**ARTICLE 1 - PURPOSE**

- 1.01 The general purpose of this Agreement is to establish and maintain collective bargaining relations between the Employer, the Union and Registered Nurses covered by this Agreement; to provide for ongoing means of communication between the Union and the Employer and the prompt disposition of grievances and the final settlement of disputes and to establish and maintain mutually acceptable wages, hours of work and other conditions of employment in accordance with the provisions of this Agreement.
- 1.02 It is recognized that the nurses wish to work together with the Employer to secure the best possible nursing care, community health services and health protection for clients.

**ARTICLE 2 - RECOGNITION**

- 2.01 The Employer recognizes the Ontario Nurses' Association as the sole and exclusive bargaining agent of all registered and graduate nurses engaged in a nursing capacity, employed by St. Joseph's Home Care in the City of Hamilton and the Municipalities of Brant, Halton, Haldimand, Norfolk, Kitchener-Waterloo and Niagara, save and except supervisors and persons above the rank of supervisor and persons for whom another trade union held bargaining rights as of August 24, 1999.
- 2.02 Whenever the feminine pronoun is used in this Collective Agreement, it included the masculine pronoun where the context so requires. Where the singular is used, it may also be deemed to mean plural where the context so requires.

**ARTICLE 3 – MANAGEMENT FUNCTIONS**

- 3.01 The Union acknowledges and recognizes that all matters concerning the management of the Employer's operations and the direction of the working force are fixed exclusively with the Employer and shall remain solely with the Employer except as specifically limited by an express provision of this Agreement. Without restricting or limiting the generality of the foregoing, the Union acknowledges and recognizes that it is the exclusive function and right of the Employer to:
- (a) maintain order, discipline and efficiency;
  - (b) select, hire, classify, retire, transfer, assign, lay-off, recall, promote, increase or decrease work assignments and determine standards of work performance and work assignments;
  - (c) discharge, suspend, demote or otherwise discipline nurses provided that a claim by a nurse who has successfully completed her probationary period that she has been disciplined, suspended or discharged without cause may be the subject of a grievance and dealt with as hereinafter provided;
  - (d) make, enforce and alter from time to time, reasonable rules and regulations

and policies governing the conduct of the nurses and to be observed by the nurses which are not inconsistent with the provisions of this Agreement;

- (e) generally to manage the services in which the Employer is engaged or may become engaged and without in any way restricting the generality of the foregoing, to determine the types of services to be provided and the programs required to carry out those services, including the right to plan, direct and control services, facilities, programs, courses, procedures, methods, staffing, the content, evaluation and description of jobs, nurse's qualifications for employment and promotion, location and classification of personnel required from time to time, work assignments and the scheduling thereof, supervision and control of programs; and
- (f) to take all steps as may be deemed available by the Employer to carry out the Employer's mandate to provide quality services to the community and clients and to obtain funding to provide such services.

3.02 The Employer agrees that such rights shall be exercised in a manner consistent with the provisions of this Agreement.

#### **ARTICLE 4 - DEFINITIONS**

4.01 The following definitions shall be applied to the Agreement:

- (a) A full-time nurse shall mean a nurse who is employed on a permanent basis and who is normally scheduled to work the standard hours per week as specified in this Collective Agreement.
- (b) A regular part-time nurse is a nurse who works less than the normal full-time hours and who offers to make a commitment to be available for work on a predetermined basis and whose commitment of availability has been accepted by the Employer.
- (c) A casual part-time nurse is a nurse who works on a random basis when regular staff are not available.
- (d) The terms Registered Nurse, RN, and nurse, when used throughout this Agreement, shall mean persons employed by the Employer and covered by this Agreement who are:
  - i) A Registered Nurse is a nurse who holds a Certificate of Registration with the College of Nurses of Ontario in accordance with the *Regulated Health Professions Act* and the *Nursing Act*;
  - ii) A Nurse who holds a Temporary Certificate of Registration with the College of Nurses in accordance with the *Nursing Act*, 1991 and its regulations must obtain her Certificate of Registration prior to the expiry of her Temporary Certificate. If the nurse fails to obtain her Certificate of Registration prior to the expiry of her Temporary Certificate of Registration, but in any case not longer than two (2)

years from her or his date of hire she will be deemed to be not qualified for the position of registered nurse and she will be terminated from the employ of the Employer. Such termination shall not be the subject of a grievance or arbitration.

Note: Where a nurse is in a position other than in a registered nursing position with duties and responsibilities, which are subject to the *Regulated Health Professionals Act*, she or he shall be treated in a manner consistent with this Article.

#### 4.02 Certificate of Registration

A nurse is required to present to the Program Director or designate, on or before March 31 of each year, evidence that her Certificate of Registration is in good standing and currently in effect. If the nurse's Certificate is suspended by the College of Nurses of Ontario for non-payment of the annual fee, the nurse will be placed on a non-disciplinary suspension without pay. If the nurse presents evidence that her Certificate of Registration has been reinstated, she shall be reinstated to her position effective upon presenting such evidence. Failure to provide evidence within ninety (90) calendar days of the nurse being placed on non-disciplinary suspension by the Employer shall result in the nurse being deemed to be no longer qualified and the nurse shall be terminated from the employ of the Employer. Such termination shall not be the subject of a grievance or arbitration.

### **ARTICLE 5 – NO DISCRIMINATION / HARASSMENT**

- 5.01 The Employer and the Union agree that there will be no discrimination, interference, intimidation, restriction or coercion exercised or practised by any of their representatives with respect to any nurse because of the nurse's membership or non-membership in the Union or by reason of exercising her rights under the Collective Agreement.
- 5.02 It is agreed that there will be no discrimination and/or harassment by either party or by any of the nurses covered by this Agreement on the basis of race, creed, religion, colour, ancestry, ethnic or place of origin, sex, sexual orientation, marital status, family status, citizenship, age, record of offences, or disability as defined in the *Human Rights Code*, unless such basis is a bona fide requirement of the position.
- 5.03 The parties agree that every person who is a nurse has a right to freedom from harassment in the workplace because of sex or sexual orientation by the Employer, or agent of the Employer, by the Union, or agent of the Union, or by another nurse.
- (a) Sexual harassment by any person employed by the Employer will not be tolerated in the workplace. Sexual harassment shall have the same meaning as under the *Human Rights Code* and shall also include harassment due to sexual orientation. Every person has the right to be free from,

- i) a sexual solicitation or advance made by a person in a position to confer, grant or deny a benefit or advancement to the person where the person making the solicitation or advance knows or ought reasonably to know that it is unwelcome; or
- ii) a reprisal or threat of reprisal for the rejection of a sexual solicitation or advance where the reprisal is made or threatened by a person in a position to confer, grant or deny a benefit or advancement to the person.

Sexual harassment may also include engaging in a course of vexatious comment or conduct that is known or ought reasonably to be known to be unwelcome.

(b) Personal Harassment

Personal harassment is defined as any action or behaviour that is known, or ought reasonably to be known, to be unwelcome, verbal or otherwise, which causes or tends to cause intimidation, ridicule, embarrassment, contempt or humiliation to any individual, whether deliberate or negligent, and compromises the individual's dignity and respect. Such action or behaviour may be subject to discipline.

- (c) Any grievance arising from any complaint of harassment may be initiated at Step #2 of the grievance procedure contained herein.

**ARTICLE 6 – NO STRIKE, NO LOCKOUT**

- 6.01 The Union agrees that there will be no strikes and the Employer agrees that there will be no lockouts so long as this Agreement continues to operate. The terms "strike" and "lockout" shall bear the meaning given to them in the Ontario *Labour Relations Act*.

**ARTICLE 7 – RELATIONSHIP AND UNION SECURITY**

- 7.01 The Employer will deduct from each nurse covered by this Agreement an amount equal to the regular monthly Union dues designated by the Union. The deduction period for a part-time nurse may be extended where the nurse does not receive any pay in a particular month.

Where a nurse has no dues deducted during the payroll period from which dues are normally deducted, that deduction shall be made in the next payroll period provided that the nurse has earnings in the next payroll period.

If the failure to deduct dues results from an error by the Employer, then, as soon as the error is called to its attention by the Union, the Employer shall make the deduction in the manner agreed to by the parties.

- 7.02 Such dues shall be deducted monthly and in the case of newly employed nurses,

such deductions shall commence in the month following their date of hire.

