ARTICLE 1 – PREAMBLE

- 1.01 The general purpose of this Agreement is to establish and maintain collective bargaining relations between the Hospital and the employees covered by this Agreement; to provide for ongoing means of communication between the Union and the Hospital and the prompt disposition of grievances and the final settlement of disputes and to establish and maintain mutually satisfactory wages, hours of work and other conditions of employment in accordance with the provisions of this Agreement.
- 1.02 It is recognized that employees wish to work together with the Hospital to secure the best possible care and health protection for patients.

ARTICLE 2 - RECOGNITION

- 2.01 The Hospital recognizes the Ontario Nurses' Association as the Bargaining Agent of all Dosimetrists, Radiation Therapists, Advanced Practice Radiation Therapists and Clinical Instructors – Radiation Therapy working in the positions of Dosimetrist, Radiation Therapist, Advanced Practice Radiation Therapist and Clinical Instructor – Radiation Therapy employed by London Health Sciences Centre in the City of London, save and except Supervisors and persons above the rank of Supervisor.

2.02 Certification and Licensing

All Radiation Therapists and Clinical Instructors – Radiation Therapy as a condition of their continued employment with the Hospital are required to present to their Manager or their designate or alternate by their birthday each year their proof of current certification and licensing with the College of Medical Radiation Technologists of Ontario (C.M.R.T.O.).

Such time specified for presentation of proof of current certifications may be extended for satisfactory reasons where the college permits the employee's Certificate of Registration to remain in effect to a maximum period of thirty (30) calendar days following the above noted applicable date. An employee who fails to provide proof of certification and licensing by the specified date or extended date as provided above will be placed on non-disciplinary suspension without pay. If the employee presents evidence of certification and licensing within 90 days of such suspension, the employee shall be reinstated to their former position effective upon presenting such evidence to the Hospital. Failure to provide evidence of certification and licensing within 90 calendar days of the employee being placed on non-disciplinary suspension by the Hospital will result in the employee being deemed to be no longer qualified and the employee shall be terminated from the employ of the Hospital.

- 2.03 A full-time employee is an employee who normally works the normal full-time hours referred to under Article 17 of the Collective Agreement.

- 2.04 A part-time employee is an employee who normally works less than the normal full-time hours referred to under Article 17 of the Collective Agreement.
- 2.05 Part-time employees are classified under two (2) categories:
- (a) A regular part-time employee is an employee who normally works less than the full-time weekly hours referred to under Article 17 of the Collective Agreement and who makes a commitment to the Hospital to be available on a pre-determined basis and in respect of whom there is a pre-determined schedule.
 - (b) A casual part-time employee shall mean an employee who is employed on a casual relief or short notice basis.
- 2.06 Where the feminine pronoun is used in this Agreement, it shall be deemed to include the masculine, and non-binary and vice-versa, where the context so indicates. Where the singular is used, it may also be deemed to include the plural and vice-versa, where the context so indicates.
- 2.07 The word “employee” or “employees” shall include only such persons coming within the scope of the bargaining unit as defined in Article 2.01.
- 2.08 Once Article 13.01 has been complied with and it is determined that no internal employee is willing and qualified to perform the available work, a temporary employee may be hired under the following circumstances:
- (a) to replace an employee who is absent from work because of a pregnancy leave, parental leave, long term disability, education leave, pre-paid leave or such other leave as the Union may approve in which case the period of temporary employment shall not exceed the absentee’s leave (excluding any orientation period) or one (1) year, whichever is the shorter period or,
 - (b) with the consent of the Union, to perform a non-recurring task, in which case the period of temporary employment shall not exceed six (6) months, unless otherwise mutually agreed between the Union and the Hospital. It is understood and agreed that such consent shall not be unreasonably withheld.

The release or discharge of a temporary employee shall be at the sole discretion of the Hospital and shall not be subject of a grievance or arbitration.

In all cases the Hospital shall inform the Union of the name, job functions and anticipated duration of employment of such temporary employee.

Temporary employees shall be treated as part-time employees for the purpose of this Agreement, except for seniority rights. If a temporary employee obtains a permanent position, they will be credited with service and

seniority retroactive to their date of hire as a temporary employee, provided their service remained continuous.

If an internal candidate is a successful candidate to such a position, they shall be returned to their former position if it exists following the completion of the temporary assignment. If their permanent position no longer exists, they will be allowed to exercise their bumping rights under this collective agreement.

ARTICLE 3 - MANAGEMENT RIGHTS

- 3.01 The Union recognizes that the management of the Hospital and the direction of the working forces are fixed exclusively in the Hospital and shall remain solely with the Hospital except as specifically limited by the provisions of this Agreement and without restricting the foregoing, the Union acknowledges that it is the exclusive function of the Hospital to:
- (a) maintain order, discipline and efficiency;
 - (b) hire, assign, retire, discharge, direct, demote, promote, classify, transfer, layoff, recall and suspend or otherwise discipline employees for just cause, provided that any such action contrary to the provisions of the Agreement may be subject to a grievance and dealt with as provided herein;
 - (c) determine in the interest of efficient operation and highest standard of service, job rating or classification, the hours of work, work assignments, methods of doing the work and the working establishment for the service;
 - (d) generally to manage the operation that the Hospital is engaged in and without restricting the generality of the foregoing, to determine the number of personnel required, the services to be performed, and the methods, procedures and equipment in connection therewith;
 - (e) make and enforce and alter from time to time reasonable rules and regulations to be observed by the employees not inconsistent with the provisions of this Agreement.
- 3.02 These rights shall not be exercised in a manner inconsistent with the provisions of this Agreement.

ARTICLE 4 - NO DISCRIMINATION

- 4.01 The parties agree that a safe workplace, free of violence (including domestic violence) and harassment, is a fundamental principle of a healthy workplace. Commitment to a healthy workplace requires a high degree of cooperation between Hospitals, employees, physicians, and the Union. Employees should feel empowered to report incidents of disruptive behaviour, including

physician behaviour, without fear of retaliation. The parties are both committed to harassment free environment and recognize the importance of addressing discrimination and harassment issues in a timely and effective manner as set out in the provisions of this article.

