by statute and/or regulation. In the event that there is insufficient staffing to meet this undertaking, the Employer will post vacancies so that any unmet care undertaking will be satisfied.
- (a) The Employer will assign at least the same number of total bargaining unit RN hours that are equal to those hours that were scheduled in the last week ending prior to June 30, 2009. For clarity, this includes existing

vacancies.

- (b) In the event the Employer cannot meet their ongoing obligation for scheduled RN hours in part (a) above, it shall so notify the Union and fully disclose the reasons thereof.
- (c) If the failure to staff is a legitimate recruitment issue, there shall be no violation of this Agreement. The Employer will make reasonable efforts to recruit a replacement and will provide the Union with an outline of recruitment activities.
- (d) Further, if there is a reduction in beds, occupancy levels or CMI or its equivalent below the levels in effect as of June 30, 2009, a reduction in the complement shall not constitute a breach of this Agreement, as long as the reduction is proportionate.
- (e) If there is any other reason for the failure to staff in accordance with this article, the Union and Employer will attempt to find a resolution and if unable to do so, the matter may be referred to Arbitration.
- (f) The Arbitrator/Arbitration Board will have authority to determine whether the reduction in staffing was appropriate and shall have jurisdiction to award an appropriate remedy.

The Employer further agree to provide the data for the staffing complement under this provision by October 10, 2012, and the Union agrees to confirm the data and/or propose changes by October 24, 2012.

2.04

- (a) A full-time nurse is defined as one who is regularly scheduled seventy-five (75) hours on a bi-weekly basis.
- (b) A regular part-time nurse is defined as one who is regularly scheduled less than seventy-five (75) hours on a bi-weekly basis.
- (c) A casual part-time nurse means a nurse who is called to work on a call-in basis, but who does not work a regular schedule, or does so only for a specified period. Casual part-time nurses shall not be pre-booked unless there are no regular part-time nurses available at straight time and there is mutual agreement of the parties to pre-book. A casual part-time nurse has the option of refusing work when it is made available to them. It is also understood that a casual part-time nurse cannot unreasonably or consistently refuse to work shifts.

2.05

- (a) A registered nurse is defined as a nurse who is registered by the College of Nurses of Ontario in accordance with the *Regulated Health Professionals Act, and the Nursing Act*.
- (b) A Nurse is required to present to the Executive Director of Resident Nursing Services or their designate on or before February 15th of each year evidence that their Certificate of Competence is in good standing

and currently in effect. Such time will be extended for reasons where the College of Nurses of Ontario permits the nurse's Certificate of Competence to remain in effect. If the nurse's Certificate of Competence is suspended by the College of Nurses of Ontario for non-payment of the annual fee, the nurse will be placed on non-disciplinary suspension without pay. If the nurse presents evidence that their Certificate of Competence has been reinstated, they shall be reinstated to their position effective upon presenting such evidence.

Failure to provide evidence within 90 calendar days of the nurse being placed on non-disciplinary suspension by the Employer will result in the nurse being deemed to be no longer qualified and they shall be terminated from the employ of the Home. Such termination shall not be the subject of grievance or arbitration.

- 2.06 A nurse who holds a Temporary Certificate of Registration issued by the College of Nurses of Ontario must obtain their General Class Certificate of Registration prior to the expiry of their Temporary Class Certificate of Registration. If the nurse fails to obtain their General Class Certificate of Registration prior to the expiry of their Temporary Class Certificate of Registration they will be deemed to be not qualified for the position of registered nurse and they will be terminated from the employ of the Home. Such termination shall not be the subject of a grievance or arbitration subject to the provisions of the *Ontario Human Rights Code*.

### **ARTICLE 3 - MANAGEMENT RIGHTS**

- 3.01 The Employer has and shall retain the exclusive right and power to manage its business and direct its working forces including, but without limiting the generality of the foregoing, the right to hire, suspend, discharge, promote and discipline any Nurse, and to determine in the interest of efficient operation and highest standard of services, job rating or classification, the hours of work, work assignment, methods of doing the work and the working establishment for the service subject to terms of this agreement. The right to suspend, discharge and/or discipline any nurse must be for just cause.
- 3.02 Make and enforce and alter from time-to-time reasonable rules and regulations to be observed by the nurses and the regulations to be observed by the nurses shall not be inconsistent with the provisions of this agreement. These rights shall be exercised consistent with the provisions of this Collective Agreement.

### **ARTICLE 4 - RELATIONSHIPS**

- 4.01 The Employer and the Union are committed to providing a positive environment for staff. All individuals have the right to be treated with respect and dignity. Each individual has the right to work in an atmosphere which promotes respectful interactions and is free from discrimination, harassment and

aggression.

The Employer and the Union agree that there will be no discrimination, harassment, interference, intimidation, restriction or coercion exercised or practised by any of their representatives with respect to any nurse because of their membership or non-membership in the Union or activity or lack of activity on behalf of the Union or by reason of exercising their rights under the Collective Agreement.

4.02 The Union agrees there will be no Union activity, meetings, solicitation for membership, or collection of Union dues on Employer's premises or during working hours except with the written permission of the Employer.

4.03 (a) It is agreed that there will be no discrimination or harassment by either party or by any of the nurses covered by this Agreement on the basis of race, ancestry, place of origin, colour, ethnic origin, citizenship, creed, sex, sexual orientation, gender identify, gender expression, age, record of offences, marital status, family status, or disability or any other factor which is not pertinent to the employment relationship. The employee rights set out above shall be interpreted within the context of the *Ontario Human Rights Code*.

(b) The Employer and the Union agree to abide by the *Ontario Human Rights Code*.

4.04 A Nurse returning to work from an illness or injury compensable under Workplace Safety and Insurance Board will be assigned light work as necessary, if available.

(b) The parties recognize the duty of reasonable accommodation for individuals under the *Ontario Human Rights Code* and agree that the Collective Agreement will be interpreted in such a way as to permit the Employer and the Union to discharge that duty. To that end, the Employer and the Union agree to cooperate in complying with the *Ontario Human Rights Code*.

(c) The Employer and the Union agree that ongoing and timely communication by all participants is essential to the success of the process. For the purposes of expediting communication, the Employer and the Union agree that participants will use electronic communication.

