ARTICLE 1 – PURPOSE

1.01 The purpose of this Agreement is to maintain mutually satisfactory employee relations between the Employer and the Union and to promote a prompt and orderly method of settling all differences including grievances, and for the final settlement of disputes.

It is recognized that the parties wish to work cooperatively to provide the best possible health services for patients in a cost effective manner.

1.02 The Employer shall not propose and/or enter into any agreement with an employee that pertains to any terms or conditions of employment that contravene the collective agreement. Any such agreement shall be null and void.

ARTICLE 2 – SCOPE AND RECOGNITION

2.02 All references to officers, representatives and committee members in this Agreement shall be deemed to mean officers, representatives and committee members of the Union.

2.03 Contracting Out

The Employer shall not contract out work of the bargaining unit if, as a result of such contracting out, any bargaining unit employee other than a casual part-time employee is laid off, displaced or loses hours of work or pay.

2.04 Full-Time

A regular full-time employee is someone who has a regular schedule providing seventy (70) hours of work bi-weekly.

2.05 Regular Part-Time

A regular part-time employee is someone who has a regular schedule of work providing less than seventy (70) hours bi-weekly.

2.06 Temporary Full-Time and Temporary Part-Time Employee

A temporary full-time or temporary part-time employee is one who is engaged to perform a fixed term or task on a full-time or part-time basis. Such fixed terms or tasks will be greater than three (3) months in length and will not normally exceed a twelve (12) month period, unless the parties agree otherwise in writing. These positions will be posted.

If the temporary employee is engaged for the purpose of backfilling a pregnancy/parental leave only, the length of such term may be up to a period of twenty (20) months.

If the temporary employee is engaged in a transfer out of the bargaining unit for the purpose of back filling a pregnancy/parental leave only, the length of such term may be up to a period of twenty (20) months.

Such an employee is to be treated as a regular full-time or regular part-time employee for all purposes except insurance benefits for which the employee shall be treated as regular part-time. Notwithstanding the above, where the position is filled by an existing employee, the incumbent retains her/his previous "status" while filling the temporary position.

2.07 Casual Part-Time

Casual employees will be treated as regular part-time for all other purposes under the Collective Agreement except that they will have no bumping rights and except as modified elsewhere in the Collective Agreement.

It is understood that a Casual Employee that does not submit availability for a period of six (6) months shall be deemed to have resigned.

The Employer shall deduct monthly from the pay due to each employee who is covered by this Agreement a sum equal to the monthly Union dues of each such employee. Where an employee has insufficient unencumbered earnings during the first payroll period, the deduction shall be made in the next payroll period where the employee has sufficient unencumbered earnings within that month. The Parties acknowledge that union dues are not applicable to any month during which an employee has no earnings. The Union shall notify the Employer in writing of the amount of such dues from time to time. The Employer will send to the Union its cheque for the dues so deducted in the month following the month in which the dues are deducted.

The Employer will provide the Union with: name of the organization; dues per employee including first and last name, total of all dues submitted identifying dues month; arrears or adjusted amounts; Social Insurance Numbers; hourly rate and status (full-time, regular part-time and casual part-time); terminations and effective date; leaves of absence exceeding 30 days (effective date); and, newly-hired employees with date of hire. On or before the commencement of her employment, the Employer will direct each new employee where to find an electronic copy of this collective agreement. Where an employee requests a hard copy of the collective agreement, one will be provided. The Employer will issue in advance to the representative designated by the Bargaining Unit President the names of all new hires and the time in the orientation schedule when the thirty (30) minute meeting will take place.

- 7.05 A newly hired employee shall be given a letter of acceptance and a copy of the letter of acceptance containing information pertaining to classification, the office to which the employee is assigned, social insurance number, home address, the need to provide a vehicle for employment, date of employment, salary rate and benefits if applicable shall be given to the Union. Past experience and salary rate will be sent to the Union upon receiving written consent from the new employee employed. If the employee's employment should terminate for any reason the Union will be given the date the employee's employment terminated.

ARTICLE 8 – GRIEVANCE AND ARBITRATION PROCEDURE

- 8.01 The parties to this Agreement believe that it is important to respond to complaints and grievances as quickly as possible as provided for herein. The employee or Union shall first discuss any individual complaint informally with the Manager promptly following the issue giving rise to the complaint.

- 8.02 Should any dispute arise between the Employer and an employee, or between the Employer and the Union, or between the Employer and a group of employees who have identical grievances, as to the interpretation, application, administration or alleged violation of any of the provisions of this Agreement, such dispute shall be brought to the attention of the other party as a complaint within fourteen (14) calendar days or when the employee ought to have reasonably become aware of the issue giving rise to the complaint/grievance. Grievance transmittals shall take place between the bargaining unit representative designated by the Bargaining Unit President and the position designated by the Employer. It is understood that the Union has carriage of all grievances.

Grievances shall be on the form set out in Appendix 1. The parties agree to utilize an electronic copy of this form for the submission of grievances.

