ARTICLE 1 - PURPOSE

- 1.01 The general purpose of this Agreement is to establish and maintain collective bargaining relations between the Employer and the nurses covered by this Agreement; to provide for on-going means of communication between the Union and the Employer and the prompt disposition of grievances and the final settlement of disputes and to establish and maintain mutually satisfactory salaries, hours of work and other conditions of employment in accordance with the provisions of this Agreement.
- 1.02 It is recognized that the parties wish to work together to secure the best possible nursing care and health protection for patients. Appropriate committees have been created under this Agreement to work towards this objective.
- 1.03 The employer shall not propose and/or enter into any agreement with an employee that pertains to any terms or conditions of employment that contravene the collective agreement. Any such agreement shall be null and void.

ARTICLE 2 - DEFINITIONS & GRADUATE NURSES

- 2.01 A registered nurse is a nurse who holds a General Certificate of Registration with the College of Nurses of Ontario, in accordance with the *Regulated Health Professions Act*, and the *Nursing Act*.
- 2.02 A nurse who holds a Temporary Class Certificate of Registration must obtain her or his General Class Certificate of Registration prior to the expiry of her or his Temporary Class Certificate of Registration. If the nurse fails to obtain her or his General Class Certificate of Registration prior to the expiry of her or his Temporary Class Certificate of Registration she or he may be placed on an unpaid leave of absence, otherwise she or he will be deemed to be not qualified for the position of registered nurse and she or he will be terminated from the employ of the Employer. Such termination shall not be the subject of a grievance or arbitration procedure.
- 2.03 A full-time nurse is a nurse who is regularly scheduled to work the normal full-time hours referred to in Article 13.
- 2.04 A regular part-time nurse is a nurse who regularly works less than the normal full-time hours referred to in Article 13 and who makes a commitment to be available for work on a regular predetermined basis. All

other part-time nurses shall be considered casual nurses. The predetermined basis upon which the commitment to be available is made shall be determined in negotiations.

The definitions shall not have the effect of changing the composition of any existing bargaining units. The Employer shall not refuse to accept an offer from

a nurse to make a commitment to be available for work on a regular predetermined basis solely for the purpose of utilizing casual nurses so as to restrict the number of regular part-time nurses.

2.05

Individual Special Circumstance Arrangements

Notwithstanding Articles 2.03 and 2.04, the Employer and the Union may agree in

certain circumstances, to adjust the schedule of an individual full-time employee who normally works seventy-five (75) hours bi-weekly, to enable an average bi-weekly work assignment of sixty (60) hours to seventy-five (75) hours.

- (a) Such an arrangement shall be established by mutual agreement of the Employer and the Union and the employee affected. The parties agree that the arrangement applies to an individual, not to a position.
- (b) The parties shall determine the introduction of a special circumstance arrangement. Issues related to vacation, paid holidays and benefit coverage will be determined by the Employer and the Union. The employee will retain her full-time status, including, but not limited to seniority and service.
- (c) Any party may discontinue the special circumstance arrangement with notice as determined within the agreement. In the event that the employee affected resigns, transfers, is laid off or terminated, the arrangement will be deemed to be discontinued immediately, unless the parties mutually agree otherwise.
- (d) It is understood and agreed that these arrangements are based on individual circumstances and each agreement is made on a without prejudice or precedent basis.
- (e) The parties may agree that there be no reduction in the normal matching pension contributions made by the nurse and the hospital such that they will continue to be based upon a normal full-time work week of 37.5 hours. The parties may also agree not to pro-rate Extended Health Care, Semi-Private or Dental benefits.

ARTICLE 3 - RELATIONSHIP- NO DISCRIMINATION

The parties agree that a safe workplace, free of violence and harassment, is a fundamental principle of a healthy workplace. Commitment to a healthy workplace requires a high degree of co-operation between employers, employees, physicians and the Union. Nurses should feel empowered to report incidents of disruptive behaviour, including physician behaviour, without fear of retaliation. The parties are both committed to a harassment-free environment and recognize the importance of addressing discrimination and harassment issues in a timely and effective manner as set out below:

3.01 The Employer and the Union agree that there will be no discrimination, interference, intimidation, restriction or coercion exercised or practiced by any of their representatives with respect to any employee because of her membership or non-membership in the Union or activity or lack of activity on behalf of the Union or by reason of exercising her rights under the Collective Agreement.

3.02 There shall be no discrimination on the part of the Employer, the Union or any employees covered by this Agreement by reason of race, creed, colour, marital status, sex, nationality, ancestry, sexual orientation, disability, place of origin, residence, age, political or religious affiliation or other factors not pertinent to performance with respect to employment, placement, promotion, salary determination or other terms of employment.

An employee who believes that she has been harassed, contrary to this provision shall follow the process set out in the Complaint, Grievance and Arbitration procedure in Article 8 of the Collective Agreement prior to filing a complaint with the Ontario Human Rights Commission.

The parties recommend and encourage any employee who may have an harassment or discrimination complaint to follow the complaints process as set out in the employer's harassment policies and process.

In recognizing the importance of a harassment free environment, the employer and the union will review hospital policies and processes with respect to harassment with the employee during her or his orientation period.

Where a nurse requests the assistance and support of the union in dealing with harassment or discrimination issues, such representation shall be allowed.

ARTICLE 7 - GRIEVANCE PROCEDURE

- 7.01 For purposes of this Agreement, a grievance is defined as a difference arising between the parties relating to the interpretation, application, administration or alleged violation of the Agreement including any question as to whether a matter is arbitrable.
- 7.02 At the time formal discipline is imposed or at any stage of the grievance procedure, including the complaint stage, a nurse is entitled to be represented by her Union Representative. In the case of suspension or discharge, the Employer shall notify the nurse of this right in advance.
- 7.03 It is the intent of the parties hereto that complaints of nurses shall be adjusted as quickly as possible, and it is understood that a nurse has no grievance until she has first given her immediate supervisor the opportunity of adjusting her complaint. Such complaint shall be discussed with her immediate supervisor within nine (9) calendar days after the circumstances giving rise to it have occurred or ought reasonably to have come to the attention of the nurse and failing settlement within nine (9) calendar days, it shall then be taken up as a grievance within nine (9) calendar days following

advice of her immediate supervisor's decision in the following manner and sequence:

Step No. 1

The nurse may submit a written grievance, signed by the nurse, to the Director of Continuing Care or designate. The grievance shall be on a form referred to in Article 7.09 and shall identify the nature of the grievance and the remedy sought and should identify the provisions of the Agreement which are alleged to be violated. The Director of Continuing Care or designate will deliver her decision in writing within nine (9) calendar days following the day on which the grievance was presented to her. Failing settlement, then:

Step No. 2

Within nine (9) calendar days following the decision in Step No. 1, the grievance may be submitted in writing to the Executive Director or designate. A meeting will then be held between Executive Director or designate and the Grievance Committee within nine (9) calendar days of the submission of the grievance at Step No. 2 unless extended by agreement of the parties. It is understood and agreed that a representative of the Ontario Nurses' Association and the grievor may be present at the meeting. It is further understood that the Executive Director or designate may have such counsel and assistance as she may desire at such meeting. The decision of the Hospital shall be delivered in writing to the Labour Relations Officer and the local Association representative within nine (9) calendar days following the date of such meeting.

- 7.04 A complaint or grievance arising directly between the Employer and the Union concerning the interpretation, application or alleged violation of the Agreement shall be originated at Step No. 2 within fourteen (14) calendar days following the circumstances giving rise to the complaint or grievance. A grievance by the Employer shall be filed with the Bargaining Unit President or her designate.
- 7.05 Where a number of nurses have identical grievances and each nurse would be entitled to grieve separately they may present a group grievance verbally to the Director of Nursing within fourteen (14) calendar days after the circumstances giving rise to the grievance and failing resolution within another fourteen (14) days it shall then be taken up as a grievance in writing signed by each nurse who is grieving to the Director of Nursing or her designate within fourteen (14) calendar days after the circumstances giving rise to the grievance have occurred or ought reasonably to have come to the attention of the nurse(s). The grievance shall then be treated as being

initiated at Step No. 1 and the applicable provisions of this Article shall then apply with respect to the processing of such grievance.

