ARTICLE 1 – PURPOSE

- 1.01 The general purpose of this Agreement is to establish mutually satisfactory collective bargaining relations between the Employer and the employees covered by this Agreement, to provide means for the prompt resolution of grievances and disputes, and to establish and maintain satisfactory conditions of employment.

It is recognized that the Union and employees wish to work cooperatively with the Employer to provide the best possible community health service and quality care.

- 1.02 Whenever the feminine pronoun is used in this Agreement, it includes the masculine pronoun, where the context so requires. Where the singular is used it may also be deemed to mean the plural.

ARTICLE 2 – RECOGNITION

- 2.01 The Employer recognizes the Ontario Nurses' Association as the exclusive bargaining agent of all Registered Nurses and Registered Practical Nurses and all Registered Nurses and Registered Practical Nurses with a Temporary Certificate of Registration with the College of Nurses of Ontario engaged in a nursing capacity at Saint Elizabeth's Thunder Bay Service Delivery Centre in Thunder Bay, Ontario, save and except for, supervisors and persons above the rank of supervisor, home/personal support staff and office/clerical staff.

ARTICLE 3 – MANAGEMENT RIGHTS

- 3.01 The Union acknowledges and recognizes that the Employer has retained and shall possess and exercise all rights, functions, powers, privileges and authority that it possessed prior to the execution of this Collective Agreement except those that are relinquished or restricted by this Collective Agreement.

- 3.02 The Union acknowledges and recognizes that the management of the business and the direction of the workforce are the exclusive function of the Employer and shall remain solely with the Employer except as specifically limited by an express provision of this Agreement.

Without restricting the generality of the foregoing, the Union acknowledges that it is the exclusive function of the Employer to:

- (a) Determine and establish standards and procedures for the care, welfare and safety of clients in the community;
- (b) Maintain order, discipline and efficiency;
- (c) Hire, assign, direct, transfer, upgrade, promote, demote, classify, layoff, suspend, discipline or discharge employees provided that a claim of discharge without just cause of an employee who has completed her probationary period may be the subject of a grievance and dealt with as herein provided;

- (d) Determine classifications, hours of work, work schedules, work assignments, and the working establishment and location for any service;
- (e) Determine the number and qualifications of staff required, services to be provided and the methods, procedures, equipment and technology to be used in connection therewith. This includes the right to introduce new and improved methods, equipment and technology; and
- (f) Make, enforce and alter, from time to time, rules and regulations to be observed by all employees.

It is agreed that these rights will not be exercised in a manner inconsistent with the express provisions of this Agreement.

ARTICLE 4 – NO DISCRIMINATION

- 4.01 It is agreed that there shall be no discrimination or harassment within the meaning of the *Ontario Human Rights Code* against any employee by the Employer or the Union by reason of race, ancestry, place of origin, colour, ethnic origin, citizenship, creed, sex, sexual orientation, age, record of offences, marital status, family status, disability, gender identity or gender expression.
- 4.02 The Employer and the Union agree that there will be no discrimination, harassment, interference, intimidation, restriction or coercion exercised or practised by any of their representatives with respect to any employee because of her membership, or non-membership in the Union or activity or lack of activity on behalf of the Union or by reason of exercising her rights under the Collective Agreement or any applicable legislation.

ARTICLE 5 – NO STRIKES, LOCKOUTS

- 5.01 The Union agrees that there will be no strikes, and the Employer agrees that there will be no lockouts so long as this Agreement continues to operate. The term “strike” and “lockout” shall bear the meaning given them in the *Ontario Labour Relations Act* and amendments thereto.

ARTICLE 6 – UNION SECURITY

- 6.01 The Employer will deduct from each employee covered by this Agreement an amount equal to the monthly Union dues as designated by the Union.
- 6.02 Such dues shall be deducted monthly from the first pay in which the employee has earnings and, in the case of newly employed employees, such deductions shall commence in the month following their date of hire. There shall be no deductions from an employee in a month in which the employee does not have earnings.
- 6.03 The Union will advise the Employer, in writing, of the amount of its regular dues. The amounts specified shall continue to be deducted until changed by further

written notice to the Employer at least one (1) month prior to the effective date of such change.