The Hospital and the Union agree that there will be no discrimination, intimidation, interference, restriction or coercion exercised or practised by any of its representatives with respect to any employee because of their membership activities on behalf of the Union, or non-membership in the Union, or by reason of exercising their rights under the Collective Agreement, and that there will be no Union activity, or solicitation for membership on the Hospital's premises except with written permission of the Hospital or as specifically provided for in this Agreement.

4.02 Both parties agree to abide by the provisions of the Ontario Human Rights Code, as amended.

4.03 It is agreed that there will be no discrimination by either party or by any of the employees covered by this Agreement on the basis of race, creed, colour, national origin, sex, sexual orientation, marital status, family status, gender identity, gender expression, age, handicap, religious affiliation or any other factor which is not pertinent to the employment relationship. Ref: Ontario Human Rights Code

4.04 The Hospital and the Union recognize their joint duty to accommodate disabled employees in accordance with the provisions of the Ontario Human Rights Code.

4.05 In dealing with complaints, the Hospital shall ensure that the process is fair for all.

4.06 In dealing with physician conduct, the Hospital shall incorporate recommendations from the draft (or final) report of the College of Physicians and Surgeons on the Disruptive Physician Behaviour Initiative.

4.07 Whistle Blowing Protection

Provided an employee has followed reasonable policies or procedures issued by the Hospital concerned to protect the Hospital's entitlement to investigate and address any allegation of wrongdoing, employees will not be subject to discipline or reprisal for the reasonable exercise of their professional obligations, including those related to patient advocacy.

ARTICLE 5 - NO STRIKES, NO LOCKOUTS

5.01 The Union agrees there will be no strikes and the Hospital agrees there will be no lockouts during the term of this Agreement. The terms "strike" and "lockout" shall bear the meaning given them in the Ontario Labour Relations Act.

ARTICLE 6 - UNION SECURITY

6.01 The Hospital will deduct from each employee, in the case of both full-time and part-time, covered by this Agreement, an amount equal to the regular monthly Union dues designated by the Union. The deduction period for a part-time employee may be extended when the employee does not receive any pay in a particular month.

Where an employee has no dues deducted during the payroll period from which dues are normally deducted, that deduction shall be made in the next payroll period provided the employee has earnings in the next payroll period.

If the failure to deduct dues results from an error by the Hospital, then, as soon as the error is called to its attention by the Association, the Hospital shall make the deduction in the manner agreed to by the parties.

6.02 Such dues shall be deducted monthly and in the case of new employees, such deductions shall commence in the month following their date of hire.

6.03 The amount of the regular monthly dues shall be those authorized by the Union and the Vice-President Finance of the Union shall notify the Hospital of any changes therein and such notification shall be the Hospital's exclusive authority to make the deduction specified.

6.04 In consideration of the deducting and forwarding of the Union dues by the Hospital, the Union agrees to indemnify and save harmless the Hospital against any claims or liabilities arising from the operation of this Article.

6.05 The amounts so deducted shall be remitted monthly to the Vice-President, Finance of the Union, no later than the end of the month following the month in which the dues were deducted. In remitting such dues, the Hospital shall provide a list of employees from whom deductions were made, and the employee's social insurance numbers, amount of dues deducted and, where feasible, the Hospital shall also provide the job classification, and status of the employees. The list shall also include deletions and additions from the preceding month highlighting new hires, resignations, terminations, new unpaid leave of absence of greater than one (1) month and returns from leaves of absence. A copy of this list will be sent concurrently to the local Union. Where the parties agree, the Hospital may also provide the information in an electronic format.

6.06 The Hospital will provide each employee with a T-4 Supplementary Slip showing the dues deducted in the previous year for Income Tax purposes, through the Hospital's payroll system.

ARTICLE 7 - REPRESENTATION AND COMMITTEES

7.01 The Union may elect, appoint or otherwise select and the Hospital will recognize three (3) Union representatives, one of whom will be the

Bargaining Unit President or designate, who may assist employees in the presentation of any grievance arising under the terms of the Collective Agreement.

7.02 Union representatives and members of committees have their regular work to perform on behalf of the Hospital. If it is necessary for a representative or a committee member to deal with grievances or other Union business connected with this Agreement during their scheduled hours of work, they shall not leave their work area without first obtaining the permission of the Manager or designate. When resuming their regular work, they shall again report to the Manager or designate. Such permission shall not be unreasonably refused. In accordance with this understanding, a member of the Grievance Committee or a Union representative shall suffer no loss of regular wages for regularly scheduled working hours lost due to attendance at meetings with the Hospital up to, but not including, arbitration.

7.03 Negotiating Committee

The Hospital will recognize a bargaining unit Negotiating Committee of three (3) employees to negotiate renewal Agreements with the Hospital.

Time spent absent from regular scheduled duties by the Negotiating Committee shall be without loss of remuneration during all negotiation meetings with the Hospital up to, but not including, arbitration.

7.04 Labour-Management Committee

The parties agree to appoint a joint Labour-Management Committee of up to five (5) employees appointed by the Union and up to five (5) representatives appointed by the Hospital. Upon the mutual agreement of the parties, additional representatives may be invited to attend Labour-Management Committee meetings from time to time. The members of the Labour-Management Committee shall meet to discuss matters of mutual concern and interest between the parties during the term of this Agreement. Meetings shall be held once every three (3) months, unless otherwise mutually agreed.

The duties of the Chairperson and Secretary shall alternate between the parties. Agenda items will be exchanged in writing at least five (5) calendar days prior to the meeting. A record shall be maintained of matters referred to the Committee and the recommended disposition, if any, unless agreed to the contrary. Copies of the record shall be provided to Committee members.

Employee representatives attending such Labour-Management Committee meetings shall be paid for wages lost from regularly scheduled working hours. The Union's Labour Relations Officer and a representative from the Hospital's Human Resources Department may also attend such meetings as may be requested, provided that prior notice has been given to the other party.

When a Union Committee member attends a meeting at the Hospital's request outside of their scheduled shift, they will be allowed to accumulate straight time rates and to take corresponding paid time off with the agreement of their Manager or designate. Such payment will be limited to two (2) Union Committee member representatives per meeting.

- (e) The members of the committee who represent workers shall designate:
 - i) If it is not practical to inspect the workplace at least once a month, a member representing workers to inspect the physical condition of the workplace at least once a year, inspecting at least a part of the workplace in each month. R.S.O. 1990, c. O. 1, s. 9 (27). If possible, the member designated to inspect the workplace shall be a certified member. R.S.O. 1990, c. O. 1, s. 9 (24).

