- (a) maintain order, discipline and efficiency;

Such representatives shall have access to the premises only with the approval of the C.E.O. which will not be unreasonably withheld.

ARTICLE 9 - GRIEVANCE PROCEDURE

- 9.01 For purposes of this Agreement, a grievance is defined as a difference arising between the parties relating to the interpretation, application, administration or alleged violation of the Agreement including any question as to whether a matter is arbitrable.
- 9.02 At the time formal discipline is imposed or at any stage of the grievance procedure, including the complaint stage, an employee is entitled to be represented by their union representative. In the case of suspension or discharge, the Employer shall notify the employee of the purpose of this meeting and of this right in advance. The Hospital will also advise the Bargaining Unit unless requested otherwise.

9.03 It is the mutual desire of the parties hereto that complaints of employees shall be adjusted as quickly as possible, and it is understood that an employee has no grievance until they have first given their immediate supervisor the opportunity of adjusting the complaint. Such complaint shall be discussed with their immediate supervisor within nine (9) calendar days after the circumstances giving rise to it have occurred or ought reasonably to have come to the attention of the employee. This discussion may include consultation, advice and assistance from others. If there is no settlement within nine (9) calendar days, it shall then be taken up as a grievance within nine (9) calendar days following advice of the immediate supervisor's decision in the following manner and sequence:

Step No. 1

The employee may submit a written grievance through the Union, signed by the employee, to their immediate supervisor. The grievance shall be on a form referred to in Article 9.08 and shall identify the nature of the grievance and the remedy sought and should identify the provisions of the Agreement which are alleged to be violated. The immediate supervisor will deliver their decision in writing within nine (9) calendar days following the day on which the grievance was presented to them. Failing settlement, then:

Step No. 2

Within nine (9) calendar days following the decision under Step No. 1, the grievance may be submitted in writing to the Hospital Administrator or designate. A meeting will then be held between the Hospital Administrator or designate and the Grievance Committee within nine (9) calendar days of the submission of the grievance at Step No. 2 unless extended by mutual agreement of the parties. It is understood and agreed that a representative of the Ontario Nurses' Association and the grievor may be present at the meeting. It is further understood that the Hospital C.E.O. or designate may have such counsel and assistance as they may desire at such meeting. The decision of the Employer shall be delivered in writing to the Labour Relations Officer and the local association representative within nine (9) calendar days following the date of such meeting.

9.04 A complaint or grievance arising directly between the Employer and the Union concerning the interpretation, application or alleged violation of the Agreement shall be originated at Step No. 2 within fourteen (14) calendar days following the circumstances giving rise to the complaint or grievance. It is expressly understood, however, that the provisions of this article may not be used with respect to a grievance directly affecting an employee which such employee could themselves institute and the regular grievance procedure shall not be hereby bypassed. A grievance by the Employer shall be filed with the Bargaining Unit President or designate.

9.05 Where a number of employees have identical grievances, and each employee would be entitled to grieve separately they may present a group grievance in writing signed by each employee who is grieving to the Director

or designate within fourteen (14) calendar days after the circumstances giving rise to the grievance have occurred or ought reasonably to have come to the attention of the employee(s). The grievance shall then be treated as being initiated at Step No. 2 and the applicable provisions of this Article shall then apply with respect to the processing of such grievance.

9.06 The Union may process a grievance to the subsequent step level in the event the Employer fails to respond within the prescribed time limits.

It is understood and agreed that the Union has carriage of all grievances throughout the grievance and arbitration procedure and not any individual or group of individuals. All agreements reached under the grievance procedure between the representatives of the Employer and the representatives of the Union will be final and binding upon the Employer and the Union and the employees.

9.07 Union grievances shall be on the form set out in Appendix 1.

9.08 The release of a probationary employee for reasons based on performance and ability to do the job, including skills, suitability and availability shall not be subject to the grievance procedure unless the probationary employee is released for:

- i) Reasons which are arbitrary, discriminatory or in bad faith;
- ii) Exercising a right under this Agreement.

The Employer agrees to provide a probationary employee with written reason for their release within seven (7) days of such release, with a copy to the Local Union.

In the case of discharge or suspension the Employer agrees to provide written reasons within seven (7) calendar days to the affected employee. The Employer further agrees that it will not suspend, discharge or otherwise discipline an employee who has completed their probationary period, without just cause.

Arbitration

9.09 (a) Failing settlement under the foregoing procedure of any grievance between the parties arising from the interpretation, application, administration or alleged violation of this Agreement, including any question as to whether a matter is arbitrable, such grievance may be submitted to arbitration as hereinafter provided. If no written request for arbitration is received within thirty-six (36) calendar days after the decision under Step No. 2 is given, the grievance shall be deemed to have been abandoned. Where such a written request is postmarked within thirty-four (34) calendar days after the decision under Step No.2 , it will be deemed to have been received within the time limits.

- (b) The parties agree that it is their intent to resolve grievances without recourse to arbitration, wherever possible. Therefore, notwithstanding (a) above, the parties may, upon mutual agreement, engage the services of a mediator in an effort to resolve the grievance and may extend the time limits for the request for arbitration. The parties will share equally the fees and expenses, if any, of the mediator.