- 7.03 The amount of the regular monthly dues shall be those authorized by the Union and the Provincial Secretary-Treasurer of the Union shall notify the Employer of any changes therein in writing at least one (1) month prior to the effective date of such change and such notification shall be the Employer's conclusive authority to make the deduction specified.
- 7.04 In consideration of the deducting and forwarding of Union dues by the Employer, the Union agrees to indemnify and save harmless the Employer against any claims or liabilities arising or resulting from the operation of this Article.
- 7.05 The amounts so deducted shall be remitted monthly to the Vice-President, Local Finance of the Union, no later than the end of the month following the month in which the dues were deducted. In remitting such dues, the Employer shall provide a list of nurses from whom deductions were made, their work site (if the bargaining unit covers more than one [1] site) and the nurses' social insurance numbers, amount of dues deducted and, where feasible, the Employer shall also provide the job classification, and status of the nurses. The list shall also include deletions and additions from the preceding month. A copy of this list will be sent to the local Union. If the Employer agrees to provide the Union with the information in an electronic format, the parties will meet to discuss the format in which the information will be sent out. The Employer will provide the members' current addresses and phone numbers it has on record, with the dues lists, once per calendar year.
- 7.06 The Employer agrees that an officer of the Union or Union representative shall be allowed time during regular working hours without loss of regular earnings to meet with newly hired nurses during their probationary period. The amount shall be up to (15) minutes in total for up to four (4) members or up to one half (0.5) hours in total for five (5) members or more at a pre-scheduled group meeting. During such meetings, membership forms and a copy of the Collective agreement may be provided to the nurse(s) by the Union. These meeting shall be scheduled in advance by the Employer, with reasonable notice to the Union, and may be arranged collectively or individually.
- 7.07 A copy of this Collective Agreement shall be issued by the Union to each nurse in the employ of the Employer and to each nurse employed during the term of this Collective Agreement and thereafter. The cost of printing the Collective Agreement in a mutually agreeable manner and form will be equally shared by the Employer and the Union.
- 7.08 The Employer will provide each nurse with a T-4 Supplementary Slip showing the dues deducted in the previous year for income tax purposes, where such information is or becomes readily available through the Employer's payroll system.
- 7.09 The Union agrees that there will be no Union activity, solicitation for membership, or collection of Union dues on Employer premises or during working hours except with the written permission of the Employer or as specifically provided for in this Agreement.

## **ARTICLE 8 – UNION REPRESENTATION AND COMMITTEES**

### 8.01 Labour/Management Committee

The Employer will recognize a Labour/Management Committee composed of up to three (3) nurses, elected or appointed by the Union and up to three (3) Employer representatives. Meetings of the Committee shall be held every three (3) months unless otherwise agreed. The membership of the Committee may be expanded by mutual agreement in writing prior to the meeting.

Agenda items to be discussed shall be exchanged, in writing, at least five (5) days prior to the meeting. Minutes shall be taken and maintained in accordance with the Terms of Reference established by the Committee.

Such time shall not be included in any premium pay calculations.

### 8.02 Negotiating Committee

The Employer will recognize a Negotiating Committee composed of up to three (3) representatives of the Union for the purpose of meeting with the Employer to negotiate renewal agreements.

It is understood that the Employer shall not be required to pay for more than two (2) nurses to attend any grievance meeting and the Employer will not be required to pay nurse representatives on the grievance committee or the grievor for time spent at arbitration hearings.
- (c) It is agreed that Union representatives and members of the Grievance Committee have their regular duties and responsibilities to perform for the Employer and shall not leave their regular duties without first obtaining permission from the Employer. Such permission shall not be unreasonably withheld. When resuming their regular duties and responsibilities, such representatives shall again report to the Employer.

- (f) All time spent by a member of the Occupational Health and Safety Committee attending meetings of the Committee shall be deemed to be time worked for which she shall be paid by the Employer at her regular rate of pay and she shall be entitled to such time from her work as is determined necessary by the committee. The Employer may, however, make adjustments to the nurse's work schedule in order to enable the nurse to carry out her duties without needing to incur overtime or other premium costs to the Employer.
- (g) The Employer agrees to co-operate reasonably in providing relevant information to enable the Committee to fulfill its' functions. The Employer

will use its best efforts to make all affected direct care nurses aware of clients who have serious infectious diseases. Nurses will be made aware of special procedures required of them to deal with these circumstances. The parties agree that all nurses are aware of the requirement to practice universal precautions in all circumstances.

(h) The Employer shall:

- i) inform nurses of any situation relating to their work which may endanger their health and safety, as soon as it learns of the said situation;
- ii) inform nurses regarding the risks relating to their work and provide training and supervision so that nurses have the skills and knowledge necessary to safely perform the work assigned to them; and

Such leave shall not extend beyond the nurse's expected date of delivery, after which she shall commence her maternity leave of absence.

Should the nurse not request an unpaid personal leave of absence when alternate work is not available, or should the nurse not commence a short-term disability leave for which she may be entitled, the Employer may

require her to commence her maternity leave with the understanding that the nurse would not be prohibited from utilizing any remaining lieu days, and/or paid vacation days prior to the commencement of her leave.

(j) Modified Work

The Employer will notify the local Union in the event that it is unable to provide a modified work assignment/program for a nurse who, as a result of injury, illness or declining health or other medical reasons, is unable to perform the essential duties of her regular position. If requested, the Employer will meet with a staff representative of the Ontario Nurses' Association and/or a member of the Local Executive within a reasonable period of time to respond to any questions about efforts made to date, and to consider any proposals from the Union for an appropriate modified work program/placement.

The Employer will notify the Union of work accommodation needs of nurses returning from sick leave or WSIB leave.

(a) The Employer agrees to recognize three (3) Union representatives, inclusive of at least one (1) representative from each regional office, to be elected or appointed from amongst nurses in the bargaining unit for the purpose of dealing with Union business as provided in this Collective Agreement. In the event that the Employer operates more than three (3) Regional Offices, the maximum number of Union representatives shall increase to the same number of Regional Offices.

(b) A nurse may have a Union representative present, if the nurse so requests, when discipline is imposed. If a Union representative is not on duty at the time, within the same geographic/program area, reasonable efforts will be made by the Employer to either reschedule the meeting to a time when a Union representative is available, or arrange for the attendance of a Union representative who is on duty within the closest geographic/program area

at the time. In the case of suspension or discharge, the Employer shall notify the nurse of this right in advance.

The Employer agrees that where a nurse is required to attend a meeting that may lead to disciplinary action it will inform the nurse of the purpose of the meeting and her or his right to Union representation.

- 8.06 The Union shall keep the Employer notified in writing of the names of the Union representatives and/or Committee members and Officers of the Local Union appointed or selected under this Article as well as the effective date of their respective appointments before the Employer is required to recognize them.

- 8.08 The Union may hold meetings on the Employer's premises providing permission has been first obtained from the Employer.
- 8.09 The Employer agrees to give representatives of the Ontario Nurses' Association access to the premises of the Employer for the purpose of attending grievance meetings or otherwise assisting in the administration of this Agreement, provided prior arrangements are made with the Employer. Such representatives shall have access to the premises only with the approval of the Employer which will not be unreasonably withheld.
- 8.10 Where a Union representative makes prior arrangements for time off from her scheduled shift, the nurse shall not be scheduled to work another shift in the same day.
- 8.11 It is recognized that the Labour Relations Officer is the signing authority for any documents which would form part of or amend the Collective Agreement.

#### **ARTICLE 9 – ORIENTATION AND EDUCATION PROGRAM**

- 9.01 Both the Employer and the Union recognize the joint responsibility and commitment to provide, and participate in educational programs. The Union supports the principle of its members' responsibility for their own professional development and the Employer shall attempt where practical to provide programs related to the requirements of the Employer. Available programs will be publicized.
- 9.02 When a nurse is on duty and is required by the Employer to attend an in-service program within the workplace, she shall not suffer any loss in pay as a result of her attendance at the in-service. When the nurse is required by the Employer to attend an in-service program outside of her regularly scheduled working hours, the nurse shall be paid for all time spent in attendance at her regular straight time hourly rate of pay.
- 9.03 Where the Employer determines that new or enhanced skills are required as a

condition of employment, the Employer shall cover the initial cost of such courses determined to be appropriate by the Employer.

9.04 Nurses may be required, as part of their regular duties, to supervise the activities of students or to act as preceptors for other nurses and will be informed of their responsibilities in relation to these students/other nurses.

9.05 Technological Change

- (a) The Employer undertakes to notify the Union in advance, so far as practicable, of any technological changes which the Employer has decided to introduce which will significantly change the status of the nurse within the bargaining unit.
- (b) The Employer agrees to discuss with the Union the effect of such technological changes on the employment status of the nurses and to consider practical ways and means of minimizing the adverse effect, if any, on the nurses concerned.
- (c) Nurses who are subject to layoff due to technological change will be given notice of such layoff in accordance with the requirements of the applicable legislation and the provisions of this Agreement.

9.06 Technology Training

Where new technology is introduced into the workplace and where nurses are required to utilize such technology in the course of their duties, the Employer agrees to provide training for the nurses involved. Time spent in such training shall be considered time worked.

9.07 Educational Opportunities

Both the Employer and the Union recognize a joint responsibility and commitment to provide the highest quality nursing care and to assist nurses to enhance their professional growth.

Where approval has been given by the President/CEO or designate, to pay for a nurse to attend a general education session, the Employer will schedule nurses on a rotating basis.

It is understood that nurses who attend such educational sessions will share the information with co-workers at a regularly scheduled staff meeting. Written copies of the information will be provided to the Employer for distribution to those who are unable to attend as a result of their client assignment.

Educational opportunities for specialty skills or training may be distributed on a rotating basis to the appropriate specialty nurses as approved by the Employer.

