ARTICLE E - RESIGNATION

E-1 An employee shall be expected to submit a written resignation at least two (2) weeks in advance of her/his terminal date except in cases of emergency or where such notice is not reasonably possible.

ARTICLE F - SENIORITY LIST

ARTICLE G - UNION LEAVE

G-1 Leave of absence shall be granted to employees for the purpose of attending to Union business. The total number of days in any calendar year for all such leaves shall not exceed a total of forty (40) days (full-time and part-time combined) and no more than two (2) employees shall be allowed such leave at the same time, conditional upon their being from separate areas of the Hospital. Requests for such leaves shall be in writing and shall be submitted to the Assistant Administrator, Nursing Services not less than seven (7) days in advance from the day on which the leave is to commence.

The Employer will endeavour to respond to the request for leave, in writing, within three (3) working days.

Extra days may be granted if the staffing complement allows for the replacement. ARTICLE H - SCHEDULING REGULATIONS

- H-1 (a) The hours of work shall be in accordance with rotating shift schedules as determined by the Employer.
- (b) The Employer and the Union agree to discuss new scheduling patterns when presented to the Hospital Association Committee in the following manner:
- i) If, after discussions, the Hospital Association Committee recommends acceptance of new schedules prepared by the Union and accepted by the Employer, the new schedule shall be implemented on a trial basis for six (6) months, after which it shall be reviewed.
- ii) In the event any major difficulties or problems are encountered with the new shift schedule, the parties shall revert to the previous shift schedule provided that a minimum of one (1) month's written notice is given unless such period of notice is reduced by the mutual consent of the parties.
- iii) After the trial period, if the Hospital Association Committee agrees that the trial period was successful, the new schedule shall continue.
- (c) Notifications to amend current master rotations will be submitted to the Bargaining Unit President no less than sixty (60) days prior to the scheduled posting of any master rotation schedule. At the Union's request a meeting may be held to discuss the changes.
- (d) Where a unit has a master rotation and a full-time line becomes vacant, requests may be submitted in writing for consideration to transfer to the vacant line. Such request shall not be unreasonably denied.
- H-2 Shift schedules shall be posted two (2) weeks in advance and shall cover an eight (8) week period. A copy of the posted schedule will be sent to the Union at the same time as it is posted.

A copy of the posted schedule will be placed in the Active Care Unit and will remain unchanged throughout the eight (8) week period of the schedule. Amended schedules will remain available for the entire eight (8) week period covered by that schedule, on the computer.

H-3 Subject to the prior approval by a Unit Manager, employees within the same classification may be allowed to trade days off on their own, providing that such a request is submitted in writing to the Unit Manager in advance of the change and mutually signed by the employees involved with the change. Exchange of tours will for equal hours and will be taken within a posted schedule. Such mutual exchange of a tour of duty shall not result in premium pay under Article 14 to either of the employees.

An agreement by a nurse to do additional tours or change tours as requested by the Hospital is not to be construed to be a waiver of premium pay where applicable.

H-4 At least five (5) consecutive days off will be scheduled for each employee alternating either Christmas or New Year's annually. Where conflicts arise, hospital seniority shall be the deciding factor. Christmas time off will include Christmas Eve Day, Christmas Day and Boxing Day (December 24th, 25th, 26th) and New Year's time off will include New Year's Eve Day and New Year's Day, and the 2nd of January (December 31st, January 1st, 2nd). This provision will not apply to areas where employees normally work Monday to Friday and are not normally scheduled to work on paid holidays. The normal scheduling conditions shall be waived between December 15th and January 15th to ensure than an employee receives five (5) consecutive days off. No more than four (4) consecutive extended tours may be worked by an employee during this period.

The Hospital will post the work schedule that includes Christmas and New Year's no later than the third Friday in November of each year.

H-5 When a nurse works a combination of 7.5 and 11.25 hour tours in any pay period, the scheduling regulations that will apply will be based on the scheduling regulations that apply to the majority of the nurse's tours.