- 6.04 In consideration of the deducting and forwarding of Union dues and lists by the Employer, the Union agrees to indemnify and save harmless the Employer against any claims for liability arising or resulting from the operation of this Article.
- 6.05 The month following the deduction of amount referred to in clause 6.01 above, the Employer will forward a cheque for the amounts deducted to the Union. The Employer will also forward a list of the names, addresses and social insurance numbers of all employees from whom deductions were made.
- 6.06 The Employer shall indicate the amount of the Union dues deducted on the T4 slip of each employee.
- 6.07 A new employee will have the opportunity to meet with a representative of the Union in the employ of the Employer for a period of up to fifteen (15) minutes during the employee's orientation period without loss of regular earnings. The Employer will advise the Union representative of any new hires and their contact information upon hire. During such meeting, membership forms may be provided to the employee.
- 6.08 The Union agrees that there will be no Union activity, business or meetings, solicitation for membership or collection of Union dues on Employer premises or during working hours except with the written permission of the Employer or as specifically provided for in this Agreement.

ARTICLE 7 – UNION REPRESENTATIVES AND COMMITTEES

- 7.01 The Employer will recognize the following:
- (a) Union/Grievance Representatives
- The Employer agrees to recognize two (2) employee representatives to be elected or appointed from amongst employees in the bargaining unit for the purpose of dealing with Union business as provided in this Agreement.
- (b) Negotiating Committee

The Union Negotiating Committee may have the assistance of a representative of the Ontario Nurses' Association when negotiating with the Employer.
- (c) Labour Management Committee
- The Employer will recognize a joint committee composed of two (2) employees, elected or appointed by the Union, and two (2) Employer

representatives. The purpose of this committee shall be to discuss matters of mutual concern and interest. Meetings shall be held every three (3) months, unless otherwise agreed, during regular business hours at a mutually agreed time and place. Either party may request a meeting of the Committee earlier than the next scheduled meeting.

It is agreed that the committee will not discuss matters that are properly the subject of a grievance or negotiations.

(d) Joint Occupational Health and Safety Committee

- (i) The Employer, employees and the Union shall comply with the *Occupational Health and Safety Act* in order to prevent accidents, injuries and illness.
- (ii) The Employer agrees to establish and maintain a Joint Occupational Health and Safety Committee, (under the *Occupational Health and Safety Act*) comprising of two (2) worker representatives who will be selected or appointed by the Union from the bargaining unit. One (1) worker representative will be a certified worker as defined under the *Occupational Health and Safety Act*.
- (iii) The Committee and the members of the Committee shall have all those entitlements, rights, functions, and powers provided by the *Occupational Health and Safety Act*.
- (iv) Such Committee shall identify potential dangers and hazards, recommend means of improving health and safety programs and recommend actions to be taken to improve conditions relating to occupational health and safety.
- (v) Committee meetings shall be held every three (3) months or more frequently at the call of the co-Chairs, if required. ONA committee members will be paid up to one (1) hour for any preparation time required before the meeting.
- (vi) The Employer will provide a bulletin board for posting of health and safety matters.

7.02 The Union shall keep the Employer notified, in writing, of the names of the employee representatives, committee members and any other officers of the Local Union appointed or elected under this Article as well as the effective dates of their respective appointments.

7.03 An employee representative will not leave her work during working hours except to perform her authorized duties under this Agreement. Where an employee representative is required to attend to such business, she will not leave work without prior permission from her Supervisor. The employee's request, indicating the approximate time required, will be submitted to her Supervisor a minimum of twenty-four (24) hours in advance. Providing the employee's absence does not interfere with the delivery of service to clients, such permission will not be

unreasonably withheld. Upon completion of the Union business, the employee representative will inform her Supervisor and then return to work.

7.04 All references to employee representatives, committee members and officers in this Collective Agreement shall be deemed to mean representatives employed by the Employer unless otherwise indicated. A staff representative of the Ontario Nurses' Association may, upon agreement of the Employer, attend committee meetings under this Article. Such request will not be unreasonably denied.

7.05 With the exception of the Negotiating Committee members, employee representatives and committee members will suffer no loss of earnings for time spent in meetings with the Employer during their regular working hours. In the case of grievance meetings, this will include time spent up to, and including, the second (2nd) step grievance meeting. In the case of the Negotiating Committee, members will be compensated at their straight time rate of pay for up to three (3) days at 7.5 hours per day for time spent in bargaining meetings, including conciliation.