9.10 Where a difference arises between the parties relating to the interpretation, application or administration of this Agreement, including any questions as to whether a matter is arbitrable, or where an allegation is made that this Agreement has been violated, either of the parties may, after exhausting the grievance procedure established by this Agreement, notify the other party in writing of its decision to submit the difference or allegation to arbitration. Where the grievance concerns:

- (a) Selection decisions on job vacancies
- (b) Premiums
- (c) Scheduling issues
- (d) Article 21 – Compensation issues
- (e) Entitlement to leaves, including vacation
- (f) Discipline up to, but not including discharge
- (g) Short term layoffs
- (h) Dues issues
- (i) Any other issues agreed by the parties,

the matter shall be determined by a sole arbitrator, unless the parties agree to proceed under Article 9.12. The sole arbitrator shall proceed by way of mediation-arbitration at the request of either party. When either party requests that any such matter be submitted to mediation-arbitration or to arbitration as provided above, it shall make such request in writing addressed to the other party to this Agreement and, at the same time, it shall propose the name of a sole arbitrator. Within seven (7) calendar days thereafter, the other party shall agree in writing or propose an alternate name(s). If there is no agreement within fourteen (14) calendar days, the Minister of Labour for the Province of Ontario shall have the power to effect such appointment upon application thereto by the party invoking the arbitration procedure. No person may be appointed as an arbitrator who has been involved in an attempt to negotiate or settle the grievance.

Subject to Article 9.14, once appointed, the sole arbitrator shall have all powers as set out in Section 50 of the *Labour Relations Act*, including the power to mediate/arbitrate the grievance, to impose a settlement and to limit evidence and submissions.

- 9.11 For all other grievances, the matter shall be determined by a three (3) person Board of Arbitration, unless the parties agree to proceed under Article 9.11. The party requesting arbitration shall, at the time of notification of its decision to submit the difference or allegation to arbitration shall name a nominee. Within seven (7) calendar days thereafter the other party shall name a nominee. However, if such party fails to name a nominee as herein required, the Minister of Labour for the Province of Ontario shall have the power to effect such appointment upon application by the party invoking the arbitration procedure. The two (2) nominees, or the parties, if they have agreed not to utilize nominees shall attempt to select by agreement a chair of the arbitration board. If they are unable to agree upon such a chair within a period of fourteen (14) calendar days they shall then request the Minister of Labour for the province of Ontario to appoint a chair. No person may be appointed as an arbitrator who has been involved in an attempt to negotiate or settle the grievance.

Subject to Article 9.14, once appointed, the Board of Arbitration shall have all powers as set out in Section 50 of the *Labour Relations Act*, including the power to mediate/arbitrate the grievance, to impose a settlement and to limit evidence and submissions.

- 9.12 No matter may be submitted to arbitration which has not been properly carried through all requisite steps of the Grievance Procedure.
- 9.13 The Arbitration Board shall not be authorized to make any decision inconsistent with the provisions of this Agreement, nor to alter, modify, add to or amend any part of this Agreement.
- 9.14 The proceedings of the Arbitration Board will be expedited by the parties hereto and the decision of the majority and where there is no majority the decision of the chair will be final and binding upon the parties hereto and the employee(s) concerned.
- 9.15 Each of the parties hereto will bear the expense of the nominee appointed by it and the parties will share equally the fees and expenses, if any, of the chair of the Arbitration Board.
- 9.16 The time limits set out in the Grievance and Arbitration Procedures herein are mandatory and failure to comply strictly with such time limits except by the written agreement of the parties, shall result in the grievance being deemed to have been abandoned subject only to the provisions of Section 48(16) of *The Labour Relations Act*.

ARTICLE 10 - ORIENTATION AND INSERVICE

- 10.01 The Employer recognizes the need for a Hospital Orientation Program of such duration as it may deem appropriate taking into consideration the needs of the Employer and the employees involved.
- 10.02 Employees who displace other employees in the event of a long-term layoff, employees recalled from layoff, employees whose probationary period has been extended under Article 12.01, and employees who are transferred on a permanent basis may be provided any orientation determined necessary by the Employer for the purposes of allowing the employee to assume satisfactorily the duties of such position. A request by such an employee for orientation shall not be unreasonably denied.
- 10.03 Both the Employer and the Union recognize their joint responsibility and commitment to provide, and to participate in, in-service education. The Union supports the principle of its members' responsibility for their own professional development and the Employer will endeavour to provide programs related to the requirements of the Employer. Such programs will be publicized.
- 10.04 (a) When an employee is on duty and is authorized to attend any in-service program within the workplace and during their regularly scheduled working hours the employee shall suffer no loss of regular pay. Should the Employer require an employee to acquire upgraded or specific skills on the work unit, the Employer will pay for attendance at such training at regular wages and will also pay for tuition and materials.
- (b) Where the employer requires e-learning, it will make reasonable efforts to enable hospital e-learning requirements during an employee's regular working hours. Where an employee is unable to complete required hospital e-learning outside of their regular working hours, the hospital will identify in advance the time that will be paid at their regular straight time hourly rate of pay.
- Part-time employees will be credited with seniority and service for all such hours paid as provided above while engaged in such learning opportunities.
- 10.05 Technological Change
- (a) The Employer undertakes to notify the Union in advance, so far as practicable, of any technological changes which the Employer has decided to introduce which will significantly change the status of the employee within the bargaining unit.
- The Employer agrees to discuss with the Union the effect of such technological changes on the employment status of the employees

and to consider practical ways and means of minimizing the adverse effect, if any, on the employees concerned.