## **ARTICLE 10 – GRIEVANCE AND ARBITRATION PROCEDURES**

10.01 The Employer and the Union agree that it is important to adjust complaints and grievances as quickly as possible. It is understood that a nurse has no grievance until she has first discussed her complaint with the Employer and the matter has not been resolved. Such complaint shall be discussed within seven (7) calendar days after the circumstances giving rise to it have occurred and failing resolution, it may be taken up as a grievance within seven (7) calendar days following the Employer's decision in the manner and sequence outlined below.

10.02 A formal grievance is defined as an alleged difference over the interpretation, application, administration or alleged violation of this Collective Agreement including any question as to whether a matter is arbitrable. All grievances shall be in writing and contain a statement of facts giving rise to the grievance, the redress sought, and indication of the article(s) of this Collective Agreement to have been violated and must be filed no later than seven (7) days following the Employer's decision as per Article 10.01 above.

Union grievances shall be on the form set out in Appendix "C". It being understood that an electronic version of this form is acceptable.

10.03 The following shall be the procedure for handling and processing grievances submitted by the nurse.

### Step #1

The nurse may submit a grievance in writing to the Program Director or designate who shall give her decision within seven (7) calendar days of receipt of the grievance.

### Step #2

If the grievance is not satisfactorily resolved at Step #1, the nurse may submit the written grievance to the President/CEO or designate within seven (7) calendar days following the decision in Step #1. A meeting will be held between the Employer and the grievance committee within fourteen (14) calendar days of the referral or such other time mutually agreed by the parties. It is agreed that a staff representative of the Union may be present at the meeting and that the Employer may have such counsel and assistance as it may desire at the meeting. The Employer's decision will be delivered in writing to the Bargaining Unit President within seven (7) calendar days of the meeting. A copy of the Step #2 grievance reply will be provided to the Labour Relations Officer of the Union.

10.04 A claim by a nurse who has completed her probationary period that she has been unjustly discharged or suspended shall be treated as a grievance if a written statement of such grievance is lodged by the nurse with the Employer at Step #2 within seven (7) calendar days after the date the discharge or suspension is imposed.

A claim by a nurse that she has been unjustly disciplined (other than discharge or suspension) shall be treated as a grievance lodged by the nurse in accordance

with the time limits and procedures set out in Articles 10.02 and 10.03.

The parties recognize that the standard of just cause for discipline or discharge of a probationary nurse during the probationary period should take into account the purpose of the probationary period.

10.05 At any stage of the grievance procedure, including the complaint stage, a nurse is entitled to be represented by her Union representative.

10.06 Group Grievance

Where a number of nurses have identical grievances and each nurse would be entitled to grieve separately, they may present a group grievance in writing signed by each of the nurses who is grieving to the Program Director, within fourteen (14) calendar days after the circumstances giving rise to the grievance having occurred or ought to have come to the attention of the nurses. The grievance shall be treated as being initiated at Step #2 of the grievance procedure and the applicable provisions of the Article shall then apply with respect to the processing of such grievance.

10.07 Policy Grievance

A grievance arising between the Employer and the Union concerning the interpretation, application, administration or alleged violation of this Collective Agreement may be submitted in writing at Step #2 within ten (10) calendar days following the circumstances giving rise to the grievance. It is expressly understood, however, that the provisions of this article may not be used with respect to a grievance directly affecting a nurse or nurses which such nurse(s) could have herself instituted and the regular grievance procedure shall not be thereby bypassed.

10.08 Arbitration

Failing settlement of the grievance under the foregoing procedure, such grievance may be submitted to arbitration. If no written request for arbitration is received within thirty-six (36) calendar days after the decision under Step #2 is given, the grievance shall be deemed to have been abandoned. Where such a written request is postmarked within thirty-four (34) calendar days after the decision under Step #2, it will be deemed to have been received within the time limits.

The party referring the matter to arbitration shall name a nominee at the same time.

The recipient of the notice shall, within fourteen (14) calendar days, inform the other party of the name of its nominee to the arbitration board. The two (2) nominees so selected shall, within fourteen (14) calendar days of the nomination of the second of them, select a mutually acceptable third person who shall be the chairperson. If one (1) of them fails to name its nominee, or the two (2) nominees fail to agree upon a chairperson within the time limits, the appointment shall be made by the Minister of Labour for Ontario upon the request of either party.

10.09 No matter may be submitted to arbitration which has not been properly carried

through all requisite steps of the grievance and arbitration procedure.

- 10.10 Each party shall pay its own expenses including those for its nominee and witnesses and the fees and expenses of the chairperson shall be borne equally by the parties.
- 10.11 The Arbitration Board shall not be empowered to alter, modify, add to or amend any part of this Collective Agreement, or to make any decision which is inconsistent with the provisions of this Collective Agreement.
- 10.12 No person may be appointed as an Arbitrator who has been involved in an attempt to negotiate or settle a grievance.
- 10.13 The time limits and procedures set out in the Grievance and Arbitration provisions herein are mandatory and failure to comply with such time limits and/or procedures except by the written agreement of the parties shall result in the grievance being deemed to have been abandoned.
- 10.14 The proceedings of the Arbitration Board will be expedited by the parties hereto and the decision of the majority and, when there is no majority the decision of the chairperson, will be final and binding upon the parties hereto and the nurse or nurses concerned.
- 10.15 Wherever arbitration board is referred to in this Collective Agreement, the parties may mutually agree in writing to substitute a single arbitrator for the arbitration board at the time of reference to arbitration and the other provisions referring to arbitration board shall appropriately apply.
- 10.16 All agreements under the grievance procedure between the representatives of the Employer, and the representative of the Union will be final and binding upon the Employer, the Union and the nurse(s).

## **ARTICLE 11 – SENIORITY**

- 11.01 Seniority for nurses within the bargaining unit shall accumulate from the last date of hire, except as otherwise provided herein. Seniority accrual for full-time and part-time nurses shall be determined as follows:
- (a) Full-time Seniority
- Seniority for full-time nurses will be expressed in number of years and will accumulate on the basis of three hundred and sixty-five (365) calendar days equals one (1) year, except as otherwise provided herein.
- (b) Part-time Seniority
- i) Seniority for part-time nurses will be expressed in number of years and will accumulate on the basis of hours paid in the bargaining unit from the last date of hire, except as otherwise provided herein. It is recognized that fifteen hundred (1500) hours paid equals one (1)

year of full-time service. The seniority list shall also reflect the equivalent number of hours paid which correspond to the number of years noted on the seniority list. All hours worked by casual nurses will be recorded with accumulation calculated for the purpose of determining scheduling, seniority, wage increases and/or other forms of remuneration.

#### 11.02 Probationary Nurses

- (a) The probationary period for full-time and part-time nurses shall be the equivalent of five hundred (500) hours worked from date of last hire. The probationary period may be extended by an additional forty (40) shifts or three hundred (300) hours worked provided there is mutual agreement and the rationale for the extension with time lines, is produced in writing. The release of a nurse during her probationary period shall not be the subject of a grievance.
- (b) While the release of a nurse during her probationary period shall not be the subject of a grievance, the Employer agrees to notify the Union of the release of a probationary nurse to enable the Union with the opportunity to represent the nurse should the nurse request.

The Employer agrees to meet with the Union, if such a request is submitted within three (3) days of the release of the nurse, to discuss the reasons for the termination.

- 11.03 (a) There shall be separate seniority lists for all full-time and part-time nurses who have completed their probationary period. A copy of the seniority lists shall be provided to the Union and posted by a mutually agreeable method in January and June of each year.
- (b) The hours worked by casual nurses will be recorded and accumulated for the purposes of wage increments, scheduling, and job postings.

11.04 A nurse's full seniority shall be retained in the event that she is transferred from full-time to part-time or vice-versa or in the event that she is transferred from casual to regular part-time or vice-versa. A nurse whose status is changed from full-time to part-time shall receive credit for her seniority on the basis of fifteen hundred (1500) hours paid for each year of full-time seniority. A nurse whose status is changed from part-time to full-time shall receive credit for her full seniority on the basis of one (1) year of seniority for each fifteen hundred (1500) paid hours. Any time worked in excess of equivalent shall be pro-rated at the time of transfer. It is understood and agreed, however, that in no circumstances will the date obtained by such transfer formula pre-date the nurse's date of last hire.

- 11.05 (a) For full-time nurses, seniority shall be retained and accumulated when a nurse is absent from work under the following circumstances:
  - i) on an approved leave of absence with pay;

- ii) on an approved leave of absence without pay for a period of six (6) months or less;
- iii) in receipt of paid sick leave from SJHC;
- iv) for a period of one (1) year in respect of WSIB Compensation for any injury sustained while in the course of her employment with SJHC;
- v) on pregnancy or parental leave.

In the case of a regular part-time nurse, seniority shall accumulate on the basis of what the nurse's regular hours of work would have been had she not been on such leave for periods referred to in (i), (iv) and (v) above.