R.S.O. 1990, c. O. 1, s. 9 (31).
- (f) A member of the committee is entitled to such time as is necessary to attend meetings of the committee; and such time as is necessary to carry out inspections and investigations as provided under (c) and (e) above.

- (g) Pregnant employees may request to be transferred from their current duties if, in the professional opinion of the employee's physician, the pregnancy may be at risk. - (h) Where the Hospital identifies high risk areas where employees are exposed to infectious or communicable diseases for which there are available protective medications, such medications shall be provided at no cost to the employees if the Hospital deems medication to be required.
- (i) Work Related Injury
 - i) The Hospital will notify the Bargaining Unit's Occupational Health and Safety Representative of the names of all employees off work due to a work-related injury (whether or not the employees are in receipt of WCB/WSIB Benefits) by the 15th day of each month. The report will show the employees off work as of the end of the previous month.
 - ii) Prior to any employee returning to work on a modified work program, the Hospital will meet with the employee who shall be accompanied by the Union's Occupational Health and Safety Representative. When the terms and conditions of the program have been agreed upon, the Hospital will confirm such terms and conditions to the employee with a copy to the Union's Occupational Health and Safety Representative. Any documents respecting such program which the Hospital requires to be signed by the Union shall be submitted to the Union for signing.
 - iii) The Hospital agrees to supply the Bargaining Unit's Occupational Health and Safety Representative with a copy of the WCB Form 7 (Hospital's Report of Accidental Injury or Industrial Disease) within at least seventy-two (72) hours after it has been sent to the Board. If the Union is of the opinion that the Form 7 contains errors or omissions, it may request a meeting with the Hospital to be held as soon as possible. If, as a result of such meeting, the Hospital and the Union agree that the Form 7 contains errors or omissions the Hospital will notify the Board of such errors or omissions.

7.06 All reference to Union representatives, committee members and officers in this Agreement shall be deemed to mean Union representatives, committee members or officers of the Bargaining Unit who are employees of the Hospital.

7.07

- (c) When it has been medically determined that an employee is unable to return to the full duties of their position due to a disability, the Hospital will notify and meet with a member of the Bargaining Unit to discuss the circumstances surrounding the employee's return to suitable work. A staff representative of the Ontario Nurses' Association may also attend.
- (d) It is understood that it is the obligation of the disabled employee in receipt of short-term or long-term disability benefits to ensure the Hospital's Occupational Health and Safety Services Department is advised as soon as possible of any change in medical restrictions which may affect their ability to return to regular or modified duties.
- (e) The parties recognize that more than one employee requiring accommodation may be suitable for a particular position or arrangement. In such cases, the Hospital will consider the skills, ability and experience of the employees and will also consider the feasibility to acquire skills, seniority and path of least disruption in the workplace.
- (f) Before posting, the Hospital's Human Resources Department will examine all potential vacancies to determine if they can be used to accommodate a disabled employee who requires accommodation but cannot return to their home unit.
- (g) Where such vacancies are within the bargaining unit, the Hospital will consult with the Union on the feasibility of an accommodation, giving consideration to all factors including the number of accommodated employees in the unit, the operational needs of the unit, safety of patients and employees working in the unit.
- (h) The parties can agree to waive the posting procedure in order to facilitate an accommodation.
- (i) The parties, with the employee's consent, will agree to a written modified work plan for an accommodation.

7.08

Violence in the Workplace

- (a) The Hospital agrees that no form of verbal, physical, sexual, racial or other abuse of employees will be condoned in the workplace.
- (b) The Hospital agrees to have in place explicit policies and procedures to deal with violence in the workplace. - (e) The Hospital with the employees' consent, will inform the Union within three (3) days of any bargaining unit member who has been subjected to violence while performing their work. Such information shall be submitted in writing to the Union as soon as possible.
- (f) The Hospital will consider requests for reimbursement for damages incurred to the employee's personal property, such as eyeglasses, ripped uniforms or personal clothing, as a result of being assaulted while performing their work.

7.09

If approval is obtained in advance from the Manager or designate, the Union may hold meetings on the Hospital premises.

7.10

The Hospital shall grant permission for access to its premises for a representative of the Ontario Nurses' Association for the purposes of investigating grievances or attending Hospital approved meetings. Such a representative shall have access to the premises only by approval of the Manager or designate at the time.

7.11

The Bargaining Unit will keep the Manager or their designate notified of the names of the Union representatives and/or committee members and officers of the Bargaining Unit and the effective date of their appointments.

7.12

All correspondence between the Hospital and the Union arising out of this Agreement shall pass to and from the Bargaining Unit President or the Union's Labour Relations Officer, and the Manager or designate.

- 7.13 Except as otherwise specifically provided under the Collective Agreement, no employee acting on their own or on behalf of the Union shall hold meetings, collect Union dues or assessments, solicit membership in the Union on Hospital's premises without first obtaining the written consent of the Manager or designate.
- 7.14 A new employee transferring into the bargaining unit will have the opportunity to meet with a Union representative, for a period of up to thirty (30) minutes during the departmental orientation period. The purpose of the meeting will be to acquaint the employee with the Union and the collective agreement. This employee will be informed by the Hospital of the date and time of the Union presentation during their departmental orientation program. Such meeting will be arranged collectively or individually for employees by the Hospital as part of the orientation program.

ARTICLE 8 - GRIEVANCE AND ARBITRATION PROCEDURE

- 8.01 It is the intent of this grievance procedure to provide for the successful administration of this Agreement by providing a procedure to be utilized for the prompt discussion and final and binding settlement of any grievance, without stoppage of work, arising from the interpretation, application, administration or alleged violation of this Agreement, including any question as to whether a matter is arbitrable.
- 8.02 At the time formal discipline is imposed or at any stage of the grievance procedure, including the complaint stage, an employee is entitled to be represented by their Union representative. At the time of suspension or discharge, the Hospital shall notify the employee of this right in advance.
- 8.03 It is the mutual desire of the parties hereto that complaints of employees shall be adjusted as quickly as possible, and it is understood that an employee has no grievance until they have first given their Manager or designate the opportunity of adjusting their complaint. Such complaint shall be discussed with their Manager or designate within nine (9) calendar days after the circumstances giving rise to it have occurred or ought reasonably to have come to the attention of the employee and failing settlement within nine (9) calendar days, it shall then be taken up as a written grievance in the following manner and sequence:

Step No. 1

The employee, with the assistance of a Union representative may submit a written grievance, signed by them, to the Director overseeing Labour Relations or designate. The employee will provide a copy of the written grievance (see Appendix B) to their Manager or designate. The nature of the grievance, the remedy sought and the section or sections of the Agreement which are alleged to have been violated shall be set out in the grievance. The Director overseeing Labour Relations or designate will deliver their decision in writing within nine (9) calendar days following the day on which

the grievance was presented to them (or any longer period which may be mutually agreed upon).