Employees who are subject to layoff due to technological change will be given notice of such layoff at the earliest reasonable time and in keeping with the requirements of the applicable legislation and the provisions of Article 12.07 will apply.

- (b) Where technological change is being implemented and new or greater skills are required than are already possessed by affected employees under the present methods of operation, such employees shall be given a period of training, with due consideration being given to the employee's age and previous educational background, during which they may perfect or acquire the skills necessitated by the new method of operation. The Employer will assume the cost of tuition and travel. There shall be no reduction in wage or salary rates during the training period of any such employee. Training shall be given during the hours of work wherever possible and may extend for up to six (6) months.

- 10.06
- (a) Where there are vacant positions available under Article 12 but an employee who has received notice of layoff is not qualified to perform the available work, and such employee is not able to displace another employee under Article 12, the employee will be provided with a maximum of twelve (12) weeks training provided that this training would result in the employee being qualified to do the work available. In determining the position for which training will be provided the Employer shall take account of the employees stated preference.
 - (b) Where an employee receives training under this provision, they need not be considered for any further vacancies for a period of six (6) months from the date they are placed in the position.

ARTICLE 11 - ACCESS TO FILES

- 11.01 A copy of any completed evaluation which is to be placed in an employee's file shall be first reviewed with the employee. The employee shall initial such evaluation as having been read and shall have the opportunity to add their views to such evaluation prior to it being placed in their file. It is understood that such evaluations do not constitute disciplinary action by the Employer against the employee.

Each employee shall have reasonable access to all their files for the purpose of reviewing their contents in the presence of their supervisor. A copy of the evaluation will be provided to the employee at their request. A request by an employee for a copy of other documents in their file will not be unreasonably denied.

Notwithstanding Article 11.02, upon review of the file, should the employee believe that any counselling or coaching letter is no longer applicable, they may request that such documentation be removed. Such request shall not be unreasonably denied.

- 11.02 Any letter of reprimand, suspension or other sanction will be removed from the record of an employee eighteen (18) months following the receipt of such letter, suspension or other sanction provided that such employee's record has been discipline free for one year.

ARTICLE 12 - SENIORITY

- 12.01 (a) A new employee will be considered to be on probation until they have completed forty-five (45) days of work (or 337.5 hours of work for employees whose regular hours of work are other than the standard work day), within any twelve (12) calendar months. Upon completion of the probationary period, they shall be credited with seniority equal to forty-five working days.
- (b) i) With the written consent of the Employer, the probationary employee and the Bargaining Unit President or designate, such probationary period may be extended. Where the Employer requests an extension of the probationary period, it will provide notice to the Union at least fourteen (14) calendar days prior to the expected date of expiration of the initial probationary period. It is understood and agreed that any extension to the probationary period will not exceed an additional thirty (30) tours (225 hours) worked and, where requested, the Employer will advise the employee and the Union of the basis of such extension.
- ii) The parties recognize that ongoing feedback about the employee's progress is important to the probationary employee.
- (c) An employee who transfers from casual or regular part-time to full-time status or vice versa shall not be required to serve a probationary period where such employee has previously completed one since their date of last hire. Where no such probationary period has been served, the number of tours worked (hours worked for employees whose regular hours of work are other than the standard work day) during the nine months immediately preceding the transfer shall be credited towards the probationary period.
- 12.02 (a) A seniority list shall be established for all full-time employees covered by this Agreement who have completed their probationary period. For information purposes only, the names of all full-time probationary employees shall be included in the seniority list.

- (b) A seniority list shall be established for all regular part-time employees covered by this Agreement who have completed their probationary period. For information purposes only, the names of all regular part-time probationary employees shall be included in the seniority list. Seniority on such lists will be expressed in terms of total hours worked.
- (c) A seniority list shall be maintained for casual part-time employees for the purposes of Article 12.06 only. Seniority on such lists will be expressed in terms of total hours worked and will be applicable solely for purposes of Article 12.06.
- (d) A copy of the current seniority list will be filed with the Bargaining Unit President, or designate, on request and on December 1st and June 1st of each year. A copy of the seniority list shall also be posted at the same time.

12.03 An employee's full seniority and service shall be retained by the employee in the event that the employee is transferred from full-time to part-time or in the event the employee is transferred from casual to regular part-time or vice-versa. An employee whose status is changed from full-time to part time shall receive credit for their full seniority and service on the basis of 1500 hours worked for each year of full-time seniority or service. An employee whose status is changed from part-time to full-time shall receive credit for their full seniority and service on the basis of one year of seniority or service for each 1500 hours worked. Any time worked in excess of an equivalent shall be pro-rated at the time of transfer. For the purpose of job posting competitions only, part-time seniority, once converted to a date, shall not precede the part-time employee's date of hire.