- (b) For full-time and regular part-time nurses, seniority shall be retained but not accumulated when a nurse is absent from work under the following circumstances:
  - i) on an approved leave of absence without pay for part-time nurses and on an approved leave of absence without pay for the period greater than six (6) months for full-time nurses;
  - ii) on unpaid sick leave;
  - iii) for a period of less than twenty-four (24) months after lay-off;
  - iv) in receipt of WSIB for a period greater than **one (1)** year;
  - v) during a period of lay-off.
- (c) A full-time or part-time nurse shall lose all service and seniority and shall be deemed to be terminated if she:
  - i) resigns; retires;
  - ii) is discharged and not reinstated under the grievance and/or arbitration procedure;
  - iii) is absent from scheduled work for a period of three (3) or more consecutive working days without notifying the Union of such absence and providing a reasonable explanation to SJHC;
  - iv) fails to report for work as scheduled at the end of a leave of absence, vacation or suspension unless there is a reasonable explanation given to the Employer or utilizes a leave of absence for purposes other than that for which the leave was granted;
  - v) fails, upon being notified of a recall, to signify her intentions to return to work within five (5) days after she has received her notice or recall mailed by registered mail to her last known address according

to the records of the Employer and fails to report to work at such time as has been mutually agreed upon by the parties unless there is a reasonable explanation given to the Employer;

- vi) is laid off for a period of twenty-four (24) months;
  - vii) refuses to continue to work or return to work during an emergency which seriously affects the Employer's ability to provide adequate client care, unless there is a reasonable explanation given to the Employer;

  - ix) For regular part-time and casual nurses, has not worked in a period of twelve (12) months for any reason. This clause shall not be interpreted in a manner inconsistent with the *Human Rights Code*.
- (d) Where it is known that a nurse in receipt of Workers' Compensation or long term disability will be absent from work for a period of twenty-four (24) months or more, the Employer may permanently fill the position. In the event that the position is permanently filled and a prognosis of the nurse's likely return to work has not yet been established, the nurses shall retain the right to exercise her seniority to displace the most junior nurse within the same classification, status and contracted area/specially funded program unless, and until such time that, it is determined that the nurse is not likely to return to regular employment with the Employer.

In order to enable a nurse to return to work following a long-term illness or disability, job-posting requirements may also be waived when the appropriate vacancy arises.

#### 11.06

##### Position Outside the Bargaining Unit

- (a) A nurse who is transferred to a position outside of the bargaining unit for a period of not more than one (1) year shall retain, but not accumulate, her seniority held at the time of the transfer. In the event that the nurse is returned to a position in the bargaining unit, she shall be credited with seniority held at the time of transfer and resume accumulation from the date of her return to the bargaining unit.
- (b) In the event that a nurse is transferred to a position outside of the bargaining unit for a period in excess of one (1) year, she will lose all seniority held at the time of transfer. In the event that the nurse is returned to a position in the bargaining unit, the nurse's seniority will accrue from the date of her return to the bargaining unit.
- (c) A nurse must remain in the bargaining unit for a period of at least three (3) months before transferring out of the bargaining unit again or she/he will

lose all seniority held at the time of the subsequent transfer.

11.07 Secondments

The terms and conditions will be established by agreement of the parties. A nurse who is seconded to another Employer, for a period not greater than one (1) year, shall not suffer any loss of seniority, service or benefits for the duration of the secondment. It is understood that all terms and conditions of the Collective Agreement shall apply except as amended in the secondment agreement. The nurse shall remain the employee of SJHC and is subject to the terms and conditions of employment of SJHC.

**ARTICLE 12 – JOB POSTING (Applicable to full-time and regular part-time vacancies only)**

- 12.01 (a) Where a permanent regular part time or full time vacancy including any new positions occurs in the Bargaining Unit the Employer will post a notice of such vacancy for seven (7) calendar days. Nurses shall submit written applications for the posted vacancy within the time lines identified above. Where such technology exists, all job postings will be sent via email to the members. The Union will be provided with an electronic copy of each job posting.
- (b) Nurses shall be selected for posted positions on the basis of their skill, abilities, experience and qualifications as determined by the Employer. Where these factors are relatively equal, the most senior nurse shall be given preference provided that the senior nurse can perform the work.
- (c) Should there be no suitable applicants from within the Bargaining Unit, the Employer may hire a nurse from outside the bargaining unit.
- (d) The Employer shall have the right to fill any permanent vacancy on a temporary basis until the posting procedure has been complied with and arrangements have been made to permit the nurse selected to fill the vacancy to be assigned to the job.
- (e) A nurse selected as a result of a posted vacancy need not be considered for a further vacancy for a period of six (6) months for the date of her selection unless mutually agreed otherwise.
- 12.02 Nurses from within the bargaining unit shall be given first opportunity to fill temporary vacancies expected to exceed thirty (30) days provided they are qualified to perform the work as required in accordance with Article 12.01 (b). The Employer will outline the conditions and duration of such vacancies. Such temporary vacancy shall not exceed the time required to complete the specific circumstances which give rise to the temporary vacancy unless the time period is extended by mutual agreement.

Part-time nurses selected to fill such vacancies shall remain part-time and continue to be covered by the provisions of the Collective Agreement applicable to part-time nurses. Full-time nurses selected to fill such vacancies shall remain full-time and continue to be covered by the provisions of the Collective Agreement applicable to full-time nurses.

Temporary vacancies may be discontinued by the Employer and newly hired nurses may be discharged at the completion of the temporary vacancy.

12.03 Request for Transfer

Annually, a nurse may make a written request for a transfer by advising the Employer and filing a Request for Transfer form provided by the Human Resources Department indicating name, qualifications, experience, present area of assignment, seniority and requested area of assignment/hours of work. A Request For Transfer shall become active as of the date it is received by the Employer and shall remain in effect until December 31 of each year. Such requests will be considered as applications for posted vacancies and subsequent vacancies created by the filling out of a posted vacancy.

**ARTICLE 13 – LAY-OFF AND RECALL**

- 13.01 (a) In the event of a layoff of a permanent or long term nature of full-time and part-time nurses, the Employer will provide the Union with thirty (30) calendar days' notice. Notice to the nurse may run concurrently.
- (b) After giving such notice, the Employer will meet with the Union to review the impact on nurses in the bargaining unit.
- (c) In the event of a layoff, nurses shall be laid off in reverse order of seniority, within their classification, contracted area/separately funded program, provided that the nurses retained are able to perform the work on the basis of the criteria established in Article 13.02 (b).
- 13.02 A full-time nurse in receipt of notice of layoff of a permanent or long-term nature shall elect one (1) of the following options:
- (a) accept the layoff, or be transferred to casual status, or
- (b) be transferred to a vacant full-time position in any contracted area/separately funded program, if one is in existence. Where two (2) or more nurses are on notice of lay-off and elect to transfer to a vacant position, the transfer shall be determined on the basis of qualifications, skill, ability and efficiency to perform the work with the least amount of disruption to the continuity of service, and where these factors are relatively equal, the decision shall be made on the basis of seniority.
- 13.03 In the event that the nurse does not elect to accept the lay-off or to be transferred to casual status as per 13.02 (a) above, and in the event that a full-time position does not exist to which she may be transferred to in accordance with Article 13.02

(b) above, the nurse may then elect to displace more junior nurses or elect to accept the lay-off/be transferred in the following order:

- (a) displace the least senior full-time nurse within the same contracted area/separately funded program, provided that the senior nurse is able to perform the available work in accordance with the selection criteria set out in article 13.02 (b) above;
- (b) accept the lay-off or transfer to casual status or displace the least senior full-time nurse in another contracted area/ separately funded program provided that the senior nurse is able to perform the work in accordance with the selection criteria set out in Article 13.02 (b) above.

The parties agree that in order to minimize the disruption of continuity of care to existing clients, the Employer may limit the number of nurses that will be permitted to bump into a specific contracted area/separately funded program from other contracted areas/separately funded programs to no more than two (2), part-time and full-time nurses combined, within a six (6) month period. If a nurse is prevented from displacing into another contracted area/separately funded program as a result of the application of this article, the nurse is limited to the election of the remaining options contained herein;

- (c) accept the lay-off or transfer to casual status or displace the least senior regular part-time nurse within the same contracted area/separately funded program or displace the least senior part-time nurse in another contracted area/ separately funded program provided that the senior nurse is able to perform the work in accordance with the selection criteria set out in Article 13.02 (b) above. The parties agree that in order to minimize the disruption of continuity of care to existing clients, the Employer may limit the number of nurses that will be permitted to bump into a specific contracted area/separately funded program from other contracted areas/separately funded programs to no more than two (2), part-time and full-time nurses combined, within a six (6) month period. If a nurse is prevented from displacing into another contracted area/separately funded program as a result of the application of this Article, the nurse is limited to the election of the remaining options contained herein.

- 13.04 A regular part-time nurse in receipt of notice of layoff of a permanent or long-term nature shall exercise her rights in accordance with the Collective Agreement, commencing with step (c) of Article 13.03 above.
- 13.05 A nurse who chooses to exercise the right to displace another nurse with lesser seniority shall advise the Employer of his/her intention to do so, in writing, within seven (7) calendar days after receiving the notice of layoff.
- 13.06 The cancellation of a full or partial shift shall not be deemed or interpreted to be a lay-off.
- 13.07 Nurses employed in one (1) contracted area or funded program may not displace nurses employed in another contracted area or funded program except as provided for in Article 13.03 (b) above. Nurses who have been laid off, transferred or

displaced through the provisions of this article shall, however, be placed on a combined master recall list for the purpose of recall to any contracted area or program as set out below.

