If the date of the requested lieu day is within one week of the date such lieu day is requested, the Manager or delegate will make every reasonable effort to respond in writing no later than 24 hours prior to the date requested. G-14 Single Shift Reassignment (Reallocation)

When it is necessary to reassign staff from one (1) unit to another unit pursuant to Article 10.08 (a), when there is surplus staff, the parties agree that the need to ensure safe, quality care on both the sending and the receiving unit will be the primary consideration. Accordingly the selection of the nurse to be reassigned will be made in the following order:

- i) The reassignment will first be offered on a voluntary basis, subject to maintaining operational requirements and provided the nurse is qualified and able to perform the work in question.
- ii) In the event that there are no volunteers, any NRT assigned nurse on the unit will be reallocated. If there is no NRT assigned nurse, a partial or single shift reassignment will be done in rotation, on a reverse seniority basis (combined full-time/part-time), provided the nurse is qualified and able to perform the work in question.

The employer endeavours not to reassign nurses during their probationary period, except for in extenuating circumstances.

**ARTICLE H – HOURS OF WORK – 7.5 HOUR TOURS**

H-1 In scheduling tour rotations of full-time nurses, the following considerations shall apply:

- (a) There shall be two (2) consecutive tours off between a change of tours.
- (b) There shall be forty-eight (48) hours off following any individual night tour or consecutive night tours prior to working the next tour.
- (c) The length of working periods on evenings or nights rotation shall not exceed two (2) weeks in duration on each tour.
- (d) Should these regulations not be adhered to, a nurse shall be paid in accordance with Article 14.03 for all hours worked on the next scheduled shift.
- (e) The Hospital will provide rotations so that at least fifty percent (50%) of the tours shall be day tours; where this is not possible, there shall be equal distribution of tours between nurses who normally rotate within the area, to average over a calendar year.
- (f) Days off will count as belonging to the rotation just completed.

H-2 No full-time nurse will be scheduled to work more than seven (7) consecutive tours in a row without their consent, and the Hospital will endeavour to keep split tours off to a minimum. Should a full-time nurse be scheduled by the Hospital to work in excess of seven (7) consecutive tours, they shall be paid in accordance with Article 14.03 for those tours in excess of seven (7) consecutive tours. This premium will not apply when the full-time nurse works in excess of seven (7) consecutive tours at their request or as the result of an exchange of tour with another nurse.

H-3 The Hospital will endeavour to arrange time off in each Nursing Unit or area so as to permit all full-time nurses performing similar duties in such unit or area to have an equal number of weekends off. The Hospital shall further schedule one (1) weekend off in three (3). Should a full-time nurse be required to work the third (3rd) weekend (weekend as defined below), they shall be paid in accordance with Article 14.03 for every subsequent weekend worked until a weekend off is scheduled, except where:

- i) such weekend has been worked by a nurse to satisfy specific days off requested by such nurse, or
- ii) such nurse has requested weekend work, or

- iii) such weekend worked is a result of an exchange of tours with another nurse.

Weekends shall commence no later than 2300 hours on Friday of any scheduled weekend off, and will continue until the commencement of Monday day shift.

NOTE: A nurse working overtime in conjunction with their tour on Friday Day or Evening Tour as outlined in the above articles, will not in itself constitute a weekend for the purposes of the subsequent weekend premium.

H-4 For the purposes of clarity under 13.01, nurses on 7.5 hour tours shall be entitled to two 15-minute paid breaks and one 30-minute meal break. Both paid and unpaid meal breaks shall be taken in accordance with Manager approved unit practice.

H-5 Time off at Christmas and New Year's shall be deemed to commence at 0700 hours December 24th to 0700 hours on December 27th and 1500 hours on December 30th to 0700 hours on January 2nd. Should a nurse request to work the evening or night tour on December 30th, Article G-11 (c) shall not apply for December 30th.

Should the Hospital fail to adhere to this provision, the nurse(s) will be paid in accordance with Article 14.03 for all hours worked.

H-6 Between the second (2nd) Monday in December and the second (2nd) Monday in January, all scheduling regulations will be adhered to except for the following:

- (a) Article H-3 – provided that no nurse is required to work more than three (3) consecutive weekends without a weekend off; provided that the nurse's weekend entitlement average remains one (1) weekend off in three (3).

- (b) Article H-1-(c) and (f).

