ARTICLE 1 – GENERAL PURPOSE

- 1.01 The purpose of this Agreement is to establish an orderly collective bargaining relationship between the Employer and the employees concerned, to provide for the prompt disposition of grievances and to establish and maintain satisfactory working conditions, hours of work and wages for all employees within the bargaining unit.

ARTICLE 2 – RECOGNITION

- 2.01 The Employer recognizes the Association as the sole and exclusive bargaining agent of all registered and graduate nurses employed in a nursing capacity by St. Patrick's Home of Ottawa save and except the Vice President, Nursing (V.P. Nursing) and the Assistant Vice President, Nursing (A.V.P. Nursing) and persons above the rank of Assistant Vice President.
- 2.02 The word "employee" or "employees" wherever used in this Agreement shall mean only the employees in the bargaining unit defined above.
- 2.03 Where the feminine pronoun is used herein, it shall mean to include the masculine pronoun where the context so provides.
- 2.04 "Supervisor" or "Immediate Supervisor", when used in this Agreement, shall mean the first supervisory level excluded from the bargaining unit.
- 2.05 A full-time employee is an employee hired to work the full normal work schedule of 75 hours bi-weekly.
- 2.06 A regular part-time employee is an employee working on a regular basis less than the normal work schedule of 75 hours bi-weekly.
- 2.07 A nurse who holds a Temporary Certificate of Registration must obtain her or his General Certificate of Registration prior to the expiry of her or his Temporary Class Certificate of Registration. If the nurse fails to obtain her or his General Class Certificate of Registration prior to the expiry of her or his Temporary Class Certificate of Registration, she/he will be deemed to be not qualified for the position of registered nurse and she/he will be terminated from the employ of the Home. Such termination shall not be the subject of a grievance or arbitration.

A relief or casual part-time employee is an employee hired to work on a relief or call-in basis where a regularly scheduled employee is absent. Similarly, a relief or casual shift is a shift to replace a regularly scheduled employee who is absent. Such employee has the option of refusing work when it is made available to her, however, it is also understood that a casual part-time employee cannot unreasonably or consistently refuse to work shifts.

- 2.08 A Registered Nurse is defined as a person who holds a Certificate of Competence from the College of Nurses of Ontario, in accordance with the *Regulated Health Professions Act*, and the *Nursing Act*.

ARTICLE 3 – RELATIONSHIP

- 3.01 The Employer and the Association agree that there will be no intimidation, discrimination, interference, restraint, or coercion exercised or practised by either of them or their representatives or members because of an employee's membership or non-membership in the Association or because of her activity or lack of activity in the Association.
- 3.02 The Association further agrees that there will be no solicitation for membership, collection of dues, or other Association activities on the premises of the Employer during working hours, except as specifically permitted by this Agreement or in writing by the Employer.
- 3.03 No member of the bargaining unit shall be required or permitted to make a written or verbal agreement with the Employer or her representatives which may conflict with the terms of this Collective Agreement. Any such agreement shall be null and void.
- 3.04 The parties agree that there shall be no discrimination against any employee by reason of the employee's age, race, creed, colour, national origin, religion, sex, sexual orientation, marital status or physical disability.
- 3.05 The Employer agrees that an officer of the Association may interview each newly hired employee during regular working hours and further agrees to designate a time and place for such interview. Such interview shall take place on the premises of the Home normally during the orientation program provided by the Employer and within the employee's probationary period and shall not exceed fifteen (15) minutes in duration.
- 3.06 All correspondence between the parties arising out of this Agreement, or incidental thereto, shall pass between the Chief Executive Officer/President of the Home or to his/her designate and the Bargaining Unit President or his/her designate.
- 3.07 The Employer, with the nurse's consent, will inform the Association within three (3) days of any nurse who has been assaulted while performing her work. Such information shall be submitted in writing to the Association as soon as possible.
- The Employer will consider request for reimbursement for damages incurred to the nurse's personal property such as eyeglasses, ripped uniforms, personal clothing as a result of being assaulted while performing her work.

- 3.08 Provided a nurse has followed reasonable policies or procedures issued by the Home to protect the Home's entitlement to investigate and address any allegation of wrongdoing, a nurse will not be subject to discipline or reprisal for the reasonable exercise of her professional obligations, including those related to patient advocacy.
- 3.09 The Home will notify the nurse when it reports her or him to the College of Nurses of Ontario, and refer them to the Union as a resource.
- 3.10 The Union and Employer agree to abide by the Human Rights Code.

