- (a) The affected Employee will be offered a shift as an extra to be worked at a time mutually agreed to by the employee and her/his Manager.
- (b) The extra shift will be paid at the rate of pay which the Employee would have received had the offer been made according to the Collective Agreement.

G-4 Tours of less than 7.5 hours

- (e) The Employer shall ensure that all provisions of the collective agreement apply should the shift become seven and one half (7.5) hours or more.

- (f) Where extra tours of less than 7.5 hours become available after a schedule is posted, the nurse will be paid at a premium for equivalent hours worked on the second and consecutive weekend.

G-5

Scheduling regulations for 7.5 Hours Tours

(a) General scheduling

- i) The Employer agrees that it will not require an employee to work a schedule of more than seven (7) consecutive days without her/his consent.

- iii) At least forty-eight (48) hours time off will be scheduled following the night shift when changing schedules to either the day shift or the evening shift.

Regular part-time nurses may be scheduled thirty-two (32) hours time off following the night shift when changing schedules to the evening shift. This practice will be kept to a minimum.

- iv) An employee will not be scheduled to change shifts more than once during a work week.

(b) Weekend definition

For the purpose of this section, a weekend is defined as any period of sixty-four (64) consecutive hours during the period following completion of the Friday day tour until commencement of the Monday day tour.

(c) Weekend scheduling

A nurse will receive premium pay in accordance with Article 14 for all hours worked on a third and consecutive weekend, save and except where:

- ii) such employee has requested only weekend work; or
- iii) such weekend is worked as the result of an exchange of shifts with another employee; or
- iv) when specific nursing units have mutually agreed to do otherwise.

(d) Christmas scheduling

If a full-time/regular part-time employee works at Christmas or New Year's she/he shall be scheduled at least five (5) consecutive days off over the holiday not worked. The Employer will attempt to schedule seven (7)

consecutive days off. Employees must request either Christmas or New Year's time off by October 15th.

Christmas time off will include Christmas Eve Day, Christmas Day and Boxing Day until day shift December 27th, and New Year's time off will include New Year's Eve Day and New Year's Day and January 2nd evening shift inclusive. Unless otherwise requested by the employee and accommodated by the Employer, the Christmas and New Year's holidays will be scheduled alternately each year.

In the event that a nurse requests both Christmas and New Year's off work, the most senior nurse at each site shall be given the opportunity to take both these holidays.

The scheduling provisions set out herein are waived between December 15th and January 7th to provide for Christmas and New Year's scheduling. The shift schedule shall be posted by November 1st.

- (e) Should the Employer break the scheduling regulations in this Article, premium pay will be paid to the employee(s) for all hours worked on the shift involved as outlined in Article 14.

G-6 Voting Process for Extended Tours

(a) Implementation

Extended tours shall be introduced into any unit when:

- i) seventy percent (70%) of the employees, at that site, so indicate by secret ballot; and
- ii) the Employer agrees to implement the compressed work week, such agreement shall not be withheld in an unreasonably arbitrary manner.

(b) Discontinuation

Extended tours may be discontinued in any unit when:

- i) fifty percent (50%) of the employees in the unit so indicate by secret ballot; or
- ii) the Employer because of:
 - A) adverse affects on patient care,
 - B) inability to provide a workable staffing schedule, states its intention to discontinue the compressed work week in the schedule,
 - C) the Employer wishes to do so for other reasons which are neither unreasonable nor arbitrary.

When notice of discontinuation is given by either party in accordance with B) above:

- 1) the parties shall meet within two (2) weeks of the giving of notice to review the request for discontinuation; and
- 2) where it is determined that the compressed work week will be discontinued, affected employees shall be given sixty (60) days notice before the schedules are so amended.