13.08 Recall From Lay off, Transfer or Displacement

- (a) Nurses who have been laid off, transferred or displaced through the provisions of Articles 13.01 to 13.04 above, shall be placed on a recall list for a period not to exceed twenty-four (24) months, for the purpose of recall from such lay off, transfer and/or displacement, up to the point of returning to their original contracted area/ program, and/or employment status with the Employer.
- (b) Nurses shall be recalled in order of seniority, unless otherwise agreed between the Employer and the Union, provided that the senior nurse on the recall list is able to perform the available work on the basis of the selection criteria set out in Article 13.02 (b) above.
- (c) Nurses who have been laid off will be required to return to work within seven (7) days of receiving a notice of recall. Notice of recall will be hand delivered or by registered mail to the last address on record with the Employer (which notification shall be deemed to be received on the fifth day following the date of mailing). The seven (7) day period may be extended to fourteen (14) days if the nurse has obtained an alternate job and must give two (2) weeks' notice to the other Employer. The nurse is solely responsible for her proper address being on record with the Employer.
- (d) Nurses who have been transferred or displaced through the above provisions will be required to elect to accept, or not to accept, a position and/or status change resulting from the circumstances described in Article 13.08 (a) and (b) above. The election must be made in writing within five (5) business days of receiving a notice of such vacancy.
- (e) The provisions of this article shall be deemed to be satisfied and the nurse shall be removed from the recall list at the earlier of the expiry of twenty-four (24) months after lay-off, transfer or displacement or when recalled, transferred or placed under the provisions of Article 13.08 (a) above.

It is understood that a decline to be recalled, transferred or placed from the recall list shall not remove the nurse from the list prior to the expiry of twenty-four (24) months from the date of lay-off, transfer or displacement.

The Employer reserves the right to by-pass the nurse on the recall list if the nurse has declined recall to a similar position/status, contracted area/program, unless notified in writing by the nurse that the nurse wishes to be considered once again for a similar position/status, contracted area/program.

- (f) A nurse shall be removed from the recall list and all recall rights to employment will be terminated in the event of failure of the nurse to meet

the recall provisions as outlined in Article 13.08 (c) above.

- (g) A decline of recall by a nurse, when exercised within the provisions of this Article, shall not extend the length of time that the nurse is on the recall list beyond the initial twenty-four (24) month period. It is understood however, that in the event that a nurse declines a recall, transfer or placement and continues to remain on the recall list, any statutory obligations placed on the Employer, such as eligibility for severance pay as per the *Employment Standards Act*, shall be deemed to have been met and there shall be no further monies owing to the nurse as a result.

13.09 For the purpose of this Article, Hamilton-Wentworth and Halton will be considered the same contracted area for LHIN visiting contracts.

#### **ARTICLE 14 – LEAVES OF ABSENCES**

14.01 Written requests for personal leaves of absence without pay for educational or personal reasons will be considered on an individual basis by the nurse's manager or her designate. Such requests are to be submitted as far in advance as possible with a minimum notice of four (4) weeks except in cases of emergency or if the Employer determines that service needs and staffing requirements can accommodate a leave on shorter notice. A written reply will be given as soon as possible. Such leave shall not be unreasonably withheld. Except in unusual circumstances, a leave of absence other than for educational reasons will not be granted until one (1) year's continuous service has been completed.

#### 14.02 Union Leave

Leave of absence under this provision shall be in addition to the leave provided in Article 14.02 above. During such leave, the salary and applicable benefits shall be maintained by the Employer and the Union agrees to reimburse the Employer in the amount of the full cost of such salary and applicable benefits. Seniority shall continue to accumulate during such leave.

There shall be no loss of service or seniority for a nurse during such leave of absence. During such leave of absence, the nurse's salary and applicable benefits shall be maintained by the Employer and the Union agrees to reimburse the Employer in the amount of the full cost of such salary and applicable benefits. It is understood, however, that during such leave the nurse shall be deemed to be an employee of the Ontario Nurses' Association. Part-time nurses will be credited with seniority and service during such leaves.

A nurse may elect to take one (1) of the three (3) days, of which the nurse is entitled to under this Article, for a memorial service or other event associated with the deceased member of the nurse's family which may take place at a later date.

In the event of a delayed interment or ceremony for reason of religion or other protected grounds under the Ontario *Human Rights Code*, an Employee may save one (1) of the days identified above without loss of pay to attend the interment or ceremony.

The Employer, in its discretion, may extend such leave with or without pay.

#### 14.04

If a nurse is required to serve as a juror in any court of law, or is required to attend as a witness in a court proceeding in which the Crown is a party, or is required by subpoena to attend a court of law or coroner's inquest in connection with a case arising from her duties with the Employer, she shall not lose her regular pay for scheduled working hours because of such attendance provided that she:

- (a) notifies the Employer immediately after she has been notified that she will be required to attend court or an inquest;
- (b) presents proof of service requiring her attendance;
- (c) deposits with the Employer the full amount of compensation received excluding mileage, travel and meal allowance and an official receipt where applicable;
- (d) the nurse returns to her/his regular duties in accordance with the nurse's regular schedule, at every possible opportunity during the period of time he/she is serving as a juror or attending an inquest, so long as this does not violate the scheduling provisions of the Collective Agreement. The nurse is not required to report to work if he/she has already reported to court that particular day.

#### 14.05

##### Pregnancy and Parental Leave

Pregnancy and parental leave will be granted in accordance with the provisions of the *Employment Standards Act* as amended from time to time.

- (a) The service requirement for eligibility for pregnancy/parental leave shall be thirteen (13) weeks.
- (b) The nurse shall give written notification which shall include the expected date of return and a certificate from a legally qualified medical practitioner as soon as possible but no less than two (2) weeks in advance of the date of commencement of such leave. This notice will be waived in the event of pregnancy complications, premature birth or the sudden coming into care of an adopted child. The nurse will confirm her intention to return to work on the date originally provided to the Employer by written notification received by the Employer at least four (4) weeks in advance thereof.

Nurses newly hired to replace nurses who are on approved leave may be released at the completion of the temporary vacancy. If retained by SJHC in a permanent position, the nurse shall be credited with seniority from date of hire subject to successfully completing her probationary period. SJHC will outline to nurses hired to fill such temporary vacancies the circumstances giving rise to the vacancy and the special conditions relating to such employment.

- (c) The nurse has the right to return to her former position, if it still exists, or to a comparable position, if it does not.
- (d) A nurse shall continue to accumulate seniority and service rights and shall continue to participate in the pension plan and group benefits plans in accordance with the provisions of the plans unless she elects in writing not to do so. The Employer will continue to pay its share of the premiums for subsidized benefits in which the nurse is participating for the entire period of the leave, unless the nurse does not intend to pay her contributions. The nurse will make arrangements to prepay the Employer the full premium for any applicable subsidized benefits during the period of leave in excess of thirty (30) calendar days to ensure continuing coverage.
- (e) Parents are defined to include adoptive parents and a person in a relationship of some permanence with the natural or adoptive mother or father of the child and who intends to treat the child as his or her own.
- (f) Seniority accrual for part-time nurses, where granted under this Article or under related legislation, shall be based on the nurse's weekly hours of work immediately prior to the commencement of the leave, as reported on the Record of Employment per Federal legislation.

#### 14.06 Personal Leave Days

Each full-time and regular part-time nurse shall be entitled to ten (10) unpaid Emergency Leave Days as provided for under the *Employment Standards Act*. The applicable section of the *Act* will be appended to but not form part of the Collective Agreement. Nurses will be allowed to take three (3) of the ten (10) unpaid days as personal confidential days.

The nurse shall provide the Employer with as much notice as is reasonably possible under the circumstances.

#### 14.07 Pre-paid Leave Plan

Effective upon ratification, the Employer agrees to introduce a prepaid leave program, funded solely by the nurse, subject to the following terms and conditions.

- (a) The plan is available to nurses wishing to spread four (4) years' salary over a five (5) year period, in accordance with government *Income Tax Regulations*, to enable them to take a one (1) year leave of absence following the four (4) years of salary deferral.

