ARTICLE 2 - SCOPE AND RECOGNITION

- 2.01 The Employer recognizes the Ontario Nurses' Association as the sole and exclusive bargaining agent for all Registered and Graduate Nurses employed in a nursing capacity at Mon Sheong Home for the Aged in the Municipality of Metro Toronto, save and except the Assistant Director of Resident Care and persons above the rank of Assistant Director of Resident Care.
- 2.02 A nurse who holds a Temporary Class Certificate of Registration must obtain her or his General Class Certificate of Registration prior to the expiry of her or his Temporary Class Certificate of Registration. If the nurse fails to obtain her or his General Class Certificate of Registration prior to the expiry of her or his Temporary Class Certificate of Registration she or he will be deemed to be not qualified for the position of registered nurse and she or he will be terminated from the employ of the Home. Such termination shall not be the subject of a grievance or arbitration.
- 2.03 The word "Nurse(s)" when used throughout this agreement shall mean persons included in the above described bargaining unit. The term "employee(s)" when used throughout this agreement shall mean persons included in the above-described bargaining unit.
- 2.04 All references to nurses in this agreement include both male and female and whenever the male and female gender is used, it shall be construed to include both male and female nurses. Whenever the feminine pronoun is used in this Agreement, it includes the masculine and non-binary pronoun and vice-versa where the context so requires. Where the singular is used, it may also be deemed to mean the plural.
- 2.05 Persons whose jobs are not in the bargaining unit shall not perform work normally performed by employees in the bargaining unit except:
- (a) In case of emergency;
 - (b) When instructing other employees;

- (c) When performing development or experimental work;
 - (d) When regular employees are not available.
- 2.06
- (a) A full-time nurse is a nurse who is regularly scheduled to work the normal full-time hours referred to in Article 15.
 - (b) A regular part-time nurse is a nurse who regularly works less than the full-time hours referred to in Article 15 and who offers to make a commitment to be available for work on a regular predetermined basis but for no less than two tours per week. All other part-time nurses shall be considered casual part-time nurses.
- 2.07
- The Employer agrees to employ sufficient registered staff to meet the staffing needs that may be set from time to time by statute and/or regulation.

ARTICLE 3 - MANAGEMENT FUNCTIONS

- 3.01
- The Employer retains all the rights it had prior to certification save where abridged by this Agreement.

The Association recognizes that the management of its operation and the direction of the working forces are fixed exclusively in the Employer and without restricting the generality of the foregoing, the Association acknowledges that it is the exclusive function of the Employer to:

- (a) Determine and establish standards and procedures for the care, welfare, safety and comfort of its Residents, and assure the effectiveness of such standards and procedures;
- (b) Maintain order, discipline and efficiency;
- (c) Hire, promote, demote, direct, classify, transfer, layoff, recall, discharge, suspend or otherwise discipline nurses subject to the right of an employee to grieve the discharge, discipline or suspension.
- (d) Establish, enforce and alter from time to time rules and regulations to be observed by the nurses which are not inconsistent with the provisions of this Agreement;
- (e) Determine the shift schedule, the number of shifts, the methods, procedures, equipment and machinery to be used, the number of nurses needed by the Employer at any time, the number of hours to be worked and the number of days off, and the starting and quitting times.

- (f) Have the sole and exclusive jurisdiction over all operations, buildings, machinery, equipment and employees and to require medical examinations annually or more often if reasonably necessary.

3.02 The Employer shall exercise its rights in a reasonable manner. The Employer agrees that it will not exercise its functions in a manner inconsistent with the provisions of this Agreement.

ARTICLE 4 - NO DISCRIMINATION

4.01 The Employer and the Association agree that there will be no discrimination, interference, intimidation, restriction or coercion exercised or practised by any of their representatives with respect to any nurse because of her membership or non-membership in the Association or activity or lack of activity on behalf of the Association or by reason of exercising her rights under the Collective Agreement, or any applicable legislation.

4.02 It is agreed that there will be no discrimination on the basis race, ancestry, place of origin, colour, ethnic origin, citizenship, creed, sex, sexual orientation, gender identity, gender expression, age, record of offences, marital status, family status or disability as defined under the Ontario Human Rights Code.

- 4.03 (a) For the purpose of this Collective Agreement, "sexual harassment" means:

ARTICLE 6 - ASSOCIATION REPRESENTATION

- 6.01 The Employer will recognize the following:
- (a) Three (3) Nurse Representatives, one from each site and the Bargaining Unit President.

 - (d) The Employer agrees that there shall be a Management-Association Committee composed of an equal number of representatives of the Employer and Association. It is understood and agreed that neither party shall have more than two (2) representatives on this committee. Meetings of this committee shall be held at times mutually agreed to by the parties and at least once every three (3) months. It is understood that failure to meet more than once every three (3) months will not be the subject of a grievance unless it's an emergency meeting requested pursuant to Article 20. The purpose of this committee shall be to discuss matters relating to work load, scheduling matters, job content or other matters of mutual concern. Minutes of these meetings shall be maintained and signed by both parties. The role of chairperson shall rotate between the parties.
- 6.02 The Association will supply the Employer with the names of its representatives and committee members and changes thereto, in writing.
- 6.03 (a) If a Representative or committee member(s) must leave her regular duties for a period of time in order to attend to Association business on the premises, she will first obtain the permission of her Supervisor. Such permission will not be unreasonably withheld. Upon completion of her business, the Representative will report to her Supervisor and then return to her regular duties.