(d) If any nurse becomes disabled, including WSIB, with the result that they are unable to perform the regular functions of their position, the Employer

may determine a special classification and salary, with the hope of providing an opportunity for continued employment.

Positions established under this article will not constitute new classifications and shall lapse upon the recovery, termination, resignation, or retirement of the nurse in question.

- (e) Prior to any disabled nurse returning to work from a disability including WSIB to a modified/light/alternate work program, the Employer will notify and meet with members of the bargaining unit executive to consult on a safe back to work program for the worker. Any agreement resulting from these discussions which conflicts with the collective agreement shall, subject to agreement by the Union, prevail over any provision of this agreement in the event of a conflict.

Nothing in this language obligates the Employer to establish a modified/light/alternative work program, except as required by law.

- (f) The Employer agrees to provide the nurse with a copy of the Workplace Safety and Insurance Board Form 7 at the same time as it is sent to the Board.

4.06

The employee rights set out above shall be interpreted within the context of the *Ontario Human Rights Code*.

A nurse who believes that they have been harassed contrary to this provision and terms of the code shall follow the process set out in the Employer’s Workplace Violence and Harassment Prevention Policy. The applicable policy(s) and procedure(s) will be reviewed with all nurses at orientation. Failing resolve the nurse shall then follow the Complaint, Grievance, and Arbitration procedure in Article 9 of the Collective Agreement prior to filing a complaint with the *Ontario Human Rights Commission*

## **ARTICLE 5 - NO STRIKES OR LOCKOUTS**

- 5.01 The Union agrees there shall be no strikes and the Employer agrees there shall be no lockouts so long as this Agreement continues to operate. The terms "strike" and "lockouts" shall bear the meaning given in the *Ontario Labour Relations Act* R.S.O. Chapter 232 as amended.

## **ARTICLE 6 - UNION SECURITY**

The deduction period for a nurse may be extended where the nurse does not receive pay in a particular month.

#### 7.06 Joint Health and Safety Committee

(a) The Employer and the Union agree that they mutually desire to maintain standards of safety and health in the Home in order to prevent accidents,

The Employer shall provide orientation and training in health and safety to new and current employees on an ongoing basis and nurses shall attend required health and safety training sessions. Accordingly, the parties fully endorse the responsibilities of Employer and employee under the *Occupational Health and Safety Act*. - (i) Pregnant nurses may request to be transferred from their current duties if, in the professional opinion of the nurse's physician the pregnancy may be at risk. If such a transfer is not feasible, the pregnant nurse, if they so request, will be granted an unpaid leave of absence before commencement of the current contractual maternity leave.
- (j) Where the Employer identifies high risk areas where nurses are exposed to infectious or communicable diseases for which there are available protective medications, such medications shall be provided at no cost to nurses.
- (k) A member of the Committee shall be deemed to be at work while the member is fulfilling the requirements for becoming certified by the Workplace Health and Safety Agency, and the member's Employer shall pay for the time spent at the member's regular or premium rate as may be proper. This provision does not apply with respect to nurses who are paid by the Agency for the time spent fulfilling the requirements for becoming certified.
- (l) The Employer and the Union desire to arrest the spread of infectious diseases in the nursing home.
  - (i) To achieve this objective, the Committee may review and offer input into the infection control programs and protocols including surveillance, outbreak control, isolation, precautions, worker education and training, and personal protective equipment.

- 7.10 The Employer agrees to give representatives of the Ontario Nurses' Union access to the premises of the Home for the purpose of attending grievance meetings or otherwise assisting in the administration of this Agreement, provided prior arrangements are made with the CEO/Administrator. Such representatives shall have access to the premises only with the approval of the CEO/Administrator which will not be unreasonably withheld.

7.11 Where a nurse makes prior arrangements for time off from a tour of duty to attend to Union business, the nurse shall not be scheduled to work another tour that day, however, if the need arises and the nurse is agreeable, they may be called in to work.

7.12 Violence in the Workplace

- (a) The parties agree that violence shall be defined as any incident in which an employee is abused, threatened, or assaulted while performing his or their work. The parties agree it includes the application of force, threats with or without weapons and severe verbal abuse. The parties agree that such incidents will not be condoned. Any employee who believes they have been subjected to such incident shall report this to a supervisor who will make every reasonable effort to rectify the situation. For purposes of sub-article (a) only, employees as referred to herein shall mean all employees of the Employer.

7.13 All joint Employer and Union meetings noted above shall be scheduled, where practical, during the nurse's working hours. Where, in the opinion of the Employer it is operationally necessary, relief staff will be provided during such meetings.

#### **ARTICLE 8 - GRIEVANCE PROCEDURE**

8.01 For purposes of this Agreement, a grievance is defined as a difference arising between the parties relating to the interpretation, application, administration, or alleged violation of the Agreement, including any question as to whether a matter is arbitrable.

8.02 At the time formal discipline is imposed or at any stage of the grievance procedure, including the complaint stage, a nurse is entitled to be represented by their nurse representative. In the case of suspension or discharge, the Employer shall notify the nurse of this right in advance.

8.03 It is the mutual desire of the parties hereto that complaints of nurses regarding the collective agreement shall be adjusted as quickly as possible and it is understood that a nurse has no grievance until they have first given their Executive Director of Resident Nursing Services opportunity of adjusting their complaint. Such complaint shall be discussed with their Executive Director of Resident Nursing Services or designate within nine (9) calendar days after the circumstances giving rise to it having occurred and the Executive Director of Resident Nursing Services or designate shall reply within nine (9) calendar days. It shall then be taken up as a grievance within nine (9) calendar days in the following manner and sequence:

Step 1: The nurse may submit a written grievance signed by them to the Executive Director of Resident Nursing Services or designate. The Executive Director of Resident Nursing Services or designate will deliver their decision in writing within nine (9) calendar days following the day on which the grievance was presented to them. Failing settlement then:

Step 2: Within nine (9) calendar days following the decision under Step No. 1 the nurse may submit the written grievance to the

CEO/Administrator or designate. The parties will, if either party requests, meet to discuss the grievance at a time and place suitable to both parties. The CEO/Administrator or designate will deliver the decision in writing nine (9) calendar days from the date on which the written grievance was presented to them.

