- B.2 Throughout this agreement, the term "Hospital" means the "St. Joseph's Care Group – St. Joseph's Hospital Site".

ARTICLE C – RELATIONSHIP

- C.1 A representative of the Union will be given an opportunity to interview each new nurse during the first three (3) days of her or his orientation period.

The Hospital will advise the Union monthly of the names, addresses and telephone numbers of those who have been hired and the date on which the nurse commenced employment and on request will arrange a place and time once each month for the said interview.

ARTICLE D – HOSPITAL MANAGEMENT RIGHTS

- D.1 The Union recognizes that the management of the Hospital and the direction of working forces are fixed exclusively in the Hospital and shall remain solely with the Hospital, except as specifically limited by the provisions of this Agreement and, without restricting the generality of the foregoing, the Union acknowledges that it is the exclusive function of the Hospital to:
- (a) maintain order, discipline and efficiency;
 - (b) hire, assign, discharge, direct, promote, demote, classify, transfer, lay-off, recall and suspend or otherwise discipline nurses, provided that a claim of discharge or discipline without just cause may be the subject of a grievance and dealt with as hereinafter provided;
 - (c) determine in the interest of efficient operation and highest standard of service, job rating or classification, the scheduling of hours of work, work assignments, methods of doing work and the working establishment for any service;

- E.2 The Grievance Committee will consist of not more than four (4) nurses, preferably from different departments of the Hospital, to represent both full-time and part-time nurses.
- E.3 The Hospital - Association Committee will consist of four (4) nurses from the Union, to represent both full-time and part-time nurses, an equal number of representatives from the Hospital and a nurse who is the recording secretary.
- E.4 A maximum of four (4) nurses from the Bargaining Unit, to represent both full-time and part-time, will be recognized for the Negotiating Committee in terms of pay.

- E.5 The Professional Development Committee will consist of two (2) representatives from the Bargaining Unit, one (1) of whom is full-time and one (1) of whom is part-time and an equal number of representatives from the Hospital. Each party may have alternates to replace a member from time to time.

The terms of reference shall be developed as per Article 9 of the Central Collective Agreement.

E.6 Joint Occupational Health and Safety Committee

The Hospital will recognize 1 bargaining unit employee(s) of the Joint Occupational Health and Safety Committee. When a regular member of the Committee is not available, she/he may be replaced by an alternate, appointed by the Union.

ARTICLE F – GRIEVANCE ARBITRATION HEARINGS

- F.1 Arbitrations shall be heard at Thunder Bay, Ontario, or at such other places as may be agreed upon by the Union and the Hospital.

ARTICLE G – SENIORITY

- G.1 Except in unusual circumstances, every nurse will endeavour to give at least four (4) weeks' notice of termination of her or his employment.

- G.2 The seniority list, as provided for in Article 10.02 Central, will be filed with the Union and posted on the local Intranet in the HR section on or before January 15th and July 15th of each year and shall be accurate to the end of the last pay period in the preceding month in each case. An electronic copy of same will be forwarded to the Labour Relations Officer.

- G.3 Full-time Hospital floats and weekend workers shall be considered a separate unit for the purposes of vacation, lay-off, recall and any other provision dealing with seniority rights.

A Hospital float is a registered nurse who is normally scheduled to work anywhere in the Hospital depending upon staffing needs.

A program float is a registered nurse who is normally scheduled to work anywhere within a program in the Hospital.

A program float shall be assigned to a unit within their program where the majority of their shifts are worked for the purposes of vacation, lay-off, recall and any other provision dealing with seniority rights.

ARTICLE H – UNION BUSINESS LEAVE OF ABSENCE

- H.1 No more than five (5) nurses at one time may be absent on Union business leave. Normally, only one (1) nurse from any area or department may be absent on Union business, however, subject to staffing requirements, appropriate advance notice and availability of replacement personnel, a second nurse may be allowed time off. The

number of days off in one (1) year by nurses in the full-time and part-time Bargaining Units will not exceed fifty (50) working days in total.

Except where circumstances do not permit, six (6) weeks advance notice for a leave will be required.

