agreement by the Union, prevail over any provision of this agreement in the event of a conflict. The Union maintains the right to grieve.

ARTICLE 7 – ASSOCIATION SECURITY

- 7.01 The Employer shall deduct monthly from the pay due to each employee who is covered by this Agreement a sum equal to the monthly Union dues of each such employee. Where an employee has no earnings during the first payroll period, the deduction shall be made in the next payroll period where the employee has earnings, within that month. The Union shall notify the employer in writing of the amount of such dues from time to time. The Employer will send to the Union its cheque for the dues so deducted in the month following the month in which the dues are deducted.
- 7.02 The Employer shall provide the Union with a list showing the first and last names and Social Insurance Numbers of all employees from whom deductions have been made. The report will identify the name of the facility and the month from which the dues are remitted. The Employer will also identify job classification (where the bargaining unit includes classifications, employees paid less than RNs) and status (i.e. full-time, part-time) of the employees, all terminations, newly hired employees (including start date, where the existing system allows for the information without cost), and employees on Leaves of Absence. On a quarterly basis, the Home will provide the members' current addresses and phone numbers, with the dues list. The Employer will endeavour to provide information in electronic format if the Employer has the technology.
- The Union may forward any questions with respect to individual employees in writing (or e-mail) to the Administrator (or designate). The employer will respond to such requests with any information it has which is readily available, within two weeks.
- 7.03 The Employer shall provide each employee with a T4 Supplementary slip showing the dues deducted in the previous year for income tax purposes where such information is or becomes readily available through the employer's payroll system.
- 7.04 The Union shall indemnify and save the Employer harmless with respect to dues so deducted and remitted.

ARTICLE 8 – GRIEVANCE AND ARBITRATION PROCEDURES

- 8.01 The parties to this agreement believe it is important to adjust complaints and grievances as quickly as possible as provided for herein. The employee or Union shall first discuss any individual complaint informally with the Director of Care or designate at the first opportunity.
- 8.02 At any stage of the grievance procedure, which includes the complaint stage, investigation meets and the meeting where formal discipline is imposed, an employee is entitled to be represented by her or his union representative or delegate and/or at the option of the union, the ONA Labour Relations Officer. If a Union Representative is not available, ONA shall appoint a designate as representative. In the case of suspension or discharge, the Home shall notify the employee of this right in advance. The Home also agrees, as a good labour relations practice, it will also notify the Union.

The Home agrees that where an employee is required to attend a meeting with the Home that may lead to disciplinary action, as a good labour relations practice, it will inform the employee of the purpose of the meeting.

- 8.03 Should any dispute arise between the Employer and an employee, or between the Employer and the Union, as to the interpretation, application, administration or alleged violation of any of the provisions of this Agreement, an earnest effort shall be made to settle such differences within ten (10) days of the occurrence.

Step No. 1

If further action is to be taken, then within ten (10) days of the discussion, the employee, who may request the assistance of her Union Representative and/or Labour Relations Officer, shall submit the written grievance to the Administrator or designate. A meeting will be held between the parties within ten (10) days. The Administrator shall give a written decision within ten (10) days of the meeting to the Bargaining Unit President or her designate with a copy to the Labour Relations Officer.

Step No. 2

Should the Administrator fail to render his decision or failing settlement of any grievance under the foregoing procedure, including any questions as to whether a matter is arbitrable, the grievance may be referred to arbitration by either party. If no written notice of intent to submit the matter for arbitration is received within ten (10) days after the decision under Step No. 1 is received, the grievance shall be deemed to have been settled or abandoned.

- 8.04 A written grievance will indicate the nature of the grievance and the remedy sought by the grievor.
- 8.05 Time limits fixed in the grievance and arbitration procedures may be extended only by written, mutual consent of the parties. Should the Employer not respond within the time limit(s) fixed, such failure to respond shall be deemed to be a denial of the grievance. Should a grievance not be submitted within the various time limits specified in this Agreement, unless mutually extended, it shall be considered to have been settled or abandoned.
- 8.06 Saturday, Sunday and designated paid holidays shall not be counted in determining the time within which any action is to be taken or completed under the grievance procedure.

