- 8.02 "Grievance" is defined as a complaint, a claim or a dispute with reference to the interpretation, application, administration or alleged violation of this Agreement including any question as to whether a matter is arbitrable.
- 8.03 Any nurse(s) or the Association making a grievance shall have the right of Association representation at any or all steps of the grievance procedure. The Employer shall inform the nurse(s) of this right.

The Director of Care or designate shall reply verbally to the nurse within five (5) days from the date the grievance was brought to her attention.

Step #2

A nurse(s) having a grievance shall refer it in writing on the grievance form as set out in appendix B to the Director of Care or designate no later than five (5) days from the time the verbal response was received. The Director of Care or designate shall reply in writing to the nurse within five (5) days from the date the written grievance was brought to her attention.

Step #3

If the grievance cannot be settled, then within five (5) days after the decision is given at Step #2, the nurse shall resubmit the grievance in writing on the grievance form set out in appendix B to the Administrator or designate. A meeting will then be held between the Administrator or designate and the nurse(s), the Grievance Committee and the Employment Relations Officer within five (5) days of the written grievance being filed or at another mutually agreeable date. The decision of the Administrator or designate shall be given in writing to the nurse(s) and the Employment Relations Officer within five (5) days following the meeting. Should the Administrator or designate fail to render a decision or the decision is unsatisfactory to the nurse(s) or the Association, it may be referred to arbitration.

Following the Administrator or designate's decision, if no written request for arbitration is received within ten (10) days, the grievance shall be deemed to have been abandoned. The decision presented shall be final and binding upon both parties to this Agreement, and upon any nurse(s) involved.

- 8.06
- (a) An employee shall only be discharged from the employment for just cause, except that an employee who has not completed the probationary period may be released based on a fair and proper assessment against reasonable standards of performance and suitability. An allegation of action contrary to this clause may be taken up as a grievance.
  - (b) Should the Employer discharge, suspend or discipline any nurse(s) without just cause, notification by the Employer to such nurse(s) shall be made in the presence of a nurse Representative. The nurse(s) and the Association shall be provided with written reasons for a discharge, suspension or discipline. Should the nurse(s) or the Association wish to file a grievance against this action it shall be reduced to writing and filed under Step #3 of this grievance procedure.

8.07 Group Grievance

Where a number of nurses have a similar grievance, a single grievance shall be presented in writing on the grievance form set out in appendix B to the Administrator at Step #3 with a list of those nurses.

8.08 Policy Grievance

A policy grievance is defined as one which arises between the Employer and the Association concerning the interpretation, application or administration of this Agreement, including any question as to whether a matter is arbitrable. A policy grievance may be submitted by either party by starting at Step #3 of the grievance procedure and such policy grievance shall be signed by a nurse representative or an Association representative, or in the case of an employer's policy grievance, by the Administrator or designate. Failing settlement the grievance will be referred to arbitration.

8.09 Arbitration

- (a) In the event the grievance is not settled at Step #3 under the terms of Article 8.05, the party having carriage of the grievance may request arbitration of the grievance by giving notice in writing to the other party within ten (10) days of the decision under Step #3 but not thereafter.

- (b) The notice specified in 8.09 (a) shall contain the name of the Association's nominee to an Arbitration Board. The recipient of the notice shall, within five (5) days, inform the other party of the name of its nominee to the Arbitration Board.
- (c) The nominees so selected, shall, within ten (10) days of the nomination of the second of them, select a third person who shall be the chairperson. If the recipient party fails to name its nominee, or the two nominees fail to agree upon a chairperson within the time limits, the Minister of Labour for Ontario, upon request of either party, shall appoint a qualified person to be chairperson.
- (d) In the event that either party wishes to proceed by way of a request for the appointment of single arbitrator pursuant to section 49 of the Labour Relations Act, and the time has not elapsed for an application for such an appointment, it shall first provide notice of its intention to do so to the other party. Thereafter the parties shall work together in good faith to select a date for a hearing and, if possible, an arbitrator to hear the matter or matters in dispute, for a period of 14 consecutive days. During this period of time neither party shall be able to request an appointment under section 49. At the end of the 14 day period, if the parties have not reached agreement upon a date for a hearing, then either of them may apply within the next 7 consecutive days for an appointment under section 49 of the Act and the provisions of this agreement are deemed amended to permit such application. If at the end of the 14 day period, the parties have only reached agreement on a date for a hearing, then one or both of them may make application for an appointment of an arbitrator for that date.

The parties may agree that there are circumstances where the services of a grievance mediator may allow for an objective, independent review of the issue(s) in dispute and assist the parties in resolving grievances. By mutual agreement the parties may extend the time limits and utilize the services of a Mediator. The cost of the Mediator will be shared between the parties.

- (e) The parties may, by written agreement, substitute a single Arbitrator for the Board of Arbitration and a single Arbitrator shall possess the same powers and be subject to the same limitations as a Board of Arbitration.

8.10 The Arbitration Board shall hear and determine the matter and shall issue a decision, and the decision is final and binding upon the parties and upon any nurse affected by it.