In the event members of the Bargaining Unit are elected to Provincial Committees, including any nurses elected to the position of Local Co-ordinator, additional time off as necessary to attend meetings will be granted. Such leave will be in addition to the fifty (50) days allocated to the Bargaining Unit. Such leave will be restricted to a maximum of two (2) nurses at one time from different departments and such two (2) nurses will be in addition to the maximum number of nurses outlined in paragraph 1 above.

Where a Union leave day is cancelled with forty-eight (48) or more hours' notice, the nurse whose leave was cancelled will be given back her or his tour to work.

H.2 Payment for Bargaining Unit President

It may become necessary for the Hospital Management to meet with the Bargaining Unit President to discuss matters arising out of the administration of the Collective Agreement as well as other labour-management issues.

Where the Hospital requests such meetings and the meetings are scheduled outside of the Bargaining Unit President's scheduled hours of work, then the Hospital will compensate the Bargaining Unit President for time spent at such meetings. Such compensation shall be in the form of payment at the Bargaining Unit President's straight time hourly rate. Such payment, however, shall not exceed a cumulative total of fifteen (15) hours per month. Such hours will be invisible for purposes of determining premium payment (i.e., these hours will not be counted for purposes of determining eligibility for premium payment on other hours worked).

To qualify for such payment, the Bargaining Unit President will submit, at the end of each month, a record of times and dates of these meetings to Human Resources. Payment will be issued on the Bargaining Unit President's next payroll cheque, subject to all applicable taxes. Notwithstanding the above, the Bargaining Unit President may, at the time of submitting the monthly record, request time off in lieu of payment. Human Resources and the Bargaining Unit President's Clinical Manager will consider such request. If approved, then the Clinical Manager and the Bargaining Unit President will mutually agree on when the time will be taken.

ARTICLE I – UNION BOARDS

- I.1 (a) The Hospital will provide union clipboards upon which the Union shall have the right, subject to the prior approval of Human Resources, to post notice of meetings, general meeting minutes and such other notices as may be of interest to the nurses.
- (b) The union clipboards will be provided in each client care area, at a location mutually agreed upon by the Clinical Manager and the Union.
- I.2 No notice from the Union may be posted unless it bears the signature of an authorized officer of the Union.

ARTICLE J – HOURS OF WORK

J.1 (Full-Time and Part-Time)

If a nurse opts to take her or his accumulated overtime as premium time off with pay, the Hospital will make every effort to give the nurse the time off when she or he requests it. Such time off shall be scheduled at a mutually agreeable time. The maximum allowable accumulation of overtime will be seventy-five (75) hours at any one time. The maximum allowable accumulation of overtime and hours accumulated under Article 8.02 will be seventy-five (75) at any one time. Overtime hours accrued in excess of seventy-five (75) hours will be paid out in the pay period immediately following that in which it was earned. There shall be equitable distribution of standby duty among nurses who normally take standby duty on a rotating basis.

J.2 Scheduling

Normally, the Hospital will schedule according to the following guidelines:

- (a) At least one (1) weekend off in three (3); a nurse will receive premium pay in accordance with the Central Agreement for all hours worked on a third and subsequent consecutive weekend, save and except where:
 - (i) such weekend has been worked by the nurse to satisfy specific days off requested by such nurse; or
 - (ii) such nurse has requested weekend work; or
 - (iii) such weekend is worked as the result of an exchange of shifts with another nurse. Such worked weekend shall not be counted as a worked weekend for premium pay purposes.
- (b) Schedules will be posted no less than four (4) weeks in advance.
- (c) Split tours will not be scheduled.
- (d) (Full-Time)

A nurse will be scheduled off at least one (1) period of two (2) consecutive days within a two (2) week period. Failure to do so will result in the nurse being paid one and one-half (1 ½) times her or his regular rate for all hours worked until she or he receives at least two (2) consecutive days off. The provisions of Article J.2 (d) do not apply in situations where the nurse agrees to a call-in or returns from standby. The provisions of Article 14.06 of the Central Collective Agreement apply.

(Part-Time)

A part-time nurse working an average of five (5) tours per week will be scheduled off at least one (1) period of two (2) consecutive days within a two (2) week period. Failure to do so will result in the nurse being paid one and one-half (1 ½) times her or his regular rate for all hours worked until she or he receives at least two (2) consecutive days off. The provisions of Article

J.2 (d) do not apply in situations where the nurse agrees to a call-in or returns from standby. The provisions of Article 14.06 of the Central Collective Agreement apply.

