If the part-time nurse works the weekend preceding the paid holiday, she/he shall work on the paid holiday as well unless otherwise mutually agreed. This applies only to the posted schedule.

ARTICLE G - VACATION WITH PAY

For the purpose of calculating vacation eligibility, the vacation year shall be from April 1st of any year to March 31st of the following year.

Vacation Leave Scheduling

(a) The Employer shall make every reasonable effort to grant nurses a minimum of two (2) weeks continuous vacation between June 15th and September 15th if so requested by the individual nurse. Additional days shall be considered subject to patient care and staffing requirements.

(b) When a nurse requests vacation of two (2) or more consecutive weeks, the Employer shall make every reasonable effort to grant the weekend immediately preceding and the weekend immediately following the vacation as days off.

(c) The date and time on which a nurse is to report following vacation shall be indicated on the posting advance time schedule.

(d) Nurses shall be given preference with respect to their vacation period in accordance with their bargaining unit seniority within their work area once during the vacation year. Full-time vacation shall be separate and apart from part-time vacation, except on units where only one (1) nurse may be off at a time.

(e) A vacation request sheet on which nurses may make requests for the entire vacation year shall be posted from February 1st until February 21st. ii) A vacation request is defined as a continuous period of time, not less than one (1) week. Article G – 2 (a) will apply for the time between June 15th to September 15th. Requests made cannot total more than a nurse’s vacation entitlement.

iii) Nurses who wish their seniority to apply to their vacation requests shall make such request on the vacation request sheet. Requests must be ranked in order of preference.

iv) Vacations will be granted by preference, in order of seniority, until every nurse making requests has been granted one (1) vacation period. If a nurse cannot be granted any of her/his requests submitted, every reasonable effort will be made to contact her/him for alternative vacation requests before granting the vacation request of a less senior nurse.

v) After preferred vacations have been granted remaining vacation requests on the vacation request sheet will be granted to the most senior nurse requesting that period. Once a nurse has been granted a vacation time, based on her seniority, she may not use her seniority to change that request or to make a second request.

(f) Requests for vacation made other than by the vacation request sheet shall be submitted in writing at least one (1) week in advance of the posting of the schedule during which the requested time occurs and no later than December 1st for all outstanding vacation entitlement. (g) Schedule changes to accommodate approved vacations will be completed by Nursing Management.

(h) Only nurses covered under the terms of the Collective Agreement shall be counted when determining vacation quotas.

(i) Except for vacation requests made via the vacation request sheet, confirmation of vacation requests will be given, in writing, within two (2) weeks of the request.

For purposes of clarification, the Employer will advise the nurse, in writing, as to whether her/his request is approved or denied.

(j) If a nurse requests to cancel an approved vacation, she must submit the request, in writing, to her immediate supervisor at least two (2)
weeks in advance of the posting of the schedule during which the approved vacation was to occur. If approved, rebooking of the cancelled vacation time shall be done in accordance with G-2 (f). If however, another nurse previously requested this time period and was denied, the nurse will be offered to take this time as vacation.

(k) It is understood and agreed by the parties that the Manager or her delegate is under no obligation to grant the cancellation of the scheduled vacation once a schedule is posted, except otherwise provided in the Collective Agreement, such request will not be unreasonably denied. Following the posting of the schedule should a part-time nurse request her vacation be cancelled and the request is approved, she will be entitled only to the call-in hours for the duration of that rotation.

G-3 Single Vacation Days (full-time only)

The Hospital shall grant full-time nurses the utilization of single vacation days or a combination of days up to a maximum of seven (7) per year provided that they are requested in writing by the nurse at least four (4) weeks in advance and providing that they are scheduled at a mutually agreeable time.

Notwithstanding the foregoing, the Hospital will give consideration to requests for single day vacation when less than four (4) weeks' advance notice is given.

**ARTICLE H - HOURS OF WORK**

**H-1** When determining shift premium applications as set out in Article 14.10 of the central agreement the following definitions will apply:

**Shift Definitions**

Day shift is defined as being when the majority of hours fall between 0730 and 1530 hours.

Evening shift is defined as being when the majority of hours fall between 1530 and 2330 hours.

Night shift is defined as being when the majority of hours fall between 2330 and 0730.

**H-2** Meal times of one-half (½) hour shall be scheduled away from the unit during the nurse’s tour, whether day, evening or night.

**H-3** A nurse who works 7.5 hour tours will receive one (1) weekend in three (3) off. The Employer will endeavour to schedule one (1) weekend in two (2) off. Should a nurse be required to work three (3) consecutive weekends or more, she/he shall be paid premium pay as set out in Article 14.03 for the third [3rd] weekend and for each succeeding weekend worked until a weekend is scheduled off, save and except where:

(a) such weekend has been worked by the nurse to satisfy specific days off requested by such nurse; or
(b) such nurse has requested weekend work; or
(c) such weekend is worked as a result of an exchange of shift with another nurse.

For the purposes of Article H-3, a weekend shall consist of at least sixty-four (64) consecutive hours off work from the completion of the Friday Day Tour to the commencement of the nurse’s first [1st] scheduled shift on Monday.

**H-4** **Time Off in Lieu (TOIL)** (full-time only)

(a) For the purposes of Article 14.09 of the Central Agreement, time off in lieu of overtime and call back from standby, must be taken by the end of the fiscal year (March 31) except as noted below.

