ARTICLE 8 – RESERVATION OF MANAGEMENT RIGHTS

8.01 The parties of this Agreement are agreed that it is of the utmost importance to adjust its complaints and grievances as quickly as possible.

8.02 Within the terms of this Agreement, a grievance shall be defined as a difference between the parties arising from the interpretation, application, administration or alleged violation of this Agreement.

8.03 Grievances properly arising under this Agreement shall be adjusted and settled as follows. However, no grievance shall be considered where circumstances giving rise to it have occurred or were brought to the attention of the nurse more than seven (7) working days before the filing of the grievance.

Step No. 1
A nurse having a grievance shall first take the grievance up with the nurse’s immediate Director of Nursing or her designate who shall attempt to adjust it. Any nurse may request the immediate Director of Nursing or her designate to call a representative of the Grievance Committee to handle a specified grievance, and, if such request is made, the Director of Nursing or her designate shall send for the representative without undue delay for further discussion of the grievance. If the grievance is not adjusted by the immediate Director of Nursing or her designate within seven (7) working days, it shall be reduced to writing within a further seven (7) working days and signed by the nurse involved, and one (1) copy shall be given to the immediate Director of Nursing or her designate. The immediate Director of Nursing or her designate shall give her reply in writing to the nurse not later than seven (7) working days following the receipt of the written grievance.

Step No. 2
If the grievance is not adjusted by the immediate Director of Nursing or her designate, an appeal may be lodged by the nurse within seven (7) working days thereafter to the Administrator or his designate. A meeting will then be held between the Administrator or designate and the Grievance Committee and the Labour Relations Officer with or without the nurse concerned being present. The Administrator or designate shall give her decision in writing to the Chairperson of the Grievance Committee with a copy to the ONA Labour Relations Officer not later than seven (7) working days following the date of such meeting.

Step No. 3
If the written decision of the Administrator or his designate is not satisfactory to the nurse, the Grievance Committee may within seven (7) working days thereafter appeal in writing to the City Manager or designate. A meeting will then be held between the City Manager or designate and the Grievance Committee and the Labour Relations Officer with or without the nurse concerned being present. The City Manager or designate shall give his decision in writing to the Chairperson of the Grievance Committee with a copy to the ONA Labour Relations Officer not later than ten (10) working days following the date of such meetings.
8.04 Either the Corporation or the Association may require the nurse or a member of the group of nurses involved in the grievance being appealed, to be present at such meetings.

8.05 Written, signed grievances shall contain a clear and concise statement concerning the alleged grievance, the people involved and the relief sought, and the article(s) of the Agreement allegedly violated.

A grievance shall be returned to the nurse if it fails to comply with these requirements, and the nurse shall have an additional seven (7) working days to refile the grievance in conformity with this section.

8.06 A policy or group grievance, to which an individual nurse cannot grieve, may be lodged in writing at Step No. 2 of the Grievance Procedure at any time within seven (7) working days after the circumstances giving rise to it had occurred or was brought to the attention of the Association, and if it is not satisfactorily settled, it may be processed through the grievance procedure in the same manner and to the same extent as the grievance of a nurse.

8.07 Group Grievance
Where a number of nurses have identical grievances and each nurse would be entitled to grieve separately they may present a group grievance in writing to the Administrator or designate at Step No. 2 within ten (10) working days after the circumstances giving rise to the grievance have occurred or ought reasonably to have come to the attention of the nurse(s). The grievance shall then be treated as being initiated at Step No. 2 and the applicable provisions of this Article shall then apply with respect to the processing of such grievance.

8.08 The time limits fixed in the grievance procedure may be extended in writing with the consent of the parties to this Agreement.

8.09 (a) Should any grievance fail to be satisfactorily settled under the foregoing procedure, either party may within ten (10) working days following receipt of the answer from the City Manager or designate, notify the other party in writing of its desire to submit the difference or allegation to arbitration.

(b) If no written request for arbitration is received within ten (10) working days after the decision under Step No. 3 is given, the grievance shall be deemed to have been abandoned. Where such a written request is postmarked within eight (8) working days after the decision under Step No. 3, it will be deemed to have been received within the time limits.

(c) When either party requests any matter may be submitted to arbitration as provided in the foregoing Article, it shall make such request in writing addressed to the other party to this Agreement, and at the same time name a nominee. The two (2) nominees shall attempt to select by agreement a Chairperson of the Arbitration Board. If they are unable to agree upon such a Chairperson within a period of ten (10) working days, they shall then request the Minister of Labour for the Province of Ontario to appoint a Chairperson.
(d) If either party fails to make the required appointments within the time designated, either or both parties may request the Minister of Labour of the Province of Ontario to fill the vacancies.

(e) No person may act as an Arbitrator who has been involved in attempts to negotiate or settle the grievance.

