In any two (2) week period, at least two (2) consecutive days off must be scheduled. The remaining two (2) days off may be split by mutual consent.

Employee(s) will alternate time off at Christmas and New Year's from one (1) year to the next. An employee(s) will be scheduled off for five (5) consecutive days at either Christmas (to include December 24th, December 25th and December 26th) or at New Year's (to include December 31st and January 1st), except in areas where the nursing complement is not normally scheduled to work weekends and statutory holidays. The night shift will be considered the first shift of the day for this period.

- (i) When regular part-time employee(s) on the unit have been given the opportunity to work up to their commitment, the Hospital will endeavour to offer additional tours to regular part-time employee(s) on the unit on the basis of seniority, prior to offering tours to casual employee(s), subject to the following:

- 18.04 Each job-sharer may exchange shifts with her or his partner, as well as with other employee(s) as provided by the Collective Agreement.

18.05 The job-sharers involved will have the right to determine which partner works on scheduled paid holidays and job-sharers shall only be required to work the number of paid holidays that a full-time employee(s) would be required to work.

18.06 (a) Coverage

It is expected that both job-sharers will cover each other's incidental illnesses. If, because of unavoidable circumstances, one cannot cover the other, the Unit Supervisor must be notified to book coverage. Job-sharers are not required to cover for their partner in the case of prolonged or extended absences.

(b) Vacation, Maternity Leave and Other Leaves Pursuant to Article 11 of the Central Agreement

In the event that one member of the job-sharing arrangement goes on any of the above leaves of absence, the coverage will be negotiated with the Unit Supervisor, but it is hoped that the remaining member of the position would be prepared to cover the leave of absence as much as possible.

Implementation

18.07 Where the job-sharing arrangement arises out of the filling of a vacant full-time position, both job-sharing positions will be posted and selection will be based on the criteria set out in the Collective Agreement.

18.08 Any incumbent full-time employee(s) wishing to share her or his position, may do so without having her or his half of the position posted. The other half of the job-sharing position will be posted and selection will be made on the criteria set out in the Collective Agreement.

18.09 If one of the job-sharers leaves the arrangement, her or his position will be posted. If there is no successful applicant to the position, the shared position must revert to a full-time position. The remaining employee(s) will have the option of continuing the full-time position or reverting to a part-time position for which she or he is qualified. If she or he does not continue full-time, the position must be posted in accordance with the Collective Agreement.

Discontinuation

Either party may discontinue the job-sharing arrangement with ninety (90) days' notice. Upon receipt of such notice, a meeting shall be held between the parties within fifteen (15) days to discuss the discontinuation. It is understood and agreed that such discontinuation shall not be unreasonable or arbitrary.
