- I.7
- (a) All regular part-time nurses in a unit/site will be scheduled up to their committed hours by seniority before any casual part-time nurses are utilized. Committed hours are the predetermined hours of the position for which the nurse has successfully applied.
 - (b) When regular part-time nurses on the unit/site have been given the opportunity to work up to their committed hours, the Hospital will endeavour to offer additional tours to regular part-time nurses on the basis of seniority, prior to offering tours to casual nurses, subject to the following:

All nurses will be paid for all time spent in attendance for such orientation. The Hospital will not refuse nurses the opportunity to work at an alternative site, subject to Article I.7 (b) (i) above. Nurses can withdraw their request at any time to become effective at the end of the posted schedule. It is expected that a nurse who voluntarily completes the orientation will be available for work at that site.

I.9 The parties agree that a Scheduling Committee will be developed consisting of at least three (3) representatives of the Association and three (3) representatives of the Hospital. The purpose of this Committee will be to develop, if possible, master rotations on a unit by unit basis. - (a) The Hospital shall schedule each nurse every second weekend off; a nurse shall receive premium pay as outlined in Article 14.03 for all hours worked on a second consecutive and subsequent weekend, subject to Articles I.2 (a), I.2 (b) or I.2 (c).
- (b) The Hospital will endeavour to provide that a nurse who normally rotates shall be scheduled to work at least fifty percent (50%) of her or his work tours on day shift averaged over the rotation.

R.8 Nurses will not be required to work more than three (3) consecutive extended tours; if a nurse works on four (4) or more consecutive extended tours, she or he shall receive premium pay as provided in Article 14.03 until she or he receives a day off.

ARTICLE S – JOB-SHARING

S.1 The introduction of job-sharing arrangements will be subject to mutual agreement between the Association and the Hospital. Once an arrangement has been agreed upon, the vacancy or vacancies to be posted will be filled in accordance with Article 10.06 of the Collective Agreement. Each job-sharing arrangement will be on a trial basis for a period of up to six (6) months, subject to review by the Association and the Hospital before confirmation. It is agreed that the following conditions will govern the arrangements.

- (a) Job-sharing requests with regard to full-time positions shall be considered on an individual basis and the Hospital shall reserve the sole right to determine the appropriateness of such arrangements which shall include the number of

job-sharers and percentage split of the full-time position. Such determination shall not be arbitrary or unreasonable.

- (b) Total hours worked by the job-sharers shall equal one (1) full-time position. The division of these hours and the resulting scheduled shifts on the schedule shall be determined by mutual agreement between the nurses with approval of the Director of Nursing or her or his designate. Job-sharers shall not be required to work any tours outside of the tours of the full-time position unless mutually agreed to by the nurse(s) and the Hospital. The nurses shall submit their proposed individual work schedules to the Hospital for approval at least three (3) weeks prior to the posting of the schedule.
- (c) The above schedules shall conform with the full-time scheduling provisions of the Collective Agreement.
- (d) The job-sharers together shall only be required to work the number of paid holidays that a full-time nurse would be required to work.
- (e) It is agreed that job-sharers will make reasonable efforts to cover each other's incidental absences. Prior to notifying the Hospital that neither job-share partner is available, the job-sharer must contact their partner to cover the absence. The Hospital will arrange the necessary coverage where such reasonable efforts do not result in coverage of these absences.

It is further agreed that job-sharers shall cover each other's scheduled absences including vacation.

In the event that one (1) member of the job-sharing arrangement goes on extended absence, the other job-sharer should be prepared to cover the absent partner's shifts. However, for an absence in excess of one (1) month or where the covering nurse experiences circumstances which prevent her or him covering the extended absence, the coverage will be provided by the Hospital. This will not prevent the Hospital asking the covering nurse to work some of the available shifts.

- (f)
 - (i) Each job-sharer may exchange shifts with her or his partner, as well as with other nurses as provided by the Collective Agreement.
 - (ii) Job-sharers shall be offered additional unscheduled tours only if they have made their availability known. It is understood that they may only make themselves available on days when neither job-share partner is scheduled or when staffing needs continue to exist after the conditions of Article 1.7 have been satisfied and where such would not result in premium pay.
- (g) An incumbent full-time nurse wishing to share her or his position, may do so without having her or his half of the position posted, however, the other half of the job-shared position must be posted and the selection based on the criteria set out in the Collective Agreement.
- (h) If one of the job-sharers leaves the arrangement, the remaining nurse shall have the option of going full-time or having the other portion of the shared position posted. If there is no successful applicant to the position, the shared

position must revert to a full-time position. The remaining nurse will again be given the option of continuing the full-time position or taking another regular part-time position based on her or his seniority and her or his ability to perform the available work within a reasonable orientation period. If she or he does not accept the full-time position, it must be posted according to the Collective Agreement.

- S.2 The Hospital or the Association may discontinue the job-sharing arrangement with sixty (60) days' written notice. The nurses involved will be included in the discussions. Upon receipt of such notice, a meeting shall be held within fifteen (15) days to discuss the discontinuation. It is understood and agreed that such discontinuation shall not be unreasonable or arbitrary. Should the arrangement be discontinued or changed, the job-sharer(s) will have the option of reverting back to their previous position(s) or to an equivalent position in their previous status based on the nurse's seniority and her or his ability to perform the available work within a reasonable orientation period or to a regular part-time position based on the nurse's seniority and her or his ability to perform the available work within a reasonable orientation period.

ARTICLE T – MISCELLANEOUS

- T.1 Nurses who are re-assigned, subject to Article I.8, to an alternate site will be paid their straight time hourly rate for all time spent in transit to and from their home site in excess of their scheduled shift.
- T.2 All vacancies will be posted on the same day on all site bulletin boards recognized under the Collective Agreement. The Hospital will forward to the President of the Bargaining Unit copies of job-postings on the day they are posted.
- The parties agree that any unsuccessful candidate for an ONA job-posting will be notified, in writing, within one (1) week of the decision being made. The parties further agree that the above notification will be copied to the ONA Bargaining Unit President.
- T.3 Any Bargaining Unit nurse who retires and wishes to participate in the Benefit Plan as outlined in Article 17.01 (h) will be billed on a monthly basis by the Hospital one (1) month in advance. The Hospital will notify the Association of the benefit costs to retired nurses in January of each year and each time the benefit costs are re-negotiated by the Hospital.
- T.4 The Hospital will provide the bargaining unit with a locked space and/or filing cabinet at LaVerendrye General Hospital.

ARTICLE U – VIOLENCE IN THE WORKPLACE

- U.1 The Hospital agrees that no form of verbal, physical, sexual, racial or other abuse of nurses will be condoned in the workplace. Any nurse who believes the situation to be abusive shall report this to the Immediate Supervisor who will make every reasonable effort to rectify the abusive situation.
- U.2 Where incidents involving aggressive client action occur, such action will be recorded and reviewed at the Occupational Health and Safety Committee.

U.3 The Hospital will pay for damages incurred to the nurse’s personal property such as eyeglasses, ripped uniforms, personal clothing, as a result of being assaulted while performing her or his work. Such payment will not result in double payment under existing benefit plans. The nurse will endeavour to present her or his claim to the Hospital within seven (7) days after the event.