ARTICLE 4 – WORK OF THE BARGAINING UNIT

- 4.01 (a) Persons whose jobs are not in the bargaining unit shall not work on any jobs which are included in the bargaining unit that would result in a lay off of employees in the bargaining unit.
- (b) The Employer agrees to employ sufficient registered staff to provide at least the minimum number of daily nursing care hours to its residents as may be set from time to time by provincial regulatory authority. In the event that there is insufficient staffing to meet this undertaking the Employer will post vacancies so that any un-met care undertakings will be satisfied.
- (c) The Employer shall upon entry into any Service Agreement with the Ministry of Health provide the Union with a copy of this Service Agreement, and any other document posted in the Home that is requested by the Union shall not be unreasonably withheld by the employer.
- 4.02 (a) Absent a material reduction in beds, occupancy levels or funding, the Employer will maintain at least the equivalent bargaining unit RN staffing hours each week that was in effect the last week of the expired collective agreement which is 352.5 hours. If there is a significant reduction in beds, occupancy levels or funding, any reduction in the RN staffing hours shall be no greater than necessary to offset the funding reduction.
- (b) The assignment of resident care duties, including the delegation or direction of duties by members of the bargaining unit to other health care providers, shall be in accordance with the *Regulated Health Professions Act* and related statutes and regulations and in accordance with the guidelines established by the College of Nurses of Ontario from time to time, and any Employer policy related thereto shall meet those requirements.

ARTICLE 5 – NO STRIKES OR LOCKOUTS

- 5.01 There shall be no strikes or lockouts so long as this Collective Agreement continues to operate. The word "strike" and the word "lockout" shall have the meaning as set forth in the *Ontario Labour Relations Act*.

ARTICLE 6 – MANAGEMENT RIGHTS

- 6.01 The Association recognizes that the management of the Home and the direction of working forces are fixed exclusively in the Employer and shall remain solely with the Employer except as specifically limited by the provisions of the Agreement and, without restricting the generality of the foregoing, the Association acknowledges that it is the exclusive function of the Employer to:
- (a) maintain order, discipline and efficiency;
 - (b) hire, assign, retire, discharge, direct, promote, demote, classify, transfer, layoff, recall and suspend or otherwise discipline employees, provided that a claim of discharge or discipline without cause may be the subject of a grievance and dealt with as hereinafter provided;
 - (c) determine, in the interest of efficient operation and high standards of service, job rating and classification, the hours of work, work assignments, methods of doing the work, and the working establishment for the service;
 - (d) manage the operation of the Home, and to determine the number of personnel required, methods, procedures and equipment required in the operation of the Home;
 - (e) make, enforce, and alter from time to time reasonable rules and regulations to be observed by the employees which are not inconsistent with the provisions of this Agreement.
- 6.02 The Employer will exercise these rights in a manner consistent with the Collective Agreement and apply the provisions of the Collective Agreement in a reasonable manner.

ARTICLE 7 – ASSOCIATION SECURITY

- 7.01 The Employer shall deduct, in the first payroll period in each month, from the earnings of all employees in the bargaining unit, a sum equal to the monthly union dues for each employee. Where an employee has no earnings during the first payroll period, the deduction shall be made in the next payroll period where the employee has earnings within that month.

The deduction period for an employee may be extended where the employee does not receive pay in a particular month.

- 7.02 In the case of a newly-hired employee such deduction shall commence in the first pay period immediately following her date of hire.
- 7.03 The amount of the regular monthly dues shall be those authorized by the Union and the Provincial Secretary Treasurer of the Union shall notify the Employer of any changes therein and such notification shall be the Employer's conclusive authority to make the deduction specified. The Union shall provide the Employer with reasonable notice of change in Union dues.
- 7.04 The total amount deducted pursuant to Article 7.02 above shall be remitted monthly to the Union no later than the 15th of the month following the month in which the dues were deducted. In remitting such dues, the Employer shall provide a list of employees and the amounts deducted in an electronic format in accordance with this Article.

The list shall also include the name, classification, employee status, location, and social insurance number provided the member agreed to disclosure, of each employee from whom deductions were made in the preceding month. The Employer will also provide a listing of all terminations, newly-hired employees, employees on leaves of absences, paid or unpaid, and any employees who have not paid the full amount of dues.