12.04 If a full-time employee's absence without pay from the workplace including absences under Article 13, Leaves of Absence, exceeds thirty (30) continuous calendar days the employee will not accumulate seniority or service for any purposes under the Collective Agreement for the period of the absence in excess of thirty (30) continuous calendar days unless otherwise provided and the employee will become responsible for full payment of any subsidized employee benefits in which they are entitled to participate during the period of absence. In the case of unpaid approved leaves of absence in excess of thirty (30) continuous calendar days an employee may arrange with the Employer to prepay the full premium of any applicable subsidized benefits during the period of leave in excess of thirty (30) continuous calendar days to ensure continuing coverage.

Notwithstanding this provision, seniority shall accrue if an employee's absence is due to disability.

Notwithstanding this provision, seniority and service will accrue and the Employer will continue to pay the premiums for benefit plans for employees for a period of up to seventeen (17) weeks while an employee is on pregnancy leave under Article 13.07 and while an employee is on parental

leave under Article 13.08 for a period of up to eighteen (18) weeks or the maximum allowed under the Employment Standards Act, the Employment Insurance Act or other applicable legislation, whichever is greatest. Seniority and service will accrue for an adoptive parent or a natural father for a period of up to thirty-five (35) weeks or the maximum allowed under Employment Standards Act, the Employment Insurance Act or other applicable legislation while on parental leave under Article 13.08.

NOTE 1: The accrual of seniority and service for employees on pregnancy and parental leave applies to both full-time and part-time employees.

NOTE 2: This clause shall be interpreted in a manner consistent with the *Ontario Human Rights Code*.

12.05 Seniority for part-time employees shall accrue for absences due to a disability in excess of thirty (30) consecutive calendar days. The rate of accumulation will be based on the employee's normal weekly hours paid over the preceding qualifying twenty-six (26) weeks. A qualifying week is a week where the employee is not absent due to vacation, pregnancy-parental leave, WSIB, or illness or injury that exceeds thirty (30) consecutive calendar days.

12.06 Loss of Seniority

An employee shall lose all service and seniority and shall be deemed to have terminated if the employee:

- (a) resigns
- (b) retires
- (c) is discharged and not reinstated through the grievance and arbitration procedures
- (d) has been laid off for twenty-four (24) months
- (e) is absent from scheduled work for a period of three (3) or more consecutive working days without notifying the Employer of such absence and providing a reason satisfactory to the Employer.
- (f) fails to return to work (subject to the provisions of 12.05(e)) upon termination of an authorized leave of absence without permission in writing from the Employer. Such permission will not be unreasonably denied.
- (g) if the employee has been laid off and fails to return to work within fifteen (15) calendar days after the employee has been notified of a recall by the Employer, through registered mail, addressed to the last

address on the records of the Employer; or such further period of time as may be agreed upon by the parties.

NOTE: This clause shall be interpreted in a manner consistent with the *Ontario Human Rights Code*.

- 12.07 (a) i) Where a permanent vacancy occurs in a classification within the bargaining unit or a new position within the bargaining unit is established by the Employer, such vacancy shall be posted for a period of seven (7) consecutive calendar days. All applications are to be made in writing within the posting period. Subsequent vacancies created by the filling of a posted vacancy are to be posted for five (5) consecutive days.
- ii) A copy of all job postings will be provided to the local Union at the time of posting. As well, the names of the successful candidate will be provided.
- iii) The job posting provisions take precedence over any recall rights that employees may have under this agreement, unless otherwise provided herein.

Where a full-time employee on layoff is the successful candidate for a vacant part-time position, they shall retain recall rights to their former position in the full-time bargaining unit for a period of six months from the date of their layoff. This shall also apply to a part-time employee on layoff who is the successful candidate for a vacant full-time position. In these circumstances, the job posting provisions will not apply.

- (b) An employee may make a written request for transfer by advising the Employer and filing a Request for Transfer form indicating their name, qualifications, experience, present area of assignment, seniority and requested area of assignment. A Request for Transfer shall become active as of the date it is received by the Employer and shall remain so until December 31 following. Such requests will be considered as applications for posted vacancies and subsequent vacancies created by the filling of a posted vacancy.

At the request of the employee, the Employer will discuss with unsuccessful applicants ways in which they can improve their qualifications for future postings.

- (c) Notification to Unsuccessful Job Applicants

The parties agree that any unsuccessful candidate for an ONA job posting will be notified, in writing, within one (1) week of the decision being made and prior to the posting of the name of the successful candidate.

The parties further agree that the above notification will be copied to the ONA Bargaining Unit President.

- (d) Employees shall be selected for positions under 12.07 (a) on the basis of their ability, experience and qualifications. Where these factors are relatively equal amongst the employees considered, seniority shall govern providing the successful applicant, if any, is qualified to perform the available work within an appropriate familiarization period. Where seniority governs, the most senior applicant, regardless of their full-time or part-time ONA clerical bargaining unit, will be selected.

