ARTICLE G – HOURS OF WORK

G.1 Scheduling – (Full-time and Regular Part-time unless indicated otherwise)

The Hospital will, in the formulation of working schedules, be guided by the following objectives:

- (a) Shift schedules will be posted two (2) weeks in advance and cover at least an eight (8) week period. Nurses will be on a master schedule provided the Hospital is able to accommodate such scheduling.
- (b) No split tours will be scheduled.
- (c) A nurse may exchange their scheduled tours of duty with another nurse provided the request is in writing and co-signed by the nurse willing to make the exchange. Such request for exchange must be submitted to the Hospital seventy-two (72) hours prior to the shift starting. It is understood that such request is subject to approval by the Hospital and shall not result in overtime or premium payment by the Hospital. Approval or denial of the request will be provided

by the immediate supervisor in a timely manner. Shift exchange request may be granted with less notice on an individual basis.

Requests for specific shifts, days off or other scheduling requests

RUNNY01.C

shall be submitted, in writing, to the Patient Care Manager/designate at least two (2) weeks prior to the posting of the schedule. The Patient Care Manager/designate shall respond to the request within five (5) days.

- (d) A nurse is entitled to every other weekend off.

A nurse will receive premium pay as provided for in Article 14.03 for all hours worked on a third and subsequent consecutive weekend save and except where:

- i) such weekend has been worked by the nurse to satisfy specific days off requested by such nurse; or
- ii) such nurse has requested weekend work; or
- iii) such weekend is worked as the result of an exchange of tours with another nurse.

For the purpose of this section a weekend shall be defined as a period of fifty-six (56) consecutive hours off during the period following the Friday day tours to the commencement of the Monday day tour.

- (e) At least sixteen (16) hours shall be scheduled off between shift changes unless otherwise mutually agreed.
- (f) Full-time nurses will have at least forty-eight (48) hours' time off following the night shift when changing schedules to either the day shift or the evening shift unless mutually agreed otherwise.

- (i) A nurse will not normally be scheduled to work more than five (5) consecutive days, unless the nurse requests otherwise.
- (j) For full-time nurses who rotate shifts, the Hospital will endeavour to schedule at least fifty percent (50%) of the tours on days except where the nurse agrees to work a greater percentage of evening or night shifts.

 - i) available to work a minimum of forty-five (45) hours in a two (2) week period;

 - ii) It is understood that the Hospital will not be required to offer tours which would result in overtime premium pay;
 - iii) When a regular part-time nurse accepts an additional tour, they must report for that tour unless arrangements satisfactory to the Hospital are made.
- (m) A nurse may request specific shifts (evening or nights), in writing to the Hospital. A nurse will be granted such request when possible without causing disruption to the unit staff schedule or patient care requirements. The Hospital will not unreasonably deny the request. The Hospital may schedule a nurse at a mutually agreeable time to work no more than two weeks of day tours for performance review, education and evaluation.

The remaining nurse will revert to a part-time position for which they are qualified.

If one of the job sharers leaves the arrangement and the job-sharing arrangement is discontinued, the shared position must revert to a full-time position.
