ARTICLE D – HOURS OF WORK

D.1 Scheduling Objectives - 7.5 Hours

(Articles D.1 (1) - (13) D.2 & D.3 applies to Full-time employees only)

The Hospital will maintain and achieve the following objectives in the formulation of working schedules, although it is recognized by the Association that it has not always been and may not always be possible to attain these objectives.

- (1) One (1) weekend off in three (3) and endeavour to schedule one (1) weekend off in two. It is understood that a weekend consists of sixty-four (64) consecutive hours off work during the period following completion of the Friday day shift.
- (2) No less than the equivalent of two (2) tours of duty shall be scheduled off between tour changes without consent.
- (3) These scheduling objectives may be waived between December 15th and January 10th so that all employees with the exception of those employees who are not normally required to work weekends and paid holidays, e.g. Operating Room and Outpatient Department will receive five (5) or more consecutive days off at either Christmas or New Year's. Time off at Christmas shall include December 24th commencing from 0730 hours, December 25th and December 26th. Time off at New Year's shall include December 31st commencing from 0730 hours and January 1. The Hospital shall advise each employee six (6) weeks in advance whether they have Christmas or New Year's time off. In the event of conflict for time off at either Christmas or New Year's between two or more employees in the bargaining unit seniority shall prevail subject to staffing requirement as determined by the Nursing Unit Manager.
- (4) The Hospital will endeavour not to schedule the employees to work more than six (6) consecutive days without their consent.
- (5) Requests for time off shall be made prior to the posting of the schedule. Schedules shall be available no less than six (6) weeks in advance and will cover a six (6) week period. At no time will there be less than six (6) weeks of scheduled time available to employees.
- (6) A minimum of four (4) periods of two (2) consecutive days off shall be scheduled during a six (6) week period.
- (7) An Employee will not be required to change tours of duty more than once in any ten (10) day period except in emergencies.
- (8) The Hospital will grant requests for permanent evening or night tours where feasible.

- (9) There will be no split shifts;
- (10) The Hospital will endeavour to schedule lieu days preferably concurrently with weekends off or scheduled days off. Lieu days will not be scheduled as single days off unless mutually agreed by the employee and Hospital.
- (11) The Hospital will arrange for paid holidays off to be divided equitably among the employees in the same unit.
- (12) The Hospital will attempt over a reasonable period of time to schedule day tours equitably among employees in a unit who are required to rotate shifts.
- (13) Where a nurse has requested time off and has provided their own replacement, the Employer will respond in writing within three (3) business days.

Where a nurse has requested time off as outlined in D.2 providing three (3) or more weeks' notice the Employer will respond in writing within three (3) business days.

D.2 Requests for time off once the schedule is posted, shall be processed by a manager or delegate if three (3) or more weeks' notice is provided by the nurse. The nurse must find their own replacement if less than three (3) weeks' notice is provided by the nurse, with the change submitted in writing and co-signed by the employee willing to work the shift. Such requests are subject to management-approval and will not be unreasonably denied. Management will respond in writing within three (3) business days to the request for approval.

D.3 Voting Process for Twelve (12) Hour Extended Tours, Ten (10) Hour Extended Tours and Innovative/Hybrid Schedules:

- (a) Only permanent Full-time and permanent Part-time staff currently employed on the unit are permitted to vote.
- (b) The Hospital agrees to communicate the process to the nurses prior to the secret ballot and will endeavour to participate in joint Hospital and Union meetings with the employees prior to the secret ballot. The Union shall discuss and explain the implications of the scheduling to their members.
- (c) The ballots will be counted on the following business day upon completion of the vote, by one (1) representative from management and one (1) representative from the Union and one (1) bargaining unit member from the unit.
- (d) The Hospital agrees to provide space on the unit to conduct the vote.

- (e) A one (1) week period shall be utilized to conduct a vote. The purpose of these ballots is to indicate agreement or disagreement to the proposed schedule. The key to the locked ballot box will remain with the Union.
- (f) The parties agree to establish principles for conducting the vote.