The successful applicant will be placed in the vacancy for a trial period not exceeding thirty (30) working days and if the employee proves satisfactory, then they shall be considered permanently assigned to the vacancy. If the employee proves unsatisfactory during that time, or if the employee feels they are unable to perform the duties of the vacancy to which they are posted, the employee will be returned to their former position at their former salary or rate of pay, and the filling of subsequent vacancies will likewise be reversed.

- (e) Vacancies which are not expected to exceed sixty (60) calendar days and vacancies caused due to illness, accident, leaves of absence (including pregnancy and parental) may be filled at the discretion of the Employer. In filling such vacancies consideration shall be given to regular part-time employees in the bargaining unit on the basis of seniority who are qualified to perform the work in question. If the temporary vacancy is not filled by a regular part-time employee, consideration will be given to casual part-time employees in the bargaining unit on the basis of seniority who are qualified to perform the work in question, prior to utilizing non-bargaining unit employees supplied by an agency or registry. It is understood, however, that where such vacancies occur on short notice, failure to offer part-time employees such work shall not result in any claim for pay for time not worked while proper arrangements are made to fill the vacancy. Where part-time employees fill temporary full-time vacancies, such employees shall be considered regular part-time and shall be covered by the part-time provisions of the collective agreement. Upon completion of the temporary vacancy, such employee shall be reinstated to their former position unless the position has been discontinued, in which case the employee shall be given a comparable job.
- (f) Vacancies due to illness, accident, leave of absence (including pregnancy and parental) which are expected to exceed sixty (60) calendar days will be posted in accordance with Article 12.07 (a).
- (g) The Employer shall have the right to fill any permanent vacancy on a temporary basis until the posting procedure or the Request for Transfer procedure provided herein has been complied with and

arrangements have been made to permit the employee selected to fill the vacancy to be assigned to the job.

- (h) An employee selected as a result of a posted vacancy or a Request for Transfer need not be considered for a further permanent vacancy for a period of up to six (6) months from the date of their selection. This does not apply to employees applying for vacancies or requesting a transfer to full-time or regular part-time positions posted in accordance with Article 12.07.

12.08 Layoff

- (a) A short term layoff shall mean:
 - i) a layoff resulting from a planned temporary closure of any part of the Employer's workplace during all or part of the months of July and August (a summer shutdown) or during the period between December 15th and January 15th inclusive (Christmas shutdown); or
 - ii) a layoff resulting from a planned temporary closure, not anticipated to exceed six months in length, of any part of the Employer's workplace for the purpose of construction or renovations; or
 - iii) any other temporary layoff which is not anticipated to exceed three (3) months in length.
- (b) In the event of a short term layoff, the Employer shall provide the local Union with no less than 30 calendar days' notice.
- (c) Cancellation of single or partial shifts shall not be considered a layoff, however it will be conducted on the basis of the reverse seniority of employees in the classification affected. A partial or single shift reassignment will not be considered a layoff, however it will also be conducted on the basis of reverse seniority in the classification affected.
- (d) An employee who has been notified of a short-term layoff may:
 - i) accept the layoff; or
 - ii) opt to retire if eligible under the terms of the Employer's pension plan as outlined in Article 19; or
 - iii) elect to transfer to a vacant position, provided they are qualified to perform the available work; or
 - iv) displace the least senior employee in the bargaining unit whose work they are qualified to perform.

- (e) A "long-term layoff" shall mean any layoff which is not a short-term layoff.
- (f) In the event of a proposed layoff at the Hospital of a permanent or long-term nature the Hospital shall:
 - i) provide the Union with no less than five (5) months written notice of the proposed layoff or elimination of position; and
 - ii) provide to the affected employee(s) no less than five (5) months written notice of layoff.
- (g) An employee who has been notified of a long-term layoff may
 - i) accept the layoff; or
 - ii) opt to retire if eligible under the terms of the Employer's pension plan as outlined in Article 19; or
 - iii) elect to transfer to a vacant position provided that they are qualified to perform the available work; or
 - iv) displace another employee, in any classification for which qualified, and who has lesser bargaining unit seniority and who is the least senior employee on a unit or area whose work the employee subject to layoff is qualified to perform.
- (h) In all cases of layoff, the Employer shall meet with the local Union to review the following:
 - i) the reasons for the layoff and the expected duration of the layoff if short term
 - ii) the service which the Employer will undertake after the layoff;
 - iii) the method of implementation including the areas of cut-back and the employees to be laid off; and
 - iv) any limits which the parties may agree on the number of employees who may be newly assigned to a unit or area.

Note: Where any proposed layoff results in the subsequent displacement of any member(s) of the bargaining unit, the original notice to the Union provided above shall be considered notice to the Union of any subsequent layoff.

12.09 In the event of a layoff, employees shall be laid off in the reverse order of seniority provided that the employees who are entitled to remain on the basis of seniority are qualified to perform the available work. Subject to the foregoing, probationary employees shall be first laid off.

