- 11.01 Any employee(s) or the Union may present a complaint at any time without recourse to the formal written procedure contained herein, but in the normal course of events, grievances shall be registered with the Employer as follows:

Step No. 1

An employee(s) or the Union on her/their behalf or in its own stead may present a grievance in writing to the Director of Resident Care. Such grievance must be presented within nine (9) calendar days of the date of its occurrence or when it came to the attention of the employee(s) and Union.

The Director of Resident Care shall render a decision in writing within nine (9) calendar days following the day on which the grievance was submitted. If this decision is unsatisfactory to the employee(s) or the Union, Step No. 2 may be followed within nine (9) calendar days.

Step No. 2

The grievance in writing shall be referred to the Administrator or his designate who shall call a meeting of the Grievance Committee of the Union at the request of either party on the day following the filing of the grievance, if possible. Within nine (9) calendar days following the meeting or within nine (9) calendar days following submission to the Administrator, if no such meeting is held, the Administrator shall reply in writing to the employee(s) and the Grievance Committee. If the decision is unsatisfactory to the employee(s) or the Union, it may be referred to Arbitration.

- 11.02 If the Union or the Employer so wishes, they may present any grievance in writing in the form of a policy grievance at Step No. 2 of the Grievance Procedure.
- 11.03 Notwithstanding any other provision in this Article, should the Employer discharge, suspend or discipline an employee(s), notification by the Employer to such employee(s) shall be made in the presence of an employee(s) representative. Should the employee(s) or the Union wish to file a grievance against the discharge, suspension or discipline, it shall be reduced to writing and filed within nine (9) calendar days under Step No. 2 of the Grievance Procedure.
- 11.04 Where a difference arises between the parties relating to the interpretation, application or administration of this Agreement, including any questions as to whether a matter is arbitrable or where an allegation is made that this Agreement has been violated, either of the parties may, after exhausting the Grievance Procedure established by this Agreement, notify the other party in writing of its desire to submit the difference or allegation to Arbitration and the notice shall contain the name of the first party's appointee to an Arbitration Board.

The recipient of the notice shall, within thirty-six (36) calendar days, inform the other party of the name of its appointee to the Arbitration Board. The two (2) appointees so selected shall, within thirty-six (36) calendar days of the appointment of the second of them, appoint a third person who shall be the Chairman. If the recipient of the notice fails to appoint an Arbitrator or if the two (2) appointees fail to agree upon a Chairman within the time limit, the appointment shall be made by the Minister of

Labour for Ontario upon the request of either party. The Arbitration Board shall hear and determine the difference or allegation and shall issue a decision and the decision is final and binding upon the parties and upon any employee affected by it. The decision of a majority is the decision of the Arbitration Board, but if there is no majority, the decision of the Chairman shall govern. When the appointment of an Arbitrator is not made as per the above process, the grievance shall be deemed to have been abandoned.

- 11.05 Each party shall pay the costs and expenses of its appointees and the costs and expenses of the Chairman shall be borne equally by the parties. Arbitration hearings shall be held in Fort Frances, Ontario, or at such other places as may be agreed upon by the Union and the Employer. The second sentence shall also apply to proceedings under HLDAA.
- 11.06 The Arbitration Board may make such decision as in the circumstances it deems just and equitable and may vary or set aside any penalty or discipline imposed and shall have full jurisdiction to settle all matters relating to or arising out of the Collective Agreement.
- 11.07 The time limits fixed in both the Grievance and Arbitration Procedures may be extended by the written consent of the Administrator or designate and the representative of the Ontario Nurses' Association.
- 11.08 Wherever the Arbitration Board is referred to in the agreement, the parties may mutually agree in writing to substitute a single Arbitrator for the Arbitration Board at the time of reference to arbitration and the other provisions referring to the Arbitration Board shall appropriately apply.

