- (a) maintain order, discipline and efficiency;
- (b) hire, assign, retire, direct, promote, demote, classify, transfer, lay-off, recall, discipline, suspend or discharge nurses provided that a claim of discriminatory promotion, demotion or transfer or a claim that a nurse has been suspended, discharged or disciplined without reasonable cause may become the subject of a grievance and be dealt with as hereinafter provided;
- (c) determine, in the interest of efficient operation and the highest standard of service, job rating or classification, the hours of work, work assignments, methods of doing the work and the working establishment for any service;
- (d) generally to maintain the operation that the Employer is engaged in and without restricting the generality of the foregoing, to determine the number of personnel required, the service to be performed and the methods, procedure and equipment to be used in connection therewith;
- (e) develop, enforce and alter from time to time, reasonable rules and regulations to be observed by the nurses.

C-7 The interview of newly-hired nurse(s) as required by Article 5.06 will be granted at a time and place to be designated by the Employer. Such interview shall take place during the orientation period. The Employer will advise the Bargaining Unit President or her/his designate, of the date, time and location for such interview at least one (1) week in advance.

In accordance with the Collective Agreement, the Employer and the Union agree to the scheduling of four (4) hour tours of duty for part-time nurses working at Hotel Dieu Shaver Health and Rehabilitation Center.

- (v) Nurses shall receive two (2) out of four (4) weekends off, from the completion of the Friday day tour to the commencement of the Monday day tour.
- (vi) No nurse shall be required to work more than three (3) consecutive extended tours unless mutually agreed between the nurse and the Employer. When the employer requires an employee to work a fourth (4th) consecutive tour, regardless of whether the tour is 11.25 or 7.5 hours, premium pay shall be paid for the fourth (4th) consecutive and subsequent extended tour or any hours in excess of 33.75 consecutive hours until a day off is scheduled.
- (vii) A nurse may be permitted to exchange her or his scheduled hours of work with another nurse provided the arrangement is submitted in writing to and is approved by the Manager concerned. - (viii) A minimum of four (4) consecutive tours off shall be scheduled following scheduled night shifts unless otherwise agreed. Should the nurse be required to work with less than (4) consecutive tours off following night shifts, she will be paid in accordance with Article 14.03 of the Collective Agreement for time worked on the first tour of the posted schedule.
- (ix) A minimum of (12) hours off shall be scheduled between tours of duty.

- (x) Nurses working extended tours, who so request, shall be granted permanent night tours and will not be rotated except by mutual consent or in order to meet reasonable Hospital staffing requirements or to be assessed or instructed on day tours. Requests for permanent shifts will not be unreasonably denied.
- (xi) The Hospital will avoid scheduling of split tours unless mutually agreeable.
- (xii) It is understood that the unpaid meal period may be away from the area.
 - (a) If a nurse is recalled to the unit during her/his break, additional time shall be provided later in the tour. The two (2) relief periods may be combined into one (1) relief period with the approval of the Hospital.
 - (b) Pursuant to Article 13.02, the total break time for extended tours will be as follows:
 - (i) The first 45 minutes of break time (15 minutes and 30 minutes) will be paid time;

F-9

Introduction/Discontinuation of Extended Tours

Extended tours shall be introduced into any unit when:

- (a) Seventy percent (70%) of the nurses in the unit so indicate by secret ballot; and
- (b) The Hospital agrees to implement the extended tours. Such agreement shall not be withheld in an unreasonably arbitrary manner.
- (c) When less than seventy percent (70%) of the staff in a particular unit vote, as outlined in Article F-9 (a) in favour of extended tours by secret ballot, the Union may approach the Hospital and ask them to consider the implementation of a combination of extended and normal (7.50 hour) tours in a particular unit.

Extended tours may be discontinued in any unit when:

- (a) Seventy percent (70%) of the nurses in the unit so indicate by secret ballot; and
- (b) The Hospital, in consultation with the Union, determines that
 - i) There is an adverse effect on patient care, or
 - ii) There is an inability to provide a workable staffing schedule,

and the Hospital states its intention to discontinue the extended tours in the schedule.

When notice of discontinuation is given by either party in accordance with F-9 above, then:

- (a) The parties shall meet within two (2) weeks of the giving of notice to review the request for discontinuation; and
- (b) Where it is determined that the extended tours or combination of extended tours and normal (7.50 hour) tours will be discontinued, affected nurse shall be given ten (10) weeks notice before the schedules are so amended.

In the event of an extended tour trial, such trial period shall be six (6) months, unless otherwise agreed. Such trial period may be terminated by either party upon at least ten (10) weeks written notice to the other.

F-10 JOB SHARING (Full-time and Regular Part-time Only)

The introduction of job sharing arrangements in a Unit will be subject to mutual agreement between the Union and the Hospital. The Hospital shall not arbitrarily or unreasonably refuse to implement job sharing.

Job sharing requests with regard to full-time positions shall be considered on an individual basis.

