ARTICLE 1 – PURPOSE

- 1.01 The general purpose of this Agreement is to provide orderly bargaining relations between the Employer and its nurses represented by the Association; to provide for the prompt and fair disposition of grievances; and to provide mutually satisfactory working conditions, hours of work and rates of pay.
- 1.02 It is recognized that the nurses will work together with the Employer to procure the best possible nursing care and health protection for residents.

ARTICLE 2 – SCOPE AND RECOGNITION

- 2.01 This Agreement shall apply to all nurses in the bargaining unit, that is, all Registered and Graduate Nurses engaged in a nursing capacity, employed by Villa Colombo Homes for the Aged, Inc. in the Municipality of Metropolitan Toronto, save and except the Assistant Director of Nursing and persons above the rank of Assistant Director of Nursing.
- 2.02 The Employer recognizes the Association as the sole collective bargaining agent for all nurses of the Employer in the bargaining unit defined above.
- 2.03 A Registered Nurse is a nurse who holds a General Certificate of Registration with the College of Nurses of Ontario in accordance with the *Regulated Health Professions Act* and the *Nursing Act*.

A Graduate Nurse is defined as a nurse with registration incomplete, who is a graduate of a program acceptable to the College of Nurses of Ontario and is either in the process of being registered by the College of Nurses of Ontario or is completing registration requirements for whatever reasons.

The parties agree that those employees who are Graduate Nurses in jurisdictions other than Ontario and who are presently employed as Nurses Aides do not fall within the bargaining unit.

A nurse who holds a Temporary Certificate of Registration in accordance with the *Nursing Act*, 1991 and its regulations must obtain her or his General Certificate of Registration prior to the expiry of her or his Temporary Certificate. If the nurse fails to obtain her or his General Certificate of Registration prior to the expiry of her or his Temporary Certificate of Registration, but in any case not longer than two years from her or his date of hire, she/he will be deemed to be not qualified for the position of Registered Nurse and she/he will be terminated from the employ of the Employer. Such termination shall not be the subject of a grievance or arbitration.

- 2.04 (a) A “full-time nurse” shall be defined as a nurse who normally works seventy-five (75) hours (excluding lunch period) in any two week period.
- (b) A “regular part-time nurse” shall be defined as a nurse who has made a commitment, as defined in Article 11.02, to the Employer and who is regularly scheduled to work on a predetermined basis for less than seventy-five (75) hours (excluding lunch period) in a two week period.
- (c) A “casual part-time nurse” is defined as a nurse who has not made a commitment to the Employer, but who submits her availability for work on

an ongoing basis, and who is assigned work for less than seventy-five (75) hours (excluding lunch periods) in a two week period.

- 2.05 All references to nurses in this Agreement include both male and female and whenever the male and female gender is used, it shall be construed to include both male and female nurses.
- 2.06 Persons whose jobs are not in the bargaining unit shall not perform work normally performed by employees in the bargaining unit except:
- (a) In cases of emergency;
 - (b) When instructing other employees;
 - (c) When performing development or experimental work;
 - (d) When regular employees are not available.
- 2.07 When it is decided to not fill a position following an employee's resignation, the Employer will provide the rationale in writing for this decision to the Union. The Union may request a meeting to make representations on this matter.
- 2.08 For purposes of this agreement and the benefits contained herein, including insurance coverage, dependent coverage is available to the employee to cover her or his same sex partner and their dependents, in accordance with the terms and conditions of the plans.

ARTICLE 3 – MANAGEMENT RIGHTS

- 3.01 The Association recognizes that the management of its operation and the direction of the working forces are fixed exclusively in the Employer and without restricting the generality of the foregoing, the Association acknowledges that it is the exclusive function of the Employer to:
- (a) Determine and establish standards and procedures for the care, welfare, safety and comfort of its Residents, and assure the effectiveness of such standards and procedures;
 - (b) Maintain order, discipline and efficiency;
 - (c) Hire, promote, demote, direct, assign to shifts, classify, transfer, lay off, recall and discharge, suspend, or otherwise discipline nurses provided that a claim of discharge, suspension or discipline without just cause may be the subject of a grievance and dealt with as herein after provided;
 - (d) Enforce and alter from time to time reasonable rules and regulations to be observed by the nurses which are not inconsistent with the provisions of this Agreement;
 - (e) Determine the schedule of operation, the number of shifts, quality and quantity standards, the sub- contracting of work, the equipment and machinery to be used, decide on the number of nurses needed by the Employer at any time, the number of hours to be worked, the starting and quitting times, when overtime shall be worked, and require nurses to work overtime where reasonable efforts fail to produce sufficient volunteers.

