ARTICLE 1 – PURPOSE

- 1.01 The general purpose of this Agreement is to establish mutually satisfactory employment relations between the Employer and the employees covered by this Agreement. It provides the means for prompt settlement of grievances and establishes salaries, hours of work and other conditions of employment.
- 1.02 It is recognized that the parties wish to work together to secure the best possible nursing care and health protection for residents.
- 1.03 The Employer undertakes that it will not enter into any other agreement or contract with those employees for whom the Union has bargaining rights either individually or collectively which will conflict with any of the provisions of this Agreement.

ARTICLE 2 – SCOPE & DEFINITIONS

2.01 Recognition Clause

The Employer recognizes the Ontario Nurses' Association as the sole bargaining agent for all Registered Practical Nurses employed in a nursing capacity within the scope of the College of Nursing of Ontario by Finlandia Hoivakoti Nursing Home (Finlandia Nursing Home Limited) in the City of Greater Sudbury, save and except supervisors excluded pursuant to Section 1 (3) b of the Labour Relations Act, persons above that rank, and employees included in other bargaining units as of October 31, 2001.

DEFINITIONS:

2.02 Definitions - Full-time/Regular Part-time

The Employer recognizes the following category of employees:

- (a) A full-time employee shall mean an employee covered by this Agreement who is committed to and regularly works the full work period of **seventy five (75) hours**, exclusive of overtime.
- (b) A regular part-time employee is one who is committed to and regularly works less than the full prescribed bi-weekly hours of work.
- (c) A casual part-time employee means an employee who is called to work on a call-in basis, but who does not work a regular schedule, or does so only for a specified period. Such employee has the option

of refusing work when it is made available to them, however, it is also understood that a casual part-time employee cannot unreasonably or consistently refuse to work shifts.

2.03 Whenever the feminine pronoun is used in this agreement, it includes the masculine and non-binary pronoun, where the context so requires and vice-versa. Where the singular is used, it may also be deemed to mean the plural and vice-versa.

2.04 Work of the Bargaining Unit

“Reassignment to other employees of work normally performed by members of the bargaining unit shall not result in the termination, lay-off or reduction in hours of work of any member of the bargaining unit. It is clearly understood that reassignment of duties normally performed by RPNs to non-managerial RNs shall not constitute a violation of this provision.”

2.05 Contracting Out

The Employer shall not contract out any work usually performed by members of the bargaining unit if, as a result of such contracting-out, a layoff of any employees other than non-regularly scheduled part-time employees results from such contracting out.

2.06 For purposes of this agreement and the benefits contained herein, including insurance coverage, dependent coverage is available to the employee to cover their same sex partner and their dependents, in accordance with the terms and conditions of the plans.

2.07 All references to officers, representatives and committee members of the Union in this Agreement shall be deemed to mean officers, representatives and committee members of the bargaining unit who are employed by the Employer.

2.08 The word “employee” or “nurse” or “employees” or “nurses” when used in this Agreement shall mean persons employed by the Employer whose positions fall within the scope of the bargaining unit described in Article 2.01.

Such termination shall not be the subject of a grievance or arbitration subject to the provisions of the *Ontario Human Rights Code*.
- 2.12 When it is decided to not fill a position following an employee's resignation, the Home will provide the rationale in writing for this decision to the Union. The Union may request a meeting to make representation on this matter.

ARTICLE 3 – MANAGEMENT RIGHTS

- 3.01 The Union acknowledges that all management rights and prerogatives are vested exclusively with the Employer and without limiting the generality of the foregoing; it is the exclusive function of the Employer:

The grievance shall then be treated as being initiated at Step No. 1 and the applicable provisions of this Article shall then apply with respect to the processing of such grievance.

8.08 Discharge Grievance

- (a) An employee shall only be discharged from the employment for just cause, except that an employee who has not completed the probationary period may be released based on a fair and proper assessment against reasonable standards of performance and suitability. The recipient of the notice shall, within ten (10) days, inform the other party of the name of its appointee to the Arbitration Board. The two appointees so selected shall within ten (10) days of the appointment of the second of them, appoint a third person who shall be the Chairperson. If the recipient of the notice fails to appoint a nominee, or if the two nominees fail to agree upon a Chairperson within the time limit, the appointment shall be made by the Minister of Labour for Ontario upon the request of either party.

- 8.16 The Board of Arbitration shall have authority only to settle disputes under the terms of this Agreement and only to interpret and apply this Agreement. - 8.17 The Board of Arbitration shall have no power to alter, add to, subtract from, modify or amend this Agreement in order to give any decision inconsistent with it.
- 8.18 Each of the parties shall pay its own expenses including pay for witnesses and the expense of its own nominee and one-half of the expenses and fees of the Chairperson.
- 8.19 The parties may agree that there are circumstances where the services of a grievance mediator may allow for an objective, independent review of the issue(s) in dispute and assist the parties in resolving grievances.

By mutual agreement the parties may extend the time limits and utilize the services of a Mediator.

The cost of the Mediator will be shared between the parties.

- 8.20 The parties may, by written agreement, substitute a sole Arbitrator for the Board of Arbitration and the Arbitrator shall possess the same powers and be subject to the same limitations as a Board of Arbitration.

- (a) Notwithstanding Article 13.07, it is agreed that part-time employees may split maximum of two (2) weeks of their vacation entitlement into a total of four (4) “blocks” or “segments” of vacation time. For example, the part-time may split one (1) week of vacation into a block of two (2) days and a block of three (3) days, or a block of four (4) days and a block of one (1) single day. It is understood, however, that in the non-prime summer vacation period (i.e. in other than the June 15th – September 15th period), a part-time may only request to take a block of at least two (2) days on a scheduled weekend of work and cannot request a single day on a weekend of work.**
- (b) It is further understood and agreed that during the prime summer period of June 15th – September 15th, a part-time employee cannot request to take any of their split vacation week on their scheduled weekends of work. Requests to take their split week vacation entitlement on other than scheduled weekends of work during the prime summer vacation period of**

June 15th – September 15th may be granted subject to the Employer satisfying its staffing requirements and further provided that notwithstanding 13.10(a), such request will have lesser priority than request for minimum one (1) week blocks of vacation.

- (c) It is understood that the employee must request the single or multiple vacation days in accordance with the timeframes set out in Article 13.10(b) and (c), as applicable.***

ARTICLE 14 – DISABILITY INCOME PROTECTION PLAN

14.01 Income protection is payable when a full-time employee is absent from work due to legitimate personal illness or injury which is not compensable under the *Workplace Safety and Insurance Act*. It is understood that payment of income protection is for the sole and only purpose of protecting employees against the loss of income during time of such illness. Seniority and service will accrue and the Employer shall continue to pay its share of the premium for the benefit plans during the period of the income protection noted in this provision.

- (a) The Employer will pay seventy percent (70%) of the full-time employees straight-time scheduled wages lost as a result of legitimate personal illness or injury up to the end of the first week of such illness or injury.
- (b) The employee shall apply for E.I. sick leave for weeks 2 through 16 of any legitimate illness or injury. The Employer will top-up these benefits to seventy percent (70%) of straight time wages. In the event the employee does not qualify for E.I. Sick Leave benefits by reason of lack of adequate contributions, they shall receive seventy percent (70%) of their straight time wages for weeks 2 through 16 of any legitimate illness or injury but shall not be eligible for benefits under (c) below. The employee will endeavour to provide initial confirmation of Employment Insurance payment (or more frequently where the payment changes) within two (2) weeks of receipt of the employee's EI benefit.
- (c) The Employer will pay one hundred percent (100%) of the billed premium for full-time employees for a weekly indemnity plan covering legitimate personal illness or injury for weeks seventeen (17) through thirty (30) of such illness or injury. Payment under weekly indemnity will be seventy percent (70%) of scheduled straight-time wages lost.