(f) The Arbitration Board shall hear and determine the difference and shall issue a decision and the decision shall be final and binding upon the parties and upon any nurse affected by it. The decision of a majority shall be the decision of the Arbitration Board, but if there is no majority, the decision of the Chairperson shall govern.

(g) If the grievance is not referred to Arbitration within the said period, the grievance will be conclusively deemed to have been finally abandoned.

8.10 The Arbitration Board shall have authority only to settle disputes under the terms of this Agreement and may only interpret and apply this Agreement to the facts of the particular grievance involved. Only grievances arising from the interpretation, application, administration or alleged violation of this Agreement, including any questions as to whether a matter is arbitrable, shall be arbitrable.

8.11 The Association and the Corporation shall each be responsible for the fees and expenses of its own nominee and one-half of the fees and expenses of the Chairperson.

8.12 The Arbitration shall be heard at Thunder Bay, Ontario, or at such other places as may be agreed upon by the Association and the Corporation.

8.13 A claim by a nurse who has completed the probationary period that she has been unjustly discharged shall be treated as a grievance if a written statement of such grievance is lodged by the nurse at Step No. 3 within five (5) working days after the nurse ceases to work for the Home. Such grievances shall be taken up at a special meeting with the Association Grievance Committee.

8.14 A discharge grievance may be settled by confirming the Corporation’s action in dismissing the nurse or by reinstatement with full compensation for time lost or by any other arrangement which is just and equitable in the opinion of the conferring parties or the Board of Arbitration.

8.15 When formal discipline, including discharge, is administered, an Association Representative shall be in attendance.

8.16 Any grievance instituted by the Corporation may be referred in writing to the Association within ten (10) working days of the occurrence of the circumstances giving rise to the grievance and the Association Grievance Committee shall meet within ten (10) working days thereafter with management to consider the grievance. If final settlement of the grievance is not completed within ten (10) working days of such meeting, the grievance may be referred by either party to a Board of Arbitration as provided for in Article 8, Clause 8.09 (a) at any time within ten (10) working days thereafter.
8.17 Time limits shall be computed by excluding Saturdays, Sundays and holidays in the Collective Agreement. Failure of the Association to meet its time limits will cause the grievance to expire and it shall not be made the subject of a further grievance. Failure of the Corporation to meet its time limits shall permit the grievor to take the grievance to the next succeeding step, within ten (10) working days after the expiration of the said time limit.

ARTICLE 9 – PROBATIONARY PERIOD AND SENIORITY

9.01 Every nurse newly employed shall be on probation until she has completed five hundred and twenty-five (525) hours of work with the Corporation. With the written consent of the Director of Nursing, nurse, Bargaining Unit President or her designate, and an Association representative such probationary period may be extended.

Periodic progress evaluations will be given as per Corporate Policy. Where the Corporation requests an extension of the probationary period, it will provide notice to the Association at least seven (7) calendar days prior to the expected date of expiration of the initial probation period. Such extended probation period will not exceed four hundred and fifty (450) hours of work.

Seniority shall be effective the first tour worked in her last date of hire with the Corporation. The lay-off, termination or discharge of a probationary nurse will not be made the subject of a grievance.

9.02 Separate full-time and part-time Nurse’s seniority lists shall be posted by the Corporation by February 15 (showing seniority accumulated up to January 31) and by October 15 (showing seniority accumulated up to September 30) of each year. A copy of the current seniority lists will be provided to the Bargaining Unit President, or her designate, at the same time as they are posted.

For full-time employees seniority shall be calculated from the nurse’s date of hire, adjusted as necessary under the absence provisions of the Collective Agreement.

For part-time employees seniority shall be calculated from nurse’s total hours worked, adjusted as necessary under the absence provisions of the Collective Agreement.

The conversion of part-time to/from full-time seniority is based on 1500 hours part-time = 1 year full-time.

9.03 Seniority shall be retained and accumulated under the following circumstances:

(b) when absent on authorized sick leave;

(f) when at work for the Corporation.

9.04 All seniority, sick leave and vacation credits earned under this Collective Agreement shall be retained by and transferred with the nurse if she transfers from part-time to full-time and vice versa. Part-time nurses transferring to full-time status will be subject to the eligibility provision set forth in Article 15.

Vacation pay will be pro-rated if a nurse transfers from part-time to full-time to the extent that six percent (6%) has already been paid subject to the vacation pay provisions of the Collective Agreement, Article 15.

9.05 A layoff of nurses both full-time and part-time as may be warranted shall be made on the basis of seniority provided that the nurses who are entitled to remain on the basis of seniority are qualified to perform the available work. Subject to the foregoing, probationary nurses shall be first laid off.

