The Clinical Director or designate shall communicate their decision to the complaint within five (5) working days. In the event settlement of the grievance is not achieved, the grievance shall be dealt with in accordance with the steps described hereafter.

Step 2

Within five (5) working days after the decision is given in Step 1, the employee shall submit the grievance, in writing, to the Executive Director of the Agency. A meeting will then be held between the Executive Director of the Agency or his/her designated representative and the employee. It is understood that at such meeting, the Executive Director of the Agency or their designated representative may have such counsel and assistance as they may desire and further, the employee shall have a Grievance Committee member or Union Representative as

- The Employer agrees that where an employee is required to attend a meeting with the Employer that may lead to disciplinary action, as a good labour relations practice, it will inform the employee of the purpose of the meeting and her right to Association representation.
- 8.14 At the time formal discipline is imposed or at any other stage of the grievance procedure, an employee shall be advised of his or her right to the presence of a Union Representative or any other member of the Bargaining Unit if the Union Representative is not available.
- 8.15 It is agreed and understood that a probationary employee may be discharged at the Employer’s sole discretion where the Employer determines it has cause, except that the employee will not be discharged for exercising his or her rights under the Collective Agreement.

- 9.05 The decision of the majority of the Arbitration Board will be final and binding upon the parties to this Agreement and the employees. In the event there is not a majority decision of the Board of Arbitration, the decision of the Chairperson shall govern.
- 9.06 Each party shall pay the costs and expenses of its nominee and the costs and expenses of the Chairperson shall be borne equally by the parties.
- 9.07 The Agency and the Association may, by written agreement, substitute a sole arbitrator for the Board of Arbitration provided for herein and the Arbitrator shall possess the same powers and be subject to the same limitations as the Board of Arbitration.

RE: Sick Leave

As we continue to work through these unprecedented times related to the global pandemic, we recognize that staff are faced with unusual challenges and responsibilities related to child care.

Wanting to support the staff with these challenges; on a without precedence or prejudice basis; the Employer would agree to employees being able to access sick days as per Article 12.07 for child care issues.

Although not the intention of the agreed language related to sick days; this would be available for the duration of school closures, summer camp closures, child care closure (daycare), and required isolation by member or child.

If this is something the Employees need to access, they will need to let their leader know of their challenge related to child care as soon as they are aware of the need.