7.06 The release of a probationary nurse shall not be subject to the grievance procedure unless the probationary nurse is released for exercising a right under this Agreement. A claim by a nurse who has completed her probationary period that she has been unjustly discharged or suspended shall be treated as a grievance if a written statement of such grievance is lodged by the nurse with the Employer at Step No. 2 within seven (7) calendar days after the date the discharge or suspension is effected. Such special grievance may be settled under the Grievance or Arbitration Procedure by:

- (a) confirming the Employer's action in dismissing the nurse; or
- (b) reinstating the nurse with or without loss of seniority and with or without full compensation for the time lost; or
- (c) by any other arrangement which may be deemed just and equitable.

The Employer agrees to provide written reasons within seven (7) calendar days to the affected nurse in the case of discharge or suspension and further agrees that it will not suspend, discharge or otherwise discipline a nurse who has completed her probationary period, without just cause.

7.07 (a) Failing settlement under the foregoing procedure of any grievance between the parties arising from the interpretation, application, administration or alleged violation of this Agreement, including any question as to whether a matter is arbitrable, such grievance may be submitted to arbitration as hereinafter provided. If no written request for arbitration is received within thirty-six (36) calendar days after the decision under Step No. 2 is given, the grievance shall be deemed to have been abandoned. Where such a written request is postmarked within thirty-four (34) calendar days after the decision under Step No. 2, it will be deemed to have been received within the time limits.

(b) The parties agree that it is their intent to resolve grievances without recourse to arbitration, wherever possible. Therefore, notwithstanding (a) above, the parties may, upon mutual agreement, engage the services of a mediator in an effort to resolve the grievance and may extend the time limits for the request for arbitration. The parties will share equally the fees and expenses, if any, of the mediator.

- 7.08 It is understood and agreed that the Association has carriage of all grievances throughout the grievance and arbitration procedure and not any individual or group of individuals. All agreements reached under the grievance procedure between the representatives of the Employer and the representatives of the Association will be final and binding upon the Employer and the Association and the nurses.
- 7.09 Union grievances shall be on the ONA grievance form set out in Appendix 1.
- 7.10 (a) When either party requests that any matter be submitted to arbitration as provided in the foregoing Article, it shall make such request in writing addressed to the other party to this Agreement, and at the same time name a nominee. Within seven (7) calendar days thereafter the other party shall name a nominee, provided, however, that if such party fails to name a nominee as herein required, the Minister of Labour for the Province of Ontario shall have power to effect such appointment upon application thereto by the party invoking the arbitration procedure. The two nominees shall attempt to select by agreement a chairman of the Arbitration Board. If they are unable to agree upon such a chairman within a period of fourteen (14) calendar days, they shall then request the Minister of Labour for the Province of Ontario to appoint a chairman.
- (b) Where a difference arises between the parties relating to the interpretation, application or administration of this Agreement, including any questions as to whether a matter is arbitrable, or where an allegation is made that this Agreement has been violated, either of the parties may, after exhausting the grievance procedure established by this Agreement, notify the other party in writing of its decision to submit the difference or allegation to arbitration. Where the grievance concerns:
- (i) Selection decisions on job vacancies
 - (ii) Premiums
 - (iii) Scheduling issues
 - (iv) Article 19 – Compensation issues

- 9.02 Any letter of reprimand, suspension or other sanction will be removed from the record of a nurse twelve (12) months following the receipt of such letter, suspension or other sanction provided that the nurse's record has been discipline free for one year.

ARTICLE 10 – SENIORITY

- 10.01 (a) i) Newly hired nurses shall be considered to be on probation for a period of seventy (70) tours worked from date of last hire (525 hours of work for nurses whose regular hours of work are other than the standard work day). If retained after the probationary period, the full-time nurse shall be credited with seniority from date of last hire and the part-time nurse shall be credited with seniority for the seventy (70) tours (525 hours) worked. With the written consent of the Employer, the probationary nurse and the Bargaining Unit President of the Local Association or designate, such probationary period may be extended. Where the Employer requests an extension of the probationary period, it will provide notice to the Association at least seven (7) calendar days prior to the expected date of expiration of the initial probationary period. It is understood and agreed that any extension to the probationary period will not exceed an additional sixty (60) tours (450 hours) worked and, where requested, the Employer

will advise the nurse and the Association of the basis of such extension with recommendations for the nurse's professional development.

- ii) The parties recognize that ongoing feedback about the nurse's progress is important to the probationary nurse.

(b) For Full-Time Nurses

A nurse who transfers from casual or regular part-time to full-time status shall not be required to serve a probationary period where such nurse has previously completed one since her or his date of last hire. Where no such probationary period has been served, the number of tours worked (hours worked for nurses whose regular hours of work are other than the standard work day) during the nine months immediately preceding the transfer shall be credited towards the probationary period.

For information purposes only, the names of all full-time probationary nurses shall be included in the seniority list. Seniority on such lists will be expressed in terms of a date.
- (b) A seniority list shall be established for all regular part-time nurses covered by this Agreement who have completed their probationary period. At the same time, a copy of the seniority list shall also be posted and made available to the nurses on each unit.

10.03 Retention / Transfer of Service and Seniority

A nurse's full seniority and service shall be retained by the nurse in the event that she is transferred from full-time to part-time or in the event she is transferred from casual to regular part-time or vice versa. A nurse whose status is changed from full-time to part-time shall receive credit for her full seniority and service on the basis of 1500 hours worked for each year of full-time seniority or service. A nurse whose status is changed from part-time to full-time shall receive credit for her full seniority and service on the basis of one (1) year of seniority or service for each 1500 hours worked. If a nurse's absence without pay from the Employer including absences under Article 11, Leaves of Absence, exceeds thirty (30) continuous calendar days she will not accumulate seniority or service for any purposes under the Collective Agreement for the period of the absence in excess of thirty (30) continuous calendar days and the nurse will become responsible for full payment of any subsidized employee benefits in which she is entitled to participate during the period of absence. In the case of unpaid approved leaves of absence in excess of thirty (30) continuous calendar days a nurse may arrange with the Employer to prepay the full premium of any applicable subsidized benefits during the period of leave in excess of thirty (30) continuous calendar days to ensure her continuing coverage.

Notwithstanding this provision, seniority shall accrue for a period of one year if a nurse's absence is due to disability resulting in W.S.I.B. benefits or other benefits including the period of the disability program covered by Employment Insurance.

It is understood and agreed that seniority and service will accrue while a nurse is on Pregnancy or Parental Leave in accordance with the Employment Standards Act.

10.05 Deemed Termination

A nurse shall lose all service and seniority and shall be deemed to have terminated if she:

- (a) leaves of her own accord;
- (b) is discharged and the discharge is not reversed through the grievance or arbitration procedure;
- (c)
 - i) Applies to Full-time Nurses
has been laid off for twenty-four (24) calendar months;
 - ii) Applies to Part-time Nurses
has been laid off for the lesser of the length of her seniority or twenty-four (24) calendar months;
- (d) refuses to continue to work or return to work during an emergency which seriously affects the Employer's ability to provide adequate patient care, unless a satisfactory reason is given to the Employer;

- (h) Seniority shall accrue for a period of one (1) year, if a nurse's absence is due to disability resulting in WSIB benefits or other benefits including the period of the disability program covered by Employment Insurance. The rate of accumulation will be based on the employee's normal weekly hours paid over the preceding qualifying twenty-six (26) weeks. A qualifying week is a week where the nurse is not absent due to vacation, pregnancy/parental leave, WSIB or illness or injury that exceeds thirty (30) consecutive calendar days.

10.06

Job Posting

- (a) Where a permanent vacancy occurs in a classification within the bargaining unit or a new position within the Bargaining Unit is established by the Employer, such vacancy shall be posted for a period of seven (7) consecutive calendar days. Nurses in this bargaining unit may make written application for such vacancy within the seven (7) day period referred to herein. Subsequent vacancies created by the filling of a posted vacancy are to be posted for seven (7) consecutive calendar days.
- (b) A nurse may make a written request for transfer by advising the Employer and filing a Request for Transfer form indicating her name, qualifications, experience, present area of assignment, seniority and requested area of assignment. A Request for Transfer shall become active as of the date it is received by the Employer and shall remain so until December 31 following. Such requests will be considered as applications for posted vacancies and subsequent vacancies created by the filling of a posted vacancy.
- (c) Nurses shall be selected for positions under either 10.06 (a) or (b) above on the basis of their skill, ability, experience and qualifications. Where these factors are relatively equal amongst the nurses considered, seniority shall govern providing the successful applicant, if any, is qualified to perform the available work within an appropriate familiarization period. Where the applicant has been selected in accordance with this Article and it is subsequently determined that she cannot satisfactorily perform the job to which she was promoted, the Employer will attempt, during the first 225 hours worked from the date on which the nurse was first assigned to the vacancy, to return her to her former job, and the filling of the subsequent vacancies will likewise be reversed.