Nurses shall be recalled in the order of seniority, unless otherwise agreed between the Home and local Association, provided that the nurse is qualified to perform the available work. Notice of layoff will be no less than that provided by the Employment Standards Act.

9.06 The Employer agrees that no one outside the above mentioned bargaining unit shall perform the work normally performed by members of this bargaining unit except:

(a) the purpose of instruction or experimentation; or,

(b) in the event of an emergency; or

(c) work normally performed by employees outside the bargaining unit.

9.07 A copy of any completed evaluation which is to be placed in a nurse’s file shall be first reviewed with the nurse. The nurse shall initial such evaluation as having been read and shall have the opportunity to add her written views to such evaluation prior to it being placed in her file.

If an employee is absent at the time of evaluation, the evaluation will be placed in the file and reviewed with the employee as per the above when the employee returns to work.

It is understood that such evaluations do not constitute disciplinary action by the Home against the employee, but are considered part of the employee’s work record.

Any letter of reprimand, suspension or other sanction will be removed from the record of a nurse eighteen (18) months following the receipt of such letter, suspension or other sanction provided that the record of such nurse has been discipline free for one (1) year. Leaves of absence in excess of thirty (30) continuous calendar days will not count towards either period referenced above.
ARTICLE 10 – TERMINATION OF SERVICE

10.01 Continuity of service shall be considered broken and employment terminated when:

(a) a nurse retires, resigns or is discharged and such discharge is not reversed through the grievance and arbitration procedure;

(b) a nurse is absent from work without providing a satisfactory reason or without the consent of the Corporation;

(c) a nurse fails to report for work at the termination of a leave of absence or utilizes a leave of absence for a purpose other than that for which it was granted;

(d) a nurse is absent for twenty-four (24) months because of layoff;

(e) if a nurse is terminated due to extended absence due to illness, injury or disability, it is understood that such may be reviewed as a grievance in accordance with Article 8 of this agreement where the termination is alleged to be discriminatory or without cause.

10.02 Every nurse shall give at least two (2) weeks’ notice of termination.

ARTICLE 11 – VACANCIES AND JOB POSTINGS

11.01 (a) All new positions and vacancies within the bargaining unit shall be posted on the bulletin board for a minimum of seven (7) calendar days. Nurses from the bargaining unit will be allowed to make written application during that period for the position to the Human Resources Department. In the case of temporary vacancies of more than (60) working days that are posted, such applications will be made to the Director of Nursing.

(b) A nurse may make a written request for transfer to another unit or scheduled slot by advising the Corporation and filing a request form indicating her name, present work location and requested work location. A request for transfer shall become active as of the date it is received. Such request shall be considered applications for such positions or vacancies. In no event will the Corporation’s right to transfer nursing staff be used to circumvent the job posting provisions of this Agreement.

(c) Following completion of the job posting process, the Corporation will post the name of the successful applicant and provide a copy to the Bargaining Unit.

11.02 In the filling of vacancies, the following factors shall be considered:

(a) Current: ability, experience, qualifications and performance;

11.04  
Temporary vacancies which are not expected to exceed sixty (60) working days if they are to be filled, will be filled by nurses in the bargaining unit who are willing and qualified to perform the work in question on the basis of seniority prior to utilizing non-bargaining unit nurses including those supplied to the Employer by an Agency or Registry.

A part-time nurse filling a temporary full-time position will be treated as a part-time nurse and will receive the benefits accorded part-time nurses within the Collective Agreement.

ARTICLE 12 – UNIFORMS AND DUTY SHOES

ARTICLE 13 – HOURS OF WORK AND OVERTIME

13.01  
(a) The normal daily tour shall be seven and one-half (7 1/2) consecutive hours in any twenty-four (24) hour period exclusive of an unpaid one half (1/2) hour meal period, it being understood that at the change of tour
there will normally be additional time required for reporting that shall be considered to be part of the normal daily tour for a period of up to fifteen (15) minutes duration. Should the reporting time extend beyond fifteen (15) minutes, however, the entire period shall be considered overtime.

(b) Work performed in excess of seven and one-half (7 1/2) hours per day or seventy-five (75) hours bi-weekly will be counted as overtime and will be paid for at the rate of time and one-half (1 1/2) of the nurse's regular hourly earnings.

(c) Where a nurse either (1) notifies her supervisor that she has been unable to take the normal lunch break as a result of the requirement of providing immediate resident care, or (2) is directed by her supervisor to forego her meal break, such nurse shall be paid at time and one-half (1 1/2) her regular straight time rate for all hours worked in excess of her normal daily tour.

(d) Tour schedules and days off will be posted at least two (2) weeks in advance. Changes made by the employer after the posting of schedules shall be communicated to the nurses concerned whenever possible.