- (b) Whenever possible Association business shall be performed outside regular working hours. It is understood that the time spent by a nurse outside regular working hours for Association business shall not be compensated.
- (c) The Home agrees to pay members of the Negotiating Committee for time spent during working hours in negotiations with the Home for a renewal agreement up to, but not including, conciliation provided that the nurse was scheduled to work.

6.04 The Association Committees shall have the right to have the assistance of representatives or consultants from or acting on behalf of the Ontario Nurses' Association.

The representative of the Ontario Nurses' Association will obtain prior consent of the Administrator before entering the Home. Such consent shall not be arbitrarily withheld.

6.05 During the orientation period, the Employer agrees to provide a nurse representative from the bargaining unit with a reasonable period of time within regular working hours to meet with newly hired nurses.

6.06 Occupational Health & Safety Committee

- (a) The Employer and the Association agree that they mutually desire to maintain standards of health and safety in the Home, in order to prevent accidents, injury and illness.
- (b) Recognizing its responsibilities under the applicable legislation, the Employer agrees to accept as a member of its Occupational Health and Safety Committee, one representative selected or appointed by the Association from among bargaining unit employees.
- (c) This Committee shall identify potential dangers and hazards, recommend means of improving Health and Safety programmes, and recommend actions to be taken to improve conditions relating to Occupational Health and Safety.
- (d) The Employer agrees to provide necessary information to enable the committee members to fulfil their function.
- (e) Meetings shall be held at minimum every three (3) months. The committee shall maintain minutes of all meetings and make the same available for review.
- (f) The Association agrees to co-operate to the fullest extent possible with the Employer in Health and Safety matters and agrees to promote and encourage compliance by all employees with the Employer's Health and Safety policies and procedures.

6.07 Pay for Attending Meetings

The Employer shall endeavour to schedule all meetings between the Employer and the Grievance Committee in accordance with Article 8 and all Management-Association Committee and Occupational Health and Safety Committee meetings during the scheduled working hours of the Committee members. When an employee Committee member attends such meetings, such employee will be compensated for the time so taken during regular working hours at her regular rate of pay. All time spent by an employee Committee member outside regular working hours in such meetings will be compensated at the employee's regular rate.

ARTICLE 7 - ASSOCIATION SECURITY

- 7.01 The Employer shall deduct from the pay due to each nurse who is covered by this agreement a sum equal to the monthly Association dues of each nurse. The Association shall notify the Employer, in writing, of the amount of such dues from time to time. The Employer will send to the Ontario Nurses' Association monthly, its cheque for the dues so deducted, along with a list of the names and the amount of such deduction for each nurse. The list shall show the social insurance number of each nurse, terminations, new hires, leaves of absences and the initial list shall contain, as well, the addresses of each nurse. A copy of this list will be sent to the local association.
- 7.02 The Employer shall provide each nurse with a T4 slip, showing the dues deducted in the previous year for income tax purposes.
- 7.03 In consideration for the Employer deducting and forwarding dues to the Association, the Association agrees to indemnify and save the Employer harmless with respect to any claims arising from, or liability which the Home might incur as a result of the operation of this Article.

ARTICLE 8 - GRIEVANCE AND ARBITRATION PROCEDURES

- 8.01 The purpose of this article is to establish a procedure for the prompt handling of grievances. A nurse representative may assist the grievor at any stage of the grievance procedure if so requested. Prior to formal discipline or discharge, the Employer shall notify the nurse, in advance, of her entitlement to union representation.
- 8.02 (a) For the purpose of this Agreement, a grievance is defined as a difference arising between the parties relating to the interpretation, application, administration or alleged violation of the Agreement including any question as to whether a matter is arbitrable.

- (b) It is the mutual desire of the parties hereto that complaints of nurses shall be adjusted as quickly as possible, and it is understood that a nurse has no grievance until she has first given her immediate supervisor the opportunity of adjusting her complaint. Such complaint shall be discussed with her immediate supervisor within nine (9) calendar days after the circumstances giving rise to it have occurred or ought reasonably to have come to the attention of the nurse and failing settlement within nine (9) calendar days, it shall then be taken up as a grievance within nine (9) calendar days following advice of her immediate supervisor's decision in the following manner and sequence:

Step #1

The nurse may submit a written grievance, signed by the nurse to her immediate supervisor. The grievance shall identify the nature of the grievance and the remedy sought and should identify the provisions of the Agreement which are alleged to be violated. The immediate supervisor will deliver her decision in writing within nine (9) calendar days following the day on which the grievance was presented to her. Failing settlement, then:

Step #2

Within nine (9) days following the decision in Step No. 1, the grievance may be submitted in writing to the Administrator or designate. A meeting will then be held between the Administrator or designate and the Grievance Committee within nine (9) calendar days of the submission of the grievance at Step No. 2, unless extended by agreement of the parties. It is understood and agreed that a representative of the Ontario Nurses' Association and the grievor may be present at the meeting. It is further understood that the Administrator or designate may have such counsel and assistance as he may desire at such meeting. The decision of the Employer shall be delivered in writing within nine (9) calendar days following the date of such meeting. A copy of the second step grievance reply will be provided to the Labour Relations Officer. If the grievance is not settled, it may be referred to arbitration as hereinafter provided.