- (e) A nurse will be scheduled off for at least five (5) consecutive days at either Christmas (to include December 24th, 25th and 26th) or at New Year's (to include December 31st, January 1st and January 2nd), except in areas where the nursing complement is not normally scheduled to work weekends and paid holidays.

When scheduling time off at Christmas or New Year's, the following will occur:

- (i) a Christmas/New Year's time off request list shall be posted on each unit on or before September 1st in each year;
- (ii) this list will show what the nurse worked the last year and will request the nurse's preference for the current year;
- (iii) the list will come down September 21st;
- (iv) the Hospital will firstly alternate scheduling of Christmas/New Year's time taking into account what was worked the year previously. If the scheduling permits more staff to be off either Christmas or New Year's, the Hospital will look at the holiday request time and schedule off time in accordance with seniority;
- (v) the Christmas/New Year's time will be posted no less than six (6) weeks prior to Christmas;
- (vi) nurses may exchange shifts in accordance with J.2 (f) in order that they may either have both Christmas and New Year's periods off or, if they wish, to work both the Christmas and New Year's periods.

The scheduling objectives outlined in J.2, other than J.2 (e), may be waived if necessary to provide a workable schedule for the period of December 15th to January 15th.

- (f) A request by a nurse for a change in the posted schedule must be submitted in writing at least fourteen (14) calendar days and no more than six (6) weeks prior to the date requested, co-signed by the nurse willing to exchange and approved by the Hospital. Approved requests will be confirmed on "Staffright" within seven (7) calendar days of granting the exchange. Requests for shift exchanges will be considered with less notice in extenuating circumstances.

Full-time nurses shall be allowed to exchange scheduled tours with part-time nurses and vice-versa. Shift exchanges between nurses must occur within the posted schedule.

- (g) No less than fifteen and one-half (15 ½) hours will be scheduled off between tour changes without the consent of the nurse. The Hospital will endeavour to schedule no less than forty-eight (48) hours off after night tour. A nurse will be paid premium pay in accordance with Article 14.03 of the Central Agreement for all time worked until fifteen and one-half (15 ½) hours has

elapsed since the end of her or his last shift worked if the nurse has not consented to the short change.

(h) (Full-Time)

A nurse will not normally be scheduled to work more than six (6) consecutive days. If a nurse works in excess of six (6) consecutive days, she or he shall be paid time and one-half for all hours worked until she or he receives at least two (2) days off.

The provisions of Article J.2 (h) do not apply in situations where the nurse agrees to a call-in or returns from standby. The provisions of Article 14.06 of the Central Collective Agreement apply.

(Part-Time)

A nurse will not be scheduled to work more than six (6) consecutive days and the Hospital will endeavour not to schedule her or him more than five (5) consecutive days. A nurse who is scheduled to work more than six (6) consecutive days shall be paid time and one-half for all hours worked in excess of six (6) consecutive days until she or he receives at least forty-eight (48) hours off.

The provisions of Article J.2 (h) do not apply in situations where the nurse agrees to a call-in or returns from standby. The provisions of Article 14.06 of the Central Collective Agreement apply.

(i) (Full-Time)

If a nurse rotates on day tour and at least one (1) other shift, the Hospital will endeavour to schedule at least fifty percent (50%) of the time worked on day shift. Nurses will not be required to rotate on more than two (2) shifts.

Nurses will normally be scheduled days/evenings or days/nights. For the purpose of calculation of the fifty percent (50%), a six (6) week period will be used.

(Part-Time)

Nurses shall not be required to rotate on more than two (2) shifts. All job postings must indicate days/evenings, days/nights or a permanent shift.

(j) (Full-Time)

The Hospital will develop schedules which will not involve changing tours of duty more than once during the work week.

(k) At least three (3) weeks prior to the posting of the time schedule, a nurse may make a request for specific time off in writing to the Hospital. Such requests shall not be unreasonably denied. The Hospital will respond in writing within two (2) weeks.

(l) The Hospital shall give nurses at least six (6) weeks' notice of any proposal to change scheduling rotations. Any changes made will be agreed upon by

the nurses, the Union and the Hospital. The Hospital will consider seniority rights when altering the scheduling rotations.

