F-1 Scheduling Provisions for Extended Tours - 11.25 Hour Tours

- (a) Tour schedules will be posted at least three (3) weeks in advance and shall cover an eight (8) week period. Copies of schedules will be provided to the Union upon request.
- (b) Full-time employees, who work seven (7) extended tours on a bi-weekly pay period basis, will bank three and three-quarters (3.75) hours of lieu time for each such period.
- (c) All employees will not be required to work more than three (3) consecutive extended tours. Any hours worked on a tour in conjunction with a third consecutive extended tour will be paid at the rate of time and one half, as per Article 14.
- (d) At least twelve (12) hours will be scheduled off between shifts, at least two (2) consecutive tours will be scheduled off between shift changes and at least forty-eight (48) hours will be scheduled off following two (2) or more consecutive night tours. Unworked paid holidays, or days in lieu for worked paid holidays, may not be included in the two (2) consecutive tours off between shift changes or the forty-eight (48) hours following two (2) or more consecutive nights. A shorter period than two (2) consecutive tours or the forty-eight (48) hours may be agreed upon by mutual consent.
- (e) No split tours will be scheduled.

(f) Scheduling Provisions for Extended Tours – Full-time

Full-time employees, who work seven (7) extended tours on a bi-weekly pay period basis, will bank three and three-quarters (3.75) hours of lieu time for each such period. Following the period of eight (8) weeks and the accumulation of eleven and a quarter (11.25) hours of lieu time, it will be used in conjunction with a STAT for a carry-over week. Every Full-time employee has an assigned week on the Master Schedule.

(g) Scheduling Provisions for Extended Tours – Part-time

- i) The Hospital agrees to schedule regular part-time employees according to their commitment on the posted schedule in that unit as per Article F-4.
 - ii) Where extra tours become available, they will be offered on the basis of seniority to regular part-time employees provided that no nurse will exceed her commitment as a result of being offered such extra tours where there are regular part-time employees who have not been offered their commitment of shifts.
 - iii) Where all regular part-time employees have been given the opportunity to work up to their committed tours in that pay period, extra tours will then be offered to regular part-time employees on the basis of seniority.
 - iv) There is no commitment on the Hospital to offer any of these shifts in this manner to employees where premium payment is required, unless applicable to all part-time employees involved.
 - v) Where no regular part-time employee is willing to perform the available work, the tour will be offered to casual part-time employees on the basis of seniority.
- (h) The employee must request a holiday, levelling hours or time in lieu, in writing, at least seventy-two (72) hours in advance of the requested day where possible. Furthermore, once the time off has been approved, the employee must provide at least forty-eight (48) hours advance notice where the employee cancels the scheduled time off.
- (i) Where a Part-time employee is in a Temporary Full-time position, and works seven (7) extended tours on a bi-weekly pay period, they will bank three and three-quarter (3.75) hours in lieu time for each such period. They will bank any over-time. This banked time may be taken following the accumulation of eleven and a quarter (11.25) hours, as per Article 14.09.

The scheduler will respond to all requests for lieu time within seven (7) days following receipt of such written request and where at least fourteen (14) days advance notice has been provided.

(j) Weekend - Full-time

The Hospital shall schedule each full-time employee so as to provide every second weekend off.

A full-time employee will receive premium pay in accordance with Article 14.03 for all hours worked on a second and consecutive weekend, save and except where:

- i) such weekend has been worked by the employee to satisfy specific days off requested by such nurse; or
- ii) such nurse has requested weekend work; or
- iii) such weekend is worked as the result of an exchange of shifts with another employee; or
- iv) when specific nursing units have mutually agreed to do otherwise.

Weekend Part-time

In order to schedule part-time nurses up to commitment on the posted schedule, the Hospital shall schedule each part-time employee so as to provide every second weekend off where possible, but will schedule at least every third weekend off.

A part-time employee will receive premium pay in accordance with Article 14.03 for all hours worked on a third consecutive weekend, save and except where:

- i) such weekend has been worked by the employee to satisfy specific days off requested by such nurse; or
- ii) such nurse has requested weekend work; or
- iii) such weekend is worked as the result of an exchange of shifts with another employee; or
- iv) when specific nursing units have mutually agreed to do otherwise.

(k) For the purposes of Article F-1(j), a weekend is defined as a minimum of sixty (60) consecutive hours off work during the period following completion of the Friday day shift until the commencement of the Monday day shift.

(l) A request by an employee for a change in the posted shift schedule must be submitted in writing and co-signed by the employee willing to make the exchange, at least twenty-four (24) hours prior to the requested change. Such request is subject to approval by the Hospital and shall not be unreasonably denied. Such exchange shall not in any event result in premium or overtime payment by the Hospital.

- (m) An employee will not be required to change tours of duty more than once during a work week, without mutual agreement.
- (n) If the Hospital should breach the scheduling provisions in Article F-1 (b), (c), or (d), premium pay in accordance with Article 14.03 will be paid to the employee for all hours worked on that shift, except where such work was requested by the nurse.

