ARTICLE 1 - PURPOSE

- 1.01 The general purpose of this Agreement is to establish and maintain collective bargaining relations between the Employer and the nurses covered by this Agreement; to provide for on-going means of communication between the Association and the Employer and the prompt disposition of grievances and the final settlement of disputes and to establish and maintain mutually satisfactory salaries, hours of work and other conditions of employment in accordance with the provisions of this Agreement.

ARTICLE 2 - RECOGNITION

- 2.01 The Employer recognizes the Ontario Nurses' Association as the bargaining agent of all Registered Nurses, whether in the General or the Extended Class, and Graduate Nurses employed by the Municipality of Killarney, Ontario, save and except the Administrator and persons above the rank of Administrator.
- 2.02 The word "nurses" when used in this Agreement shall mean persons included in the bargaining unit as set out in 2.01 above and who work in the Killarney Health Centre.

ARTICLE 3 - MANAGEMENT RIGHTS

- 3.01 The Association recognizes that the management of the Centre and the direction of working forces are fixed exclusively with the Employer and shall remain solely with the Employer, except as specifically limited by the provisions of this Agreement and, without restricting the generality of the foregoing, the Association acknowledges that it is the exclusive function of the Employer to:
- (a) maintain order, discipline and efficiency;
 - (b) hire, assign, retire, discharge, direct, promote, demote, classify, transfer, lay-off, recall and suspend or otherwise discipline nurses, provided that a claim of suspension, discipline or discharge without just cause may be the subject of a grievance and be dealt with as hereinafter provided;
 - (c) determine in the interest of efficient operation and highest standards of service, hours of work, job rating and classification, work assignments, methods of doing the work, and the working establishment for the service;
 - (d) generally to manage the operation of the Centre and, without restricting the generality of the foregoing, to determine the number of personnel required, methods, procedures and equipment in connection therewith;
 - (e) make, enforce and alter from time to time, reasonable rules and regulations to be observed by the nurses, which are not inconsistent with the provisions of this Agreement.
- 3.02 These rights shall not be exercised in a manner inconsistent with the provisions of this Collective Agreement.

ARTICLE 4 - DEFINITIONS

4.01 The following definitions shall be applied to this Agreement:

- (a) A nurse practitioner is a Registered Nurse who holds an Extended Class Certificate of Registration with the College of Nurses of Ontario in accordance with the Regulated Health Professions Act and the Nursing Act. A nurse practitioner is required to present her current Certificate of Registration to the Administrator or his designate upon renewal each year. Failure to provide the certificate may result in a suspension from duty until the current certificate is presented.
- (b) A registered nurse is defined as a nurse who is registered by the College of Nurses of Ontario in accordance with the Regulated Health Professions Act and the Nursing Act. A registered nurse is required to present her current Certificate of Registration to the Administrator or his designate upon renewal each year. Failure to provide the certificate may result in a suspension from duty until the current certificate is presented.
- (c) A "full-time nurse" shall mean a nurse who is employed on a permanent basis and who is scheduled to work 37.5 hours per week.
- (d) A "regular part-time nurse" is a nurse who regularly works less than the normal full-time hours and will be available to work on a predetermined basis.
- (e) A "casual part-time nurse" shall mean a nurse who is called to work on a call in basis, but who does not work a regular schedule, or does so only for a specified period. Such employee has the option of refusing work when it is made available to him/her, however, it is also understood that a casual part-time employee cannot unreasonably or consistently refuse to work shifts.
- (f) A nurse who holds a Temporary Certificate of Registration in accordance with the Nursing Act and its Regulations must obtain her or his General Certificate of Registration prior to the expiry of her or his Temporary Certificate of Registration. If the nurse fails to obtain her or his General Certificate of Registration prior to the expiry of her or his Temporary Certificate of Registration, she/he will be deemed to be not qualified for the position of registered nurse and she/he will be terminated from the employ of the Centre. Such termination shall not be subject of a grievance or arbitration.

Note: Where an employee is in a position other than in a registered nursing position with duties and responsibilities which are subject to the Regulated Health Professions Act, he or she shall be treated in a manner consistent with this Article.