- (b) The nurse must make written application to the Employer or her designate at least six (6) months prior to the intended commencement date of the program (i.e., the salary deferral portion), stating the intended purpose of the leave.
- (c) The number of nurses that may be absent at any one time shall not exceed two (2) staff. The year for purposes of the program shall be September 1 of one (1) year to August 31 the following year or such other twelve (12) month period as may be agreed upon by the nurse, the Bargaining Unit President and the Employer.
- (d) Written applications will be reviewed by the Employer. Leaves requested for the purpose of pursuing further formal nursing education and/or family obligations will be given priority. Applications for leaves requested for other purposes will be given the next level of priority on the basis of seniority.
- (e) During the four (4) years of salary deferral, twenty percent (20%) of the nurse's gross annual earnings will be deducted and held for the nurse and will not be accessible to her until the year of the leave or upon withdrawal from the plan.
- (f) The manner in which the deferred salary is held shall be at the discretion of the Employer.
- (g) All deferred salary, plus accrued interest, if any, shall be paid to the nurse at the commencement of the leave or in accordance with such other payment schedule as may be agreed upon between the Employer and the nurse.
- (h) All benefits shall be kept whole during the four (4) years of salary deferral. During the year of leave, seniority will accumulate. Service for the purpose of salary progression and other benefits will be retained but will not accumulate during the period of leave. The nurse may apply for a continuance of benefits for the year of the leave and must pay both portions (i.e., the Employer and nurse portions) during the year of leave. The continuance of benefits must be approved by the benefits carrier. The nurse will make arrangements to pay the Employer the full premiums for any applicable benefits during the period of the leave, in the month that they are due, to ensure continuing coverage. Contributions to the pension plan will be in accordance with the Plan. Full-time nurses will not be eligible to participate in the disability income plan during the year of the leave.
- (i) A nurse may withdraw from the plan at any time during the deferral portion provided that three (3) months' notice is given to the Employer. Deferred salary, plus accrued interest, if any, will be returned to the nurse within a reasonable period of time. It is the sole responsibility of the nurse to provide evidence of justifying financial hardship in the event of an audit.
- (j) If the nurse terminates employment, the deferred salary held by the Employer plus accrued interest, if any, will be returned to the nurse within

a reasonable period of time. In case of the nurse's death, the funds will be paid to the nurse's estate.

- (k) The Employer will endeavour to find a temporary replacement for the nurse as far in advance as practicable. If the Employer is unable to find a suitable replacement, it may postpone the leave. The Employer will give the nurse as much notice as is reasonably possible. The nurse will have the option of remaining in the Plan and rearranging the leave at a mutually agreeable time or of withdrawing from the Plan and having the deferred salary, plus accrued interest, if any, paid out to the nurse within a reasonable period of time.
- (l) The nurse will be reinstated to her or his former position unless the position has been discontinued, in which case the nurse shall be given notice of layoff and shall exercise her or his rights under Article 13 of the Collective Agreement.
- (m) Final approval for entry into the pre-paid leave program will be subject to the nurse entering into a formal agreement with the Employer in order to authorize the Employer to make the appropriate deductions from the nurse's pay. Such agreement will include:
  - i) A statement that the nurse is entering the pre-paid leave program in accordance with Article 14.07 of this Collective Agreement.
  - ii) The period of salary deferral and the period for which the leave is requested.
  - iii) The manner in which the deferred salary is to be held.

The letter of application from the nurse to the Employer to enter the pre-paid leave program will be appended to and form part of the written agreement.
- (n) Vacation shall not accrue during the period of time that the nurse is on leave.

## **ARTICLE 15 – HOURS OF WORK AND SCHEDULING**

The following provisions are intended to designate normal hours of work on a daily tour and normal hours of work over the nurse schedule and shall not be construed to be a guarantee of work to be performed on each tour or during each work schedule.

- 15.01 (a) The regular hours of work for all full-time nurses shall be:
- i) seven and one half (7.5) hours per day, exclusive of a one half (0.5) hour unpaid meal period and inclusive of two (2) paid fifteen (15) minute breaks and reasonable travel time, or
  - ii) eleven and one quarter (11.25) hours per day for extended tours,

exclusive of a forty-five (45) minute unpaid meal break and inclusive of three (3) paid fifteen (15) minute breaks and reasonable travel time.

- (b) The regular hours of work for a full-time nurse shall be seventy-five (75) hours per two (2) week period.
- (c) Without altering the full-time or part-time status of nurses, adjustments to the regular hours of work may be made dependent on the client caseload. Where such adjustments are made, pay will only be for hours worked. It is understood however, that where it is reasonable and practical to do so, the caseload of a part-time nurse will be reduced to a minimum of four (4) hours in reverse order of seniority before that of a full-time nurse. The same principle of reverse order seniority shall apply in the event that it becomes necessary to cancel the shift or partial shift of a full-time nurse.

15.02 All nurses shall be entitled to rest periods on the basis of fifteen (15) minutes during each half shift.

15.03 (a) The work schedule for full-time and regular part-time nurses will be posted two (2) weeks in advance and shall cover a minimum of a four (4) week period.

(b) Part-time B nurses will advise the Employer of their availability when requested. Once the schedule is posted, as per 15.03 (a), the Part-time B employee will not be assigned shifts without their agreement.

(c) Casual relief nurses will advise the Employer of their availability when requested. Once the schedule is posted, as per 15.03 (a), the casual employee will not be assigned shifts without their agreement.

(d) The posted work schedule shall provide for a minimum of sixteen (16) hours off between scheduled shifts unless otherwise mutually agreed between the Employer and the nurse.

(e) A nurse shall not be scheduled to work more than seven (7) consecutive shifts unless mutually agreed by the Employer and the nurse concerned.

(f) A request for an exchange of shifts set out in the posted schedule must be submitted in writing in advance of the exchange and signed by the nurses requesting the exchange. It is understood and agreed that such requests for exchange shall be subject to the approval of the Employer and shall not result in any premium payment.

(g) Nurses may be scheduled to work an average of one (1) in three (3) weekends. Nurses may be scheduled to work more than an average of one (1) in three (3) weekends if mutually agreed between the Employer and the nurse or between the Employer and the Union.

(h) The parties agree that all nurses are hired into the 'Nursing Program' and although a nurse may be primarily assigned to either 'visiting' or 'shift' work,

nurses may be assigned at the discretion of the Employer to work a combination of visiting and shift nursing as needed, with the understanding that a senior nurse will not be cancelled to accommodate a junior nurse.

- i) Nurses hired on or after August 15, 1999 may be scheduled for combined visiting and shift care assignments. Nurses hired prior to August 15, 1999 may be scheduled for shift care in the following circumstances:
- ii) for the purpose of continuity of client care, when the client is already in the care of members of the nursing pod;
- iii) when there are unassigned shifts which can be assigned to nurses who do not have a full caseload. The Employer will endeavour to assign such work to full-time nurses before adding to the caseload of part-time nurses;
- iv) where a nurse has previously indicated, in writing, that she will accept shift care that cannot be assigned to shift care nurses;
- v) no nurse hired prior to August 15, 1999 will be required to accept evening/night shift care assignments without her consent.

- 15.04
- (a) In order to accommodate the Christmas/New Year's scheduling, normal scheduling provisions shall not operate during the period of December 15 to January 15. Without restricting the Employer's rights within this Agreement to make changes to the Christmas and New Years' schedule, a listing of staff required to work either Christmas or New Years' will be posted by November 1 of each year.
  - (b) A nurse shall not be scheduled to work both Christmas and New Year's unless mutually agreed between the Union and the nurse.
  - (c) A nurse may request three (3) consecutive days off over Christmas or New Year's, in alternating years. Where a nurse requests such time off, she will be scheduled off work, where possible. The Union recognizes that the Employer must be in a position to maintain adequate staffing at these times in finalizing this particular scheduling.

This clause does not apply to nurses who have been scheduled to be off on Christmas Day, Boxing Day and New Year's Day.

- (d) The Employer shall maintain a list of nurses who worked either Christmas or New Years to ensure that they are scheduled in the subsequent year to work the alternating holiday. Where it is not possible to schedule all nurses to work the alternating holiday, junior nurses will be required to work the same holiday as the previous year, before requiring the more senior nurses to work, unless mutually agreed otherwise. The Employer will consider preferred time off on either Christmas or New Year's where there are sufficient volunteers to work the holidays. Where such is the case, nurses shall be granted their preferences on a seniority basis. Nurses who fail to

submit a holiday preference as required by the Employer, will be scheduled to work one (1) of the holidays.

15.05

Part-time Scheduling

(a) Minimum Availability – Regular Part-time A

Regular part-time nurses will be prescheduled as determined by the Employer to work up to:

- i) Three (3) days per week;
- ii) One (1) weekend out of three (3).

The Employer will accept additional availability for call-in assignments or additional hours over and above the nurses' normal schedule rotation.

RPT A will be scheduled per above prior to any shifts being assigned to RPT B or casual.

Minimum Availability – Regular Part-time B

Regular part-time B nurses may be pre-scheduled and will make themselves available a minimum of:

- i) Four (4) days per month;
- ii) Including one (1) shift on a weekend.

The Employer will accept additional availability for call-in assignments or additional hours over and above the nurses' normal schedule rotation.

- (b) Regular part-time nurses shall be given the opportunity to work on their regularly scheduled day in accordance with their seniority, subject to their requisite skills, geographic considerations, continuity of care and availability. Efforts shall be made to distribute work on an equitable basis, first amongst RPT A and then amongst RPT B, provided that junior nurses are not offered more hours than senior nurses, it being understood that this article does not apply to new nurses who have been assigned additional hours within the first four (4) weeks of their employment.
- (c) The Employer shall endeavour to assign available shifts to RPT A nurses before the work is offered to, RPT B nurses, and then to casual nurses. Such work shall be assigned according to the nurses' requisite skills, geographic considerations, continuity of care and availability of nurses.
- (d) The Employer will endeavour to assign work for casual nurses on an equitable basis giving consideration to the requisite skills and continuity of care.
- (e) The above provisions shall not apply to familiarization/orientation programs and/or performance/skills improvement programs.