ARTICLE 12 – SENIORITY AND JOB SECURITY

- 12.01 The probationary period for all nurses shall be four hundred and fifty (450) hours worked from the date of last hire. If retained after the probationary period, the employee(s) seniority will be dated as of the date of last hire. - 12.02 A seniority list shall be established of all employee(s) covered by this Agreement who have completed their probationary period. For part-time employee(s), seniority and service will be established on the basis of two hundred (200) tours (fifteen hundred (1500) hours) of duty being equal to one (1) year of full-time employment. A copy of the seniority list will be filed with the Union after the execution of the Agreement and a revised list will be supplied every six (6) months thereafter in the months of January and July.
- Once posted an employee will have a period of thirty (30) calendar days from the posting date to make a written complaint about her seniority as recorded. In the absence of such complaint the list shall be deemed to be correct.
- 12.03 (a) In the event of a proposed lay-off at the Home of a long term nature affecting full-time and/or part-time employee(s), the Employer shall:

- (i) provide the Union with no less than three (3) months written notice of such lay-off; and

 - (2) the service which the Employer will undertake after the lay-off;
 - (3) the method of implementation including the areas of cut-back and the employee(s) to be laid off.

A long-term lay-off shall be defined as a lay-off of thirteen (13) or more weeks.

- (b) In the event of a proposed temporary lay-off at the Home, a bed cutback or a cutback in service, the Employer shall provide the Union with reasonable notice. If requested, the Employer shall meet with the Union to review the effect on employee(s) in the bargaining unit.
- (c) Any agreement between the Employer and the Union resulting from the review above concerning the method of implementation will take precedence over the terms of this Article.
- (d) In the case of a permanent lay-off, the Employer shall provide to the affected employee(s) no less than three (3) months' written notice of lay-off or pay in lieu thereof. For other lay-offs, the Employer shall give reasonable notice.
- (e) (i) A lay-off shall be defined as any reduction of an employee(s) hours of work, reduction in paid hours and/or a permanent discontinuation of a position.

A lay-off of full-time and/or part-time employee(s) shall be made on the basis of seniority, provided that the employee(s) who remain are qualified to perform the available work. Subject to the foregoing, probationary employee(s) shall be first laid off. Casual part-time employee(s) shall be first laid off before permanent part-time employee(s). Casual part-time employee(s) shall not be utilized while full-time or permanent part-time employee(s) remain on lay-off unless all laid off full-time or permanent part-time employee(s) have been offered and declined any available work.

An employee(s) who has been notified of an impending lay-off may:

- (1) accept the lay-off; or
- (2) exercise the right to bump or displace another employee(s) in any classification who has lesser bargaining unit seniority.

Full-time and/or regular part-time employee(s) shall be recalled in the order of seniority, unless otherwise agreed between the Employer

and Union, provided that the employee(s) is qualified to perform the available work. When all full-time and permanent part-time employee(s) have been recalled, casual part-time employee(s) shall be recalled in order of seniority.

Where an employee(s) declines the opportunity for recall to a permanent position in her category (full-time or part-time), her name will go to the bottom of the recall list. A refusal after his/her name has been placed at the bottom of the recall list as a result of a refusal, the employee name will be removed from the recall list.

- (ii) An employee(s) who exercises her bumping right and/or is recalled to a position shall be provided with such orientation and/or training as is necessary.
- (iii) Where a vacancy occurs in a position following a lay-off hereunder as a result of which a full-time or part-time employee(s) had been transferred to another position, the affected employee(s) will be offered the opportunity to return to her/his former position providing such vacancy occurs within six (6) months of the date of lay-off. Where the employee(s) returns to her/his former position, there shall be no obligation to consider the vacancy under Article 12. Where the employee(s) refuses the opportunity to return to her/his former position, she/he shall advise the Employer in writing within one (1) week of receipt of the offered position.
- (iv) No reduction in the hours of work shall take place to prevent or reduce the impact of a lay-off without the agreement of the Union.
- (v) All part-time and full-time employee(s) represented by the Union who are on lay-off will be given a job opportunity in the full-time and part-time categories before any new employee(s) is hired into either category.

No new employee(s) shall be hired until all those employee(s) laid off have been given an opportunity to return to work.