- 8.03 Once a complaint is initiated, the parties shall have a period, not to exceed forty (40) calendar days, during which to hold meetings as necessary to discuss the issue and attempt to arrive at a resolution. In addition to the union representative, the Union's Labour Relations Officer is entitled to attend such meetings.

- 8.04 (a) If, after the end of such forty (40) calendar day period, the issue has not been resolved, either party may inform the other party within fourteen (14) calendar days of its written intent to forward the matter to arbitration. Such notice shall contain the name of the first party's recommended Sole Arbitrator. Where such written notice is post-marked within twelve calendar

days after the above forty (40) calendar day period, it will be deemed to have been received within the time limits. The recipient of the notice shall, within ten (10) calendar days, inform the other party of its agreement or propose an alternate Sole Arbitrator in writing. If the parties are unable to agree on an Arbitrator, the appointment of the Arbitrator shall be made by the Minister of Labour for Ontario upon the request of either party.

- (b) Notwithstanding a) above, either party can notify the other that it does not feel the grievance can be resolved directly between the parties and that it intends to refer the grievance to arbitration in which case such notice to arbitrate will not be considered premature. Notwithstanding the notice to arbitrate, should the other party request a meeting, the first party will agree to attend such meeting to be scheduled as soon as practicable.

8.05 Time limits fixed in the grievance and arbitration procedures may be extended only by written, mutual consent of the parties. Should the Employer not respond within the time(s) fixed, such failure to respond shall be deemed to be a denial of the grievance. Should a grievance not be submitted within the various time limits specified in the Agreement, unless mutually extended, it shall be considered to have been settled or abandoned, subject to the relief jurisdiction of arbitrators under Section 48 (16) of the *Labour Relations Act*. Extensions under this clause shall not be unreasonable withheld.

8.06 Once appointed the Arbitrator shall have all the powers and shall conduct the proceeding under Section 50 of the *Labour Relations Act* to mediate/arbitrate the grievance, including the power to impose a settlement in accordance with Article 8.09.

The parties agree that presentations proceeding under this dispute resolution mechanism shall include a comprehensive opening statement and thereafter, shall be short and concise as possible. The parties agree to make limited reference to authorities during such submissions.

8.07 The Arbitrator shall hear and determine the difference or allegation and shall issue a decision and the decision is final and binding upon the parties and upon any employee affected by it.

8.08 The Arbitrator shall have authority only to settle disputes under the terms of this Agreement and only to interpret and apply this Agreement. The Arbitrator may take such decision as it may, in the circumstances, deem just and equitable and may vary or set aside any action relating to the grievance in question.

8.09 The Arbitrator shall have no power to alter, add to, subtract from, modify or amend this Agreement in order to give any decision inconsistent with it.

8.10 Each of the parties shall pay its own expenses including pay for witnesses and one-half of the expenses and fees of the Arbitrator.

8.11 Any grievance which has been disposed of hereunder or settled between the Employer, the Union or the employee(s) concerned shall be final and binding upon the Employer, Union and employee(s) involved.

- 8.12 It is understood and agreed that the parties may choose to utilize a Board of Arbitration instead of a Sole Arbitrator. In such cases each party will be responsible for their own nominees' expenses.

Where the parties agree, they will exchange names of nominees within ten (10) calendar days. The two appointees so selected shall within ten (10) calendar days of the appointment of the second of them, appoint a third person who shall be the Chairperson. If the parties' nominees are unable to agree on a Chairperson, or one of the parties fails to appoint a nominee, the appointment of the chair shall be made by the Minister of Labour for Ontario upon the request of either party.

All references in Article 8 to a Sole Arbitrator shall be taken to include a Board of Arbitration.

- 8.13 At the time formal discipline is imposed or at any stage of the grievance procedure, an employee is entitled to be represented by a union representative. In the case of suspension or discharge, the Employer shall notify the employee of this right in advance. Union Representatives undertake to be reasonably available in person or by telephone for such meeting.

In cases of suspension or discharge, the Employer agrees as a matter of good labour relations practice, in most circumstances, it will also notify a local union representative.

- 8.14 The release of a probationary employee shall not be subject to the grievance procedure unless the probationary employee is released for:

- (a) reasons which are arbitrary,
- (b) exercising a right under this agreement,
- (c) discriminatory, or
- (d) bad faith.

Should the Union be successful, the employee shall be reinstated to the remainder of the probationary period.

- 8.15 Discharge Grievance

The letter of termination or suspension without pay of an employee who has completed probation will include written reasons and will be provided to the employee within seven (7) calendar days of termination or suspension without pay.

A discharge grievance is to be submitted as a written statement lodged by the employee with the Employer within fourteen (14) calendar days of the discharge and will be dealt with starting at Article 8.03 of the grievance procedure.

ARTICLE 9 – SENIORITY AND SERVICE

- 9.01 (a) Seniority for all employees unless adjusted in accordance with the collective agreement, will accrue on the basis of hours paid.