The Employer will also identify the dues month, name of the bargaining unit and payroll contact information.

ARTICLE 8 – ASSOCIATION REPRESENTATION

8.01 Negotiating Committee

- (a) A Negotiating Committee of the Association will consist of (2) two employees, preferably one full-time and one part-time elected by the Bargaining Unit. The Association will advise the Employer of the names of such committee members and the effective date of appointment. Any changes in the executive shall be reported, in writing, to the Employer within thirty (30) days.
- (b) The Employer agrees to pay members of the Negotiating Committee for time spent during regular working hours in negotiations up to but not including Arbitration to a maximum of 7.5 hours per day.
- (c) The purpose of this committee shall be to negotiate issues in the renewal of agreements with the Employer. Nurses on the Negotiating Committee shall have their schedule arranged on the

evening or night shift of the actual negotiating day if scheduled to work these shifts.

8.02 Grievance Committee

It is agreed that the Association may appoint two (2) nurses to be its representatives on the Grievance Committee. The representatives shall not leave their regular duties in connection with the servicing of a grievance hereunder until the representative has first secured permission from her immediate supervisor. Such permission shall not be unreasonably withheld. The employee shall state her destination to her immediate supervisor and shall report again to her immediate supervisor at the time of her return to work. The representatives shall suffer no loss of pay while involved in the grievance procedure during their normal working hours. The Association will advise the Employer of the names of such committee members and the effective dates of the appointments.

8.03 Association/Management Committee

An Association/Management Committee shall be established consisting of two (2) nurse representatives of the Bargaining Unit and two (2) representatives of the Employer. The representatives shall suffer no loss of pay while attending meetings of the Association/Management Committee during their regular scheduled hours of work. Where possible, agenda items will be exchanged in writing at least five (5) calendar days in advance.

The function of the Committee shall be to promote and to provide effective and meaningful communication of information and ideas and to make recommendations on matters of mutual concern. The Employer will provide, upon request, information on workload measurement systems if used by the Employer, and evaluations completed of such systems. Matters may be referred to the Committee by the Association and the Employer.

8.04 Where a nurse is required to attend a committee meeting with the Employer outside of regularly scheduled hours, she or he will be paid for all hours spent in attendance at meetings at her or his regular straight time hourly rate.

8.05 In the event that the Home is contemplating participating in a government initiative which will materially impact the Bargaining Unit members, the Home will meet with the union in advance of participating in the initiative.

ARTICLE 9 – GRIEVANCE PROCEDURE

9.01 A grievance may arise only from a dispute concerning the interpretation, application, administration or alleged violation of this Agreement.

9.02

It is the mutual desire of the parties hereto that complaints of employees shall be adjusted as quickly as possible, and it is understood that an employee has no grievance until she has first given her immediate supervisor an opportunity to adjust her complaint. If an employee has a complaint, she shall discuss it with her immediate supervisor within nine (9) working days after the circumstances giving rise to the complaint have originated or occurred and, failing settlement, it may then be taken up as a grievance, as defined above, within nine (9) working days following receipt of the immediate supervisor's decision in the following manner and sequence:

Step No. 1

If further action is to be taken, then within nine (9) working days of the discussion, the employee, who may request the assistance of her employee representative, shall submit the written grievance to the V.P. Nursing or designate. A meeting will be held between the parties within nine (9) working days. The V.P. Nursing or designate shall give a written decision within nine (9) working days of the meeting to the Bargaining Unit President or her designate with a copy to the Labour Relations Officer.

Step No. 2

The employee, together with her representative, may present her alleged grievance in writing to the President and Chief Executive Officer or designate. A meeting will be held within nine (9) working days between the President and Chief Executive Officer or her designate and the grievor and a representative of the Association unless extended by agreement of the parties. An advisor to the Association may be present at the request of the Association. The decision of the President and Chief Executive Officer or designate shall be delivered in writing within fourteen (14) working days.

It is understood that the President and Chief Executive Officer or designate shall have such counsel and assistance as she may desire at such meeting with the Association.

Within 9 calendar days following the decision under Step No. 2, the grievance may be submitted to a Grievance Mediation Officer, who will attempt to mediate a settlement of the grievance. Upon being advised that the Grievance Mediation Officer has been unable to effect a settlement of the grievance, then the grievance may be submitted to arbitration as provided herein.

