The minimum amount of time off to which an employee may be limited shall be two (2) weeks. In special circumstances, an employee is entitled to request additional vacation.
 - (e) The confirmed vacation schedule shall be posted by March 29th in each year. Vacation requests shall not be unreasonably denied. employee premium pay in accordance with Article 14.03 for all regular hours worked during the cancelled vacation time.

- (f) If there are periods of time between June 15th and September 15th where the maximum quota for time off has not been utilized, additional time shall be offered to employees whose requested time off was not granted.

Any additional time shall then be granted on the basis of seniority. This shall not be considered to be exercising an employee's seniority in order to receive requested vacation time off.

- (g) For the time period between September 16th and June 14th, vacation requests shall be submitted six (6) weeks prior to the posting of the schedule in which the time off is requested. Denied requests shall be responded to, in writing, at least two (2) weeks prior to the posting of the schedule.

- G-2 The first tour of the day shall be the night tour.

- G-4 Time schedules shall be posted three (3) weeks in advance to cover at least six (6) weeks.
- G-5 For normal tours, there shall be a minimum of sixteen (16) hours off between the conclusion of work on one (1) tour and the start of the employee's next consecutive tour.

The provisions of Article G – 7 may be waived by the Hospital once between December 15th and January 15th to provide for Christmas and New Year's scheduling. The Hospital will post the schedule for the period between December 15 to January 15.

Time off at Christmas will include December 24th at 0730 hours until 0730 hours December 27th inclusive. Time off at New Year's will include December 31st at 0730 hours until 0730 hours January 2nd inclusive.

This provision will not apply to areas where employees normally work Monday to Friday and are not normally scheduled to work on paid holidays.

G-9 Employees shall be allowed to exchange tours of duty of the same number of hours in length. Such changes initiated by the employee will not result in premium pay for either employee. All changes shall be subject to the approval of the Nurse Manager and shall not be unreasonably denied.

Employees who agree to exchange tours at the request of another employee will not have this counted as an exchange request. The tours exchanged, not to go beyond the next posted schedule, will not be more than six (6) weeks apart.

G-10 (a) If the employee is to be reassigned to another area, the Hospital will endeavour to notify the employee.

- (b) If an employee is to be reassigned to work on another unit or at a different site for a partial or single tour and there is no volunteer, the employee who shall be reassigned is the most junior employee (full-time or part-time) of the employees on the unit for that tour, provided that the employee is able to do the work available.

G-11 Where possible, the Hospital agrees to accommodate employee's requests for regular night tours. However, it is understood that this does not constitute a guarantee of permanence and the Hospital may require such employees to work alternate tours.

- (c) Employees who are on-call for the weekend shall be scheduled off on an overtime lieu day on the Monday following their on-call weekend. If the weekend includes a Monday paid holiday, the scheduled overtime lieu day shall be Tuesday.

- (e) It is expected that nurses who are hired or post into a position in the surgical services area are required to take on-call. While on standby duty, nurses must commit to report to the Unit within twenty minutes maximum response time.

After five (5) months of the trial period, a meeting will be held with the unit, the Hospital and the Association to evaluate the trial period and to make recommendations to improve the schedules if needed. A further vote will then be conducted among the weekend workers. Where the nurses in the positions agree, and indicate their willingness to continue with the new master, the arrangement will continue.