(e) Any nurse who arrives up to one (1) hour after the commencement of a tour because of being called in to work with less than two (2) hours notice shall be compensated for the full tour providing the nurse completed the tour.

(f) Normally, two (2) consecutive days off will be scheduled during each work week, however, schedules may be agreed upon to provide for more than five (5) consecutive days of work without days off as long as four (4) days off are scheduled each fourteen (14) days. In any two (2) week period, at least two (2) consecutive days off must be scheduled. The remaining two (2) days off may be split by mutual consent.

(g) Request for change in posted time schedules must be submitted in writing and co-signed by the nurse willing to exchange days off or tour of duty.

In any event, it is understood that such a tour of duty, initiated by the nurse and approved by the Corporation shall not result in overtime compensation or payment.

(h) The Corporation will endeavour where practical to schedule each nurse at least one (1) weekend off in two (2) unless otherwise agreed upon between the Nursing Unit Supervisor and the nurse concerned.

A full-time nurse will receive premium pay of one and one-half (1 1/2) times her regular straight time hourly rate for all hours worked on a second consecutive and any subsequent consecutive weekend, save and except where:

i) any such weekend is worked by the nurse to satisfy specific days off requested by that nurse; or,
ii) such nurse has requested weekend work; or,

iii) such weekend is worked as the result of an exchange of shifts with another nurse.

A part-time nurse will receive premium pay of one and one-half (1½) times her regular straight time hourly rate for all hours worked on a third consecutive and any subsequent consecutive weekend, save and except where:

i) any such weekend is worked by the nurse to satisfy specific days off requested by that nurse; or,

ii) such nurse has requested weekend work; or,

iii) such weekend is worked as the result of an exchange of shifts with another nurse.

(i) A period of at least sixteen (16) hours off shall be scheduled between a change of tours. Split tours will not be scheduled.

(j) These scheduling regulations may be waived between December 15th and January 15th, so that all nurses will receive four (4) or more consecutive days off at either Christmas or New Years, on an alternating basis from year to year. An employee may indicate in writing to the Director of Nursing their availability to work on both holidays. The availability notice must be received no later than October 31st. The Director of Nursing will provide a copy of the availability notice to the Bargaining Unit President.

In complying with the terms of 13.01 (h) and (j), the Home will not incur any penalties associated with any other scheduling provision under Article 13 during the period of December 15th and January 15th.

In the event that employees can be granted both Christmas and New Year’s day off, the most senior employee, on a rotating basis, shall be given the opportunity to take both off.

The Employer will endeavour to schedule at least four (4) consecutive days off at either Christmas to include Christmas Eve, Christmas Day and Boxing Day or New Years to include New Year’s Eve and New Year’s Day except in areas where nurses work Monday to Friday and are not normally scheduled to work on paid holidays.

The Home will endeavour to post the off duty time schedule referred to above on each unit by December 1st.

(k) Nurses must be available to work days/evenings, or days/night as regularly scheduled.
The Corporation will continue its present practice of scheduling vacations and statutory holidays according to seniority. Staff nurses will compete for vacations and statutory holidays by seniority between each other.

A nurse who works an unscheduled second consecutive full tour shall be entitled to the normal unpaid meal period for the second tour, but shall be provided at the time of meal period with a meal or four dollars ($4.00) if the Home is unable to provide a meal. Other nurses required to work more than two (2) hours of unscheduled overtime on the same day that they have worked a full tour shall, after the two (2) hours, receive a one-half (1/2) hour unpaid meal period and shall be provided with a meal or four dollars ($4.00) if the Home is unable to provide a meal.

During Daylight Savings time changeovers, actual hours worked will be paid at straight time rates. (i.e. paid eight and one-half (8 ½) hours for eight and one-half (8 ½) hours worked; paid six and one-half (6 ½) hours for six and one-half (6 ½) hours worked).

Work scheduled by the Corporation to which a premium is attached shall be paid at one and one-half time (1 ½ X) the nurse’s regular straight time hourly rate or as otherwise provided.

Where a nurse is required to work on a paid holiday or an overtime tour or on a tour that is paid at the rate of time and one-half (1 ½ X) her regular straight time hourly rate as a result of Clause 13.03 above and she is required to work additional hours following her full tour on that day (but not including hours on a subsequent regularly scheduled tour for such nurse) she shall receive two times (2 X) her regular straight time hourly rate for such additional hours worked.

When a full-time nurse has completed her regularly scheduled tour and left the Home, and

(a) returns to work at the Home’s request within twenty-four (24) hours of the commencement of her last tour,

(b) is ordered to come in, or

(c) goes in for a part tour,

she will be paid one and one-half times (1 ½ X) her regular straight time hourly rate for all hours worked except to the extent where such work overlaps into her regular scheduled shift. In such a case, she will be paid one and one-half times (1 ½ X) her straight time hourly rate for actual hours worked up to the commencement of said shift.