8.04 A complaint or grievance arising directly between the Employer and the Union concerning the interpretation, application or alleged violation of the Agreement shall be originated at Step No. 2 within fourteen (14) calendar days following the circumstances giving rise to the complaint or grievance. A grievance by the Employer shall be filed with the Local President or their designate.

8.05 Where a number of nurses have identical grievances, and each nurse would be entitled to grieve separately they may present a group grievance in writing signed by each nurse who is grieving to the Executive Director of Resident Nursing Services or their designate within fourteen (14) calendar days after the circumstances giving rise to the grievance have occurred or ought reasonably to have come to the attention of the nurse(s). The grievance shall then be treated as being initiated at Step No. 2 and the applicable provisions of this Article shall then apply with respect to the processing of such grievance.

8.06 The release of a probationary nurse for reasons based on performance and ability to do the job, including skills, suitability and availability shall not be subject to the grievance procedure unless the probationary nurse is released for:

- (a) reasons which are arbitrary, discriminatory or in bad faith,
- (b) exercising a right under this Agreement.

The Employer agrees to provide written reasons for the release of a probationary nurse within seven (7) days of such release.

A claim by a probationary nurse that they have been unjustly released shall be treated as a grievance, provided the nurse is entitled to grieve, if a written statement of such grievance is lodged by the nurse with the Employer at Step 2 within seven (7) days after the date the release is affected. Such grievance shall be treated as a special grievance as set out below

The Employer agrees to provide written reasons within seven (7) calendar days to the affected nurse in the case of discharge or suspension and further agrees that it will not suspend, discharge, or otherwise discipline a nurse who has completed their probationary period, without just cause.

A claim by a nurse who has completed their probationary period that they have been unjustly discharged or suspended shall be treated as a grievance if a written statement of such grievance is lodged by the nurse with the Employer at Step No. 2 within nine (9) calendar days after the date the discharge or suspension is affected. Such special grievance may be settled under the Grievance or Arbitration procedure by:

- (a) confirming the Employer's action in dismissing the nurse; or
- (b) reinstating the nurse with or without loss of seniority and with or without full compensation for the time lost; or
- (c) by any other arrangement which may be deemed just and equitable.

8.07 Failing settlement under the foregoing procedure of any grievance between the parties arising from the interpretation, application, administration or alleged violation of this Agreement, including any question as to whether a matter is arbitrable, such grievance may be submitted to arbitration as hereinafter provided. If no written request for arbitration is received within thirty-six (36) calendar days after the decision under Step No. 2 is given, the grievance shall be deemed to have been abandoned. Where such a written request for arbitration is postmarked within thirty-four (34) calendar days after the decision under Step No.2, it will be deemed to have been received within the time limits.

8.08 All agreements reached under the grievance procedure between the representatives of the Employer and the representatives of the Union will be final and binding upon the Employer and the Union and the nurses.

8.09 Grievances shall be on a form mutually agreed upon by the parties.

- 8.12 No matter may be submitted to arbitration which has not been properly carried through all requisite steps of the Grievance Procedure.
- 8.13 The Arbitration Board shall not be authorized to make any decision inconsistent with the provisions of this Agreement, nor to alter, modify, add to or amend any part of this Agreement.

- 8.16 The time limits set out in the Grievance and Arbitration Procedures herein are mandatory and failure to comply strictly with such time limits except by the written agreement of the parties, shall result in the grievance being deemed to have been abandoned subject only to the provisions of Section 48.16 of the *Labour Relations Act*.
- 8.17 Upon request a representative of the Union, as outlined in Article 7.02, may be present at any step of the grievance procedure.

- 9.03 Before assigning a newly hired nurse in charge of a nursing unit, the Employer will first provide orientation both to the Home and to such nursing unit. It is understood that such nurse may be assigned to any tour as part of their orientation program providing such assignment is in accordance with any scheduling regulations or objectives contained in this Collective Agreement. Regular part-time nurses who are employed at other agencies may agree to waive scheduling regulations to accommodate the orientation process.

The orientation program shall be based on the following minimums:

Available programmes will be publicized.

(b) Each Nurse has the right to request leave with no loss of salary to a maximum of three (3) working days per year to attend professional development courses at the nurse's own expense, provided that the course is approved by the Employer and that such leave does not interfere with the efficient operations of the home. The nurse shall provide the Employer with as much notice as is practicable to ensure that replacement staff are provided.

9.06 The delegation of Added Nursing Skills and Sanctioned Medical Acts (Special Procedures) to nurses shall be in accordance with guidelines established by the College of Nurses from time to time and any approved Employer policy related thereto.

9.07 When a nurse is on duty and authorized to attend any in service program within the Home and during their regularly scheduled working hours, they shall suffer no loss of regular pay. It is understood that such evaluations do not constitute disciplinary action by the Employer against the nurse. Each nurse shall have reasonable access to all their files for the purposes of reviewing their contents in the presence of their supervisor. A copy of any evaluation will be provided to the nurse at their request. No document shall be used against a nurse where it has not been brought to their attention within thirty (30) days of the occurrence.
- 10.02 Any letter of reprimand, suspension or other sanction will be removed from the record of a nurse eighteen (18) months following the receipt of such letter, suspension or other sanction provided that the nurse's record has been discipline free for a one-year period. Leaves of absence in excess of sixty (60) continuous calendar days will not count towards the eighteen (18) months period noted above.

## **ARTICLE 11 - SENIORITY**

- 11.01 (a) Newly hired nurses shall be considered to be on probation for a period of sixty (60) tours worked from date of last hire (450 hours of work for nurses whose regular hours of work are other than the standard workday). If retained after the probationary period, the nurse shall be credited with

seniority from date of last hire. With the written consent of the Employer, the probationary nurse and the President of the Bargaining Unit or their designate, such probationary period may be extended. Where the Employer requests an extension of the probationary period it will provide notice to the Union at least fourteen (14) calendar days prior to the expected date of expiration of the initial probationary period. It is understood and agreed that any extension to the probationary period will not exceed an additional sixty (60) tours (450 hours) worked and, where requested, the Employer will advise the nurse and the Union of the basis of such extension.