- (g) Whenever the feminine pronoun is used in this Agreement, it includes the masculine and non-binary pronoun, where the content so requires. Where the singular is used it may also be deemed to mean the plural.

ARTICLE 5 - NO DISCRIMINATION

- 5.01 The Employer and the Association agree that there will be no discrimination, interference, intimidation, restriction or coercion exercised or practised by any of their representatives with respect to any nurse because of her membership or non-membership in the Association, activity or lack of activity on behalf of the Association or by reason of exercising her rights under the Collective Agreement.
- 5.02 The Association agrees that there will be no Association activity, solicitation for membership, or collection of Association dues on Employer premises or during working hours except with the written permission of the Employer or as specifically provided for in this Agreement.

- (b) "Every person who is an employee has a right to freedom from harassment in the workplace because of sex by his or her Employer or agent of the Employer or by another employee". ref: Ontario Human Rights Code, Sec. 7(2).
- The right to freedom from harassment in the workplace applies also to sexual orientation.
- (c) "Every person has a right to be free from,
- i) a sexual solicitation or advance made by a person in a position to confer, grant or deny a benefit or advancement to the person where the person making the solicitation or advance knows or ought reasonably to know that it is unwelcome; or
- ii) a reprisal or threat of reprisal for the rejection of a sexual solicitation or advance where the reprisal is made or threatened by a person in a position to confer, grant or deny a benefit or advancement to the person". ref: Ontario Human Rights Code, Sec. 7(3)

5.05

- (a) If an employee believes there has been abuse in the workplace by another employee, a client or member of the public; she will report this in writing to the immediate supervisor who will make every reasonable effort to rectify the situation.
- (b) The parties agree that if incidents involving aggressive patient action occur, such action will be reviewed at the Occupational Health and Safety Committee. Reasonable steps within the control of the Centre will follow to address the legitimate health and safety concerns of employees presented in that forum.

The parties further agree that suitable subjects for discussion at the Association-Management Committee will include aggressive patients.

- (c) The Employer shall notify the Union within three (3) days of any employee who has been assaulted while performing her or his work. The assaulted employee may choose to have her or his name remain confidential. Such information shall be provided to the Association as soon as possible. ARTICLE 6 - NO STRIKE, NO LOCKOUT

- 6.01 The Association agrees that there shall be no strikes and the Employer agrees that there shall be no lockouts so long as this agreement continues to operate. The terms "strike" and "lockout" shall bear the meaning given them in the Ontario Labour Relations Act.

ARTICLE 7 - ASSOCIATION SECURITY

- 7.01 The Employer will deduct from each nurse covered by this Agreement an amount equal to the regular monthly Association dues designated by the Association. The deduction period for a part-time nurse may be extended where the nurse does not receive pay in a particular month.

- 7.02 Such dues shall be deducted monthly and, in the case of newly employed nurses; such deductions shall commence in the month following their date of hire. There shall be no deduction from a part-time nurse in a month in which the nurse does not work.
- 7.03 The amount of the regular monthly dues shall be those authorized by the Association. The Association shall notify the Employer of any changes therein and such notification shall be the Employer's conclusive authority to make the deduction specified.
- 7.04 In consideration of the deducting and forwarding of Association dues by the Employer, the Association agrees to indemnify and save harmless the Employer against any claims for liabilities arising or resulting from the operation of this Article.
- 7.05 The amounts deducted under this Article shall be remitted monthly to the Vice-President Finance of the Association, no later than the end of the month following the month in which the dues were deducted. In remitting such dues, the Employer shall provide a list of nurses from whom deductions were made, including deletions (indicating terminations) and additions from the preceding month and their social insurance numbers. A copy of this list will be sent to the Association.

ARTICLE 8 - ASSOCIATION INTERVIEW

The Employer agrees to recognize a Negotiating Committee for the purpose of negotiating renewals of the Collective Agreement.