- (f) Have the sole and exclusive jurisdiction over all operations, buildings, machinery, equipment and employees and to require medical examinations annually or more often if reasonably necessary.

3.02 The Employer agrees that it will not exercise its functions in a manner inconsistent with the provisions of this Agreement.

ARTICLE 4 – ASSOCIATION SECURITY

4.01 The Association will not nor will any nurse engage in Association activities during working hours or hold meetings at any time on the premises of the Employer without the written permission of the Employer.

4.02 The Employer agrees that an officer of the Union or Union representative shall be allowed a reasonable period during regular working hours to interview newly hired nurses during their probationary period. During such interview, membership forms may be provided to the nurse.

4.03 The Employer will deduct from each nurse covered by this Agreement an amount equal to the regular monthly Association dues designated by the Association. Such dues shall be deducted monthly and in the case of newly employed nurses, such deductions will be made on the first regular deduction date following their date of hire. The Association shall notify the Employer of any changes in the amount of dues from time to time.

4.04 The Employer shall provide the Union with a list of nurses showing the first and last names and Social Insurance Numbers of all employees from whom deductions have been made. The report will identify the name of the facility and the month from which the dues are remitted. The Employer will also identify job classification (where the bargaining unit includes classifications, employees paid less than RNs) and status (i.e. full-time, part-time) of the employees, all terminations, newly hired employees (including start date, where the existing system allows for the information without cost), and employees on Leaves of Absence. On a quarterly basis, the Home will also provide the members' current addresses and phone numbers, shown on the Employer's personnel records. The Employer will endeavour to provide information in electronic format if the Employee has the technology.

The Union may forward any questions with respect to individual employees in writing (or e-mail) to the Administrator (or designate). The employer will respond to such requests with any information it has which is readily available, within two weeks.

4.05 In consideration of deducting and forwarding of Association dues by the Employer, the Association agrees to indemnify and save harmless the Employer against any claims or liability arising from the operation of this article.

ARTICLE 5 – NO STRIKES NO LOCKOUTS

5.01 The Association agrees that there will be no strikes and the Employer agrees that there will be no lockouts during the term of this Agreement. The term "strike" and "lockout" shall bear the meaning given them in the *Ontario Labour Relations Act*.

ARTICLE 6 – ASSOCIATION REPRESENTATION

- 6.01 The Employer agrees to recognize two (2) nurse representatives, however not more than one per shift. The Association shall notify the Employer in writing of the names of representatives and any changes thereto.
- 6.02 The Employer will recognize a Grievance Committee consisting of two (2) representatives. A committee member may investigate and process grievances in accordance with the grievance procedure set out in this Agreement.
- 6.03 The Employer agrees to recognize a Negotiating Committee of up to two (2) nurses and the Association's representative. The Association agrees to notify the Employer in writing of the names of the members of the Negotiating Committee and any changes thereto. Any regular part-time and/or casual part-time nurse shall be credited with service and seniority for all time spent during negotiations.
- 6.04 The Employer agrees that there shall be a Home Association Committee composed of an equal number of appointed representatives of the Employer and Association. It is understood and agreed that neither party shall have more than three (3) representatives on the committee. Meetings of this committee shall be held at the request of either party, but at least quarterly. The purpose of the committee shall be to discuss matters relating to government initiatives that impact on the bargaining unit, workload, scheduling matters, job content or other matters of mutual concern. Minutes of these meetings shall be maintained and signed by both parties. The role of chairperson shall rotate between the parties. Additional representatives of the Employer and/or Association may attend the meeting if so requested by both parties.

