Step No. 1

The Union may present the grievance to the Administrator, or her/his designate, who shall render her/his decision within five (5) working days after the presentation of the grievance to her/him. The parties may, if they so desire, meet to discuss the grievance at a time and place suitable to both parties. If the decision is unsatisfactory, then the grievance may be presented in the following manner:

If no such written request is received within thirty (30) working days after the decision is given at Step No. 2, then the grievance shall be deemed to have been abandoned. The recipient of the notice shall within ten (10) days, inform the other party of the name of its appointee to the Arbitration Board. The two appointees so selected shall, within ten (10) days of the appointment of the second of them, appoint a third person who shall be Chairperson. However, the Board shall have the power to dispose of any discharge or a discipline grievance by any arrangement which in its opinion, it deems just and equitable. The decision of the majority of the members of the Board of Arbitration shall be the decision of the Board. But if there is no majority, the decision of the Chairman shall govern.
- 8.09 It is understood and agreed that the Union has carriage of all grievances throughout the grievance and arbitration procedure and not any individual or group of individuals. All agreements reached under the grievance procedures between the representatives of the Manor and the representatives of the Association will be final and binding upon the Manor and the Association and the employees.
- 8.10 No costs of any arbitration shall be awarded to or against any party.
- 8.11 The time limits referred to in both the Grievance and Arbitration Procedures may be extended by verbal consent of the parties to this Agreement, and such request shall be confirmed in writing.
- 8.12 Any time limit referred to in the Grievance and Arbitration Procedure shall be exclusive of Saturdays, Sundays and holidays observed by the Employer.

- v) Entitlement to leaves, including vacation
- vi) Discipline up to, but not including discharge
- vii) Short term layoffs
- viii) Dues issues
- ix) Any other issues agreed by the parties

the matter shall be determined by a sole arbitrator, unless the parties agree to proceed under Article 8.04. The sole arbitrator shall proceed by way of mediation-arbitration at the request of either party. When either party requests that any such matter be submitted to mediation-arbitration or to arbitration as provided above, it shall make such request in writing addressed to the other party to this Agreement and, at the same time, it shall propose the name of a sole arbitrator. Within seven (7) calendar days thereafter, the other party shall agree in writing or propose an alternate name(s). If there is no agreement within fourteen (14) calendar days, the Minister of Labour for the Province of Ontario shall have power to effect such appointment upon application thereto by the party invoking the arbitration procedure. No person may be appointed as an arbitrator who has been involved in an attempt to negotiate or settle the grievance.

Subject to Article 8.08, once appointed, the sole arbitrator shall have all powers as set out in Section 50 of the *Labour Relations Act*, including the power to mediate/arbitrate the grievance, to impose a settlement and to limit evidence and submissions.

Such grievance shall be treated as a special grievance as set out below.

The Manor agrees to provide written reasons within seven (7) calendar days to the affected employee in the case of discharge or suspension and further agrees that it will not suspend, discharge or otherwise discipline an employee who has completed her/his probationary period, without just cause.

- (f) On confirmation by the Unemployment Insurance Commission of the appropriateness of the Manor's Supplemental Unemployment Benefit (SUB) Plan, an employee who is on pregnancy leave as provided under this Agreement who has applied for and is in receipt of Unemployment Insurance pregnancy benefits pursuant to Section 22 and 23 of the Unemployment Insurance Act, shall be paid a supplemental unemployment benefit. That benefit will be equivalent to the difference between eighty-four percent (84%) of her regular weekly earnings and the sum of her weekly Unemployment Insurance benefits and any other earnings. Such payment shall commence following completion of the two week Unemployment Insurance waiting period, and receipt by the Manor of the employee's Unemployment Insurance cheque stub as proof that she is in receipt of Unemployment Insurance pregnancy benefits, and shall continue while the employee is in receipt of such benefits for a maximum period of fifteen (15) weeks. The employee's regular weekly earnings shall be determined by multiplying her regular hourly rate on her last day worked prior to the commencement of the leave times her normal weekly hours.

The employee does not have any vested right except to receive payments for the covered unemployment period. The plan provides that payments in respect of guaranteed annual remuneration or in respect of deferred remuneration or severance pay benefits are not reduced or increased by payments received under the plan.

Effective April 1, 2018, the Employer will pay the employee eight-four percent (84%) (or other amount of wages that are topped up) of their regular weekly earnings during the one (1) week period of leave while waiting to receive Employment Insurance benefits. - (c) The employee shall be reinstated to her/his former position, unless her/his former position has been discontinued, in which case she/he shall be given a comparable job.

The Manor will outline to employees hired to fill such temporary vacancies, the circumstances giving rise to the vacancy and the special conditions relating to such employment.