8.11 The decision of the majority is the decision of the arbitration board, but if

there is no majority, the decision of the chairperson shall govern.

- 8.12        The Arbitration Board shall not be authorized to make any decision inconsistent with the provisions of this Agreement, nor to alter, modify, add to or amend any part of this Agreement.
- 8.13        Each party shall pay its own expenses including appointees and witnesses and the cost of expenses of the chairperson shall be borne equally by the parties.
- 8.14        No person who has been involved in an attempt to negotiate or settle a grievance may be appointed as an Arbitrator.
- 8.15        Time limits fixed in the grievance procedure may be extended by mutual consent of the parties.
- 8.16        All agreements reached at any step under Article 8 shall be final and binding upon all parties hereto, including any nurse(s) affected, and shall not be subject to reopening by any party except by agreement in writing. If the grievance is settled at any step of the grievance procedure both the Employer and the Association representative shall sign the settlement as endorsed, so that no question or argument may arise as to what the settlement was.
- 8.17        The release of a probationary nurse shall not be subject to the grievance procedure unless the probationary nurse is released for exercising a right under this agreement or for arbitrary or discriminatory reasons.
- 8.18        "Days" referred to in Article 8 shall be exclusive of Saturdays, Sundays and paid holidays designated in this Agreement.
- 8.19        The parties agree either party may use the electronic version of the ONA Grievance Form at Appendix "B" of the Collective Agreement. The electronic signature of the Union Executive Representative or Labour Relations Officer will be accepted as the original signature. Electronic grievances may be sent, via e-mail to the applicable manager and copied to Human Resources, or the identified designate.

## **ARTICLE 9 – JOB SECURITY**

Such seniority will date from the first day that a nurse actually started work in the current continuous service for the Employer and will accumulate thereafter. hours equals one (1) year of full-time service.

- 9.02 The probationary period for all newly hired nurses shall be forty-five (45) worked tours (480 hours). A written appraisal of employee progress will be conducted after the twentieth (20) and thirty-fourth (34) worked tours. It is understood and agreed that any extension to the probationary period would not exceed an additional 23 worked tours or 240 hours worked.

- 9.03 The Employer will keep up to date seniority lists for full-time and part-time nurses, and post the same in a conspicuous place, and supply copies of the current list to the Association twice a year, in the months of January and July, and prior to any layoff.

- 9.04 A nurse shall lose all service and seniority and shall be deemed to have terminated if she:

- (a) resigns voluntarily;
- (b) retires or is retired;
- (c) is discharged and the discharge is not reversed through the grievance or arbitration procedure;
- (d) has been laid off for twenty-four (24) calendar months;

- (f) is absent from scheduled work for a period of three (3) or more consecutive working days without notifying the Employer unless such notice was not reasonably possible;
- (g) fails to return to work (subject to the provisions of 9.04 (f)) upon termination of an authorized leave of absence without notifying the Employer unless such notice was not reasonably possible or utilizes

a leave of absence for purposes other than that for which the leave was granted;

- (h) fails upon being notified of a recall to signify her intention to return within ten (10) calendar days after she has received the notice of recall mailed by registered mail to the last known address according to the records of the Employer to report to work within twenty (20) calendar days after she has received the notice of recall or such further period of time as may be agreed upon by the parties.
- (i) when in receipt of WSIB as the result of injury or illness incurred while in the employment of the Employer for the period in excess of thirty-six (36) months, and there is no reasonable likelihood the employee will return to work within the foreseeable future;
- (j) when on illness absence not paid by the employer for a period in excess of thirty-six (36) months, and there is no reasonable likelihood the employee will return to work within the foreseeable future;

The parties agree to abide by the Ontario Human Rights Code.

NOTE: This clause shall be interpreted in a manner consistent with the Ontario Human Rights Code.

- 9.05 (a) Seniority shall be retained and accumulated when a nurse is absent from work under the following circumstances:
  - (i) approved leave of absence with pay;
  - (ii) when in receipt of sick leave allowance;
  - (iii) when in receipt of Workplace Safety & Insurance Board (WSIB) benefits;

**RE: Supernumerary Positions**

The Employer may introduce supernumerary positions to be offered to newly graduated nurses. Where such positions are introduced, the following will apply;

1. The Employer may hire full-time supernumerary nurses, up to the maximum funding available as per the Ministry guidelines. The duration of such supernumerary appointments will be defined by the Nursing Graduate Guarantee rules and regulations.
2. Newly graduated nurses are defined by the Nursing Graduate Guarantee rules and regulations, currently defined as nurses who have graduated from a nursing program within the last year.
3. Supernumerary positions are defined as those positions offered to newly graduated nurses that are over and above the minimum staffing complement. Furthermore, supernumerary nurses will not be utilized to fill/backfill permanent and temporary vacancies.
4. No appointment will be made to a supernumerary position without prior discussion with the Union as to where the supernumerary nurse will be assigned, what will be expected of them, and what mentoring arrangement will apply. The parties agree to discuss this matter without undue delay following the employer's initial request to meet.
5. All nurses hired under the new graduate initiative will be full-time and covered by all terms and conditions of the collective agreement. Such positions will not be subject to internal postings as outlined in Article 9.0.
6. Such supernumerary nurses can apply for and transfer to positions after the initial twelve (12) week supernumerary period in the manner defined by the Nursing Graduate Guarantee guidelines.
7. Where supernumerary nurses successfully post into positions (pursuant to # 6 above) there is the potential that Ministry funding pursuant to the Nursing Graduate Guarantee Program will not have been fully utilized. The employer and the Union will meet to determine the distribution of the reinvestment initiative funding.