Where it is mutually agreed by the parties that the service of a Mediation Officer is retained, the cost shall be shared by the parties. Where there is no such agreement the cost shall be paid by the party requesting the service.

- 9.03 Failing a settlement under Step No. 2 of any difference between the parties arising from the interpretation, application, administration or alleged violation of this Agreement, including any question as to whether a matter is arbitrable, such difference may be taken to arbitration as provided in Article 10 and, if no written request for arbitration is received within ten (10) full working days after the decision in Step No. 2 is given, it shall be deemed to have been settled.
- 9.04 Policy Grievance
- Any complaint or grievance arising directly between the Employer and the Association concerning interpretation, application or alleged violation of this agreement, shall be originated under Step No. 2 within ten (10) working days after the circumstances giving rise to the complaint have originated or occurred. The grievance must be in writing and must be signed by the President or her designate. However, it is expressly understood that the provisions of this paragraph may not be used to institute a complaint or grievance directly affecting an employee or employees which such employee or employees could themselves institute, and the regular Grievance Procedures shall not be thereby by-passed.
- 9.05 A claim by an employee who has completed her probationary period that she has been unjustly discharged shall be treated as a grievance if a written statement of such grievance is lodged with the Employer at Step No. 2 within five (5) working days after the discharge is effected. Such special grievance may be settled under the Grievance or Arbitration Procedure by:
- (a) confirming the Employer's action in dismissing the employee;
 - (b) reinstating the employee without loss of seniority and with full compensation for time lost; or
 - (c) by any other arrangement which may be deemed just by the conferring parties.
- 9.06 No adjustment effected under the Grievance Procedure shall be made retroactive prior to the date the grievance was formally discussed or presented to the Employer under the Grievance Procedure save and except bookkeeping errors involving pay.
- 9.07 In all steps of the Grievance Procedure, where no written answer has been given within the time specified, the employee(s) concerned, the Association or the Employer, as the case may be, shall be entitled to submit the grievance to the next step of the Grievance Procedure.
- 9.08 At the time discipline is imposed or at any stage of the grievance procedure, including the complaint stage, an employee is entitled to be represented by the employee's Association Representative.

ARTICLE 10 – ARBITRATION

- 10.01 (a) Where a difference arises between the parties relating to the interpretation, application or administration of this Agreement, including any questions as to whether a matter is arbitrable, or where an allegation is made that this Agreement has been violated, either of the parties may, after exhausting the grievance procedure established by this Agreement, notify the other party in writing of its decision to submit the difference or allegation to arbitration. Such notice shall contain the names of three (3) arbitrators for consideration. If none of the suggestions is agreed, the other party shall provide the names of 3 arbitrators and so forth until there is an agreement. If after 10 business days from the notice to arbitrate the Parties fail to agree upon a Chairperson, the appointment shall be made by the Minister of Labour for Ontario upon the request of either party.

Once appointed the sole arbitrator shall have the power to mediate/arbitrate the grievance, including the power to impose a settlement in accordance with Article 10.03.

- (b) Notwithstanding (a), the Parties may agree to a Board of Arbitration rather than a sole arbitrator. In such case, the notice to arbitrate shall contain the name of the first party's appointee to an Arbitration Board and the recipient of the notice, within ten (10) business days, inform the other party of the name of its appointee to the Arbitration Board. The two appointees so selected shall within ten (10) business days of the appointment of the second of them, appoint a third person who shall be the Chairperson. If the recipient of the notice fails to appoint a nominee, or if the two nominees fail to agree upon a Chairperson within the time limit, the appointment shall be made by the Minister of Labour for Ontario upon the request of either party.

- 10.02 No person may be appointed as an arbitrator who has been involved in an attempt to negotiate or settle the grievance.

Once appointed the Arbitration Board shall have the power to mediate/arbitrate the grievance, including the power to impose a settlement and to limit evidence and submissions.

- 10.03 No matter may be submitted to arbitration which has not been properly carried through all requisite steps of the Grievance Procedure.

The time prior to referral to arbitration may be utilized by the Union and/or the Employer to discuss and/or initiate a dispute resolution mechanism other than a three person Board of Arbitration. If agreed, a sole arbitrator may replace a three person Board of Arbitration where the grievances concern is but not limited to:

- (a) a job posting
- (b) a short term layoff
- (c) responsibility pay, premiums, overtime and call-in pay
- (d) entitlement to leave
- (e) scheduling issues
- (f) any other issues

All references to an Arbitration Board shall be taken to include a sole arbitrator.