With the understanding that:

- i) Meetings will occur during the day shift and all attempts will be made to complete the meetings prior to the end of the shift.
 - ii) Nursing Directors will work with the RNs to help them cover their workloads during meeting times.
 - iii) Meetings may need to be longer than one hour. The Committee will determine the required length.
- 6.05 When an employee is engaged in the handling of grievances in accordance with Article 8, and when an employee attends regular scheduled management meetings with management such employee will be compensated for the time so taken during regular working hours at her regular rate of pay.

The Employer agrees to pay employee members of the negotiating committee as outlined in Article 6.03 for time spent during regular working hours in negotiations with the Employer for a renewal agreement up to, but not including conciliation.

- 6.06 Wherever possible the processing of grievances and other activities on behalf of the Association shall be performed outside regular working hours. Where it is necessary to investigate or process grievances or to negotiate with the Employer during working hours, the nurse representatives or committee members shall not leave their work to perform these functions without the prior consent of their respective supervisors. It is understood that nurse representatives and committee members will not absent themselves from regular duties unreasonably.

6.07 The representative of the Ontario Nurses' Association will obtain prior consent of the Chief Executive Officer or designate before entering the Home. Such consent shall not be arbitrarily withheld.

6.08 Meetings

The parties recognize the value of nurses' input and participation in committee meetings. All joint Employer Association meetings shall be scheduled where practical during the nurse's regular working hours. The Association representative shall notify their unit Nursing Director of the meetings prior to posting of the schedule, where possible, or with as much notice as possible given the circumstance. The Employer will provide replacement staff where operationally required.

The employer agrees to pay for time spent during regular working hours for representatives of the Association attending meetings with the Employer.

ARTICLE 7 – NO DISCRIMINATION

7.01 There shall be no discrimination by the Employer or the Association or its members against any nurse on any basis provided by the *Ontario Human Rights Code*.

7.02 The parties hereto agree that no nurse in any manner be discriminated against or coerced, restrained or influenced on account of membership or non-membership in any labour organization or by reason of activity or lack of activity in any labour organization.

7.03 (a) The Union and Employer agree to abide by the *Ontario Human Rights Code*. The parties recommend and encourage any employee who may have a harassment or discrimination complaint to follow the complaints process as set out in the Employer's harassment policies and process.

(b) Where a nurse requests the assistance and support of the Union in dealing with harassment or discrimination issues, such representation shall be allowed.

(c) An employee who believes that she has been harassed contrary to this provision may file a grievance under Article 8 of this agreement.

7.04 The Employer and the Union recognize their joint duty to accommodate disabled employees in accordance with the provisions of the *Ontario Human Rights Code*.

ARTICLE 8 – GRIEVANCE PROCEDURE

8.01 The purpose of this article is to establish a procedure for the prompt handling of grievances. A nurse representative may assist the grievor at any stage of the grievance procedure if so requested. Prior to formal discipline or discharge, the Employer shall notify the nurse, in advance, of her entitlement to union representation.

8.02 A nurse who has a complaint relating to the interpretation, application, administration or alleged violation of the Agreement shall discuss her complaint with the Nursing Director of the unit. Such complaint shall be brought to the

attention of the Nursing Director of the unit within ten (10) calendar days of the nurse becoming aware of the circumstances giving rise to the complaint. The Nursing Director of the unit shall state her decision orally within seven (7) calendar days of receiving the complaint.

Step #1

Should the nurse be dissatisfied with the Nursing Director of the unit's disposition of the complaint, such nurse may within seven (7) working days of the reply to the complaint by the Nursing Director of the unit, refer such matter in writing to the Director of Resident Services who shall answer the grievance in writing within five (5) working days.

Step #2

If no settlement is reached at Step #1, the grievance may be referred in writing to the Chief Executive Officer or designate. The parties shall meet to discuss the grievance within seven (7) working days of the Director of Resident Services' reply or at a time mutually agreed upon. The Association representative may be in attendance at this meeting at the request of either party. The Chief Executive Officer or designate shall reply in writing within five (5) working days, with a copy to the Association representative. If the grievance is not settled it may be referred to arbitration as hereinafter provided.

