RE: Registered Nurse Professionalism in the Workplace

The parties acknowledge the significant role Registered Nurses play in the delivery of high quality healthcare. We also recognize that it is important for patients and staff to be able to readily identify Registered Nurses who are widely disbursed throughout the hospital.

The parties will jointly promote the professional image and identity of Registered Nurses and will develop plans within the hospital to do so.

All hospital identification tags will clearly identify the employee as Registered Nurse in a font that is clearly visible e.g. RN badge buddy, provided by ONA.