G-7

Scheduling for Extended Tours

(a) General scheduling

- i) Employees will not be required to work more than three (3) consecutive extended tours. If an employee works four (4) or more consecutive tours, these tours will result in premium payment by the Employer. Such premium will not apply if it is a result of an exchange of tour with another employee.
- ii) At least two (2) consecutive tours will be scheduled off between shift changes.
- iii) For full-time nurses, at least forty-eight (48) hours time off will be scheduled following the night shift when changing schedules to the day shift.

For part-time nurses, the Employer will schedule at least thirty-two (32) hours time of following the night shift when changing schedules to the day shift, but will endeavour to schedule at least forty-eight (48) hours.

- iv) At least twelve (12) hours will be scheduled off between shifts.
- v) Not more than two (2) consecutive weeks will be scheduled on nights unless otherwise mutually agreed upon.

(b) Weekend Definition

For the purpose of this section, a weekend is defined as any period of sixty (60) consecutive hours following the Friday day tour to the Monday day tour inclusive.

(c) Weekend Work

A nurse will receive premium pay in accordance with Article 14 for all hours worked on a second and subsequent consecutive weekend, save and except where:

- i) such weekend has been worked by the employee to satisfy specific days off requested by such employee; or
- ii) such employee has requested only weekend work; or

- iii) such weekend is worked as the result of an exchange of shifts with another employee; or
- iv) when specific nursing units have mutually agreed to do otherwise.

(d) Christmas Scheduling

If a full-time/regular part-time employee works at Christmas or New Year's she/he shall be scheduled at least six (6) consecutive days off over the holiday not worked. The Employer will attempt to schedule seven (7) consecutive days off. Employees must request either Christmas or New Year's time off by October 15th.

Christmas time off will include Christmas Eve Day, Christmas Day and Boxing Day until day shift December 27th, and New Year's time off will include New Year's Eve Day and New Year's Day and January 2nd. Unless otherwise requested by the employee and accommodated by the Employer, the Christmas and New Year's holidays will be scheduled alternately each year.

In the event that a nurse requests both Christmas and New Year's off work, the most senior nurse at each site shall be given the opportunity to take both these holidays.

The scheduling provisions set out herein are waived between December 15th and January 7th to provide for Christmas and New Year's scheduling. The shift schedule shall be posted by November 1st.

- (e) Should the Employer breach the scheduling regulations in this Article, premium pay will be paid to the employee(s) for all hours worked on the shift involved as outlined in Article 14.

G-8 Reassignment

In accordance with the provisions set out in Article 10.07(g) and 10.08 (a), the parties agree that re-assignment of a nurse from her/his home unit to an alternate MICs hospital site (Anson General Hospital, Bingham Memorial Hospital, Lady Minto Hospital) will occur bearing in mind the following principles:

- (a) Patient care and safety requirements are the first priority;
- (b) The Employer will not normally reassign probationary employees;
- (c) The Employer will re-assign nurses subject to the nurses' having the required knowledge, skill and ability.
- (d) The Employer will reassign nurses on a voluntary basis only.
- (e) Nurses who are re-assigned, subject to Article G, to an alternate site will be paid their straight time hourly rate for all time spent in transit to and from their home site.

G-9 In the interest of safe, quality patient care, the Employer will ensure that staffing levels continue to comply with the LTC Homes Act 2007.

G-10 It is agreed that premium pay tours will be offered to full-time and regular part-time nurses by seniority from a combined seniority list between full-time and regular part-time nurses when full-time and regular part-time nurses are eligible for premium pay as a result of working seventy-five (75) hours.

For the purpose of clarification, if the part-time nurse has not yet reached seventy-five (75) hours worked, she/he would be entitled to the tour and the Employer is not required to split the tour to prevent overtime incurring and thereby triggering the above method of premium pay shift distribution.

Where a full-time employee is entitled to a lieu day under Article 15.04 or 15.05, such day may be taken at a mutually agreeable time. If the lieu day is not taken remaining stats will be paid out at the end of the fiscal year.