- 12.10
- (a) Any agreement between the Employer and the Union concerning the method of implementation of a layoff shall take precedence over the terms of this article. The unavailability of a representative of the Union shall not delay any meeting regarding layoffs or staff reductions.
 - (b) Where a vacancy occurs in a position following a layoff hereunder as a result of which an employee has been transferred to another position, the affected employee will be offered the opportunity to return to their former position providing such vacancy occurs within six (6) months of the date of layoff. Where the employee returns to their former position there shall be no obligation to consider the vacancy under Article 12.06. Where the employee refuses the opportunity to return to their former position the employee shall advise the Employer in writing.
 - (c) No reduction in hours or work shall take place to prevent or reduce the impact of a layoff without the consent of the Union. In the event that the Employer has an operational requirement for such reduction in hours to reduce the impact of layoff, such consent by the Union will not be unreasonably withheld.
 - (d) All regular part-time and full-time employees represented by the Union who are on layoff will be given a job opportunity in the full-time and regular part-time categories as per Article 12.09 before any new employee is hired into either category.
 - (e) Full-time and part-time layoff and recall rights shall be separate.
 - (f) Casual part-time employees shall not be utilized while full-time or regular part-time employees remain on layoff, unless the provisions of Article 12.09 have been complied with.
 - (g) In this Article (12.08), a "vacant position" shall mean a position for which the posting process has been completed and no successful applicant has been appointed.
- 12.11 Full-time and regular part-time employees shall be recalled in the order of seniority subject to the following provisions, provided that an employee recalled is qualified to perform the available work.
- (a) Full-time and regular part-time employees on layoff may notify the Employer of their interest in accepting occasional vacancies and/or temporary vacancies which may arise and for which they are qualified. Such notification of interest shall state any restrictions on the type of assignment which an employee is willing to accept, and shall remain valid for six weeks. However, if an employee declines an occasional or temporary vacancy the Employer shall not be obliged to call upon the employee again during the balance of such six-week period.

- (b) For the purposes of this article, an "occasional vacancy" shall mean an assignment which is anticipated not to exceed five shifts (37.5 hours). Occasional vacancies shall be offered first to regular part-time employees on layoff who have expressed interest, and if no such part-time employee accepts then to full-time employees on layoff who have expressed interest, and if no such full-time employee accepts then to casual part-time employees.
- (c) For the purposes of this article, a "temporary vacancy" shall mean an assignment which is anticipated to exceed five shifts (37.5 hours). Temporary vacancies which arise in the full-time bargaining unit shall be offered by seniority first to full-time employees on layoff who have expressed interest, and if no such full-time employee accepts then by seniority to regular part-time employees on layoff who have expressed interest, and if no such part-time employee accepts then to casual part-time employees. Temporary vacancies which arise in the part-time unit shall be offered by seniority first to regular part-time employees on layoff who have expressed interest, and if no such part-time employee accepts then by seniority to full-time employees on layoff who have expressed interest, and if no such full-time employee accepts then to casual part-time employees.
- (d) An employee to whom an occasional or temporary vacancy is offered may accept or decline such vacancy and in either case shall maintain their position on the recall list.

The acceptance of a temporary or occasional vacancy that is anticipated to exceed sixty (60) calendar days shall be considered a recall from layoff for purposes of Article 12.05(c). No new notice of layoff will be required and the employee will be deemed to be laid off at the conclusion of the temporary or occasional vacancy.

A full-time employee on layoff who accepts a temporary full-time vacancy within thirty (30) days of the effective day of layoff will continue to receive benefit coverage for the duration of the temporary vacancy.

A full-time employee who has worked for more than 600 hours in 140 calendar days as the result of accepting one or more temporary vacancies shall thereafter be eligible for benefit coverage as a full-time employee and shall be paid accordingly, and shall continue to receive benefit coverage so long as they continue to fill a temporary vacancy and such full-time employee shall accrue seniority in the manner prescribed for full-time employees throughout the period of employment.

Otherwise, a full-time employee who accepts a temporary or occasional vacancy shall be paid their regular full-time rate of pay together with a percentage payment in lieu of benefits at the rate specified for part-time employees.

A full-time employee who accepts a temporary part-time vacancy or occasional vacancies as provided herein will accrue seniority throughout the period of such employment in the manner prescribed for part-time employees.

A part-time employee who accepts a temporary or occasional vacancy will accrue seniority throughout the period of such employment in the manner prescribed for part-time employees.

- 12.12 (a) An employee who is transferred to a position outside of the bargaining unit for a period of not more than three (3) months, shall not suffer any loss of seniority, service or benefits.

An employee who is transferred to a position outside of the bargaining unit for a period of more than three (3) months, but not more than one (1) year, or in the case of pregnancy or parental leave up to eighteen (18) months shall retain, but not accumulate, their seniority held at the time of the transfer. In the event the employee is returned to a position in the bargaining unit, they shall be credited with seniority held at the time of transfer and resume accumulation from the date of their return to the bargaining unit.

An employee must remain in the bargaining unit for a period of at least three (3) months before transferring out of the bargaining unit again or they will lose all seniority held at the time of the subsequent transfer.