- 8.03 Should the Employer discharge or suspend any nurse(s), without just cause, notification by the Employer to such nurse(s) shall be made in the presence of a Nurse Representative. The nurse(s) and the Association shall be provided with written reasons for a discharge or suspension. Should the nurse(s) or the Association wish to file a grievance, in accordance with this agreement, against this action, it shall be in writing and filed under Step 2 of the grievance procedure.

8.04 Group Grievance

In the event of a grievance common to a group of two or more nurses, the Association may file a group grievance on behalf of such a group. The Association shall initiate the grievance at Step #1 of the Grievance Procedure.

8.05 Policy Grievance

The Association or the Employer may present a grievance in writing in the form of a policy grievance beginning at Step #2 of the Grievance procedure. Such grievance shall be filed within fourteen (14) calendar days of the incident giving rise to the grievance. Any such grievance may be referred to arbitration by either the Association, in the case of an Association grievance, or the Employer, in the case of an Employer grievance.

8.06 Arbitration

Where a difference arises between the parties relating to the interpretation, application or administration of this Agreement, including any question as to whether a matter is arbitrable, or where an allegation is made that this Agreement has been violated, either party may, after exhausting any grievance procedure established by this Agreement, notify the other in writing of its desire to submit the difference or allegation to arbitration. The notice shall contain the name of the party's appointee to an Arbitration Board and shall be delivered to the other party within thirty-six (36) calendar days of the reply under Step #2 of the Grievance Procedure. The recipient party shall, within fourteen (14) calendar days of receiving the notice, advise the other of the name of its appointee to the Arbitration Board.

8.07 The appointees so selected shall, within twenty-one (21) calendar days of the appointment of the second of them, or at a time mutually agreed upon, appoint a third person who shall be the chairman. If the recipient party fails to appoint an arbitrator or if the two appointees fail to agree upon a chairman, within the time limits, the appointment shall be made by the Minister of Labour upon the request of either party.

8.08 The Arbitration Board shall hear and determine the difference or allegation and shall issue a decision and the decision shall be final and binding upon the parties and upon any nurse affected by it. A decision of the majority shall be the decision of the Arbitration Board, but if there is no majority, the decision of the chairman shall govern.

8.09 Each party shall pay its own expenses including expenses for appointees and witnesses and the expenses of the chairman of the Arbitration Board shall be borne equally by the parties.

- 8.10 The Board of Arbitration shall not be authorized to make any decision inconsistent with the provisions of this Agreement, nor to alter, modify or amend any part of this Agreement.
- 8.11 No person may be appointed as an Arbitrator who has been involved in an attempt to negotiate or settle the grievance.
- 8.12 Any grievance which is not commenced or processed through the next stage of the grievance or arbitration procedures within the time specified in this Article shall be deemed to have been abandoned. However, time limits as set out in this Article may be extended by mutual agreement in writing between the Employer and the Association.
- 8.13 The Employer and the Association may, by written agreement, substitute for a specific grievance or grievances a single arbitrator for the Board of Arbitration provided for herein (whether or not that Board has been constituted) and the single arbitrator shall possess the same powers and be subjected to the same limitations as the Board of Arbitration hereunder. Failing agreement on who the single Arbitrator will be the normal arbitration provisions of Article 8.06 and 8.07 shall apply.
- 8.14 All agreements between the representatives of the Employer and the representatives of the Association will be final and binding upon the Employer and the Association and the nurse(s).
- 8.15 Any time limit referred to in the grievance or arbitration procedure shall be exclusive of holidays observed by the Employer.
- 8.16 A lesser standard of just cause shall apply to probationary employees than to employees who have completed their probationary period.
- 8.17 Section 48 (16) of the *Labour Relations Act* applies to all time limits in the grievance procedures.

ARTICLE 9 - JOB SECURITY

- 9.01 Seniority for full-time nurses shall be defined as length of service in the bargaining unit with the Employer since date of last hire. Seniority for full-time nurses will be expressed on the full-time seniority list in terms of a date (Seniority Date).

Seniority for part-time nurses shall be based on paid hours accumulated in the bargaining unit since date of last hire. It is recognized that 1500 paid hours equals one (1) year of full-time service. Seniority for part-time nurses will be expressed on the part-time seniority list in terms of total hours worked.