14.02 The parties agree that sub-article 14.01 (a) (i-ii) will be applied in the following manner during the Employer self-insured period:

- (a) For any absence for which sick pay is claimed, an employee must provide the Employer with a certificate, in the form attached hereto as Schedule "A", signed by the employee and confirming that personal illness or injury has prevented the employee's attendance at work on those days.
- (b) The employee will be required to provide the Employer with a medical certificate as set out in Schedule "B", confirming that the employee's personal illness or injury prevented the employee's attendance at work, if:
 - i) The employee has been absent for at least three consecutively scheduled shifts, and the Employer has requested such certificate, or
 - ii) The employee has an established pattern of absenteeism, and the Employer has given the employee written notice that they must provide such a certificate.
- (c) The employee will be required to provide the Employer with a medical certificate as set out in Schedule "B", confirming that the employee's personal illness or injury prevented the employee's attendance at work, if the Employer requests that the employee provide a certificate from their physician (or nurse practitioner or midwife, in the context of the employee's pregnancy) that they are sufficiently recovered from the personal illness which caused their absence and is capable of performing their former duties and responsibilities; the employee's reinstatement after sick leave will be conditional on them supplying such certificate.
- (d) The Employer reserves the right to require a medical certificate at the Employer's expense in special circumstances, such as:
 - i) When the information provided in the standard form is insufficient to substantiate illness or injury, or
 - ii) When additional information is required to establish that the employee is medically able to return to work with or without accommodation, or
 - iii) Under other circumstances, subject to a reasonable rationale.

It is understood that the Employer is not entitled to request or receive a medical diagnosis, except or unless it is required by a statutory or regulatory body or organization but is entitled to request and receive a prognosis concerning the employee's medical condition.

- 14.03 If the WSIB does not approve a claim for benefits, the employee may apply for benefits under Article 14.01 notwithstanding the delay inherent in awaiting the ruling from WSIB and notwithstanding any procedural rules of any insurance carrier administering the benefit.
- 14.04 The employees must provide the most notice possible of absence due to personal illness. Employees must also notify of their intent to return to work after illness as far in advance as possible to the start of the shift in which they plan to attend in accordance with the following, or else there may be no work available on such shift.
- 14.05 The Employer may request proof of illness in the form of a medical certificate signed by a qualified medical practitioner from any employee who reports illness. Where the Employer requires a medical certificate and the physician charges the employee, the Employer shall reimburse the employee for the cost of the medical certificate.

ARTICLE 15 – HOURS OF WORK & SCHEDULING

- 15.01 The normal hours of work for an employee are not a guarantee of work per day or per week, or a guarantee of days of work per week. The normal hours of work shall be seven and one-half (7½) hours per day, and seventy-five (75) hours in any bi-weekly period. The Employer shall not schedule split shifts.
- 15.02 The normal daily shift shall consist of seven and one-half (7½) consecutive hours, exclusive of a one-half (½) hour unpaid meal period. Employees shall be entitled to a fifteen (15) minute paid break during each half of the normal daily shift, at a time designated by the Employer.
- 15.03 Employees required for reporting purposes shall remain at work for a period of up to fifteen (15) minutes which shall be unpaid. Should the reporting time extend beyond fifteen (15) minutes however, the entire period shall be considered overtime for the purposes of payment.
- 15.04 Requests for change in posted work schedules must be submitted in writing at least forty-eight (48) hours in advance and co-signed by the employee willing to exchange days off or shifts and are subject to the discretion of the Administrator or their designate. Where it is impossible for the exchanging employees to provide forty-eight (48) hours advance notice, the Employer may in its sole discretion still grant the exchange.

It is understood that such a change initiated by the employee and approved by the Employer shall not result in overtime compensation or payment or any other claims on the Employer by any employee under the terms of this Agreement.

15.05 An employee will be paid for actual hours worked during a shift that is impacted by daylight savings time. Overtime will not be paid for additional hours worked during a twenty-four (24) hour period either as a result of a change-over to daylight saving from standard time or visa versa.

15.06 In the event that a meal period is interrupted requiring an employee to attend to a work-related problem, then the balance of the unused meal period will be taken within two (2) hours of the interruption. If the employee is unable to reschedule such time, they shall be paid time and one-half (1½) their regular straight time hourly rate for all time worked in excess of their normal daily hours, in accordance with Article 16.01.

15.07 Extended Tours/Hybrid Schedules

The Employer and the Union may agree to implement extended tours or hybrid schedule (mix of extended and normal tours). For clarity, a hybrid schedule may include extended tours on weekends and normal tours during the week. The following will apply:

- (a) Each facility/unit must have sixty-six and two thirds' percent (66⅔%) agreement of the full-time and part-time employees who work in the facility/ unit.

Each Home must have the majority agreement of the full-time and part-time employees who vote on the issue to agree on a trial period of up to six months.

Once the trial period is complete, each Home must have a minimum of 66⅔% agreement of the full-time and part-time employees who vote on the issue to continue with the new schedule on a permanent basis.

- (b) The Extended Tour/Hybrid Schedule may be cancelled by either party on giving ten (10) calendar weeks' notice to the other in writing of its desire to terminate. A meeting shall be held within two (2) weeks of receipt of such notice to discuss the reasons for the cancellation.

Extended tours may be discontinued by the Union in any facility/unit when sixty percent (60%) of the full-time and part-time employees in the facility/unit so indicate by secret ballot to the Union.

- (c) With the exception of the specific variations set forth in this Article, all other conditions and terms of the Collective Agreement and Appendices shall remain in full force and effect.

(d) Hours of Work

- i) Where employees are now working a longer daily tour, the provisions set out in this Article governing the regular hours of work on a daily tour shall be adjusted accordingly.
 - ii) The normal daily extended tour shall be 11.25 consecutive hours in any 24-hour period, exclusive of a total of forty-five (45) minutes of unpaid mealtime. For hybrid schedules, there will be scheduled normal daily tours of seven and one-half (7½) hours and 11.25 consecutive hours per day.
 - iii) Employees working an extended tour shall be entitled, subject to the exigencies of resident care, to paid relief periods during the tour of a total of forty-five (45) minutes. For hybrid schedules, there will also be shifts that provide for relief periods in accordance with Article 15.02.
 - iv) Scheduling issues will be resolved at the local level.
 - v) Where the Union and the Employer have agreed to or agree to an extended daily tour or hybrid schedule that differs from the normal daily extended tour, the proportion of unpaid time to hours of work shall maintain the same ratio as set out in paragraph ii) and iii) of this Article.
- (e) Payment for bereavement leave is based on 11.25 hours for extended tours. For hybrid schedules, the payment for bereavement leave shall be based on the length of scheduled shift.
 - (f) Payment for vacation and paid holidays for full-time employees is based on the equivalent to the 7.5-hour entitlement. For clarity, payment for lieu days as a result of a paid holiday for full-time employees is paid at 7.5 hours.
 - (g) Shift and weekend premiums as per Article 16.07 will be paid for the same hours as applied to seven and one half (7.5) hour tours, the intention being that the total amount of shift or weekend premium will not change because of the move to extended tours or hybrid schedules.
 - (h) Overtime premium as set out in Article 16.01 shall be paid for all hours paid in excess of 11.25 hours on a scheduled extended tour or 75 hours bi-weekly averaged over the duration of a six (6) week schedule.

For a hybrid schedule, the overtime premium as set out in Article 16.01 shall be paid for all hours in excess of the scheduled shift length on that day or 75 hours bi-weekly averaged over the duration of the scheduling period unless otherwise agreed between the local parties.