9.05 Occupational Health & Safety Committee

- (a) The Employer and the Association agree that they mutually desire to maintain standards of safety and health in the Centre in order to prevent accidents, injury and illness. The Employer shall take every precaution reasonable in the circumstances for the protection of a worker. *[Occupational Health and Safety Act, s.24(2)(h)]*.

- (a) In case of the negotiating committee, this will include meetings up to and including conciliation.
- (b) The Employer will not be required to pay a nurse representative on the grievance committee or the grievor for time spent at arbitration hearings.

ARTICLE 10 - GRIEVANCE PROCEDURE

10.01 For the purpose of this Agreement, a grievance is defined as a difference arising between the parties relating to the interpretation, application, administration or alleged violation of the Agreement including any question as to whether a matter is arbitrable.

10.02 It is the mutual desire of the parties hereto that complaints of nurses shall be adjusted as quickly as possible, and it is understood that a nurse has no grievance until she has first given the Administrator the opportunity of adjusting her complaint. Such complaint shall be discussed with the Administrator within nine (9) calendar days after the circumstances giving rise to it have occurred. If the complaint is not settled, it shall be taken up as a grievance within nine (9) calendar days of the discussion in the following manner and sequence:

STEP NO. 1

The nurse may submit a written grievance, signed by the nurse, to the Administrator. The grievance shall be on a prescribed Association form and shall identify the nature of the grievance, the provisions of this Agreement which are alleged to have been violated and the remedy which is sought. The Administrator will deliver the decision in writing within nine (9) calendar days following the day on which the grievance was presented to the Administrator. The parties may, if they so desire, meet to discuss the grievance at a time and place suitable to both parties. Failing settlement, then:

STEP NO. 2

Within nine (9) calendar days following the decision in Step No. 1, the grievance may be submitted in writing to the Administrator or designate. A meeting with them will be held between the Administrator or designate and the Grievance Committee within nine (9) calendar days of the submission of the grievance at Step No. 2

unless extended by agreement of the parties. It is understood and agreed that a representative of the Ontario Nurses' Association and the grievor may be present at the meeting. It is further understood that the Administrator or designate may have such counsel and assistance as may be desired at such meeting. The decision of the Employer shall be delivered in writing within nine (9) calendar days following the date of such meeting. A copy of the third step grievance reply will be provided to the Labour Relations Officer.

10.03 Policy Grievance

A complaint or grievance arising directly between the Employer and the Association concerning the interpretation, application or alleged violation of the Agreement shall be originated at Step No. 2 within fourteen (14) calendar days following the circumstances giving rise to the complaint or grievance. It is expressly understood, however, that the provisions of this Article may not be used with respect to a grievance directly affecting a nurse(s) which such nurse(s) could have themselves instituted and the regular grievance procedure shall not be thereby bypassed. A grievance by the Employer shall be filed with the full-time nurse or her designate.

10.04 Group Grievance

Where a number of nurses have identical grievances and each nurse would be entitled to grieve separately, they may present a group grievance in writing signed by each nurse who is grieving to the Administrator or designate within fourteen (14) calendar days after the circumstances giving rise to the grievance have occurred or ought reasonably to have come to the attention of the nurse(s). The grievance shall then be treated as being initiated at Step No. 2 and the applicable provisions of this Article shall then apply with respect to the processing of such grievance.

10.05 Discharge Grievance

The release of a probationary nurse for reasons based on performance and ability to do the job, including skills, suitability and availability shall not be subject to the grievance procedure unless the probationary nurse is released for:

- (a) reasons which are arbitrary, discriminatory or in bad faith;
- (b) exercising a right under this Agreement.

The Centre agrees to provide written reasons for the release of a probationary nurse within seven (7) days of such release.

A claim by a probationary nurse that she or he has been unjustly released shall be treated as a grievance, provided the nurse is entitled to grieve, if a written statement of such grievance is lodged by the nurse with the Centre at Step No. 2 within seven (7) calendar days after the date the release is effected. Such grievance shall be treated as a special grievance as set out below:

The Centre agrees to provide written reasons within seven (7) calendar days to the affected nurse in the case of discharge or suspension and further agrees that it will not suspend, discharge or otherwise discipline a nurse who has completed her or his probationary period, without just cause.