- (vi) Full-time employee(s) on lay-off shall be offered any temporary vacancies that arise out of the full-time bargaining unit in order of seniority. Permanent part-time employee(s) on lay-off shall be offered any temporary vacancies that arise out of the part-time bargaining unit in order of seniority. An employee(s) who has been recalled to such temporary vacancy shall not be required to accept such recall and may instead remain on lay-off. Where temporary vacancies are not filled from laid off full-time or permanent part-time employee(s), the Employer shall offer the vacancy to the senior laid off employee(s) for the other category.

A full-time employee(s) shall maintain her full-time status when accepting or refusing occasional or incidental shifts.

- 12.04 All seniority, service, illness allowance, vacation and other credits obtained under this Collective Agreement shall be retained and transferred with the employee(s) if she is re-classified from full-time employment to part-time employment and vice-versa.
- 12.05 (a) An employee(s) shall continue to accumulate seniority during any approved leave of absence without pay for purposes of furthering education, by reason of illness or injury supported by a Doctor's Certificate, pregnancy or parenting leave or by reason of being absent on Workers' Compensation Benefits.
- (b) When on leave of absence without pay not covered under (a) above, seniority shall accumulate for the first thirty (30) continuous calendar days of the leave. If the leave exceeds thirty (30) continuous calendar days, seniority shall be retained but not accumulated for the duration of the leave which exceeds thirty (30) continuous calendar days.
- (c) An employee(s) who is absent from work by reason of illness or injury covered by the Short-Term Disability Insurance Plan or Workers' Compensation Benefits or because of pregnancy or parenting leave shall continue to accrue service as long as she is being paid through the S.T.D. Plan or through Workers' Compensation or is on pregnancy or parenting leave.
- Otherwise, an employee(s) absent on a leave of absence without pay not exceeding thirty (30) continuous calendar days shall continue to accumulate service.
- If the leave of absence without pay exceeds thirty (30) continuous calendar days, an employee(s) shall retain but not accumulate service for the period of the leave in excess of thirty (30) continuous calendar days.
- 12.06 Prior to the appointment to a vacant or new position, the Employer shall post notice of the vacancy or new position on the bulletin board for a minimum of five (5) days in order that all staff will know that the position is open and be able to make written application to the Director of Resident Care. Temporary vacancies expected to exceed eight (8) weeks' duration shall be posted as above. The position of the successful applicant to such posting shall also be posted. Any vacancies subsequent to the foregoing two (2) vacancies shall not be required to be posted. The employee(s) whose absence has necessitated the posting of the first temporary vacancy as well as the successful applicant for that posting shall be entitled to return to their same position, unless such position has been discontinued, in which case they shall be given a comparable position.
- 12.07 In cases where qualifications, performance and experience are approximately equal, seniority shall be the deciding factor when decisions are made with regard to promotions and transfers.
- 12.08 A break in seniority shall have occurred:
- (a) if an employee(s) resigns;

- (b) if an employee(s) is dismissed unless such dismissal is reversed through the Grievance Procedure;
- (c) if an employee(s) is laid off in excess of thirty-six (36) months;
- (d) if an employee(s) is absent without leave.

12.09 In order to protect the standard of nursing care, the Employer agrees that no one outside of the bargaining unit shall perform the work normally performed by the members of the bargaining unit, except for the purpose of instruction, experimentation or in the event of an emergency situation.

12.10 An employee may request a transfer from full-time or regular part-time to casual part-time status. A request to transfer will not be unreasonably denied.

- (a)
 - (i) complain in writing to the Director of Resident Care with a copy to the Chairman of the Joint Union-Management Nursing Committee and the Union within fifteen (15) calendar days of the alleged improper assignment. The Committee shall hear and attempt to resolve the complaint to the satisfaction of both parties;
 - (ii) failing resolution of the complaint within fifteen (15) calendar days of the meeting of the Joint Union-Management Nursing Committee, the complaint shall be forwarded to an independent Assessment Committee composed of three (3) registered nurses; one (1) chosen by the Ontario Nurses' Association, one (1) chosen by the Employer and one (1) chosen from a panel of four (4) independent registered nurses who are well respected within the profession. The member of the committee chosen from the panel of independent registered nurses shall act as Chairperson;
 - (iii) the Assessment Committee shall set a date to conduct a hearing into the complaint within fourteen (14) calendar days of its appointment and shall be empowered to investigate as is necessary and make what recommendations it finds appropriate in the circumstances. The Assessment Committee shall report its recommendations in writing to the parties within thirty (30) calendar days following completion of its hearing.