Service, unless adjusted in accordance with the collective agreement, will be based on last date of hire for all full-time employees and will accrue on the basis of hours paid for part time employees.

- (b) One year of full-time service and seniority shall be equivalent to fourteen hundred (1400) paid hours of part-time service and seniority.
- (c) Casual employees will accrue seniority and service on the same basis as regular part-time employees. - (e) Service is used to determine pay level (i.e. salary progression), sick leave credits, and vacation pay.

9.02 Seniority Conversion

It is understood that when a part-time employee's seniority and service is converted to full-time the conversion date shall not predate the employee's most recent date of hire, unless such predating had occurred prior to June 1, 2001 through an earlier conversion.

9.03 Probationary Period/Probationary Employee

A full-time employee shall be considered as a probationary employee for a period of eight hundred and twenty-five (825) hours from his/her date of hire. All other employees shall have a probationary period of eight hundred and twenty-five (825) hours or eight (8) months whichever is lesser. If retained after the probationary period, the employee shall be credited with seniority as defined in 9.01 (a). During such period he/she shall be subject to ongoing assessment which shall be reviewed regularly with the employee and may be released at any time following the second assessment without recourse to the grievance and arbitration procedure except where such access is required by statute.

9.04 Where the Employer requests an extension of the probationary period, it will provide notice to the Union at least seven (7) calendar days prior to the expiration of the initial probationary period. The Employer will advise the employee and the Union in writing of the basis of such extension with recommendations of the employee's professional development.

9.05 A seniority list of employees showing each employee's name, classification, status, seniority hours and date of hire shall be sent to the Union by January 15th and June 15th of each year. The list shall reflect the seniority accrued as of the last pay period of November and the last pay period of April of each year. The list shall be settled by the Employer and the Union sixty (60) days after posting.

The Employer shall provide the Union with an up to date seniority list immediately prior to any layoff.

Seniority on such lists will be expressed in terms of seniority hours as defined in 9.01. The seniority list will be divided into full-time, regular part-time and casual status.

9.06

- (b) If the leave of absence exceeds thirty (30) consecutive calendar days, benefit coverage may be continued by the employee, with the exception of LTD, provided that he/she pays the total cost of the premiums to the Employer for each monthly period in excess of the thirty (30) consecutive calendar days to a maximum of 18 months except as modified by (a), subject to approval of the benefit carrier.
- (c) Benefits will accrue from the date of return to employment following such leave of absence.
- (d) The employee's anniversary for salary increases shall be adjusted by the period of time in excess of the thirty (30) continuous calendar days, and the anniversary date shall prevail thereafter.
- (e) Seniority, service, vacation credits or any other benefits under any provision of the Collective Agreement or elsewhere will not accumulate, but will remain fixed at the amount held at the commencement of the application of the leave.
- (f) Notwithstanding the above, the Employer shall continue to pay its share of the premium for the Group Insurance Benefit plans for employees who are on paid leave of absence or Workplace Safety & Insurance Board (WSIB) benefits and will continue to pay its share of the premium for the Group Insurance benefit plans in accordance with the Employment Standards Act. It is understood that the obligation of the Employer to pay its share of the health and welfare benefits while an employee is on WSIB benefits shall continue only so long as the employment relationship continues, or twenty-four months, whichever occurs first unless prohibited by legislation.

In cases of absences for pregnancy, parental and care leave under the Employment Standards Act, seniority and service shall accrue for the duration of the leave and the Employer will maintain its share of the insured benefit premiums provided the employee issues a cheque to the Employer covering her portion of the premiums each month in advance.

Transfer Outside the Bargaining Unit

- (a) An employee, who is transferred to a position outside of the bargaining unit for a period of not more than thirteen (13) months shall, subject to (c) below, retain, but not accumulate her seniority held at the time of transfer. In the event the employee is returned to a position in the bargaining unit, she/he shall be credited with seniority held at the time of transfer and resume accumulation from date of her/his return to the bargaining unit.

If an employee is transferred to a position outside of the bargaining unit for the purpose of back filling a pregnancy/parental leave only, the length of such term may be up to a period of twenty (20) months.

An employee must remain in the bargaining unit for a period of at least three (3) months, unless agreed otherwise by the parties, before transferring out of the bargaining unit again or she or he will lose all seniority held at the time of the subsequent transfer.

- (b) In the event that an employee is transferred to a position outside of the bargaining unit for a period in excess of thirteen (13) months, she will lose all seniority held at the time of transfer. In the event the employee is returned to a position in the bargaining unit, the employee's seniority will accrue from the date of her/his return to the bargaining unit.

- (c) It is understood and agreed that the periods of time referred to above may be extended by written agreement of the parties which would include a defined period of time.
- (d) The Employer will notify the Bargaining Unit President in writing of any bargaining unit member who accepts a temporary transfer out of the bargaining unit. Such notification will include the defined period of time.

ARTICLE 10 – JOB POSTING

10.01 Job Posting

- (a) The Employer agrees to post notice of all permanent vacancies or new positions established within the Bargaining Unit for a period of seven (7) calendar days in advance of the appointment; such posting will be provided electronically.