(m) (Part-Time)

All units will devise a scheduling module for regular part-time nurses which reflects the current number of tours usually worked by each regular part-time nurse and the nurse's regular part-time commitment.

(n) Hours of Work

The normal tour hours are as follows:

(i) For seven and one-half (7 ½) hour tours:

St. Joseph's Care Group Site

0730 – 1530;
1530 – 2330; or
2330 – 0730.

(ii) For extended tours (11.25 tours):

0730 – 1930; or
1930 – 0730.

The Hospital shall give nurses at least six (6) weeks' notice of any change to the normal hours of work. Any change in excess of sixty (60) minutes will be agreed upon by the Hospital, Union and the nurses.

(o) For the purposes of Article 14.10 (shift premium), the evening shift is defined as the hours of work between 1530 and 2330 hours.

For the purposes of Article 14.10 (shift premium), the night shift is defined as the hours of work between 2330 and 0730 hours.

For the purposes of Article 14.15, the weekend premium is payable for all hours worked between Friday 2330 hours to Sunday 2330 hours.

J.3 A weekend shall be defined as at least fifty-six (56) consecutive hours off between the end of her or his tour worked on Friday to the commencement of her or his first scheduled shift on Monday.

J.4 A regular part-time nurse must make the following commitment to be available to be scheduled for work on a regular predetermined basis as referred to in clause 2.05 of the Central Collective Agreement:

- (a) at least two (2) tours per week;
- (b) at least one (1) weekend in two (2);
- (c) over Christmas or New Year's;
- (d) during eleven (11) months of the year.

The commitment that a regular part-time nurse must make as specified herein is no guarantee that the nurse will be scheduled to work according to this commitment. Further, the simple working of this commitment does not automatically transform a casual nurse into a regular part-time nurse. Other part-time nurses will be casual.

The Hospital shall not schedule a regular part-time nurse in excess of her or his commitment, without the nurse's agreement.

Regular and casual part-time nurses will complete an availability form in writing and submit to the Staffing Office four (4) weeks' prior to the posting of the schedule. This availability will include the nurse's availability to work on other units whose work she or he is able to perform.

J.5

Distribution of Part-Time Available Tours

The Hospital will endeavour to schedule a regular part-time nurse up to her or his commitment in each posted week schedule.

Prior to the Posting of the Schedule

- (a) Until the schedule is posted, shifts available after scheduling full-time nurses will be scheduled for regular part-time nurses as follows:
 - (i) In accordance with the scheduling rotation of each client service area; then
 - (ii) Up to the commitment of each regular part-time nurse in that unit on the basis of seniority; then
 - (iii) When all regular part-time nurses have been given the opportunity to work up to their commitment, the Hospital will schedule additional tours for regular part-time and casual nurses on the basis of seniority as follows:
 - (1) Regular part-time nurses in that unit who have indicated their availability to be scheduled for additional tours, to the Hospital, in a manner determined by the Hospital, at least four (4) weeks prior to the posting of the schedule. For clarity, job-sharers may only indicate their availability for any tours which their partner is not currently scheduled on their full-time rotation.
 - (2) Regular part-time nurses in another unit who have indicated their availability to be scheduled for additional tours in the units where they are qualified, to the Hospital, in writing, at least four (4) weeks prior to the posting of the schedule.
 - (3) Casual part-time nurses who have indicated their availability to be scheduled for tours in the units where they are qualified, to the Hospital, in writing, at least four (4) weeks prior to the posting of the schedule.

- (4) If tours are still available, they will be offered to all regular part-time nurses then casual part-time.
- (5) It is understood that the Hospital shall not be required to offer any hours which may result in premium pay.
- (6) When a regular part-time or casual part-time nurse is assigned an additional tour in accordance with the above procedure, she or he must report for the tour unless arrangements satisfactory to the Hospital are made.

Nurses who have not submitted their availability to work additional tours beyond their commitment, need not be offered additional tours prior to the posting of the schedule.

