When it has been medically determined that an employee is unable to return to the full duties of her position due to a disability, the Employer will meet with the affected

employee and their Union Representative to discuss the circumstances surrounding the employee's return to suitable modified and/or accommodated work and to create a return to work plan unless such plan results in "undue hardship" to the Employer.

ARTICLE 11 – GRIEVANCE PROCEDURE AND ARBITRATION

11.01 For purposes of this Agreement a grievance is defined as a difference arising between the parties relating to the interpretation, application, administration or alleged violation of the Agreement including any question as to whether a matter is arbitrable.

11.02 A nurse shall have the right to be represented by a representative of the Union at any meeting with the Employer at which discipline or termination (including resignations) may be discussed, or any time formal discipline or termination is imposed or at any stage of the Grievance Procedure, including the complaint stage. Reasonable notice of the meeting, the subject matter of the meeting and the right to be represented by a representative of the Union must be provided to the nurse by the Employer.

11.03 Complaint Stage

A grievance of a nurse shall not be considered unless the aggrieved nurse has first given an opportunity to her immediate supervisor to adjust the problem. Failing satisfactory resolve, the matter may then be processed as a grievance in the following manner:

Step No. 1

A nurse(s) or the Union on her/their behalf or in its own stead may present a grievance in writing to the Director of Care. Such grievance must be presented within ten (10) days of the date of its occurrence or when it should have come to the attention of the aggrieved nurse or the Union.

The Director of Care shall render a decision in writing within ten (10) days following the day on which the grievance was submitted. If this decision is unsatisfactory to the nurse(s) or the Union, Step No. 2 may be followed within five (5) days.

Step No. 2

The grievance in writing shall be referred to the Administrator or his designate who shall call a meeting of the Grievance Committee at the request of either party within seven (7) days of the filing of the grievance. Within three (3) days following the meeting or within five (5) days following submission to the Administrator if no such meeting is held, the Administrator shall reply in writing to the nurse(s) and the Chairman of the Grievance Committee. If the decision is unsatisfactory to the nurse(s) or the Union, it may be referred to arbitration within fifteen (15) calendar days.

11.04 If the Union or the Employer so wishes, they may present any grievance in writing in the form of a policy grievance at Step No. 2 of the Grievance Procedure.

11.05 The release of a probationary nurse for reasons based on performance and ability to do the job, including skills, suitability and availability shall not be subject to the Grievance Procedure unless the probationary nurse is released for:

- (a) Reasons which are arbitrary, discriminatory or in bad faith.
- (b) Exercising a right under this Agreement.

The Employer agrees to provide written reasons for the release of a probationary nurse within seven (7) days of such release.

A claim by a probationary nurse that she or he has been unjustly released shall be treated as a grievance, provided the nurse is entitled to grieve, if a written statement of such grievance is lodged by the nurse with the Employer at Step No. 2 within seven (7) days after the date the release is effected. Such grievance shall be treated as a special grievance as set out below.

11.06 Notwithstanding any other provision in this Article, should the Employer discharge or suspend a nurse(s), notification by the Employer to such nurse shall be made in writing and will provide written reasons for such action. Should the nurse(s) or the Union wish to file a grievance against the discharge or suspension, it shall be reduced to writing and filed within seven (7) days of delivery of the notice under Step No. 2 of the Grievance Procedure.

11.07 Where a difference arises between the parties relating to the interpretation, application or administration of this Agreement, including any question as to whether a matter is arbitrable, or where an allegation is made that this Agreement has been violated, either of the parties may, after exhausting the Grievance Procedure established by this Agreement, notify the other party in writing of its desire to submit the difference or allegation to arbitration, and the notice shall contain the name of the first party's appointee to an Arbitration Board. The recipient of the notice shall, within ten (10) calendar days, inform the other party of the name of its appointee to the Arbitration Board. The two (2) appointees so selected shall, within ten (10) calendar days of the appointment of the second of them, appoint a third person who shall be the Chairman. If the recipient of the notice fails to appoint an Arbitrator, or if the two (2) appointees fail to agree upon a Chairman within the time limit, the appointment shall be made by the Minister of Labour for Ontario upon the request of either party. The Arbitration Board shall hear and determine the difference or allegation and shall issue a decision and the decision is final and binding upon the parties and upon any employee affected by it. The decision of the majority shall be the decision of the Arbitration Board, but if there is no majority, the decision of the Chairman shall govern.

11.08 Each party shall pay the costs and expenses of its appointee and the costs and expenses of the Chairman shall be borne equally by the parties. Arbitration hearings shall be held in Kenora or at such other place as may be agreed upon by the Union and the Employer.

11.09 The Arbitration Board may make such decision as in the circumstances it deems just and equitable and may vary or set aside any penalty or discipline imposed and shall have full jurisdiction to settle all matters relating to or arising out of the Collective Agreement.

- 11.10 Any time limit referred to in the Grievance Procedure shall be exclusive of Saturdays, Sundays and holidays observed by the Employer.
- 11.11 The time limits fixed in both the Grievance and Arbitration Procedures may be extended by the consent in writing by the Administrator or his designate and the representative of the Ontario Nurses' Association.
- 11.12 All agreements reached under the Grievance Procedure between the representatives of the Employer and the representatives of the Union will be final and binding upon the Employer and the Union and the nurses.
- 11.13 No person may be appointed as an Arbitrator who has been involved in an attempt to negotiate or settle the grievance.
- 11.14 Wherever the Arbitration Board is referred to in the Agreement, the parties may mutually agree in writing to substitute a single Arbitrator for the Arbitration Board at the time of reference to arbitration and the other provisions referring to the Arbitration Board shall appropriately apply.

 - (ii) such nurse has requested weekend work; or
 - (iii) such weekend is worked as a result of an exchange of shifts with another nurse.

If requested, the Employer agrees to meet with the Union to permit it to make representations with respect to the appropriate rate of pay providing any such meeting shall not delay the implementation of the new classification. Where the Union challenges the rate established by the Employer and the matter is not resolved following any meeting with the Union, a grievance may be filed at Step No. 2 of the Grievance Procedure within seven (7) days following any meeting. Any change in the rate established by the Employer either through meetings with the Union or by a Board of Arbitration shall be made retroactive to the time at which the new or changed classification was first filed.