If a part-time nurse becomes a full-time nurse her Seniority Date shall be adjusted in accordance with Article 9.12

- 9.02 The probationary period for nurses shall be 450 hours worked.
- 9.03 The Employer will keep up to date seniority lists, one list for the full-time nurses, and one list for the part-time nurses of the bargaining unit. Each list will indicate the nurses dedicated site. Each list will be posted in a conspicuous place at both sites. The Employer will supply copies of the current lists to the Association twice a year, in the months of January and July, and prior to any layoff.
- 9.04 Seniority shall be retained and accumulated when a nurse is absent from work under the following conditions:
- (a) When on leave of absence with pay;
 - (b) When on an approved leave of absence without pay, not exceeding thirty (30) continuous calendar days;
 - (c) When in receipt of sick leave;
 - (d) When on pregnancy or parental leave;
 - (e) When in receipt of worker's compensation up to twelve (12) months.
- 9.05 (a) Seniority shall be retained but not accumulated when a nurse is absent from work under the following circumstances:
- i) when on an approved leave of absence without pay, for a period which exceeds thirty (30) continuous calendar days;
 - ii) when absent on account of illness or accident and not in receipt of sick leave to a maximum of one (1) year;
 - iii) when absent due to layoff for up to twenty-four (24) months;
- (b) Seniority once established for a nurse shall be forfeited and the nurse shall be deemed to be terminated under the following conditions:
- i) resignation;
 - ii) if discharged and not reinstated through the grievance or arbitration procedures;
 - iii) retirement;

- iv) is laid off for more than twenty-four (24) calendar months;
- v) If the nurse is absent from work for more than three (3) scheduled working days without notifying the Employer and without providing a satisfactory reason to the Employer.
- vi) When recalling a nurse after layoff, she shall be notified by registered mail and allowed two weeks to report for work, and in the meantime, if a nurse is recalled but not immediately available for work, other nurses in seniority standing shall be recalled, but shall be temporarily employed until the senior nurse reports within the two week period. A nurse to whom a registered letter is sent, must contact the Employer within 72 hours of the notice of return to work if she wishes the Employer to hold the job open for her for the full two week period. It shall be the nurse's responsibility to keep the Employer notified of her up to date address and telephone number.
- (vii) Obtains a leave of absence but uses it to work for another Employer.

9.06 (a) In the case of all vacancies, the Employer will post notice of such vacancies simultaneously at each site, for seven (7) consecutive calendar days, prior to filling the position. Nurses at the site where the vacancy occurs will be given first consideration for filling the posting. Consideration will then be given to nurses at the other site. Should there be no internal applicants from either site or no qualified internal applicants, the Employer may hire a new nurse from outside the bargaining unit. The name of the successful applicant shall be posted by the Employer.

(b) No full-time nurse will be transferred to another permanent shift without the consent of the nurse.

(c) A nurse will not be transferred to the other site without her /his consent.

9.07 Part-time nurses shall be given the first opportunity to fill temporary full-time vacancies caused by illness, accident, or leaves of absence including pregnancy and parental leave. Part time nurses at the site where the vacancy occurs will be given first consideration for filling the vacancy. The Employer will outline the conditions and duration of such vacancy where possible. Such temporary vacancy shall not exceed the duration of the leave required by the incumbent.

9.08 In all cases of transfer or promotion the following factors shall be considered:

- (a) skill, ability and experience and qualifications;
- (b) seniority.

Where the factors in (a) are relatively equal, (b) shall govern.

Where the applicant has been selected in accordance with this Article and it is subsequently determined by the Employer that she cannot satisfactorily perform the job to which she was promoted or transferred, the Employer will attempt, during the first sixty (60) tours (or 450 hours for nurses whose regular hours of work are other than the standard work day) worked from the date on which the nurse was first assigned to the vacancy, to return the nurse to her former job, and the filling of the subsequent vacancies will likewise be reversed. If the nurse requests to return to her former position within the first sixty (60) tours (or 450 hours for nurses whose regular hours of work are other than the standard work day) the Employer will give due consideration to same, provided that the former position has not been filled or eliminated. Such request shall not be unreasonably denied.

9.09

- (a) In the event of a proposed layoff of a permanent or long term nature, the Employer will:
 - i) provide the Association with seventy-five (75) days' notice; and
 - ii) meet with the Association to review the reasons causing the layoff.
- (b) A layoff of nurses shall be made on the basis of seniority, according to status (Full-time status and/or Part-time status) provided that the nurses who are entitled to remain on the basis of seniority and status are qualified to perform the available work. Subject to the foregoing, probationary nurses shall be the first laid off.
- (c) No new nurse shall be hired until all those laid off have been given an opportunity to be recalled to perform the work available.

Applies to Full-time Nurses only:

- (d) Where the full time complement is to be reduced, a displaced full time nurse may utilize his/her seniority to displace a more junior full time nurse at the other site. If there is no junior full time nurse at the other site for her to displace then she may displace a more junior part time nurse at the original site. If there is no junior part time nurse at the original site she may displace a more junior part time nurse at the other site.