- 10.04 The Arbitration Board shall not be authorized to make any decision inconsistent with the provisions of this Agreement, nor to alter, modify, add to or amend any part of this Agreement.
- 10.05 The proceedings of the Arbitration Board will be expedited by the parties hereto, and the decision of the majority or, where there is no majority, the decision of the Chairperson will be final and binding upon the parties hereto and the employee or employees concerned.
- 10.06 Each of the parties hereto will bear the expense of the arbitrator appointed by it, and the parties will jointly bear the expenses, if any, of the Chairperson of the Arbitration Board.
- 10.07 The time limits fixed in both the Grievance and Arbitration Procedure may be extended by mutual agreement of the parties. Working days shall mean Monday to Friday exclusive of statutory holidays.
- 10.08 Where both parties agree, a single arbitrator may be substituted for a Board of Arbitration. His appointment and jurisdiction shall conform to the provisions of this Article.

ARTICLE 11 – PROFESSIONAL RESPONSIBILITY

11.01 Professional Responsibility

In the event that the Employer assigns a number of residents or a workload to an individual nurse or group of nurses, such that she or they have cause to believe that she or they are being asked to perform more work than is consistent with proper resident care, she or they shall:

- (a) i) At the time the workload issue occurs, discuss the issue within the unit/program to develop strategies to meet patient care needs using current resources.
- ii) Failing resolution within the unit/program at the time of the occurrence, the nurse will discuss the issue with the V.P. Nursing or designate on the next day that the Manager and nurse are working.

The Committee shall hear and attempt to resolve the complaint to the satisfaction of both parties and report the outcomes to the parties.
- v) Prior to the complaint being forwarded to the Independent Assessment Committee, the Association may forward a written report outlining the complaint and recommendations to the VP Nursing.
- vi) Failing resolution of the complaint within fifteen (15) calendar days of the meeting of the Association/Management Committee, the complaint shall be forwarded to an independent assessment committee, composed of three (3) registered nurses; one (1) chosen by the Ontario Nurses' Association, one (1) chosen by the Home and one (1) chosen from a panel of four (4) independent registered nurses who are well respected within the profession. The member of the committee chosen from the panel of independent registered nurses shall act as chairperson.

If one of the parties fails to appoint its nominee within a period of forty-five (45) calendar days of giving notice to proceed to the Independent Assessment Committee, the process will proceed. This will not preclude either party from appointing

their nominee prior to the commencement of the Independent Assessment Committee hearing.

- vii) The Assessment Committee shall set a date to conduct a hearing into the complaint within fourteen (14) calendar days of its appointment, and shall be empowered to investigate as is necessary, and make what findings as are appropriate under the circumstances. The Assessment Committee shall report its findings in writing, to the parties within forty-five (45) calendar days following completion of its hearing.
- viii) The Chief Nursing Executive, Bargaining Unit President and the Home-Association Committee will jointly review the recommendations of the Independent Assessment Committee and develop an implementation plan for mutually agreed changes.
- (b) i) The list of Assessment Committee Chairpersons is attached as Appendix "B" and forms part of this agreement.

The members of the panel shall sit in rotation as agreed by the parties. If a panel member is unable to sit within the time limit stipulated, the panel member next scheduled to sit will be appointed by the parties.

- ii) Each party will bear the cost of its own nominee and will share equally the fee of the chairperson, and whatever other expenses are incurred by the Assessment Committee, in the performance of its responsibilities as set out herein.

ARTICLE 12 – PROFESSIONAL DEVELOPMENT

An orientation and in-service program will be provided to all employees. These programs shall be reviewed and discussed from time to time by members of the Association/Management Committee.

Before assigning a newly hired nurse in charge of a unit, the employer will first provide orientation both to the facility and to the unit. It is understood that such nurse shall be assigned to any tour as part of the nurse's orientation program, providing such assignment is in accordance with any scheduling regulations contained in the collective agreement.

The following minimums shall be observed in the orientation of newly-hired employees:

The nurse shall provide the Home upon request with a description of the subject matter and as much notice as is practicable in order to ensure that replacement staff is provided.