8. Notwithstanding paragraph 5 above, in the event of a layoff, the parties may require that the supernumerary nurse be laid off first.
9. Notwithstanding paragraph 5 above, if the nurse has not successfully posted into a permanent position by the end of the supernumerary appointment, she/he will be reclassified as casual part-time and this will not be considered a layoff.
10. Any issues related to the new graduate initiative may be discussed at the Union-Management Committee Meetings.
11. The Home bears the onus of demonstrating that such positions are supernumerary.
12. The Union will be provided with such written information as it may reasonably require regarding each supernumerary position.

APPENDIX "G" – LETTER OF UNDERSTANDING

Between:

FOYER RICHELIEU, WELLAND, Inc

And:

ONTARIO NURSES' ASSOCIATION

RE: Job Sharing

- 1.0 Recognizing that some employees desire a more flexible working arrangement than is currently provided in the Collective Agreement, the parties agree to the following terms and conditions and scheduling regulations for Job Sharing:
  - (a) All such positions shall be considered full-time for scheduling purposes only. Posted schedules for job sharers will be identical to the rotation for the full-time nurses they replace and will be shared equally.
  - (b) Job sharers shall be treated as regular part-time employees for all purposes, with the exception of scheduling.
- 1.1
  - (a) Individuals who are presently working full-time and wish to make application to job share shall do so to the Manager. The applicant's portion of the position will not be posted but the remainder of the original position shall be posted as per the Collective Agreement.
  - (b) The selection process for applicants to the posted position shall be in accordance with the Collective Agreement. Job sharing partners shall have a trial period established according to Article 10.07 (c) of the Collective Agreement.
  - (c) If one of the job sharers terminates their position or transfers to a different position, the posting of such vacancy will be as per the Collective Agreement.
  - (d) If a full-time position which is job shared reverts to a non-shared full-time position, then the job-sharing nurse, if she wishes the full-time position, must make application for that full-time position as per the Collective Agreement, unless she was the incumbent of the original full-time position in which case, she will receive the position and it shall not be posted.
- 1.2
  - (a) Job sharers will have the option of determining between themselves which portion of the rotation they will work including which partner will work on scheduled holidays; however, this determination must be made before the schedule is posted. If the job sharers are unable to agree on which portion they will work, the Employer shall schedule such work and the job sharers

shall work in accordance with the posted schedule. Any changes made after the schedule has been posted must be as provided in the Collective Agreement.

- (b) It is expected that both job sharers will cover each other's incidental illnesses and vacation. When job sharers agree to cover each other's vacation, the vacation will not be counted as part of the vacation quota. If, because of unavoidable circumstances, one cannot cover the other, the Manager or designate must be notified to book coverage. Job sharers are not required to cover for their partner in the case of prolonged or extended absences.

Job sharers shall be offered additional unscheduled tours only if they have made their availability known. It is understood that they may only make themselves available on tours when neither job share partner is scheduled and where such would not result in premium payment. Job sharers can only be offered additional tours when no other regular part-time nurse is available.

- (c) Vacation, Maternity Leave and other Leaves:

In the event that one member of the job-sharing arrangement goes on any of the above leaves of absence exceeding thirty (30) days, the remaining partner has the option of covering all of the absent partner's shifts for the duration of the absence, they must inform the Manager or designate of their intentions to cover all of the absent partner's shifts at least two (2) weeks prior to the posting of each schedule. If the employee cannot cover for their partner, the temporary vacancy will be filled as per the Collective Agreement.

- (d) The Employer shall provide five (5) consecutive days off over either Christmas or New Year's for the job share line. When one or both job sharers work over Christmas, neither can be required to work over New Year's and vice versa, unless mutually agreed otherwise. Should nurses be assigned to work either Christmas or New Year's, they will be expected to return to work on a least five (5) consecutive days, if required for normal tours. Where job sharers request to work Christmas or New Year's or request to have either off and a conflict exists, then seniority shall be the deciding factor
- (e) Each job sharer may exchange shifts with their partner as well as other nurses as provided by the Collective Agreement. A job sharer may exchange with nurses other than their partner only on schedule tours off for the full-time line.

- 1.3 (a) The Employer may at its' discretion discontinue individual job-sharing positions with eight (8) weeks' notice to the job-sharing employee(s)

subject to the following:

- (b) Prior to discontinuation of any job-sharing position(s), the parties will meet for discussions for the purposes of reaching resolution.

Job sharing positions may be discontinued when the Employer determines the following:

- (a) causes adverse effects on patient care or
- (b) results in the inability to provide a workable staffing schedule or
- (c) results in other undesirable outcomes that are neither unreasonable or arbitrary.