A claim by a nurse who has completed her or his probationary period that she or he has been unjustly discharged or suspended shall be treated as a grievance if a written statement of such grievance is lodged by the nurse with the Centre at Step No. 2 within seven (7) calendar days after the date the discharge or suspension is effected. Such special grievance may be settled under the Grievance or Arbitration Procedure by:

- (a) confirming the Centre's action in dismissing the nurse; or
- (b) reinstating the nurse with or without loss of seniority and with or without full compensation for the time lost; or
- (c) by any other arrangement which may be deemed just and equitable.

- 10.06 Failing settlement under the foregoing procedure of any grievance between the parties arising from the interpretation, application, administration or alleged violation of this Agreement, including any question as to whether a matter is arbitrable, such grievance maybe submitted to arbitration as hereinafter provided. If no written request for arbitration is received within thirty-six (36) calendar days after the decision under Step No. 2 is given, the grievance shall be deemed to have been abandoned. Where such a written request is postmarked within thirty-four (34) calendar days after the decision under Step No. 2, it will be deemed to have been received within the time limits.
- 10.07 All agreements reached under the grievance procedure between the Employer and the Association will be final and binding upon the Employer and the Association and the nurses.
- 10.08 When either party wishes to have a grievance referred to arbitration it shall give written notice of such referral to the other party within the time limits set out above, and at the same time appoint its nominee to the Arbitration Board. Within seven (7) calendar days, the other party shall appoint its nominee, provided that if such party fails to appoint its nominee, the Minister of Labour for the Province of Ontario shall have power to effect such appointment upon application by the party invoking the arbitration procedure. The two nominees shall attempt to select, by agreement, a chairman of the Arbitration Board.
- 10.09 No person may be appointed as an arbitrator who has been involved in an attempt to negotiate or settle the grievance.
- 10.10 No matter may be submitted to arbitration, which has not been properly carried through all requisite steps of the Grievance Procedure.
- 10.11 The Arbitration Board shall not be authorized to make any decision inconsistent with the provisions of this Agreement, nor to alter, modify, add to or amend any part of this Agreement.
- 10.12 The proceedings of the Arbitration Board will be expedited by the parties hereto and the decision of the majority and where there is no majority the decision of the chairman will be final and binding upon the parties hereto and the nurse or nurses concerned.

- 10.13 Each of the parties hereto will bear the expense of the nominee appointed by it and the parties will share equally the fees and expenses, if any, of the chairman of the Arbitration Board.
- 10.14 The time limits set out in the Grievance and Arbitration Procedures herein are mandatory and failure to comply strictly with such time limits except by the written agreement of the parties, shall result in the grievance being deemed to have been abandoned subject only to the provisions of The Labour Relations Act, as amended from time to time.
- 10.15 Wherever Arbitration Board is referred to in the Agreement, the parties may mutually agree in writing to substitute a single Arbitrator for the Arbitration Board at the time of reference to arbitration and the other provisions referring to the Arbitration Board shall appropriately apply.

ARTICLE 11 - PROFESSIONAL RESPONSIBILITY

- 11.01 In the event the workload to an individual nurse or group of nurses is such that she or they have cause to believe that she or they are being asked to perform more work than is consistent with proper patient care, she or they shall:
- (a)
 - i) Complain in writing to the Association-Management Committee within fifteen (15) calendar days of the alleged improper assignment. The Chairman of the Association-Management Committee shall convene a meeting of the Association-Management Committee within ten (10) calendar days of filing the complaint. The Committee shall hear and attempt to resolve the complaint to the satisfaction of both parties.
 - ii) Failing resolution of the complaint within fifteen (15) calendar days of the meeting of the Association-Management Committee the complaint shall be forwarded to an independent Assessment Committee composed of three (3) registered nurses; one chosen by the Ontario Nurses' Association, one chosen by the Centre and one chosen from a panel of independent registered nurses who are well respected within the profession. The member of the Committee chosen from the panel of independent registered nurses shall act as Chairperson.
 - iii) The Assessment Committee shall set a date to conduct a hearing into the complaint within fourteen (14) calendar days of its appointment and shall be empowered to investigate as is necessary and make what findings as are appropriate in the circumstances. The Assessment Committee shall report its findings, in writing, to the parties within thirty (30) calendar days following completion of its hearing.
 - (b)
 - i) the list of the Assessment Committee Chairpersons is attached as Appendix 2. During the term of this Agreement, the Central Negotiating Teams shall meet as necessary to review and amend by agreement the list of chairpersons of Professional Responsibility Assessment Committees.