If the nurse requests the hospital will give due consideration to returning the nurse to the nurse's former position, provided that the former position has not been filled or eliminated. Such request shall not be unreasonably denied.

- (d) Vacancies which are not expected to exceed sixty (60) calendar days and vacancies caused due to illness, accident, leaves of absence (including maternity) may be filled at the discretion of the Employer. In filling such vacancies consideration shall be given to regular part-time nurses in the bargaining unit on the basis of seniority who are qualified to perform the work in question prior to utilizing non-bargaining unit nurses supplied by an agency or registry. It is understood, however, that where such vacancies occur on short notice, failure to offer part-time nurses such work shall not result in any claim for pay for time not worked while proper arrangements are made to fill the vacancy. Where part-time nurses fill temporary full-time vacancies, such nurses shall be considered regular part-time. Upon completion of the temporary vacancy, such nurse shall be reinstated to her former position unless the position has been discontinued, in which case she shall be given a comparable job.
- (e) The Employer shall have the right to fill any permanent vacancy on a temporary basis until the posting procedure or the Request for Transfer procedure provided herein has been complied with and arrangements have been made to permit the nurse selected to fill the vacancy to be assigned to the job.
- (f) A nurse selected as a result of a posted vacancy or a Request for Transfer need not be considered for a further permanent vacancy for a period of up to six (6) months from the date of her selection. This does not apply to nurses applying for vacancies or requesting a transfer to full-time or regular part-time positions posted in accordance with Article 10.06 that are on their unit.
- (g) The names of the successful applicants will be posted, with a copy provided to the Union. Unsuccessful applicants will be notified.

The Employer will discuss with unsuccessful applicants ways in which they can improve their qualifications for future postings.

Employer for such leave of absence. Leave of absence under this provision shall be in addition to the Union leave provided in 11.02 above.

11.05 Leave, President, O.N.A.

An employee who is elected to the office of President of the Ontario Nurses' Association shall be granted upon request leave(s) of absence without loss of seniority and benefits up to two (2) years. Such period may be extended based on operational requirements. It is understood, however, that during such leave the nurse shall be deemed to be an employee of the Ontario Nurses' Association. The nurse agrees to notify the Hospital of her intention to return to work at least two (2) weeks prior to the date of such return. The Employer agrees that such leave or extension will not be unreasonably withheld.

11.06 The Employer agrees to keep the salary and benefits whole for all employees on approved Union Leave of Absence for Union business, Board of Directors and President of ONA and will bill the Union for such salary, applicable benefits, vacation pay, holiday pay, percentage in lieu of benefits as well as E.I., C.P.P. and W.S.I.B. premiums and NHRIPP contributions. It is understood that employees accrue seniority and service for all purposes while on these leaves. This clause is subject to any "effect of absence" clause, it being understood that the Union would make any prepayment of premiums under this provision, rather than the employee.

11.07 Bereavement Leave

- (a) A nurse who notifies the Employer as soon as possible following a bereavement shall be granted four (4) consecutive working days off without loss of her regular pay for her scheduled hours, in conjunction with the day of the funeral of a member of her immediate family. "Immediate family" means parent, brother, sister, spouse, (spouse to include same sex partner), son, daughter, son-in-law, daughter-in-law, mother-in-law, father-in-law, brother-in-law, sister-in-law, grandparent or grand-child. Where a nurse does not qualify under the above-noted conditions, the Employer, in its discretion, may grant or extend such leave with or without pay.
- (b) An employee shall be granted one (1) day bereavement leave without loss of pay, to attend the funeral or an equivalent service, for his/her aunt, uncle, niece or nephew.

Notwithstanding the above, individuals will be granted flexibility to distribute their bereavement leave entitlement over two (2) occasions, not exceeding four (4) days in total, in order to accommodate religious and cultural diversity.

Part-time nurses will be credited with seniority and service for all such leave.

11.08

Jury & Witness Duty

- (a) If a full-time or part-time nurse is required to serve as a juror in any court of law, or is required to attend as a witness in a court proceeding in which the Crown is a party, or is required by subpoena to attend a court of law in connection with a case arising from the nurse's duties at the Hospital, or is required to attend the coroner's inquest in connection with a case arising from the nurse's duties at the Hospital, the nurse shall not lose service/seniority or regular pay because of such attendance and shall not be required to work on the night shift prior to, or on the day of such duty, provided that the nurse:
- (i) Notifies the Hospital immediately on the nurse's notification that she or he will be required to attend court;
 - (ii) Presents proof of service requiring the nurse's attendance;
 - (iii) Deposits with the Hospital the full amount of compensation received excluding mileage, travelling and meal allowances and an official receipt where available.

In addition, where a full-time nurse or regular part-time nurse is selected for jury duty for a period in excess of one (1) week, she or he shall be paid for all hours scheduled and not be expected to attend at work. Upon completion of the process the nurse shall be returned to that point on her or his former schedule that is considered appropriate by the Hospital. It is understood and agreed that the local parties may agree to different scheduling arrangements for the first week of jury and witness duty.

- (b) Where the Hospital requires a nurse to attend any meetings in preparation for a case or legal proceedings which either arises from a nurse's employment with the Hospital or otherwise involves the Hospital, the Hospital will make every reasonable effort to schedule such meetings at the Hospital during the nurse's regularly scheduled hours of work. If the nurse is required to attend such meetings outside of her or his regularly scheduled hours, the nurse shall be paid for all hours spent in such meetings at her or his regular straight time hourly rate of pay.

Part-time nurses will be credited with seniority and service for all such hours paid as provided above while in attendance at such meetings.

11.09 Pregnancy Leave

- (a) Pregnancy leave will be granted to a pregnant employee who started employment with the Employer at least thirteen (13) weeks before the expected birth date in accordance with the provisions of the Employment Standards Act, except where amended in this provision.
- (b) The nurse shall give the Employer a certificate from a legally qualified medical practitioner stating the expected birth date and written notification at least one (1) month in advance of the date of commencement of such leave and the expected date of return.
- (c) The nurse shall reconfirm her intention to return to work on the date originally approved in subsection (b) above by written notification received by the Employer at least four (4) weeks in advance thereof. The nurse shall be reinstated to the position she most recently held if it still exists or to a comparable position if it does not.
- (d) Nurses newly hired to replace nurses who are on approved pregnancy leave may be released and such release shall not be the subject of a grievance or arbitration. If retained by the Employer, in a permanent position, the nurse shall be credited with seniority from date of hire subject to successfully completing her probationary period. The nurse shall be credited with hours worked towards the probationary period provided in Article 10.01 (a) to a maximum of 225 hours.

The Employer will outline to nurses hired to fill such temporary vacancies the circumstances giving rise to the vacancy and the special conditions relating to such employment.

- (e) The Employer may request a nurse to commence pregnancy leave at such time as the duties of her position cannot reasonably be performed by a pregnant woman or the performance or non-performance of her work is materially affected by the pregnancy.
- (f) Effective on confirmation and approval by the E.I.C. of the Employer's (SUB) plan, a nurse who is on pregnancy leave as provided under this Agreement who has applied for and is in receipt of Employment Insurance pregnancy benefits pursuant to Sections 22 and 23 of the Employment Insurance Act, shall be paid a supplemental unemployment benefit. That benefit will be equivalent to the difference between eighty-four percent (84%) effective September 1, 2006 of her regular weekly earnings (which for part-time employees shall include percentage in lieu) and the sum of her weekly rate of Employment Insurance benefits and any other

earnings. Such payment shall commence following completion of the one week Employment Insurance waiting period, and receipt by the Employer of the nurse's Employment Insurance cheque stub as proof that she is in receipt of such Employment Insurance benefits and shall continue while the nurse is in receipt of such benefits for a maximum period of fifteen (15) weeks. The nurse's regular weekly earnings shall be determined by multiplying her regular hourly rate on her last day worked prior to the commencement of the leave times her normal weekly hours.