- (e) On confirmation by the Unemployment Insurance Commission of the appropriateness of the Manor's Supplemental Unemployment Benefit (SUB) Plan, an employee who is on parental leave as provided under this Agreement who has applied for and is in receipt of Unemployment Insurance parental benefits pursuant to Section 22 and 23 of the Unemployment Insurance Act, shall be paid a supplemental unemployment benefit. That benefit will be equivalent to the difference between eighty-four percent (84%) of her/his regular weekly earnings and the sum of her/his weekly Unemployment Insurance benefits and any other earnings. Such payment shall commence following completion of the one week Unemployment Insurance waiting period, and receipt by the Manor of the employee's Unemployment Insurance cheque stub as proof that she/he is in receipt of Unemployment Insurance parental benefits, and shall continue while the employee is in receipt of such benefits for a maximum period of ten (10) weeks. The employee's regular weekly earnings shall be determined by multiplying her/his regular hourly rate on her/his last day worked prior to the commencement of the leave times her/his normal weekly hours.

The employee does not have any vested right except to receive payments for the covered unemployment period. Effective April 1, 2018, the Employer will pay the employee eighty-four (84%) (or other amount of wages that are topped up) of their regular weekly earnings during the one (1) week period of leave while waiting to receive Employment Insurance benefits. The amount of any SUB payment (exclusive of the above payment) shall not increase or decrease

as a result of an employee's option to extend any leave under changes to existing Employment Insurance legislation.

Clarity Note: Where the employee elects to receive parental leave benefits pursuant to Section 12(3)(b)(ii) of the Employment Insurance Act, the amount of the Supplemental Unemployment Benefit payable by the Home would be no greater than what would have been payable had the employee elected to receive the parental benefit pursuant to Section 12(3)(b)(i) of the Employment Insurance Act.

ONA/LONG-TERM CARE PROFESSIONAL RESPONSIBILITY – WORKLOAD REPORT FORM - GUIDELINES AND TIPS ON ITS USE

The parties have agreed that resident care is enhanced if concerns relating to professional practice, resident acuity, fluctuating workloads and fluctuating staffing are resolved in a timely and effective manner. The collective agreement provides a problem solving process for nurses to address concerns relative to resident care. This report form provides a tool for documentation to facilitate discussion and to promote a problem-solving approach.

PRIOR TO SUBMITTING THE WORKLOAD REPORT FORM PLEASE FOLLOW THE PROBLEM SOLVING PROCESS BELOW AND AS OUTLINED IN THE COLLECTIVE AGREEMENT ARTICLE 19 FOR NURSING HOMES OR AS IDENTIFIED IN YOUR COLLECTIVE AGREEMENT.

PROBLEM SOLVING PROCESS

- 1) At the time the workload issue occurs, discuss the matter within the Unit/Floor to develop strategies to meet resident care needs using current resources. Using established lines of communication, seek immediate assistance from an individual identified by the Employer (e.g. Charge Nurse/Assistant Director of Care/Director of Care/Administrator) who has responsibility for timely resolution of workload issues.
- 2) Failing resolution of the workload at the time of the occurrence, complete the form. Some Collective Agreements require the nurse to discuss the issue with the Manager (or designate) on the next day that both the Employee and Manager (or designate) are working or within the time frame stated in the Collective Agreement, however in the absence of this language, it is recommended and a good practice to discuss the concern with your Manager.
- 3) When meeting with the manager, you may request the assistance of a Union representative to support/assist you in the meeting. Every effort will be made to resolve the workload issues at the unit level. The Bargaining Unit Representative shall be involved in any resolution discussions at the unit level. All discussions and action will be documented.
- 4) The Nursing Home Professional Responsibility Clause assumes the Nursing Leader consulted in Steps 1 & 2 would be the same person consulted in the above Step 3 and therefore the Nursing Home Step 2 is: Failing resolution, submit the Professional Responsibility Workload Report Form to the Union-Management Committee within 20 calendar days from the alleged improper assignment. The Union-Management Committee will meet within 20 days of the filing of the complaint to attempt to resolve the complaint to the satisfaction of both parties. This is Step 3 in most of the other Collective Agreements. Please check your own Collective Agreement for accurate timelines. (SEE BLANK REPORT FORM ATTACHED TO THESE GUIDELINES.)
- 5) Prior to the complaint being forwarded to the Independent Assessment Committee (IAC), the Union may forward a written report outlining the complaint and recommendations to the Director of Resident Care and/or the Administrator.
- 6) If the issue remains unresolved it shall be forwarded to an IAC as outlined in the Collective Agreement within the requisite number of days of the meeting in 3) above.
- 7) The Union and the Employer may mutually agree to extend the time limits for referral of the complaint at any stage of the complaint procedure.
- 8) Any settlement arrived at under the Professional Responsibility Clause of the Collective Agreement shall be signed by the parties.

TIPS FOR COMPLETING THE FORM

- 1) Review the form before completing it so you have an idea of what kind of information is required.
- 2) Print legibly and firmly as you are making multiple copies.
- 3) Use complete words as much as possible. Avoid abbreviations.
- 4) As much as possible, you should report only facts about which you have first-hand knowledge. If you use second-hand or hearsay information, identify the source if permission is granted.
- 5) Identify the College of Nurses of Ontario (CNO) Standards/Practice Guidelines/Long-Term Care policies and procedures you believe to be at risk. The CNO Standards can be found at www.cno.org.
- 6) Do not, under any circumstances, identify residents.