- (b) (i) the parties shall select a panel of four (4) independent registered nurses who are well respected within the profession. The members of the panel shall sit in a rotation agreed upon by the parties. If a panel member is unable to sit within the time limit stipulated, the panel member next scheduled to sit will be appointed by the parties;
 - (ii) each party will bear the cost of its own nominee and each will share equally the fee of the Chairperson and whatever other expenses are incurred by the Assessment Committee in the performance of its responsibilities as set out herein.

RE: LETTER OF AGREEMENT – STAFFING

The Letter of Agreement will operate for the period commencing the first pay period after the date of the Award and expire on the expiry of the Collective Agreement.

1. Subject to the conditions set out below, the Employer agrees to schedule at least the same number of bargaining unit shifts that were scheduled on the Master Rotation in the last pay period ending prior to January 31, 2005. For the purposes of clarity, this rotation does not include the three (3) 7.5 hour shifts eliminated effective December 5, 2003.
2. In the event the Employer cannot meet their commitment, it shall so notify the Union and fully disclose the reasons thereof.
3. If the failure to staff is a legitimate recruitment issue, there shall be no violation of this Agreement. The Employer will make best efforts to recruit a replacement.
4. Further, if there is a substantial reduction in beds, occupancy levels or funding below the levels in effect as of January 31, 2005, a reduction in the complement shall not constitute a breach of this Agreement, as long as the reduction is no greater than necessary to offset the funding reduction.
5. It is understood that this provision does not restrict the exercise of management's rights to make staffing and work assignment decisions on a day-to-day basis.
6. If there is any other reason for the failure to staff in accordance with paragraph 1, the Union and Employer will attempt to find a resolution and if unable to do so, the matter may be referred to Arbitration.
7. The Arbitrator/Arbitration Board will have authority to determine whether the reduction in staffing was appropriate and shall have jurisdiction to award an effective remedy.
8. For the duration of the operation of this Letter, Article 12.09 shall not apply, subject to paragraph 9 below.
9. Should the Letter cease to operate, Article 12.09 will resume application. For the purpose of that Article, work "normally performed" shall mean work normally performed prior to January 31, 2005.

- 10. In exchange for the measures set out above, the Union withdraws, without prejudice, its grievances #03-07 and #03-08.
- 11. The assignment of patient care duties, including the delegation or direction of duties by members of the bargaining unit to other health care providers, shall be in accordance with the Regulated Health Professions Act and related statutes and regulations and in accordance with the guidelines established by the College of Nurses of Ontario from time to time and any Employer policy related thereto shall meet those requirements.
- 12. The parties shall engage in meaningful discussions respecting the Price Waterhouse Coopers Report. The parties shall meet within four (4) weeks of any request by either party to convene a meeting and there shall be no minimum or maximum number of meetings for this purpose. The party requesting the meeting shall specify the nature of the issues to be discussed at the meeting.
- 13. The Employer will consider a practice setting consultation with the College of Nurses of Ontario. RE: MENTORSHIP GUIDELINES

"Mentorship" is a new addition to the Collective Agreement, and is addressed in Article 13.05 (c). These guidelines are intended to assist the parties in implementing mentorship arrangements in accordance with the requirements of the Collective Agreement.