7.06 The Union agrees that there will be no Union business on Employer premises or during working hours except with the written permission of the Employer or as specifically provided for in this Agreement.

7.07 Modified Work

The Employer and the Union will comply with all applicable legislation related to the accommodation of employees in the workplace. The Employer will notify the Local Union of the name of any employee who is returning to work on a modified work program. If requested, the Employer will meet with a staff representative of the Ontario Nurses' Association and a member of the Local Union to address questions from the Union regarding return to work protocols and workplace accommodations.

ARTICLE 8 – GRIEVANCE PROCEDURE

8.01 For the purpose of this Agreement, a grievance is defined as a difference arising between the parties relating to the interpretation, application, administration or alleged violation of the Agreement including any question as to whether a matter is arbitrable.

8.02 At any stage of the grievance procedure, including the complaint stage, an employee is entitled to be represented by her employee representative.

8.03 It is the mutual desire of the parties to this Agreement that differences shall be resolved as quickly as possible and it is understood that an employee has no grievance until she has first given her Supervisor the opportunity of addressing her complaint. Such complaint shall be discussed within seven (7) calendar days after the circumstances giving rise to it have occurred or ought reasonably to have come to the attention of the employee. After the discussion, the Supervisor shall confirm her response in writing within fourteen (14) calendar days.

Step 1

If the complaint is unresolved, a written grievance may be submitted, dated and signed by the employee to the Director or her designate, within seven (7) calendar days from receipt of the written decision of the Supervisor. The parties may choose to meet to discuss the concern at a time and place suitable to all. The Director or her designate shall confirm her decision, in writing, within fourteen (14) calendar days of the meeting.

Step 2

If the complaint remains unresolved after Step 1, the grievance may be submitted, in writing, to the Vice-President or her designate within seven (7) calendar days of the decision in Step 1. A meeting will be arranged between the Vice-President or her designate and the appropriate parties. It is understood and agreed that a staff representative of the provincial Ontario Nurses' Association and the grievor may be present at the meeting and that the Employer may have such counsel and assistance as it may desire at such meeting. The Vice-President or her designate will confirm her decision, in writing, within fourteen (14) calendar days of the meeting. A copy of the second step grievance reply will be provided to the Union.

8.04 Policy Grievance

A grievance arising directly between the Employer and Union concerning the interpretation, application, or alleged violation of this Agreement shall be originated at Step 2 within seven (7) calendar days following the circumstances giving rise to the grievance. A policy grievance filed by the Union shall be presented to the Vice-President or her designate. A grievance filed by the Employer shall be presented to the Ontario Nurses' Association staff representative.

A meeting will be arranged between the parties. The decision of the non-grieving party will be delivered, in writing, within fourteen (14) calendar days of the meeting.

8.05 Group Grievance

Where a number of employees have identical grievances and each employee would be entitled to grieve separately, they may present a group grievance in writing signed by each employee who is grieving, to the Director or her designate at Step 1 within seven (7) calendar days after the circumstances giving rise to the grievance have occurred or ought reasonably to have come to the attention of the employees.

8.06 Discharge/Suspension Grievance

The release of a probationary employee shall not be subject to the grievance procedure. A claim by an employee who has completed her probationary period that she has been unjustly discharged or suspended shall be treated as a grievance if a written statement of such grievance is lodged by the employee at

Step 2 within seven (7) calendar days after the date of the discharge or suspension is affected.

8.07 Mediation

After the grievance has been processed through all the stages provided for under the foregoing procedures, either party, with the agreement of the other party, may submit the grievance to mediation within fourteen (14) calendar days of receiving the decision under the last step of the grievance procedure above. The selection of the Mediator will be by mutual agreement of the parties.

The Mediator's expenses shall be borne in equal shares by the Employer and the Union.

8.08 The time limits and procedures set out in the grievance provisions herein are mandatory and failure to comply strictly with such time limits and/or procedures except by the written agreement of the parties shall result in the grievance being deemed to have been abandoned, settled or withdrawn.

8.09 All agreements reached under the grievance procedure between the Employer and the Union will be final and binding upon the Employer, the Union and the employee(s).