Step No. 2

Failing settlement then: Within nine (9) calendar days following the decision under Step No. 1, a meeting will then be held between the Director overseeing Labour Relations or designate and applicable Hospital representatives and the Union Grievance Committee within nine (9) calendar days of the submission of the grievance at Step No. 2, unless extended by agreement of the parties. It is understood and agreed that a representative of the Ontario Nurses' Association and the grievor may be present at this meeting. A decision of the Hospital shall be delivered in writing within nine (9) calendar days following the date of such meeting.

- 8.04 A complaint or grievance arising directly between the Hospital and the Union concerning the interpretation, application or alleged violation of the Agreement shall be originated at Step No. 2 within fourteen (14) calendar days following the circumstances, giving rise to the complaint or grievance. A grievance by the Hospital shall be filed with the Bargaining Unit President or designate.
- 8.05 Where a number of employees have identical grievances and each employee would be entitled to grieve separately, they may present a group grievance in writing signed by each employee who is grieving to the Manager or designate responsible for their department or alternate within fourteen (14) calendar days after the circumstances giving rise to the grievance have occurred or ought reasonably to have come to the attention of the employee(s). The grievance shall then be treated, as being initiated at Step No. 1 and the applicable provisions of this Article shall then apply with respect to the processing of such grievance.
- 8.06 The release of a probationary employee shall not be subject to the grievance procedure unless the probationary employee is released for exercising a right under this Agreement. A claim by an employee who has completed their probationary period that they have been unjustly discharged shall be treated as a grievance if a written statement of such grievance is lodged by the employee with the Hospital at Step No. 2 within nine (9) calendar days after the date the discharge is effected. Such special grievance may be settled under the Grievance or Arbitration Procedure by:
- (a) confirming the Hospital's action in dismissing the employee; or
 - (b) reinstating the employee with or without loss of seniority and with or without full compensation for the time lost; or
 - (c) by any other arrangement which may be deemed just and equitable.
- 8.07 The Hospital agrees to provide written reasons within seven (7) calendar days to the affected employee in the case of discharge or suspension and

further agrees that it will not suspend, discharge or otherwise discipline an employee who has completed their probationary period, without just cause.

- 8.08 Failing settlement under the foregoing procedure of any grievance between the parties arising from the interpretation, application, administration or alleged violation of this Agreement, such grievance may be submitted to arbitration as hereinafter provided. If no written request for arbitration is received within eighteen (18) calendar days after the decision under Step No. 2 is given, the grievance shall be deemed to have been abandoned.
- 8.09 When either party requests that a grievance be submitted to arbitration, this request shall be made in writing to the other party of the agreement indicating the name and address of its nominee to the Arbitration Board. Within fourteen (14) calendar days after the receipt of the request, the other party shall answer in writing indicating the name and address of its nominee to the Arbitration Board. The two nominees shall appoint a Chairperson. Whenever Arbitration Board is referred to in the agreement, the parties may mutually agree in writing to substitute a single arbitrator for the Arbitration Board.
- 8.10 If the recipient of the notice fails to appoint its nominee to the Board of Arbitration within ten (10) normal working days after the receipt of the request, or if the nominees fail to agree upon a chairperson within ten (10) normal working days after receipt of the second nominee, either party may then request the Ministry of Labour for the Province of Ontario to appoint a Chairperson.
- 8.11 The Board of Arbitration shall hear and determine the grievance. The written decision of the majority of the Board of Arbitration, or if there is no majority, the decision of the Chairperson shall be final and binding upon the parties and upon the employee(s) affected by it.
- 8.12 No person may be appointed as an arbitrator who has been involved in an attempt to negotiate or settle the grievance.
- 8.13 The Arbitration Board shall not be authorized to make any decision inconsistent with the provisions of this Agreement, nor to alter, modify, add to or amend any part of this Agreement.
- 8.14 Each of the parties hereto will bear the expense of the nominee appointed by it and the parties will share equally the fees and expense, if any, of the chairperson of the Arbitration Board.
- 8.15 The time limits set out in the Grievance and Arbitration Procedures herein are mandatory and failure to comply strictly with such time limits except by the written agreement of the parties, shall result in the grievance being deemed to have been abandoned subject only to the provisions of Section 48(16) of the Labour Relations Act.
- 8.16 The parties may agree to waive or extend any of the time limits established in the grievance and arbitration procedures.

- 8.17 No matter may be submitted to arbitration which has not been properly carried through the grievance procedure within the times specified, provided that the parties may extend the time-limits in the grievance procedure by mutual agreement in writing. Where a response is not given by a party within the specified time-limit in the grievance procedure, the other party may submit the grievance to the next step of the grievance procedure.
- 8.18 All agreements reached under the grievance procedure between the representatives of the Hospital and the representatives of the Union will be final and binding upon the Hospital and the Union and the employees.
- 8.19 Paid holidays shall not be counted in determining the time in which any action is to be taken or completed in any step of the Grievance or Arbitration Procedures where the reference is calendar days.
- 8.20 It is understood and agreed that the Union has carriage of all grievances throughout the grievance and arbitration procedure and not any individual or group of individuals. All agreements reached under the grievance procedure between the representatives of the Hospital and the representatives of the Union will be final and binding upon the Hospital, the Union and the employees.