8.07 Group Grievance

Where a number of employees have identical grievances and each employee would be entitled to grieve separately they may present a group grievance in writing signed by each employee who is grieving to the Administrator or her designate within ten (10) days after the circumstances giving rise to the grievance have occurred or ought reasonably to have come to the attention of the employee(s). The grievance shall then be treated as being initiated at Step No. 1 and the applicable provisions of this Article shall then apply with respect to the processing of such grievance.

8.08 Discharge Grievance

- (a) An employee shall only be discharged from the employment for just cause, except that an employee who has not completed the probationary period may be released based on a fair and proper assessment against reasonable standards of performance and suitability. An allegation of action contrary to this clause may be taken up as a grievance. As a good labour relations practice, the Home agrees to provide written reasons within seven (7) calendar days to the affected employee in the case of discharge or suspension.
- (b) Such grievance shall proceed directly to Step No. 1 of the grievance procedure and must be presented in writing, dated and signed within ten (10) days following the discharge.

- 8.09
- (a) If an employee is to be reprimanded or disciplined, she may have an Union Representative present if she so requests.
 - (b) If an employee is to be suspended or discharged, the Employer shall notify her of this right prior to the outset of the meeting.
 - (c) The Union Representatives undertake to be reasonably available in person for such meeting. In extraordinary circumstances, when a Union Representative is unavailable, the Union Representative shall provide an alternate representative.

8.10 Policy Grievance – Union Grievance

The Union may institute a grievance alleging a general misinterpretation or violation of this Agreement by the Employer by submitting a written grievance at Step No. 1 within twenty (20) days after the circumstances have occurred. This section shall not apply to disciplinary grievances or application of competitive clauses under this Agreement.

8.11 Policy Grievance – Employer Grievance

The Employer may institute a grievance alleging a general misinterpretation or violation by the Union or any employee by filing a written grievance with the Bargaining Unit President, with a copy to the Labour Relations Officer within twenty (20) days after the circumstances have occurred. A meeting will be held between the parties within ten (10) days. The Union shall reply within ten (10) days after the meeting, and failing settlement, the matter may be referred to arbitration.

- 8.12

Re: Supernumerary Positions

The Home may introduce supernumerary positions to be offered to newly graduated nurses. Where such positions are introduced, the following will apply:

1. The Employer may hire full-time supernumerary nurses, up to the maximum funding available as per the Ministry guidelines. The duration of such supernumerary appointments will be defined by the Nursing Graduate Guarantee rules and regulations.
2. Newly graduated nurses are defined by the Nursing Graduate Guarantee rules and regulations, currently defined as nurses who have graduated from a nursing program within the last year.
3. Supernumerary positions are defined as those positions offered to newly graduated nurses that are over and above the minimum staffing complement. Furthermore, supernumerary nurses will not be utilized to fill/backfill permanent and temporary vacancies.
4. No appointment will be made to a supernumerary position without prior discussion with the Union as to where the supernumerary nurse will be assigned, what will be expected of them, and what mentoring arrangement will apply. The parties agree to discuss this matter without undue delay following the employer's initial request to meet.
5. All nurses hired under the new graduate initiative will be full-time and covered by all terms and conditions of the collective agreement. Such positions will not be subject to internal postings or request for transfer processes outlined in Article 9.06.
6. Such supernumerary nurses can apply for and transfer to positions after the initial twelve (12) week supernumerary period in the manner defined by the Nursing Graduate Guarantee Guidelines.
7. Where supernumerary nurses successfully post into positions (pursuant to # 6 above) there is the potential that Ministry funding pursuant to the Nursing Graduate Guarantee Program will not have been fully utilized. The employer and the Union will meet to determine the distribution of the reinvestment initiative funding.
8. Notwithstanding paragraph 5 above, in the event of a layoff, the parties may require that the supernumerary nurse be laid off first.

The Home may introduce supernumerary positions that may be offered to Internationally Educated Nurses (IENs). Where such positions are introduced, the following will apply:

1. Only so many positions will be created as are covered by government funding for supernumerary positions.

Nursing Career Orientation Initiative (NCO) nurses are defined as those nurses who have initially (never before) registered with the College of Nurses (CNO) whose location of initial nursing education is outside of Canada. NCO nurses will be recognized as such from _____ (date) to a period of time that the MOHLTC continues to implement the NCO. NCO nurses must be hired as supernumerary within six (6) months of initial registration with the CNO.

