ARTICLE 1 – PURPOSE

- 1.01 The purpose of this Agreement is to establish by mutual agreement an orderly collective bargaining relationship between the Employer and the nurses concerned, and to provide for the prompt disposition of grievances, and to establish and maintain satisfactory working conditions, hours of work, and wages for all nurses within the bargaining unit.
- 1.02 It is recognized that the nurses wish to work together with the Employer to secure the best possible nursing care and health protection for residents.

ARTICLE 2 – RECOGNITION

- 2.01 The Employer recognizes the Association as the exclusive bargaining agent for all registered and graduate nurses employed in a nursing capacity by Knollcrest Lodge, save and except the In-service Co-ordinator, Director of Nursing and persons above the rank of Director of Nursing.
- 2.02 (a) In order to protect the standard of nursing care, the Employer agrees that no one outside of the above-mentioned bargaining unit shall perform the work normally performed by members of this bargaining unit except for the purpose of instruction or experimentation or on a once only basis where the immediate health of a patient requires it, if the performance of such work results in the layoff or reduction in hours of any member of the bargaining unit.
- This clause shall be interpreted so as to allow the continued assignment of duties to RPN's that overlap with the work normally performed by members of this bargaining unit, and shall also permit the assignment of the administration of medications to certified RPNs.
- (b) The Employer will not contract out registered nursing services. The Existing Registered Nurses Scheduled work shifts per week shall not be reduced as a result of contracting-out. The Employer shall endeavour to maintain the present ratio of full-time to part-time employees.
- (c) The Employer agrees that the minimum staffing level for RNs at Knollcrest will be one (1) RN per shift, as per practice as of April 1, 2003. Nothing herein prevents the Employer from creating additional RN positions at Knollcrest. If any additional RN hours are added, 2.02 (a) shall not apply so as to prevent the Employer from returning to the minimum level of RNs set out herein.
- The Employer will provide to the Union with copies of anything in the Service Agreement with the Ministry of Health and Long Term Care that it is required to post.
- 2.03 A registered nurse is a nurse who holds a Certificate of Registration with the College of Nurses of Ontario in accordance with the *Regulated Health Professions Act*, and the *Nursing Act*.

- 2.04 A nurse who holds a Temporary Class Certificate of Registration issued by the College of Nurses of Ontario must obtain her or his General Class Certificate of Registration prior to the expiry of her or his Temporary Class Certificate. If the nurse fails to obtain her or his General Class Certificate of Registration prior to the expiry of her or his Temporary Class Certificate of Registration she or he will be deemed to be not qualified for the position of registered nurse and she or he will be terminated from the employ of the Home. Such termination shall not be the subject of a grievance or arbitration.
- 2.05 The word "nurses" when used throughout this Agreement shall mean persons included in the above described bargaining unit.
- 2.06 The Employer agrees to give representatives of the Ontario Nurses' Association access to the Lodge for the purposes of discussing Association business with the Employer, such as investigating grievances, attending meetings or otherwise assisting in the administration of this Agreement.
- The Employer recognizes the Staff Representative of the Ontario Nurses' Association as the sole signing authority for the Association.

The Director of Nursing shall render a decision in writing within five (5) days following the day on which the grievance was submitted. If the decision is unsatisfactory to the nurse(s) or the Association, Step No. 2 may be followed within ten (10) days.

Should the nurse(s) or the Association wish to file a grievance against any such discharge, suspension or discipline, it shall be reduced to writing and filed within ten (10) days. It is understood that probationary employees may be suspended or discharged for any reason, so long as the discharge or suspension was not done in a manner that was arbitrary, discriminatory or in bad faith.

- 8.14 The Arbitration Board shall hear and determine the difference or allegation and shall issue a decision, and the decision is final and binding upon the parties, and upon any nurse affected by it.
- 8.15 The Board of Arbitration shall have no power to alter, add to, subtract from, modify or amend this Agreement in order to give any decision inconsistent with it nor shall any practices or customs become binding unless reduced to writing by the Association and the Employer.
- 8.16 The decision of a majority is the decision of the Arbitration Board, but if there is no majority, the decision of the Chairperson shall govern.

- 8.17 Each of the parties shall pay its own expenses including pay for witnesses and the expenses of its own appointee and one-half (1/2) of the expenses and fees of the Chairperson.
- 8.18 Upon mutual agreement of the parties in writing, a single arbitrator may be substituted for the Board of Arbitration. In such a case, all of the other provisions of this Article shall continue to apply as with the Board of Arbitration.