The parties agree that should a Chairperson be required, the Ontario Nurses' Association will be contacted. They will provide the name of the person to be utilized on the alphabetical listing of Chairpersons. The name to be provided will be the top name on the list of Chairpersons who has not been previously assigned.

Should the Chairperson who is scheduled to serve decline when requested, or it becomes obvious that she would not be suitable due to connections with the Centre or community, the next person on the list will be approached to act as Chairperson.

- ii) Each party will bear the cost of its own nominee and will share equally the fee of the Chairperson and whatever other expenses are incurred by the Assessment Committee in the performance of its responsibilities as set out herein.

ARTICLE 12 - ORIENTATION AND IN-SERVICE PROGRAM

12.01 The Employer recognizes the need for an Employee Orientation Program of such duration, as it may deem appropriate, taking into consideration the needs of the Employer and the nurses involved.

12.02 (a) Both the Employer and the Association recognize their joint responsibility and commitment to provide, and to participate in, in-service education. The Association supports the principle of its members' responsibility for their own professional development and the Employer will endeavour to provide nurses with opportunities to attend related programs.

(b) Continuous professional development is a hallmark of professional nursing practice. The Health Centre in promoting a practice environment that supports continuous learning and enhances opportunities for career development will include the nurses in:

- i) Reviewing annually the organization's strategic directions and priorities which impact on nursing competencies including the budget and expenditures related to nursing education;
- ii) Providing equal access to professional development opportunities including, but not limited to programs (such as conferences, seminars and workshops), funding, scheduling and leaves.

12.03 The delegation of Controlled Acts shall be in accordance with the Regulated Health Professions Act, Medical Directives, and related statutes and regulations and in accordance with guidelines established by the College of Nurses of Ontario from time to time, and any Centre policy related thereto, provided that if the Association is of the opinion that such delegation would be inimical to proper patient care, the Association may refer the issue to the Association Management Committee.

Note: Where an employee is in a position other than in a registered nursing position with duties and responsibilities which are subject to the Regulated Health Professions Act, he or she shall be treated in a manner consistent with this Article.

- 12.04 (a) The Health Centre shall endeavour to provide nurses with an opportunity to attend in-service programs during their regularly scheduled working hours. When a nurse is on duty and authorized to attend an in-service program at the Health Centre or required by the Employer to attend courses outside of her regularly scheduled working hours she shall be paid for all time spent in attendance on such courses at her regular straight time hourly rate of pay.
- (b) The Employer will provide for staff meetings as requested by either party. When possible, these meetings will be attached to the in-service program. Nurses will be paid at their regular straight time hourly rate for attendance at such meetings.
- 12.05 Nurses may be required, as part of their regular duties, to supervise the activities of students and will be informed in writing of their responsibilities in relation to these students.
- Any information that is provided to the Centre by the educational institution with respect to the skill level of the students will be made available to the nurses recruited to supervise students.
- 12.06 Where computers and/or new computer technology (e.g. computer charting) are introduced into the workplace that nurses are required to utilize in the course of their duties, the Employer agrees that necessary training will be provided at no cost to the nurses involved.