- (b) A nurse who transfers from part-time to full-time status shall not be required to serve a probationary period where they have previously completed one since their date of last hire. Where no such probationary period has been served, the number of tours worked during the nine months immediately preceding the transfer shall be credited towards the probationary period to a maximum of 40 tours (or 300 hours).

- 11.02 (a) A seniority list shall be established for all nurses covered by this Agreement who have completed their probationary period. A copy of the seniority list will be filed with the President of the Bargaining Unit or their designate in January and July of each year indicating the seniority ranking of the bargaining unit members as of December 31 and June 30 respectively. A copy of the seniority list shall also be posted at the same time.

- (b) Once posted a nurse will have a period of sixty (60) calendar days from the posting date to make a written complaint about their seniority as recorded. If the Employer's response to such complaint is not satisfactory to the nurse, they are entitled to file a grievance under Article 9 of this Agreement. Otherwise, the nurse's seniority shall be deemed to be accurate as of the posting date.

- 11.03 A nurse's full seniority and service shall be retained by the nurse in the event that they are transferred from full-time to part-time. A nurse whose status is changed from full-time to part-time, shall receive credit for their full seniority and service on the basis of 1500 hours worked for each year of full-time seniority or service. A nurse whose status is changed from part-time to full-time shall receive credit for their full seniority and service on the basis of one year of seniority or service for each 1500 hours worked. Any time worked in excess of an equivalent shall be prorated at the time of transfer.

- 11.04 Full-time: If a nurse's absence without pay from the Home including absences under Article 12, Leaves of Absence, exceeds thirty (30) continuous calendar days they will not accumulate seniority or service for any purposes under the Collective Agreement for the period of the absence in excess of thirty (30) continuous calendar days unless otherwise provided and the nurse will become responsible for full payment of any subsidized nurse benefits in which they are entitled to participate during the period of absence. In the case of unpaid

approved leaves of absence in excess of thirty (30) continuous calendar days a nurse may arrange with the Employer to prepay the full premium of any applicable subsidized benefits during the period of leave in excess of thirty (30) continuous calendar days to ensure their continuing coverage. Such payment shall be paid to the Employer by the 15th of the benefit month.

Notwithstanding this provision, seniority shall accrue for a period of one year if a nurse's absence is due to disability resulting in WSIB benefits including the period of the disability program covered by Employment Insurance.

11.05 A nurse shall lose all seniority and shall be deemed terminated if they:

- (a) resign.
- (b) Are discharged and not reinstated.

- (h) Fails upon being notified of a recall to a position of the same employment status held prior to the layoff (other than a temporary or casual part-time position) to signify their intention to return within seven (7) calendar days after they have received the notice of recall mailed by registered mail to the last known address according to the records of the Employer and fails to report to work within fourteen (14) calendar days after they have received the notice of recall or such further period of time as may be agreed by the parties.

The Union and the Employer agree to abide by the *Human Rights Code*.

11.06 (a) Where a permanent vacancy occurs in a classification within the bargaining unit or a new position within the bargaining unit is established by the Employer, such vacancy shall be posted for a period of seven (7) consecutive calendar days. Nurses may make written application for such vacancy within the seven (7) day period referred to herein.

Nurses shall be selected for positions under either 11.06 (a) or (b) on the basis of their skill, ability, experience and qualification. Where these factors are relatively equal amongst the nurses considered seniority shall govern providing the successful applicant, if any, is qualified to perform the available work within an appropriate familiarization period. Where seniority governs the most senior applicant, regardless of their ONA bargaining unit, at the Home will be selected. Where the applicant has been selected in accordance with this Article and it is subsequently determined that they cannot satisfactorily perform the job to which they were promoted, the Employer will attempt, during the first thirty-five (35) tours (262.50 hours for nurses whose regular hours of work are other than the standard work day) worked from the date on which the nurse was first assigned to the vacancy, to return them to their former job and the filling of the subsequent vacancies will likewise be reversed.

- (b) Full-time: An application for transfer system will be established. Under such a system, any nurse will be able to fill out an appropriate form indicating their interest in working elsewhere in the Home and their application shall be considered as though they had made it at the time of posting, when a permanent or temporary vacancy occurs, as has been posted.
- (c) Vacancies which are not expected to exceed sixty (60) calendar days and vacancies caused due to illness, accident, leave of absence (including maternity) may be filled at the discretion of the Employer. In filling such vacancies consideration shall be given to part-time nurses in the bargaining unit on the basis of seniority who are qualified to perform the work in question prior to utilizing non-bargaining unit nurses supplied by an agency or registry. It is understood, however, that where such vacancies occur on short notice, failure to offer part-time nurses such work shall not result in any claim for pay for time not worked while proper arrangements are made to fill the vacancy. Upon completion of the temporary vacancy, the Employer will return the replacing nurse to their former status.
- (d) The Employer shall have the right to fill any permanent vacancy on a temporary basis until the posting procedure or the Request for Transfer procedure provided herein has been complied with and arrangements have been made to permit the nurse selected to fill the vacancy to be assigned to the position.
- (e) The name of the successful applicant will be posted by the Employer. A nurse selected as a result of a posted vacancy, or a Request for Transfer need not be considered for a further permanent vacancy for a period of up to six (6) months from the date of their selection.
- (f) At the request of the nurse, the Employer will discuss with unsuccessful applicants' ways in which they can improve their qualifications for future postings.