  - ii)    the Hospital because of
    - (a)    adverse effects on patient care,
    - (b)    inability to provide a workable staffing schedule,
    - (c)    where the Hospital wishes to do so for other reasons which are neither unreasonable nor arbitrary,
- states its intention to discontinue the extended tour in the schedule.
- (c)     When written notice of discontinuation is given by either party in accordance with paragraph (b) above, then:
- i)     the parties shall meet within two (2) weeks of the giving of notice to review the request for discontinuation; and
  - ii)    where it is determined that the extended tour will be discontinued, affected nurses shall be given sixty (60) days' notice before the schedules are so amended.
- I-2           In scheduling tour rotations of full-time nurses, the following shall apply:
- (a)     When scheduling tour rotation changes, there shall be sixteen (16) hours off between a change of tours.

- (b) There shall be forty-eight (48) hours off following any individual night tour or consecutive night tours prior to working the next tour.
- (c) The length of working periods on evenings or nights rotation shall not exceed two (2) weeks in duration on each tour.
- (d) Should these regulations not be adhered to, a nurse shall be paid in accordance with Article 14.03 for all hours worked on the next scheduled shift.
- (e) The Hospital will provide rotations so that at least fifty percent (50%) of the tours shall be day tours; where this is not possible, there shall be equal distribution of tours between nurses who normally rotate within the area, to average over a calendar year.
- (f) Days off will count as belonging to the rotation just completed.

I-3 Nurses shall not be scheduled to work more than three (3) consecutive tours. Should a nurse work more than three (3) consecutive tours, they shall be paid in accordance with Article 14.03 for all hours worked on the fourth (4th) and subsequent tours until time off is scheduled.

I-4 The Hospital shall schedule full-time Nurses every second weekend off. Should the nurse work the second weekend (weekend as defined in Article I-5), they will be paid in accordance with Article 14.03 for the second and subsequent weekend worked until a weekend off is scheduled except where:

- i) such weekend has been worked by a nurse to satisfy specific days off requested by such nurse, or
- ii) such nurse has requested weekend work, or
- iii) such weekend worked is the result of an exchange of tours with another nurse.

I-5 Weekends shall commence no later than 1900 hours on Friday of any scheduled weekend off, (except for where the 7.5 or 11.25 hour evening tour is scheduled) and will continue until the commencement of the Monday day shift.

  - ii) In scheduling vacation in each nursing unit or area, request for vacations by nurses performing similar duties shall be given consideration in accordance with the nurse's seniority. Should February 22nd fall on a Saturday or Sunday, nurses will have until 1500 hours on the Monday following February 22nd to indicate their preference. **Re: Nursing Resource Team (NRT) Charlton and Nursing Resource Team (NRT)  
Mental Health and Addictions Program (MHAP)**

---

Whereas the Hospital has implemented a Nursing Resource Team (NRT) at the Charlton site and in the MHAP, the Hospital and the Union are in agreement to the following conditions:

The NRTs at Charlton and West 5<sup>th</sup> will be considered as separate units for the purposes of vacation requests, Christmas/New Year's scheduling, leaves of absence, for the purposes of layoff and any other seniority or service entitlement under the collective agreement. The NRT may consist of full- time and part-time nurses.

NRTs may be utilized to fill temporary full-time vacancies due to sick leave absences, leaves of absence and pregnancy/parental leaves while the Employer makes proper arrangements to fill the vacancy under Article 10.07 (d), or if no regular part-time or full-time support nurses are available to fill the temporary full-time vacancies.

NRT nurses may be deployed as needed to the King Campus site. \*No NRT will be reassigned to the King Campus site without first being full orientated\*

WHEREAS as of the date of this letter of understanding a considerable vacation liability exists within the ONA bargaining unit;

AND WHEREAS the Hospital and the Union have endeavoured to outline mutually agreeable terms to minimize this vacation liability;

NOW THEREFORE the Hospital and the Union agree on a without prejudice and precedent basis that:

**Re: Christmas and New Year's Scheduling**

---

Alternating Christmas and New Year's time off may be introduced for either part-time and/or full-time in any unit where 60% of either group so indicate by secret ballot.

All scheduling regulations will be adhered to except in the case of G-11 (f) and in the case of a dispute, seniority shall be the deciding factor. The alternating arrangement would be for a minimum of two Christmas schedules.

Alternating Christmas/New Year's time off may be discontinued by either the part-time and/or full-time after a minimum of two Christmas schedules, when 70% of either the full-time and/or 70% of the part-time so indicate by secret ballot.

Voting by secret ballot would need to take place prior to the second Monday in September of any year with the exception noted below. A vote can be initiated by a nurse or at the request of the Hospital and will be conducted according to established voting procedures.