- (i) Shift exchanges will be in accordance with Article 15.04.
- (j) Should the Employer refuse to grant a request under this Article, it shall provide to the Union its reasons orally.
- (k) 4 on / 5 off

Where the Union and the Employer agree to implement an extended tour arrangement in accordance with the above provisions, the parties can further agree to specific scheduling language related to a "4 On/5 Off" schedule that will be negotiated locally by the Home and the Union subject to the following principles:

- i) There shall be an initial trial period as negotiated by the local parties prior to the implementation of a permanent schedule.
- ii) All "4 on/5 off" schedules will be done on the basis that each full-time employee will be scheduled for 1,950 hours per calendar year, unless Articles 2.02 (a) or 15.08 applies.
- iii) All other scheduling issues (e.g. scheduling of paid holidays, weekends off, Christmas time off, etc.) shall be negotiated by the local parties.

15.08 Individual Special Circumstance Arrangements

Notwithstanding Article 2.02, the Home and the Union may agree in certain circumstances, to adjust the schedule of an individual full-time employee who normally works seventy-five (75) hours bi-weekly, to enable an average bi-weekly work assignment of sixty (60) to seventy-five (75) hours.

- (a) Such an arrangement shall be established by mutual agreement of the Home and the Union and the employee affected. The parties agree that the arrangement applies to an individual, not to a position. The parties will agree to the scheduling provisions that will apply to the employee including that no additional shifts will be scheduled for employees working Individual Special Circumstances Arrangements.
- (b) The parties shall determine the introduction of a special circumstance arrangement. Issues related to vacation, paid

holidays and benefit coverage will be determined by the Home and the Union. The employee will retain full-time status, including but not limited to seniority and service.

- (c) Any party may discontinue the special circumstance arrangement with notice as determined within the agreement. In the event that the employee affected resigns, transfers, is laid off or terminated, the arrangement will be deemed to be discontinued immediately, unless the parties mutually agree otherwise.
- (d) It is understood and agreed that these arrangements are based on individual circumstances and each agreement is made on a without prejudice or precedent basis.

15.09 Innovative Scheduling

Schedules which are inconsistent with the Collective Agreement provisions may be developed in order to improve quality of working life, support continuity of resident care, ensure adequate staffing resources, and support cost-efficiency. The parties agree that such innovative schedules may be determined locally by the Home and the Union subject to the following principles:

- (a) Such schedules shall be established by mutual agreement of the Home and the Union.
- (b) These schedules may pertain to full-time and/or part-time employees.
- (c) The introduction of such schedules and trial periods, if any, shall be determined by the local parties. Such schedules may be discontinued by either party with notice as determined through local negotiations.
- (d) Upon written agreement of the Home and the Union, the parties may agree to amend collective agreement provisions to accommodate any innovative unit schedules.
- (e) It is understood and agreed that these arrangements are based on individual circumstances and each agreement is made on a without prejudice or precedent basis.
- (f) It is understood and agreed that these arrangements can be utilized for temporary job postings for seasonal coverage (e.g. weekend workers, etc.).

15.10 Four on, Two off Schedule

In an effort to maximize full-time employment opportunities, the local parties may agree to a “four on, two off” innovative schedule, subject to the following principles:

- (a) The introduction of such schedules and trial periods, if any, shall be determined by the local parties.

Each Home must have the majority agreement of the full-time and part-time employees who vote on the issue to agree on a trial period of up to six months.

Once the trial period is complete, each Home must have a minimum of 66⅔% agreement of the full-time and part-time employees who vote on the issue to continue with the new schedule on a permanent basis.

- (b) The implementation of such schedules shall be established only by mutual agreement of the Employer and the Union.
- (c) Notwithstanding the definition for full-time employee under Article 2.02, employees who participate in this schedule will normally be scheduled for thirty-five (35) hours per week on average and will be considered a full-time employee for all purposes of the collective agreement.
- (d)
 - i) Notwithstanding Article 16.01, for the purposes of bi-weekly overtime, the normal weekly full-time hours shall remain at seventy-five (75) hours per bi-weekly average over a six (6) week period. In each bi-weekly pay period the employee will be paid for all hours worked. At the end of the six (6) week period, entitlement for bi-weekly overtime will be calculated and paid.
 - ii) Notwithstanding Article 16.01, for the purposes of daily overtime, the normal daily hours shall remain at seven and a half (7.5) hours per day. In each bi-weekly pay period the employee will be paid for all hours worked including daily overtime, if any.
- (e) For the purposes of vacation entitlement, the current collective agreement provisions shall apply using thirty-five (35) hours per week.
- (f) Each facility/unit must have eighty percent (80%) agreement of the full-time and part-time employees who work in the facility/unit.

- (g) The Four on, Two off schedule, may be discontinued by either party upon receipt of twelve (12) weeks' notice to the other in writing of its desire to terminate. A meeting shall be held within two (2) weeks of receipt of such notice to discuss the reasons for the discontinuation.

The Four on, Two off schedule, may be discontinued by the Union in any facility/unit when sixty percent (60%) of the employees in the facility/unit so indicate by secret ballot to the Union.

15.11 Job Sharing / Time Sharing

- (a) Job sharing shall be interpreted to mean two employees sharing one full-time position (10 shifts bi-weekly).
- (b) Time sharing shall be interpreted to mean two employees sharing one full line (14 shifts bi-weekly).

Clarifying Note: One full-time and a regular part-time "shadow" does not constitute a time-sharing arrangement.

- (c) The introduction of job/time sharing arrangements in a Home will be subject to mutual agreement between the Union and the Employer.

Job/time sharing requests shall be considered on an individual basis. Such approval will not be unreasonably withheld.

- (d) The employees involved in job share/ time sharing are entitled to all the regular part-time provisions except those which are modified as follows:
 - i) Schedules and scheduling language shall be established by the mutual agreement of the Union and the Home. This will include the division of hours between the job/time sharers.
 - ii) Each job/time sharer may exchange shifts with their partner as well as other employees as provided by the Collective Agreement.

Employees who are currently in a job/time sharing arrangement and are full-time will retain that status and be covered by the full-time provisions of the collective agreement. For clarity, this grandparents employees in time sharing arrangements, not positions. When individuals leave these positions, the vacant position will be posted under (f) and (g) below.

(e) Absences and Leaves

In the event that one member of the job/time sharing arrangement is off due to illness or injury or goes on any other leave of absence, the remaining partner will endeavour to cover all of the absent partner's shifts for the duration of the absence. If the employee is unable to cover the absences, they must inform the Director of Resident Care or designate.

(f) Implementation

- i) Where the job/time sharing arrangement arises out of the filling of a vacant full-time position, the full-time position will be posted first and in the event that there are no successful applicants, then both job/time sharing positions will be posted and selection will be based on the criteria set out in the Collective Agreement.
- ii) An incumbent full-time employee wishing to share their position may do so without having their half of the position posted. The other half of the job their /time sharing position will be posted and selection will be made on the criteria set out in the Collective Agreement.
- iii) It is understood and agreed that the arrangement is for a trial period of six (6) months for the full-time employee originating the request.

Once the trial period is over, the employee cannot revert to their former position except under (v) below.

- iv) Where two (2) full-time employees wish to job/time share one (1) position, neither half will be posted providing this would create one (1) full-time position to be posted and filled according to the collective agreement.
- v) If one of the job/time sharers leaves the arrangement, their position will be posted. If there is no successful applicant to the position, the remaining employee will revert to their former status. If the remaining employee was previously full-time, the shared position will become their position. If the remaining employee was previously part-time and there is no part-time position available, they shall exercise their-layoff bumping rights to obtain a part-time position. The shared position would then revert to a full-time position and be posted according to the Collective Agreement.