D.4 An employee will receive premium payment in accordance with Article 14.03 for all hours worked on a third (3rd) consecutive and subsequent weekend, save and except where:

- (1) such weekend has been worked by the employee to satisfy specific days off requested by such employee; or
- (2) such employee has requested weekend work; or
- (3) such weekend is worked as a result of an exchange of shifts with another employee.

D.5 Part-time Commitment

(Articles D.5 (1) - (8) applies to Part-time employees only)

In accordance with Article 2.05 of the Central Portion of the Collective Agreement, the predetermined basis upon which a regular part-time employee's commitment to be available shall be made as follows, except those part-time employees presently on staff who have been hired to the part-time pool prior to May, 1982.

- (1) Available to work the number of shifts and hours (day/night/evening) as stated in the posting notice. This posting notice cannot be done as a range of hours.
- (2) Available to work alternate weekends except those part-time employees presently enjoying a greater benefit, shall continue to do so. It is understood that a weekend consists of sixty-four (64) consecutive hours off work during the period following completion of the Friday day shift. Where employees are scheduled to work a 10 to 6 shift, this period of time may be reduced to (60) consecutive hours off.
- (3) Available to work either Christmas or New Year's.
- (4) Available to work twelve months per year excluding their approved scheduled vacation and approved leaves of absence.
- (5) (a) Requests for time off once schedule is posted, shall be processed by a manager or delegate if three (3) or more weeks' notice is provided by the nurse. The nurse must find

their own replacement if less than three (3) weeks' notice is provided by the nurse, with the change submitted in writing and co-signed by the employee willing to work the shift. Such requests are subject to management approval and will not be unreasonably denied.

- (b) For float pool part-time employees requests in writing for time off prior to posting will not be unreasonably denied.
- (6) The Hospital will grant requests for permanent evening or night tours on an individual basis where feasible.
- (7) All unit based part-time and Float Pool Part-time nurses may be scheduled up to their commitment. When all part-time nurses have been scheduled to their commitment, unit based and Float Pool Part-time nurses may be offered additional shifts up to full time hours according to skills, seniority and expression of availability.
- (8) Casual Employees
 - (a) Casual employees shall provide their availability, indicating shifts and dates on forms provided by the Hospital to their Manager no later than the day the schedule is posted.
 - (b) It is understood that (1) by providing their availability, casual nurses are not providing a binding commitment to work the indicated shifts, and (2) once a shift has been offered to and accepted by a casual nurse, they shall be required to work such shifts.

D.6 Extended Tours

- (1) Extended tours shall be introduced into any unit when:
 - (a) Eighty percent (80%) of the employees in the unit so indicated by secret ballot; and
 - (b) the Hospital agrees to implement the extended tour, such agreement shall not be withheld in an unreasonable arbitrary manner.
- (2) Extended tours may be discontinued in any unit:
 - (a) when fifty percent (50%) of the employees in the unit so indicate by secret ballot; or
 - (b) by the Hospital because of
 - (i) proven adverse effects on patient care,

- (ii) inability to provide a workable staffing schedule.
- (3) When notice of discontinuation is given by either party in accordance with paragraph (2) above, then:
- (a) the parties shall meet within two (2) weeks of the giving of notice to review the request for discontinuation; and
 - (b) where it is determined that the extended tour will be discontinued, affected employees shall be given sixty (60) days' notice before the schedules are so amended.
- (4) (a) Work schedules of six (6) weeks' duration shall be posted at least six (6) weeks in advance.

Changes to the posted schedule which are requested in writing by a majority of nurses on a unit, co-signed by a member of the local executive and approved by the Hospital, may be implemented within the six (6) week period by the Hospital. A change in the posted schedule will include a change in shifts as well as a change in tours.