Definition

- ❑ Mentorship is a formal supportive relationship between two (2) employee(s), which enhances the professional growth and development of an employee(s) to maximize her or his clinical practice.
- ❑ Mentorship involves a three-way arrangement between the Employer, the employee(s) being mentored and the employee(s) doing the mentoring. The mentoring relationship is:
 - ❑ time limited;
 - ❑ focused on goal achievement; and
 - ❑ unique to each mentorship experience.
- ❑ The Employer, the employee(s) being mentored and the employee(s) doing the mentoring are expected to clearly understand the goals/expectations of the mentorship relationship. Goals are individually determined based on the learning needs of the employee(s) being mentored and, as such, may not be consistent for all employee(s). The length of each mentorship arrangement will be individually defined dependent upon the goals for each employee(s) being mentored. Mentoring assignments will normally consist of full tours, however, it is also possible that mentorship assignments can be for less than a full tour and/or scheduled on an intermittent or one-time basis. It is also possible that more than one (1) mentor may be assigned to a mentee during the course of a mentorship arrangement.

Mentorship does not include:

- ❑ Supervising the activities of students. Supervision of the activities of students is covered in Article 13.05 (a).
- ❑ Providing guidance and advice to members of the multi-disciplinary health care team. This is addressed in Article 13.05 (b). Interaction with other employee(s)

and other multi-disciplinary colleagues is an expected role responsibility for employee(s).

- Orientation to the organization or general functioning of the unit. This may include activities such as:
 - WHIMIS training, the fire lecture, equipment location, generic Home policies, introduction to staff and the general layout of the unit etc.
- The Employer's historical use of titles or terms does not define a mentor for the purposes of Article 13.05 (c). We acknowledge, however, that while mentorship is new to the Collective Agreement, mentorship arrangements are not new to nursing or workplaces. Accordingly, existing titles or terms may, or may not, meet the conditions of Article 13.05 (c).

Key Elements

- A mentorship relationship includes the employee(s) doing the mentoring to:
 - plan the mentorship experience based on the learning needs of the employee(s) being mentored, including the identification and co-ordination of learning opportunities with other health care providers;
 - assess the ongoing competence/development of competencies of the employee(s) being mentored, including assessments of competence gaps, risk management in relation to patient care and co-ordination of learning experiences;
 - assist the employee(s) being mentored to effectively meet patient care needs;
 - be responsible for the management of learning for the employee(s) being mentored;
 - participate in direct skill transfer where there is responsibility for the management of learning for the employee(s) being mentored;
 - evaluate the learning experience of the employee(s) being mentored throughout the duration of the mentorship relationship, including the provision of written and/or verbal reports to management regarding progress towards goal achievement.
- It is recognized that the mentor and the employee(s) being mentored may not be together at all times during the mentorship period.
- The Employer will pay the employee(s) for doing this assigned responsibility [mentoring] a premium of sixty cents (\$.60) per hour in addition to her or his regular salary and applicable premium allowance.
- The Employer will review the workload of the mentor and the employee(s) being mentored to facilitate successful completion of the mentorship assignment.

Implementation

- The Employer may implement a mentorship relationship at any time during an

employee(s) employment when:

- ❑ the employee(s) is experiencing difficulty in meeting standards of practice;
 - ❑ the employee(s) has a competency gap;
 - ❑ one-on-one management of the learning experience from an expert/experienced employee(s) will be of assistance.
- ❑ Mentoring may be implemented in various circumstances such as new hires to a unit; an employee(s) returns from a layoff or leave of absence (including sick leave or long-term disability) or for purposes of cross-training. This list is not all-inclusive and, as such, other circumstances may arise where the Employer determines that an employee(s) requires mentoring.
- ❑ The decision to implement a mentorship experience as a mechanism to assist an employee(s) to meet standards of practice is the responsibility of the Employer.
- ❑ The Employer will provide, on a regular basis, all employee(s) with an opportunity to indicate their interest in assuming a mentorship role, through a mechanism determined by the parties. The Employer selects and assigns the mentor for a given mentoring relationship.
- ❑ At the request of any employee(s), the Employer will discuss with any unsuccessful applicant ways in which she or he may be successful for future opportunities.
- ❑ The mentorship plan/arrangement for each mentoring relationship should be documented.

Evaluation

- ❑ The Employer also has a responsibility for evaluating the effectiveness of mentorship arrangements and, therefore, review and evaluation of arrangements should be conducted on a regular basis.