- 8.03 (a) The Association or the Employer may initiate a grievance beginning at Step #2 of the Grievance Procedure. Such grievance shall be filed within ten (10) working days of the incident giving rise to the complaint and in the form described in Step #1. Any such grievance may be referred to arbitration under Article 10 by either the Association, in the case of an Association grievance or the Employer in the case of an Employer grievance.
- (b) All agreements reached under the grievance procedure between the representatives of the Home and the representatives of the Association will be final and binding upon the Home and the Association and the nurses.
- 8.04 Any complaint or grievance which is not commenced or processed through the next stage of the grievance or arbitration procedures within the time specified shall be deemed to have been abandoned subject only to the provisions of Section 48(16) of the *Ontario Labour Relations Act*. However, time limits may be extended by mutual agreement in writing between the Employer and the Association.
- 8.05 Probationary nurses may be terminated for reasons based on performance and ability to do the job, including skills, suitability and availability. Such termination may be grieved in accordance with the *Ontario Labour Relations Act*.
- 8.06 Any time limit referred to in the grievance or arbitration procedure shall be inclusive of Saturdays, Sundays and holidays observed by the Employer.
- 8.07 In the event of a grievance common to a group of two or more nurses, the Association may file a group grievance on behalf of such a group. The Association shall verbally take the matter up with the Director of Resident Services at Step #1.

ARTICLE 9 – DISCHARGE AND SUSPENSION CASES

9.01 At the time formal discipline is imposed or at any stage of the grievance procedure, including the complaint stage, a nurse is entitled to be represented by her or his union representative. In the case of suspension or discharge, the Employer shall notify the nurse of this right in advance. The Employer also agrees, as a good labour relations practice, in most circumstances it will also notify the local Union.

The Employer agrees that where a nurse is required to attend a meeting with the Employer that will likely lead to disciplinary action, as a good labour relations practice, it will inform the nurse of the purpose of the meeting.

9.02 A nurse who is discharged or suspended may file a grievance at Step #2 of the grievance procedure within ten (10) calendar days after such discharge or suspension.

9.03 Where a grievance which is filed under Article 9.02 is not settled and duly comes before an Arbitration Board, the Board may make a ruling, subject to this Article and to Article 10;

- (a) Confirming the Employer's action
- (b) Reinstating the nurse with compensation for regular time lost subject to the nurse's duty to mitigate; or
- (c) Disposing of the grievance in any other manner which may be just and equitable.

ARTICLE 10 – ARBITRATION

10.01 (a) Where a difference arises between the parties relating to the interpretation, application or administration of this Agreement, including any question as to whether a matter is arbitrable, or where an allegation is made that this Agreement has been violated, either party may, after exhausting any grievance procedure established by this Agreement, notify the other in writing of its desire to submit the difference or allegation to arbitration. The notice shall contain the name of the party's appointee to an Arbitration Board and shall be delivered to the other within ten (10) calendar days of the reply under Step #2. The recipient party shall, within ten (10) working days, advise the other of the name of its appointee to the Arbitration Board.

(b) The parties agree that it is their intent to resolve grievances without recourse to arbitration, wherever possible. Therefore, notwithstanding (a) above, the parties may, upon mutual agreement, engage the services of a mediator in an effort to resolve the grievance and may extend the time limits for the request for arbitration. The parties will share equally the fees and expenses, if any, of the mediator.

10.02 The appointee so selected shall, within fifteen (15) working days of the appointment of the second of them, or at a time mutually agreed upon, appoint a third person who shall be the chairman. If the recipient party fails to appoint an arbitrator, or if the two appointees fail to agree upon a chairman, within the time limited, the appointment shall be made by the Minister of Labour upon the request of either party. The Arbitration Board shall hear and determine the difference or

allegation and shall issue a decision and the decision shall be final and binding upon the parties and upon any nurse affected by it. A decision of the majority shall be the decision of the Arbitration Board, but if there is no majority, the decision of the chairman shall govern.