- (g) Part-time nurses who relieve full-time temporary positions will remain covered by the part-time collective agreement and be paid percentage in lieu of benefits.
  - (h) Notwithstanding the entry to practice (baccalaureate degree in nursing which will become effective in 2005) the Employer will not establish qualifications, or identify them in job postings, in an arbitrary or unreasonable manner.
- 11.07
- (a) A lay-off of nurses shall be made on the basis of integrated seniority provided that the nurses who are entitled to remain on the basis of seniority are qualified to perform the available work. Subject to the foregoing, probationary nurses shall be first laid off.
  - (b) No reduction in the hours of work shall take place to prevent or reduce the impact of a layoff without the consent of the Union.
  - (c) All part-time and full-time nurses represented by the Union who are on layoff will be given a job opportunity in the full-time and part-time categories before any new nurse is hired into either category.
  - (d) Recall to a regular part-time or full-time position shall be in order of integrated seniority. A nurse will respond to a registered notice of recall within seven calendar days of receipt of same and shall be available for work within an additional fourteen (14) days unless otherwise agreed.
- 11.08
- In the event of a proposed layoff at the Home of a permanent or long-term nature, the Employer will:
- (a) In the event of a bed cut-back or a cut-back in service which will result in displacement of staff, the Employer will provide the Bargaining Agent with reasonable notice. If requested, the Employer will meet with the Bargaining Agent through the Employer-Union Committee to review the reasons and expected duration of the bed cut-back or cut back in service, realignments of service or staff and its effect on nurses in the bargaining unit.

Any agreement between the Employer and the Bargaining Agent resulting from the review above concerning the method of implementation will take precedence over the terms of this Article.

- 11.09
- (a) A nurse who is transferred to a position outside of the bargaining unit shall, subject to (b) below retain but not accumulate their seniority held at the time of the transfer. In the event the nurse is returned to a position in the bargaining unit they shall be credited with the seniority held at the time of transfer and resume accumulation from the date of their return to the bargaining unit.
  - (b) In the event that a nurse is transferred out of the bargaining unit under (a) for a specific term or task which does not exceed a period of fifty-three (53) weeks or an academic year and is returned to a position in the bargaining unit, they shall not suffer any loss of seniority, service or benefits. It is understood and agreed that a nurse may decline such offer to transfer and that the period of time referred to above may be extended by agreement of the parties.

- (c) The nurse shall be reinstated to their former position, unless their former position has been discontinued, in which case they shall be given a

comparable job.

- (d) Nurses newly hired to replace nurses who are on approved parental leave may be released and such release shall not be the subject of a grievance or arbitration. If retained by the Employer, in a permanent position, the nurse shall be credited with seniority from date of hire subject to successfully completing their probationary period. The nurse shall be credited with tours worked (hours worked for nurses whose regular hours of work are other than the standard workday) towards the probationary period provided in Article 11.01 to a maximum of 60 tours (450 hours for nurses whose regular hours of work are other than the standard workday).

The Employer will outline to nurses hired to fill such temporary vacancies, the circumstances giving rise to the vacancy and the special conditions relating to such employment.

- (e) On confirmation by the Employment Insurance Commission of the appropriateness of the Employer's Supplemental Employment Benefit (SUB) Plan, a nurse who is on parental leave as provided under this Agreement who has applied for and is in receipt of Employment Insurance parental benefits pursuant to the *Employment Insurance Act*, shall be paid a supplemental employment benefit. That benefit will be equivalent to the difference between eighty percent (80%) of their regular weekly earnings (which for part-time nurses shall include percentage-in-lieu based on the nurse's normal weekly hours) paid biweekly and the sum of their weekly Employment Insurance benefits and any other earnings. Such payment shall commence following completion of the one-week Employment Insurance waiting period, and receipt by the Employer of the nurse's Employment Insurance cheque stub as proof that they are in receipt of Employment Insurance parental benefits and shall continue while the nurse is in receipt of such benefits for a maximum period of ten (10) weeks. The nurse's regular weekly earnings shall be determined by multiplying their regular hourly rate on their last day worked prior to the commencement of the leave times their normal weekly hours.

The nurse does not have any vested right except to receive payments for the covered employment period. The plan provides that payments in respect of guaranteed annual remuneration or in respect of deferred remuneration or severance pay benefits are not reduced or increased by payments received under the plan.

12.09

- (a) Leave of absence, with pay or without pay, may be granted to nurses to attend professional and educational meetings, courses or other events which may be judged beneficial to the nurse's professional development, especially as it relates to their responsibilities with the Employer.
- (b) Where a nurse is required by the Employer to attend a course or workshop, the Employer agrees to pay any applicable fee and the

Employer agrees to compensate such nurse's time off work as the result of attending the course.

- (c) Leave of absences without pay may be granted to nurses for up to one (1) academic year to attend further education which may be judged to be beneficial to nurse's professional development, especially as it relates to their employment. This request shall not be unreasonably denied. The nurse who is granted such a leave will make a commitment to return to work for a period equal to that of the leave.
- (d) Written application for such leaves shall be made by the nurse to the Executive Director of Resident Nursing Services or their designate. Requests for such leave will not be unreasonably denied.
- (e) A nurse may be granted a leave of absence without loss of earnings from their regularly scheduled working hours for the actual day(s) spent writing examinations required in a recognized course, directly related to the nurse's employment with the Home, in which a nurse is enrolled to upgrade their nursing qualifications.

#### 12.10 Pre-paid Leave Plan

The Employer agrees to introduce a pre-paid leave program, funded solely by the nurse, subject to the following terms and conditions:

- (a) The plan is available to nurses wishing to spread four (4) years' salary over a five (5) year period, in accordance with Part LXVIII of the Income Tax Regulations, Section 680I, to enable them to take a one (1) year leave of absence following the four (4) years of salary deferral.
- (b) The nurse must make written application to the Executive Director of Resident Nursing Services at least six (6) months prior to the intended commencement date of the program (i.e., the salary deferral portion), stating the intended purpose of the leave.
- (c) The number of nurses that may be absent at any one time shall be one (1) full-time and one (1) part-time. The year for purposes of the program shall be September 1 of one year to August 31 the following year or such other twelve (12) month period as may be agreed upon by the nurse, the Bargaining Unit and the Employer.
- (d) Written applications will be reviewed by the Executive Director of Resident Nursing Services or their designate. Leaves requested for the purpose of pursuing further formal nursing education will be given priority. Applications for leaves requested for other purposes will be given the next level of priority on the basis of seniority.
- (e) During the four (4) years of salary deferral, 20% of the nurse's gross annual earnings will be deducted and held for the nurse and will not be accessible to them until the year of the leave or upon withdrawal from the plan.