8.10 With the exception of grievances filed by the Employer, it is understood and agreed that the Union has carriage of all grievances throughout the grievance and arbitration procedure and not any individual or group of individuals.

8.11 Union grievances shall be on the form set out in Appendix "A", as attached. Alternatively, the parties may agree to an electronic version of this form and a process for signing.

ARTICLE 9 – ARBITRATION

9.01 Failing settlement of the grievance under the foregoing procedure, such grievance may be submitted to arbitration within fourteen (14) calendar days of receiving the decision under the last step of the grievance procedure above. If no written request for arbitration is received within fourteen (14) calendar days after the Step 2 reply or date of the mediation hearing, the grievance shall be deemed to have been abandoned, settled or withdrawn.

9.02 Disputes which are carried to the arbitration stage shall be heard before a single Arbitrator, unless both parties mutually agree, in writing, that the dispute shall be heard by a tripartite Board of Arbitration. The Employer and the Union agree that in the case of a single Arbitrator the following arbitrators shall be called to arbitrate on a rotation basis, and in order of their listing:

Louisa Davie
 Brian Keller
 Paula Knopf
 Randi Abramsky
 John Stout

A letter shall be sent within fourteen (14) calendar days to the Arbitrator in accordance with the rotation in Article 9.02 above.

The parties will share equally the fees and expenses of the Arbitrator.

- 9.03 No matter shall be submitted to arbitration which has not been properly carried through all requisite steps of the grievance procedure.
- 9.04 The Arbitrator shall not be authorized to make any decision inconsistent with the provisions of this Agreement, nor to alter, modify, add to or amend any part of this Agreement.
- 9.05 No person may be appointed as an Arbitrator who has been involved in an attempt to negotiate or settle a grievance.
- 9.06 The time limits and procedures set out in the arbitration provisions herein are mandatory and failure to comply strictly with such time limits and/or procedures except by the written agreement of the parties shall result in the grievance being deemed to have been abandoned, settled or withdrawn.
- 9.07 The proceedings of the arbitration may be expedited by the parties hereto and the decision of the Arbitrator will be final and binding upon the parties hereto and the employee or employees concerned.

ARTICLE 10 – DISCIPLINE, SUSPENSION OR DISCHARGE

- 10.01 An employee may be disciplined, suspended, with or without pay, or dismissed provided that a claim by an employee, who has completed her probationary period that she has been disciplined or discharged without just cause may be the subject of a grievance and dealt with as herein provided.
- 10.02 At the time formal discipline is imposed, the employee is entitled to be represented by a union representative.
- 10.03 Any letter of reprimand, suspension or other sanction will not be relied upon for further disciplinary action after two (2) years following the receipt of such letter, suspension or other sanction, provided that the employee's record has been discipline free for the immediate preceding two (2) years which she has worked.

ARTICLE 11 – EMPLOYEE FILES

- 11.01 Upon written request to the supervisor or designate seven (7) calendar days in advance, an employee may review her employee file in the presence of a member of management.
- 11.02 When a performance appraisal is completed with respect to an employee, the employee shall be given an opportunity to review and sign the appraisal. If the employee disagrees with any area of the appraisal, she may note her disagreement, in writing, in the performance appraisal system. The completed

- (a) An employee who is transferred or promoted to a position outside of the bargaining unit for a period of not more than one (1) year shall retain, but not accumulate, her seniority held at the time of the transfer or promotion. In the event the employee is returned to a position in the bargaining unit, she shall be credited with seniority held at the time of transfer and resume accumulation from the date of her return to the bargaining unit. Part-time and casual employees must complete a minimum of two hundred ninety and one-quarter (290.25) hours to be considered.

13.02 Employees shall submit written applications for the posted position in accordance with the instructions on the posting.

- 14.03 The Employer will endeavour to provide the Union with as much advance notice as possible of any permanent layoff. The Employer shall provide the employees with notice of permanent layoff in accordance with the *Employment Standards Act*, as amended from time to time. The Employer agrees to meet with the Union to discuss the reasons for the layoff.

- 14.04 Notice of recall shall be sent by registered mail to the employee's last known address on file. The employee is solely responsible for her proper address being on record with the Employer. The employee must respond, in writing, to the notice within five (5) calendar days of mailing of same and shall be available for work within an additional seven (7) calendar days.