A Nurse shall be paid a weekend premium of two dollars and forty-five cents ($2.45) per hour for each hour worked between 2300 hours Friday and 2300 hours Sunday.
Effective April 1, 2017

A nurse shall be paid a weekend premium of two dollars and fifty-five cents ($2.55) per hour for each hour worked between 2300 hours Friday and 2300 hours Sunday.

If a nurse is receiving premium pay under Article 13, Clause 13.01, she shall not receive weekend premium under this provision.

13.07

A regular part-time Registered Nurse is a Registered Nurse who makes a commitment to the Corporation to be available to work on a regular predetermined basis as follows:

(a) for eight (8) shifts in each four (4) week rotation; and,

(b) at least one (1) weekend every two (2) weeks; and,

(c) over either the Christmas or New Years holiday period; and,

(d) year round except for authorized leaves or vacation.

The commitment that a regular part-time nurse must make as specified herein is not a guarantee that the nurse will be scheduled by the Corporation to work according to this commitment. When there is not enough work available to meet employee commitments, the work available will be offered to qualified regular part-time nurses on the basis of seniority, up to their commitment.

Qualified regular part-time nurses in the bargaining unit will be prescheduled by seniority on a four (4) week master rotation. The four (4) week master rotation will indicate the basic scheduled tours of duty for employees, such tours subject to periodic change as required. Scheduled work changes to the master rotation will be made at least two (2) weeks in advance, wherever possible. Also, wherever possible, greater advance notice of a change will be communicated to the nurse(s).

Extra shifts will be offered on the following basis:

(a) to those qualified regular part-time nurses who have not been prescheduled up to their commitment; then,

(b) qualified regular part-time nurses in the bargaining unit, starting with the most senior, who have submitted their availability to work additional shifts; then,

(c) to laid off regular part-time nurses who are eligible to be recalled to a regular part-time slot; then,

(d) to casual nurses.

Notwithstanding the above, all offers of shifts are subject to the following:

(a) regular part-time nurses must indicate their commitment to be available for work or extra shifts in a manner prescribed by the Corporation; and,
(b) a shift will be deemed to have been offered whenever a call is placed; and,

(c) the Corporation shall not be required to offer any shifts which would result in overtime rates being paid.

ARTICLE 14 – PAID HOLIDAYS

14.01 The following paid holidays will be recognized for all nurses:

(c) A casual part-time nurse shall be paid two and one-half (2 1/2) times her regular rate of pay if she works on any of the paid holidays listed in Article 14, Clause 14.01.

Notwithstanding the above, if the casual nurse has not worked at least four (4) or more full tours in the four (4) week period immediately preceding the holiday, the casual part-time nurse shall be paid one and one-half (1-1/2X) her regular rate of pay if she works on the paid holiday as listed in Article 14, Clause 14.01.

(d) Where the majority of hours worked on a tour fall within the holiday all hours worked on the tour shall be deemed to be work performed on the holiday.

14.03 A nurse who is absent on a holiday after being posted to work forfeits all pay for the day unless the nurse presents to the Corporation proof of illness or non-
occupational accident rendering her unable to perform her regular duties, in which case her absence from work will be treated as sick leave.

14.04 If a Paid Holiday occurs during a nurse’s vacation period or on a scheduled day off, the nurse will receive an additional day off with pay.

ARTICLE 15 – VACATIONS

15.01 Vacations with pay shall be granted to all full-time nurses on the following basis:

(a) Nurses who have completed less than one (1) year of continuous service as of December 31 shall be entitled to a vacation on the basis of 1.25 days for each completed month of service, with pay in the amount of six percent (6%) of gross earnings.

(d) Part-time nurses with eleven (11) years or more of continuous service shall be entitled to receive five (5) weeks vacation without pay.

(e) Part-time nurses with twenty (20) years or more of continuous service shall be entitled to receive six (6) weeks vacation without pay.
(f) Part-time nurses with twenty-seven (27) years or more of continuous service shall be entitled to receive seven (7) weeks vacation without pay.

(g) All part-time nurses shall be entitled to vacation pay on the following basis and the amount so calculated shall be paid to the nurse each pay:

- 3-week entitlement  6% of gross earnings
- 4-week entitlement  8% of gross earnings
- 5-week entitlement  10% of gross earnings
- 6-week entitlement  12% of gross earnings
- 7-week entitlement  14% of gross earnings

15.03 A nurse who leaves the employ of the Home for any reason shall be entitled to receive any unpaid vacation pay which has accrued to her to the date of her separation, it being understood and agreed that the nurse will provide at least two (2) weeks notice of termination.