In all cases of transfer or promotion, the following factors shall be considered:

- (a) skill, ability, qualifications;

There shall be no loss of seniority or service for a nurse during such leave of absence. Leave of absence under this provision shall be in addition to the Association leave provided in Article 19.05 above. During such leave of absence, the nurse's salary and applicable benefits shall be maintained by the Employer and the Association agrees to reimburse the Employer in the amount of the full cost of such salary and applicable benefits.

20.07 Leave, President, O.N.A.

Upon application in writing by the Association on behalf of the nurse to the Employer, a leave of absence shall be granted to such nurse elected to the office of President of the Ontario Nurses' Association. There shall be no loss of service or seniority for a nurse during such leave of absence. During such leave of absence, the nurse's salary and applicable benefits shall be maintained by the Employer and the Association agrees to reimburse the Employer in the amount of the full cost of such salary and applicable benefits. It is understood, however, that during such leave the nurse shall be deemed to be an employee of the Ontario Nurses' Association. The nurse agrees to notify the Employer of her or his intention to return to work at least two (2) weeks prior to the date of such return.

Note: The Employer agrees to keep the salary and benefits whole for all employees on Union Leave under clauses 20.05, 20.06 and 20.07 above, and will bill the Union for such salary, as well as E.I, C.P.P., E.H.T. and W.S.I.B. premiums, vacation pay (where such employee is paid a percentage of earnings) and percentage in lieu contributions as applicable. It is understood that employees accrue seniority and service for all purposes while on these leaves. This clause is subject to any "effect of absence" clause, it being understood that the Union would make any prepayment of premiums under this provision rather than the employee. It is further understood that should EHT be switched to a premium based financing method there will be no obligation to reimburse the Employer for that cost.

20.08 ONA Staff Leave

Upon application in writing by the Union on behalf of an employee to the Home, an unpaid leave of absence may be granted to such employee selected for a secondment or a temporary staff position with the Ontario Nurses' Association. Such leave shall not be unreasonably denied or extended beyond twelve (12) months. Notwithstanding Article 12.05, there shall be no loss of service or seniority for an employee during such leave of absence. It is understood that during such leave the employee shall be deemed to be an employee of the Ontario Nurses' Association. The employee agrees to notify the Home of her or his intention to return to work at least two (2) weeks prior to the date of such return. The employee shall be reinstated to her or his former position, unless that position has been discontinued, in which case the employee shall be given a comparable job.

20.09 Military Leave

A nurse will be granted unpaid leave without loss of seniority in order to meet any obligations pertaining to the Canadian Military Reserve. The nurse will give as much notice as reasonably possible.

20.10 Family Medical Leave

- (a) Family Medical Leave will be granted in accordance with the *Employment Standards Act*.
- (b) A nurse who is on Family Medical Leave shall continue to accumulate seniority and service and the Home will continue to pay its share of the premiums of the subsidized employee benefits, including pension, in which the nurse is participating during the leave.
- (c) Subject to any changes in a nurse's status which would have occurred had he or she not been on Family Medical Leave, the nurse shall be reinstated to her former duties, on the same shift in the same department, and at the same rate of pay.

ARTICLE 21 – PREGNANCY LEAVE AND PARENTAL LEAVE

21.01 Pregnancy Leave

- (a) Pregnancy leave will be granted in accordance with the provisions of the *Employment Standards Act*, except where amended in this provision. A nurse who is eligible for a pregnancy leave may extend the leave for a period of up to sixty-three (63) weeks duration, inclusive of any parental leave.
- (b) The nurse shall give written notification at least one (1) month in advance of the date of commencement of such leave and the expected date of return.
- (c) The nurse shall reconfirm her intention to return to work on the date originally approved in subsection (b) above by written notification received by the Home at least four (4) weeks in advance thereof. The nurse shall be reinstated to her former position unless the position has been discontinued in which case she shall be given a comparable job.
- (d) Nurses newly hired to replace nurses who are on approved pregnancy leave may be released and such release shall not be the subject of a grievance or arbitration. If retained by the Home, in a permanent position, the nurse shall be credited with seniority from date of hire subject to successfully completing her or his probationary period.

The Home will outline to nurses hired to fill such temporary vacancies the circumstances giving rise to the vacancy and the special conditions relating to such employment.

