9.02 A formal grievance is defined as an alleged difference over the interpretation, application, administration or alleged violation of this Collective Agreement including any question as to whether a matter is arbitrable. All grievances shall be in writing and contain a statement of facts giving rise to the grievance, the redress sought, an indication of the Article(s) of this Collective Agreement and must be filed within ten (10) days of the circumstances giving rise to the grievance.

In the case of suspension or discharge, the Employer shall notify the Nurse of this right in advance. The Nurse will be informed of the nature of the meeting and the Union will be given as much advance notice as possible.

9.04 The following shall be the procedure for handling and processing grievances submitted by the employee.

Step #1

The employee may submit a grievance in writing to their immediate supervisor or designate who shall give their decision within seven (7) days of receipt of the grievance.

Step #2

If the grievance is not satisfactorily resolved at Step #1, the employee may submit the written grievance to the Executive Director or their designate within seven (7) days following the decision in Step #1.

A meeting will be held between the Employer and the grievance committee within ten (10) days of the referral. It is agreed that a staff representative of the Union may be present at the meeting and that the Employer may have such counsel and assistance as it may desire at the meeting. The Employer's decision will be delivered within seven (7) days of the meeting.

An employee is entitled to be represented by a Union representative or another available bargaining unit member of the employee's choice. In the case of suspension or discharge, the Employer shall notify the employee of this right in advance.

9.05 A claim by a Nurse who has completed their probationary period, that they have been unjustly discharged or suspended, shall be treated as a grievance if a written statement of such grievance is lodged by the Nurse with the Employer at Step No. 2 within seven (7) calendar days after the date the discharge or suspension is effected.

The release of a probationary Nurse for reasons based on performance and ability to do the job, including skills, suitability and availability shall not be subject to the grievance procedure unless the probationary Nurse is released for:

- (a) Reasons which are arbitrary, discriminatory or in bad faith.
- (b) Exercising a right under this Agreement.

The Employer agrees to provide a probationary Nurse with written reasons for their release within seven (7) days of such release.

A claim by a probationary Nurse that they have been unjustly released shall be treated as a grievance, provided the Nurse is entitled to grieve, if a written statement of such grievance is lodged by the Nurse with the Employer at Step 2 within seven (7) days after the date the release is effective.

9.06 Where a number of Nurses have identical grievances and each Nurse would be entitled to grieve separately, they may present a group grievance in writing signed by each Nurse who is grieving to management within ten (10) days after the circumstances giving rise to the grievance having occurred or ought to have come to the attention of the Nurse(s). The grievance shall then be treated as being initiated at Step #2. And the applicable provisions of this Article shall then apply with respect to the processing of such grievance.

9.07 A grievance arising between the Employer and the Union concerning the interpretation, application, administration or alleged violation of this Collective Agreement may be submitted in writing at Step #2 within ten (10) days following the circumstances giving rise to the grievance. It is expressly understood, however, that the provisions of this Article may not be used with respect to a grievance directly affecting a Nurse or Nurses, which such Nurse(s) could have themselves instituted and the regular grievance procedure shall not be thereby bypassed.

9.08 Arbitration

Failing settlement of the grievance under the foregoing procedure, such grievance may be submitted to arbitration. If no written request for arbitration

is received within twenty (20) days after the decision under Step #2 is given, the grievance shall be deemed to have been abandoned.

Where such a written request is postmarked within eighteen (18) days after the decision under Step #2, it will be deemed to have been received within the time limits.

The party referring the matter to arbitration shall name a nominee at the same time.

The recipient of the notice shall, within ten (10) days, inform the other party of the name of its nominee to the arbitration board. The two (2) nominees so selected shall, within fourteen (14) days of the nomination of the second of them, select a mutually acceptable third person who shall be the chairperson. If one (1) of them fails to name its nominee, or the two (2) nominees fail to agree upon a chairperson within the time limits, the appointment shall be made by the Minister of Labour for Ontario upon the request of either party.

9.09 No matter may be submitted to arbitration that has not been properly carried through all requisite steps of the grievance and arbitration procedure.

9.10 Each party shall pay its own expenses including those for its nominee and witnesses and the fees and expenses of the chairperson shall be borne equally by the parties.

9.11 The Arbitration Board shall not be empowered to alter, modify, add to or amend any part of this Collective Agreement, or to make any decision, which is inconsistent with the provisions of this Collective Agreement.

9.12 No person may be appointed as an arbitrator who has been involved in an attempt to negotiate or settle a grievance.

9.13 The time limits and procedures set out in the Grievance and Arbitration provisions herein are mandatory and failure to comply with such time limits and/or procedures except by the written agreement of the parties shall result in the grievance being deemed to have been abandoned.