- (f) The manner in which the deferred salary is held shall be at the discretion of the Employer.
- (g) All deferred salary, plus accrued interest, if any, shall be paid to the nurse at the commencement of the leave or in accordance with such other payment schedule as may be agreed upon between the Employer and the nurse.
- (h) All benefits shall be kept whole during the four (4) years of salary deferral. During the year of the leave, seniority will accumulate. Service for the purpose of vacation and salary progression and other benefits will be retained but will not accumulate during the period of leave. The nurse shall become responsible for the full payment of premiums for any health and welfare benefits in which they are participating. Contributions to the O.M.E.R.S. will be in accordance with the Plan. The nurses will not be eligible to participate in the disability income plan during the year of the leave.
- (i) A nurse may withdraw from the plan at any time during the deferred portion provided three (3) months' notice is given the Executive Director of Resident Nursing Services. Deferred salary, plus accrued interest, if any, will be returned to the nurse, within a reasonable period of time.
- (j) If the nurse terminates employment, the deferred salary held by the Employer plus accrued interest, if any, will be returned to the nurse within a reasonable period of time. In case of the nurse's death, the funds will be paid to the nurse's estate.
- (k) The Employer will endeavour to find a temporary replacement for the nurse as far in advance as practicable. If the Employer is unable to find a suitable replacement, it may postpone the leave. The Employer will give the nurse as much notice as is reasonably possible. The nurse will have the option of remaining in the Plan and rearranging the leave at a mutually agreeable time or of withdrawing from the Plan and having the deferred salary, plus accrued interest, if any, paid out to them within a reasonable period of time.
- (l) The nurse will be reinstated to their former position unless the position has been discontinued in which case, they shall be given a comparable job.
- (m) Final approval for entry into the pre-paid leave program will be subject to the nurse entering into a formal agreement with the Employer in order to authorize the Employer to make the appropriate deductions from the nurse's pay. Such agreement will include:
  - i) a statement that the nurse is entering the pre-paid leave program in accordance with Article 12.10 of the Collective Agreement.

- ii) the period of salary deferral and the leave period for which is requested.
- iii) the manner in which the deferred salary is to be held. The letter of application from the nurse to the Employer to enter the pre-paid leave program will be appended to and form part of the written agreement.

12.11 Care Leave

Nurses will be granted up to thirty-seven and one-half (37.5) hours leave without pay in each calendar year for the purpose of providing or arranging for unexpected care for the nurse's spouse, dependent or parent(s), or to accompany them to obtain unexpected medical care.

Care leave will include all purposes under Section 50(1) paragraphs 2 & 3 of the *Employment Standards Act, 2000* except death. Nurses accrue seniority and service while on such leave.

**ARTICLE 13 - SICK LEAVE**

**FULL-TIME ONLY**

13.01 Sick leave is the period of time a nurse is permitted to be absent from work by reason of being sick or disabled or because of an accident which is not compensable under Bill 99 - *Workplace Safety and Insurance Act*.

Effective upon confirmation by the Employment Insurance Commission of a SUB plan:

13.02 The Employer will assume total responsibility for providing and funding a short-term leave plan (hereafter the "Plan").

13.03 Rate of Sick Pay Income

(a) When a nurse has completed any portion of their regularly scheduled tour prior to going on sick leave benefits or Workplace Safety and Insurance Benefits, the nurse shall be paid for the balance of the tour at their regular straight time hourly rate. This provision will not disentitle the nurse to a lieu day under any other provision of the collective agreement if they otherwise qualify.

(b) Rate and Duration of Benefits

Benefits of eighty percent (80%) of their regular daily earnings are payable for up to the end of the first calendar week based on a normal five-day work week if a nurse is absent owing to illness or injury. The

nurse shall apply for E.I. sick leave for weeks 2 through 16 of any legitimate illness or injury. The Employer will top up these benefits to seventy percent (70%) of their straight time wages. In the event that the nurse does not qualify for E.I. Sick Leave benefits by reason of inadequate contributions, they shall receive seventy percent (70%) of their straight time wages for weeks 2 through 16 of any legitimate illness but shall not be eligible for payment for sickness beyond thirty-two weeks, as set out in (c) below and shall receive no further coverage until such time as they apply for and are in receipt of L.T.D. benefits.

- (c) A nurse who continues absent owing to illness or injury for week 17 and after seventeen (17) weeks shall receive payment from the Employer for a further thirty-five (35) weeks if they were eligible for E.I. Sick Leave benefits. Such payment shall be at the rate of seventy percent (70%) of their straight time wages. If the nurse was ineligible for E.I. benefits, they shall continue to receive sick pay at the rate of seventy percent (70%) of their straight time wage for a period of fifteen (15) weeks beyond the period referenced in (b).

(d) Recurrence of Disability

When a nurse returns from an absence due to a Total Disability and works for three (3) continuous weeks, their benefit period for STD will be reinstated in full, however, if within three (3) calendar weeks following their return to work they are disabled from the same or a related cause, only the remainder of the STD benefit period as described in (c) above will apply.

If within three (3) regular work weeks following a return to work, the nurse becomes disabled from an unrelated cause of injury or illness, their benefit period will be reinstated in full. However, if they remain absent from work and they become further disabled (due to a related or unrelated cause of injury/illness) the STD benefit period will not be reinstated.

If a nurse returns to work on an approved modified work programme, they are not considered to be Actively at Work. The time spent doing modified work continues to count toward the expiry of the STD benefit period and does not cause it to be reinstated.

(e) Proof of Disability

Proof of Total Disability, such as a doctor's certificate, that is satisfactory to the Employer, is required if a nurse is absent for three (3) days or more and is subject to a periodic review thereafter. Such proof may also be required at any time in order for the nurse to qualify for benefits.

Plan. The nurse will pay the balance of the billed premium through payroll deduction. The benefit shall be payable after a fifty-two (52) week period, in accordance with the terms of the Carrier, the weekly benefit being sixty-six and two thirds' percent (66-2/3%) of a nurse's salary, to a maximum of \$4,500 and effective August 1, 2017 \$6,600.00 per month. This benefit shall cease at age sixty-five (65).

