- D-3 It is the nurse's responsibility to ensure that their home address, telephone number and other personal data are current with the Hospital and Local 100 at all times.

ARTICLE E - HOURS OF WORK AND OVERTIME

- E-1 Rest Periods
- (a) The Hospital's present practice of permitting the combination of rest periods will be maintained during the life of this Collective Agreement.
- (b) Nurses working tours comprised of less than seven and one-half (7.5) hours shall be granted a paid rest period.
- (c) For extended tour (i.e. eleven and one-quarter (11 ¼) and ten (10) hours) night shifts which have identified only two (2) breaks during the tour, the first scheduled break will be defined as a meal period.
- E-2 (a) A nurse working normal daily tours of seven and one half (7 ½) hours will receive a premium of time and one half (1½) their regular straight time hourly rate for all hours worked on a third (3rd) consecutive and subsequent weekend, save and except where:
- i) such weekend has been worked by the nurse to satisfy specific days off requested by such nurse; or
- ii) such nurse has requested weekend work; or
- iii) such weekend is worked as the result of an exchange of shifts with another nurse.
- (b) A nurse working normal daily extended tours of eleven and one quarter (11 ¼) hours or ten (10) hours, will receive a premium of time and one half (1 ½) their regular straight time hourly rate for all hours worked on a third (3rd) consecutive and subsequent weekend, save and except where:

- i) such weekend has been worked by the nurse to satisfy specific days off requested by such nurse; or
- ii) such nurse has requested weekend work; or
- iii) such weekend is worked as a result of an exchange of shifts with another nurse.

(c) Full-time only:

For the purposes of the waived period under Article F-2 (i) and F-3 (a) viii) i.e. mid-December to mid-January, a nurse working normal daily tours of seven and one-half (7 ½) hours or normal daily extended tours of eleven and one quarter (11 ¼) hours or normal daily extended tours of ten (10) hours, will receive a premium of time and one-half (1 ½) their regular straight time hourly rate for all hours worked on a fourth (4th) consecutive and subsequent weekend, save and except where:

- i) such weekend has been worked by the nurse to satisfy specific days off requested by such nurse; or
- ii) such nurse has requested weekend work; or
- iii) such weekend is worked as the result of an exchange of shifts with another nurse.

It is understood that the foregoing shall apply to weekends worked immediately preceding or weekends worked immediately following the waived period and worked consecutively with weekends worked during the waived period.

Notwithstanding the foregoing, the Hospital will endeavour to not schedule nurses to work more than two (2) consecutive weekends during the waived period.

E-3 Full-time and Regular Part-time only:

Where a nurse has elected to take the equivalent time off pursuant to Article 14.09, such time will be taken at a mutually agreeable time. No nurse may have more than seventy-five (75) straight time hours accumulated at any time.

E-4 After the schedule is posted and should overtime be requested by the Hospital, the tour will be first offered to full-time nurses on the basis of rotating seniority, prior to offering to regular part-time nurses on the unit. Casual nurses will be offered after regular part-time nurses. Such tours will be offered one at a time in accordance with this article. If such tour results in any additional premium payment (e.g. consecutive weekend), the shift need not be offered.

Full-time nurses who do not wish to be considered for overtime must notify their Manager or designate in writing by March 1st and September 1st each year. In the event a full-time nurse's availability changes from above due to an unforeseen circumstance, such nurse will notify their Manager or designate of such changes in writing. Such changes will be in effect for the remainder of the time period as outlined above.

ARTICLE F - SCHEDULING

- F-1 (a) Work schedules of six (6) weeks' duration shall be posted at least six (6) weeks in advance.

Changes to the posted schedule which are requested in writing by a majority of nurses on a unit, co-signed by a member of the local executive and approved by the Hospital, may be implemented within the six (6) week period by the Hospital. A change in the posted schedule will include a change in shifts as well as a change in tours.

- (b) In the event that changes are made to the master rotation in effect in any unit, the Hospital will provide a copy of the new master rotation to the Bargaining Unit President fourteen (14) days in advance of the posting of the new master rotation. If both the Hospital and the Union have identified a violation of the collective agreement in the new master rotation such violation will be remedied prior to the schedule being posted in the unit.