(g) Discontinuation

Either party may discontinue the job/time sharing arrangement with ninety (90) days' notice. Upon receipt of such notice a meeting shall be held between the parties within fifteen (15) days to discuss the discontinuation. It is understood and agreed that such discontinuation shall not be unreasonable or arbitrary.

The shared position would then revert to a full-time position and be posted according to the Collective Agreement. Should the Employer or the Union discontinue job/time sharing, the employees currently working those arrangements will revert to their former status.

Where an employee does not have a former position to return to, the layoff and recall provisions of the collective agreement will apply. Where there remains a vacancy after employees revert to their former position, the vacancy will be posted in accordance with the collective agreement.

15.12 Weekend Worker

A weekend schedule may be developed in order to meet the Home's need for weekend staff, and individual employees' preference for a weekend work schedule.

A weekend schedule is defined as a schedule in which a full-time weekend worker works a weekly average of thirty (30) hours and is paid for 37.5 hours at their regular straight time hourly rate. The schedule must include two 11.25-hour tours, which fall within a weekend period as determined by the Home and the Union. An employee working a weekend schedule will work every weekend except as provided for in the provisions below.

The Employer and the Union may agree to implement weekend worker position(s) if sixty-six and two thirds percent (66⅔%) of the full-time and part-time employees who work in the facility/unit are in agreement. The introduction of that schedule and the manner in which the position(s) are filled, shall be determined by the local parties. This schedule may be discontinued by either party with notice as determined by the local parties. The opportunity for an individual employee to discontinue this schedule shall be resolved by the local parties.

Notwithstanding the voting mechanism above, a three (3) month trial period (or longer period, where agreed by the Home and the Union) for a weekend worker arrangement may be implemented without a vote in circumstances where the following additional conditions apply:

- An RPN (or RPNs) volunteers or applies for a weekend worker position and the Home and the Union agrees to accept the request.

- The work schedule will be modified to accommodate such a request provided there is no reduction in the regularly scheduled hours of the other RPNs in the bargaining unit.
- Prior to the conclusion of the trial period, representatives of the Home and of the Union will evaluate and discuss the outcomes.

Each Home must have the majority agreement of the full-time and part-time employees who vote on the issue to agree on a trial period of up to six months.

Once the trial period is complete, each Home must have a minimum of 66⅔% agreement of the full-time and part-time employees who vote on the issue to continue with the new schedule on a permanent basis.

(a) Weekend and shift premiums shall not be paid.

(b) Vacation Bank

Vacation entitlement is determined by Article 13. For the purposes of Article 13, hours worked or credited as paid leave will be based on an accelerated rate of 1.25 hours credit for each hour worked. Mechanism for the vacation bank is determined by current local practices.

Drawing from the vacation bank will occur at an accelerated rate of 1.25 paid hours for every hour taken as vacation (i.e. 11.25 hours worked equals 14.05 hours paid; 7.5 hours worked equals 9.375 hours paid).

Vacation must be taken as a full weekend off (i.e. Saturday and Sunday). The maximum number of weekends off cannot exceed the week entitlement level determined by Article 13.

Single vacation days may be taken on weekdays, which need not be in conjunction with the Saturday and Sunday. Vacation – Interruption does not apply.

(c) Paid Holiday Bank

Employees qualify in accordance with the collective agreement. The paid holidays are identified in the Collective Agreement.

Credit to the paid holiday bank will occur on the date of the holiday.

Drawing from the paid holiday bank will occur at an accelerated rate of 1.25 hours paid for every hour taken (i.e. 11.25 hours worked equals 14.05 hours paid; 7.5 hours worked equals 9.375 hours paid).

If an employee works on a paid holiday as defined by the local parties, they will receive one and one-half (1½) times their regular straight time hourly rate of pay for all hours worked on a holiday. The employee will not receive a lieu day. Article 16.02 also applies.

The holiday bank can be used as income replacement for absences due to illness or for lieu time off on a weekday.

(d) Sick Leave

The employee is eligible for long term disability benefits if provided for in the Collective Agreement. An employee will not receive pay for the first two (2) weeks of any period of absence due to a legitimate illness. The employee may utilize the paid holiday bank as income replacement for absences due to illness, as described in Article (c) above. An employee who is eligible may apply for

Employment Insurance for weeks two (2) through sixteen (16) for any absence due to a legitimate illness. The Home will provide the employee with Disability Income Protection as per Article 14.01 (c) for weeks seventeen (17) through thirty (30) for any absence due to a legitimate illness.

Employees may be required to provide medical proof of illness for any absence of a scheduled shift, which is neither vacation nor an approved leave of absence.

(e) Leaves of Absence

Article 11 applies for both paid and unpaid leaves. For the purposes of an unpaid 11.25-hour shift, the deduction from pay shall equate to 14.05 hours. For the purposes of an unpaid 7.5-hour shift, the deduction from pay shall equate to 9.375 hours.

(f) Tour Exchange

Weekend shift exchanges will be permitted only between weekend shift employees. Weekday shift exchanges will be permitted, provided the Home does not incur additional costs.

(g) Overtime

Overtime will begin to accrue after sixty (60) hours in a two (2) week period averaged over the scheduling period determined by the local parties.

Overtime will apply if the employee works in excess of the normal daily hours.

Payment for overtime is as in Article 16.01.

(h) Scheduling Provisions

The scheduling and premium provisions relating to consecutive weekends off in Article 16 do not apply to employees who accept positions under this provision.

(i) Christmas Period

Article 16 relating to scheduling during this period will apply, except as modified to confirm that the weekend shift employee will continue to work weekends during this period.

(j) When a part-time employee works on a weekend normally worked by a weekend worker, all of the provisions of the Collective Agreement except 15.12 will apply.

15.13 Self-Scheduling

The Home and the Union may agree to implement a self-scheduling process. Self-scheduling is the mechanism by which employees in a Home create their own work schedules. The purpose of self-scheduling is to improve job satisfaction and quality of work life for the participating employees. Self-scheduling requires a collaboration of employees and management to ensure proper coverage of the Home and to meet the provisions of the Collective Agreement. It is agreed that self-scheduling will be negotiated locally by the Home and the Union and will include a trial period.

Each Home must have the majority agreement of the full-time and part-time employees who vote on the issue to agree on a trial period of up to six months.

Once the trial period is complete, each Home must have a minimum of 66⅔% agreement of the full-time and part-time employees who vote on the issue to continue with the new schedule on a permanent basis.

- 15.14** *The Employer will schedule employees such that there are sixteen (16) hours off between the end of one scheduled shift and the commencement of their next scheduled shift. It is understood that this provision does not apply to call-in shifts or to voluntary employee shift exchanges. Full time employees will not be required to rotate over more than two (2) different shifts during the week.*
- 15.15** *Tour schedules and days off will be posted at least two (2) weeks in advance. The Employer will make every effort to post a schedule to cover a six (6) week period, but in circumstances where the Employer cannot post a six (6) week period, the Employer will notify and meet with the union to discuss.*
- 15.16** *For vacation scheduling purposes only, in accordance with the Letter of Understanding – Scheduling of Regular Part-Time Employees regular part-time employees will indicate their availability to replace full-time and regular part-time employees at the time of vacation planning as per Article 13.10. The Employer may pre-book regular part-time employees based on their availability. Where no regular part-time employees are available, the Employer may pre-book casual part-time based on their availability.*
- 15.17** *The night shift shall be the first shift of the day.*

ARTICLE 16 – PREMIUM & OTHER PAYMENT

- 16.01** Overtime shall be paid for all paid hours over seven and one-half (7½) hours on a shift or seventy-five (75) hours bi-weekly at the rate of one and one-half (1½) times the employee's regular straight time hourly rate of pay. Overtime is subject to authorization by the Director of Nursing or designate. Authorization shall not be unreasonably withheld. In the event of an emergency, authorization may not be required.
- 16.02** When an employee is required to work on a paid holiday or on a day for which they are entitled to receive time and one-half (1½) their regular straight time hourly rate and they are required to work additional hours in excess of their normal seven and one-half (7½) hour shift on that day, they shall receive two (2) times their regular straight time hourly rate for such additional hours worked.
- 16.03** If an employee reports for work at the regularly scheduled time and no work is available, such employee will be paid a minimum of four (4) hours pay at their regular straight time hourly rate, provided the employee has not previously received notification orally or in writing not to report.