H-6 7½ Hour Tour - FULL-TIME

(a) There shall be sixteen (16) consecutive hours off between tours. A shorter period of time may be agreed between the Employer and the Union. Failure to comply with this will result in the shift being paid at premium pay as provided for under Article 14.

(b) The Employer will not schedule split days off.

(c) The Employer will schedule a minimum of one (1) weekend off in three (3). An employee will receive premium pay as provided for in Article 14.03 for all hours worked on a third consecutive and subsequent weekend, save and except where:

- i) such weekend has been worked by the employee to satisfy specific days off requested by such employee; or
- ii) such employee has requested weekend work; or
- iii) such weekend is worked as a result of an exchange of shifts with another employee.

A weekend shall be defined as sixty-four (64) consecutive hours off duty from the completion of the Friday day shift to the commencement of the Monday day shift.

H-7 7½ Hour Tours - PART-TIME

- (a) On the posted schedule, there shall be sixteen (16) consecutive hours off between tours. Failure to comply with this will result in the shift being paid at premium pay as provided for under Article 14.
- (b) Requests for specific days off are to be submitted, to the Unit Manager, in writing, at least two (2) weeks in advance of posting.
- (c) A regular part-time employee must agree to work a predetermined posted schedule and her/his commitment will include:
 - i) all areas other than the surgical suite to work a minimum of six (6) seven and one half (7.5) hour tours (45 hours) per pay period when required by the Employer;
 - ii) surgical suite to work a minimum of three (3) seven and one half (7.5) hour tours (22.5 hours) per week when required by the Employer;
 - iii) to be available twelve (12) months a year less vacation entitlement;
 - iv) to be available for five (5) recognized holidays, two (2) of which when required by the Employer will fall between the dates of June 15th to September 15th each year;
 - v) to be available to work over the Christmas or New Year period as required by the Employer.
- (d) The Employer will schedule a minimum of every third (3rd) weekend off. An employee will receive premium pay as provided for in Article 14.03 for all hours worked on a third consecutive and subsequent weekend, save and except where:
 - i) such weekend has been worked by the employee to satisfy specific days off requested by such employee; or
 - ii) such employee has requested weekend work; or
 - iii) such weekend is worked as a result of an exchange of shifts with another employee.

A weekend shall be defined as sixty-four (64) consecutive hours off duty from the completion of the Friday day shift to the commencement of the Monday day shift.

- (e) on the posted schedule, a period of forty-eight (48) hours off shall be scheduled when an employee's shift schedule is changed from nights to days;

H-8

- (a) The Employer agrees to schedule regular part-time employees by seniority, according to their commitment on the posted schedule. For purposes of commitment on the posted schedule part-time nurses will be scheduled on their own department.
- (b) Where extra tours become available, they will first be offered on the basis of seniority to regular part-time employees on that department who have not yet reached their commitment. It is understood that because of a combination of tours of different lengths, a part-time employee may exceed her/his commitment when offered a tour in order to reach commitment.
- (c) Where all regular part-time employees have been given the opportunity to work their committed tours, extra tours will be offered to regular part-time employees throughout the hospital on the basis of seniority provided that the employee is qualified to perform the available work.

Nurses who wish to be available to work on more than one department will complete a Staffing Availability Form.

- (d) It is understood that the Employer is not required to offer additional tours to part-time employees that would result in premium payment.
- (e) Where all available employees would be in a position of premium pay, part-time staff will be offered the available tour according to (b) and (c) above. If no part-time person is available, the available tour will be offered by seniority to full-time employees on the department. Notwithstanding seniority, the tour may be offered to the part-time employee who would incur the least premium.
- (f) For purposes of Article H-7, there will be five (5) separate departments as follows: Acute Care (ER/SCU), Active Care, Continuing Care, Surgical Suite, and Fauquier Health Clinic.
- (g) An error in the above mechanism for shift distribution will be remedied by offering the affected nurse a shift as an extra at a mutually agreed time. Such shift will not result in premium pay. The affected nurse working as an extra will not be assigned as a replacement if an absence subsequently arises on that shift which requires a call-in replacement of a regular part-time nurse.