- (b) In the event that changes are made to the master rotation in effect in any unit, the Hospital will provide a copy of the new master rotation to the Bargaining Unit President fourteen (14) days in advance of the posting of the new master rotation. If both the Hospital and the Union have identified a violation of the collective agreement in the new master rotation such violation will be remedied prior to the schedule being posted in the unit.

Where a master rotation schedule is changed pursuant to the above, individual schedule rotations will be awarded on the basis of seniority, considering a balanced skill mix (novice to expert; experience and knowledge) of Registered Nurses. For clarification, job sharers will select with full-time nurses on the basis of the most senior job share partner.

D.7 Scheduling Objectives - Extended Tours

The Hospital will maintain and achieve the following objectives in the formulation of extended work schedules:

- (1) Alternate weekends off. It is understood that a weekend consists of sixty (60) consecutive hours off work during the period following completion of the Friday extended day shift until the commencement of the Monday extended day shift.
- (2) These scheduling objectives may be waived between December 15th and January 10th so that all employees with the exception of

those employees who are not normally required to work weekends and paid holidays will receive five (5) or more consecutive days off at either Christmas or New Year's. Time off at Christmas shall include December 24th commencing from 0730 hours, December 25th and December 26th. Time off at New Year's shall include December 31st commencing from 0730 hours and January 1st. The Hospital shall advise each employee six (6) weeks in advance whether they have Christmas or New Year's time off. In the event of conflict for time off at either Christmas or New Year's between two or more employees in the bargaining unit, seniority shall prevail subject to staffing requirements as determined by the Nursing Unit Manager.

- (3) No more than three (3) consecutive extended tours shall be scheduled except by mutual agreement between the Nurse Manager and individual staff employee.
- (4) Requests for time off shall be made prior to the posting of the schedule. Schedules shall be available no less than six (6) weeks in advance and will cover a six (6) week period. At no time will there be less than six (6) weeks of scheduled time available to employees.
- (5) Full-time employees will be scheduled so that their hours average two hundred and twenty-five (225) hours over a six (6) week period.
- (6) A full-time employee will not be required to change tours of duty more than once in any ten (10) day period except in extreme emergencies.
- (7) There will be no split shifts.
- (8) For full-time employees, the Hospital will endeavour to schedule lieu days preferably concurrently with weekends off or scheduled days off. Lieu days will not be scheduled as single days off unless mutually agreed by the employee and the Hospital.
- (9) The Hospital will arrange for paid holidays off to be divided equitably among the employees in the same unit.
- (10) The Hospital will attempt over a reasonable period of time to schedule day tours equitably among employees in a unit who are required to rotate shifts.
- (11) For full-time employees, at least forty-eight (48) consecutive hours off shall be scheduled following night duty. A shorter period of time between changes may be agreed upon by mutual consent.
- (12) Part-time employees will advise staffing office of their availability.

- (13) A nurse will receive premium payment in accordance with Article 14.03 for all hours worked on the second consecutive and subsequent weekend, save and except where:
- (1) Such weekend has been worked by the nurse to satisfy specific days off requested by such nurse; or
 - (2) Such nurse has requested weekend work; or
 - (3) Such weekend is worked as a result of an exchange of shifts with another nurse.
- (14) For nurses working a four shifts on and five shifts off rotation of extended tours different than D.7.1 and D.7.3, the parties agree the provisions of D.7.1 and D.7.13 will not apply. Introduction or discontinuation of this schedule will require a vote in accordance with D.6.
- (15) Where a nurse has requested time off and has provided their own replacement, the Employer will respond in writing within three (3) business days.

Where a nurse has requested time off as outlined in D.7 (16) providing three (3) or more weeks' notice, the Employer will respond in writing within three (3) business days.

- (16) Requests for time off once the schedule is posted, shall be processed by a manager or delegate if three (3) or more weeks' notice is provided by the nurse. The nurse must find their own replacement if less than three (3) weeks' notice is provided by the nurse, with the change submitted in writing and co-signed by the employee willing to work the shift. Such requests are subject to management-approval and will not be unreasonably denied. Management will respond in writing within three (3) business days to the request for approval.