- (e) The Home may request a nurse to commence pregnancy leave at such time as the duties of her position cannot reasonably be performed by a pregnant woman or the performance or non-performance of her work is materially affected by the pregnancy.
- (f) On confirmation by the Employment Insurance Commission of the appropriateness of the Home's Supplemental Unemployment Benefit (SUB) Plan, a nurse who is on pregnancy leave as provided under this Agreement who has applied for and is in receipt of Employment Insurance pregnancy benefits pursuant to Section 18 of the *Employment Insurance Act* shall be paid a supplemental employment benefit. Effective January 1st, 2013, that benefit will be equivalent to the difference between eighty-four percent (84%) of her regular weekly earnings and the sum of her weekly Employment Insurance benefits and any other earnings. Biweekly payment shall commence following completion of the one (1) week Employment Insurance waiting period, and receipt by the Home of the nurse's Employment Insurance cheque stub as proof that she is in receipt of Employment Insurance pregnancy benefits, and shall continue for a maximum period of fifteen (15) weeks. The nurse's regular weekly earnings shall be determined by multiplying her regular hourly rate on her last day worked prior to the commencement of the leave times her normal weekly hours. The normal weekly hours for a part-time employee shall be calculated by using the same time period used for calculation of the Employment Insurance benefit.

The employee does not have any vested right except to receive payments for the covered employment period. The plan provides that payments in respect of guaranteed annual remuneration or in respect of deferred remuneration or severance pay benefits are not reduced or increased by payments received under the plan.

The employer shall continue to pay the percentage in lieu of benefits for part-time employees based on the employee's normal weekly hours for the full duration of the pregnancy leave in addition to pension contributions if applicable.

21.02 Parental Leave

- (a) A nurse who becomes a parent of a child is eligible to take a parental leave in accordance with the provisions of the *Employment Standards Act*, except where amended in this provision.
- (b) A nurse who has taken a pregnancy leave under Article 21.01 is eligible to be granted a parental leave of up to sixty-one (61) weeks' duration, in accordance with the *Employment Standards Act*. A nurse who is eligible for a parental leave may extend the parental leave for a period of up to sixty-three (63) weeks duration, consideration being

given to any requirements of adoption authorities. In cases of adoption, the nurse shall advise the Home as far in advance as possible with respect to a prospective adoption and shall request the leave of absence, in writing, upon receipt of confirmation of the pending adoption. If, because of late receipt of confirmation of the pending adoption, the nurse finds it impossible to request the leave of absence in writing, the request may be made verbally and subsequently verified in writing.

- (c) The nurse shall be reinstated to her or his former position, unless that position has been discontinued, in which case the nurse shall be given a comparable job.
- (d) Nurses newly hired to replace nurses who are on approved parental leave may be released and such release shall not be the subject of a grievance or arbitration. If retained by the Home, in a permanent position, the nurse shall be credited with seniority from date of hire. The nurse shall be credited with hours worked towards the probationary.

The Home will outline to nurses hired to fill such temporary vacancies, the circumstances giving rise to the vacancy and the special conditions relating to such employment.

- (e) On confirmation by the Employment Insurance Commission of the appropriateness of the Home's Supplemental Unemployment Benefit (SUB) Plan, a nurse who is on parental leave as provided under this Agreement who has applied for and is in receipt of Employment Insurance parental benefits pursuant to Section 20 of the *Employment Insurance Act* shall be paid a supplemental employment benefit. Effective January 1st, 2013, that benefit will be equivalent to the difference between eighty-four percent (84%) of the nurse's regular weekly earnings and the sum of her or his weekly Employment Insurance benefits and any other earnings. Biweekly payment shall commence following completion of the one (1) week Employment Insurance waiting period, and receipt by the Home of the employee's Employment Insurance cheque stub as proof that she or he is in receipt of Employment Insurance parental benefits and shall continue while the nurse is in receipt of such benefits for a maximum period of twelve (12) weeks. The nurse's regular weekly earnings shall be determined by multiplying her or his regular hourly rate on her or his last day worked prior to the commencement of the leave times her or his normal weekly hours. The normal weekly hours for a part-time employee shall be calculated by using the same time period used for calculation of the Employment Insurance benefit.

The employee does not have any vested right except to receive payments for the covered employment period. The plan provides that

payments in respect of guaranteed annual remuneration or in respect of deferred remuneration or severance pay benefits are not reduced or increased by payments received under the plan.