Employees wishing to be considered for such positions, or vacancies, shall make written application within the seven (7) day posting period. Where a position is posted, the posting shall include the following information: Full-Time or Part-Time Status; Position Title; Geographic Area (Muskoka/Orillia, Midland/Collingwood, Barrie), Office Location; Initial Hours of Work; Initial Assignment, and the name/title of the person to whom application is to be made. The name of the successful applicant will be posted. Subsequent vacancies created by filling of a posted vacancy are to be posted for seven (7) calendar days.

- (b) An employee may make a written request for transfer by advising the Employer and filing a Request for Transfer form indicating her name, position, qualifications, experience, present geographic area of assignment and requested position and/or geographic area of assignment. A Request for Transfer of Assignment shall become active as of the date it is received by the Employer and shall remain so until December 31st following. Such requests will be considered as applications for posted vacancies and subsequent vacancies created by the filling of a posted vacancy.

At the request of the employee, the Employer will discuss with unsuccessful applicants' ways in which they can improve their qualifications for future postings.

10.02 An employee will not be transferred permanently to another position or geographic area except by mutual consent. In order to address operational demands, the Employer may temporarily reassign an employee to a different geographic area for a period not to exceed three (3) months, unless extended by mutual agreement. This clause will not be applied in an arbitrary or unreasonable manner.

10.03 The Employer shall have the right to fill the vacancy or new position on a temporary basis until the posting procedure has been completed and arrangements have been made to permit the successful applicant to be assigned to the job concerned.

Vacancies which are not expected to exceed sixty (60) calendar days and vacancies caused due to illness, accident, leaves of absence may be filled at the discretion of the Employer.

In filling such vacancies, consideration shall be given to employees in the bargaining unit on the basis of seniority who are qualified to perform the work in question and who have indicated their interest through the Request for Transfer process.

If the temporary vacancy is not filled by a regular part-time employee, consideration will be given to casual part-time employees in the bargaining unit on the basis of seniority who are qualified to perform the work in question, prior to utilizing non-bargaining unit employees.

The Employer will notify the Bargaining Unit President on a monthly basis in writing of any bargaining unit member who accepts a temporary vacancy. Such notification will include the defined period of time.

It is understood, however, that where such vacancies occur on short notice, failure to offer part-time employees such work shall not result in any claim for pay for time not worked while proper arrangements are made to fill the vacancy.

Where part-time employees fill temporary full-time vacancies, such employees shall be considered regular part-time.

Upon completion of the temporary vacancy, such employee shall be reinstated to her former position unless the position has been discontinued, in which case she shall be given a comparable job.

10.04 Where the skill, ability, experience and qualifications are relatively equal between two (2) or more employees, seniority shall be the deciding factor when decisions are made with regard to postings or transfers within the Bargaining Unit.

10.05 Employees on staff shall not be terminated by the Employer for failing to obtain a university degree.

Employees without a degree may be allowed to transfer from full-time to part-time and vice-versa, and a degree alone shall not be sufficient reason to deny a request to transfer.

It is understood that if the Employer posts a position requiring a degree as a basic requirement, full-time and part-time Employees currently on staff shall not be denied the right to apply and her/his application will receive reasonable consideration.

10.06 Incumbents applying for a posted vacancy within six (6) months from the date they commenced work in their present assignment need not be considered for such position, at the Employer's option.

10.07 When an employee accepts a temporary position she/he shall not be considered for another temporary assignment if accepting such an assignment will require the employee to leave her/his current assignment before the end of the fixed term or task.

ARTICLE 11 – LAYOFF AND RECALL

11.01 A long-term layoff shall be defined as a reduction in the hours of work of a regular full-time employee or a regular part-time employee, lasting longer than thirteen (13) weeks. Should such a reduction seem necessary, the Employer will meet with the Union to discuss the circumstances giving rise to the layoff and to consider suggestions aimed toward minimizing the negative effects of such layoff.

In the event of a proposed layoff of a permanent or long-term nature within the bargaining unit, the Employer shall:

- i) provide the Union with no less than three (3) months written notice of the proposed layoff or elimination of position; and
- ii) provide to the affected employee(s), if any, no less than two (2) months written notice of layoff, or pay in lieu thereof.

Employees shall be laid off in reverse order of their seniority providing those who remain are qualified, and able to perform the available work satisfactorily after a familiarization period of five (5) working days.

Similarly, employees shall be recalled from layoff in order of their seniority providing they are qualified, and able to perform the available work satisfactorily after a familiarization period of five (5) working days.

No new employee will be hired while qualified employees, who are capable of doing the work after a five (5) day familiarization period, are laid off.

A layoff of employees shall be made on the basis of seniority initially within the classification, status (full-time or part-time) and geographic area. It is understood and agreed that prior to the laying off of any employees, probationary employees in the classification, and geographic area where the layoff is going to occur will be laid off first.