ARTICLE 9 - PROFESSIONAL RESPONSIBILITY, ORIENTATION, INSERVICE AND EDUCATION

9.01 Professional Responsibility

In the event that the Hospital assigns a number of patients or a workload to an individual employee or group of employees such that they have cause to believe that they are being asked to perform more work than is consistent with proper patient care, they shall:

- (a) At the time the workload issue occurs, discuss the issue within the other employees within their classification and program to develop strategies to meet patient care needs using current resources.
- (b) If necessary, using established lines of communication, seek immediate assistance from an individual(s) identified by the Hospital (who could be within the bargaining unit) who has responsibility for timely resolution of workload issues.
- (c) Failing resolution of the workload issue at the time of the occurrence, the employee(s) or group of employees will complete the ONA Allied Professional Responsibility Workload Report Form (see Appendix A) and provide to their Manager or designate within (5) business days of the occurrence. The Manager or designate will discuss the issue with the employee or group of employees on the next day that the Manager (or designate) and the employee(s) are both working or within five (5) calendar days, whichever is sooner.

- (d) The Manager or designate will provide a written response on the ONA Allied Professional Responsibility Workload Response Form (see Appendix A) to the employee(s) and a copy will be provided to the Bargaining Unit President within five (5) business days of the discussion occurring.
- (e) Failing resolution of the workload issue at step (d), the Bargaining Unit President will discuss the alleged improper assignment or workload issue at the next Labour-Management Committee meeting. Such meeting will occur within thirty (30) calendar days or as soon as possible thereafter. The Committee shall hear and attempt to resolve the complaint to the satisfaction of both parties.
- (f) Failing resolution, the Association may forward a written report outlining the complaint and recommendations to the LRCP Program Director.

9.02 Orientation and Inservice

- (a) The Hospital recognizes the need for a Corporate Orientation of such duration as it may deem appropriate taking into consideration the needs of the Hospital and the employees involved.
- (b) Both the Hospital and the Union recognize their joint responsibility and commitment to provide, and to participate in, in-service education. The Union supports the principle of its members' responsibility for their own professional development and the Hospital will endeavour to provide programs related to the requirements of the Hospital. 15.05 Leave, Board of Directors

An employee who is elected to the Board of Directors of the Ontario Nurses' Association, other than to the Office of the President, shall be granted leave of absence without pay up to a total of one hundred (100) days annually. There shall be no loss of seniority credits for the purposes of salary advancement and vacation entitlement. Leave of absence under this provision shall be separate from the Leave for Union Business provided for in 15.02. During such leave of absence, the employee's salary and applicable benefits shall be maintained by the Hospital and the Union agrees to reimburse the Hospital in the amount of the full costs of such salary and applicable benefits.

15.06 Leave, President, Ontario Nurses' Association

Upon application in writing by the Union on behalf of the employee to the Hospital, a leave of absence shall be granted to such employee elected to the Office of the President of the Ontario Nurses' Association for a period of up to three (3) consecutive two (2) year terms. Notwithstanding Article 12.04, there shall be no loss of service or seniority during such leave of absence.

During such leave of absence, the employee's salary and applicable benefits shall be maintained by the Hospital and the Union agrees to reimburse the Hospital in the amount of the full cost of such salary and applicable benefits.

It is understood, however, that during such leave the employee shall be deemed to be an employee of the Ontario Nurses' Association. The employee agrees to notify the Hospital of their return to work at least two (2) weeks prior to the date of such return.

15.07 Bereavement Leave

A full-time employee and regularly scheduled part-time employee who notifies their Manager or designate as soon as possible following the bereavement shall be granted up to four (4) consecutive working days off with pay, one (1) day of which includes the funeral, for those days which the employee would have otherwise worked in order to mourn the death of an immediate family member.

Immediate family shall be limited to the employee's mother, father, sister, brother, spouse, common-law spouse, same-sex partner, children, legal guardian and step-relations within this definition.

Bereavement leave with pay shall also be granted up to three (3) consecutive working days off with pay, one (1) day of which includes the funeral, when there is a death of the employee's in-laws, grandchildren, grandparents, grandparents of spouse and step-relations within this definition.

An employee shall be granted one (1) day bereavement leave with pay to mourn the death of, or attend a memorial service (or equivalent) for their aunt, uncle, niece or nephew.

If the employee cannot attend the funeral, special consideration will be given to granting the leave for compassionate reasons.

Additional time for personal, cultural or religious reasons, or for other family members than those listed above, may be taken as vacation time, accrued lieu time, banked time or unpaid leave.

Bereavement leave pay for part-time employees is pro-rated based on normal expected Full-time Equivalents.

For the purposes of this provision, common-law spouse is a spouse as defined under the Family Law Act.

For the purpose of this provision, same-sex partner is defined as the person:

- i) who has lived with the employee continuously for at least one (1) year, or in a relationship of some permanence analogous to a common-law relationship if they are the natural or adoptive parents of a child; and
- ii) it is understood that individuals who share accommodation in a traditional "roommate" style shall not be considered as the same-sex partner.

An employee can utilize one (1) day of the bereavement leave days, as provided for in this Article, within six months (6) following the date of death for the purpose of attending a burial or memorial service for the deceased.

15.08

Jury and Witness Duty

If an employee is required to serve as a juror in any court of law, or is required to attend as a witness in a court proceeding in which the Crown is a party, or is required by subpoena to attend a court of law or coroner's inquest in connection with a case arising from the employee's duties with the Hospital, the employee shall not lose regular wages because of such attendance, provided that the employee:

- (a) notifies the Hospital immediately on the employee's notification that they will be required to attend at court;
- (b) presents proof of service requiring the employee's attendance;

- (c) assigns to the Hospital the full amount of compensation received, excluding amounts paid as meal or travel expenses.

Should the employee be excused from the proceedings prior to the end of the tour for which they would otherwise have been scheduled, they shall contact their Manager. Should the employee, who normally is scheduled to work a day shift ending on or before 5:00 p.m., be able to return to the workplace and provide four (4) hours or more of work to the Hospital, they shall return for the balance of the tour.

15.09 Pregnancy Leave

- (a) Pregnancy leave will be granted in accordance with the provisions of the Employment Standards Act, except where amended in this provision.
- (b) The employee shall give written notification at least one (1) month in advance of the date of commencement of such leave and the expected date of return.
- (c) The employee shall reconfirm their intention to return to work on the date originally approved in subsection (b) above by written notification received by the Hospital at least four (4) weeks in advance thereof. The employee shall be reinstated to their former position unless the position has been discontinued in which case they shall be given a comparable job.
- (d) Employees newly hired to replace employees who are on approved pregnancy leave may be released and such release shall not be the subject of a grievance or arbitration. If retained by the Hospital, in a permanent position, the employee shall be credited with seniority from date of hire subject to successfully completing their probationary period. The employee shall be credited with tours worked (hours worked for employees whose regular hours of work are other than the standard work day) towards the probationary period provided in Article 12.01 to a maximum of thirty (30) tours (two hundred and twenty-five (225) hours for employees whose regular hours of work are other than the standard work day).