The employer shall continue to pay the percentage in lieu of benefits for part-time employees based on the employee's normal weekly hours (determined as per Service Canada Guidelines) for the portion of the parental leave for which SUB payments are being made, i.e. 12 weeks, in addition to pension contributions if applicable.

Where an employee elects to receive parental leave benefits pursuant to Section 12(3)(b)(ii) of the Employment Insurance Act, the amount of any Supplemental Unemployment Benefit payable by the Employer will be no greater than what would have been payable had the employee elected to receive the parental leave benefit pursuant to Section 12(3)(b)(i) of the Employment Insurance Act.

.02 Each Eligible Employee covered by this Collective Agreement shall contribute from each pay period an amount equal to four percent (4%) of applicable wages to the Plan. The Employer shall match such contributions, the amount being four percent (4%) of applicable wages.

Notwithstanding the foregoing, where an error has been made in deduction, the Employer shall, upon request, make full payment on any outstanding Employer contributions irrespective of whether the employee pays the matching amount.

The parties agree that this Article in no way prejudices the position of either party as it relates to the retroactivity application if an error is discovered.

.03 The employee and Employer contributions shall be paid to the Plan within thirty (30) days after the end of the calendar month in which the pay period ends for which the contribution are attributable.

.04 The Union acknowledges and agrees that other than making its contributions to the Plan as set out in this article, the Employer shall not be obligated to contribute towards the cost of benefits provided by the

Plan, or be responsible for providing any such benefits.

The Union and Employer acknowledge and agree that under current pension legislation, and/or regulations, the Employer has no requirement to fund any deficit in the Plan, but is required to contribute only that amount as required by the Collective Agreement in force between the parties.

It is understood and agreed by the Employer and the Union that should the current pension legislation or regulations be changed so that the Employer's obligation to contribute to the Plan exceeds the amount specified in the Collective Agreement then in force, the parties will meet directly to finalize methods to relieve the Employer of this increased obligation to the extent that any such obligations exceeds that which the Employer would have if the Plan were a defined contribution plan.

- .05 The Employer agrees to provide to the Administrator of the Plan, on a timely basis all information required pursuant to the Pension Benefits Act, R.S.O. 1990, CH P-5 as amended, which the Administrator may reasonably require in order to properly record and process pension contributions and pension benefits.

The information required to be provided by the Employer may be provided in the form normally maintained by the Employer, whether on computer disc, manual records or otherwise. In the event such information is not readily available without review of other information not relevant to the Plan, the Plan shall make arrangements with Employer for access to the required information. This may include the Employer providing such information at reasonable cost to the Plan. If the Administrator of the Plan and Employer are unable to agree on the form of such access, a mutually acceptable third party, such as a firm of the accountants and auditors, shall be retained at the expense of the Plan to obtain such information from the Employer's files.

Such information shall be provided only on enrolment of an employee or with the monthly remittances.

Any additional information requests beyond that noted above may be provided, if possible, by the Employer, it being understood that any additional costs of such request shall be borne by the Plan.

For further specificity, the items required for each eligible employee are:

It is understood that the obligation of the employer to pay its share of the health and welfare benefits while an employee is on WSIA shall continue only so long as the employment relationship continues or thirty months, whichever occurs first unless prohibited by legislation.
- (g) It is understood that an employee who chooses to continue benefits under (a), (b) or (f) above shall provide the employer with payment for the amount required on or before the first day of the month in which payment is due.
- (h) Notwithstanding 11.08 (e), when an employee is on an educational leave under Article 11.03 above, she will continue to accumulate seniority for up to one (1) academic year. The employee will have the option of remaining in the benefits plans provided she pays the total cost of such benefit premiums subject to clause (a) above. Seniority for part-time will be based on average over the last twenty-six (26) weeks prior to Leave of Absence.
- (i) In cases of absences for pregnancy and parental leave under the Employment Standards Act, seniority and service shall accrue for the duration of the leave and the Employer will maintain its share of the insured benefit premiums provided the employee issues a cheque to the Employer covering her portion of the premiums each month in advance.

The Union and the Employer agree to abide by the Human Rights Code.

17.04 The current plans remain in place per the collective agreement until age 70, save and except for Group Life which is reduced to 50% of the face value for fulltime employees. Article 14.12. (LTD) coverage ceases at 65.

At age 70, (or at such age as employees are no longer entitled to contribute to a pension plan), the Employer's pension contribution for participating employees will be added to the payment in lieu of benefits.