- 13.05 Any dispute concerning a nurse's entitlement to short term or long-term benefits under the Plan may be subject to a grievance and arbitration under the provisions of this collective agreement. If a claim for long-term disability is denied, the employee must fully comply with the carrier's medical appeals process, if available to the nurse, prior to referring a grievance to arbitration, provided the process is completed within ninety (90) days of its inception, unless that time is extended by mutual agreement of the Employer and the Union.
- 13.06 For nurses whose regular hours of work are other than the standard workday, the short-term sick leave plan will provide payment for the number of hours of absence according to the scheduled tours in the nurses biweekly pay period for the duration of the STD coverage as outlined above. All other provisions of the existing plan shall apply mutatis mutandis.
- 13.07 Absences due to pregnancy related illnesses shall be considered as sick leave under the Plan.
- 13.08 A nurse who is absent from work as a result of an illness or injury sustained at work who has been awaiting approval of a claim for Workplace Safety and Insurance Board benefits for a period longer than one complete pay period may apply to the Employer for payment equivalent to the lesser of the benefit the nurse would receive from the Workplace Safety and Insurance Board if the nurses' claim was approved, or the benefit to which the nurses would be entitled under the short term sick portion of the Plan. Payment will be provided only if the nurse provides evidence of disability satisfactory to the Employer then any payments will be refunded to the Employer following final determination of the claim by Workplace Safety and Insurance Board. If the claim for Workplace Safety and Insurance Board benefits is not approved, the monies paid as an advance will be applied towards the benefits to which the nurses would be entitled under the short-term portion of the Plan. Any payment under this provision will continue for a maximum of fifteen (15) weeks.

#### FULL-TIME AND PART-TIME

- 13.09 A Nurse returning to work from an illness or injury compensable under Workplace Safety and Insurance Board will be assigned light work as necessary, if available.
- 13.10 Medical certificates may be requested by the Employer when a nurse is absent due to illness. This certificate must be submitted within four days of returning to work and must show the dates that the nurse was unable to work due to sickness or accident.

- 13.11 When the Employer requires a medical certificate from a medical practitioner, it shall promptly reimburse the nurse for the receipted amount paid for that certificate up to a maximum of the current OMA Schedule of Fees for third party and other uninsured services for private insurance sickness forms (both original and supplemental or continuation forms) plus ten percent (10%) of that current suggested fee. Any charge incurred by the nurse above this maximum will be the responsibility of the nurse.

#### ARTICLE 14 - HOURS OF WORK

The only exception to this would be employees for whom taking the medication will result in the employee being physically ill to the extent that they cannot attend work. Upon written direction from the employee's physician of such medical condition in consultation with the Employer's physician, (if requested), the employee will be permitted to access their sick bank, if any, during any outbreak period. If there is a dispute between the physicians, the employee will be placed on unpaid leave.

20.04

Claim for recent related clinical experience, if any, shall be made in writing by the nurse at the time of hiring on the application for employment form or otherwise. The nurse shall co-operate with the Employer by providing verification of previous experience so that their recent related clinical experience may be determined and evaluated during their probationary period. Having established the recent related clinical experience, the Employer will credit a new

nurse with one (1) annual service increment for everyone (1) year of experience up to the maximum level of the grid.

If a period of more than two (2) years has elapsed since the nurse has occupied a full-time or a part-time nursing position, then the number of increments to be paid, if any, shall be at the discretion of the Employer.

Note: Nurses currently on staff who had applied for a recent related experience credit and had been capped in the receipt of full credit as a result of the previous language, who are not at the maximum pay level of the grid, may apply for reconsideration within sixty (60) days of the date of ratification of this Memorandum. Where a change is made to the pay level of a nurse under these conditions it will be effective the date the nurse made the application for reconsideration.

20.05      Full-time: Each full-time nurse will be advanced from their present level to the next level set out in the Salary Schedule, twelve (12) months after they were last advanced on their service review date. If a nurse's absence without pay from the Home exceeds thirty (30) continuous calendar days during each twelve (12) month period, their service review date will be extended by the length of such absence in excess of thirty (30) continuous calendar days.

Part-time: Each part-time nurse will be advanced from their present level on the salary schedule to the next level on the salary schedule after obtaining one year's service credit, calculated in accordance with the provisions of Article 11.03.

20.06      A part-time nurse whose status is altered to full-time will assume their same level on the full-time grid. A full-time nurse whose status is altered to part-time will assume their same level on the part-time grid. In addition, a nurse who is so transferred will be given credit for service accumulated since the date of their last advancement.

20.07      (a)      When a new classification in the bargaining unit is established by the Employer or the Employer makes a substantial change in the job content of an existing classification which in reality causes such classification to become a new classification, the Employer shall advise the Union of such new or changed classification and the rate of pay established. If requested, the Employer agrees to meet with the Union to permit it to make representations with respect to the appropriate rate of pay providing any such meeting shall not delay the implementation of the new classification. Where the Union challenges the rate established by the Employer and the matter is not resolved following any meeting with the Union, a grievance may be filed at Step Two of the Grievance Procedure within seven (7) calendar days following any meeting. If the matter is not resolved in the Grievance Procedure, it may be referred to arbitration in accordance with Article 8.10, it being understood that any arbitration board shall be limited to establishing an appropriate rate based on the relationship existing amongst other nursing classifications within the

Home and duties and responsibilities involved.

Any change in the rate established by the Employer either through meetings with the Union or by a board of arbitration shall be made retroactive to the time at which the new or changed classification was first filled.

## **APPENDIX 4 – SUPERIOR CONDITIONS**

The permanent full-time incumbent Nurse Practitioner/R.N.E.C. who has six (6) weeks of vacation but less than twenty (20) years of service, will maintain their six (6) weeks of vacation entitlement until such time as they achieve enough service to move to the next vacation increment in accordance with Article 17.