Applies to Part-time Nurses only:

- (e) Where the part-time complement is to be reduced, a displaced part-time nurse may utilize his/her seniority to displace a more junior part-time nurse at the other site.
- (f) Nurses shall be recalled in order of seniority and according to status (i.e. full-time nurses to be recalled for full-time positions, part-time nurses to be recalled for part-time positions), regardless of site, unless otherwise agreed between the Employer and the local Association, provided that the nurse is qualified to perform the available work. If a nurse is recalled to the other site he/she will not maintain recall rights at his/her original site.
- (g) Where a vacancy occurs in a position formerly held by a laid off nurse within six (6) months of the date of layoff, he/she will be offered the opportunity to return to his or her former position. Where the nurse returns to her or his former position, there shall be no requirement to post the vacancy in accordance with Article 9.06. Where the nurse refuses the opportunity to return to her or his former position, the nurse shall advise the applicable Administrator in writing, within five (5) calendar days. The vacancy will then be posted.
- (h) Notwithstanding the above, a nurse who has been notified of layoff may accept the layoff.
- (i) Once nurses of the same status (full-time nurses to full-time positions and part-time nurses to part-time positions) who wish have all been recalled under clause (f) then nurses of the other status may be recalled to the remaining vacancies in the other classification (full-time status to a part-time position and part-time status to a full-time position). This cross classification recall will not eliminate the nurse's original recall rights to his/her pre-layoff status.

9.10 The Employer will not establish qualifications, or identify them in job postings, in an arbitrary or unreasonable manner.

9.11 Employees promoted to Supervisory positions not covered by this Collective Agreement will retain their seniority after promotion and if transferred back into the bargaining unit within six (6) months. The time served in such position shall be included in their service standing.

9.12 A nurse's full seniority and service shall be retained by the nurse in the event that she is transferred from full-time to part-time or in the event she is transferred from casual to regular part-time or vice versa. A nurse whose status is changed from full-time to part-time shall receive credit for her full seniority and service on the basis of 1500 hours worked for each

year of full-time seniority or service. A nurse whose status is changed from part-time to full-time shall receive credit for her full seniority and service on the basis of one (1) year of seniority for each 1500 hours worked. Any time worked in excess of an equivalent shall be pro-rated at the time of transfer.

ARTICLE 10 - EMPLOYEE FILES

- 10.01 (a) In the event that it is deemed necessary by the Employer to file a report of censure, the Employer shall, within five (5) days thereafter, give a copy of such censure to the nurse involved with a copy to the Association.
- (b) Any letter of reprimand, suspension or other sanction will be removed from the record of a nurse eighteen (18) months following the receipt of such letter, suspension or other sanction provided that the nurse's record has been discipline free for one year. Leaves of absence in excess of sixty (60) calendar days will not be counted towards either period referenced above.
- 10.02 The Employer agrees that all censures issued prior to the effective date of the Collective Agreement shall not be part of the nurse's record.
- 10.03 When any type of evaluation, performance appraisal, progress report or assessment related to job performance, nursing practice, or other employment related matters is completed with respect to any nurse it shall be shown to the nurse in a timely manner.
- 10.04 Upon request, a nurse may review her file and receive a copy of anything in her file at a time agreeable to the Employer in the presence of her Supervisor. The nurse may be accompanied by a Nurse Representative if she so wishes.

ARTICLE 11 - LEAVE OF ABSENCE

- 11.01 Written requests for leave of absence will be considered on an individual basis by the Employer. Such requests are to be made in writing four (4) weeks in advance except in case of emergency and a written reply will be given within seven (7) days of the date of such request, except in cases of emergency. If the leave of absence is denied, such written reply shall contain the reasons for the denial. Requests for leave of absence shall not be arbitrarily withheld. Such leaves are subject always to scheduling requirements.

11.02 (a) Association Leave

Leave of absence for Association business including conferences and conventions shall be given to nurses provided that the Association give the Employer at least two (2) weeks' advance notice of such leave. During such leave of absence the nurse's salary and applicable benefits shall be maintained by the Employer and the local Association agrees to reimburse the Employer in the amount of the full cost of such salary and applicable benefits. Requests for leave of absence shall not be arbitrarily withheld.

(b) Board of Directors

A nurse who is elected to the Board of Directors of the Ontario Nurses' Association, other than to the office of President, shall be granted leave of absence without pay. There shall be no loss of seniority or credits for the purpose of salary advancement and vacation entitlement or other purposes during such leave. During such leave of absence, the nurse's salary and applicable benefits shall be maintained by the Employer, and the Association agrees to reimburse the Employer in the amount of the full cost of such salary and applicable benefits.

(c) President, ONA

Upon application, in writing, by the Association on behalf of the nurse to the Employer, a leave of absence shall be granted to such nurse elected to the office of President of the Ontario Nurses' Association for a period of up to two (2) years. There shall be no loss of seniority and service during her absence. During such leave of absence, the nurse's salary and applicable benefits shall be maintained by the Employer, and the Association agrees to reimburse the Employer the amount of the full cost of such salary and applicable benefits. The nurse agrees to notify the Employer of her intention to return to work at least two (2) weeks prior to the date of return.