F-2 7.5 Hour Tours

If the Hospital wishes to introduce a 7.5 hour tour, the parties will meet to discuss implementation and to negotiate the appropriate scheduling regulations.

F-3 STANDBY

- (a) The Hospital shall endeavour to schedule standby assignments equitably.
- (b) Standby shall be assigned on the schedule at the time of posting.
- (c) The Hospital shall endeavour to equitably distribute standby duty for paid holidays and long weekends on a rotating basis.
- (d) A nurse will not be scheduled for standby on a scheduled day off.

F-4 Regular Part-time Commitment

A regular part-time employee must make the following commitment to be available for work on a regular pre-determined basis as referred to in Article 2.05:

- (a) to be available to work one (1) weekend in two (2);
- (b) to be available to work days and nights;
- (c) to be available to work a minimum of four (4) extended tours, or forty-five (45) hours, in a pay period except over the Christmas/New Year's period; and
- (d) to be available to work as scheduled over the Christmas/New Year's period, subject to Article F-6.
- (e) The commitment made by a regular part-time employee and specified herein is not a guarantee that the nurse will be scheduled to work according to this commitment nor is it a restriction on the nurse as to the maximum time worked.
- (f) Failure of a regular part-time employee to continue to meet all of the above commitment requirements will result in such employee being classified as a casual employee. Excluding Return to Work Programs, Accommodations, and for reasons covered under the *Human Rights Code*.

- (g) An employee wishing to change her/his employment status from full-time or regular part-time to casual must provide the employer with a minimum of two (2) weeks notice and must do so at the end of a pay period.

F-5 An error in the above mechanism for shift distribution will be remedied by offering the affected nurse a shift as an extra at a mutually agreed time. Such shift will not result in premium pay. The affected nurse working as an extra will not be assigned as a replacement if an absence subsequently arises on that shift which requires a call-in replacement of a regular part-time nurse.

F-6 Christmas/New Year's

Full-time and part-time employees shall be scheduled off work for not less than five (5) consecutive days at either Christmas or New Year's, unless the employee requests otherwise. Once every employee has been granted the five (5) days off, and staffing availability has been secured, the Hospital will endeavour to schedule seven (7) consecutive days off to nurses who have made a request for such days off, granting will be done in order of seniority.

Time off at Christmas shall include the day tour on December 24, December 25 and the day tour on December 26 and time off at New Year's shall include the day tour on December 31, January 1 and the day tour on January 2.

Requests for time off during the Christmas/New Year's period shall be submitted by October 15 and the shift schedule shall be posted by November 15. The Hospital will schedule employees alternate Christmas and New Year's time off on a yearly basis unless the nurse requests otherwise.

In the event that nurses can be granted both Christmas and New Year's Day off the most senior nurse shall be given the opportunity to take both off.

The scheduling provisions found in Article F-1 may be waived between December 15 and January 15 to provide for Christmas and New Year's scheduling.

Notwithstanding the above, the Hospital will not schedule any member for more than four (4) consecutive days of work and will endeavour to schedule no more than two (2) consecutive weekends of work or premium pay will apply.

F-7 Introduction and Discontinuance of Extended Tours

- (a) Extended tours shall be introduced into any unit when:
 - i) eighty percent (80%) of the employees in the unit so indicate by secret ballot; and
 - ii) the Hospital agrees to implement extended tours, such agreement shall not be withheld in an unreasonably arbitrary manner.

- (b) Extended tours may be discontinued in any unit when:
 - i) sixty percent (60%) of the nurses in the unit so indicate by secret ballot; or
 - ii) the Hospital because of:
 - A) adverse affects on patient care;
 - B) inability to provide a workable staffing schedule, states its intention to discontinue extended tours; or
 - iii) the Hospital wishes to do so for other reasons which are neither unreasonable nor arbitrary.
- (c) When notice of discontinuation is given by either party in accordance with paragraph (b) above:
 - i) the parties shall meet, within two (2) weeks of the giving of notice, to review the request for discontinuation; and
 - ii) where it is determined that extended tours will be discontinued, affected employees shall be given sixty (60) days notice before the schedules are so amended.

F-8 For the purposes of shift premium, Article 14.10:

- (a) afternoon shift hours will be 1500 - 2300.
- (b) night shift hours will be 2300 - 0700.

F-9 Daylight Saving Time

Actual hours worked on change over to/from Daylight Saving Time will be the hours paid to the employee.

F-10 In accordance with Article 14.09 of the central document, where a full-time or regular part-time employee chooses equivalent time off, such time off must be taken at a mutually agreeable time. Banked overtime remaining to the nurses' credit in excess of one hundred and fifty (150) hours shall be paid to the nurse by the Hospital at the end of the three (3) month quarters (June, September, December, March).

Notwithstanding the above, any hours in excess of seventy-five (75) remaining in the lieu time bank at the end of the fiscal year will be paid out on the last pay cheque prior to March 31st of the year.

The Director of Nursing or designate will respond to all requests for lieu time within seven (7) days following receipt of such written request and where at least fourteen (14) days advance notice has been provided.

