 - (c) Discussions will include but not be restricted to seniority and service.

ARTICLE O – JOB SHARING

- O.01 If the Hospital agrees to a job sharing arrangement pursuant to Article 20.01 of the Central Agreement, the following conditions shall apply unless otherwise agreed to by the parties:
- O.02 The employees involved in job sharing are entitled to all the terms of the part time Collective Agreement except those which are modified as follows:
 - (a) Schedules will conform with Articles F and G of the Collective Agreement which set out scheduling.

- (b) Total hours worked by the job sharers shall equal one (1) full time position. Job sharers will have the option of determining between themselves which partner will work on a scheduled tour, however, all scheduled tours must be covered.
- (c) Employees will be granted at least five (5) consecutive days off over either Christmas or New Years. When one or both job sharers work over Christmas neither can be required to work over New Years and vice versa unless mutually agreed otherwise. Should employees be assigned to work either Christmas or New Years, they will be expected to work on at least five (5) consecutive days, if required for normal tours, and at least three (3) consecutive days for extended tours, if required. Where both job sharers request to work Christmas or New Year's or request to have either off and a conflict exists, then seniority shall be the deciding factor.
- (d) Paid Holidays
- Job sharers will not be required to work, in total, more paid holidays than would one (1) full time employee, unless mutually agreed otherwise.
- (e) Each job share may exchange shifts with her or his partner as well as other employees as provided by the Collective Agreement.
- (f) Coverage
- i) It is expected that both job sharers will cover each other's incidental illnesses and vacation. If, because of unavoidable circumstances, one cannot cover the other, the Staff Scheduling Office must be notified to book coverage. Job sharers are not required to cover for their partner in the case of prolonged or extended absences. Job sharers shall be offered additional unscheduled tours only if they have made their availability known.
- ii) Vacation, Maternity Leave and other Leaves pursuant to Article 11 of the Central Agreement:
- In the event that one member of the job sharing arrangement goes on any of the above leaves of absence exceeding thirty (30) days, the remaining partner has the option of covering all of the absent partner's shifts for the duration of the absence. If the employee is unable to cover the entire leave of absence she or he must inform the manager.
- (g) Implementation
- Where the job sharing arrangement arises out of the filling of a vacant full time position, the full time position will be posted first and in the event that there are no successful applicants, then both job sharing positions will be posted and selection will be based on the criteria set out in the Collective Agreement.
- (h) i) An incumbent full time employee wishing to share her or his position, may do so without having her or his portion of the position posted. The other portion of the job sharing position will

be posted and selection will be made on the criteria set out in the Collective Agreement.

- ii) It is understood and agreed that the arrangement is for a trial period of three (3) months for the full time employee originating the request. Once the trial period is over, the employee cannot revert to her former position except under (i) and (j) below.
- iii) Where two (2) full time employees on one Unit wish to job share one (1) position, neither portion will be posted.
- (i) If one of the job sharers leaves the arrangement and the remaining employee was the owner of the full-time position, he/she will have the option to revert to the full-time position. If that right is not exercised then the position that was vacated shall be posted. If there is no successful applicant to the position, the remaining employee will revert to her or his former status. If the remaining employee was previously full time, the shared position will become her or his position. If the remaining employee was previously part time and there is no part time position available on the same Unit, she or he shall exercise her or his layoff bumping rights to obtain a part time position. The shared position would then revert to a full time position and be posted according to the Collective Agreement.

(j) Discontinuation

Either party may discontinue the job sharing arrangement with ninety (90) days' notice. Upon receipt of such notice a meeting shall be held between the parties within fifteen (15) days to discuss the discontinuation. It is understood and agreed that such discontinuation shall not be unreasonable or arbitrary.