2. Positions will be created on units/areas where the parties agree. Such agreement will not be unreasonably withheld.
3. No appointment will be made to a supernumerary position without prior discussion with the Union as to where the supernumerary nurses will be assigned, what will be expected of them, and what mentoring arrangement will apply. The parties agree to discuss this matter without undue delay following the employer's initial request to meet.
4. Such positions will not be subject to internal postings or request for transfer processes outlined in Article 9.06.

8. If the nurse has not successfully posted into a permanent position by the end of the supernumerary appointment, she/he will be reclassified as casual part-time and this will not be considered a layoff and the nurse will not be reassigned.

Re: Grievance Commissioner System

This is to confirm the discussion of the parties during collective bargaining that they are committed to encouraging early discussion and resolution of labour relations issues at the local level and seek to resolve grievances in a timely and cost efficient manner.

To that end, this is to confirm that pursuant to Article 8, the parties agree that the Employer and Union at individual nursing homes may agree to utilize the following process in order to resolve a particular grievance through the utilization of a joint mediation-arbitration procedure:

1. The Employer and Union may mutually agree in writing to invoke the Grievance Commissioner process outlined in this letter rather than proceed to arbitration as set out in Article 8.12 of this collective agreement for an individual, group or policy/union grievance.
2. The Grievance Commissioner shall have the same powers and be subject to the same limitations as a Board of Arbitration hereunder, save and except as expressly provided herein.
3. The Grievance Commissioner shall be mutually agreed upon by the Employer and Union.
4. The Employer and Union agree to make best efforts to ensure that the Commissioner mediation-arbitration dates are set so that this process is initiated in a much more accelerated rate than the normal arbitration process. To that end the parties agree to meet centrally to discuss the possibility of a central Grievance Commissioner roster and pre-scheduled dates that can be mutually shared throughout the year.
5. The location of any such hearing shall be agreed upon by the local parties.
6. The parties shall provide the Grievance Commissioner with a Statement of Facts Agreed and Not Agreed. In addition they shall provide the Grievance Commissioner and each other with brief written representations on which they intend to rely provided that such are emailed not less than ten (10) days before the commencement of the hearings of the Grievance Commissioner. This information will include the grievance and the Employer's response.

7. The purpose of the hearing is to clarify issues and/or facts in dispute. At the hearing the parties may make such further representations or adduce such evidence as the Grievance Commissioner may permit or require but the Grievance Commissioner shall not be obligated to conform to the rules of evidence.
8. The parties acknowledge that this is an expedited form of a med-arb process whereby the Grievance Commissioner, based on the evidence and representations provided by the parties during the med-arb session, will decide the grievance. The parties agree that no witnesses will be called throughout this process, except as required by the Grievance Commissioner. The Grievance Commissioner must render his/her written decision, without reasons, to both parties within ten (10) working days of the conclusion of the hearing.
9. If it becomes clear at any point during the process that due to exceptional circumstances the grievance is too complex for the Grievance Commissioner process, the parties may jointly agree to revert to traditional arbitration pursuant to Article 8 of the collective agreement.
10. The decision of the Grievance Commissioner shall only be applicable to the case in question and shall not constitute a precedent nor be used by either party as a precedent in future cases.
11. Notwithstanding anything contained herein, the decision of the Grievance Commissioner shall be in accordance with Article 8.16.
12. The Union and Employer shall each be responsible for one-half (½) of the expenses (including any off-site location of the hearing) and fees payable to the Grievance Commissioner.
13. The parties agree that the Grievance Commissioner can serve as a mediator/ arbitrator for more than one grievance on a single day.

The parties agree that nothing in this letter prevents the parties at a nursing home from mutually agreeing to mediation for any other grievances pursuant to Article 8.19.

Re: Professional Responsibility

For the life of this Collective Agreement, the parties agree as follows:

The parties acknowledge and agree that professional responsibility concerns are most appropriately resolved expeditiously between them in the workplace. The parties commit to exhausting all reasonable efforts, which may include third party mediation, before an IAC hearing is conducted.

The parties agree that resident care is enhanced if concerns relating to professional practice and workload are resolved in a timely and effective manner. The parties acknowledge that in most cases they will be able to find a resolution to these concerns.