- 10.03 Each of the parties hereto will bear the expenses of an arbitrator appointed by it and the parties will jointly bear the cost and expenses of the chairman of the Arbitration Board, if any.
- 10.04 The Board of Arbitration shall not be authorized to make any decision inconsistent with the provisions of this Agreement, nor to alter, modify or amend any part of this Agreement.
- 10.05 Where a difference arises between the parties relating to the interpretation, application or administration of this Agreement, including any questions as to whether a matter is arbitrable, or where an allegation is made that this Agreement has been violated, either of the parties may, after exhausting the grievance procedure established by this Agreement, notify the other party in writing of its decision to submit the difference or allegation to arbitration. Where grievance concerns:
- (a) Selection decisions on job vacancies
 - (b) Premiums
 - (c) Scheduling issues
 - (d) Article 20 – Compensation issues
 - (e) Entitlement to leaves, including vacation
 - (f) Short term layoffs
 - (g) Dues issues
 - (h) Any other issues agreed by the parties

The matter shall be determined by a sole arbitrator, unless the parties agree to proceed under Article 10.06. The sole arbitrator shall proceed by way of mediation-arbitration at the request of either party. When either party requests that any such matter be submitted to mediation-arbitration or to arbitration as provided above, it shall make such request in writing addressed to the other party to this Agreement and, at the same time, it shall propose the name of the sole arbitrator. Within seven (7) calendar days thereafter, the other party shall agree in writing or propose an alternate name(s). If there is no agreement within fourteen (14) calendar days, the Minister of Labour for the Province of Ontario shall have power to effect such appointment upon application thereto by the party involving the arbitration procedure. No person may be appointed as an arbitrator who has been involved in an attempt to negotiate or settle the grievance.

Subject to Article 10.04, once appointed, the sole arbitrator shall have all powers as set out in Section 50 of the *Ontario Labour Relations Act*, including the power to mediate/arbitrate the grievance, to impose a settlement and to limit evidence and submissions.

- 10.06 For all other grievances, the matter shall be determined by a three (3) person Board of Arbitration, unless the parties agree to proceed under Article 10.05. The party requesting arbitration shall, at the time of notification of its decision to submit the difference or allegation to arbitration shall name a nominee. Within seven (7) calendar days thereafter the other party shall name a nominee. However, if such party fails to name a nominee as herein required, the Minister of Labour for the Province of Ontario shall have power to effect such appointment upon application

by the party invoking the arbitration procedure. The two (2) nominees, or the parties, if they have agreed not to utilize nominees shall attempt to select by agreement a Chair of the arbitration board. If they are unable to agree upon such a Chair within a period of fourteen (14) calendar days, they shall then request the Minister of Labour for the Province of Ontario to appoint a Chair. No person may be appointed as an arbitrator who has been involved in an attempt to negotiate or settle the grievance.

ARTICLE 11 – JOB SECURITY

11.01 Seniority shall be determined by length of service with the Employer since date of last hire. It is recognized that fifteen hundred (1,500) paid hours equals one (1) year of full-time service for regular part-time and/or casual part-time nurses.

11.02 The employer will post a current seniority list for full-time, regular part-time and casual part-time nurses in January and July of each year. Copies of this seniority list will be sent to the Association. Seniority lists shall be posted in hours for regular part-time and casual part-time nurses.

11.03 New employees shall serve a probationary period of four hundred and fifty (450) paid hours before acquiring seniority rights, which shall then date back to their last date of hire with the Employer.

A nurse who has not completed her probationary period may be released based on a fair and proper assessment against reasonable standards of performance and suitability. An allegation of action contrary to this clause may be taken up as a grievance.

11.04 For purposes of seniority under this Agreement;

(a) A nurse whose status is changed from regular part-time and/or casual part-time to full-time shall receive a seniority position equal to the number of hours worked on the basis of fifteen hundred (1,500) paid hours of regular part-time and/or casual part-time service equalling one year of full-time seniority.