The employer shall continue to pay the percentage in lieu of benefits for part-time employees based on the employee's normal weekly hours for that portion of the parental leave for which SUB payments are being made, i.e. 12 weeks, in addition to pension contributions if applicable.

ARTICLE 22 – BEREAVEMENT LEAVE

- 22.01 In the event of the death of a member of the immediate family, an employee shall be granted up to four (4) consecutive days off without loss of regular pay prior to and inclusive of the day of the funeral or a memorial service (or equivalent). "Immediate family" means father, mother, brother, sister, spouse, common law spouse, son, daughter, grandparent, grandchild, mother-in-law and father-in-law, son-in-law or daughter-in-law. **ONA/LONG-TERM CARE PROFESSIONAL RESPONSIBILITY – WORKLOAD
REPORT FORM
GUIDELINES AND TIPS ON ITS USE**

The parties have agreed that resident care is enhanced if concerns relating to professional practice, resident acuity, fluctuating workloads and fluctuating staffing are resolved in a timely and effective manner. The collective agreement provides a problem solving process for nurses to address concerns relative to resident care. This report form provides a tool for documentation to facilitate discussion and to promote a problem-solving approach.

PRIOR TO SUBMITTING THE WORKLOAD REPORT FORM PLEASE FOLLOW THE PROBLEM SOLVING PROCESS BELOW AND AS OUTLINED IN THE COLLECTIVE AGREEMENT ARTICLE 19 FOR NURSING HOMES OR AS IDENTIFIED IN YOUR COLLECTIVE AGREEMENT.

PROBLEM SOLVING PROCESS

- 1) At the time the workload issue occurs, discuss the matter within the Unit/Floor to develop strategies to meet resident care needs using current resources. Using established lines of communication, seek immediate assistance from an individual identified by the Employer (e.g. Charge Nurse/Assistant Director of Care/Director of Care/Administrator) who has responsibility for timely resolution of workload issues.
- 2) Failing resolution of the workload at the time of the occurrence, complete the form. Some Collective Agreements require the nurse to discuss the issue with the Manager (or designate) on the next day that both the Employee and Manager (or designate) are working or within the time frame stated in the Collective Agreement, however in the absence of this language, it is recommended and a good practice to discuss the concern with your Manager.
- 3) When meeting with the manager, you may request the assistance of a Union representative to support/assist you in the meeting. Every effort will be made to resolve the workload issues at the unit level. The Bargaining Unit Representative shall be involved in any resolution discussions at the unit level. All discussions and action will be documented.
- 4) The Nursing Home Professional Responsibility Clause assumes the Nursing Leader consulted in Steps 1 & 2 would be the same person consulted in the above Step 3 and therefore the Nursing Home Step 2 is: Failing resolution, submit the Professional Responsibility Workload Report Form to the Union-Management Committee within 20 calendar days from the alleged improper assignment. The Union-Management Committee will meet within 20 days of the filing of the complaint to attempt to resolve the complaint to the satisfaction of both parties. This is Step 3 in most of the other Collective Agreements. Please check your own Collective Agreement for accurate timelines. (SEE BLANK REPORT FORM ATTACHED TO THESE GUIDELINES.)

- 5) Prior to the complaint being forwarded to the Independent Assessment Committee (IAC), the Union may forward a written report outlining the complaint and recommendations to the Director of Resident Care and/or the Administrator.
- 6) If the issue remains unresolved it shall be forwarded to an IAC as outlined in the Collective Agreement within the requisite number of days of the meeting in 3) above.
- 7) The Union and the Employer may mutually agree to extend the time limits for referral of the complaint at any stage of the complaint procedure.
- 8) Any settlement arrived at under the Professional Responsibility Clause of the Collective Agreement shall be signed by the parties.

TIPS FOR COMPLETING THE FORM

- 1) Review the form before completing it so you have an idea of what kind of information is required.
- 2) Print legibly and firmly as you are making multiple copies.
- 3) Use complete words as much as possible. Avoid abbreviations.
- 4) As much as possible, you should report only facts about which you have first-hand knowledge. If you use second-hand or hearsay information, identify the source if permission is granted.
- 5) Identify the College of Nurses of Ontario (CNO) Standards/Practice Guidelines/Long-Term Care policies and procedures you believe to be at risk. The CNO Standards can be found at www.cno.org.
- 6) Do not, under any circumstances, identify resident.