16.04 A full-time or part-time nurse called in to work with less than two (2) hours notice prior to the commencement of a tour and arrives within an hour of the commencement of a tour, shall be paid for the full tour.

16.05 If an employee works two consecutive shifts, they shall be provided a meal by the Employer, or if a meal cannot be provided, they receive a meal allowance of five dollars (\$5.00)

Effective October 25, 2021, if an employee works two consecutive shifts, they shall be provided a meal by the Home, or if a meal cannot be provided, they shall receive a meal allowance of ten dollars (\$10.00).

16.06 Standby and Call-In

- (a) An employee who is required to remain available for duty on standby outside their regularly scheduled working hours shall receive standby pay in the amount of three dollars and thirty cents (\$3.30) per hour for the period of standby scheduled by the Employer. Where such standby duty falls on a weekend or paid holiday, the employee shall receive standby pay in the amount of four dollars and ninety cents (\$4.90) per hour. Standby pay shall, however, cease where the employee is called in to work.

Effective July 1, 2022, an employee who is required to remain available for duty on standby outside their regularly scheduled working hours shall receive standby pay in the amount of three dollars and forty-five cents (\$3.45) per hour for the period of standby scheduled by the Home. Where such standby duty falls on a weekend or paid holiday, the employee shall receive standby pay in the amount of five dollars and five cents (\$5.05) per hour. Standby pay shall, however, cease where the employee is called in to work.

- (b) When an employee is required to work (in circumstances where the employee is on standby or where Employer asserts that the employee is not allowed to decline attendance) outside of regular hours, the minimum payment will be equivalent to four (4) hours work or time and one-half (1 ½) their applicable hourly rate for hours worked, whichever is greater. Where the hours worked are continuous with the commencement of their regular shift, the minimum payment will not apply, and they will receive payment at the rate of time and one-half (1½) for the hours worked prior to the commencement of their regular shift.
- (c) Where the employee is required to be on-standby outside their regular hours of work, they shall receive the on-call premium in accordance with Article 16.06 (a). When the employee's response to telephone calls from the Home does not necessitate travel, they shall be paid one and one-half times the regular hourly rate for a minimum of thirty (30) minutes or for the duration of the call

(whichever is the more advantageous). The employee shall keep a log of all calls and submit it to the Director of Care or designate. The employee cannot receive pay for other calls received during the same thirty (30) minute period. However, if the employee must return to the Home, they shall be paid in accordance with 16.06 (b).

16.07 Shift and Weekend Premium

- (b) Premium pay is payable whenever a weekend is worked in excess of the consecutive weekends permitted by the Collective Agreement unless the assignment of the weekend shift to the employee was initiated by that employee or unless another provision of the agreement makes it clear that premium pay is not due.

- 16.11 An employee shall have the option of selecting compensating time off in lieu of overtime premium payment. Time off shall be at the appropriate premium rate (i.e. 1.5 hours off for each hour of premium overtime worked). Employees may accumulate and bank up to a maximum of two (2) lieu days at any time. Accumulated lieu days shall not be used for the purpose of extending vacation. Unless the Employer agrees otherwise, accumulated lieu time must be taken between January 6th and November 30th of the year in which it is accumulated failing which it will be paid out. Employees who wish to utilize a lieu day shall make their request in writing at least two weeks in advance of the next posting of the schedule. For the sake of greater clarification, under the current “shadowing” method of scheduling, a “regularly scheduled part-time employee is a part-time employee who is a “shadower” who shadows the regularly scheduled days off of a full-time employee. 16.13 Christmas/New Year's

Except where an employee consents otherwise, the Employer will schedule employees off for three (3) or more consecutive days at either Christmas or New Year's, subject to the Employer being able to satisfy its staffing requirements. It is clearly understood that the Employer's obligation pursuant to this Collective Agreement is to provide the insurance coverage bargained for. Any problem with respect to the insurer acknowledging or honouring any claims is a matter as between the employee and the insurer. The Employer will notify the Union if it intends to change the Insurance Carrier.

Any grievance arising from the interpretation, application and/or administration of the health and welfare benefits shall be resolved as follows:

- (a) The Union or Employer shall file a written grievance within ten (10) days of its learning that an alleged problem exists. For insured benefits, a copy of the grievance shall be forwarded to the insurers.

Notwithstanding the foregoing, where an error has been made in deduction, the Employer shall, upon request, make full payment on any outstanding Employer contributions irrespective of whether the employee pays the matching amount.

The parties agree that this Article in no way prejudices the position of either party as it relates to the retroactivity application if an error is discovered.

18.03 The employee and Employer contributions shall be remitted to the Plan within thirty (30) days after the end of the calendar month in which the pay period ends for which the contributions are attributable.

It is understood and agreed by the Employer and the Union that should the current pension legislation or regulations be changed so that the Employer's obligation to contribute to the Plan exceeds the amount specified in the Collective Agreement then in force, the parties will meet directly to finalize methods to relieve the Employer of this increased obligation to the extent that any such obligation exceeds that which the Employer would have if the Plan were a defined contribution plan.

18.05 The Employer agrees to provide to the Administrator of the Plan, on a timely basis all information required pursuant to the *Pension Benefits Act, R.S.O. 1990, Ch P-8*, as amended, which the Administrator may reasonably require in order to properly record and process pension contributions and pension benefits.

In the event such information is not readily available without review of other information not relevant to the Plan, the Plan shall make arrangements with the Employer for access to the required information. This may include the Employer providing such information at reasonable cost to the Plan. If the Administrator of the Plan

and Employer are unable to agree on the form of such access, a mutually acceptable third party, such as a firm of accountants and auditors, shall be retained at the expense of the Plan to obtain such information from the Employer's files.

Such information shall be provided only on an enrolment of an employee or with the monthly remittances.

Any additional information requests beyond that noted above may be provided, if possible, by the Employer, it being understood that any additional costs of such request shall be borne by the Plan.

Louisa Davie will contact the Employer, who will respond within seven (7) days. If no resolve, Louisa Davie will convene a hearing to determine the matter within thirty (30) days.

If the employee fails to take the required medication, they may be placed on an unpaid leave of absence during any influenza outbreak in the home until such time as the employee has been cleared by the public health or the Employer to return to the work environment. The only exception to this would be employees for whom taking the medication will result in the employee being physically ill to the extent that they cannot attend work. Upon written direction from the employee's physician of such medical condition in consultation with the Employer's physician, (if requested), the employee will be permitted to access their sick bank, if any, during any outbreak period. If there is a dispute between the physicians, the employee will be placed on unpaid leave.

If the employee gets sick as a reaction to the drug and applies for WSIB the Employer will not oppose the application.

If an employee is pregnant and their physician believes the pregnancy could be in jeopardy as a result of the influenza inoculation and/or the antiviral medication, they shall be eligible for sick leave in circumstances where they are not allowed to attend at work as a result of an outbreak.