The parties agree that a vote will be conducted on all units for both full-time and part-time nurses which require Christmas and New Year's scheduling. A vote will not be conducted on units where full-time and/or part-time nurses currently have an alternating schedule. The results will be implemented for the 2011 Christmas and New Year's schedule.

**Re: Four Hour Tours**

---

The parties agree that the Appendix 5 Local provisions Article K-1 states the commitment of availability as follows:

- K.1 (a) (ii) available for three (3) tours of duty per week for tours of 7.5 hours  
available for two (2) tours of duty per week for tours of 11.25 hours or  
9.375 hours.

It is further agreed that a commitment of availability for four (4) hour tours is not applicable to part-time nurses, however where the Hospital wishes to implement 4 hour tours the Hospital agrees to meet with the Union for discussion prior to implementation.

The parties agree to consider alternate solutions in scheduling and assignment of work prior to discussion and consideration of 4 hour tours on a specific unit.

Where alternate solutions do not resolve the patient care needs or staffing concerns on a specific unit, then four hour tours may be considered based on the following principles, where the Hospital and the Union agree to the implementation and scheduling of 4 hour tours.

1. As far as reasonably practicable, any needs for 4 hour tours shall be over and above the base staffing needs on the unit (new additional hours).
2. A notice shall be posted on the unit requesting part-time nurses to indicate their interest to work 4 hour tours.

3. Only those nurses who have expressed interest in working 4 hour tours as in (2) above shall be scheduled to work 4 hour tours.
4. The hours to be scheduled for 4 hour tours shall be agreed between the parties prior to scheduling 4 hour tours.
5. The number of tours comprised of 4 hours will be kept to a minimum.
6. No nurse will be scheduled to work solely on 4 hour tours unless mutually agreed between the Union and the Hospital.
7. A Registered Nurse will not work more than one 4 hour tour on any unit in any 24 hour period.
8. Nurses shall be granted a paid rest period of 15 minutes on each 4 hour tour.
9. Where a nurse is called in to work for a 4 hour tour with less than 24 hours' notice, then the provisions of the Collective Agreement shall apply and the nurse shall be paid time and one-half for all hours worked.
10. Where it is agreed between the parties that a nurse may work solely 4 hour tours (as in #6 above) then the commitment of availability will be determined between the Hospital and the Union.

**Re: ONA Local 75 President Leave**

---

The Hospital agrees the current President of ONA, Local 075 (hereinafter referred to as "the President") shall be scheduled on the day shift only.

Should Local 75 elect a different President of the Local, the Hospital agrees to meet with the Union to determine whether the arrangement to schedule the President on the day shift only may continue.

The Hospital agrees to pay the President an average of 75 (seventy-five) hours of salary per month. This payment is compensation for time spent by the President on Union business involving the Hospital.

In the event the President serves on the Ontario Nurses' Association's Central Bargaining Team, the time spent attending negotiating meetings with the Hospitals' Central Negotiating Committee, as provided for in Article 6.04(b), will be in addition to the average of 75 (seventy-five) hours of salary per month referred to above.

Upon request, the Hospital will provide the President with leave of absence without pay for the remaining working days each month to attend to Union business, subject to the Union reimbursing the Hospital as provided for in Article 11.02. Such requests shall be made in writing as far in advance as possible so as to keep scheduling changes on the President's unit to a minimum. The Hospital will continue to pay the President's salary and maintain the applicable benefits during the periods the President is on a leave of absence. All service and seniority shall continue to accrue in accordance with the Collective Agreement.

Any Union Leave requested for the President will be in addition to Union leave days referred to in Appendix 5, Article E-1.

**Re: Stand-by Arrangement – Endoscopy Unit**

---

The following is a Memorandum in keeping with article G-7 of the local agreement, to implement a stand-by arrangement for the Endoscopy Unit at St. Joseph's Healthcare.

Stand-by will be implemented to provide coverage only for Class 1 patients requiring emergency procedures as outlined in the attached nursing policy.

A seniority list combining full-time and part-time nurses will be created. The combined seniority list will be utilized for the purpose of determining the order for choosing stand-by on-call weekends. Staff will rotate choosing stand-by on-call weekends starting with the most senior nurse (except Christmas Eve and Christmas Day - see below).

Full-time and part-time staff have agreed to share equitably the weekend coverage for all weekends including the eleven (11) statutory holidays other than Christmas Eve and Christmas Day.