ARTICLE 13 - ACCESS TO FILES

- 13.01 A copy of any completed evaluation which is to be placed in a nurse's file shall be first reviewed with the nurse. The nurse shall initial such evaluation as having been read and shall have the opportunity to add her views to such evaluation prior to it being placed in her file. It is understood that such evaluations do not constitute disciplinary action by the Centre against the nurse.
- 13.02 Each nurse shall have reasonable access to her personal file for the purpose of reviewing the contents in the presence of the Administrator. A copy of the evaluation will be provided to the nurse at her request.
- 13.03 The Employer agrees not to introduce as evidence in a hearing related to disciplinary action any document from the file of an employee, the existence of which the employee was not aware at the time of filing or within a reasonable period thereafter.
- 13.04 Any letter or reprimand, suspension or other sanction will be removed from the record of a nurse eighteen (18) months following the receipt of such letter, suspension or other sanction provided the nurse's record has been discipline free for one year.
- 13.05 The Peer Feedback Process of the Quality Assurance Program required by the College of Nurses of Ontario

The parties recognize the importance of supporting the confidential nature of the Peer Feedback component of the Quality Assurance Program. For further clarity, the above referenced Peer Feedback will not be used as a performance evaluation under Article 13.01.

ARTICLE 14 - SENIORITY

14.01 Newly hired full-time nurses shall be considered to be on probation for a period of 70 tours worked from date of last hire. Newly hired part-time Nurses shall be considered to be on probation for a period of 525 hours worked from date of last hire. The probation period may be extended by mutual consent of all parties an additional 60 tours or 450 hours as applicable. If retained after the probationary period, the nurse shall be credited with seniority in the amount of the number of hours worked since date of last hire. The Employer shall advise the nurses in writing of the completion of their probationary period.

14.02 Seniority lists shall be maintained for all nurses covered by this Agreement who have completed their probationary period. A copy of the Seniority List shall be posted on May 1st and November 1st of each year. Seniority accrual determination shall be as of March 31st and September 30th of each year.

Full-time seniority will be accrued from date of hire subject to Article 14.03.

Part-time seniority will be based on the number of hours worked.

14.03 A nurse's full seniority and service shall be retained by the nurse in the event that she is transferred from full-time to part-time. A nurse whose status is changed from full-time to part-time shall receive credit for her full seniority and service on the basis of 1500 hours worked for each year of full-time seniority. A nurse whose status is changed from part-time to full-time shall receive credit for her full seniority and service on the basis of one year of seniority for each 1500 hours worked. Any time worked in excess of an equivalent shall be pro-rated at the time of transfer.

14.04 If a nurse's absence without pay from the Employer under Leaves of Absence, exceeds thirty (30) continuous calendar days she will not accumulate seniority or service for any purposes under the Collective Agreement for the period of the absence in excess of thirty (30) continuous calendar days unless otherwise provided and the nurse will become responsible for full payment of any subsidized employee benefits in which she is entitled to participate during the period of absence. In the case of unpaid approved leaves of absence in excess of thirty (30) continuous calendar days a nurse may arrange with the Employer to prepay the full premium of any applicable subsidized benefits during the period of leave in excess of thirty (30) continuous calendar days to ensure her continuing coverage.

Notwithstanding this provision, seniority shall accrue if a nurse's absence is due to disability resulting in W.S.I.B. benefits or L.T.D. benefits including the period of the disability program covered by Employment Insurance.

Seniority for part-time nurses shall accrue for absences due to a disability resulting in WSIB benefits, or illness or injury in excess of thirty (30) calendar days. The rate of accumulation will be based on the employee's normal weekly hours paid over the

preceding qualifying twenty-six (26) weeks. A qualifying week is a week where the nurse is not absent due to vacation, pregnancy-parental leave, WSIB, or illness that exceeds thirty (30) consecutive calendar days.

Notwithstanding this provision, seniority and service will accrue and the Centre will continue to pay the premiums for benefit plans for nurses for a period of up to seventeen (17) weeks while a nurse is on pregnancy leave under Article 15.07 and for a period of up to sixty-one (61) weeks while a nurse is on parental leave under Article 15.08. Seniority and service will accrue for a period of up to sixty-three (63) weeks while such nurse is on parental leave under Article 15.08.

Note 1: The accrual of seniority and service for nurses on pregnancy and parental leave applies to both full-time and part-time nurses.