F-11 Four (4) Hours Tours

- (a) Where a regular part-time employee is scheduled to work a four (4) hour tour, all provisions of Article F-1, F-4 and F-7, apply except for F-1(e) and except as amended by the following:
 - i) During a pay period when regular part-time employees are scheduled on four (4) hour tours and an extended tour become available, such extended tour will be offered to the most senior regular part-time employee who has not reached her/his commitment.
 - ii) Where extended tours become available after the posting of the schedule, such extended tours will be offered to the most senior regular part-time employee until all regular part-time employees have reached their commitment. Following this, such extended tours will be offered to regular part-time employees on the basis of seniority, whether or not they are scheduled on four (4) hour tours.
 - iii) Where no regular part-time employee is willing to perform the available work, the tour will be offered to casual part-time employees on the basis of seniority.
 - iv) There is no commitment on the Hospital to offer any tours in this manner where premium payment is required, unless applicable to all part-time employees involved.
- (b) If the staffing pattern in the emergency department changes, the parties shall meet to discuss the staffing of that department and the need for continuing four (4) hour tours.
- (c) The Hospital does not currently expect that there will be a need to introduce four (4) hour tours elsewhere in the Hospital. The parties agree that, should there be a need to consider the introduction of four (4) hour tours elsewhere in the Hospital, the parties shall meet to discuss the rationale of this and to discuss the implementation of this.

ARTICLE G - SENIORITY

- G-1 The seniority list for employees (as at December 31 and June 30) as provided in Article 10.02 will be provided to the Labour Relations Officer, the Bargaining Unit President and a copy will be posted on the Union's bulletin board space by February 15 and August 15 of each year respectively.

- (a) Job sharing requests with regard to full-time positions shall be considered on an individual basis.
 - (b) Total hours worked by the job sharers shall equal one (1) full-time position. The division of these hours on the schedule shall be determined by mutual agreement between the two (2) employees and the Supervisor of the Unit.

- (c) The above schedules shall conform with the full-time scheduling provisions of the collective agreement.
- (d) Each job sharer may exchange shifts with her/his partner, as well as with other employees as provided by the Collective Agreement.
- (e) The job sharers involved will have the right to determine which partner works on scheduled paid holidays and job sharers shall only be required to work the number of paid holidays that a full-time employee would be required to work.

- (g) Where the job-sharing arrangement arises out of the filling of a vacant full-time position, both job-sharing positions will be posted and selection will be based on the criteria set out in the Collective Agreement.
- (h) Any incumbent full-time employee wishing to share her/his position may do so without having her/his half of the position posted. The other half of the job-sharing position will be posted and selection will be made on the criteria set out in the Collective Agreement.

The remaining employee will have the option of continuing the full-time position or reverting to a part-time position for which she/he is qualified. If she/he does not continue full-time, the position must be posted as a full-time position in accordance with the Collective Agreement.

Discontinuation:

Either party may discontinue the job-sharing arrangement with ninety (90) days notice. The parties undertake to provide safe and meaningful employment for both permanently or temporarily disabled nurses based on the following principles:

RE: ESA Agreement for Excess Hours

ONA agrees that the employer may exceed the hours of work limitations set out in Section 17(1) (b) of the Employment Standards Act, 2000, but only for the following purpose and to the following extent:

- (a) The Union agrees to average such scheduled hours to allow for a workable master rotation or schedule over a standard 6 week period. Such schedules are designed to provide an average of 37.5 hours per week for full-time employees and an average of no more than 75 hours in two weeks for part-time employees.
- (b) The Union agrees to average such scheduled hours over the same 6 week period for the purpose of determining the employee's entitlement, if any, to overtime pay under Section 22 of the Act. This agreement does not apply to any combination of hours which includes hours not on the master rotations or schedules. For example, if an employee has worked 45 hours in one week according to the master rotation, nothing in this agreement would disentitle her to ESA overtime for any additional hours worked that week. Nothing else in this agreement affects an employee's rights under Section 22.
- (c) The master rotations or schedules referred to above must be approved by the employees working in the relevant area at the time the rotation or schedule is introduced.
- (d) The Union agrees that employees may be asked to work more than their regular scheduled hours in a work day despite the limits set out in Section 18(1), (2), (3) and (4) of the Act. Each employee has the right to refuse the request to work beyond the limits in Section 18(1), (2), (3), and (4) subject to the emergency provisions of Section 19 of the Act.
- (e) The Union agrees that employees may be asked to work hours which provides less than eight hours free from the performance of work between shifts even if the total time worked on successive shifts exceed 13 hours. Each employee has the right to refuse the request, subject to the emergency provisions of Section 19 of the Act.
- (f) The Union agrees that employees may be asked to work additional hours to those on their master rotations or schedules, such that they may work more than 48 hours in a week, up to a limit of 60 hours in a week. Each employee has the right to refuse the request, subject to the emergency provisions of Section 19 of the Act.

- (g) With the exception of allowing the averaging of weekly hours for the purpose of determining the employee's entitlement, if any, to overtime pay under Section 22 of the Act this agreement shall not be interpreted to disentitle an employee to any other premium payment under any other provision of the collective agreement.