Where a master rotation schedule is changed pursuant to the above, individual schedule rotations will be awarded on the basis of seniority, considering a balanced skill mix (novice to expert; experience and knowledge) of Registered Nurses. - F-2 Work schedules of normal daily tours of seven and one half (7 ½) hours shall take into account the following provisions:

Such requests shall be considered by their Manager or designate in their absence, and where approval is given it shall be in writing. Such requests shall not be unreasonably denied. A denial and reasons for the denial shall be given in writing. It is understood that any such changes shall not result in any overtime or premium payment.

It is understood that the Hospital reserves the right to require nurses to work certain shifts for the purposes of reorientation, training, education and appraisal and that such requirements do not constitute unreasonable denial.

(e) The Hospital will schedule two (2) weekends off in any four (4) weekends.

The Hospital shall grant nurses, except nurses whose regular days of work are Monday to Friday, at least 5 (five) consecutive days off in conjunction with either Christmas Day or New Year's Day. Such time off shall be granted on an alternating basis from year to year within each work unit, unless mutually agreed otherwise between the Hospital and an individual nurse. Nurses may submit requests for exchanges in schedule for the posted schedule period.

Such requests shall be considered by their Manager or designate in their absence, and where approval is given it shall be in writing. Such requests shall not be unreasonably denied. A denial and reasons for the denial shall be given in writing. It is understood that any such changes shall not result in any overtime or premium payment.

It is understood that the Hospital reserves the right to require nurses to work certain shifts for the purposes of reorientation, training, education and appraisal and that such requirements do not constitute unreasonable denial.

v) Full-time only:

A period of no less than four (4) consecutive tours (i.e. 2 days off) shall be scheduled following scheduled night tours.

vi) The Hospital will schedule every other weekend off except where a changeover to the alternate weekend occurs within the rotation.

viii) The foregoing provisions F-3 i) through vii) inclusive (except iv) shall be waived during the period from mid-December to mid-January (two rotations, i.e. four (4) weeks) in order to facilitate scheduling of time off for the Christmas period and the New Year's period.

The Hospital shall grant nurses, except nurses whose regular days of work are Monday to Friday, at least 5 (five) consecutive days off in conjunction with either Christmas Day or New Year's Day. Such time off shall be granted on an alternating basis from year to year within each work unit, unless mutually agreed otherwise between the Hospital and an individual nurse. Nurses working in a unit that is not operating on Christmas Day, Boxing Day and New Year's Day, are exempt from such five (5) consecutive days off.

The time off for Christmas shall include December 24th, 25th, and 26th and shall begin no later than following the completion of the night shift on December 23rd (0700 December 24) and the time off for New Year's shall include December 31st and January 1st and shall begin no later than following the completion of the night shift on December 30th (0700 December 31). - (c) The eighty percent (80%) figure above may be varied by mutual agreement between the parties.
- (d) The Hospital shall make space available to the Union in order to permit the Union to conduct the vote referred to in Paragraph (a).
- (e) At any meeting with the Hospital to discuss the 2D 2N schedule, a member of the Local executive should be in attendance.
- (f) The 2D 2N schedule may be discontinued in any unit when:
- i) sixty-five percent (65%) of the nurses in a unit so indicate by secret ballot; or
 - ii) The Hospital decided to do so because of:

Three (3) additional eleven and one quarter (11.25) hour tours will be scheduled over the calendar year.
- ii) Nurses shall receive at least every fourth (4th) weekend off, which shall consist of six (6) consecutive extended tours, which shall commence no later than 1930 hours Friday.

F-8

Self-Scheduling

The Union and the Hospital agree in principle to the concept of self-scheduling. Should the Hospital or the nurses wish to implement self-scheduling on a particular unit, they shall do so according to the following criteria, initially on a test basis:

- (a) Eighty- percent (80%) of the nursing staff must indicate by secret ballot their willingness to participate in self-scheduling prior to the commencement of the test. It is understood that there will be a separate vote conducted for full-time and part-time nurses.
- (b) The test period shall be for six (6) months, after which the full-time and part-time nurses will again indicate by an eighty (80%) vote by secret ballot their desire to continue or discontinue self-scheduling.
- (c) Nurses not wishing to participate, may, prior to the commencement of the test, indicate to their Manager or designate their intent not to participate in self-scheduling.