The employee does not have any vested right except to receive payments for the covered unemployment period. The plan provides that payments in respect of guaranteed annual remuneration or in respect of deferred remuneration or severance pay benefits are not reduced or increased by payments received under the plan.

11.10 Parental Leave

- (a) A nurse who has been employed at McCall for at least thirteen (13) weeks and who is the parent of a child is eligible to take a parental leave in accordance with the provisions of the Employment Standards Act, except where amended in this provision.
- (b) A nurse who has taken a pregnancy leave under Article 11.07 is eligible to be granted a parental leave of up to eighteen (18) weeks duration, in accordance with the Employment Standards Act. The nurse shall advise the Employer as far in advance as possible with respect to a prospective parental leave. In any event the nurse must give the Employer at least two (2) weeks written notice of the date the parental leave is to begin.
- (c) The nurse shall be reinstated to the position she most recently held if it still exists or to a comparable position if it does not.
- (d) Nurses newly hired to replace nurses who are on approved parental leave may be released and such release shall not be the subject of a grievance or arbitration. If retained by the Employer, in a permanent position, the nurse shall be credited with seniority from date of hire subject to successfully completing her probationary period. The nurse shall be credited with hours worked towards the probationary period provided in Article 10.01 (a) to a maximum of 225 hours.

The Employer will outline to nurses hired to fill such temporary vacancies, the circumstances giving rise to the vacancy and the special conditions relating to such employment.

- (e) Effective on confirmation and approval by the Employment Insurance Commission of the appropriateness of the Employer's Supplemental Unemployment Benefit (SUB) Plan, a nurse who is on parental leave as provided under this Agreement who has applied for and is in receipt of Employment Insurance parental benefits pursuant to Section 23 of the Employment Insurance Act, shall be paid a supplemental unemployment benefit. That benefit will be equivalent to the difference between eighty-four percent (84%) effective September 1, 2006 of her regular weekly earnings (which for part-time employees shall include percentage in lieu) and the sum of her weekly rate of Employment Insurance benefits and any other earnings. Such payment shall commence following completion of the one week Employment Insurance waiting period, and receipt by the Employer of the nurse's Employment Insurance cheque stub as proof that she is in receipt of Employment Insurance parental benefits, and shall continue while the nurse is in receipt of such benefits for a maximum period of ten (10) weeks. The nurse's regular weekly earnings shall be determined by multiplying her regular hourly rate on her last day worked prior to the commencement of the leave times her normal weekly hours.

Where an employee elects to receive parental leave benefits pursuant to Section 12(3)(b)(ii) of the Employment Insurance Act, the amount of any Supplemental Unemployment Benefit payable by the Employer will be no greater than what would have been payable had the employee elected to receive the parental leave benefit pursuant to Section 12(3)(b)(i) of the Employment Insurance Act.

The employee does not have any vested right except to receive payments for the covered unemployment period. The plan provides that payments in respect of deferred remuneration or severance pay benefits are not reduced or increased by payments received under the plan.

11.11 Education Leave

The parties acknowledge that the responsibility for professional development is shared between the nurse and the Hospital. In this regard, the local parties will endeavour to provide flexible work schedules to accommodate the nurse's time off requirements.

- (a) Leave of absence, without pay, for the purposes of further education directly related to the nurse's employment with the Employer may be

granted on written application by the nurse to the Director of Nursing or her designate. Requests for such leave will not be unreasonably denied.

- (b) A nurse shall be entitled to leave of absence without loss of earnings from her regularly scheduled working hours for the purpose of taking any examinations required in any recognized course in which nurses are enrolled to upgrade their nursing qualifications or to maintain their current College of Nurses' Registration.

For greater clarity, the period of the leave shall include the night shift prior to and any scheduled shifts commencing on the day of the examination as long as payment under this clause does not result in payment for more than one regularly scheduled shift.

The nurse agrees to notify the immediate manager of the date of the examination as soon as possible after she or he has become aware of the date of the exam.

- (c) Leave of absence without loss of regular earnings from regularly scheduled hours for the purpose of attending short courses, workshops or seminars directly related to the nurse's employment at the Employer, may be granted at the discretion of the Employer upon written application by the nurse to the Director of Nursing or her designate.
- (d) Regular part-time nurses will be credited with seniority and service for all such hours paid for writing examinations, attending courses, workshops or seminars to further career development as provided above.

11.12 Professional leave with pay will be granted to Full-time and Regular Part-time nurses who are elected to the College of Nurses to attend regularly scheduled meetings of the College of Nurses.

11.13 Pre-paid Leave Plan

The Employer agrees to a pre-paid leave program, funded solely by the nurse, subject to the following terms and conditions:

- (a) The plan is available to nurses wishing to spread four (4) year's salary over a five (5) year period, in accordance with Part LXVIII of the Income Tax Regulations, Section 6801, to enable them to take a one (1) year leave of absence following the four (4) years of salary deferral.

- (b) The nurse must make written application to the Director of Nursing at least six (6) months prior to the intended commencement date of the program (i.e. the salary deferral portion), stating the intended purpose of the leave.
- (c) The number of nurses that may be absent at any one time shall be determined by the Employer. The year for purposes of the program shall be September 1 of one year to August 31 the following year or such other twelve (12) month period as may be agreed upon by the nurse, the local Union and the Employer.
- (d) Written applications will be reviewed by the Director of Nursing or her designate. Leaves requested for the purpose of pursuing further formal nursing education will be given priority. Applications for leaves required for other purposes will be given the next level of priority on the basis of seniority.
- (e) During the four (4) years of salary deferral, 20% of the nurse's gross annual earnings will be deducted and held for the nurse and will not be accessible to her until the year of the leave or upon withdrawal from the plan.
- (f) The manner in which the deferred salary is held shall be at the discretion of the Employer.
- (g) All deferred salary, plus accrued interest, if any, shall be paid to the nurse at the commencement of the leave or in accordance with such other payment schedule as may be agreed upon between the Employer and the nurse.
- (h) All benefits shall be kept whole during the four (4) years of salary deferral. During the year of the leave, seniority will accumulate. Service for the purpose of vacation and salary progression and other benefits will be retained but will not accumulate during the period of leave.

The Paragraph below applies to Full-time Nurses Only

A nurse shall become responsible for the full payment of premiums for any health and welfare benefits in which she is participating. The nurses will not be eligible to participate in the protection income plan and LTD during the year of the leave.

- (i) A nurse may withdraw from the plan at any time during the deferral portion provided three (3) months notice is given the Director of

Nursing. Deferred salary, plus accrued interest, if any, will be returned to the nurse, within a reasonable period of time.

- (j) If the nurse terminates employment, the deferred salary held by the Employer plus accrued interest, if any, will be returned to the nurse within a reasonable period of time. In case of the nurse's death, the funds will be paid to the nurse's estate.
- (k) The Employer will endeavour to find a temporary replacement for the nurse as far in advance as practicable. If the Employer is unable to find a suitable replacement, it may postpone the leave. The Employer will give the nurse as much notice as is reasonably possible. The nurse will have the option of remaining in the Plan and rearranging the leave at a mutually agreeable time or of withdrawing from the Plan and having the deferred salary, plus accrued interest, if any, paid out to her within a reasonable period of time.
- (l) The nurse will be reinstated to her former position unless the position has been discontinued, in which case she shall be given a comparable job.
- (m) Final approval for entry into the pre-paid leave program will be subject to the nurse entering into a formal agreement with the Employer in order to authorize the Employer to make the appropriate deductions from the nurse's pay. Such agreement will include:
 - i) A statement that the nurse is entering the pre-paid leave program in accordance with Article 11.12 of the Collective Agreement.
 - ii) The period of salary deferral and the period for which the leave is requested.
 - iii) The manner in which the deferred salary is to be held.

The letter of application from the nurse to the Employer to enter the pre-paid leave program will be appended to and form part of the written agreement.