The weekend coverage will be divided into three (3) calendar periods/sections:

For example:

- i) Section 1 – January 6<sup>th</sup> (weekend) – April 20<sup>th</sup> (weekend)
- ii) Section 2 – May 5<sup>th</sup> (weekend) – August 25<sup>th</sup> (weekend)
- iii) Section 3 – September 6<sup>th</sup> (weekend) – January 1<sup>st</sup> (weekend)

These are subject to adjustment each year as weekends fall on different dates. Each

year these sections will be reassessed and revised.

Statutory holiday/prime weekends to be covered: New Year's Day, Family Day, Good Friday, Easter Monday, weekend before March Break, weekend after March Break, Mother's Day, Victoria Day, Father's Day, Canada Day, Civic Holiday, Labour Day, Thanksgiving Day, November Day, Boxing Day, weekend before Christmas and weekend between Christmas and New Year, for total of seventeen (17) weekends. This number may change from year to year depending on where the holidays fall.

Staff will select to work:

- i) One statutory holiday/prime weekend
- ii) One weekend from the each of the other two sections their "prime weekend" does not fall, for a total of 1 weekend/section

In subsequent years the choosing of a statutory holiday/prime weekend, and weekends from section 1, 2 and 3, will be done on a rotational basis according to the combined seniority list.

The combined seniority list will be utilized for the purpose of determining the order for the scheduling of stand-by for the Christmas Eve and Christmas Day holidays. Staff will continue to rotate stand-by coverage starting with the least senior nurse utilizing this process from year to year as per the current practice.

Stand-by for full and part-time nurses will commence on Friday afternoon at 1800hrs until Monday at 0700hrs for regular weekends and Tuesday at 0700hrs on Stat weekends. When the week is a slowdown week stand-by will be until 0730hrs on the Tuesday (i.e. Good Friday call begins Thursday at 1800hrs).

If a nurse is scheduled for stand-by on such weekends and is called into work, they are considered to be "working" the weekend.

Where a nurse has been assigned stand-by and continues to work or is called back after 2400 hours, such nurse will be allowed leave without loss of earnings until they have eight (8) hours off unless they do so by mutual agreement between the nurse and the Employer.

Part-time nurses will be scheduled a day off following a stand-by tour unless mutually agreed to otherwise by the parties.

The staff physician on call for G.I. services and Surgery will be responsible for notifying the nurse on stand-by of the call-back.

Staff will be provided with parking passes for the stand-by period in order to access the parking lot closest to the Hospital.

The provisions of articles 14.06 and 14.07 will be applied in accordance with the Collective agreement.

**Re: Stand-by Schedule – Occupational Health and Safety Services**

The parties agree to implement a stand-by schedule for the Occupational Health Safety Services for the purposes of staffing for the Influenza Protocol Management.

The parties agree that the following conditions apply:

1. The stand-by schedule will be in place for the influenza season and will commence and end in consideration of the annual influenza season.
2. Stand-by will be scheduled from 1400 hours to 2000 hours on Saturdays, Sundays and holidays.
3. For the purpose of Article A-3 of the Local Appendix, the parties have agreed to the following terms for sharing stand-by assignments on statutory holidays:
  - a. A seniority list combining full-time and part-time will be created. The combined seniority list will be utilized for the sole purpose of determining the order for the scheduling of stand-by on holidays.
  - b. For Christmas Day, nurses will rotate stand-by coverage starting with the least senior nurse.
  - c. For the other four (4) statutory holidays covered by this LOU, stand-by will be shared between the full-time and part-time nurses on a rotational basis. For the first rotation (2015-2016) the most senior nurse was first to select a holiday. In subsequent years the selection of stand-by for these

holidays will be done on a rotational basis by seniority, so that all staff are able to get their first choice once every 6 years. It is understood that this may change as staffing is altered.

- 4. Stand-by will be scheduled in accordance with the voluntary schedule provided by the full-time and part-time Occupational Health Nurse in the Employee Health Office.
- 5. Call-back from stand-by will be initiated when an outbreak is declared by the medical officer of health in consultation with the infection control officer, per the Influenza Management Policy.
- 6. Electronic devices will be made available to nurses on stand-by.
- 7. The collective agreement provisions including Articles 14.06 and 14.07 will apply.

This agreement is made without precedent or prejudice to the position of either party.

---

Within ninety days (90) days of ratification, the Parties agree to meet to review part-time hours and part-time scheduling practices within the departments/ work-units covered by the terms of the collective agreement.