(hereinafter referred to as the 'Employer')

And:

### Re: Extended Tours

1. The collective agreement will be interpreted in such a manner that the extended tours do not, in and of themselves, result in increased cost to the Employer. For example, vacation entitlement will be converted to hours based on a 7.5-hour day; holiday pay and any lieu days to which a nurse may become entitled will be based on a 7.5-hour day; bereavement leave will be converted to 30 hours.
2. Either party may give the other sixty (60) days' notice of its intention to discontinue any extended tours that are in place. Thereafter the parties shall meet to discuss the concerns of the party wishing to cease the extended tours and shall attempt to resolve the concerns so expressed. In the absence of such a resolution the extended tours in place shall come to an end sixty (60) days after notice was given.
3. The continuation of Extended Tours under this agreement are based on the following rights of the parties, subject to (2) above:
  - (a) the right of the nurses to return to the scheduling pattern in the collective agreement if fifty percent (50%) of the nurses so indicate by secret ballot.
  - (b) the right of the Employer to discontinue the use of extended tours because of adverse effects on resident care; an inability to provide a workable staffing schedule; objective increased costs to the Employer arising out of the use of extended tours; or upon a determination that the extended tours should be terminated for some other reason set out, provided the Employer advises the Union of its concerns, and further provides the Union with an opportunity to address those concerns.

### Re: Job Sharing

Whereas the parties have agreed to create job-sharing arrangement(s) pursuant to the Letter of Understanding regarding job sharing, the following conditions shall apply:

1. The introduction of job-sharing arrangements in the Home shall be subject to mutual agreement between the Union and the Employer. Job-sharing arrangements shall be voluntary for all participants. The Employer shall not arbitrarily or unreasonably refuse to implement job sharing.
2. All job-sharers shall be treated as regular part-time nurses and be entitled to all the regular part-time provisions of the Collective Agreement except where referred to and/or amended herein. Job sharers may be called for additional unscheduled shifts only after all other regular part-time nurses have been called.
3. Total hours worked by the two (2) job sharers shall equal one (1) full-time position. The division of these hours on the schedule shall be determined by mutual agreement between the two (2) nurses involved and the Executive Director of Resident Nursing Services or designate. All scheduled tours shall be covered.
4. Job-sharers can be scheduled to work outside their regular hours for that position where the Nurse so agrees, pursuant to the parameters identified in Article 14.03 (k to o). Each job-sharer may exchange shifts with their partner, as well as with other nurses as provided by the Collective Agreement.
5. Posted schedules shall conform with the scheduling provisions of the Full-time Collective Agreement.
6. Job-sharers shall only be required to work the number of paid holidays that a full-time nurse would be required to work unless mutually agreed otherwise. The job-sharers involved will determine between themselves and the executive Director of Resident Nursing Services or designate which partner will work on scheduled paid holidays.
7. Scheduling for Christmas and New Year's shall be in accordance with the full- time scheduling provisions of the Collective Agreement.
8. Coverage:

- i) Both job sharers will be given the option to cover each other's incidental illnesses or leaves of absences. If one cannot cover the other the Executive Director of Resident Nursing Services must be notified to book coverage. Job sharers are not required to cover for their partner in the case of prolonged or extended absences.
- ii) For vacation, the Employer will look to the job-sharing partner to provide the replacement, and when so provided, this position shall not form part of any vacation quota. If the partner is unable to provide this replacement, the Employer will then follow the usual replacement protocol in accordance with the Collective Agreement.

Job-sharing partners will not be required to provide any other vacation coverage except by mutual agreement.

9. Implementation:

- i) Where the job-sharing arrangement arises out of the filling of a vacant full-time position, both job-sharing positions will be posted, and selection will be based on the criteria set out in the Collective Agreement.
- ii) Any incumbent full-time nurse wishing to share their position may do so without having their half of the position posted. The other half of the job-sharing position will be posted, and selection will be made on the criteria set out in the Collective Agreement.
- iii) Where two full-time nurses wish to share a full-time position, they will choose which one of the two (2) positions will be shared and the remaining position will be filled on a temporary basis for the duration of the trial six (6) month period of the job-sharing agreement.
- iv) If one of the job-sharers leaves the arrangement, their position will be posted. If there is no successful applicant to the posted position, the remaining nurse will revert to their former position. If the remaining nurse was previously full-time, the shared position will become their position. If the remaining nurse was previously part-time and there is no part-time position available, they shall exercise their layoff bumping rights to obtain a part-time position. The shared position would then revert to a full-time position and be posted according to the Collective Agreement.

10. Discontinuation

- i) Each job-sharing arrangement will be allowed a trial period of six (6) months. If either the Employer or the nurses who take part in job-sharing wish to terminate the job-sharing arrangement during this trial period, they may do so with advance written notification of sixty (60) days. The nurses will revert to their previous positions held immediately prior to the job-sharing arrangement.

Once the trial period is over, the nurse cannot revert to their former position

except under 9 iv) above.

- ii) After the trial period either party may discontinue the job-sharing arrangement with ninety (90) days' advance written notice. Upon receipt of such notice a meeting shall be held between the parties within fifteen (15) days to discuss the discontinuation.

The shared position would then revert to a full-time position and be posted according to the Collective Agreement. Should the Employer or the Union discontinue job-sharing, the nurses currently working those arrangements will revert to their former status.

- iii) Where a nurse does not have a former position to return to, the layoff and recall provisions of the collective agreement will apply. Where there remains a vacancy after nurses revert to their former position, the vacancy will be posted in accordance with the collective agreement.
- iv) It is understood and agreed that any discontinuation of a job-sharing arrangement shall not be done in an unreasonable or arbitrary manner.

- 11. No new job-sharing requests will be granted once any notice of lay-off has been provided to the Union until the notice period has expired.

- (d) The Nurse Practitioner/R.N.E.C. is entitled to attend up to two conferences per year related to the position/occupation. Re: New Systems Implementation – Grievance Process

Extendicare is planning on introducing a new Human Resources Information System during the life of this collective agreement. Extendicare expects there to be minor administrative adjustments that will not negatively impact membership or violate the collective agreement.

It is understood, however, that with a transfer from one system to another that it is possible Extendicare will experience higher than normal volume of administrative errors. In an effort to have these issues expediently resolved, the Union and the Employer will develop a process outside the grievance articles of the collective agreement for these issues to be logged and dealt with in a timely manner. The parties agree to use this process and not the grievance process for matters relating to this system implementation.

If a matter remains unresolved for longer than ten (10) business days, either party may initiate the appropriate steps of the grievance process.