9.14 The proceedings of the Arbitration Board will be expedited by the parties hereto and the decision of the majority and, where there is no majority the decision of the chairperson, will be final and binding upon the parties hereto and the Nurse or Nurses concerned.

9.15 Wherever arbitration board is referred to in this Collective Agreement, the parties may mutually agree in writing to substitute a single arbitrator for the arbitration board at the time of reference to arbitration and the other provisions referring to arbitration board shall appropriately apply.

The Employer and Union may mutually agree in writing to invoke the Commissioner Process rather than proceed to arbitration as set out in this Collective Agreement. All cases referred to arbitration where an employee has a grievance concerning discipline will only be referred to a Grievance Commissioner if the Employer and the Union agree in writing on all the facts. The parties may also agree to group grievances before a single Grievance Commissioner. A Grievance Commissioner (where more than one, acting in rotation) will set aside such time as may be requested by the Employer and the Union to consider and determine grievances referred to them. A Grievance Commissioner shall have the same powers and be subject to the same limitations as a Board of Arbitration hereunder, save and except as expressly provided in 9.18 to 9.22 hereof.

9.18 Through the Grievance Commissioner, the parties desire the expeditious and effective disposition of grievances. The rules governing the summary proceedings of the Grievance Commissioner are set out as follows:

- (b) The parties shall supply the Grievance Commissioner and each other with additional concise and brief written representations on which they intend to rely provided that they are emailed not less than five (5) working days before the commencement of the hearing.
- (c) The purpose of the hearing is to clarify the issues or facts in dispute. At the hearing, the parties may make such further representations or adduce such evidence as the Grievance Commissioner may permit or require but the Grievance Commissioner shall not be obligated to conform to the rules of evidence.
- (d) The Grievance Commissioner must render their written decision, without reasons, to both parties within ten (10) working days of the conclusion of the hearing. Upon request by either party after their decision has been rendered, the Grievance Commissioner shall deliver brief reasons, but such reasons shall not form part of their decision.

(e) The decision of the Grievance Commissioner shall only be applicable to the case in question and shall not constitute a precedent nor be used by either party as a precedent in future cases. Notwithstanding anything contained in this Agreement, the decision of the Grievance Commissioner shall:

- i) Be consistent with the provisions of this Agreement.
- ii) Be confined to the grievance(s) referred to them.

9.19 The Union and the Employer shall each be responsible for one-half (½) of the expense of and fees payable to the Grievance Commissioner.

The Employer and the Union may upon written agreement add further names to the panel.

9.21 Any member of the panel who, having been requested in turn to act as the Grievance Commissioner, is unable or unwilling to act shall not again be requested to act as a Grievance Commissioner until their name comes up again on the regular rotation of the panel.

9.22 The parties agree that the Grievance Commissioner can hear more than one case on a single day.

A Nurse whose status is changed from full-time to part-time shall receive credit for their full seniority and service on the basis of fifteen hundred (1,500) hours paid for each year of full-time seniority or service.

A Nurse whose status is changed from part-time to full-time shall receive credit for their full seniority and service on the basis of one (1) year of seniority or service for each fifteen hundred (1,500) hours paid. Any time worked in excess of an equivalent shall be prorated at the time of transfer.

A Nurse who takes a position out of the bargaining unit for a period of not more than three (3) months shall not suffer any loss of service, seniority or benefits.

The Employer shall not enter into any agreement that restricts or purports to restrict in any way the employment of and assignment of work to Nurses covered by this Collective Agreement without prior consultation and discussion with the Union's Labour Relations Officer for the life of this Agreement. In the event of a fundamental change in the work normally performed by members of the bargaining unit, it is agreed that the parties shall meet to discuss these changes.

10.11 When a Nurse transfers from another VON Site, they shall retain all service credits earned for purposes of vacation, benefits, pension and advancement on the salary grid.

10.12 Layoff and Recall

Taking into consideration the fact that the Employer wishes to retain wellqualified staff who are unable or prefer not to provide a full-time commitment and the job-sharing can enable this to happen, the parties agree to the following provisions:

If, because of unavoidable circumstances, one cannot cover the other, the Supervisor must be notified to book coverage. Job-sharers are not required to cover for their partners in the case of prolonged or extended absences but may be offered the opportunity to do so.

Letter of Understanding Overtime Banking

The Employer and the Union agree to discontinue the practice of the banking of overtime.

Any existing overtime banks as of the effective date of this agreement will be utilized by the employee until the bank is depleted by the expiry of the collective agreement.

All overtime will be paid out in the adjacent pay period.