- (a) Family Medical Leave will be granted in accordance with the Employment Standards Act for up to twenty-eight (28) weeks within a fifty-two (52) week period.

- (b) A nurse who is on Family Medical Leave shall continue to accumulate seniority and service and the hospital will continue to pay its share of the premiums of the subsidized employee benefits, including pension, in which the nurse is participating during the leave.
- (c) Subject to any changes in a nurse's status which would have occurred had he or she not been on Family Medical Leave, the nurse shall normally be reinstated to her former duties, on the same shift in the same department, and at the same rate of pay, provided her position still exists, or to a comparable position if it does not.

11.15 Domestic or Sexual Violence Leave will be granted in accordance with the *Employment Standards Act as amended from time to time*.

ARTICLE 12 - SICK LEAVE AND LONG TERM DISABILITY

FOR FULL-TIME NURSES ONLY

- 12.01 (a) The Employer will continue its current income protection plan for full-time nurses as follows:
- i) On completion of a full-time nurse's probationary period, her plan will be credited with 18.75 hours of sick leave.
 - ii) After completion of a full-time nurse's probation she will begin to accumulate sick leave credits at the rate of 11.25 hours of sick leave for each 162.5 hours worked.
 - iii) The maximum accumulation of hours will be 1200 hours of sick leave (160 days) to protect against loss of income as a result of bona fide personal illness or injury.
 - iv) A medical certificate will be requested after the third consecutive illness in a calendar year and payment for sick leave will not be approved until the medical certificate is received.
- (b) The Employer agrees, during the term of the Collective Agreement, to contribute towards the premium coverage of participating eligible nurses in the active employ of the Employer under the insurance plans set out below subject to their respective terms and conditions including any enrolment requirements:

The Employer agrees to pay 75% of the billed premiums towards coverage for an LTD plan which is to provide 66-2/3% of the nurses' regular pay. The nurse shall pay 25% of the billed premium.

FOR PART-TIME NURSES ONLY

- (c) Part-time nurses who were on staff as of September 18, 1991 shall have all prior accumulated sick leave credits frozen at the levels accumulated as of September 18, 1991. Such frozen sick leave credits may be used for non-work related illness or injury. Payment for such illness or injury shall be based upon the nurse's current rate of pay at time of such illness or injury. A record of all unused sick leave credits accumulated as of September 18, 1991 will be kept by the Employer with a copy provided to the nurse.
- (d) A nurse who transfers from full-time to part-time after September 18, 1991 may elect to retain her accumulated sick leave credits, if any, to be utilized either during part-time employment as per (a) above or during subsequent full-time employment as per the income protection plan for full-time nurses as per Article 12 of the full-time Collective Agreement in which she participated as of September 18, 1991.

- 12.02 When a nurse has completed any portion of her or his regularly scheduled tour prior to going on sick leave benefits or Workplace Safety and Insurance Board benefits, the nurse shall be paid for the balance of the tour at her or his regular straight time hourly rate from his/her sick credits. This provision will not disentitle the nurse to a lieu day under Article 15.05 if she or he otherwise qualifies.
- 12.03 The Employer will notify each nurse of the amount of unused sick leave in her or his bank annually.
- 12.04 Absences due to pregnancy related illness shall be considered as sick leave under the sick leave plan.
- 12.05 The parties agree that the duty to accommodate shall be according to *The Human Rights Code*.

The Hospital and the Union both recognize their obligations in facilitating the early and safe return to work of disabled employees. The Hospital and the Union agree that ongoing and timely communication by all participants in this process is essential to the success of the process.

- 12.06 A nurse who transfers from full-time to part-time may elect to retain her or his accumulated sick leave credits to be utilized during subsequent full-time employment.

Note: This clause shall be interpreted in a manner consistent with the *Ontario Human Rights Code*.

ARTICLE 13 - HOURS OF WORK

- 13.01 The following provision designating regular hours on a daily tour and regular daily tours over the nursing schedule determined by the Employer shall not be construed to be a guarantee of the hours of work to be performed on each tour or during each tour schedule.
- (a) The normal daily tour shall be seven and one-half (7½) consecutive hours in any twenty-four (24) hour period exclusive of an unpaid one-half (½) hour meal period, it being understood that at the change of tour there will normally be additional time required for reporting which shall be considered to be part of the normal daily tour, for a period of up to fifteen (15) minutes' duration. Should the reporting time extend beyond fifteen (15) minutes, however, the entire period shall be considered overtime for the purposes of payment under Article 14.
 - (b) Nurses shall be entitled, subject to the exigencies of patient care, to relief periods during the tour on the basis of fifteen (15) minutes for each half tour. The scheduling of meal periods and relief periods shall be determined by Local Negotiations.
 - (c) The regular daily tours of duty of a full-time nurse shall average five (5) days per week or seventy-five (75) hours bi-weekly over the nursing schedule determined by the Employer. Full-time schedules shall be determined by Local Negotiations.
 - (d) The Employer shall not enter into any agreement with employees under Section 17(2) of the *Employment Standards Act, 2000*, that conflicts with the Collective Agreement.

ARTICLE 14 - PREMIUM PAYMENT

- 14.01 If a full-time nurse is authorized to work in excess of seven and a half (7.5) hours per day or seventy-five (75) hours bi-weekly, she shall receive overtime premium of one and one-half (1½) times her regular straight time hourly rate.

If a part-time nurse is authorized to work in excess of 7.5 hours per day, she shall receive overtime premium of one and one-half (1½) times her regular straight time hourly rate. A part-time nurse (which includes casual nurses) who works in excess of seventy-five (75) hours bi-weekly shall receive time and one-half (1½) her regular straight time hourly rate for all hours worked in excess of seventy-five (75) hours.

Notwithstanding the foregoing, no overtime shall be paid for a period of less than fifteen (15) minutes of overtime work, where the nurse is engaged in reporting functions at the end of her normal daily tour. If authorized overtime amounts to fifteen (15) minutes or more, overtime premium shall be paid for the total period in excess of the normal daily tour. Overtime will not be duplicated for the same hours worked under Article 13.01 (a) and (c), nor shall there be any pyramiding with respect to the other premiums payable under the provisions of this Collective Agreement.

Nothing herein will disentitle the nurse to payment of the normal tour differential provided herein. For purpose of clarity, a Full-time nurse who is required to work on her scheduled day off shall receive overtime premium of one and one-half (1½) times her regular straight time hourly rate, unless she requested a change of schedule.

- 14.02 Notwithstanding the foregoing, overtime will not be paid for additional hours worked during a twenty-four (24) hour period either as a result of change in tour on the request of a nurse or a change-over to daylight saving from standard time or vice-versa or an exchange of tours by two nurses.
- 14.03 Work scheduled by the Employer to which an overtime premium is attached under scheduling regulations contained in the Collective Agreement and set out in Appendix 5 shall be paid at one and one-half (1½) times the nurse's regular straight time hourly rate or as otherwise provided.

her regularly scheduled shift. In such a case, she will receive time and one-half (1½) her regular straight time hourly rate for actual hours worked up to the commencement of her regular shift.

Applies to Part-Time Nurses

Where a regular part-time nurse has completed her regularly scheduled tour and left the Employer and is called in to work outside her regularly scheduled working hours, within 24 hours of the commencement of her last shift worked, she shall receive time and one-half (1½) her regular straight time hourly rate for all hours worked with a minimum guarantee of four (4) hours' pay at time and one-half (1½) her regular straight time hourly rate except to the extent that such four (4) hour period overlaps or extends into her regularly scheduled shift. In such a case, she will receive time and one-half (1½) her regular straight time hourly rate for actual hours worked up to the commencement of her regular shift.

(a) "Plan" means the Nursing Homes and Related Industries Pension Plan, being a multi-employer plan.

"Applicable Wages" means the basic straight time wages for all hours worked, including:

- (i) the straight time component of hours worked on a holiday;
- (ii) holiday pay, for the hours not worked; and

Notwithstanding the foregoing, where an error has been made in deduction, the Employer shall, upon request, make full payment on any outstanding Employer contributions irrespective of whether the employee pays the matching amount.

The parties agree that this Article in no way prejudices the position of either party as it relates to the retroactivity application if an error is discovered.