(b) A nurse whose status is changed from full-time to regular part-time and/or casual part-time shall transfer her full seniority upon assuming a regular part-time and/or casual part-time position and shall then continue to accrue seniority in accordance with hours worked.

11.05 (a) Seniority and service shall be retained and accumulated when a nurse is absent from work under the following conditions:

- i) when on leave of absence with pay;
- ii) when on an approved leave of absence without pay, not exceeding thirty (30) continuous calendar days;
- iii) when in receipt of sick leave;
- iv) when in receipt of Workers' Compensation;
- v) when on Pregnancy and Parental Leave;
- vi) when absent on account of accident or illness and not in receipt of sick leave or Workers' Compensation.

The Union and the Employer agree to abide by the *Ontario Human Rights Code*.

- (b) Seniority and service shall be retained but not accumulated when a nurse is absent from work under the following circumstances:
- i) when on an approved leave of absence without pay, for the period which exceeds thirty (30) continuous calendar days;
 - ii) when absent due to lay-off for more than twelve (12) months;
 - iii) when on leave of absence for purposes of upgrading nurse education for up to twelve (12) months. An extension, if requested, shall not be unreasonably denied;
 - iv) when absent due to illness to a maximum of thirty (30) months.

The Union and the Employer agree to abide by the *Ontario Human Rights Code*.

- (c) Seniority and service once established for a nurse shall be forfeited and the nurses shall be deemed to be terminated under the following conditions:
- i) resignation;
 - ii) if discharged and not reinstated through the grievance or arbitration procedures;
 - iii) retirement;
 - iv) is laid off for more than twenty-four (24) calendar months;
 - v) if the nurse is absent from work for more than three (3) scheduled working days without notifying the Employer;
 - vi) if a nurse fails to report for duty after a lay-off or leave of absence in accordance with the provisions of this Agreement;
 - vii) if a nurse takes a leave of absence without permission.

- (d) Seniority and service for regular part-time and/or casual part-time nurses shall accrue for absences due to a disability resulting in WSIB benefits, or illness or injury in excess of thirty (30) consecutive calendar days.

Seniority and service for regular part-time and/or casual part-time nurses shall accrue for absences when on leave of absence with pay, when on Maternity and Parental leave, and when on approved leave of absence without pay that does not exceed thirty (30) continuous calendar days.

The rate of accumulation will be based on the employee's normal weekly hours paid over the preceding qualifying twenty-six (26) weeks. A qualifying week is a week where the nurse is not absent due to vacation, pregnancy-parental leave, WSIB, or illness or injury that exceeds thirty (30) consecutive calendar days.

The Union and the Employer agree to abide by the *Ontario Human Rights Code*.

11.06

- (a) In cases of lay-off, the Employer shall lay off nurses on the basis of seniority provided the remaining nurses are qualified to do the work required. Seniority for the purpose of lay-off shall be calculated up to the end of the last pay period prior to the notice of layoff date.

- (b) Nurses shall be recalled in the reverse order of lay-off.
- (c) All nurses who are on lay-off will be given job opportunities before any new nurse is hired.
- (d) In the event of a proposed lay-off at the Employer of a permanent or long-term nature or the elimination of a position within the bargaining unit, the Employer shall:
 - i) provide the local Association with no less than ninety (90) days' notice of such layoff, and a copy shall be sent to the Ontario Nurses' Association Employment Relations Officer.
 - ii) provide to the affected employee(s), if any, no less than three (3) months written notice of layoff, or pay in lieu thereof.
 - iii) meet with the Association to review
 - the reasons causing the lay-off;
 - the service which the Employer will undertake after the lay-off;
 - the method of implementation, including areas of cutback, the nurses to be laid off and the bumping/vacancy process.

NOTE: Where a proposed layoff results in the subsequent displacement of any member(s) of the bargaining unit, the original notice to the Union provided in (i) above shall be considered notice to the Union of any subsequent layoff.