Notwithstanding the above, the Employer and the Union may make alternate arrangements with respect to salary and benefit continuation.

11.03 (a) Leave of absence with or without pay, at the discretion of the Employer, may be granted to a nurse who wishes to enrol in a post-graduate course, certificate or degree course from a University or community college or other institution offering employment related courses. Leaves of absence shall not be unreasonably withheld.

(b) Education Leave

Leave of absence with pay and without loss of seniority may be granted to allow employees time to take examinations for courses previously approved by the Home.

11.04 Bereavement Leave

A nurse who notifies the Home as soon as possible following a bereavement shall be granted four (4) consecutive working days off, without loss of her regular pay for her scheduled hours, if any, during such four (4) days, in conjunction with the day of the funeral of her spouse, child, or parent and three (3) consecutive working days off, without loss of her regular pay for her scheduled hours, if any, during such three (3) days, in conjunction with the day of the funeral of a member of her immediate family. "Immediate family" means brother, sister, son-in-law, daughter-in-law, mother-in-law, father-in-law, brother-in-law, sister-in-law, grandparent or grandchild. "Spouse" for the purposes of bereavement leave will include a partner of the same sex. One (1) day of bereavement leave without pay will be granted to attend the funeral of an aunt, uncle, niece, or nephew. The employer, in its discretion, may extend such leave with or without pay.

Notwithstanding the above, individuals will be granted flexibility to distribute their bereavement leave entitlement over two (2) occasions, not exceeding four (4) or three (3) days, as applicable, in total, in order to accommodate religious and cultural diversity.

Where the burial occurs outside the province, such leave may be increased by additional unpaid days to permit reasonable traveling time.

Part-time nurses will be credited with seniority and service for all such leave.

11.05 (a) Pregnancy Leave

- i) Pregnancy leave will be granted in accordance with the provisions of the Employment Standards Act, except where amended in this provision, which may be up to seventeen (17) weeks.
- ii) The nurse shall give written notification at least one (1) month in advance of the date of commencement of such leave and the expected date of return.
- iii) The nurse shall reconfirm her intention to return to work on the date originally approved in subsection (ii) above by written notification received by the Home at least four (4) weeks in advance thereof. The nurse shall be reinstated to

her former position unless the position has been discontinued in which case she shall be given a comparable job.

- iv) Nurses newly hired to replace nurses who are on approved pregnancy leave may be released and such release shall not be the subject of a grievance or arbitration. If retained by the Home, in a permanent position, the nurse shall be credited with seniority from date of hire subject to successfully completing her probationary period. The nurse shall be credited with tours worked (hours worked for nurses whose regular hours of work are other than the standard work day) towards the probationary period provided in Article 9.02 to a maximum of 30 tours (225 hours for nurses whose regular hours of work are other than the standard work day).

The Home will outline to nurses hired to fill such temporary vacancies the circumstances giving rise to the vacancy and the special conditions relating to such employment.

- v) The Home may request a nurse to commence pregnancy leave at such time as the duties of her position cannot reasonably be performed by a pregnant woman or the performance or non-performance of her work is materially affected by the pregnancy.
- vi) On confirmation by the Employment Insurance Commission of the appropriateness of the Home's Supplemental Employment Benefit (SEB) Plan, a nurse who is on pregnancy leave as provided under this Agreement who has applied for and is in receipt of Employment Insurance pregnancy benefits pursuant to the Employment Insurance Act, shall be paid a supplemental employment benefit. Effective February 28, 2011 that benefit will be equivalent to the difference between eighty percent (80%) of her regular weekly earnings and the sum of her weekly Employment Insurance benefits and any other earnings. Biweekly payment shall commence following completion of the one (1) week Employment Insurance waiting period, and receipt by the Employer of the nurse's Employment Insurance cheque stub as proof that she is in receipt of Employment Insurance pregnancy benefits, and shall continue while the nurse is in receipt of such benefits for a maximum period of fifteen (15) weeks. The nurse's regular weekly earnings shall be determined by multiplying her regular hourly rate on her last day worked prior to the commencement of the leave times her normal weekly hours. The normal weekly hours for a part-time employee shall be calculated by using the same

time period used for calculation of the Employment Insurance benefit.

The employee does not have any vested right except to receive payments for the covered unemployment period. The plan provides that payments in respect of guaranteed annual remuneration or in respect of deferred remuneration or severance pay benefits are not reduced or increased by payments received under the plan.