- (c) The employee and Employer contributions shall be paid to the Plan within thirty (30) days after the end of the calendar month in which the pay period ends for which the contributions are attributable.
- (d) The Union acknowledges and agrees that other than making its contributions to the Plan as set out in this article, the Employer shall not be obligated to contribute towards the cost of benefits provided by the Plan, or be responsible for providing any such benefits.

The Union and Employer acknowledge and agree that under current pension legislation, and/or regulations, the Employer has no requirement to fund any deficit in the Plan, but is required to contribute only that amount as required by the Collective Agreement in force between the parties.

It is understood and agreed by the Employer and the Union that should the current pension legislation or regulations be changed so that the Employer's obligation to contribute to the Plan exceeds the amount specified in the Collective Agreement then in force, the parties will meet directly to finalize methods to relieve the Employer of this increased obligation to the extent that any such obligations exceeds that which the Employer would have if the Plan were a defined contribution plan.

- (e) The Employer agrees to provide to the Administrator of the Plan, on a timely basis all information required pursuant to the Pension Benefits Act, R.S.O. 1990, CH P-5 as amended, which the Administrator may reasonably require in order to properly record and process pension contributions and pension benefits.

The information required to be provided by the Employer may be provided in the form normally maintained by the Employer, whether on computer disc, manual records or otherwise. In the event such information is not readily available without review of other information not relevant to the Plan, the Plan shall make arrangements with the Employer for access to the required information. This may include the Employer providing such information at reasonable cost to the Plan. If the Administrator of the Plan and Employer are unable to agree on the form of such access, a mutually acceptable third party, such as a firm of accountants and auditors, shall be retained at the expense of the Plan to obtain such information from the Employer's files.

Such information shall be provided only on enrolment of an employee or with the monthly remittances.

Any additional information requests beyond that noted above may be provided, if possible, by the Employer, it being understood that any additional costs of such request shall be borne by the Plan.

If a nurse fails to do this, the Employer will not be responsible for failure of a notice sent by registered mail to reach such a nurse. A nurse shall notify the Employer of any change to her telephone number.
- 18.04 Medical examinations, re-examinations and any tests required under the Public Hospitals Act will be provided by the Employer in compliance with the Regulations. - (a) Nurses shall, subject to the following, be required to be vaccinated for influenza.
- (b) If the full cost of such medication is not covered by some other source, the Employer will pay the full or incremental cost for the vaccine and will endeavour to offer vaccinations during a nurse's working hours. In addition, nurses will be provided with information, including risks and side effects, regarding the vaccine.
- (c) Employers recognize that nurses have the right to refuse any required vaccination.
- (d) If a nurse refuses to take the vaccine required under this provision, she or he may be placed on an unpaid leave of absence during any influenza outbreak in the Centre until such time as the nurse is cleared to return to work. If a nurse is placed on unpaid leave, she or he can use banked lieu time or vacation credits in order to keep her or his pay whole.
- (b) If a nurse refuses to take the vaccine because it is medically contraindicated, and where a medical certificate is provided to this effect, she or he will be reassigned during the outbreak period, unless reassignment is not possible, in which case the nurse will be paid. It is further understood and agreed that Article 18.04 applies in these circumstances. It is further agreed that any such reassignment will not adversely impact the scheduled hours of other nurses.
- (f) If a nurse gets sick as a result of the vaccination, and applies for WSIB, the Employer will not oppose the claim.
- (g) Notwithstanding the above, the Employer may offer the vaccine on a voluntary basis to nurses free of charge.

- (h) This clause shall be interpreted in a manner consistent with the *Ontario Human Rights Code*.

The thirteen (13%) percent in lieu of all fringe benefits is calculated on the basis of the nurse's straight time hourly rate. It is specifically understood and agreed that holiday pay, income protection (sick) and pension are included within the percentage in lieu of fringe benefits. Notwithstanding the foregoing, all part-time nurses may, on a voluntary basis, enrol in the RRSP when eligible in accordance with its terms and conditions. For part-time nurses who are members of the RRSP, their percentage in lieu of all fringe benefits is 9%. It is understood and agreed that the regular part-time nurse's regular straight time hourly rate (or hourly rate) in this agreement does not include the 13% (or 9% as applicable) in lieu and accordingly the 13% (or 9% as applicable) in lieu will not be included for the purpose of computing any premium or overtime payments.

Without restricting the generality of the foregoing, the Union acknowledges that it is the exclusive function of the Employer to:
- (a) maintain order, discipline and efficiency, and in connection therewith to establish or continue reasonable policies, practices, procedures, rules and regulations for the conduct and efficiency of the Employer and from time to time, to change or abolish such policies, procedures, practices, or rules and regulations;
 - (b) Hire, assign, retire, discharge, direct, promote, demote, classify, transfer, layoff, recall and suspend or otherwise discipline nurses, provided that a claim by a nurse who has completed the probationary period that she has been discharged or disciplined without just cause may be the subject of a grievance and dealt with in accordance with the Grievance Procedure;

 - (d) Determine the number of personnel required, the services to be performed, and the methods, procedures and equipment to be used in connection therewith;
 - (e) Make and enforce and alter from time to time, reasonable rules and regulations to be observed by the nurses, provided that such rules and regulations shall not be inconsistent with the provisions of this Agreement.

The Union interview time period shall be scheduled for an hour, every four weeks on a Monday when the Bargaining Unit President is scheduled to work the day shift.

ARTICLE D - SCHEDULING

- D.1 The Employer will endeavour to maintain and achieve the following objectives in the formation of working schedules for nurses working 7-1/2 hour tours.

- (a) The Employer will continue with the concept of master schedules/rotation with schedules covering a period of six (6) weeks, being posted at least two (2) weeks in advance.
- (b) Request for change in posted time schedules must be submitted in writing and co-signed by the nurse willing to exchange days off or tour of duty. Any such changes approved by the Employer shall not result in any overtime payment or premium payment to any of the nurses affected by such change. Such approval shall not be unreasonably withheld. The foregoing shall apply notwithstanding any other provision in the Collective Agreement.
- (c) Requests for specific days off other than regular days off shall be submitted in writing at least two (2) weeks in advance of the posting of the schedule.
- (d) Nurses will not be scheduled to work more than six (6) consecutive days, to be followed by at least 1 day off, unless otherwise agreed to by the nurse and her immediate supervisor.
- (e) The Employer will not schedule split shifts. At least sixteen (16) hours off shall be scheduled between shifts, and at least forty-eight (48) consecutive hours off shall be scheduled following the night shift.

A shorter period of time between changes of shift may be agreed upon by mutual consent.

- (f) A Full-time nurse may not be required to change tours of duty more than once during a work week.
- (g) The Employer will attempt to schedule nurses to rotate the two (2) tours of their preference. However, for the continuance of efficient operation, the Employer reserves the right to assign a nurse to a tour other than her preference, on a short term basis, following notification in writing to the nurse concerned.
- (h) The Employer will endeavour to schedule every other weekend off.

If the nurse is required to work on a second and subsequent weekend, she will receive premium payment as defined in the Collective Agreement, for all hours worked on that weekend and subsequent weekends until a weekend is scheduled off, save and except where:

- i) such weekend has been worked by the nurse to satisfy specific days off requested by such nurse; or
 - ii) such nurse has requested weekend work; or
 - iii) such weekend is worked as the result of an exchange of shifts with another nurse.
- (i) Nurses may request changes to their regular permanent master tour rotation. Such requests will be made in writing to the Director of Care six (6) weeks in advance. Such changes will not be unreasonable denied.
- (j) Nurses presently employed on the evening or night tours on a permanent basis will not be rotated except by mutual consent. Notwithstanding the above, each nurse on a permanent shift may be required to do a tour of duty on days, for in-service requirements and evaluation, every six (6) months not to exceed three (3) weeks in each six (6) month period.

The three (3) week period in each six (6) months shall be scheduled upon mutual agreement between the nurse and her immediate supervisor.