An employee who has been notified of a long-term layoff may:

- (a) accept the layoff; or
- (b) opt to retire if eligible under the terms of the Employer's pension plan; or
- (c) elect to transfer to a vacant position provided that she or he is qualified to perform the available work; or
- (d) displace another employee in any classification who has lesser bargaining unit seniority and who is the least senior employee of the same status in whose work the employee subject to layoff is qualified to perform after a five (5) day familiarization period.
- (e) No reduction in the hours of work shall take place to prevent or reduce the impact of a layoff without the consent of the Union.

Where there are vacant positions available under Article 10, but the employee is not qualified to perform the available work, and if such employee is not able to displace another employee under Article 11.01(d) and such layoff is expected to last longer than twelve (12) months, the employee will be provided with the necessary training of up to eight (8) weeks to enable the employee to become qualified for one of the vacant positions. In determining the position for which training will be provided the Employer shall take into account the employee's stated preference.

In this Article, a "vacant position" shall mean a position for which the posting process has been completed and no successful applicant has been appointed.

Employees will inform the Employer in writing of their decision to bump or accept the layoff within three (3) business days of the receipt by the employee of his/her notice of layoff.

Severance pay, where applicable, will be paid in accordance with the *Employment Standards Act*. Acceptance of such payment shall be considered a severance of the employment relationship.

An employee, upon long-term layoff, and at the employee's expense, may continue benefit coverage (except for short and long-term sickness and long-term disability), for a period of nine (9) months following the layoff by arranging to pay the full premiums, in advance, on a monthly basis.

Employees on layoff are eligible, in order of seniority, for "temporary" recalls of more than three (3) months and not longer than twelve (12) months and shall advise the Employer in writing as to whether they are interested in such recalls. Employees recalled for twelve (12) months or less shall not be entitled to further notice of layoff nor bumping rights. Furthermore, the time used to determine the employee's entitlement for continuing in the benefits program, for recall, and for other purposes under the layoff or seniority clauses shall be frozen during the period of temporary recall, and shall begin to accumulate again when the temporary recall ends. Employees who have elected to maintain benefits while on layoff shall have these same eligible benefits paid by the Employer during the period of temporary recall. Otherwise employees temporarily recalled have all the rights of other recalled employees.

Any temporary vacancies that arise will be first offered to employees on layoff. Acceptance of a temporary assignment by a laid off employee does not constitute a recall to work, and after the completion of the assignment, the employee continues to be laid off according to Article 11.

Regular full-time and regular part-time employees on layoff may elect to have access to shifts that would otherwise be offered on a casual basis. Such employees will inform the Employer of their selection within three (3) working days of notice of layoff and submit their availability in accordance with Article 17.04 (d).

Those employees that elect to take shifts will be offered shifts before casual staff. The refusal of casual shifts would not affect their status as a laid off employee. The time used to determine the employee's entitlement for continuing in the benefits program, for recall, and for other purposes under the layoff or seniority clauses would be unaffected during the periods of time worked.

Recall to a regular part-time or regular full-time position shall be in order of seniority

within the relevant status. An employee will respond to a registered notice of recall within seven (7) calendar days of receipt of same and shall be available for work within an additional fourteen (14) calendar days unless otherwise agreed.

Laid off employees are entitled to apply for posted vacancies.

11.02 Where an employee has received individual notice of long term layoff and is unable to fill a vacant position or displace another employee and would otherwise be placed on recall, such employee may resign and receive a separation allowance as follows:

Where an employee resigns effective within thirty (30) days after receiving individual notice of long term layoff, she or he shall be entitled to a separation allowance of two (2) weeks' salary for each year of continuous service to a maximum twelve (12) weeks' pay.

11.03 For layoffs other than long term layoffs, the Employer and Union will meet and discuss the layoffs at the earliest opportunity.

ARTICLE 12 – EMPLOYEE FILES

12.01 Any letter of reprimand or suspension will be removed from the record of an employee eighteen (18) months following the receipt of such letter or suspension provided that such employee's record has been discipline free for such eighteen (18) month period.

12.02 A copy of the Performance Appraisal Review which is to be placed in an employee's file shall be first reviewed with the employee. The employee shall initial such evaluation as having been read and shall have the opportunity to add her or his views to such evaluation prior to it being placed in her or his file. It is understood that such evaluations do not constitute disciplinary action by the Employer against the employee. A copy of the evaluation will be provided to the employee at her or his request.

12.03 Each employee shall have reasonable access to all her or his files for the purpose of reviewing their contents in the presence of a representative from Human Resources. A request by an employee for a copy of documents in her/his file will not be unreasonably denied.

12.04 Documents placed in an employee's file will be brought to her or his attention in a timely manner.

12.05 An employee may request a letter of reference in accordance with current practice.

12.06 Leaves of absence in excess of thirty (30) continuous calendar days will not count towards the time periods noted above.