- (b) In the event that an employee is transferred to a position outside of the bargaining unit for a period in excess of one (1) year, or in the case of pregnancy or parental leave up to eighteen (18) months, they will lose all seniority held at the time of transfer. In the event the employee is returned to a position in the bargaining unit, the employee's seniority will accrue from the date of their return to the bargaining unit.
- (c) It is understood and agreed that an employee may decline such offer to transfer and that the period of time referred to above may be extended by agreement of the parties.
- (d) The Employer agrees that it will not make work assignments that violate the purpose and intent of this provision. The Employer will advise the Bargaining Unit of the names of any employees performing the duties of positions outside of the bargaining unit pursuant to Articles 12.11 and/or 21.03 (b), the date the assignment commenced, the area of assignment and the duration of such assignments.

- 12.13 (a) Employees not covered by the terms of this Agreement, will not perform the duties normally assigned to those employees who are covered by this Agreement, except for the purposes of instruction,

experimentation, or in emergencies, when regular employees are not available.

- (b) The Employer shall not contract out any work usually performed by members of the bargaining unit if, as a result of such contracting out, a layoff of any employees, other than casual part-time employees, results from such contracting out.
- (c) Notwithstanding the foregoing, the Employer may contract out work usually performed by members of the bargaining unit without such contracting-out constituting a breach of this provision if the Employer provides in its commercial arrangement contracting out the work that the contractor to whom the work is being contracted, and any subsequent such contractor, agrees:
 - i) to employ the employees thus displaced from the Employer; and
 - ii) in doing so to stand, with respect to that work, in the place of the Hospital for the purposes of the Hospital's collective agreement with the Union, and to execute into an agreement with the Union to that effect.

In order to ensure compliance with this provision, the Employer agrees that it will withdraw the work from any contractor who has failed to meet the aforesaid terms of the contracting-out arrangement.

- 12.14
- (a) Local Human Resource Plans will apply to Health Services Restructuring Commission directives. In other circumstances, the balance of this Article will apply.
 - (b) At the time of issuing notice of long term layoff pursuant to Article 12.08, the Employer will offer early retirement allowance to a sufficient number of employees eligible for early retirement under the Employer's pension plan, in order of seniority, to the extent that the maximum number of employees in either full-time or regular part-time status who elect early retirement is equivalent to the number of employees who would otherwise be subject to layoff under Article 12.08.

An employee who elects an early retirement option shall receive, following completion of the last day of work, a retirement allowance of two (2) weeks' salary for each year of service, to a maximum ceiling of fifty-two (52) weeks' salary.

For a regular part-time employee, the retirement allowance will be based on the employee's normal weekly hours. The normal weekly hours shall be calculated by using the same time period used for calculation of the Employment Insurance benefit.

- (c) Where an employee has received individual notice of long term layoff under Article 12.07 such employee may resign and receive a separation allowance as follows:
- i) Where an employee resigns effective within thirty (30) days after receiving individual notice of long term layoff, they shall be entitled to a separation allowance of two (2) weeks' salary for each year of continuous service to a maximum of sixteen (16) weeks' pay, and, on production of receipts from an approved educational program, within twelve (12) months of resignation will be reimbursed for tuition fees up to a maximum of three thousand (\$3,000.00) dollars.
 - ii) Where an employee resigns effective later than thirty (30) days after receiving individual notice of long term layoff, they shall be entitled to a separation allowance of four (4) weeks' salary, and, on production of receipts from an approved educational program, within twelve (12) months of resignation will be reimbursed for tuition fees up to a maximum of one thousand two hundred and fifty (\$1,250.00) dollars.

12.15 The Employer and the Union will utilize the services of HSTAP or such other labour adjustment service provider as the local parties may agree upon for purposes of a jobs registry and for counselling, adjustment, training and development services.

NOTE 1: Seniority lists and layoff and recall rights of part-time employees shall be separate from full-time employees.

NOTE 2: The seniority list referred to in Article 12.02 shall include any other information that is currently provided to the Union.

ARTICLE 13 - LEAVES OF ABSENCE

13.01 The Employer may grant Leaves of Absence without pay to any employee for personal reasons, upon written application by the employee explaining the purpose of such leave. Such leave shall be confirmed in writing by the Employer within fourteen (14) days, except in cases of emergency and shall specify the date on which the employee is required to return to work. Such leave shall not be unreasonably withheld.

13.02 Leave for Union Business

- (a) The Employer agrees to grant leaves of absence, without pay, to employees selected by the Union to attend Union business including but not limited to conferences, conventions and Provincial Committee meetings provided that the number of bargaining unit members on such leave does not exceed two (2) bargaining unit members at any one time. The total time of absence for all

bargaining unit members granted under this clause shall not exceed an aggregate of sixty (60) days in a calendar year and providing the granting of such leave does not interfere with the efficient operations of the workplace. A bargaining unit member who is on a scheduled day off on a day that they are required to attend Union functions will, if they so requests and where possible, be granted an alternate day off without pay at a mutually agreeable time. The original scheduled day off will then be treated as a leave of absence for Union business. Employees shall notify the Employer of their request for union leave at least ten (10) days in advance when possible. Part-time employees will receive service and seniority credit for all leaves granted under this Article.