15.06 No nurse will be scheduled to work in a charge assignment unless mutually agreed to between the nurse and the Employer.

15.07 Innovative Scheduling

Schedules other than those that may be included in the Collective Agreement may be developed in order to improve the quality of working life, support continuity of patient care, ensure adequate staffing resources, and support cost efficiency. The parties agree that such innovative schedules may be determined locally by the Employer and the Union subject to the following principles:

- (a) Such schedules shall be established by mutual agreement of the Employer and the Union;
- (b) These schedules may pertain to full-time and/or part-time nurses;
- (c) The introduction of such schedules and trial periods, if any, shall be determined by the parties and shall be appended to the Collective Agreement. Such schedules may be discontinued by either party with notice as pre-determined between the parties;
- (d) Upon written agreement of the Employer and the Union, the parties may agree to amend collective agreement provisions to accommodate any innovative schedules.

15.08 Weekend Work Schedule

A weekend schedule may be developed in order to meet the St. Joseph's Home Care's need for weekend staff, and individual nurses' preference for a weekend work schedule.

A weekend schedule is defined as a schedule in which a full-time nurse works a weekly average of thirty (30) hours and is paid for thirty-seven and one half (37.5) hours at her regular straight time hourly rate. Thus, a nurse working the thirty (30) hour "weekend schedule" will be paid one and one quarter (1.25) hours for each one (1) hour that is worked.

As per Article 18, vacation entitlements will be based on a pro-rata lesser amount, in accordance with the shorter work week. One (1) week of vacation will equal thirty (30) hours.

A weekend schedule shall be defined as one where a nurse works Friday, seven and one half (7.5) hours, Saturday and Sunday at eleven and one quarter (11.25) hours or Saturday and Sunday at eleven and one quarter (11.25) hours and Monday at seven and one half (7.5) hours. A nurse working a weekend schedule will be scheduled to work every weekend.

If a nurse works on a paid holiday, she or he will receive one and one half (1.5) pay for all hours worked on a holiday. The nurse will not receive a lieu day.

Nurses may be required to provide medical proof of illness for any absence of a

scheduled shift, which is neither vacation nor an approved leave of absence. The Employer will reimburse the cost of such certificate.

Christmas Period - The weekend tour nurse will continue to work weekends during this period.

Should the nurse agree to pick up additional shifts, or work in excess of their daily shift, they shall be deemed to be in overtime and as such will be paid at the rate of one and one half times (1.5x) their regular earnings. The nurse shall be placed in the full-time seniority list for the distribution of overtime.

The shift and weekend premiums in the Collective Agreement will not apply to the nurses covered by this provision.

## **ARTICLE 16 – PREMIUM PAY**

(c) Cancellation of a Shift on a Stat Holiday

In the event that it becomes necessary to cancel a previously scheduled shift on a Statutory/Recognized Holiday, the cancellation shall be offered to nurses in order of seniority, subject to geographic considerations, requisite skills and continuity of care, commencing with the most senior nurse scheduled. If such is the case, the Employer shall ensure that any lieu days already scheduled by the nurse for the stat holiday are replaced with alternate lieu days, vacation days or added back to the schedule.

## **ARTICLE 18 - VACATION**

### 18.01 Full-time Nurses

- (a) For the purpose of calculating vacations and eligibility, the vacation year shall be April 1 to the following March 31. Vacation shall be taken in the same vacation period in which it is earned.
- (b) Eligibility for vacation with pay for work performed by full-time nurses shall be calculated at the nurse's attained rate on the following basis:
  - i) Nurses who have less than one (1) year of full-time seniority as of March 31, shall be entitled to a vacation on the basis of one and one quarter (1.25) days for each completed month worked;
  - ii) Nurses who have completed one (1) or more years of seniority but less than three (3) years of seniority shall be entitled to vacation, calculated on the basis of one and one quarter (1.25) days for each completed month worked, up to a maximum of fifteen (15) days.
  - iii) Nurses who have completed three (3) years but not more than fourteen (14) years of seniority shall be entitled to a vacation, calculated on the basis of one point six-six-seven (1.667) days for each completed month worked, up to a maximum of twenty (20) days.
  - iv) Nurses who have completed fourteen (14) years but not more than twenty-three (23) years of seniority shall be entitled to vacation, calculated on the basis of two point zero-eight-three (2.083) days for each completed month worked, up to a maximum of twenty-five (25) days.
  - v) Nurses who have completed twenty-three (23) or more years of full-time seniority shall be entitled to vacation, calculated on the basis of two and one half (2.5) days for each completed month worked, up to a maximum of thirty (30) days.

- (c) Since vacation is taken in the vacation year for which it is earned, it is likely therefore, that a nurse will take his/her full entitlement prior to it being fully earned. In the event that the nurse terminates employment prior to the March 31 vacation year ending, repayment of vacation which was taken but unearned will be in accordance with Article 18.02 below.
- (d) Where the normal work week is less than thirty-seven and one half (37.50) hours, the above entitlements shall be adjusted to a pro-rata lesser amount.

#### 18.02 Full-time Nurses - Effect on Termination

- (a) When a nurse resigns or is terminated by the Employer for any reason, full payment for vacation earned, but not taken, will form part of the nurse's termination pay. If vacation has been received by the nurse over and above the vacation he/she is entitled to pursuant to the terms of this Agreement, here shall be deducted from the salary of the nurse, or refunded to the Employer by the nurse, an amount equivalent to the pay for vacation received without entitlement.
- (b) A nurse who resigns his/her employment with less than two (2) weeks' notice shall be entitled only to the vacation provided in the *Employment Standards Act*.

#### 18.03 Part-time Nurses

- (a) Part-time nurses shall be entitled to vacation pay which is included in the percentage paid in lieu of benefits, pension, vacation and statutory holidays as per Article 22.07. Part-time nurses must take a minimum of two (2) weeks' vacation per year, as outlined below, and may request additional vacation time in accordance with their seniority, however, the maximum time granted during the month of March shall be two (2) weeks and the maximum time granted for the period between June 15 and September 15 shall be two (2) weeks in each of those periods. Since part-time nurses receive vacation pay in advance of their vacation, i.e. with their regular pay, part-time nurses are entitled to the following maximum vacation time off, without further compensation:
  - i) Nurses who have been employed for at least one (1) continuous year but have accumulated less than three (3) years of seniority as of December 31 of the previous year shall be entitled to a vacation time off of ten (10) days on the basis of zero point eight-three-three (0.833) days for each completed month worked;
  - ii) Nurses who have completed three (3) years but not more than fourteen (14) years of seniority as of December 31 of the previous year shall be entitled to a vacation time off of fifteen (15) days on the basis of one and one quarter (1.25) days for each completed month worked;
  - iii) Nurses who have completed fourteen (14) years but not more than twenty-three (23) years of seniority as of December 31 of the

previous year shall be entitled to vacation time off of twenty (20) days on the basis of one point six-six-seven (1.667) days for each completed month worked;

iv) Nurses who have completed twenty-three (23) or more years of full-time seniority as of December 31 of the previous year shall be entitled to vacation time off of twenty-five (25) days on the basis of two point zero-eight-three (2.083) days for each completed month worked.

(b) For the purpose of vacation entitlement, service for those nurses whose status changes from part-time to full-time, shall mean the combined seniority as a part-time and full-time nurse accumulated on a continuous basis. For the purpose of this article, fifteen hundred (1500) hours worked equals one (1) year of full-time service.

18.04

(a) Written requests for vacation time off for part-time nurses and vacation with pay for full-time nurses, relating to the vacation period of April 1 to September 30 and October 1 to March 31 shall be submitted to the Employer by the 1<sup>st</sup> of March and the 1<sup>st</sup> of September of each year and the schedule will be posted by the following March 15 and September 15.

Vacation requests shall be granted on the basis of seniority provided that the requests are submitted by the March 1 and September 1 deadlines.

All remaining vacation requests after March 1 or September 1 for the respective periods shall be and will be made in writing and dated to the employee's immediate Supervisor or designate. The requested vacation will be granted on a first requested, (by date) first approved basis. Requests submitted on the same date will be granted by seniority. The Employer will provide a response to the request in writing, within two (2) weeks of the request being received.

In the event that a nurse fails to take all of his/her vacation entitlement by March 31 of the vacation year, the remaining vacation for the nurse will be scheduled by the Employer. The Employer will notify the nurse by December 15 that vacation has not yet been utilized for that vacation year. If vacation dates are not scheduled by February 1, the Employer will schedule the remaining vacation by the end of March 31.

(b) Vacation requests during the period of December 15 and January 15 will be considered on an exception basis only. A nurse with less than fourteen (14) years of seniority may be limited to a maximum of two (2) weeks' vacation, and a nurse with fourteen (14) years or more of seniority may be limited to a maximum of three (3) weeks' vacation, during each of the two (2) prime vacation periods (March Break and June 15 to September 15). Exceptional circumstances will be taken into consideration for requests of more than the above entitlements in any of the prime vacation periods.

