(a) Introduction and Discontinuation of Unit Weekend Schedule

- i) When eighty percent (80 %) of the employees on a Unit indicate, by secret ballot, their willingness to participate in a master schedule that accommodates the Unit Weekend Worker, the Union and the Employer will meet forthwith to arrange for such a trial. The secret ballot will be conducted solely by the Union and the Union will post the results.
- ii) A trial of the Unit Weekend Schedule will run for a nine (9) month period agreed upon by the parties. After five (5) months of the trial period, a meeting will be held with the unit, Hospital and the Union to evaluate the trial period and to make recommendations to improve the schedules, if needed. A further vote will then be conducted on the Unit. Where the nurses in the positions agree and at least eighty percent (80%) of the nurses on the unit indicate their willingness to continue with the new master, the arrangement will continue.

Carry over provisions:

Nurses in the Unit Weekend positions will be allowed to carry over paid holiday credits and their vacation bank credits.

O.5 Standby Assignments

- (a)
 - i) The Hospital will notify the Bargaining Unit President or designate prior to initiating ongoing standby assignments on any unit.
 - ii) Where standby is part of the rotation, it shall be posted for six (6) weeks, two (2) weeks in advance. Any changes to the standby assignment will be made at least forty-eight (48) hours in advance of the time the standby is in effect, except in situations of short notice, e.g. change due to illness. Changes shall be brought to the attention of the nurse.
- (b) The employer will endeavour to distribute standby duty equitably between Regular Part-time and Full-time employees.
- (c) In units where standby is required, and formal standby-pager guidelines exist, casual nurses may volunteer for such duty. O.6 Regular work schedules will not include split shifts.

O.7 It is agreed that an employee's availability for additional tours and/or overtime does not waive the employee's right to premium payment provided under this agreement. It is also agreed that an employee's availability does not constitute a request that waives a premium under the collective agreement.

O.8

- (a) Nurses who wish to be considered for additional and overtime/shifts attracting a scheduling premium shall notify the scheduling unit and/or Staffing Office of their availability in writing. Such notification of availability shall state any restrictions on the type of assignment which a nurse is willing to accept, and shall remain valid for the six (6) week schedule. The nurse will be responsible for updating and ensuring her/his availability is current and accurate.

However, if a nurse declines an offered tour for which she or he had indicated availability, the Hospital will not be obliged to call upon the nurse again during the balance of the week.

- (c) It is understood that the Hospital will not be required to offer tours which would result in overtime premium pay.
- (d) When a regular part-time nurse accepts an additional tour, she/he must report for that tour unless arrangements satisfactory to the Hospital are made;
- (e) Provided they are qualified and have the skill and ability, nurses may submit their availability to work additional tours to more than one unit, if to do so is in accordance with existing Hospital practice.

- (c) The above schedules shall conform with the scheduling provisions of the Full-time Collective Agreement.
- (d) Each job sharer may exchange tours with her/his partner, as well as with other nurses as provided by the Collective Agreement. A job sharer may exchange with nurses other than her or his partner only on scheduled tours off for the full time line.
- (e) The job sharers involved will have the right to determine which partner works on scheduled paid holidays and job sharers shall only be required to work the number of paid holidays that a full-time nurse would be required to work.

- Q.2 Coverage

It is expected that both job sharers will cover each other's incidental illnesses and vacation. If, because of unavoidable circumstances, one cannot cover the other, the Unit Supervisor must be notified to book coverage. Job sharers are not required to cover for their partner in the case of prolonged or extended absences. Job sharers shall be offered additional unscheduled tours only if they have made their availability known. It is understood that they may only make themselves available on tours when neither job share partner is scheduled and where such would not result in premium payment.