Any balance of lieu time not used for time off or paid out during the year in accordance to 14.09 of the Central Agreement will be paid out in the last pay period prior to March 31 of each year. However, time earned between February 28 and March 31 of the year may be carried over to the following fiscal year.

Employees involved in an agreement with the Employer in accordance of E-2 of the local contract, may use the option of applying time off in lieu banked to achieve earlier compliance to the pre-paid leave plan, such that it does not conflict with E-2. If requested, the full amount may be used not just the required 20%. This request must be made in writing to the Employer.

(b) Operating Room regular part-time nurses and other part-time nurses doing a temporary full-time position shall be allowed to accumulate overtime and call back from standby, bank it and use it in accordance with (a) above.

(c) Accumulated overtime hours shall not be scheduled by the Employer unless at a mutually agreeable time to the nurse.

(d) Should lieu time be scheduled it will not be cancelled or rescheduled due to a change in staffing requirements. Lieu time can be accumulated and scheduled subject to the terms and conditions for vacation scheduling.

(a) Requests for a change of scheduled working hours must be submitted in writing and co-signed by the nurse willing to exchange tours. (f) Schedules will be posted two (2) weeks in advance for a four (4) week period. Requests will be submitted one (1) week prior to posting.

(g) At least forty-eight (48) hours time off shall be scheduled following night tour.

(i) The midnight shift is the first [1st] shift of the day.

(j) No less than two (2) consecutive tours off between changes of shift.

(k) Scheduling regulations found in H-3, H-4, H-5, H-6 and H-7 may be waived between December 15th and January 15th in order to accomplish Christmas/New Year's schedules. The employer will endeavour not to schedule a nurse more than four (4) consecutive shifts or more than three (3) consecutive night shifts during this period unless mutually agreed to.

Subject to the final approval of the Unit Supervisor, self scheduling may be implemented between December 15th and January 15th so that all nurses will receive five (5) or more consecutive days off at either Christmas or New Year's. Christmas Eve (December 24th 0730 hr), Christmas Day (December 25th), Boxing Day (December 26th) (December 27th 0730 hr) or New Year's Eve (December 31st 0730 hr.) and New Year's Day (January 1st) (Jan. 2nd 0730 hr.) will be included in the five (5) days off.

The Employer will endeavour to advise the nurses of their holiday time off eight (8) weeks in advance. The Employer will advise the nurse of their holiday time off five (5) weeks in advance. This time off will take priority over vacation requests during the holiday period.

(l) Prior to the posting of any changes to their scheduled shift, the Hospital will endeavour to notify nurses scheduled on a master rotation. It is recognized that the purpose of a master rotation is to allow for advanced planning and to alleviate the problem of special requests.

(m) **Scheduling (part-time only)**

The regular part-time commitment to be available shall be as follows:

i) A minimum of four (4) calendar days per two (2) week pay period: (For clarity a calendar day includes days, evenings and nights.)

ix) Schedules will be posted two (2) weeks in advance for a four (4) week period. Requests and availability will be submitted one (1) week prior to posting.

(n) All regular part-time nurses in a unit will be scheduled up to their available hours by seniority before any casual nurse is utilized. All

The Hospital shall distribute the available shifts for a specific unit to the regular part-time on the unit by seniority as follows:

i) The Hospital shall schedule regular part-time nurses on a unit, on the basis of seniority three (3) tours in the two (2) week pay period. The Hospital shall then schedule the next most senior regular part-time nurse three (3) tours in the two (2) week pay period and so on, until each regular part-time nurse has been scheduled three (3) tours or until all shifts have been assigned. After each nurse in the unit has received three (3) tours, the senior nurse, and each subsequent nurse, on the basis of seniority, will equitably receive an additional tour(s). Re: Nursing Float Pool

1. A Nursing Float Pool may be developed in order to meet the Hospital's need to replace short term absences, fill temporary vacancies and unforeseen increases to patient volume in units and as a method of creating full-time positions.

2. The Collective Agreement shall apply to all aspects of the Nursing Float Pool.

3. Nursing Float Pool shall be comprised of full-time positions only.

4. For the purposes of vacation, leaves of absence, lay-off or any other seniority or service entitlement under the collective agreement the Nursing Float Pool shall be treated as a separate unit.

Prior to assigning a Nursing Float Pool Nurse, the Hospital must satisfy its obligations under the collective agreement with respect to the scheduling or calling in of regular part-time and/or casual nurses for scheduled tours and/or additional tours that become available after the schedule has been posted, save and except that Nursing Float Pool may be utilized to fill temporary full-time vacancies due to sick leave absences, leaves of absence and pregnancy/parental leaves while the Employer makes proper arrangements to fill the vacancy under Article 10.07(d).
7. A nurse so assigned under Article 10.07 (d) shall be deemed to be on that unit for the duration of the temporary assignment and their name(s) shall be clearly indicated on the schedule within that unit.

8. Any reassignment shall follow the established reassignment provisions contained in the local issues agreement.

9. To ensure quality patient care, the employer shall endeavour to ensure that each nurse assigned to a unit shall receive the orientation specific to the applicable unit(s), as mutually agreed to by the nurse and the Patient Care Manager/Coordinator, prior to the commencement of the assignment.