Such request is to be made fourteen (14) calendar days in advance, where practicable, in writing by the Union. Such leave will not be unreasonably denied. Where it is normal practice, the Employer will endeavour to replace any employee who is on leave for Union business by another employee covered by the Collective Agreement. The employee agrees to notify the Employer of her or his intention to return to work at least ten (10) weeks prior to the date of such return. Care Leave

Employees will be granted up to twenty-eight (28) hours leave in each calendar year for the purpose of providing or arranging for unexpected care for the employee's spouse, dependent or parent(s), or to accompany them to obtain unexpected medical care.

Fifty percent (50%) of the leave granted under this clause (up to 14 hours) shall be provided by the Employer as paid leave. The remaining fifty percent (50%) (up to 14 hours) will be contributed by the employee from the employee's accrued leave entitlements (if any). If the employee has no accrued leave entitlement the employee will take her portion of the leave as unpaid leave.

In each case where leave is granted, fifty percent (50%) of the leave will be paid for by the Employer (to a maximum of 14 hours) and fifty percent (50%) by the employee, as per the preceding paragraph.

Care leave will include all purposes under Section 50(1) paragraph 2 & 3 of the Employment Standards Act, 2000. Employees accrue seniority and service while on such leave.

To clarify, this article, and other clauses in the current agreement that provide for paid or unpaid leaves for purposes under the new ESA provisions, will be deemed to offset the requirement for the Employer to provide for ten days of unpaid leave to the extent that the Care Leave clause, and other leave clauses are accessed during the course of a year.

If the Employer requires the employee to obtain a medical certificate, the Employer shall pay the full cost of obtaining the certificate.

20.11 Early and Safe Return to Work

The Employer and the Union are committed to a consistent, fair, approach to meeting the needs of injured employees or employees recovering from an illness, to restoring them to work which is meaningful for them and valuable to the Employer and to meeting the parties' responsibilities under the law.

The Employer and the Union agree to co-operate in facilitating the return to work of returning employees.

- (a) An employee requiring accommodation who is ready to return to work will provide medical verification satisfactory to the Employer of their ability to return to work, including specific information regarding any restrictions. This will form the basis of any return to work plan.
- (b) An ad-hoc Return to Work Committee will be established when required to develop a return to work plan. Such committee will normally be comprised of the employee, a Union representative and the employee's Manager.
- (c) When a returning employee is in need of modified work the Employer will advise the Union, and the parties shall decide whether a meeting of an ad-hoc Return to Work Committee is necessary. It is acknowledged that not all requests for modified work shall necessitate meeting(s) of a Committee. When required, the Committee will meet as soon as practicable to make recommendations regarding a return to work plan.
- (d) The Employer and the Union will monitor, with the employee, progress and duties as required until the employee is able to resume their regular duties or a decision is made that permanent changes are required. A medical certificate satisfactory to the Employer will be required in either case.

- (f) Any return to work plan developed in accordance with the above will be in writing containing the details of the accommodation.

ARTICLE 21 – JOB SHARING

21.01 Job Sharing

- (a) Job sharing requests shall be considered on an individual basis and shall be initiated through a written application by a full-time employee who wishes to share his/her position.

The Employer will provide the Union with a written copy of the names of employees who have been approved to job share and the commencement date of the job sharing agreement.

- (b) Applications shall be in writing to the appropriate Manager.
- (c) The Employer may limit the total number of job sharing positions. The Employer shall meet with the Union and consider any recommendation it makes for additional job sharing positions. If there are more full-time employees interested in job sharing than can fill the number of job sharing positions determined by the Employer to be appropriate, seniority shall determine which full-time employees fill the position providing the senior employees can meet the Employer's staffing requirements.
- (d) Upon the termination of the job sharing arrangement, subject to 21.01(i) below, the position will revert back to a full-time position. The job sharer whose position was originally modified to suit the job sharing arrangement will stay in the position when it reverts back to a full-time position. The other job sharer will revert to their previous status.
- (e) If both applicants to a job share are full-time, the job share position need not be posted. The resulting full-time position shall be posted in accordance with the Collective Agreement.
- (f) If a job share partner is not identified at the time the job share application is made, the other portion of the job share position shall be posted and filled in accordance with the Collective Agreement.
- (g) If one of the job sharers leaves his/her position, and both the remaining job sharer and the Employer wish to continue with the job sharing arrangement, the vacated portion of the job share will be posted and filled in accordance with the Collective Agreement.
- (h) Where there is no successful applicant to a vacant portion of a job share position, the position shall revert to its full-time status. If the job sharer who remains was not the job sharer whose position was originally modified to

suit the job sharing arrangement, or was not a full-time employee immediately prior to entering the job share arrangement, the full-time position will be posted.