Hospital Central Agreement – March 31, 2023

Letter of Understanding
Brant, Haldimand, Norfolk – Full-Time Shift Nursing

1. Nurses working full-time in the shift nursing program will be covered by the Collective Agreement except where modified by this Agreement.
 - (a) Articles on Hours of Work, Scheduling, and Weekend work will not apply to Shift Nursing.
 - (b) Shift Nursing will be defined as nursing care required to meet the needs of a single client at a time. A shift ranges in length from two (2) to twelve (12) hours. The hours of each shift will be determined by client need. The working day for each Nurse shall start and end in the client's home, school or workplace.
 - (c) The normal hours of work will average seventy-five (75) hours per two-week period.
 - (d) For assignments longer than two weeks, Nurses in the Shift Nursing Program may be expected to work alternate weekends. If a Nurse is required to work on a weekend, which contravenes this provision, all hours worked on such weekend, shall be paid at the rate of time and one-half (1½) the Nurse's regular hourly rate of pay. The premium shall not apply where the Nurse works the weekend as a result of an exchange of weekends with another Nurse.
 - (e) Assignments will be made in order to provide continuity of care to the client. Assignments will be based on availability, skills, experience, and when all this is equal, seniority.

2. **Premium Pay**

All time worked in excess of seventy-five (75) hours in a two-week period shall be considered as overtime and shall be paid at a rate of time and one-half (1½). Overtime premium shall not be pyramided.

3. **Cancellation**

Nurses who are assigned to Shift Nursing can be cancelled up to three (3) hours in advance of assigned hours of work without penalty. If the Nurse does not receive three (3) hours' notice, they shall receive three (3) hours pay at a straight time hourly rate.

4. **Reporting Pay**

A Nurse who is called in or reports for Shift Nursing as scheduled and is not required to work shall, unless otherwise notified by the Employer, receive a

minimum of three (3) hours pay at their regular hourly rate. They shall be required to perform any nursing duties assigned by the Employer.

Letter of Understanding
Brant, Haldimand, Norfolk – Clinic Nursing

From time to time, the Employer is able to secure contracts with businesses that require the provision of nursing services on a short-term basis in a Home and Community Care Support Services clinic setting.

The Employer and the Union agree that this type of service represents a separate category from the services provided through the Visiting Nursing or Shift Nursing Programs.

For the purposes of this Letter of Understanding, Articles regarding Scheduling, Hours of Work, and Cancellation contained in the current Collective Agreement do not apply.

1. Clinic Nurses will be recruited according to pertinent Articles currently contained within the Collective Agreement.
2. Hours of work for each clinic will vary depending upon the needs and requests of the customer. Minimum hours of work for clinics will be three (3) hours.
3. The Employer will normally schedule a Nurse in advance for clinic work. Work will be offered to clinic Nurses on the basis of:
 - Skill, Ability, Knowledge and Experience
 - Availability (including commitment to other Victorian Order of Nurses for Canada Brant-Haldimand-Norfolk Programs)
 - Seniority within the organization
4. The Employer will provide the Nurse with 15 hours advance notice of the cancellation of a clinic. Should such notice not be provided, the Employer will provide the Nurse with a total of three (3) hours compensation at their regular straight hourly rate.
5. Nurses working clinics will be provided with the materials, equipment and supplies necessary to perform the clinic work. It is understood that the Nurse must place a weekly supply order with the Home and Community Care Support Services to obtain supplies needed to provide service to the Client. Nurses will be responsible to orient themselves with the specifics of each clinic and obtain the necessary equipment and supplies, prior to the date/time of the clinic.

6. Should a Nurse wish to work split tours, they may, by mutual agreement between the Nurse and the Employer do so. The Union will be notified of such, and this will be reviewed on a case-by-case basis at the point of time that the Nurse initially agrees to work split tours. The Union reserves the right to review such agreements at any time. The Union will not exercise this right in an unreasonable manner. It is understood that minimum hours of work as per #2 above will apply to each split tour.

Letter of Understanding
Brant, Haldimand, Norfolk – Permanent Part-Time Nurses

Where the category of permanent part-time currently exists, those currently in these positions will be maintained at their present level of commitment and benefits. All Nurses in this category will be confirmed in writing by Aberdeen and provided to ONA. It is understood that these employees are part-time Nurses and will be considered “full-time” for scheduling purposes from Monday to Friday inclusive. Weekend commitment for parttime Nurses applies to these employees.

Other conditions are stated below:

1. A Permanent Part-time Nurse is a Nurse who is regularly scheduled to work on average four (4) tours or more per week but less than Full-time hours and who has a predetermined schedule of regular days of work per week.