The Hospital will outline to employees hired to fill such temporary vacancies, the circumstances giving rise to the vacancy and the special conditions relating to such employment.

- (e) The Hospital may request an employee to commence pregnancy leave at such time as the duties of their position cannot reasonably be performed by a pregnant woman or the performance or non-performance of their work is materially affected by the pregnancy.
- (f) On confirmation by the Employment Insurance Commission of the appropriateness of the Hospital's Supplemental Unemployment

Benefit (SUB) Plan, an employee who is on pregnancy leave as provided under this agreement and who has completed at least thirteen (13) weeks of continuous service with the Hospital immediately prior to commencement of their pregnancy leave and who has applied for and is in receipt of Employment Insurance pregnancy benefits pursuant to Section 22 of the Employment Insurance Act, shall be paid a supplemental unemployment benefit. That benefit will be equivalent to the difference between eighty-four percent (84%) of their weekly earnings and the sum of their weekly rate of employment insurance, pregnancy benefits and any other earnings.

Bi-weekly payment shall commence following completion of the one (1) week employment insurance waiting period, and receipt by the Hospital of the employee's employment insurance cheque stub as proof that they are in receipt of employment insurance pregnancy benefits, and shall continue while the employee is in receipt of such benefits for a maximum period of fifteen (15) weeks. The employee's regular weekly earnings shall be determined by multiplying their regular hourly rate on their last day worked prior to the commencement of the leave times their normal weekly hours. The weekly hours for a part-time employee shall be calculated by using the same time period used for calculation of the Employment Insurance benefit currently (twenty-six (26) weeks).

The employee does not have any vested right except to receive payments for the covered unemployment period. The plan provides that payments in respect of guaranteed annual remuneration or in respect of deferred remuneration or severance pay benefits are not reduced or increased by payments received under the plan.

- (g) The employee has the right to extend the pregnancy leave to fifty-two (52) weeks in total, inclusive of the period of parental leave provided under the Employment Insurance Act. Written notice by the employee to extend the pregnancy leave will be given at least four (4) weeks prior to the termination of the initially approved leave. This notice requirement will be shortened in circumstances where medical complications occur in the four (4) weeks prior to the termination of the initially approved leave.

15.10

Parental Leave

- (a) An employee who becomes a parent of a child is eligible to take a parental leave in accordance with the provisions of the Employment Standards Act, except where amended in this provision.
- (b) An employee who has taken a pregnancy leave under Article 15.09 is eligible to be granted a parental leave of up to thirty-five (35) weeks duration, in accordance with the Employment Standards Act. An employee who is eligible for a parental leave may extend the parental leave for a period of up to fifty-two (52) weeks duration, consideration

being given to any requirements of adoption authorities. In cases of adoption, the employee shall advise the Hospital as far in advance as possible with respect to a prospective adoption and shall request the leave of absence, in writing, upon receipt of confirmation of the pending adoption. If, because of late receipt of confirmation of the pending adoption, the employee finds it impossible to request the leave of absence in writing, the request may be made verbally and subsequently verified in writing.

- (c) The employee shall be reinstated to their former position, unless their former position has been discontinued, in which case they shall be given a comparable job.
- (d) Employees newly hired to replace employees who are on approved parental leave may be released and such release shall not be the subject of a grievance or arbitration. If retained by the Hospital, in a permanent position, the employee shall be credited with seniority from date of hire subject to successfully completing their probationary period. The employee shall be credited with tours worked (hours worked for employees whose regular hours of work are other than the standard work day) towards the probationary period provided in Article 12.01 to a maximum of thirty (30) tours (two hundred and twenty-five (225) hours for employees whose regular hours of work are other than the standard work day).

The Hospital will outline to employees hired to fill such temporary vacancies, the circumstances giving rise to the vacancy and the special conditions relating to such employment.

- (e) On confirmation by the Employment Insurance Commission of the appropriateness of the Hospital's Supplemental Unemployment Benefit (SUB) Plan, an employee who is an adoptive parent on parental leave as provided under this agreement and who has completed at least thirteen (13) weeks of continuous service with the Hospital immediately prior to commencement of their parental leave, and who has applied for and is in receipt of Employment Insurance parental benefits pursuant to Section 23 of the Employment Insurance Act, shall be paid a supplemental unemployment benefit. That benefit will be equivalent to the difference between eighty-four percent (84%) of their weekly earnings and the sum of their weekly rate of Employment Insurance parental benefits and any other earnings.

Bi-weekly payment shall commence following completion of the one (1) week employment insurance waiting period, and receipt by the Hospital of the employee's Employment Insurance cheque stub as proof that they are in receipt of Employment Insurance parental benefits, and shall continue while the employee is in receipt of such benefits for a maximum period of twelve (12) weeks. The employee's regular weekly earnings shall be determined by multiplying their regular hourly rate on their last day worked prior to the

commencement of the leave times their normal weekly hours. The weekly hours for a part-time employee shall be calculated by using the same time period used for calculation of the Employment Insurance benefit currently (twenty-six (26) weeks).

The employee does not have any vested right except to receive payments for the covered unemployment period. The plan provides that payments in respect of guaranteed annual remuneration or in respect of deferred remuneration or severance pay benefits are not reduced or increased by payments received under the plan.

This clause will apply to an employee who is on parental leave, and is not restricted to adoptive parents.

Where an employee elects to receive parental leave benefits pursuant to Section 12 (3)(b)(ii) of the *Employment Insurance Act*, the amount of any Supplemental Unemployment Benefit payable by the Hospital will be no greater than what would have been payable had the employee elected to receive the parental leave benefit pursuant to Section 12 (3)(b)(i) of the *Employment Insurance Act*.

15.11 Medical and Dental Appointments

The Hospital encourages all full-time employees to arrange for medical and dental appointments within either the first or last hour of the day's work. Part-time employees shall normally arrange for such appointments on days when they are not otherwise normally scheduled to work.