- (i) The Employer and the employees involved retain the right to assess the job sharing arrangement on an ongoing basis. For greater certainty, notwithstanding the fact that the review process is ongoing, formal reviews of the job share position will be made at three (3) months, six (6) months, and twelve (12) months, and on an annual basis thereafter. The employees involved retain the right to return to their previous permanent full-time equivalent (FTE) position until the six (6) month assessment is completed.
- (j) Either party may discontinue the job sharing process with sixty (60) days written notice. The Employer may exercise this right only after the completion of the first two reviews required under the previous paragraph. Upon receipt of such notice a meeting will be held between the Employer and the Union to discuss the discontinuation. It is understood that such discontinuation will not be unreasonable or arbitrary. It is further understood that it is not unreasonable to discontinue job sharing if its costs are greater than the costs for a Regular Full-Time position and those excess costs are not outweighed by the benefits of job sharing to the Employer.
- (k) Each job sharer shall be treated as a regular part-time employee for all purposes under the Collective Agreement except as otherwise expressly provided:
 - i) Work one half ($\frac{1}{2}$) of the total number of hours of the full-time position, or such other amount as may be agreed by all the parties, with the actual schedule of work to be determined by the employees involved, subject to approval by the appropriate Manager. However, in all instances, shall be paid percent in lieu.
 - ii) Ensure both employees of the job share team are fully informed in respect of each other's work, and those LHIN communications that are not generally distributed but rather are only issued to attendees at individual meetings.
 - iii) As a general rule, job sharers must be prepared to cover each other's incidental illnesses. However, where one job sharer cannot, due to circumstances beyond his/her control, cover the other's shift, she/he must notify their immediate supervisor or manager, and the Employer will attempt to provide the necessary coverage.
 - iv) In the event of one job sharer taking a leave of absence, the other job sharer must be prepared to cover the absent partner's shifts for a maximum of three (3) months. However, where the covering employee can demonstrate special circumstances which prevent her/him from covering the leave of absence, the Employer will attempt to provide the necessary coverage.
 - v) A job sharer's hours of work resulting from vacation will be the responsibility of the job sharing partner for no less than the coverage standard of the program/department.

ARTICLE 22 – MISCELLANEOUS

22.01 The Employer shall ensure that an electronic copy of the current collective agreement is available for all ONA members, accessible through the Employer's intranet. Individual print copies of the collective agreement will be provided by the Employer, upon request from an employee.

22.02 Proof of Employment – Financial Disclosure

Upon request, the Employer will provide the employee, within fourteen (14) days, with a letter detailing her or his employment dates, length of service and position occupied with the Employer.

Proof of Employment – Recent Related Experience Disclosure

Upon request, the Employer will provide the employee, within thirty (30) calendar days, with a letter detailing her or his employment dates, length of service and position occupied with the Employer. In the case of part-time employees such experience shall be expressed as hours worked, if available.

22.03 Should an employee, who is a Health Professional under the *Regulated Health Professions Act*, be required to provide her or his Regulatory College with proof of the Employer's liability insurance, the Employer, upon request from the employee, will provide the employee with a letter outlining the LHIN liability coverage for Health Professionals in the employ of the LHIN.

It is understood and agreed that the provision of the above noted letter in no way obligates the Employer to amend, alter or augment existing insurance coverage or to obtain or maintain insurance coverage beyond what is required by applicable legislation or regulation.

22.04 College Registration

If a Regulated Health Professional or Registered Social Worker is advised or notified that he/she is not a member in good standing with her College for any reason, including non-payment of the annual fee, the employee will notify the Employer immediately and will be placed on non-disciplinary suspension without pay. If the employee presents evidence that her or his Registration has been reinstated, he/she shall be reinstated to her or his position effective upon presenting such evidence. Failure to provide evidence within ninety (90) calendar days of the employee being placed on non-disciplinary suspension by the Employer will result in the employee being deemed to be no longer qualified and the employee shall be terminated with cause from the employ of the Employer unless there are extenuating circumstances beyond the control of the employee. Such termination shall not be the subject of a grievance or arbitration subject to the provisions of the *Ontario Human Rights Code*.

22.05 All employees shall present their College's Proof of Registration or proof of payment of same to Human Resources by February 15th of each year. In instances where an employee presented proof of payment, the employee must still present his/her College's Proof of Registration, when received, to Human Resources. For members of the College of Nurses of Ontario (CNO), the Employer will electronically validate Membership Renewal directly with the CNO and no proof of payment is required by those employees. Should the College change its

practice of electronic validation, members of the CNO may be required to provide proof of payment to the Employer.

22.06 Flu Vaccine

The parties agree that influenza vaccinations may be beneficial for patients and employees. Upon a recommendation pertaining to a facility to which our employees attend, or a specifically designated area(s) thereof, or to specific staff, from the Medical Officer of Health, or in compliance with applicable Provincial Legislation, the following rules will apply:

- (a) Employees shall, subject to the following, be required to be vaccinated for influenza.
- (b) If the full cost of such medication is not covered by some other source, the Employer will pay the full or incremental cost for the vaccine and will endeavour to offer vaccinations during an employee's working hours. In addition, employees will be provided with information, including risks and side effects, regarding the vaccine.
- (c) The Employer recognizes that employees have the right to refuse any required vaccination.
- (d) If an employee refuses to take the vaccine required under this provision, she or he may be placed on an unpaid leave of absence during any influenza outbreak that affects the workplace of the employee until such time as the employee is cleared to return to work. If an employee is placed on unpaid leave, she or he can use banked lieu time or vacation credits in order to keep his/her or his pay whole.
- (e) If an employee refuses to take the vaccine because it is medically contraindicated, and where a medical certificate is provided to this effect, she or he will be reassigned during the outbreak period.
- (f) If an employee becomes ill as a result of the vaccination, and applies for WSIB, the Employer will not unreasonably oppose the claim.
- (g) Notwithstanding the above, the Employer may offer the vaccine on a voluntary basis to employees free of charge.