15.04 Vacation request lists will be posted on each unit by February 1st.

15.05 Vacations will be granted according to seniority.

15.06 Selection of vacation time off will be made on the following basis:

(f) A listing of authorized vacation time off submitted in accordance with the above shall be posted by May 1 each year.

(g) Vacation requests made other than by the vacation request list shall be granted on a first come basis subject to vacation granted through the list process. In the event of a dispute, seniority will prevail. The Corporation will respond to the nurse in writing within ten (10) days regarding the outcome of her request.

15.07 Once an employee has indicated a preferred vacation period, he/she may not then exercise seniority rights to change this stated period.
In order to calculate the appropriate amount of service for determining vacation entitlements, full-time service will be determined on the basis of the number of years and months worked, or a pro-rata amount thereof. To determine part-time service, the part-time nurses regular hours of work in the part-time classification will be divided by fifteen hundred (1500) hours to determine the number of years and months worked.

When a nurse changes status from full-time to part-time, or vice versa, service for vacation purposes will be determined by adding the years and months of service as a full-time employee with the years and months of service as a part-time employee.

**ARTICLE 16 – SICK LEAVE**

16.01 Sick leave means the period of time when a nurse is absent from work with pay due to sickness or accident rendering her unable to perform her regular duties as a nurse and not compensable under the Workplace Safety and Insurance Act.

16.02 (a) The Employer shall be responsible to provide and fund a short-term and long-term disability plan known as HOODIP (or equivalent). Full details of the Plan will be available to each nurse as requested.

(i) **Short Term Disability (S.T.D.)**

All full-time employees with three (3) months service or more are eligible for sick pay benefits which are one hundred percent (100%) Employer paid as follows:

**Duration of Benefits**

Benefits are payable for up to fifteen (15) weeks (seventy-five (75) working days) based on a normal five (5) day work week.

**Rate of Sick Pay**

The amount of sick pay income is determined by the length of continuous service up to the first day of absence according to the following:

- 3 months to 1 year of service - 66 2/3% of regular pay
- 1 year of service but less than 2 years - 70% of regular pay
- 2 years of service but less than 3 years - 80% of regular pay
- 3 years of service but less than 4 years - 90% of regular pay
- 4 years of service or over - 100% of regular pay
Waiting Period

There is no waiting period for the first three periods of total disability in a calendar year. No benefit is payable for the first two (2) days of absence for the fourth and subsequent periods of total disability in a calendar year. Notwithstanding the foregoing HOODIP provision, the Employer agrees to pay an amount equal to any loss of benefits for the first two (2) days of the fourth and subsequent period of absence in any calendar year.

One (1) period of total disability may include more than one (1) absence, provided that such absences are from the same cause of total disability and are separated by a period of less than three (3) weeks.

Reinstatement of Benefits

When a nurse returns from an absence and works full-time continuously for three (3) weeks, her benefit period is reinstated in full. If a nurse’s absence from work again due to total disability is for the same or a related cause or before she has completed three weeks of full-time employment, the balance of her original sick pay benefit will apply. However, if her subsequent absence is due to a different illness unrelated to the initial one, the full fifteen (15) week benefit period will apply even if the absence due to the second illness occurs within three (3) weeks following her return to work.

Proof of Disability

Proof of total disability satisfactory to your employer such as a doctor’s certificate, is required if you are absent for three (3) days or more, and is subject to a periodic review thereafter. However, such proof may be required at any time in order for you to qualify for benefits.

Employment Insurance (E.I.) Sickness Benefit

Sick pay coverage from the 16th to 30th week of total disability is provided by the E.I. Sickness Benefit available through your local Service Canada office. The one (1) week waiting period under the E.I. Sickness Benefit is waived.

(ii) Long Term Disability (L.T.D.)

The Employer will pay seventy-five percent (75%) of the billed premium towards the coverage of eligible employees under the Long Term Disability (L.T.D.) portion of the plan.

The employee will pay the balance of the billed premium through payroll deduction.

Effective Date of Insurance
The effective date of a nurse’s L.T.D. insurance will be the day she has completed six (6) months of service providing she has been actively at work on a full-time basis for at least the seven (7) immediately preceding consecutive work days. If she was absent from work on this day, the effective date of her insurance will be the day she completed seven (7) consecutive working days following her return to work.

Amount Payable

The amount a nurse will receive will vary with her service up to the first day of absence, according to the following schedule:

At least 6 months of service - 65% of regular pay

20 - 29 years of service - 70% of regular pay

30 or more years of service - 75% of regular pay

less the amount of disability payments which are available to her under any other plan towards which her employer contributes, such as Workers’ Compensation, Canada Pension Plan (primary benefit) or employer’s pension plan.

In any event, the minimum monthly payment is fifty dollars ($50.00).