(b) After Posting of the Schedule

- (i) When all regular part-time nurses have been given the opportunity to work up to their commitment, the Hospital will offer additional tours to nurses on the basis of seniority, subject to the provisions of the Employment Standards Act and the following:
 - (1) Additional tours will be offered as soon as they come available.
 - (2) Regular part-time nurses in that unit.
 - (3) Regular part-time nurses in another unit who have indicated their availability to work.
 - (4) Casual part-time nurses who have indicated their availability to work.
 - (5) If tours are still available, they will be offered to all regular part-time nurses then casual part-time.
 - (6) Nurses on that unit who will be in overtime.
 - (7) Nurses in another unit who will be in overtime.

NOTE: Job-sharers are considered regular part-time for the purposes of extra available work, however, since job-sharers are expected to cover their partner's absences, the job-sharers need not be offered extra work when their job-share partner is working.

NOTE: For the purposes of Article J.5 (b), the parties agree that full-time seniority dates will be converted to hours in accordance with the conversion formula in the Collective Agreement when seniority lists are revised (2x per year).

- (c) The parties agree that violations of the Local Issues of extra and unscheduled shifts, Article J.5 (b) of the Local Issues Collective Agreement, will be dealt with as follows:

The affected nurse will be offered a shift as an extra at a mutually agreed time. The extra shift will:

- (i) be the same number of hours as the missed opportunity;
- (ii) not result in premium pay unless the missed opportunity would have been a premium pay shift for the affected nurse;
- (iii) the affected nurse working as an extra will not be re-assigned to another unit to replace an absent nurse on the other unit.

Nothing herein requires the Hospital to call in a replacement on any shift where a nurse is working as an extra.

In the event the Hospital is unable or does not comply with the above, the Union reserves the right to grieve under the current Local Issues Collective Agreement.

J.6

If the Hospital agrees to a job-sharing agreement pursuant to Article 20.01 of the Central Agreement, the following conditions shall apply unless otherwise agreed to by the parties. There shall be no more than one (1) full-time job-sharing arrangement per unit. When the Hospital receives a request for job-sharing, she or he shall advise the Union before implementing the new job-sharing:

- (a) Job-sharing requests with regard to full-time positions shall be considered on an individual basis.
- (b) Total hours worked by the job-sharers shall equal one (1) full-time position. The division of these hours on the schedule shall be determined by mutual agreement between the two (2) nurses and the Clinical Manager of the unit.
- (c) The above schedules shall conform with the full-time scheduling provisions of the Collective Agreement.
- (d) Each job-sharer may exchange shifts with her or his partner, as well as with other nurses as provided by the Collective Agreement.
- (e) The job-sharers involved will have the right to determine which partner works on scheduled paid holidays and job-sharers shall only be required to work the number of paid holidays that a full-time nurse would be required to work.
- (f) Coverage
 - (i) It is expected that both job-sharers will cover each other's incidental illnesses. If one of the job-sharers is ill, she or he will report her or his illness in accordance with Nursing Policy. Job-sharers are not required to cover for their partner in the case of prolonged or extended absences. Job-sharers are not required to cover their partner during sick leave or vacation. Job-sharers are not responsible for arranging coverage for their position during an absence.

(ii) Vacation, Maternity Leave and Other Leaves Pursuant to Article 11 of the Central Agreement

In the event that one (1) member of the job-sharing arrangement goes on any of the above leaves of absence, the coverage will be arranged by the Hospital but it is hoped that the remaining member of the position would be prepared to cover the leave of absence as much as possible.

Implementation

- (g) Where the job-sharing arrangement arises out of the filling of a vacant full-time position, both job-sharing positions will be posted and selection will be based on the criteria set out in the Collective Agreement.
- (h) An incumbent full-time nurse wishing to share her or his position, may do so without having her or his half of the position posted. The other half of the job-sharing position will be posted and selection will be made on the criteria set out in the Collective Agreement.
- (i) If one of the job-sharers leaves the arrangement, her or his position will be posted. If there is no successful applicant to the position, the shared position must revert to a full-time position. The remaining nurse will have the option of continuing the full-time position or reverting to a part-time position for which she or he is qualified. If she or he does not continue full-time, the position must be posted according to the Collective Agreement.

Discontinuation

- (j) Either party may discontinue the job-sharing arrangement with ninety (90) days' notice. Upon receipt of such notice, a meeting shall be held between the parties within fifteen (15) days to discuss the discontinuation. It is understood and agreed that such discontinuation shall not be unreasonable or arbitrary.

members will be encouraged to take their allotted vacation within the vacation year.