D.78

2D 2N Extended Tour Schedules

- (a) When the Hospital and the Union agree, the 2D 2N extended tour schedule shall be instituted when eighty percent (80%) of the nurses on a particular nursing unit have so indicated by secret ballot. For nurses who indicate to their Unit Manager that they do not wish to work 12(twelve) hour tours, the Hospital will endeavour to schedule these nurses on a normal shift rotation with a copy of the schedule given to the union.
- (b) When less than eighty percent (80%) of the staff on a particular nursing unit vote, as outlined in Paragraph 1, in favour of the 2D 2N extended tour schedule by secret ballot, the Hospital can and consider the implementation of a combination 2D 2N extended tour

schedule, other extended tours and normal (7.5 hour) tour in a particular Unit with union approval. Once approved the schedule will not be altered without union approval.

- (c) All provisions of the collective agreement apply to employees working 2D2N rotations unless expressly amended in Article D.8.
- (d) The schedule provisions in D.7 are applicable save and except for the following:
 - (i) 2D2N rotations are specific rotations where an employee works two (2) twelve (12) hour extended day tours, followed by two (2) twelve (12) hour extended night tours, followed by five (5) scheduled days off.
 - (ii) Employees shall not be required to work more than four (4) consecutive tours.
 - (iii) Where schedules do not conform to this, the employee shall be paid a premium pay for the fifth (5th) and subsequent day until a day off is scheduled.
 - (iv) For nurses working a four shifts on and five shifts off rotation of extended tours different than D.7.1 and D.7.3, the parties agree the provisions of D.7.1 and D.7.13 will not apply. Introduction or discontinuation of this schedule will require a vote in accordance with D.6.
- (e) Full-time only:

The scheduling provisions contained in Article D.7 are applicable save and except for the following:

- i) All schedules will be done on the basis that each full-time nurse will be scheduled for one thousand nine hundred and fifty (1,950) hours per year. Twelve (12) seven and one-half (7.5) hour tours will be scheduled in lieu of the paid holidays outlined in Article F.1. Three (3) additional eleven and one quarter (11.25) hour tours will be scheduled over the calendar year.
- ii) Nurses shall receive at least every fourth (4th) weekend off, which shall consist of six (6) consecutive extended tours, which shall commence no later than 1930 hours Friday.

(f) Full-time only:

A nurse will receive premium pay as defined in Article 14 for all hours worked on a fourth (4th) consecutive and subsequent consecutive weekend until a weekend is scheduled off, save and except where:

- i) Such weekend has been worked by the nurse to satisfy specific days off required by such nurse; or
- ii) Such nurse has requested weekend work; or
- iii) Such weekend is worked as the result of an exchange of shifts with other nurses.

(g) Extended tours may be discontinued in any unit:

- (a) when fifty percent (50%) of the employees in the unit so indicate by secret ballot; or
- (b) by the Hospital because of
 - (i) proven adverse effects on patient care,
 - (ii) inability to provide a workable staffing schedule.

(h) When notice of discontinuation is given by either party in accordance with paragraph (2) above, then:

- (a) the parties shall meet within two (2) weeks of the giving of notice to review the request for discontinuation; and
- (b) where it is determined that the extended tour will be discontinued, affected employees shall be given sixty (60) days' notice before the schedules are so amended.

D.9 Hybrid/Combined Schedule

- (A) (1) Hybrid/Combined Schedule shall be introduced into any unit when:
 - (a) Eighty percent (80%) of the employees in the unit so indicated by secret ballot; and
 - (b) the Hospital agrees to implement the extended tour, such agreement shall not be withheld in an unreasonable arbitrary manner.