H-3 Holiday pay shall be paid for each hour worked on the paid holiday.

H-4 The Employer will endeavour to arrange for paid holidays to be scheduled equitably among the employees regularly working on the same unit.

H-5 The Employer will endeavour, wherever possible, to ensure that regular part-time employees required to work a weekend shall also work the Statutory Holiday should the holiday fall immediately preceding or following the weekend, unless such scheduling would increase the normal staffing complement for the Unit.

Notwithstanding the above, part-time employees will be provided the one-time option to have their earned vacation pay issued on every pay period as an alternative to the above. All newly hired part-time employees will be presented with this option.

- I-8 An employee may be able to rescind her/his approved vacation request from the Employer, in extenuating circumstances so long as the vacation has not been allocated on the posted schedule. Requests will not be unreasonably denied.

RE: Oncology Services – Tracy Lachance, FT RN (Anson General Hospital)

It is not the intent of the Employer to replace union work with a non-union employee, and the Employer will strive to recruit and retain 1 FT, and 1 PT RN to replace the FT RN in the oncology department for various leaves.

PURPOSE:

To provide necessary flexibility in staffing to ensure the sustainability of the oncology services at Lady Minto Hospital by creating a flexible schedule for Tracy Lachance, who is a FT RN at the Anson General Hospital (Anson General Hospital), and who has an interest in receiving the required training to replace the FT Oncology RN at Lady Minto Hospital for all leaves of absences.

PROCESS:

1. When the FT RN is not available to work due to leave, vacation, sickness, etc..., the shift will be offered to Tracy Lachance, as long as it does not compromise patient care needs at Anson General Hospital.
2. The Anson General Hospital Patient Care Manager will ensure that Tracy Lachance's hours remain whole (1950 hrs/year).
3. If coverage is required the same day, reassignment language, Article 10.07 (g) and 10.08 (a) will apply and Tracy Lachance's travel time and hour will be paid according to Article G-8(e).
4. Since Oncology shifts are 8 hours and Tracy Lachance works 12 hours, she will be scheduled to end her shift at Anson General Hospital to make her hours whole. Travel time will be counted towards the 12 hours.
5. Tracy Lachance will undertake all the training to provide oncology services, and to maintain her competency at the expense of the employer upon successful completion of the course(s).
6. When Tracy Lachance is scheduled to work at Lady Minto Hospital, the Patient Care Manager will endeavour to provide a replacement at Anson General Hospital as per patient care needs.

7. The Employer will continue to post an Expressions of Interest Notice annually at Lady Minto Hospital to allow for RN working at (Lady Minto Hospital) the opportunity to fill this replacement position.
8. This Letter of Understanding will be attached to and form part of the Collective Agreement.
9. The parties agree to review and amend this Letter of Understanding as per the requirements set out by NEORCC – North Easter Ontario Regional Cancer Centre satellite site.

H-2 Where the full-time nurses on a department have a master schedule that includes a "murphy week", the full-time nurse may take three (3) stat/lieu days at any time during the year at a mutually agreeable time provided the stat/lieu day has been in accordance with Article 15.

Where a full-time employee is entitled to a lieu day under Article 15.04 or 15.05, such day may be taken at a mutually agreeable time before March 31st of the following year. If the lieu day is not taken remaining stats for the calendar year will be paid out at the end of the following fiscal year.

H-3 Holiday pay shall be paid for each hour worked on the paid holiday.

H-4 The Employer will endeavour to arrange for paid holidays to be scheduled equitably among the employees regularly working on the same unit.

H-5 The Employer will endeavour, wherever possible, to ensure that regular part-time employees required to work a weekend shall also work the Statutory Holiday should the holiday fall immediately preceding or following the weekend, unless such scheduling would increase the normal staffing complement for the Unit.

This Letter of Understanding will be attached to and form part of the Collective Agreement.

The Parties further agree to discuss the LOU at the next round of Local Negotiations.