The employees involved in job sharing are entitled to all the terms of the part-time Collective Agreement except those which are modified as follows:

- (a) Schedules will conform with Articles F and K of the Collective Agreement which sets out scheduling.
- (b) Total hours worked by the job sharers shall equal one (1) full-time position. Job sharers will have the option of determining between themselves which partner will work on a scheduled tour; however, all scheduled tours must be covered. Such schedules will not be unilaterally imposed or changed by the Employer, but once the schedules are posted they will not be changed without the permission of the supervisor in the area concerned. Such permission will not be unreasonably withheld.
- (c) When one or both job sharers work over Christmas, neither can be required to work over New Year's, and vice versa unless mutually agreed otherwise.

(d) Paid Holidays

Job sharers will not be required to work, in total, more paid holidays than would one (1) full-time employee, unless mutually agreed otherwise.

- (e) Each job sharer may exchange shifts with her or his partner as well as other employees as provided by the Collective Agreement.

(f) Coverage

- i) It is expected that both job sharers will cover each other's incidental illnesses, vacation and any short term leaves of up to thirty (30) days duration. Where the job sharers agree to cover for vacation,

they will not be part of the vacation quota in their unit. If, because of unavoidable circumstances, one cannot cover the other, the unit supervisor must be notified. Job sharers are not required to cover for their partner in the case of prolonged or extended absences over thirty (30) days. Job sharers shall be offered additional unscheduled tours only if they have made their availability known. It is understood that they may only make themselves available on tours that would not result in premium payment or on shifts where their partner is not scheduled to work, unless requested by the employer and agreed to by the nurse.

ii) Vacation, Maternity Leave and other Leaves pursuant to Article 11 of the Central Agreement:

In the event that one member of the job sharing arrangement goes on any of the above leaves of absence exceeding thirty (30) days, the remaining partner has the option of covering all of the absent partner's shifts for the duration of the absence. If the employee is unable to cover the entire leave of absence she or he must inform the manager in advance at least two (2) weeks prior to the leave commencing. Job sharers are not required to cover for their partner in the case of prolonged or extended absences exceeding thirty (30) days or Union leaves.

(g) Implementation

Where the job sharing arrangement arises out of the filling of a vacant full-time position, both job sharing positions will be posted and selection will be based on the criteria set out in the Collective Agreement.

(h) An incumbent full-time employee wishing to share her or his position, may do so without having her or his half of the position posted provided the nurses' application for such has been approved by the Hospital. The other half of the job sharing position will be posted and selection will be made on the criteria set out in Article 10 of the Collective Agreement.

(i) If one of the job sharers leaves the arrangement, her or his position will be posted as a job sharer position. If there is no successful applicant to the position, the shared position must revert to a full-time position. The remaining nurse will have the option of continuing full-time in the position or reverting to a regular part-time B position. If the nurse does not wish to continue full-time, the position must be posted in accordance with Article 10.07.

(j) Discontinuation

Either party may discontinue the job sharing arrangement with ninety (90) days' notice. Upon receipt of such notice a meeting shall be held between the parties within fifteen (15) days to discuss the discontinuation. It is understood and agreed that such discontinuation shall not be unreasonable or arbitrary.

Should the Hospital discontinue the job sharing arrangement the nurses currently working the arrangement will revert to their former status, if no position is available Article 10 will apply.

F-11 RPT Scheduling

Whereas the Parties wish to agree to RPT scheduling, therefore, it is agreed that:

A. RPT "A" nurses must be available to work in accordance with the master schedule which is regular and pre-determined. Such scheduling regulations will be in accordance with Article F and K, Hours of Work.

B. RPT "B" nurses are available to work as follows:

(a) 44 weeks of the year including December and July or August.

No more than 50% of RPT "B" nurses may make themselves not available in any one month. If there is a conflict in the non-availability indicated by nurses, the conflict will be resolved on the basis of applying:

1. Alternating July and August each year and on a rotational basis for other months.
2. Seniority where 1 does not resolve the conflict.

If a RPT "B" nurse is unavailable for a period of one week or more, the nurse must submit this information to the employer, within the time frame of the vacation request process as outlined in Article K – Vacation. For information purposes. (Paragraph D does not apply).

(b) Available 2 out of 4 weekends.

- L. If a nurse has not indicated his/her unavailability in the manner prescribed by the Hospital, he/she shall be deemed to be available for all shifts during the period.
- M. Qualified casual part-time nurses will be offered shifts based on an equitable opportunity basis where no RPT registered nurses are available.

- h) For purposes of this process, employees working in temporary positions will use their permanent status for this cancellation process as outlined in Article 10.08 and 10.09; for example; if a regular part-time nurse is working in a temporary full-time position, they will be cancelled as a regular part-time nurse.

Cancellation of nurses must be done according to the provisions of the Collective Agreement, and this provision above in no way disentitles any nurse from either premiums set out in Article 14 and/or from exercising their rights under Article 10.08 should they apply.