- (b) Upon application in writing by the Union on behalf of an employee to the Hospital, an unpaid leave of absence may be granted to such employee selected for a secondment or a temporary staff position with the Ontario Nurses' Association. Such leave shall not be unreasonably denied or extended beyond twelve (12) months. Notwithstanding Article 12.04, there shall be no loss of service or seniority for an employee during such leave of absence. It is understood that during such leave the employee shall be deemed to be an employee of the Ontario Nurses' Association. The employee agrees to notify the Hospital of their intention to return to work at least two (2) weeks prior to the date of such return. The employee shall be reinstated to their former position, unless the position has been discontinued, in which case the employee shall be given a comparable job.

13.03 Local Coordinator Leave

The Employer agrees to grant leaves of absence, without pay, to employees elected to the position of Local Co-ordinator. Subject to reasonable notice, it is understood and agreed that a Local Co-ordinator shall be granted such leave(s) as they may require fulfilling the duties of the position whenever possible.

13.04 Leave, Board of Directors

An employee who is elected to the Board of Directors of the Ontario Nurses' Association, other than to the office of President, shall be granted upon request such leave(s) of absence as they may require to fulfil the duties of the position. Reasonable notice, sufficient to adequately allow the Employer to minimize disruption of its services, shall be given to the Employer for such leave of absence. Notwithstanding Article 12.04, there shall be no loss of seniority or service for a full-time employee during such leave of absence. There shall be no loss of seniority or service for a part-time employee during such leave of absence. Leave of absence under this provision shall be in addition to the Union leave provided in Article 13.02 above. During such leave of absence, the employee's salary and applicable benefits shall be maintained by the Employer and the Union agrees to

reimburse the Employer in the amount of the full cost of such salary and applicable benefits.

13.05 Leave, President, O.N.A.

Upon application in writing by the Union on behalf of the employee to the Employer, a leave of absence shall be granted to such employee elected to the office of President of the Ontario Nurses' Association for a period of up to three (3) consecutive two year terms. Notwithstanding Article 12.04, there shall be no loss of service or seniority for a full-time employee during such leave of absence. There shall be no loss of service or seniority for a part-time employee during such leave of absence. During such leave of absence, the employee's salary and applicable benefits shall be maintained by the Employer and the Union agrees to reimburse the Employer in the amount of the full cost of such salary and applicable benefits. It is understood, however, that during such leave the employee shall be deemed to be an employee of the Ontario Nurses' Association.

13.06 Bereavement Leave

- (a) An employee who notifies the Employer as soon as possible following a bereavement shall be granted four (4) consecutive working days off without loss of regular pay for scheduled hours, in conjunction with the day of the funeral or a memorial service of a member of their immediate family. "Immediate family" means parent, brother, sister, spouse, son, daughter, son-in-law, daughter-in-law, mother-in-law, father-in-law, brother-in-law, sister-in-law, grandparent, grandparent of spouse or grandchild. An employee shall be granted one (1) day bereavement leave without loss of regular earnings to attend the funeral of, or memorial service (or equivalent), for their aunt or uncle. "Spouse" for the purposes of bereavement leave will be defined as in the *Family Law Act*. "Spouse" for the purposes of bereavement leave will also include a partner of the same sex. Where an employee does not qualify under the above-noted conditions, the Employer may nonetheless grant a paid bereavement leave. The Employer, in its discretion, may extend such leave with or without pay.

Notwithstanding the above, individuals will be granted flexibility to distribute their bereavement leave entitlement over two (2) occasions, not exceeding three (3) days in total, in order to accommodate religious and cultural diversity.

- (b) Part-time employees will be credited with seniority and service for all such leave.
- (c) Individuals may request to utilize vacation and/or banked lieu time where extended travel is involved or where the bereavement relates to someone who otherwise does not qualify above. Such request will not be unreasonable denied.

13.07 Jury & Witness Duty

If a full-time or regular part-time employee is required to serve as a juror in any court of law, or is required to attend meetings at the written request of the Crown to prepare and/or to attend as a witness in a court proceeding in which the Crown is a party, or is required by subpoena to attend a court of law or coroner's inquest in connection with a case arising from the employee's duties at the workplace, the employee shall not lose regular pay because of such attendance and shall not be required to work on the day of such duty provided that the employee:

- (a) notifies the Employer immediately on the employee's notification that they will be required to attend court;
- (b) presents proof of service requiring the employee's attendance;
- (c) deposits with the Employer the full amount of compensation received excluding mileage, travelling and meal allowances and an official receipt where available.

13.08 Pregnancy Leave

Letter of Understanding
Re: Scheduling

During the 2023 round of collective bargaining, the parties discussed scheduling clerical staff across various departments / areas within the Organization, in order to better provide support in the case of absences such as leave, vacation, sick, etc. The Employer will meet with current clerical staff individually to discuss the requirement, effective date and ensure any departmental orientation is provided, as needed and requested by the Employee.

The parties agree that the reassignment will be on an ad-hoc basis for current employees and will occur within the same classification.

The parties are in agreement that the Employer will begin scheduling clerical staff in other areas on a go-forward basis, along with ensuring that future job postings are clear of this requirement.