This clause shall be interpreted in a manner consistent with the *Ontario Human Rights Code*.

21.05 Criminal reference checks for employees that may be required by the Employer pursuant to provincial legislation will be paid by the Employer. It is understood that this provision does not apply to pre-employment criminal reference checks, and that any employee subsequently hired would not be eligible for reimbursement for any related costs.

21.06 Errors on Paycheques

In the event of an error on an employee's pay, the correction will be made in the pay period following the date on which the underpayment comes to the Employer's attention. If the error results in an employee being underpaid by one (1) day's pay or more, the Employer will provide payment for the shortfall within three (3) business days from the date it is notified of the error.

Effective October 25, 2021, if the error results in an employee being underpaid by three and one quarter (3.25) hours or more, the Employer will provide payment of the shortfall within three (3) business days from the date it is notified of the error.

If the Employer makes an overpayment of a day's pay or less for an employee, the overpayment will be deducted on the pay period following the date that the error is discovered. If the error is in excess of a normal day's pay, the Employer will be reimbursed based on a mutually satisfactory arrangement between the employee and the Employer.

21.07 Within fourteen (14) days of receipt of a written request from the employee, during employment, the Home will provide the employee with a letter detailing their employment dates, length of service (including total hours worked, available as of the date of the request) and experience at the Home.

The Employer will provide to each employee, upon request, upon termination of employment a letter detailing their employment dates, length of service including total number of hours worked and experience.

21.08 Where the Employer provides electronic pay statements and/or T-4 slips, the Employer will provide accessibility to a computer and printer, or a hard copy.

21.09 The Home, as a good labour relations practice, will notify the nurse when it reports them to the College of Nurses of Ontario and refer them to the Union as a resource.

It is understood that the requirement to notify the nurse when the Home reports them to the College of Nurses of Ontario has no bearing on the Home's right to reprimand or discipline a nurse for just cause. Under no circumstances will a failure or untimely notification provide grounds to nullify any right to reprimand or discipline a nurse.

21.10 Bulletin Boards

The Employer agrees to provide a bulletin board for the use of the Union. The bulletin board is to be used for information purposes to the general membership of the Union.

21.11 Method and Timing of Pay

The normal pay date shall be every second Friday.

- 21.12**
- (a) *The Employer agrees to provide locker space, if available.***
 - (b) *The Employer shall continue to provide parking space without charge for the duration of the Collective Agreement.***
 - (c) *The union will be provided with a locked filing cabinet in a location within a home where it can be accessed whenever necessary.***

ARTICLE 22 – COMPENSATION

22.01 The salary rates shall be those set forth in schedule(s) attached to and forming part of this agreement.

22.02 Retroactivity

Except as expressly noted, all the terms and conditions shall be effective from the date of receipt of written notice of ratification or release of award. Provisions which are expressly made retroactive shall apply to all employees in the bargaining unit on or after the date specified.

Retroactivity will be paid within four (4) full pay periods (approximately eight

(8) weeks) of the date of ratification or arbitration award. Retroactivity will be on the basis of hours paid. Retroactive pay will be paid on a separate cheque where the existing payroll system allows. Where the existing payroll system does not allow for such separate cheque, the Home may pay retroactivity as part of the regular pay. In such circumstances, the Home undertakes that the rate of income tax on the retroactivity will not change unless the retroactive pay changes the employee's annual tax bracket.

The Home will contact former employees at their last known address on record with the home, with a copy to the bargaining unit, within 30 days of the date of ratification or arbitration award to advise them of their entitlement to retroactivity.

Such employees will have a period of sixty (60) days from the date of the notice to claim such retroactivity and, if they fail to make a claim within the sixty (60) day period, their claim will be deemed to be abandoned.

- 22.03 An annual increment shall be paid on each full-time employee's anniversary date of employment and after each eighteen hundred (1800) hours paid in the case of part-time employees.

[Note, pursuant to Article 9.01 b), Clarification Note, the parties agree that the change in formula from one thousand nine hundred and fifty (1950) hours = one (1) year to one thousand and eight hundred (1800) hours = one (1) year shall not have any retroactive impact prior to the date of ratification of the Memorandum of Settlement by both parties. Any increase in wage level resulting from the change in formula shall be effective September 18, 2002, of the Memorandum of Settlement with no retroactivity.]

- 22.04 When a new classification in the bargaining unit is established by the Employer or the Employer makes a substantial change in the job content of an existing classification which in reality causes such classification to become a new classification, the Employer shall advise the Union of such new or changed classification and the rate of pay established. If requested, the Employer agrees to meet with the Union to permit it to make representations with respect to the appropriate rate of pay providing any such meeting shall not delay the implementation of the new classification. Where the Union challenges the rate established by the Employer and the matter is not resolved following any meeting with the Union, a grievance may be filed at Step No. 1 of the Grievance Procedure within seven (7) calendar days following any meeting. If the matter is not resolved in the Grievance Procedure, it may be referred to Arbitration, it being understood that an Arbitration Board shall be limited to establishing an appropriate rate based on the relationship existing amongst other nursing classifications within the Home and duties and responsibilities involved.

Any change in the rate established by the Employer either through meetings with the Union or by a Board of Arbitration shall be made retroactive to the time at which the new or changed classification was first filled.

22.05 Responsibility Pay

- (a) Subject to (c) below, where an RN is absent from their normal shift, and the Employer temporarily assigns an RPN to carry out some additional responsibilities of the RN for a period in excess of one-half ($\frac{1}{2}$) shift, the RPN shall receive an allowance of one dollar and twenty cents (\$1.20) per hour in addition to their regular rate of pay.
- (c) Subject to (c) below, the Employer shall, when no supervisor or Registered Nurse(s) employed within the classification of Registered Nurse are on duty, designate one (1) Registered Practical Nurse when Registered Practical Nurse(s) employed within the said classification are on duty, to be in charge on those evening, nights and weekend shifts. Such Registered Practical Nurse shall receive an allowance of one dollar and twenty cents (\$1.20) per hour in addition to their regular rate of pay.
- (c) It is understood and agreed that only one of the above-noted allowances will apply at any one time. An RPN shall not be entitled to receive an allowance under (a) and (b) for the same shift.

22.06 An employee who is promoted to a higher rated classification within the bargaining unit will be placed on the level of the salary schedule of the higher rated classification which represents an increase above their current salary. They shall retain their service review date for purposes of wage progression.

Where an employee is temporarily assigned to perform the duties and responsibilities of a higher paying classification in the bargaining unit for one shift or more, they shall be paid on the level of the salary schedule of the higher rate of classification which represents an increase above their current salary."

22.07 Recognition of Previous Experience

- (a) The Employer will recognize recent related RN experience on the basis of one (1) annual increment for each one (1) year of service up to the maximum of the grid. Part-time service shall be recognized on the basis of eighteen hundred (1800) hours paid in previous employment equals one (1) year of service. It shall be the responsibility of a newly hired employee to make a claim of recent and related experience within the probationary period in order to be considered for a salary increment. If they fail to make a claim in the

specified time period or fails to provide reasonable proof of recent related experience, they shall not be entitled to recognition. Once the proof has been submitted in accordance with the above, the newly-hired employee's rate will be retroactive to their start date.

ARTICLE 23 – DURATION

- 23.01 This Agreement shall continue in effect until June 30, 2024 and shall remain in effect from year to year thereafter unless either party gives the other party written notice of termination or desire to amend the agreement.
- 23.02 Notice that amendments are required or that either party desires to terminate this agreement may only be given within a period of ninety (90) days prior to the expiration date of this agreement or to any anniversary of such expiration date.

This letter is applicable only in circumstances where the Employer is a participant in central negotiations.