When Benefits are Payable

L.T.D. benefits are payable when a nurse has become totally disabled as a result of injury or illness and has remained totally disabled for thirty (30) weeks.

Benefits are payable until the employee ceases to be totally disabled, or reaches her sixty-fifth (65th) birthday, whichever occurs first. If an employee qualifies for L.T.D. after she reaches age sixty-four (64) and before age sixty-five (65), benefits will be payable for twelve (12) months or to the date of recovery if earlier.

“Total disability” and “totally Disabled” mean during the first one hundred and four (104) weeks a nurse is absent from work, she is unable to perform the regular duties pertaining to her occupation due to injury or illness and that she is not engaged in any gainful occupation. After one hundred and four (104) weeks, a nurse must be prevented, by injury or illness, from engaging in any gainful occupation for which she is or may become fitted by training, education or experience.
Recurrence of Disability

If you recover and return to full-time work, but within six (6) months the same disability recurs, Long Term Disability benefit payments will resume immediately.

However, if you have worked for more than six (6) months or if you are disabled from an unrelated cause, the disability will be considered a new disability.

Rehabilitation Benefit

While a nurse is disabled and as her condition improves, she may be able to work part-time or take on a less demanding job as part of a rehabilitation program approved by the insurance carrier. During such rehabilitation, she will receive her regular monthly disability benefit less fifty percent (50%) of the monthly earnings she receives from rehabilitative employment.

Waiver of Premium

Premiums for this Plan will be waived during the period for which Long Term Disability Benefits are payable.

Exclusions

All total disabilities are covered provided that the nurse is under the care of medical doctor, except injury or illness resulting from commission by her of a criminal offence, engagement in an illegal occupation, willfully self-inflicted injury, or war.

(b) Any dispute which may arise concerning a nurse’s entitlement to S.T.D. or L.T.D. benefits may be subject to grievance and arbitration under the provisions of this agreement.

(c) Part-time employees’ present sick leave plan entitlements, if any, will be replaced by the modification to the percentage in lieu of fringe benefits set out in Article 16, except for the payout of sick leave credits referred to in Section (d) and (e) hereof.

(d) The present payout provisions of the sick leave bank as contained in Article 16, Clause 16.02(b) of the 1981-83 Collective Agreement shall be maintained so that vested sick leave credits will be paid out in cash on termination or retirement. Employees whose credits have not become vested will be vested to their credit after five (5) years of continuous service.

(e) A nurse leaving the employ of the Corporation after five (5) years or more of continuous service shall be eligible for fifty percent (50%) of any unused sick pay credits, or six (6) months pay, whichever is the less, in cash payable on termination or retirement.
(f) Should a nurse become ill preceding her scheduled vacation period and should such illness continue into what would have been her vacation, all time may be considered sick leave and if so that vacation period shall be rescheduled to a later date, at a mutually agreeable time.

16.03 A nurse will not be entitled to Short-Term or Long-Term Sick Leave:

(a) during the period of lay-off or on leave of absence without pay.

16.04 For the purposes of transfer to the Short-Term portion of the disability plan, employees on the payroll as of the effective date of the transfer with three (3) months or more of service shall be deemed to have three (3) months of service. For the purpose of transfer to the Long-Term portion of the disability plan, employees on the active payroll as of the effective date of the transfer with one (1) year or more of service, shall be deemed to have one (1) year of service.

During the period of pregnancy leave, the following salary provisions will apply:

(a) the Corporation will pay eighty-four percent (84%) of the nurse’s regular salary for the first week of the pregnancy leave;

(b) during the following fifteen (15) weeks of pregnancy leave, while the nurse is in receipt of Employment Insurance benefits, the Corporation will pay the nurse an amount equal to the difference between eighty-four percent (84%) of their regular salary and the amount she receives from Employment Insurance.

During an employee’s pregnancy leave or parental leave, the Employer will continue to make the Employer’s contributions for the pension plan, life insurance plan, accidental death plan, extended health care plan, dental plan and vision care plan, unless, where applicable, the nurse indicates she does not intend to pay the employee’s contribution in which case the Employer will not be required to continue contributions and coverage will cease.

Seniority and service continues to accrue during pregnancy or parental leave.

18.06 The Employer may grant a leave of absence without pay to a nurse for the purpose of attending professional meetings and conferences.
Leave with or without pay may be granted upon approval from the Director of Nursing to attend short courses, seminars and workshops related to employment at the Home.

Professional leave with pay will be granted to nurses who are elected to the College of Nurses to attend regularly scheduled meetings of the College of Nurses.

**Pre-Paid Leave Plan**

Nurses must have two (2) calendar years employment with the Home before they make application for the pre-paid leave.