- (k) Nurses presently working the day shift on a permanent basis shall not be permanently assigned to other shifts unless there has been a full discussion of the reasons for the change with the nurses affected and the Union and a subsequent reaffirmation of the decision to change accompanied by the giving of six weeks' notice to the affected nurses.
- (l) A weekend is defined as being fifty-six (56) consecutive hours off work during the period commencing 1500 hours Friday and ending at 0700 hours the following Monday.
- (m) Applies to Full-time Nurses

A nurse shall be scheduled off duty for at least five (5) or more consecutive days at either Christmas or New Year's, unless the nurse requests otherwise. Time off at Christmas shall include Christmas Eve Day, Christmas Day and Boxing Day, and time off at New Year's shall include New Year's Eve Day and New Year's Day. It is understood that the scheduling objectives may be waived between December 15th and January 15th, in order to provide the above five (5) consecutive days off.

The Director of Care will post the scheduling planner for the Christmas/New Year season by October 1st of each calendar year. Requests for time off at Christmas/New Years shall be submitted, in writing, to the DOC by October 15th. The Christmas/New Year schedule will be posted by November 8th.

If there are scheduling conflicts the DOC will approach the nurses involved in an attempt to resolve the conflict. If there is no resolution to the conflict then the assignment of time off at Christmas and New Year's shall be exercised on a rotational basis within the nursing unit.

Applies to Part-time Nurses

The Employer will schedule a nurse off work for not less than five (5) consecutive days at either Christmas or New Year's season, unless the nurse requests otherwise, except in areas which are not normally required to work on weekends and statutory holidays. The scheduling objectives set out in this Article D may be waived to accommodate this special arrangement between December 15th and January 15th. For the purpose of this schedule, Christmas shall be defined as including December 24, from 1500 hours on the 25th and 26th and New Year's shall be defined as including December 31st from 1500 hours on and January 1. If operationally feasible the employer shall endeavour to schedule the time off on Christmas Eve Day or New Year's Day, from 0700 hours on.

- (n) The Employer will post schedules indicating time off for Christmas and New Year's, no later than November 15.
- (o) A nurse who normally rotates shall not be required to work more than two (2) consecutive weeks on either the evening or night tour, without being scheduled for a period of day tours, unless otherwise agreed.
- (p) In the master schedule the Employer will endeavour to equitably distribute shift work amongst nurses in a unit working the same shift rotations.
- (q) The normal tours of duty are as set out below:

Nights	- 11:00 - 7:00 a.m.
Days	- 7:00 - 3:00 p.m.
Evenings	- 3:00 - 11:00 p.m.

The normal tours of duty shall not be changed unless there has been a full discussion of the reasons for the change with the Union and a

subsequent notice of the decision to change accompanied by the giving of six (6) weeks' notice to the affected nurses.

- (r) All regular part-time nurses will be scheduled up to their committed hours by seniority before any casual nurses are utilized. Where all regular part-time nurses have been given the opportunity to work up to their committed hours, extra shifts will be offered in accordance with the current practice.

D.2 Meal periods and relief periods as set out in Article 13 shall be taken at times designated by the Employer.

D.3 Extended Tours

The Employer and the Union may agree to implement extended tours, subject to the following:

- (a) Each facility/unit must have eighty percent (80%) agreement of the full-time and part-time employees who work in the facility/unit.
- (b) The Extended Tour may be cancelled by either party on giving ten (10) calendar weeks' notice to the other in writing of its desire to terminate. A meeting shall be held within two (2) weeks of receipt of such notice to discuss the reasons for cancellation.

Extended tours may be discontinued by the Union in any facility/unit when sixty percent (60%) of the full-time and part-time employees in the facility/unit so indicate by secret ballot to the Union.

- (c) With the exception of the specific variations set forth in this Article, all other conditions and terms of the Collective Agreement and Appendices shall remain in full force and effect.

(d) Hours of Work

- (i) Where employees are now working a longer daily tour, the provisions set out in the Article governing the regular hours of work on a daily tour shall be adjusted accordingly.
- (ii) The normal daily extended tour shall be 11.25 consecutive hours in any 24-hour period, exclusive of a total of forty-five (45) minutes.
- (iii) Employees shall be entitled, subject to the exigencies of resident care, to paid relief periods during the tour of a total of forty-five (45) minutes.

- (iv) Scheduling issues will be resolved at the local level.
- (v) Where the Union and the Employer have agreed to or agree to an extended daily tour that differs from the normal daily extended tour, the proportion of unpaid time to hours of work shall maintain the same ration as set out in paragraph (ii) and (iii) of this Article.
- (e) Payment for bereavement leave is based on 11.25 hours.
- (f) Payment for vacation and holidays for full-time employees is based on the equivalent to the 7.5 hour entitlement.
- (g) Shift and weekend premiums as per Article 14.08 will be paid for the same hours as applied to seven and one-half (7.5) hour tours, the intention being that the total amount of shift or weekend premium will not change because of the move to extended tours.
- (h) Overtime premium as set out in Article 14.01 shall be paid for all hours paid in excess of 11.25 hours on a scheduled extended tour or 75 hours bi-weekly averaged over the duration of a six (6) week schedule.
- (i) Shift exchanges will be in accordance with Article D.1 (b).

D.4 Unit Weekend Schedule

A unit weekend schedule may be developed in order to meet the Employer's need for weekend staff, and individual nurses' preference for a weekend work schedule.

A unit weekend schedule is defined as a schedule in which a full-time nurse works a weekly average of thirty (30) hours and is paid for 37.5 hours at her or his regular straight time hourly rate. The schedule must include two 11.25 hour tours, which fall within a weekend period as determined by the Employer and the Association. A nurse working a weekend schedule will work every weekend except as provided for in the provisions below.

If the Employer and the Association agree to a unit weekend schedule, the introduction of that schedule and the manner in which the position(s) are filled, shall be determined by the local parties and recorded in the Appendix of Local Provisions. This unit schedule may be discontinued by either party with notice as determined within the Appendix of Local Provisions. The opportunity for an individual nurse to discontinue this schedule shall be resolved by the local parties:

(a) Weekend and shift premiums shall not be paid;

(b) Vacation Bank

Vacation entitlement is determined by Article 16.01. For the purposes of Article 16.01 (f), hours worked or credited as paid leave will be based on an accelerated rate of 1.25 hours credit for each hour worked.

Mechanism for the vacation bank is determined by current local practices.

Drawing from the vacation bank will occur at an accelerated rate of 1.25 paid hours for every hour taken as vacation (i.e. 11.25 hours worked equals 14.05 hours paid; 7.5 hours worked equals 9.375 hours paid.)

Vacation must be taken as a full weekend off (i.e. Saturday and Sunday). The maximum number of weekends off cannot exceed the week entitlement level determined by Article 16.01.

Single vacation days may be taken on weekdays, which need not be in conjunction with the Saturday and Sunday. Single vacation days may be taken on the weekend, provided no replacement is required.

Cash out and carry out provisions for the bank will be defined locally.

Article 16.05 (a), (b) and (c) do not apply.

(c) Paid Holiday Bank

Nurses qualify in accordance with the Collective Agreement. The paid holidays are identified in the Local Appendix.

Credit to the paid holiday bank will occur on the date of the holiday.

Drawing from the paid holiday bank will occur at an accelerated rate of 1.25 hours paid for every hour taken (i.e. 11.25 hours worked equals 14.05 hours paid; 7.5 hours worked equals 9.375 hours paid).

If a nurse works on a paid holiday as defined by the local parties, she or he will receive one and one-half (1-1/2) pay for all hours worked on a holiday. The nurse will not receive a lieu day. Article 14.04 also applies.

The holiday bank can be used as income replacement for absences due to illness or for lieu time off on a weekday.

Cash-out and carry-over provisions for the bank will be resolved locally.

(d) Sick Leave

The nurse may utilize the paid holiday bank as income replacement for absences due to illness, as described in Article (c) above.

The nurse is eligible for long term disability benefits as described in Article 12. A nurse will not receive pay for the first seventeen (17) weeks of any period of absence due to a legitimate illness. Subject to the availability of paid holiday banked hours, the nurse will be eligible for Employment Insurance for weeks three (3) through seventeen (17) for any absence due to a legitimate illness. The Employer will provide the nurse with sixty-five (65%) percent of her or his regular earnings for weeks eighteen (18) through thirty (30) for any absence due to a legitimate illness.

The nurse may utilize his or her sick leave bank available under Article 12.03 for unpaid absences due to illness and Employment Insurance top-up in accordance with the formula for converting hours as described in Article 12.01(a).