(c) Written requests for vacation other than requested in (a) will be granted on the basis of seniority, availability of replacement staff, and the efficient

operation of SJHC and continuity of service to the clients of SJHC, provided that such requests are received with a minimum of ten (10) calendar days written notice. Such requests shall be responded to within five (5) calendar days of the request. Exceptional circumstances may be considered by the Employer for requests submitted with less than ten (10) calendar day's written notice.

- (d) In the case of conflicting requests for vacation, seniority will govern. While vacation requests for both part-time and full-time staff shall be submitted at the same time, there shall be no special seniority preferences or considerations between full-time and part-time nurses solely due to their full-time or part-time status. The Employer reserves the right to determine the maximum number of full-time and/or part-time staff that can be off at any-one time, the duration of the vacation absence and any other standards for the taking of vacation that protects the continuity of service to the client(s) and maintains the efficient operation of the work site and is consistent with the provisions of this Agreement.

18.05 Vacation may not be carried from one (1) vacation year to the next. At the Employer's sole discretion, however, exceptional circumstances may be considered for the carry-over of vacation from one (1) year to the next. If a nurse does not take his/her vacation before the end of the vacation year, the nurse's Employer may schedule the remaining vacation for the nurse if it has not already been scheduled in accordance with Article 18.04 (a) above.

18.06 A nurse may not change his/her authorized vacation without prior approval of the Employer.

18.07 Vacation on Week-ends

- (a) Where a nurse's two (2) week vacation would normally commence or end immediately prior to a scheduled week-end to work, or fall within the two (2) week vacation period, the nurse may request two (2) additional vacation days to enable her to extend her vacation by the two (2) week-end days that the nurse would otherwise be required to work. Such requests will be approved dependent on the availability of alternate staff and provided that it does not interfere with the continuity of service to the client.
- (b) Full-time nurses may request to take vacation on their scheduled weekend to work on two (2) occasions within the April 1 to March 31 vacation year. Such requests shall be granted subject to the availability of staff and shall not be unreasonably denied.

## **ARTICLE 22 – BENEFIT PLANS**

Such coverage shall continue beyond twenty four (24) months only in situations where the nurse pays the full premium cost of the benefits in the month for which they are due.

For regular part-time and casual nurses who are members of the pension plan, the percentage in lieu is nine percent (9%).

It is understood and agreed that the regular part-time and casual nurse's hourly rate does not include the percentage in lieu of vacation, statutory holidays, fringe

It is further understood that this plan will feature a three (3) day unpaid waiting period prior to eligibility for benefits.

Note: The Employer agrees the existing short term and long term disability plan consists of the Employer paying nurses a supplemental benefit in order to provide an equivalent benefit to HOODIP.

- (b) Nurses shall be granted up to six (6) non-cumulative days per calendar year to be used to satisfy the three (3) day waiting period before short-term disability entitlement commences. Such requests shall not be unreasonably denied.
- (c) A nurse may be required to submit a physician's certificate with respect to any period of time for which she may be absent from her duties on sick leave. If a physician's certificate is required, the Employer shall pay any fee for such certificate which is not payable by the nurses' insurance plan. Such medical certification shall be provided on a SJHC form and shall be completed in full. It is understood that payment of any fees under this article does not apply to medical certification requested by third parties such as sick leave plan insurance carriers.

Retroactivity will be paid within four (4) full pay periods (approximately eight [8] weeks) of the date of ratification. Retroactivity will be on the basis of hours paid. Retroactive pay will be paid on a separate cheque where the existing payroll system allows. Where the existing payroll system does not allow for such separate

cheque, the Employer may pay retroactivity as part of the regular pay. In such circumstances, the Employer undertakes that the rate of income tax on the retroactivity will not change unless the retroactive pay changes the employee's annual tax bracket.

The Employer will contact former employees at their last known address on record with the Employer, with a copy to the bargaining unit, within thirty (30) days of the date of ratification to advise them of their entitlement to retroactivity.

Such employees will have a period of sixty (60) days from the date of the notice to claim such retroactivity and, if they fail to make a claim within the sixty (60) day period, their claim will be deemed to be abandoned.

#### Recognition of Previous Experience

For the purposes of placement on the wage grid of either a newly hired full-time or part-time nurse or for a nurse who is re-entering the bargaining unit, such nurse shall make a claim in writing for recognition of recent related nursing experience at the time of application for employment. The nurse shall co-operate with the Employer by providing verification of such previous experience in writing from previous employers during the probationary period. The Employer shall assess the applicability of the previous experience upon receipt of the hours and where such experience is acceptable, shall place the nurse at an appropriate level on the wage grid, retroactive to the employee's start date. Such placement shall be to the maximum level of the wage grid and shall be on the basis of one (1) increment for each year of nursing experience.

Note: For greater clarity, recent related nursing experience includes recent related RN experience out of province and out of country.

24.02 Each full-time nurse shall be advanced from her present level to the next level set out in the wage grid twelve (12) months after she was last advanced on her service review date. If a nurse's absence without any pay exceeds thirty (30) consecutive calendar days during each twelve (12) month period, her advancement date will be extended by the length of such absence in excess of the thirty (30) consecutive calendar days.

A part-time nurse whose status is altered to full-time will assume her same level on the full-time grid. A full-time nurse whose status is altered to part-time will assume her same level on the part-time grid. In addition, the nurse who is transferred will be given credit for service accumulated since the date of her last advancement.

24.03 A part-time and casual nurse shall advance from her present level to the next level set out on the wage grid upon completion of fifteen hundred (1500) hours worked.

24.04 Where the Employer establishes a new classification within the bargaining unit, it shall advise the Union of the classification and the rate of pay. If requested, the Employer agrees to meet with the Union to review the appropriate rate of pay for the classification.

Such request for a meeting shall not delay the implementation of the new classifications and shall be made within fourteen (14) calendar days of the notification by the Employer. Where the rate is challenged by the Union and the matter is not resolved within fourteen (14) calendar days of the meeting, it shall be referred to arbitration within the limits set out by the agreement. Any change in the rate agreed to by the parties or set by the arbitrator shall be retroactive to the date the new position is created.

**Re: Job Sharing**

The parties agree to job sharing, an arrangement whereby two (2) nurses share the hours of work of what would otherwise normally be one (1) full-time position, or whereby three (3) nurses share the hours of work of what would otherwise normally be one (1) full-time and one (1) regular part-time position combined.

The nurses working as Job Sharers will be classified as Regular Part-time nurses and will be covered by the collective agreement respecting regular part-time nurses with the following exceptions:

- 1) The establishment, continuation and elimination of Job Share arrangements shall be at the sole discretion of the Employer to ensure that program and service needs are met. The Employer may elect to convert any positions not filled by way of posting into Job Share arrangements.
- 2) Job requests shall be considered on an individual basis. Two (2) nurses may jointly propose that they Job Share what would otherwise normally be a full-time position provided that at least one (1) of the nurses currently holds a full-time position. Three (3) nurses may jointly propose that they share what would normally be considered one (1) full-time position and one (1) regular part-time position combined, provided that at least one (1) of these nurses currently holds a full-time position. If the Employer approves either of these Job Share arrangements, then no posting will be required. Upon the establishment of a Job Share arrangement, the full-time nurse may return to full-time status only through the job posting provisions of the Collective Agreement.
- 3) Subject to the approval of the Employer, the Job Share partners shall determine the Job Share schedule.
- 4) The Job Share partners shall determine which partner works on a statutory holiday when required by the schedule rotation.
- 5) It is understood that each Job Share partner will cover each other's vacation and will make every effort to cover other absences. With respect to each other's absences, partners are expected, where possible and when requested, to provide coverage during such periods.
- 6) If one (1) of the Job Sharers leaves a Job Share arrangement, the following will apply:
  - (a) If a nurse leaves a Job Share arrangement, the Employer maintains the right to post the position as a full-time position with the remaining Job Sharer being confirmed in a regular part-time position if one is available. In the event that a

Regular Part-time position is not available, the provisions of Section 9, below, shall apply.

- (b) If the Employer approves the continuation of the Job Share arrangement, the vacant portion of the arrangement will be posted in accordance with the Collective Agreement. If there is no successful candidate, the Job Share position will revert to a full-time position with the remaining Job Share partner being confirmed in a regular part-time position if such is available.
  - (c) If the remaining incumbent is unwilling to assume the Regular Part-time position, if such were available, or unwilling to exercise any seniority rights afforded to her under the Collective Agreement, she shall be deemed to have resigned from the Employer.
- (7) The Employer and the Job Share partners will jointly evaluate each new Job Share arrangement after three (3) months. Upon successful evaluation of the arrangement, any vacant positions as a result of the establishment of the Job Share arrangement will be posted in accordance with the Collective Agreement.
  - (8) Where a Job Share arrangement, or part thereof, is posted, the posting provisions for the selection of the successful candidate shall apply.
  - (9) In the event that a Job Share arrangement is dissolved/eliminated, lay-off and seniority provisions of the Collective Agreement will govern.
  - (10) The minimum availability provisions for Regular Part-time nurses will not apply for nurses working in a Job Share arrangement.
  - (11) This Letter of Understanding shall not form part of the Collective Agreement.