Where possible, employees shall provide at least one (1) week written notice in advance of such appointments to their Manager or designate.

Full-time employees may utilize a maximum of 22.5 hours of their accumulated sick leave credits per calendar year for their own medical and dental appointments or for approved personal leaves of absences. Such absences are not included as a sick absence in the Hospital's Attendance Management Program.

15.12 Pre-Paid Leave Plan

The Hospital agrees to a pre-paid leave program funded solely by the employee, subject to the following terms and conditions:

- (a) The plan is available to employees wishing to spread four (4) years salary over a five (5) year period, in accordance with Part LXVIII of the Income Tax Regulations, Section 6801, to enable them to take a one (1) year leave of absence following the four (4) years of salary deferral.

NOTE: the parties may agree to a time frame that is different from that referenced in (a) above, in which case the provisions of this article will apply with the necessary changes.

- (b) The employee must make written application to the Manager or designate at least six (6) months prior to the intended commencement date of the program (i.e., the salary deferral portion), stating the intended purpose of the leave.
- (c) Only one (1) employee may be allowed off at any one time. The year for the purposes of the program shall be September 1 of one year to August 31 the following year or such other twelve (12) month period as may be agreed upon by the employee, the Union and the Hospital.
- (d) Written application will be reviewed by the Manager or designate. All applications for leaves will be granted on the basis of seniority.
- (e) During the four (4) years of salary deferral, twenty percent (20%) of the employee's gross annual earnings will be deducted and held for the employee and will not be accessible to them until the year of the leave or upon withdrawal from the plan.
- (f) The manner in which the deferred salary is held shall be at the discretion of the Hospital.
- (g) All deferred salary, plus accrued interest, if any, shall be paid to the employee at the commencement of the leave or in accordance with such other payment schedule as may be agreed upon between the Hospital and the employee.
- (h) All benefits shall be kept whole during the four (4) years of salary deferral. During the year of the leave, seniority will accumulate. Service for the purpose of vacation and salary progression and other benefits will be retained but will not accumulate during the period of leave. Full-time employees shall become responsible for the full payment of premiums for any health and welfare benefits in which they are participating. Contributions to the Healthcare of Ontario Pension Plan will be in accordance with the Plan. Full-time employees will not be eligible to receive the disability income benefits during the year of the leave.
- (i) An employee may withdraw from the Plan at any time during the deferral portion for any of the following reasons:
 - extreme financial hardship, as acceptable by Revenue Canada;
 - total disability;
 - transfer to a position where continuation in the plan is not approved;
 - termination or death.

Deferred salary, plus accrued interest, if any, will be returned to the employee within a reasonable period of time.

- (j) If the employee terminates employment, the deferred salary held by the Hospital plus accrued interest, if any, will be returned to the employee within a reasonable period of time. In case of the employee's death, the funds will be paid to the employee's estate or designated beneficiary.
- (k) The Hospital will endeavour to find a temporary replacement for the employee as far in advance as practicable. If the Hospital is unable to find a suitable replacement, it may postpone the leave. The leave may be postponed no later than six (6) years from the date the salary deferrals for the leave of absence commenced. The Hospital will give the employee as much notice as is reasonably possible. The employee will have the option of remaining in the Plan and rearranging the leave at a mutually agreeable time or of withdrawing from the Plan and having the deferred salary, plus accrued interest, if any, paid out to them within a reasonable period of time.
- (l) The employee will be reinstated to their former position unless the position has been discontinued, in which case they shall be given a comparable job.
- (m) Final approval for entry into the pre-paid leave program will be subject to the employee entering into a formal agreement with the Hospital in order to authorize the Hospital to make the appropriate deductions from the employee's pay. Such agreement will include:
 - i) A statement that the employee is entering the pre-paid leave program in accordance with this Article of the Collective Agreement.
 - ii) The period of salary deferral and the period for which the leave is requested.
 - iii) The manner in which the deferred salary is to be held.

The letter of application from the employee to the Hospital to enter the pre-paid leave program will be appended to and form part of the written agreement.
- (n) This Article applies to employees covered by an Ontario College under the Regulated Health Professions Act only.

16.03

An employee who is absent from work as a result of an illness or injury sustained at work and who has been awaiting approval of a claim for Workplace and Safety Insurance for a period longer than one complete pay period may apply to the Hospital for payment of the benefit they would receive from Workplace Safety and Insurance if their claim was approved, to the limit of their accumulated sick leave credits. Payment will be provided only if the employee provides evidence of disability satisfactory to the Hospital and a written undertaking to the Hospital that any payments will be refunded to the Hospital following final determination of the claim by the Workplace Safety and Insurance Board. 17.03

Re: Job Sharing

It is agreed that two (2) employees may share a full-time position subject to the agreement of all parties and provided that the following conditions are met (refusal of the Hospital to agree to a job sharing proposal will not constitute grounds for grievance). This arrangement shall be limited to a maximum of two (2) full-time employee positions at any time. Notwithstanding the limitation of the number of job sharing positions, upon the mutual agreement of the Hospital and the Union, the parties may increase the number of job sharing positions on an individual case by case basis.

(a) Implementation

Where the job sharing arrangement arises out of the filling of a vacant full-time position, both job sharing positions will be posted and selection will be based on the criteria set out in the Collective Agreement.

An incumbent full-time employee wishing to share their position may do so without having their half of the position posted. The other half of the job sharing position will be posted and selection will be made on the criteria set out in the Collective Agreement.

- (b) If one of the job sharers leaves the arrangement for whatever reason, the vacant half of the position will be posted. If there is not a successful applicant for the vacant half of the position, the shared position must revert to a full-time position. The remaining employee will have the option of continuing in the full-time position if they were was full-time previously or transferring to a part-time position for which they were is qualified. In the event of the incumbent transferring to part-time, the job sharing position shall be declared a vacant full-time position and be so posted. The successful candidate will be provided with a reasonable orientation for the purpose of familiarizing the candidate with the job duties.

(c) Discontinuation

Either party may discontinue the job sharing arrangement with ninety (90) days' notice. Upon receipt of such notice a meeting shall be held between the parties within fifteen (15) days to discuss the discontinuation. It is understood and agreed that such discrimination shall not be unreasonable or arbitrary.