- (2) Hybrid/Combined Schedule may be discontinued in any unit:
 - (a) when fifty percent (50%) of the employees in the unit so indicate by secret ballot; or
 - (b) by the Hospital because of
 - (i) proven adverse effects on patient care,
 - (ii) inability to provide a workable staffing schedule.
- (3) When notice of discontinuation is given by either party in accordance with paragraph (2) above, then:
 - (a) the parties shall meet within two (2) weeks of the giving of notice to review the request for discontinuation; and
 - (b) where it is determined that the extended tour will be discontinued, affected employees shall be given sixty (60) days' notice before the schedules are so amended.
- (B) The hybrid schedule is defined as one that results in a nurse being scheduled to work a combination of extended tours (11.25 hour tours) and normal tours (7.5 hour tours) within the scheduling period. Nurses who work hybrid/combination schedules will be scheduled seventy-five (75) hours in a two week pay period.
 - (1) There will be at least twelve (12) hours scheduled off between tours to be worked by a nurse, unless a lesser period of time is mutually agreed upon between the nurse and her immediate manager
 - (2) There will be at least forty-eight (48) hours scheduled off between a change of tours worked by a nurse, unless mutually agreed otherwise.
 - (3) Nurses working a hybrid schedule shall be scheduled off on alternate weekends. For the purposes of this article; the weekend is defined as at least sixty (60) consecutive hours off between the end of her scheduled Friday shift and the start of her next scheduled shift and the weekend shall include Saturday and Sunday, unless the nurse agrees otherwise.
 - (4) Should a nurse working a hybrid schedule work more than what is outlined above, she/he shall receive premium payment as per Article 14.03 for all hours worked on subsequent shifts except where:

- i) The weekend has been worked by the nurse to satisfy specific days off requested by such nurse; or
 - ii) The weekend is worked as a result of an exchange of tours with another nurse; or
 - iii) The nurse has requested weekend work only.
- (5) The Hospital will schedule day and night tours equitably among employees in a unit who are required to rotate shifts. This will be done in the four week posted schedule.
 - (6) All schedules will be done on a basis that each full-time employee will be scheduled for 1950 hours per year.
- D.10
- (1) All regular part-time employees in a unit will be scheduled up to their committed hours by seniority before any casual part-time employees are utilized.
 - (2) When regular part-time employees on the unit have been provided work, up to their commitment, the Hospital will endeavour to offer additional tours to regular part-time employees on the unit on the basis of seniority, prior to offering tours to casual employees on the unit on the basis of seniority, subject to the following:
 - (i) Employees who wish to be considered for additional tours must indicate their availability in the manner prescribed by the Hospital;
 - (ii) A tour will be deemed to be offered whenever a call is placed; or a message left;
 - (iii) It is understood that the Hospital will not be required to offer tours which would result in overtime premium pay;
 - (iv) When a regular part-time employee accepts an additional tour, they must report for that tour unless arrangements satisfactory to the Hospital are made;
 - (v) Employees who are qualified, may submit their availability to work additional tours to more than one unit, if to do so is in accordance with existing Hospital practice.
 - (vi) Casual Employees
 - (a) Casual employees shall provide their availability, indicating shifts and dates on forms provided by the Hospital to their Manager no later than the day the schedule is posted.

- (b) It is understood that (1) by providing their availability, casual nurses are not providing a binding commitment to work the indicated shifts, and (2) once a shift has been offered to and accepted by a casual nurse, they shall be required to work such shifts.
 - (c) A casual part-time employee who declares themselves available for work, will notify the Hospital as soon as a change in their availability becomes known.
- (3) The Hospital will offer overtime tours to the full-time employees before offering overtime to part-time and casual employees, based on seniority and/or availability.

D.11 Ten (10) Hour Tours

The parties agree that all the terms of the Collective Agreement as outlined in the Central Document and Local Provisions shall apply, save and except those provisions modified by this article.

(1) Hours of Work

- (a) For employees working ten (10) hour tours, a regular tour shall be 9.375 consecutive hours in any twenty-four hour (24) period, exclusive of a total of thirty-seven and one-half (37 1/2) minutes unpaid meal time.
- (b) Employees shall be entitled to relief periods (paid break time) during the tour which total thirty-seven and one-half (37 1/2) minutes.