ARTICLE 23 – PROFESSIONAL RESPONSIBILITY

23.01 The parties agree that patient care is enhanced if concerns relating to professional practice are resolved in a timely and effective manner. When meeting with the Manager, the employee(s) may request the assistance of a Union representative to support/assist her/him at the meeting.

23.02 The following principles shall govern the resolution of issues:

- (a) The parties will utilize a problem-solving process focusing on collaborative solutions at the earliest possible opportunity.

- (b) Circumstances arising more than six (6) months prior to the issue being raised with the employee's supervisor shall not be considered unless a pattern has been established.
- (c) It is understood that professional practice/workload issues do not constitute a difference between the parties as to the interpretation, application, administration or alleged violation of the provisions of the Collective Agreement and, accordingly, are not subject to Article 8 (Grievance and Arbitration Procedure).

23.03 The following process shall be followed:

- (a) In the event that a professional practice or workload issue arises that affects an individual employee or a group of employees, such that there is cause to believe that they are being asked to perform work of a quality, or in a manner, that is inconsistent with applicable professional standards, the employee(s) shall discuss the issue with their Manager or designate within five (5) working days of the issue arising. If the issue remains unresolved, the employee(s) shall within five (5) work days document their professional practice issue in writing (using the form set out in Appendix 2) and forward it to their Manager.
- (b) Within ten (10) work days of receiving a form, a meeting to discuss the professional practice issue shall be held with the employee(s), a Union representative, the Manager, and the Vice President, Patient Services and/or designates. Within five (5) work days of the meeting, a written response shall be provided to the employee(s) with a copy of the response provided to the Bargaining Unit President. The parties may mutually agree to proceed directly to (c) below.
- (c) Failing resolution in (b) above and within five (5) work days of the written response or no response in (b) above being provided to the employee, the Union shall forward the Form to the Union-Management Committee. This issue will be discussed at a meeting of the Union-Management Committee or at such other meeting that the Co-Chairs may mutually agree to convene at a later date to discuss the issue(s). The parties shall consider and attempt to resolve the professional practice issue to the satisfaction of both parties.
- (d) At any time during this process, the parties may agree to the use of a mediator to assist in the resolution of the issues arising out of this provision.
- (e) Timelines outlined in the above article can be extended by mutual agreement of the parties.

ARTICLE 24 – TRANSPORTATION ALLOWANCE

24.01 All employees governed by this Collective Agreement are required to use their personal vehicle for Employer business. The Employer agrees to reimburse the employee for the use of his/her car at the rate of \$0.51 per approved km. driven.

ARTICLE 25 – SALARIES AND CLASSIFICATION

- 25.01 Salaries and professional classifications are set forth in Appendix A and remain in effect for the duration of this Agreement.
- 25.02 When an employee is promoted to a higher classification, he/she will be placed in the salary step of the new classification which is the next one greater than his/her former salary.
- 25.03 Effective upon ratification, employees with previous regulated health care experience in the health care sector, provided that there has been a time lapse of not more than five (5) years in employment, will be recognized on the basis of one (1) increment for each full year of such experience to the maximum of the salary grid.
- 25.04 When a new classification in the bargaining unit is established by the Employer or the Employer makes a substantial change in the job content of an existing classification which in reality causes such classification to become a new classification, the Employer shall advise the Union of such new or changed classification and the rate of pay established. If requested, the Employer agrees to meet with the Union to permit it to make representations with respect to the appropriate rate of pay providing any such meeting shall not delay the implementation of the new classification. Where the Union challenges the rate established by the Employer and the matter is not resolved following any meeting with the Union, a grievance may be filed within seven (7) calendar days following any meeting. If the matter is not resolved in the Grievance Procedure, it may be referred to Arbitration, it being understood that an Arbitrator shall be limited to establishing an appropriate rate based on the relationship existing amongst other classifications within the bargaining unit and responsibilities involved.

Any change in the rate established by the Employer either through meetings with the Union or by an Arbitrator shall be made retroactive to the time at which the new or changed classification was first filled.

ARTICLE 26 – DURATION AND RETROACTIVITY

- 26.01 This Agreement shall continue in effect until March 31, 2022 and shall remain in effect from year to year thereafter unless either party gives the other party written notice of termination or desire to amend the agreement.
- 26.02 Notice that amendments are required or that either party desires to terminate this agreement may only be given within a period of ninety (90) days prior to the expiration date of this agreement or to any anniversary of such expiration date.