(d) All job sharers shall be treated as regular part-time employees and be subject to the provisions for part-time employees except as modified herein.

(e) Posted schedules for job sharers shall be based on the schedules that would apply to a full-time employee holding that position. Such schedules shall conform with the scheduling provisions for full-time employees.

(f) Total hours prescheduled to be worked by two job sharers shall be equal to one full-time position. An employee may work additional hours at their regular rate of pay. Overtime will be paid in accordance with the provisions of the Collective Agreement.

i) The division of scheduled shifts shall be determined by mutual agreement of the two employees and the Manager or designate. However, all scheduled tours must be covered. Such schedules will not be unilaterally imposed by the Hospital and any changes made by the Hospital will be subject to the scheduling provisions of the Collective Agreement. Once the schedules are posted, the employees cannot make changes without the permission of the Manager or designate in the area concerned.

ii) Job sharers will not be subject to cancellation of regularly scheduled shifts in their rotations as if they were part-time employees.

(g) Job sharers will have the right to determine between themselves which partner will work on a scheduled paid holiday, subject to the conditions of the Collective Agreement.

(h) The job sharers will not be scheduled to work in total more paid holidays than would one full-time employee unless mutually agreed otherwise.

(i) Coverage

It is expected that both job sharers will cover each other's incidental illnesses. If, because of unavoidable circumstances, one cannot cover the other, the unit Manager or designate must be notified. Job sharers are not required to cover for their partner in the case of prolonged or extended absences.

(j) Vacation, Maternity Leave, and other leaves pursuant to Article 15

In the event that one member of the job sharing arrangement goes on any of the above leaves of absence, the coverage will be negotiated with their unit Manager or designate, but it is expected that the remaining member of the position would be prepared to cover the leave of absence as much as possible. In the case of vacation, the remaining member of the position will be required to cover for the entire period of vacation of their partner, unless otherwise excused by their Manager or designate.

(k) This article will not bar the Hospital's right to determine the number of full-time and part-time positions required.

In such a case, the employee will receive time and one half their regular straight time hourly rate for actual hours worked up to the commencement of their regular shift.

An employee shall not be entitled to payment for more than one call-back within the same four (4) hour period.

(e) Stand-By/On-Call Premium

Re: Mentorship Program

1. "Mentorship" is a formal supportive relationship between the two (2) Radiation Therapists or two (2) Dosimetrists, which enhances the professional growth and development of employee to maximize their clinical practice.
2. The mentorship involves a three-way arrangement between the Hospital, the employee being mentored and the employee doing the mentoring. This mentorship relationship is time limited, focused on goal achievement and is unique to each mentorship experience.
3. Each party (the Hospital, the employee doing the mentoring and the employee being mentored) is expected to clearly understand the goals/expectations of the mentorship relationship. Goals are individually determined based on the learning needs of the employee being mentored and as such may not be consistent for all employees being mentored.
4. The length of each mentorship arrangement will be individually defined dependent upon the goals for each employee being mentored.
5. Mentoring assignments will normally consist of full shifts, however, it is also possible that mentorship assignments can be for less than a full shift and/or scheduled on an intermittent or one-time basis.
6. It is also possible that more than one mentor may be assigned to an employee being mentored during the course of the mentorship arrangement.
7. Mentorship does not include supervising the activities of students, providing guidance and advice to members of the multi-disciplinary health care team, interaction with other Radiation Therapists or Dosimetrists and other multidisciplinary colleagues, orientation to the organization or general functioning of the unit.

8. A mentorship relationship includes the employee doing the mentoring to:
 - a) Plan the mentorship experience based on the learning needs of the employee being mentored, including the identification and co-ordination of learning opportunities with other healthcare providers.
 - b) Assess the ongoing competence/development of competencies of the employee being mentored, including assessments of competence gaps, risk management in relation to patient care and co-ordination of learning experiences.
 - c) Assist and support the employee being mentored to effectively meet patient care needs.
 - d) Be responsible for the management of learning for the employee being mentored.
 - e) Participate in direct skill transfer where there is responsibility for the management of learning for the employee being mentored.
 - f) Evaluate the learning experience of the employee being mentored throughout the duration of the mentorship relationship, including the provision of written and/or verbal reports to management and the mentee regarding progress towards goal achievement.

9. The Hospital may implement a mentorship relationship at any time during an employee's employment when:
 - a) The employee is experiencing difficulty in meeting standards of practice.
 - b) The leader has identified the employee has a competency gap. For clarification, the employee can identify their competency gap; however, in order for them to be eligible for a mentorship relationship they must discuss the competency gap with their leader and the mentorship relationship be approved by their leader.
 - c) One-on-one management of the learning experience from an expert/experienced Radiation Therapist or Dosimetrist will be of assistance.
 - d) Other circumstance that may arise where the Hospital determines that an employee requires mentoring.

10. The Hospital selects and assigns the mentor for a given mentoring relationship. The Hospital will provide, on a regular basis, all Radiation Therapist and Dosimetrists with an opportunity to indicate their interest in writing in assuming a mentorship role, through a mechanism determined by the parties. The Hospital selects and assigns the mentor for a given mentorship relationship. During the mentor selection process the Hospital will meet with the mentee so that they may provide input regarding the individual selected as the mentor. At the request of any employee, the Hospital will discuss with any unsuccessful Radiation Therapist or Dosimetrist ways in which they may be successful for future opportunities. In the event there are no employees who

have expressed interest, the leader can appoint an employee for a given mentorship relationship.

- 11. Prior to the assignment of the mentor, the Hospital and mentor will meet to discuss the mechanism for the parties to have discussion about details of the mentorship arrangement. Once the assignment has been made the mentor, the Hospital and the employee being mentored will meet to review the plan and identify any gaps or concerns that should be addressed prior to the initiating of the arrangement.
- 12. The Hospital will pay the employee for doing the assigned mentorship responsibility a premium of sixty (60) cents per hour, in addition to their regular salary and applicable premium allowance for hours assigned to an employee for such mentorship. For clarification, if the mentee or mentor is absent from work the employee (mentor) who has been assigned the mentorship responsibility will not receive the sixty (60) cents per hour premium.
- 13. This agreement has been made on a without prejudice basis and shall not constitute a precedent for any other circumstance.