11.05 (b) Parental Leave

- i) A nurse who becomes a parent of a child is eligible to take a parental leave in accordance with the provisions of the Employment Standards Act, except where amended in this provision.
- ii) A nurse who has taken a pregnancy leave under Article 11.05 is eligible to be granted a parental leave of up to sixty-one (61) weeks duration, in accordance with the Employment Standards Act. A nurse who is eligible for a parental leave who is the natural father or is an adoptive parent may extend the parental leave for a period of up to sixty-three (63) weeks' duration, consideration being given to any requirements of adoption authorities. In cases of adoption, the nurse shall advise the Home as far in advance as possible with respect to a prospective adoption and shall request the leave of absence, in writing, upon receipt of confirmation of the pending adoption. If, because of late receipt of confirmation of the pending adoption, the nurse finds it impossible to request the leave of absence in writing, the request may be made verbally and subsequently verified in writing.
- iii) The nurse shall be reinstated to her former position, unless her former position has been discontinued, in which case she shall be given a comparable job.
- iv) Nurses newly hired to replace nurses who are on approved parental leave may be released and such release shall not be the subject of a grievance or arbitration. If retained by the Home, in a permanent position, the nurse shall be credited with seniority from date of hire subject to successfully completing her probationary period. The nurse shall be credited with tours worked (hours worked for nurses whose regular hours of work are other than the standard work day) towards the probationary period provided in Article 9.02 to a maximum of 30 tours (225 hours for nurses whose regular hours of work are other than the standard work day).

The Home will outline to nurses hired to fill such temporary vacancies, the circumstances giving rise to the vacancy and the special conditions relating to such employment.

- v) On confirmation by the Employment Insurance Commission of the appropriateness of the Home's Supplemental Employment Benefit (SEB) Plan, a nurse who is on parental leave as provided under this Agreement who has applied for and is in receipt of Employment Insurance parental benefits pursuant to the Employment Insurance Act, shall be paid a supplemental employment benefit. Effective February 28, 2011, that benefit will be equivalent to the difference between eighty percent (80%) of her or his regular weekly earnings and the sum of her or his weekly Employment Insurance benefits and any other earnings. Biweekly payment shall commence following completion of the one (1) week Employment Insurance waiting period, and receipt by the Employer of the nurse's Employment Insurance cheque stub as proof that the nurse is in receipt of Employment Insurance parental benefits, and shall continue while the nurse is in receipt of such benefits for a maximum period of twelve (12) weeks. The nurse's regular weekly earnings shall be determined by multiplying her or his regular hourly rate on her or his last day worked prior to the commencement of the leave times her or his normal weekly hours. The normal weekly hours for a part-time employee shall be calculated by using the same time period used for calculation of the Employment Insurance benefit.

The employee does not have any vested right except to receive payments for the covered unemployment period. The plan provides that payments in respect of guaranteed annual remuneration or in respect of deferred remuneration or severance pay benefits are not reduced or increased by payments received under the plan.

- (c) A nurse who is on approved pregnancy and/or parental leave in accordance with Article 11.05 (a) or (b) is entitled to extend such leave to a maximum of eighteen (18) months in total.

11.06 Jury and Witness Duty

If a nurse is required to serve as a juror in any court of law or is required to serve as a witness in a court proceeding in which the crown is a party, or is required by subpoena to attend a Court of Law, other than proceedings before the Ontario Labour Relations Board or Arbitration appearances on behalf of the Ontario Nurses' Association, or coroner's inquest, or is subpoenaed to appear at the College of Nurses, the nurse will receive pay for those days of her regular schedule during which she is required to be

absent, provided that such nurse promptly repays the amount (other than expenses) paid to her for such service or attendance to the Employer, and presents proof of service requiring her attendance.

A nurse shall not be required to attend work on those days, or the preceding night shift, on which she is fulfilling the above commitment.

11.07 Professional Leave

Professional leave with pay will be granted to full-time nurses who are elected to the College of Nurses to attend the regularly scheduled meetings.

11.08 Family Sick Leave

Regular full-time employees who have completed their probation will be permitted to take up to a total of five (5) days family leave per calendar year in the following circumstances, provided that the employees have accumulated such days in their sick leave banks:

- a) unpredictable family health emergencies where alternative arrangements cannot reasonably be made; and
- b) unpredictable "family care arrangement" emergencies where alternative arrangements cannot reasonably be made.

For purposes of this Article, "family member" for which such leave may be taken includes the child, parent, spouse, common-law partner or same sex partner of the employee.

Employees who have accumulated sick leave days and, therefore, who are eligible to take family leave in these circumstances, shall be paid for these days and shall have these days deducted from their sick leave banks.

These family leave days are inclusive of, and not in addition to, any emergency leave days that may be available under applicable statutes.

- 11.09 a) Family Medical Leave will be granted in accordance with the *Employment Standards Act*.

- 12.03 (a) If a full-time nurse works on a paid holiday, she shall be paid for all hours worked on the holiday at one and one-half (1½) times her regular straight time hourly rate of pay for all hours worked on such holiday subject to Article 16.03. - (a) Nurses who have completed less than one (1) year of full-time continuous service (as of the date for determining vacation entitlement) shall be entitled to a vacation on the basis of 1.25 days (9.375 hours for nurses whose regular hours of work are other than the normal daily tour) for each completed month of service with pay in the amount of 6% of gross earnings.

Equivalent years of service, calculated pursuant to the formula set out in Article 13.02 (b), shall be used to determine vacation entitlement.