(2) Shift Premium

Employees working ten (10) hour tours shall be paid shift premium for all hours worked between 1530 and 0730 hours provided they have worked more than two (2) hours if worked in conjunction with the day shift.

(3) Overtime (Article 14)

For employees working ten (10) hour tours, overtime shall be paid at the rate of time and one-half (1 1/2) the employee's regular straight time hourly rate for all work performed in excess of 9.375 paid hours in a twenty-four hour period, it being understood that at the change of tour, there will normally be additional time required for reporting, which shall be considered as part of the normal daily tour, for a period of fifteen minutes duration. Should the reporting time extend beyond fifteen minutes, however, the entire period shall be considered overtime for the purposes of payment under Article 14.

(4) Paid Holidays

An employee working the ten (10) hour tour shall be paid as per Article 15, noting that the employee working ten (10) hours shall receive twelve (12) days off to consist of seven and one-half (7.5) hours each (applies to full-time only).

The Hospital will arrange for paid holidays off to be divided equitably among the employees in the same unit.

(5) Vacations

Vacation entitlement for employees working ten (10) hour tours shall be converted as follows:

<u>Current Week</u> <u>Entitlement</u>	<u>Working Days</u> <u>Off</u>	<u>Equivalent Paid</u> <u>Hours</u>
3	12	112.5
4	16	150.0
5	20	187.5
6	24	225.0
7	28	262.5

(equivalent paid hours applies to full-time only).

(6) Scheduling Objectives

The following scheduling objectives contained in the Collective Agreement shall apply to all employees working ten (10) hour tours as follows:

1. Employees shall not normally be scheduled to work more than four (4) consecutive 9.375 hour tours. If an employee works five (5) consecutive tours, they shall receive a minimum of two (2) preferably three (3) days off.
2. At least 14 hours time off will be scheduled between tours.
3. The weekend is defined as commencing at the completion of the day tour Friday and concluding not less than sixty-two (62) hours later. The commencement time will vary in the event an Employee works on a permanent tour.
4. A nurse will receive premium payment in accordance with Article 14.03 for all hours worked on the second consecutive and subsequent weekend, save and except where:
 - (1) Such weekend has been worked by the nurse to satisfy specific days off requested by such nurse; or

Y.1 Violence shall be defined as any incident in which a nurse is abused, threatened or assaulted during the course of his/her employment. It includes the application of force, threats with or without weapons and severe verbal abuse. The Hospital agrees that such incidents will not be condoned. Any nurse who believes they have been subjected to such incident shall report this to a supervisor who will make every reasonable effort to rectify the situation.

The Hospital and the Union recognize that, where preventative measures have failed to prevent violent incidents, counselling and support must be available through the employee assistance program to help victims recover from such incidents.

Y.2 The Hospital agrees to develop formalized policies and procedures in consultation with the Joint Health and Safety Committee to deal with workplace violence. The policy will address the prevention of violence and the management of violent situation and support to nurses who have faced workplace violence. These policies and procedures shall be communicated to all nurses.

Y.3 The employer will notify the JHSC and Union in writing of all incidents related to violence within 4 days. For critical injuries the employer will notify the JHSC and the union immediately and in writing within 48 hours.

Y.4 The Hospital agrees to provide training and information on the prevention of violence to all employees who come into contact with potentially aggressive persons. This training, developed in consultation with the Joint Health and Safety Committee, will be done during a new employee's orientation and updated as required.

Y.5 The Hospital, with the nurse's consent, will inform the Union within three (3) days of any nurse who has been subjected to violence while performing his/her work. Such information shall be submitted in writing to the Union as soon as possible.

Y.6 The Hospital will consider requests for reimbursement for damages incurred to the nurse's personal property, such as eyeglasses, ripped uniforms, personal clothing, as a result of being assaulted while performing their work.