Note 2: This clause shall be interpreted in a manner consistent with the Ontario Human Rights Code.

14.05 A nurse shall lose all service and seniority and shall be deemed to have terminated if she:

- (a) leaves of her own accord (resigns);
- (b) is discharged for just cause and the discharge is not reversed through the grievance or arbitration procedure;
- (c) has been laid off for thirty-six (36) calendar months;
- (d) refuses to continue to work or return to work during an emergency which seriously affects the Employer's ability to provide adequate patient care, unless a satisfactory reason is given to the Administrator;
- (e) is absent from scheduled work for a period of three (3) or more consecutive working days without a reason satisfactory to the Administrator;
- (f) fails to return to work (subject to the provisions of 14.05 (e)) upon termination of an authorized leave of absence without satisfactory reason or utilizes a leave of absence for purposes other than that for which the leave was granted;
- (g) fails upon being notified of a recall to signify her intention to return within seven (7) calendar days after she has received the notice of recall and fails to report to work within ten (10) calendar days after she has received the notice of recall;

Note: This clause shall be interpreted in a manner consistent with the Ontario Human Rights Code.

- 14.06 Where a permanent vacancy occurs within the bargaining unit or a new position within the bargaining unit is established by the Employer, such vacancy shall be posted for a period of seven (7) consecutive calendar days. Nurses in this bargaining unit may make written application for such vacancy within the seven (7) day period referred to herein. Subsequent vacancies created by the filling of a posted vacancy are to be posted for seven (7) consecutive calendar days.
- 14.07 Nurses shall be selected for positions on the basis of their skill, ability, experience and qualifications. Where these factors are relatively equal amongst the nurses considered, seniority shall govern providing the successful applicant, if any, is qualified to perform the available work within an appropriate familiarisation period. Where seniority governs, the most senior applicant will be selected. There shall be no distinction between full-time and part-time nurses.
- 14.08 Vacancies which are not expected to exceed sixty (60) calendar days and vacancies caused due to illness, accident, leaves of absence (including maternity) may be filled at the discretion of the Employer. In filling such vacancies consideration shall be given to part-time nurses in the bargaining unit on the basis of seniority who are qualified to perform the work in question. It is understood, however, that where such vacancies occur on short notice, failure to offer part-time nurses such work shall not result in any claim for pay for time not worked while proper arrangements are made to fill the vacancy. Upon completion of the temporary vacancy, such nurse shall be reinstated to her former position.
- 14.09 The Employer shall have the right to fill any permanent vacancy on a temporary basis until the posting procedure has been complied with.
- 14.10 Layoff
- (a) A layoff of nurses shall be made on the basis of seniority provided that the nurses who are entitled to remain on the basis of seniority are qualified to perform the available work.
 - (b) Nurses shall be recalled in the order of seniority, unless otherwise agreed between the Employer and the Association, provided that the nurse is qualified to perform the available work.
 - (c) All regular part-time and full-time nurses represented by the Association who are on layoff will be given a job opportunity in the full-time and regular part-time categories before any new nurse is hired into either category.
 - (d) The Employer shall provide the Association with reasonable notice of any layoff and shall provide individual nurses with notice of layoff in accordance with the Employment Standards Act.
- 14.11 The Centre shall provide the local Association with no less than 90-calendar days' notice of a long-term layoff and shall meet with the local Association to review the following:
- (a) the reasons causing the layoff;
 - (b) the service which the Centre will undertake after the layoff;

- (c) the method of implementation including the areas of cut-back and the nurses to be laid off; and
- (d) any limits which the parties may agree on the number of nurses who may be newly assigned to a unit or area.

14.12 The Centre shall not contract out any work usually performed by members of this bargaining unit if, as a result of such contracting out, a layoff of any employees other than casual part-time employees follows. Contracting out to an Employer who is organized and who will employ the employees of the bargaining unit who would otherwise be laid off is not a breach of this provision. This clause will not apply to the ad hoc use of agency or registry nurses for single shift coverage of vacancies due to illness or leaves of absence.