Casual part-time nurses will be paid vacation pay in accordance with the above entitlement on gross earnings or on gross salary for work performed, as applicable. Equivalent years of service will be based on the casual part-time nurse's seniority established under Article 9.01 and will be calculated on the basis that 1500 hours of part-time service shall equal one (1) year of full-time service and vice-versa.

- (b) For the purpose of vacation entitlement, service for those nurses whose status is changed from part-time to full-time or vice versa, shall mean the combined service as a part-time and full-time nurse employed by the home and accumulated on a continuous basis. Full-time nurses working extended tours will receive sick pay at the rate of eleven and one quarter (11.25) hours per day and will accumulate sick time to a maximum of fifty (50) days at 11.25 hours.

14.02 A nurse who is absent from work as a result of an illness or injury sustained at work and who has been awaiting approval of a claim for Workers' Compensation for a period longer than one complete pay period

On receipt of Workers' Compensation benefits the employee shall repay the Home that which she has received from the Home and her sick leave credits will be credited back to her.

- 14.03 In the event that a nurse is prevented from performing her regular work with the Employer on account of an occupational accident associated with her employment with the Employer and this accident is recognized by the Workers' Compensation Act as compensable within the meaning of the Act, the Employer will, on request, supplement the award made by the Compensation Board for loss of wages to the nurses by such an amount that the award of the Compensation Board and the Employer supplementation will equal one hundred (100%) percent of the nurse's regular wages in effect at the time of illness or injury (exclusive of any overtime, etc.) and the nurse's sick leave credits will be reduced proportionately. When the application for compensation is made, the nurse shall advise whether or not she wishes to accept the Employer's supplementation. Any payments so made by the Employer will cease when the accumulated income protection has been claimed.
- 14.04 Employees are requested to notify the Home of their intention to return to work after illness at least twelve (12) hours prior to the start of the shift on which they plan to return.
- 14.05 Immediately after the close of each calendar year, the Employer shall review the sick leave records of each employee and verify that the accumulated sick leave is correct. The Home agrees to contribute seventy-five (75%) percent of the billed premiums towards coverage and the nurse agrees to contribute twenty-five (25%) percent. Re: Bill 124 Re-opener

WHEREAS the Board of interest arbitration chaired by Eli Gedalof issued an interest arbitration award on February 7, 2020, settling the terms of the collective agreement between Mon Sheong Home for the Aged and Mon Sheong Scarborough Long Term Care Centre and the Ontario Nurses' Association for the period April 1, 2018 to March 31, 2020;

AND WHEREAS the Board of interest arbitration chaired by Russell Goodfellow issued an interest arbitration award on August 25, 2022, settling the terms of the collective agreement between Mon Sheong Home for the Aged and Mon Sheong Scarborough Long Term Care Centre and the Ontario Nurses' Association for the period April 1, 2020 to March 31, 2022;

AND WHEREAS these collective agreements were all subject to the compensation restraint provisions of the *Protecting a Sustainable Public Sector for Future Generations Act*, 2019 (referred to as "Bill 124") which imposed a 3-year "moderation period" during which the parties and Boards of interest arbitration were required to restrict any increases to wages or total compensation to 1% per year;

AND WHEREAS the 3-year moderation period under Bill 124 between these parties was April 1, 2018 to March 31, 2021;

AND WHEREAS by decision dated November 29, 2022, Justice Koehnen of the Ontario Superior Court of Justice found that Bill 124 was contrary to s. 2(d) of the Charter, not justified under s.1 of the Charter, and declared Bill 124 to be void and of no effect (*Ontario English Catholic Teachers Assoc. et al. v. His Majesty, 2022, ONSC 6658 (the “Koehnen decision”)*);

AND WHEREAS the Koehnen decision is currently under appeal at the Ontario Court of Appeal and a decision is pending;

AND WHEREAS the Union requested the interest boards chaired by Eli Gedalof and Russell Goodfellow to reconvene to hear and determine the reopener;

AND WHEREAS the parties agreed that henceforth all matters concerning the reopener for the 3-year moderation period would be referred to the Gedalof Board instead of split between the Gedalof and Goodfellow Boards;

AND WHEREAS the parties wish to resolve the issues related to the reopener without resort to a reopener interest arbitration award;

NOW THEREFORE, the parties agree as follows on a without precedent and without prejudice basis:

1. The above recitals are true and correct and the definitions therein apply throughout this Settlement.
2. Retroactive to April 1, 2018, apply a 0.4% across the board wage increase (i.e. an additional 0.4% on top of the 1% increase provided for in the prior Gedalof award).
3. Retroactive to April 1, 2019, apply a 0.75% across the board wage increase (i.e. an additional 0.75% on top of the 1% increase provided for in the prior Gedalof award).
4. Retroactive to April 1, 2020, apply a 0.75% across the board wage increase (i.e. an additional 0.75% on top of the 1% increase provided for in the prior Goodfellow award).
5. It is understood that Appendix A will be updated as follows to reflect the rates outlined in paragraphs 2, 3 and 4:

	Effective	Effective	Effective	Effective	Effective