Central Negotiating Team

Re: Supernumerary Positions

The Home may introduce supernumerary positions to be offered to newly graduated nurses. Where such positions are introduced, the following will apply:

1. The Employer may hire full-time supernumerary nurses, up to the maximum funding available as per the Ministry guidelines. The duration of such supernumerary appointments will be defined by the Nursing Graduate Guarantee rules and regulations.
2. Newly graduated nurses are defined by the Nursing Graduate Guarantee rules and regulations, currently defined as nurses who have graduated from a nursing program within the last year.
3. Supernumerary positions are defined as those positions offered to newly graduated nurses that are over and above the minimum staffing complement. Furthermore, supernumerary nurses will not be utilized to fill/backfill permanent and temporary vacancies.
4. No appointment will be made to a supernumerary position without prior discussion with the Union as to where the supernumerary nurse will be assigned, what will be expected of them, and what mentoring arrangement will apply. The parties agree to discuss this matter without undue delay following the Employer's initial request to meet.
5. All nurses hired under the new graduate initiative will be full-time and covered by all terms and conditions of the collective agreement. Such positions will not be subject to internal postings or request for transfer processes outlined in Article 9.06.
6. Such supernumerary nurses can apply for and transfer to positions after the initial twelve (12) week supernumerary period in the manner defined by the Nursing Graduate Guarantee Guidelines.

7. Where supernumerary nurses successfully post into positions (pursuant to # 6 above) there is the potential that Ministry funding pursuant to the Nursing Graduate Guarantee Program will not have been fully utilized. The Employer and the Union will meet to determine the distribution of the reinvestment initiative funding.
8. Notwithstanding paragraph 5 above, in the event of a layoff, the parties may require that the supernumerary nurse be laid off first.
9. Notwithstanding paragraph 5 above, if the nurse has not successfully posted into a permanent position by the end of the supernumerary appointment, they will be reclassified as casual part-time, and this will not be considered a layoff.
10. Any issues related to the new graduate initiatives may be discussed at the Union-Management Committee Meetings.
11. The Home bears the onus of demonstrating that such positions are supernumerary.
12. The Union will be provided with such written information as it may reasonably require so the Employer can realize the funding regarding such supernumerary position.

Where there is a dispute or timeliness issue, either party may raise the concern with the spokespersons for the central teams.

Re: Supernumerary Positions-Nursing Career Orientation (NCO) Initiative for Internationally Educated Nurses (IENs)

The Home may introduce supernumerary positions that may be offered to Internationally Educated Nurses (IENs). Where such positions are introduced, the following will apply:

1. Only so many positions will be created as are covered by government funding for supernumerary positions.

Nursing Career Orientation (NCO) Initiative nurses are defined as those nurses who have initially (never before) registered with the College of Nurses (CNO) whose location of initial nursing education is outside of Canada. NCO nurses will be recognized as such from May 2014 to a period of time that the MOHLTC continues to implement the NCO. NCO nurses must be hired as supernumerary within six (6) months of initial registration with the CNO.
2. Positions will be created on units/areas where the parties agree. Such agreement will not be unreasonably withheld.
3. No appointment will be made to a supernumerary position without prior discussion with the Union as to where the supernumerary nurses will be assigned, what will be expected of them, and what mentoring arrangement will apply. The parties agree to discuss this matter without undue delay following the Employer's initial request to meet.
4. Such positions will not be subject to internal postings or request for transfer processes outlined in Article 9.06.
5. Such nurses will be full-time and covered by the full-time provisions of the collective agreement.
6. The duration of such supernumerary appointments will be for the period of funding or such other period as the parties may agree, provided such period is not less than twelve (12) weeks.

7. Such nurses can apply for posted positions after the probationary period is completed.
8. If the nurse has not successfully posted into a permanent position by the end of the supernumerary appointment, they will be reclassified as casual part-time and this will not be considered a layoff and the nurse will not be reassigned.
9. The Home bears the onus of demonstrating that such positions are supernumerary.
10. The Union will be provided with such written information as it may reasonably require so the Employer can realize the funding regarding such supernumerary position.
11. In the event of a layoff in the area of assignment of the supernumerary nurse, either the Home or the Union may require that the supernumerary nurse shall be first laid off.

Re: Grievance Commissioner System

This is to confirm the discussion of the parties during collective bargaining that they are committed to encouraging early discussion and resolution of labour relations issues at the local level and seek to resolve grievances in a timely and cost efficient manner.

To that end, this is to confirm that pursuant to Article 8, the parties agree that the Employer and Union at individual nursing homes may agree to utilize the following process in order to resolve a particular grievance through the utilization of a joint mediation-arbitration procedure:

1. The Employer and Union may mutually agree in writing to invoke the Grievance Commissioner process outlined in this letter rather than proceed to arbitration as set out in Article 8.12 of this collective agreement for an individual, group or policy/Union grievance.
2. The Grievance Commissioner shall have the same powers and be subject to the same limitations as a Board of Arbitration hereunder, save and except as expressly provided herein.
3. The Grievance Commissioner shall be mutually agreed upon by the Employer and Union.
4. The Employer and Union agree to make best efforts to ensure that the Commissioner mediation-arbitration dates are set so that this process is initiated in a much more accelerated rate than the normal arbitration process. To that end the parties agree to meet centrally to discuss the possibility of a central Grievance Commissioner roster and pre-scheduled dates that can be mutually shared throughout the year.
5. The location of any such hearing shall be agreed upon by the local parties.
6. The parties shall provide the Grievance Commissioner with a Statement of Facts Agreed and Not Agreed. In addition, they shall provide the Grievance Commissioner and each other with brief written representations on which they

intend to rely on provided that such are emailed not less than ten (10) days before the commencement of the hearings of the Grievance Commissioner. This information will include the grievance and the Employer's response.

7. The purpose of the hearing is to clarify issues and/or facts in dispute. At the hearing the parties may make such further representations or adduce such evidence as the Grievance Commissioner may permit or require but the Grievance Commissioner shall not be obligated to conform to the rules of evidence.
8. The parties acknowledge that this is an expedited form of a med-arb process whereby the Grievance Commissioner, based on the evidence and representations provided by the parties during the med-arb session, will decide the grievance. The parties agree that no witnesses will be called throughout this process, except as required by the Grievance Commissioner. The Grievance Commissioner must render their written decision, without reasons, to both parties within ten (10) working days of the conclusion of the hearing.
9. If it becomes clear at any point during the process that due to exceptional circumstances the grievance is too complex for the Grievance Commissioner Process, the parties may jointly agree to revert to traditional arbitration pursuant to Article 8 of the collective agreement.
10. The decision of the Grievance Commissioner shall only be applicable to the case in question and shall not constitute a precedent nor be used by either party as a precedent in future cases.
11. Notwithstanding anything contained herein, the decision of the Grievance Commissioner shall be in accordance with Article 8.16.
12. The Union and Employer shall each be responsible for one-half ($\frac{1}{2}$) of the expenses (including any off-site location of the hearing) and fees payable to the Grievance Commissioner.
13. The parties agree that the Grievance Commissioner can serve as a mediator/ arbitrator for more than one grievance on a single day.

The parties agree that nothing in this letter prevents the parties at a nursing home from mutually agreeing to mediation for any other grievances pursuant to Article 8.19.

The Committee will first meet in the final quarter of 2014 and then at least quarterly.

Strategies may include the following:

1. Maximizing the use of existing funding intended for the care of residents with responsive behaviours to enable staff, including RNs, to assess, develop and implement plans of care and manage potentially violent situations.
2. Exploring opportunities to expand the BSO program (i.e. through the review, assessment and adoption of the program's best practices in a consistent manner across all LHINs, with an emphasis on increasing education and the hours of direct resident care, including RNs, in the homes).