The Corporation agrees to a pre-paid leave program, funded solely by the nurse, subject to the following terms and conditions:

(a) The Plan is available to nurses wishing to spread four (4) year’s salary over a five (5) year period, in accordance with Part LXVIII of the Income Tax Regulations, Section 6801, to enable them to take a one (1) year leave of absence following the four (4) year’s salary deferral.

(b) The nurse must make written application to the Director of Nursing or her designate at least six (6) months prior to the intended commencement date of the program (i.e. the salary deferral portion), stating the intended purpose of the leave.

(c) One (1) nurse may be absent at any one time. The year for purposes of the program shall be September 1 of one year to August 31 the following year or such other twelve (12) month period as may be agreed upon by the nurse, the Bargaining Unit and the Corporation.

(d) Written applications will be reviewed by the Director of Nursing or her designate. Leaves requested for the purpose of pursuing further formal nursing education will be given priority. Applications for leaves requested for other purposes will be given the next level of priority on the basis of seniority.

(e) During the four (4) years of salary deferral, twenty percent (20%) of the nurse’s gross annual earnings will be deducted and held for the nurse and will not be accessible to her until the year of the leave or upon withdrawal from the plan.

(f) The manner in which the deferred salary is held shall be at the discretion of the Corporation.

(g) All deferred salary, plus accrued interest, if any, shall be paid to the nurse at the commencement of the leave or in accordance with such other payment schedule as may be agreed upon between the Corporation and nurse.
(h) All benefits shall be kept whole during the four (4) years of salary deferral. During the year of the leave, seniority will accumulate. Service for the purpose of vacation and salary progression and other benefits will be retained but will not accumulate during the period of leave. The nurse shall become responsible for the full payment of premiums for any Health and Welfare benefits in which she is participating.

Contributions to OMERS will be in accordance with the Plan. The nurses will not be eligible to participate in the Disability Income Plan during the year of the leave.

(i) A nurse may withdraw from the Plan at any time during the deferral portion provided three (3) months’ notice is given the Director of Nursing or her designate. Deferred salary, plus accrued interest, if any, will be returned to the nurse, within a reasonable period of time.

(j) If the nurse terminates employment, the deferred salary held by the Corporation plus accrued interest, if any, will be returned to the nurse within a reasonable period of time. In case of the nurse’s death, the funds will be paid to the nurse’s estate.

(k) The Corporation will endeavor to find a temporary replacement for the nurse as far in advance as practicable. If the Corporation is unable to find a suitable replacement, it may postpone the leave. The Corporation will give the nurse as much notice as is reasonably possible. The nurse will have the option of remaining in the Plan and rearranging the leave at a mutually agreeable time or of withdrawing from the Plan and have the deferred salary, plus accrued interest, if any, paid out to her within a reasonable period of time.

(l) The nurse will be reinstated to her former position unless the position has been discontinued, in which case she shall be given a comparable job.

(m) Final approval for entry into the pre-paid leave program will be subject to the nurse entering into a formal agreement with the Corporation in order to authorize the Corporation to make the appropriate deductions from the nurse’s pay. Such agreement will include:

i) A statement that the nurse is entering the pre-paid leave program in accordance with Article 18, Clause 18.11.

ii) The period of salary deferral and the leave period for which it is requested.

iii) The manner in which the deferred salary is to be held.

The letter of application from the nurse to the Corporation to enter the pre-paid leave program will be appended to and from part of the written agreement.
ARTICLE 19 – PROFESSIONAL RESPONSIBILITY

19.01 In the event that the Home regularly assigns a number of residents or a workload to an individual nurse or group of nurses such that she or they have cause to believe that she or they are being asked to perform more work than is consistent with proper resident care, she or they shall:

The member of the Committee chosen from the panel of independent Registered Nurses shall act as Chairperson.

iii) The Assessment Committee shall conduct a hearing into the complaint within fourteen (14) calendar days of its appointment and shall be empowered to investigate as is necessary and make what decisions it finds appropriate in the circumstances. The Assessment Committee shall report its findings in writing to the parties within thirty (30) calendar days following completion of its hearing.

(b) (i) The parties shall select a panel of two (2) independent Registered Nurses who are well respected within the profession. The members of the panel will be listed in alphabetical order and will be assigned in that order of rotation. Should the Chairperson who is scheduled to serve decline when requested or it becomes obvious that she would not be suitable due to connection with the Home or Community, the next person on the list will be approached to act as Chairperson. If a panel member is unable to sit within the time limits stipulated, the panel member next scheduled to sit will be appointed by the parties.

(ii) Each party will bear the cost of its own nominee, and each will share equally the fee of the chairperson and whatever other expenses are incurred by the Assessment Committee in the performance of its responsibilities as set out herein.

(iii) The Chairpersons for the Professional Responsibility Assessment Committee are:

Ms. Carol Lynn Anderson