Nurses may be required to provide medical proof of illness for any absence of a scheduled shift, which is neither vacation nor an approved leave of absence. It is agreed and understood that Article 18.04 will apply in these circumstances.

The provision of medical certificates shall be subject to Article 12.01 iv).

(e) Leaves of Absence

Article 11 applies for both paid and unpaid leaves. For the purposes of an unpaid 11.25 hour shift, the deduction from pay shall equate to 14.05 hours. For the purposes of an unpaid 7.5 hour shift, the deduction from pay shall equate to 9.375 hours.

(f) Tour Exchange

Weekend tour exchanges will be permitted only between weekend tour nurses. Weekday tour exchanges will be permitted, provided the Employer does not incur additional costs.

In all instances of tour exchange, the tours must be of the same duration.

(g) Overtime

Overtime will begin to accrue after sixty (60) hours in a two (2) week period averaged over the scheduling period determined by the local parties.

Overtime will apply if the nurse works in excess of the normal daily hours.

Payment for overtime is as in Article 14.01 (a).

(h) Scheduling Provisions

The scheduling and premium provisions relating to consecutive weekends off in the local appendix do not apply to nurses who accept positions under this provision.

(i) Christmas Period

The local provisions relating to scheduling during this period will apply, except as modified to confirm that the weekend tour nurse will continue to work weekends during this period.

ARTICLE E - BULLETIN BOARD

E.1 The Employer will provide bulletin board spaces for the purpose of posting notices, as set out below:

- one bulletin board outside the nurses' locker room.

E.2 The Union will have the right to post Union notices on the bulletin board. Such notices must be submitted to and approved by the Administrator or her designate prior to the posting. Such approval will not be unreasonably withheld.

ARTICLE F - MISCELLANEOUS

F.1 Seniority List

A copy of the seniority list will be filed with the Union in December and June of each year.

F.2 Equivalent Time Off for Overtime Work

Where a nurse has worked approved accumulated overtime hours (other than overtime hours relating to paid holidays) and elects to take equivalent time off under Article 14.07, such time off will be scheduled at a mutually agreeable time between the nurse and her immediate supervisor. Requests for such time off will not be unreasonably withheld. The time off must be taken within a period of forty-five (45) days from the date it was earned failing which it will be paid as overtime pay.

ARTICLE G - VACATION

- G.1 It is understood that the Employer will give every consideration to the nurses' preference as to the timing of their vacation, but of necessity the Employer must reserve the right to the final decision as to the scheduling of vacations.
- G.2 If a nurse commences vacation on a Monday for five (5) consecutive days or more the Employer shall schedule either the weekend off preceding the vacation or the weekend immediately following the vacation, as days off.
- G.3 Requests for vacation, in the peak vacation period, June 15th to September 15th, shall be submitted in writing by March 31st each year. Approved vacation schedules will then be posted by April 15th. In the event of conflict seniority shall be the deciding factor.
- G.4 Vacation requests outside the peak vacation period shall be submitted in writing at least four (4) weeks prior to the requested time off. A written response to this request for vacation shall be given to the nurse in writing within fourteen (14) days. Requests for vacation out of the peak vacation period will be on a first come, first serve basis.
- G.5 A nurse may take her entire vacation entitlement at one time provided it doesn't interfere with the needs of the Employer. Requests for single vacation days may be approved at the discretion of the Director of Nursing or her designate.
- G.6 Vacation schedules for nurses shall not be unduly restrictive. Vacation quotas shall be established for members of the bargaining unit and shall not include non bargaining unit members.
- G.7 Vacation pay shall be paid to a nurse in advance of her scheduled vacation period, if she so requests. Such request must be submitted to the nurse's

immediate supervisor at least four (4) weeks' in advance of the pay period, prior to the commencement of the nurse's vacation.

- G.8 Vacation may commence on any day of the week.
- G.9 Nurses with three (3) or more weeks of vacation may request to carry over up to five (5) days beyond May 31st, to be used before December 15th, in the same calendar year. It is understood that this vacation time can not be used during the summer vacation period.

The Employer will endeavour to grant such requests where this practice does not conflict with the staffing needs of the Hospital.

- G.10 Casual part-time nurses will be paid their vacation pay on the pay period that ends nearest May 30th of each year.

ARTICLE H - LEAVE OF ABSENCE

- H.1 Leave of absence for Union business shall be granted up to a total of thirty (30) aggregate days total, including both full-time and part-time nurses during any calendar year, provided at least two (2) weeks' notice in writing is given by the Union to the Employer, except in emergency situations provided that such leave does not interfere with the efficient operation of the Employer. No more than one nurse from any one unit may be absent from the Employer at the same time. Such leave will not be unreasonably denied.

ARTICLE I - SICK LEAVE

- I.1 (a) In case of sickness a nurse must notify the supervisor or designate at least two (2) hours prior to her scheduled starting time if on the day schedule, and four (4) hours prior to her scheduled starting time if on the evening or night shift except in extenuating circumstances.
- I.1 (b) A nurse who is returning to work after having been absent due to illness must notify her supervisor or designate that she will be returning to work prior to the start of the shift she is returning to work on, as follows:
- i) By 1430 hours if returning to work the day shift the following day.
 - ii) By 1130 hours if returning to work the evening shift on the same day.

- iii) By 1530 hours if returning to work the night shift commencing the same day.

The foregoing applies to nurses who are replaced when absent. In the case of employees who are not replaced when absent, departmental practice will apply with respect to notification or return to work.

K.1 The introduction of job sharing arrangements will be subject to mutual agreement between the Union and the Employer. The initial job sharing arrangement will be on a trial basis for a period of up to six (6) months, subject to review by the Union and the Employer before confirmation. Should the parties decide to discontinue the trial then it is agreed all nurses are to revert to their former position. It is agreed that the following conditions will govern the arrangements:

- (a) Job sharing requests with regard to full-time positions shall be considered on an individual basis and the Employer shall reserve the sole right to determine the appropriateness of such arrangements.
- (b) Total hours worked by the job sharers shall equal one (1) full-time position. The division of these hours or the schedule shall be

The remaining nurse will have the option of continuing in the full-time or, if available, another part-time position for which she is qualified. If she does not continue full-time the position must be posted according to the Collective Agreement.
- (g) Either the Employer or the Union shall have the option of cancelling this agreement after providing the other party with not less than six (6) weeks written notice. The job sharer(s) will have the option to revert back to their former status.
- (h) Issues arising out of the enforcement of this Agreement will be dealt with at an Employer-Union Committee meeting.

ARTICLE L – INNOVATIVE SCHEDULING

- (a) Such schedules shall be established by mutual agreement of the Employer and the Union;
- (b) These schedules may pertain to full-time and/or part-time employees;
- (c) The introduction of such schedules and trial periods, if any, shall be determined by the local parties. Such schedules may be discontinued by either party with notice as determined through local negotiations.

It is understood that it is the obligation of the disabled employee in receipt of WSIB or long term disability benefits to ensure that the Employee Health Nurse is advised as soon as possible of any change in medical restrictions which may affect their ability to return to work and to provide appropriate medical documentation which may support any such change.
4. The Employee Health Nurse will discuss the needs of employees for accommodation as soon as possible with their respective manager or designate. In consultation with the designated union representative she will examine opportunities for temporary accommodation based on medical documentation and functional assessments.
5. The Hospital will advise the Union of offers of permanent accommodation within or outside the bargaining unit.

8. The committee will monitor the status of accommodated employees and the status of employees awaiting accommodation. The committee will review any circumstances where attempts to accommodate an employee have proven unsuccessful.

Whether or not the parties agree to waive the posting procedure in order to facilitate an accommodation and whether or not the position is within the bargaining unit, the parties will sign an agreement containing the details of the accommodation. The parties may also agree to a written agreement for temporary accommodation of extended duration.
12. The home position of a nurse who needs permanent accommodation may be posted under the following circumstances:

 1. In so electing, the position will be filled in accordance with the job posting provisions of the collective agreement.

2. If and when it is confirmed that the disabled employee cannot return to her original position, the position may be offered to the incumbent on a permanent basis.
3. When a job offer is made for the vacancy, the successful applicant will be clearly advised of the temporary status of the position and of its potential permanency.
4. Filling of a disabled employee's home position does not remove the Hospital's duty to accommodate that employee.