11.07 When recalling a nurse after lay-off, she shall be notified by registered mail or telegram and allowed two (2) weeks to report for work and, in the meantime, if a nurse is recalled and is not immediately available for work, other nurses in seniority standing shall be recalled but shall be temporarily employed until the senior nurse reports within the two (2) week period as outlined. A nurse to whom a registered letter or telegram is sent in accordance with this article must contact the Employer within seventy-two (72) hours of the notice of return to work if she wishes the Employer to hold the job open for her for the full two (2) week period. It shall be the nurse's responsibility to keep the Employer notified as to any change of her address or telephone number so that they will be up to date at all times.

11.08 (a) A nurse who is transferred to a position outside the bargaining unit for a period of not more than three (3) months or is seconded to teach for an academic year shall not suffer any loss of seniority, service or benefits.

A nurse who is transferred to a position outside of the bargaining unit for a period of more than three (3) months but not more than fifteen (15) months shall retain, but not accumulate, her or his seniority held at the time of the transfer. In the event the nurse is returned to a position in the bargaining unit, she or he shall be credited with seniority held at the time of transfer and resume accumulation from the date of her or his return to the bargaining unit.

A nurse must remain in the bargaining unit for a period of at least five (5) months before transferring out of the bargaining unit again or she or he will lose all seniority held at the time of the subsequent transfer.

- (b) In the event that a nurse is transferred to a position outside of the bargaining unit for a period in excess of one (1) year, she or he will lose all seniority held at the time of transfer. In the event the nurse is returned to a position in the bargaining unit, the nurse's seniority will accrue from the date of her or his return to the bargaining unit.
- (c) It is understood and agreed that a nurse may decline such offer to transfer and that the period of time referred to above may be extended by agreement of the parties.
- (d) The Union will be provided notice prior to the commencement of the transfers mentioned above.

ARTICLE 12 – BULLETIN BOARDS

- 12.01 The Association shall have the use of a bulletin board in the Employer's premises for the purpose of posting notices relating to the Association's legitimate business. Such notices must be approved by the Employer prior to their being posted and such permission shall not be unreasonably withheld.

ARTICLE 13 – HOURS OF WORK AND WORKING CONDITIONS

- 13.01 The normal shift shall be composed of 7.5 consecutive hours, exclusive of meal time.
- 13.02 An unpaid meal time of one-half ($\frac{1}{2}$) hour shall be scheduled away from the floor during a nurse's tour whether day, evening or night. Where there is only one (1) Registered Nurse on a tour, it is recognized that this may not be possible. If the circumstances require that she remain on the floor, she shall be compensated at overtime rates for her meal period.
- Should the nurse be recalled to duty during the meal time, additional time shall be provided later in the tour.
- 13.03 A paid rest period of fifteen (15) minutes will be granted during each half tour. Nurses on evening and night tour will have the option of taking one rest period of thirty (30) minutes per tour.
- 13.04 Scheduling
- (a) Nurses shall receive every second weekend off, and will not be scheduled to work more than seven (7) consecutive days.
- A weekend is defined as being fifty-six (56) hours off during the period following the completion of the Friday day shift until the commencement of the Monday day shift.
- (b) Time schedules will be posted two weeks in advance and shall cover a six week period, and shall not be changed with less than 48 hours notice without the mutual consent of the nurse and the Employer. The Employer will endeavour to accommodate requests by nurses for specific days off.

- (c) All regular part-time nurses in a unit will be scheduled up to their committed hours by seniority before any casual part-time nurses are utilized.
- (d) The Employer shall use casual part-time nurses before incurring any overtime from regular part-time nurses.
- (e) When regular part-time nurses on the unit have been given the opportunity to work up to their commitment, the Employer will endeavour to offer additional tours to regular part-time and/or casual part-time nurses on the unit on the basis of seniority, subject to the following:
 - i) Nurses who wish to be considered for additional tours must indicate their availability in the manner prescribed by the Employer;
 - ii) A tour will be deemed to be offered whenever a call is placed;
 - iii) It is understood that the Employer will not be required to offer tours which would result in overtime premium pay;
 - iv) When a nurse accepts an additional tour, she/he must report for that tour unless arrangements satisfactory to the Employer are made;