Re: Professional Responsibility

For the life of this Collective Agreement, the parties agree as follows:

The parties acknowledge and agree that professional responsibility concerns are most appropriately resolved expeditiously between them in the workplace. The parties commit to exhausting all reasonable efforts, which may include third party mediation, before an IAC hearing is conducted.

The parties agree that resident care is enhanced if concerns relating to professional practice and workload are resolved in a timely and effective manner. The parties acknowledge that in most cases they will be able to find a resolution to these concerns. In exceptional circumstances, where concerns are not resolved, either party may proceed to an IAC hearing as they are entitled to under Article 19.01 of the Collective Agreement.

Where the local parties enter into these agreements, the agreement may include one or more of the following principles:

- a. Change existing length of posted schedule to 12 weeks or longer
- b. Pre-booking time off every quarter to allow for a position to fill those vacancies (vacation, lieu time, holidays)
- c. Mix of 12 hour and 8-hour shift on a schedule (Article 15.07)
- d. Pre-booking of requested* vacation and lieu (paid holidays and OT) time
- e. As a trial for more FT workers within the current RN staffing mix and complement – allow for a fixed term (temporary) FT position to encourage more use of FT (such trial will be no longer than 6 months)
- f. Consider trialling more than one vacation selection period in a year

Re: Finnish Facility

Whereas Finlandia Hoivakoti Nursing Home is primarily engaged in the provision of long-term nursing care to persons of Finnish origin and Finnish linguistic origin;

Re: Scheduling of Regular Part-Time Employees

Whereas, the following letter was contained within the Memorandum of Settlement dated January 6, 2010, and reflected a requirement of six (6) shifts bi-weekly for regular part-time "A" employees; and

Whereas, subsequent to the parties ratification the regular part-time employees on staff as of the date of ratification were not willing to accept regular part-time "A" positions;

The parties agree to the following terms and conditions effective the date of signing below, which terms prevail over any contrary provision in the Collective Agreement. It is understood that this agreement shall be appended to the Collective Agreement.

1. i) Regular Part-Time "A" Employees:

Regular Part-Time "A" employees are those regular part-time employees who make a commitment to be available to be scheduled to work if so required by the Employer for four (4) shifts in a bi-weekly period, which commitment includes a commitment to be available to be scheduled weekend work in accordance with Article 15.08 if so required by the Employer. [Hereinafter referred to as "RPT "A" employees".]

ii) Regular Part-Time "B" Employees:

Regular Part-Time "B" employees are those regular part-time employees who make a commitment to be available to be scheduled to work if so required by the Employer for two (2) shifts per month with such availability to likely include one (1) weekend per month, if needed by the Employer. [Hereinafter referred to as "RPT "B" employees".]

2. *The parties agree that the required commitment of availability for RPT "A" employees and RPT "B" employees, as provided for in paragraph 1 above, is not a guarantee of shifts of work. Without limiting the generality of the foregoing, nothing in this Letter constitutes a guarantee or commitment by the Employer that regular part-time employees will be scheduled for the maximum number of shifts of their commitment.*
3. *It is understood that in preparing the posted work schedules, the Employer will no longer first offer the specific shifts that are available to the regular part-time employees but will instead schedule regular part-time employees to work shifts up to the maximum of their commitment as provided for in paragraph 1 above. Accordingly, regular part-time employees will continue to be able to request shift exchanges in accordance with Article 15.06.*
4. *RPT "A" AND "B" employees may provide the Employer with their willingness and availability to be scheduled additional shifts over and above their commitment as provided for in paragraph 1, which availability must be provided to the Employer in writing four (4) weeks in advance of the posting of the schedule. If the employee provides such availability, the Employer may schedule them to work additional shifts over and above her commitment in accordance with their written availability without first having offered the specific shifts that are available to the employee.*
5. *The parties agree that a RPT "A" employee may request to give away a maximum of one (1) shift per month, subject to the following. The granting of such give aways are subject to the discretion of the Administrator or designate and must be submitted in writing at least forty-eight (48) hours in advance, unless impossible. It is understood that a shift give away shall not result in overtime, compensation, or payment, or any other claim on the Employer by any employee under the terms of the Agreement. Without limiting in any manner, the Administrator's discretion to not grant a request, it is understood that no more than one (1) employee will be granted a shift giveaway for any given calendar day. Requests shall be considered on a first come first serve basis.*

The parties further agree that an RPT "A" employee may not give away shifts on a permanent basis or on a regular ongoing basis but may only give away a shift(s) on an ad hoc, non-recurring basis. An RPT "A" employee is required to honour their commitment to be available as provided for in paragraph 1 i).

6. *The parties agree that in constructing the posted work schedules, the Employer will assign shifts to regular part-time employees in accordance with the following:*
 - *First assign shifts to the RPT "A" employees on an equitable basis by seniority up to their commitment as provided for in paragraph 1 where such shifts are available and will not result in overtime payment or any violation of a scheduling provision of the Collective Agreement.*

- *Next assign shifts to those RPT “B” employees on an equitable basis by seniority up to their commitment as provided for in paragraph 1 where such shifts are available and will not result in overtime payment or any violation of a scheduling provision of the Collective Agreement.*
 - *Next assign shifts to those RPT “A” employees on an equitable basis by seniority who have provided willingness and availability to work shifts over and above their commitment in accordance with paragraph 4 where such shifts are available and will not result in overtime payment or any violation of a scheduling provision of the Collective agreement.*
 - *Next assign shifts to those RPT “B” employees on an equitable basis by seniority who have provide willingness and availability to work shifts over and above their commitment in accordance with paragraph 4 where such shifts are available and will not result in overtime payment or any violation of a scheduling provision of the Collective Agreement.*
7. *The parties shall meet to review part-time distribution and scheduling at the written request of either party to review the terms of this letter.*
8. *The parties agree that a regular part-time employee will only be able to change their status from RPT “A” to RPT “B” or vice versa through the job posting procedure. For the sake of greater clarity, it is understood that an employee may not unilaterally change their status from an RPT “A” employee to an RPT “B” employee or vice versa but can only do so through successful application to a job posting for such a position.*

Accordingly, the parties further agree that all future job postings are for a “Regular Part Time A position” or a “Regular Part-Time B position”.

Re: Vacation Entitlement Upon Transfer from Part-time to Full-time

In the negotiations for the renewal of the Collective Agreement that expired in 2011, the parties discussed the issue of vacation pay entitlement upon an employee's permanent transfer from part-time status to full-time status. The parties agreed as follows:

- i) While employed as a part-time employee, the employee receives vacation pay on a biweekly basis in accordance with Article 13.08 (e). Accordingly, as at the date of transfer from part-time to full-time, the employee has received full vacation pay for that vacation year.***
- ii) In the vacation year which follows the vacation year in which the part-time employee transferred to full-time status, the employee's vacation pay entitlement is pro-rated proportionate to the number of completed months of service as a full-time employee in the prior vacation year relative to the full twelve (12) month year.***

For purposes of illustration assume that a part-time employee has the equivalent of five (5) years service and is therefore entitled to three (3) weeks vacation at 6% vacation pay. Assume further that the part-time employee transfers to full-time status on May 1, 2012. (For the purpose of this illustration, assume that the vacation year is January 1st – December 31st).

The employee's vacation pay entitlement for the January 1, 2013 – December 31, 2013, vacation year is calculated as:

8/12th (8 months being the period in 2012 as a full-time, May 1, 2012 – December 31, 2012) X 15 days (3 weeks) = 10 days vacation pay @ current rate.

In the above example, the employee would be entitled to take three (3) weeks of vacation time in the 2013 vacation year, with pay as set out above.
